The Landing of Colonists at Roanoke Island...

After months of storms, hardships, and privation, the first colonists landed on Roanoke Island in 1585. These early colonizers were under the command of Sir Richard Grenville, a kinsman of Sir Walter Raleigh. Grenville took possession of the land in the name of Elizabeth, Queen of England. Grenville returned to England to report the success of his establishment, leaving Ralph Lane as the first governor of the new colony.

NORTH CAROLINA STATE COLLEGE
OF AGRICULTURE AND ENGINEERING
RALEIGH, NORTH CAROLINA

DRC

FACC

IT has been the purpose of the AGROMECK staff to present to you a brief picture of the major industrial activities of North Carolina. To do this, it is necessary and fitting that consideration be given the background and foundations upon which the Tar Heel State has been established. From the early days of the simple colonists on Roanoke Island, through the era of slavery and the development of transportation, and finally through the modern culture of the day, a definite pattern has been gradually formulated by which the lives of our millions of inhabitants have been influenced. We live to-day with the joy of knowing that our historical background is as glamorous, and as full of prestige as that of any other state. To us, the living past, it should aid in furthering and realizing the accomplishments that our forefathers realized. Thus inspired, and augmented with the endowment of an abundance of natural resources, North Carolina will continue to thrive, and will ultimately be a leader in industry.

D E D

Colonel Bruce Magruder
SOLDIER • GENTLEMAN • FRIEND

ICATION

TO COLONEL BRUCE MAGRUDER,
SOLDIER, GENTLEMAN, AND
FRIEND, FOR HIS EFFORT, DILIGENT
LABOUR, AND UNCEASING LOVE
FOR NORTH CAROLINA STATE
COLLEGE, THIS THIRTY-FOURTH
VOLUME OF THE AGROMECK IS
AFFECTIONATELY DEDICATED.

During the World War Colonel Magruder was decorated for his activities in the Argonne offensive with the Distinguished Service Medal by the United States, the Legion of Honor by France, and the Order of the Crown by Belgium.

THE SURF OF THE ATLANTIC BATHES THE ENTIRE EASTERN COAST OF NORTH CAROLINA. THE MAINLAND DOES NOT TERMINATE AT THE SEA, BUT RATHER INSTEAD AT THE MANY INLETS AND BAYS THAT HARBOR THE FOURTH LARGEST EXTRACTIVE INDUSTRY OF NORTH CAROLINA. FISHING HAS GREAT POTENTIALITIES AS A MAJOR INDUSTRY OF THE STATE. THOUSANDS OF DOLLARS ARE REALIZED EACH YEAR IN THIS, THE OLDEST INDUSTRY IN NORTH CAROLINA. THE POSSIBILITIES ARE FAR IN EXCESS OF THE PRESENT REALIZATION. NORTHERN MARKETS PROVIDE AN ADEQUATE OUTLET FOR ALL THAT NORTH CAROLINA FISHERIES CAN FURNISH THEM.

One of the fifteen thousand fishing boats that daily draws its nets and hoists its tongs to furnish a major part of the fish and oysters for the eastern United States.

We Are Happy To Present . . .

. . . An exhibition of campus drawings by George C. Aid, an American artist, and a North Carolinian, who has gained international recognition as an etcher and master of French Crayons. We are fortunate to have a small collection by so talented an artist. Mr. Aid is represented by his works in the permanent collections of the Library of Congress, the New York Public Library, the Luxembourg Gallery in Paris, and the Royal Gallery in Dresden.

