OPENING HYMN

Onward, Christian soldiers! Marching as to war,
With the cross of Jesus going on before.
Christ, the royal Master, leads against the foe;
Forward into battle, see His banners go!
Onward, Christian soldiers! Marching as to war,
With the cross of Jesus going on before.

Like a mighty army moves the Church of God,
Brothers, we are treading where the saints have trod;
We are not divided, All one body we,
One in hope and doctrine, One in charity.
Onward, Christian soldiers! Marching as to war,
With the cross of Jesus going on before.

Crowns and thrones may perish, Kingdoms rise and
wane,
But the Church of Jesus constant will remain;
Gates of hell can never 'gainst that Church prevail;
We have Christ's own promise, and that cannot fail.
Onward, Christian soldiers! Marching as to war,
With the cross of Jesus going on before.

Onward, then ye people! Join our happy throng,
Blend with ours your voices in the triumph song;
Glory, laud, and honor unto Christ the King;
This thro' countless ages man and angels sing.
Onward, Christian soldiers! Marching as to war,
With the cross of Jesus going on before.
