**SUNDAY EVENING, MAY TWENTY-SEVENTH  
NINETEEN HUNDRED AND FORTY-FIVE**

## Opening Hymn

Faith of our fathers! living still  
In spite of dungeon, fire, and sword,  
O how our hearts beat high with joy  
Whene'er we hear that glorious word!  
Faith of our fathers, holy faith!  
We will be true to thee till death.

Faith of our fathers! we will strive  
To win all nations unto thee,  
And through the truth that comes from God  
Mankind shall then be truly free.  
Faith of our fathers, holy faith!  
We will be true to thee till death.

Faith of our fathers! we will love  
Both friend and foe in all our strife,  
And preach thee, too, as love knows how  
By kindly words and virtuous life:  
Faith of our fathers, holy faith!  
We will be true to thee till death. AMEN.