C. R. LEFORT, *Assistant Dean of Students*
 B.S., North Carolina State College.
 821 Hillsboro Street.

FACULTY

SCHOOL OF BUSINESS AND SCIENCE

- I. W. BARNHARDT, *Assistant Professor of History and Political Science*
A.B., Duke University; A.M., University of Wisconsin, and graduate work at the University of Pennsylvania.
211 Groveland Avenue.
- E. M. BERNSTEIN, *Associate Professor of Business Administration*
Ph.B., University of Chicago; A.M., Ph.D., Harvard University.
117 Hillcrest Road.
- MURRAY F. BUELL, *Instructor of Botany*
B.A., Cornell University; Ph.D., University of Minnesota; M.A., University of Minnesota.
902 Brooks Avenue.
- H. L. CAVENESS, *Assistant Professor of Chemistry*
A.B., Trinity College; M.A., Duke University, and graduate work at the University of North Carolina.
2607 Vanderbilt Avenue.
- J. B. DERIEUX, *Professor of Theoretical Physics*
B.S., M.A., University of Tennessee; Ph.D., University of Chicago.
2802 Hillsboro Street.
- A. A. DIXON, *Associate Professor of Physics*
B.S., Guilford College; M.A., Haverford College; Ph.D., Cornell University.
14 Dixie Trail.
- R. W. GREEN, *Associate Professor of Marketing*
B.S., Cornell University; M.S., N. C. State College, and graduate work at Cornell University and the University of North Carolina.
White Oak Drive.
- C. M. HECK, *Professor of Physics*
A.B., Wake Forest College; M.A., Columbia University; graduate work at the University of Nebraska, and the University of Berlin.
200 Hawthorne Road.
- R. W. HENNINGER, *Professor of Industrial Management*
B.S., Massachusetts Agricultural College; M.S., N. C. State College; graduate work at Columbia University.
230 East Park Drive.
- A. D. JONES, *Assistant Professor of Chemistry*
A.B., A.M., and graduate work at the University of Cincinnati.
Barmettler Street.
- W. E. JORDAN, *Associate Professor of Chemistry*
B.S., M.A., Wake Forest College; M.S., N. C. State College; graduate work at Columbia University and the University of North Carolina.
902 Brooks Avenue.
- E. W. LANCASTER, *Assistant Professor of Physics*
B.S., Ch.E., Purdue University; graduate work at Purdue University.
208 Forest Road.
- M. C. LEAGER, *Associate Professor of Statistics and Accounting*
B.S., M.S., University of Minnesota; graduate work at Columbia University.
16 Maiden Lane.
- J. S. MEARES, *Assistant Professor of Physics*
B.S., University of South Carolina; M.S., N. C. State College.
2408 Everett Avenue.
- R. O. MOEN, *Professor of Business Administration*
B.A., M.A., Ph.D., University of Iowa.
3202 Clarke Avenue.
- EMMETT B. McNATT, *Instructor in Economics*
A.B., University of Missouri; A.M., Cornell University; Ph.D., Cornell University.
114 East Jones Street.
- G. H. SATTERFIELD, *Associate Professor of Bio-Chemistry*
A.B., A.M., Trinity College; graduate work at Yale, Northwestern, Duke, and Columbia Universities.
407 West Park Drive.
- C. B. SHULENBERGER, *Associate Professor of Accounting*
A.B., Roanoke College; A.M., Columbia University.
102 Fourth Dormitory.
- L. F. WILLIAMS, *Professor of Organic Chemistry*
A.M., A.B., Trinity College; Ph.D., Johns Hopkins University.
1816 Park Drive.
- A. J. WILSON, *Professor of Analytical Chemistry*
B.S., M.S., N. C. State College; Ph.D., Cornell University.
1808 Park Drive.

SCHOOL OF ENGINEERING

- W. S. BRIDGES, *Assistant Professor of Mechanical Engineering*
B.E., M.S., N. C. State College.
125 Chamberlain Street.
- H. B. BRIGGS, *Associate Professor of Engineering, Drawing and Descriptive Geometry*
B.E., M.E., N. C. State College.
2109 Fairview Road.
- R. R. BROWN, *Assistant Professor of Electrical Engineering*
B.S., University of Texas; M.S., Massachusetts Institute of Technology.
102 Logan Court.
- W. H. BROWN, JR., *Professor of Electrical Engineering*
A.B., P.A.E., B.E., Extra Ordinem, Johns Hopkins University.
408 Dixie Trail.
- R. C. BULLOCK, *Instructor in Mathematics*
A.B., M.A., University of North Carolina; Ph.D., University of Chicago.
402 Horne Street.
- JOHN W. CELL, *Instructor in Algebra and Calculus*
A.B., M.A., Ph.D., University of Illinois.
712 Brooks Avenue.
- J. M. CLARKSON, *Assistant professor of Mathematics*
Fayetteville Road.
- J. M. EDWARDS, JR., *Assistant Professor of Architectural Engineering*
Bachelor of Fine Arts, Yale University.
312 New Bern Avenue.
- J. G. ESTES, *Assistant Professor of Mathematics*
304 Hillcrest Road.
- C. E. FELNER, *Instructor in Civil Engineering, Drawing and Descriptive Geometry*
B.S. in C.E., Virginia Polytechnic Institute; S.M. in C.E., University of North Carolina.
106 North Person Street.
- H. A. FISHER, *Professor of Mathematics*
M.S., N. C. State College; graduate of the United States Naval Academy; graduate work at the Naval Engineering School, the Naval Ordinance, and the Navigation School.
125 Brooks Avenue.
- GASTON G. FURNES, *Instructor in Mechanical Drawing and Kinematics*
B.S. in M.E., M.S. in M.E., North Carolina State College.
309 South Dormitory.
- JAMES FONTAINE, *Assistant Professor of Mathematics, and Research Assistant Engineering Experimental Station*
B.E., M.S., North Carolina State College.
2712 Everett Avenue.
- R. S. FOURAKER, *Professor of Electrical Engineering*
B.S. in Electrical Engineering, A. and M. College of Texas; M.S., University of Texas.
2403 Everett Avenue.
- W. G. GEILE, *Associate Professor of Construction and Civil Engineering*
Ph.B. in Civil Engineering, Yale University.
Berkshire Road.
- K. B. GLENN, *Assistant Professor of Electrical Engineering*
B.E., M.S., North Carolina State College.
309 North Bloodworth Street.
- A. F. GREAVES-WALKER, *Professor of Ceramic Engineering*
Ceramic Engineering, Ohio State University.
305 Forest Road.
- C. S. GROVE, *Assistant Professor of Chemical Engineering*
A.B., Lenoir Rhyne College; B.S., Ch.E., N. C. State College; M.S., Massachusetts Institute of Technology.
Wendell Road.
- T. S. JOHNSON, *Professor of Industry*
B.S., Denison University; C.E., Ohio State University; M.S., Denison University.
1026 Cowper Drive.
- L. M. KEEVER, *Assistant Professor of Electrical Engineering*
B.E., M.S., North Carolina State College.
2200 Carol Drive.
- F. A. LEE, JR., *Assistant Professor of Mathematics*
A.B., Randolph-Macon College; M.A., University of Virginia.
124 South Dormitory.
- C. M. LAMBE, *Instructor in Civil Engineering*
B.E., North Carolina State College.
413 Calvin Road.

FACULTY

- JACK LEVINE, *Instructor in Algebra and Calculus*
A.B., University of California; Ph.D., Princeton University.
117 Hillcrest Road.
- MALCOLM LEWIS, *Instructor in Shopwork*
S.B., Massachusetts Institute of Technology.
113 Chamberlain Street.
- C. L. MANN, *Professor of Civil Engineering*
B.S., C.E., N. C. State College; Summer School, Cornell University.
1702 Hillsboro Street.
- H. L. MOCK, *Assistant Professor of Mathematics*
A.B., Roanoke College.
1609 Park Drive.
- P. E. MULLOWNEY, *Instructor in Aeronautical Engineering*
B.E., in Mechanical and Electrical Engineering, Vanderbilt University.
1544 Iredell Drive.
- C. G. MUMFORD, *Assistant Professor of Mathematics*
B.A., Wake Forest College
712 Brooks Avenue.
- M. HOWARD NALIKIAN, *Instructor in Mathematics*
A.B., M.A., University of North Carolina.
101 Sixth Dormitory.
- J. D. PAULSON, *Assistant Professor of Architectural Engineering*
B.F.A., Yale University.
3141 Stanhope Street.
- R. J. PEARSALL, *Assistant Professor of Electrical Engineering*
B.E., and graduate work, North Carolina State College.
2005 MacCarthy Street.
- E. E. RANDOLPH, *Professor of Chemical Engineering*
A.B., A.M., Ph.D., University of North Carolina.
212 Groveland Avenue.
- H. E. SATTERFIELD, *Associate Professor of Mechanical Engineering*
B.S., M.E., Purdue University.
201 Groveland Avenue.
- W. E. SELEINGHAUS, *Instructor in Mechanical Engineering*
B.S., Newark College of Engineering.
1607 Craig Street.
- D. BOYD THOMAS, *Instructor in Mathematics*
B.S., North Carolina State College; M.S., North Carolina State College.
2404 Everett Avenue.
- HARRY TUCKER, *Professor of Highway Engineering and Director of the Engineering Experiment Station*
B.A., B.S., C.E., Washington and Lee University.
20 Logan Court.
- L. L. VAUGHAN, *Professor of Mechanical Engineering*
B.E., North Carolina State College; M.E., Columbia University.
11 Enterprise Street.
- F. B. WHEELER, *Associate Professor of Furniture Manufacturing*
B.E., M.E., North Carolina State College.
20 Maiden Lane.
- L. S. WINSTON, *Instructor in Mathematics*
B.S., Grove City College; M.A., Oberlin College.
- H. P. WILLIAMS, *Assistant Professor of Mathematics*
B.A., William and Mary College.
2512 Clarke Avenue.
- R. E. L. YATES, *Professor Emeritus of Mathematics*
A.M., Wake Forest College.
2100 Hillsboro Street.
- ROBERT H. YOUNG, *Instructor in—*
B.S., Clemson College; M.S., Georgia School of Technology; M.A., Emory University.
1819 Glenwood Avenue.

SCHOOL OF TEXTILES

- A. H. GRIMSHAW, *Associate Professor of Textile Chemistry and Dyeing*
B.S., M.S., North Carolina State College. Graduate
New Bedford Textile School.
12 Enterprise Street.
- J. T. HILTON, *Professor of Yarn Manufacture*
B.S., M.S., North Carolina State College. Graduate
Bradford-Durfee Textile School
1610 Ambleside Drive.
- T. R. HART, *Associate Professor of Weaving and Designing*
B.E., T.E., M.S., North Carolina State College.
501 Whitaker Mill Road.
- J. G. LEWIS, *Instructor in Knitting*
B.S., M.S., North Carolina State College.
123 Brooks Avenue.
- W. E. SHINN, *Instructor in Weaving and Designing*
B.S., North Carolina State College.
2712 Everett Avenue.

SCHOOL OF AGRICULTURE

- D. B. ANDERSON, *Associate Professor of Botany*
B.A., B.S., M.A., Ph.D., Ohio State University.
906 Brooks Avenue.
- C. H. BOSTIAN, *Assistant Professor of Zoology and Entomology*
A.B., Catawba College; M.S., Ph.D., University of Pittsburgh.
210 Chamberlain Street.
- MURRAY F. BUELL, *Instructor in Botany.*
B.A., Cornell University; M.A., Ph.D., University of Minnesota.
902 Brooks Avenue.
- C. B. CLEVINGER, *Professor of Dairy Manufacturing*
B.S. in Agriculture, Ohio State University; M.S., North Carolina State College.
202 Groveland Avenue.
- W. L. CLEVINGER, *Professor of Animal Husbandry and Dairy Manufacturing*
209 South Dormitory.
- J. B. COENER, *Professor of Plant Breeding*
B.Pd., Missouri State Teachers College; M.S., North Carolina State College; Ph.D., Cornell University.
2718 Clarke Avenue.
- W. H. DARST, *Professor of Agronomy*
B.S., Ohio State University; M.S., Cornell University;
Graduate work at Michigan State College.
1609 West Park Drive.
- R. S. DEARSTYNE, *Professor of Poultry Science*
B.S., University of Maryland; M.S., North Carolina State College.
921 South Street.
- G. W. FORSTER, *Professor of Agricultural Economics*
B.S., Cornell University; M.S., Ph.D., University of Wisconsin.
1924 Sunset Drive.
- J. E. FOSTER, *Associate Professor of Animal Husbandry*
B.S., North Carolina State College; M.S., Kansas State College.
- M. E. GARDNER, *Professor of Horticulture*
B.S., Virginia Polytechnic Institute.
2308 Bedford Avenue.
- R. E. GREAVES, *Assistant Professor of Poultry Science*
B.S., Wake Forest College; M.S., North Carolina State College.
2512 Clarke Avenue.
- C. D. GRINNELS, *Associate Professor of Veterinary Science*
B.S., University of Minnesota; D.V.M., Cornell University; M.S., University of Minnesota.
409 Dixie Trail.
- F. M. HAIG, *Associate Professor of Animal Husbandry and Dairying*
B.S., University of Maryland; M.S., North Carolina State College.
1803 Fairview Road.
- C. H. HAMILTON, *Associate Professor of Rural Sociology*
B. S., Southern Methodist University; M.S., Texas A. and M. College; Ph.D., University of North Carolina.
4 Dixie Trail.
- R. W. HAYES, *Professor of Forestry*
B.S.F., M.F., Iowa State College.
- J. V. HOFMANN, *Professor of Forestry*
B.S.F., M.F., Ph.D., University of Minnesota.
904 New Bern Avenue.
- E. H. HOSTETLER, *Professor of Animal Husbandry*
B.S., in Agriculture, Kansas State College; M. Agr., M.S., North Carolina State College.
White Oak Road.
- S. G. LEHMAN, *Professor of Plant Pathology*
B.S., Ohio University; M.S., North Carolina State College; Ph.D., Washington University.
125 Brooks Avenue.
- J. F. LUTZ, *Assistant Professor of Soils*
B.S., North Carolina State College; M.A., University of Missouri.
324 South Dormitory.
- M. TAYLOR MATTHEWS, *Assistant Professor of Rural Sociology*
B.S., Eastern Tennessee Teachers College; Ed.M., Harvard University.
2702 Hillsboro Street.

FACULTY

- F. B. MEACHAM, *Assistant Professor of Zoology*
B.S., M.S., North Carolina State College.
2716 Everett Avenue.
- Z. P. METCALF, *Director of Instruction, School of Agriculture, and Professor of Zoology*
A.B., Ohio State University; D.Sc., Harvard University.

B.S., M.S., North Carolina State College; Graduate work at Johns Hopkins University, and National School of Agriculture.
1405 Hillsboro Street.
- N. W. WILLIAMS, *Associate Professor of Poultry*
B.S., M.S., North Carolina State College.
Poultry Plant.
- R. Y. WINTERS, *Director of Agricultural Experiment Station*
B.S., Clemson College; M.S., University of Florida; Ph.D., Cornell University.
1908 Park Drive.

SCHOOL OF EDUCATION

- L. O. ARMSTRONG, *Associate Professor of Education*
B.S., North Carolina State College.
Dixie Trail.
- S. T. BALLENGER, *Assistant Professor of Modern Languages*
A.B., M.A., University of North Carolina.
3134 Stanhope Avenue.
- E. W. BOSHART, *Professor of Education*
B.S., M.A., Columbia University.
108 Horne Street.
- J. K. COGGIN, *Associate Professor of Education*
B.S., North Carolina State College.
Cary, North Carolina.
- L. E. COOK, *Professor of Education*
A.B., B.S., M.S., Cornell University.
111 Brooks Avenue.
- J. D. CLARK, *Professor of English*
B.A., Columbia University; M.A., Harvard University; Graduate work at the Universities of Virginia and Chicago, and Oxford University.
15 Furches Street.
- K. C. GARRESON, *Professor of Psychology*
B.S., Peabody College; M.S., University of North Carolina; Ph.D., Peabody College.
- T. P. HARRISON, *Professor of English*
B.S., The Citadel; Ph.D., Johns Hopkins University; LL.D., The Citadel.
1800 Park Drive.
- L. C. HARTLEY, *Assistant Professor of English*
B.A., Furman University; M.A., Columbia University.
205 Woodburn Road.
- W. N. HICKS, *Professor of Religion, and Sociology*
B.E., North Carolina State College; A.B., Duke University; M.A., Oberlin College; M.S., North Carolina State College.
18 Maiden Lane.
- L. E. HINKLE, *Professor of Modern Languages*
B.A., University of Colorado; M.A., Columbia University; D.S.'s L., Dijon.
1714 Park Drive.
- A. I. LADU, *Associate Professor of English*
A.B., Syracuse University; M.A., Ph.D., University of North Carolina.
Wilmont Apartments.
- FRANK H. LYELL, *Instructor in English*
B.A., University of Virginia; M.A., Columbia University.
1715 Park Drive.
- DAVID A. LOCKMILLER, *Instructor in History and Political History*
B.Ph., M.A., Emory University; LL.B., Cumberland University; Ph.D., University of North Carolina.
304 Hillcrest Road.
- R. P. MARSHALL, *Assistant Professor of English*
B.A., Wake Forest College; M.A., Columbia University; M.S., North Carolina State College.
2617 Leesville Road.
- W. L. MAYER, *Professor of Education, and Director of Registration*
B.S., Cornell University; M.S., North Carolina State College; Graduate work at Cornell University.
20 Bagwell Avenue.
- E. H. PAGET, *Associate Professor of English*
B.L., Northwestern; M.A., University of Pittsburgh; Graduate Work at Northwestern, Wisconsin, and Syracuse Universities.
114 Park Avenue.
- L. W. SEEGERS, *Instructor in History*
A.B., Muhlenberg College; A.M., University of Pennsylvania.
111 Chamberlain Street.
- A. B. R. SHELLEY, *Instructor in English*
B.S., Taft's College; A.M., Harvard University.
127 Hawthorn Road.
- M. L. SHOWALTER, *Associate Professor of Education*
A.B., Indiana University; M.S., Purdue University.
504 Dixie Trail.
- J. L. STUCKEY, *Professor of Geology*
A.B., A.M., University of North Carolina; Ph.D., Cornell University.
1911 Sunset Drive.
- S. R. WINSTON, *Professor of Sociology*
B.A., Western Reserve University; Ph.D., University of Minnesota.
- T. L. WILSON, *Assistant Professor of English*
A.B., Catawba College; A.M., Wofford College.
407 Calvin Road.
- W. K. WYNN, *Assistant Professor of English*
A.B., Wofford College; M.A., Emory University, Columbia University.
502 Dixie Trail.
- R. B. WYNN, *Instructor in English*
A.B., A.M., William and Mary College.

BOOK TWO

CLASSES

THE LARGEST AND MOST PROFITABLE INDUSTRY OF NORTH CAROLINA IS TOBACCO. SIR WALTER RALEIGH AND JEAN NICOT INTRODUCED TOBACCO IN EUROPE IN 1612, AND THUS PAVED THE WAY FOR THE DEVELOPMENT OF THE TOBACCO INDUSTRY. NORTH CAROLINA IS THE WORLD'S CHIEF TOBACCO CENTER, GROWING MORE THAN ANY OTHER STATE IN THE UNION. NOT ONLY IS THE TOBACCO GROWN IN NORTH CAROLINA, BUT ONE HALF OF ALL TOBACCO PRODUCTS MANUFACTURED IN THE UNITED STATES ARE MADE IN THIS STATE. EVERY INDICATION POINTS TO A CONTINUED GROWTH OF THE TOBACCO INDUSTRY, WHICH WAS STARTED BY THE CIVIL WAR, POPULARIZED BY THE WORLD WAR, AND ENORMOUSLY BOOSTED WHEN WOMEN TOOK TO SMOKING.

A typical field of North Carolina bright leaf tobacco. This tobacco is considered the finest of all weeds, and goes to make a superior cigarette.

THE GOLDEN CHAIN

SENIOR HONORARY

Golden Chain, Senior Honorary Society, was organized in May, 1926. The purpose of the society is to promote better citizenship and leadership on the campus. In May each year, twelve Juniors, considered the outstanding members of their class, are added to the Chain by a tapping ceremony at the Memorial Tower.

BOOK THREE

FRATERNITIES

THE SANDHILL DISTRICT OF NORTH CAROLINA GENERALLY IS CONSIDERED A WINTER PLAYGROUND FOR THE INHABITANTS OF THE EASTERN UNITED STATES. FEW PEOPLE REALIZE THE AGRICULTURAL POSSIBILITIES OF THIS REGION. THE CULTIVATION OF FRUITS OF ALL KINDS HAS BEEN LONG PURSUED IN THE SANDHILLS WITH SKILL, ENERGY, AND KEEN JUDGMENT. ITS WONDERFUL ADAPTATION FOR FRUITS WAS EARLY DISCOVERED, AND MANY ORCHARDS HAVE BEEN ESTABLISHED, AND ARE FURNISHING THEIR PROMOTERS WITH A SUBSTANTIAL INCOME. NORTH CAROLINA PEACHES ARE NOT ONLY IMPORTANT FOR HOME CONSUMPTION, BUT ARE SHIPPED IN QUANTITIES INCONCEIVABLE TO THE INSATIABLE NORTHERN MARKETS. THE INCOME DERIVED FROM THIS SOURCE IS IN THE AGGREGATE VERY CONSIDERABLE.

A North Carolina Peach orchard in full bloom. This furnishes a beautiful background for the many resorts about Pinehurst and Southern Pines.

The Fraternities . . . ~

Sigma Nu originated from the Legion of Honor, a secret society organized in 1868 at V. M. I. The Legion of Honor was an association of students drawn together around James F. Hopkins, a leader in a movement which opposed the overbearing control of another secret society. The Greek letters were adopted in 1869, and is regarded as the date of the founding of Sigma Nu.

In 1881 with the establishing of Kappa chapter of Dahlonega, Georgia, the fraternity improved its condition, and with the establishment of Lambda at Washington and Lee, in 1882, and with but three chapters in existence, Alpha, Kappa, and Lambda, began the publication of a journal called *The Delta of Sigma Nu*, the triangular name being suggested by the trio of active chapters.

The Kappa Sigma Fraternity had its first American chapter established at the University of Virginia in 1869. This establishment revived a noble order that had practically disappeared from the continent of Europe. The original Kappa Sigma was of Italian origin, having been founded at the University of Bologna in 1399. The American Kappa Sigma has expanded into the largest fraternity on the North American continent.

In 1885 the fraternity began the publication of an official organ, *The Quarterly*. In 1890 it was changed to a bi-monthly and was re-named *The Caduceus*. At the present time the publication is a monthly magazine, in which from time to time sketches of its prominent alumni appear. The fraternity also publishes a secret quarterly, *The Star and Crescent*.

Kappa Alpha fraternity was founded at Washington College, now Washington and Lee University, Lexington, Virginia, in 1865. It was probably intended to be a local organization, and bore a name other than Kappa Alpha. During the second session of its existence S. Z. Ammen became a member, and its present motto, ritual and plan of organization are due chiefly to his labors to such an extent that he is considered the founder of the present Kappa Alpha order.

The fraternity was established with the idea of creating an organization to foster and maintain the manners, customs, and ideals of character and achievement of the Southern people. It has confined itself to the South with the exception of planting chapters at California and Stanford.

Pi Kappa Alpha fraternity was founded at the University of Virginia in 1868. The first assembly was held in room 31 West Range. It was called to perpetuate the friendship of five men. Within a month they had asked a new member, and gradually it was built into a society.

From the chapter, Alpha at Virginia, charters were issued to colleges in the Virginian district. The convention of 1889 limited the expansion to the southern states, in order that there might be a concentrated development. Early in 1919 the convention lifted the ban and permitted charters to be granted anywhere in the United States.

Sigma Phi Epsilon was founded at Richmond College, now the University of Richmond, Richmond, Virginia, in 1901. It was first known as the Saturday Night Club, formed by six friends as a purely local organization. Affiliations were made with Chi Phi in an attempt to become more formal, and eventually to become a nation-wide organization. North Carolina State's chapter was the thirteenth chapter, and has grown since its establishment in 1905 into one of State's largest nationals.

The Journal, which appears quarterly, is the official magazine of Sigma Phi Epsilon, and contains current news, plans and aspirations of active chapters. The magazine goes to all States of the United States, four possessions, and twenty-nine foreign countries.

Delta Sigma Phi, national social fraternity, was founded at the College of the City of New York in 1899. There are now 52 chapters, many of whom own their own home. Rho chapter was installed at North Carolina State College in 1915. This chapter was the outgrowth of a local organization, Gamma Alpha Nu, commonly known as the "gang."

The fraternity observes a conservative expansion policy. Petitioners must meet legitimate scholarship and chapter organization requirements. Membership is limited to college men of the white race, whose ideals and beliefs are those of modern Christian civilization. Scholarship is encouraged by both the national and local organization.

Alpha Gamma Rho fraternity was organized in 1908, by the union of two prior societies. Alpha Gamma Rho, founded in 1904 at Ohio State University, and Delta Rho Sigma, formed in 1906 at the University of Illinois. The purpose of the present organization is the development of the best social, mental, moral and physical qualities of each member.

Prior to 1917, several chapters were conducted on the basis of a professional agricultural fraternity, electing members of social fraternities, and permitting their own members to join such organizations. At the 1917 convention, legislation was passed barring dual membership. Since that time, the fraternity is classed with other social fraternities.

The College of Charleston in South Carolina was the birthplace of Pi Kappa Phi fraternity. It was a concrete and permanent result of a friendship of three men, Andrew A. Kroeg, Jr., Simon Fogarty and Lawrence H. Mixson, that had flourished since the elementary school days in the environs of one of the South's oldest towns. This organization was incorporated in 1907 as a national fraternity, with the purpose of becoming a nation-wide society. From the time of its establishment its growth has been steady and consistent. It has been more pronounced in the South, but has never been confined there by policy.

The purpose of the fraternity is to promote a life-long friendship and trust in its members, and to make gentlemen and Christians of all its members and pledges.

Sigma Pi was founded at Vincennes University, Vincennes, Indiana, in 1897, under the name of Tau Phi Delta, which was changed to Sigma Pi ten years later. Next to the Miarvi Triad, it is the oldest national fraternity originating west of the Ohio. The purpose of the founders was "to organize the most worthy activities, social, athletic, scholarly, and to set a high standard of manliness and college loyalty."

The year 1898 was a most trying one, because of the small attendance at the University during the Spanish-American War. Founder James surrounded himself with a group of new members, and together, they succeeded in building and preserving the society. The publication is: *The Emerald of Sigma Pi*.

Phi Kappa Tau was founded at Miami University in 1906. The organization was planned to break up fraternity unions, which held a monopoly upon student elections. It was through friendly relations with clubs of similar nature at Ohio University that the national organization grew. Three chapters were added to the non-Greek letter organization. For a number of years, the society entertained the hope that it was possible to maintain a National College organization with strong fraternal bonds without Greek letters. The decision of the mother chapter to adopt them in 1916 was approved by the then five other chapters.

The fraternity publishes a quarterly, *The Laurel*, an exoteric magazine.

Lambda Chi Alpha was founded at Boston University, growing out of the Cosmopolitan Law Club, which had been organized in 1905. What is regarded as the first meeting of the fraternity was held November 2, 1909, and this has been accepted by the fraternity as its date of founding. The meeting was held to consider the re-organization of the club into a Greek letter society. It was attended by members of the club, members of the law school class of 1912 who were not members, and by prospective students in the law school. The club rejected the Greek letter proposition, and three boys, who had attended high school together, immediately laid the plans for the foundation of the new fraternity.

While the fraternity was organized with a view of national expansion, no attempt to establish new chapters was made until the spring of 1912.

Theta Kappa Nu was established by the union of eleven well-established local fraternities at a meeting held in Springfield, Missouri, in 1924. The meeting was headed by Professor W. S. Anderson of North Carolina State College. In 1921, the idea of organizing a national fraternity to combine a number of other locals had occurred to Anderson. Through the aid of Mr. Otto R. McAtee, of Springfield, Missouri, he began contacting a number of locals in different colleges for the purpose of calling the Missouri conference.

The fraternity recognizes a need for a national organization which is favorable in its expansion both to the large university and the small college.

Alpha Lambda Tau was founded as the Alpha Lambda Club by a group of men at Oglethorpe University after its re-organization in 1916. Alpha Lambda soon became a power on the campus and had as its members some of the most influential students. Their purpose was to influence good fellowship and trust on the campus of Oglethorpe, but they decided they wanted a national organization. The fraternity was incorporated under the laws of Georgia, and registered as Alpha Lambda Tau.

Their expansion was slow, but profiting. It spread mostly in the Southeast, gradually working into all sections of the country. An exoteric publication, the *Rose Leaf*, is published quarterly, and the *Alpha Lambda Tau* is published monthly.

Alpha Kappa Pi fraternity was organized at the Newark College of Engineering, Newark, N. J., in 1921. It remained a local society until 1926, when Beta Chapter was installed at Wagner College, Staten Island. A committee composed of men from Newark College and Wagner College, had prior to the establishment of Beta Chapter worked out a complete plan for nationalization, and in 1926, all former actions were ratified, and a formal announcement of future policy was made.

The Alpha, published at Menaska, Wisconsin, is the magazine which was started when the fraternity had but two chapters. It has enjoyed a steady and healthy growth.

Alpha Chi Beta, a local fraternity, was founded at North Carolina State College on February 6, 1928. It is the oldest local fraternity on the campus, and the only one which has been able to survive for any length of time. In May, 1933, Alpha Chi Beta petitioned for membership in the Interfraternity Council. The Council unanimously voted to admit the fraternity to associate membership. After two years, the Council was convinced that Alpha Chi Beta was well qualified for active membership, and therefore was accepted.

Since its founding Alpha Chi Beta has maintained a steady and healthy growth, and its members have been represented in all phases of college activities.

THE TEXTILE INDUSTRY STANDS FAR ABOVE ANY OTHER INDUSTRY OF NORTH CAROLINA IN SIZE. AN INFINITESIMAL PART OF THE STAPLE NEEDED FOR THIS EXPANDING INDUSTRY IS GROWN WITHIN THE BOUNDARIES OF THE STATE. THOUSANDS OF BALES ARE IMPORTED FROM NEIGHBORING STATES TO SATISFY THE NEEDS OF THE TEXTILE MILLS. SINCE MICHAEL SCHENCK AND ABSOLOM WARLICK ESTABLISHED THEIR FIRST COTTON MILL NEAR LINCOLNTON IN 1813 THE INDUSTRY HAS GROWN AND PROSPERED SO THAT AUTHORITIES DECLARE NORTH CAROLINA WILL EVENTUALLY BE THE TEXTILE CENTER OF THE WORLD. ALREADY NORTH CAROLINA HAS ASSUMED LEADERSHIP IN MANY BRANCHES OF THE INDUSTRY, BUT THERE ARE STILL UNDEVELOPED POSSIBILITIES FOR FUTURE EXPANSION.

North Carolina is famous for its small tenant farms, where thousands of bales of cotton are annually cultivated. Here too, many negro characters have been born for American writers.

ALPHA SIGMA SIGMA

ALPHA CHAPTER

COLORS: *Green and Greener*

FLOWER: *Self Rising*

Alpha Sigma Sigma, a national honorary fraternity of "standing-out" men, was founded at North Carolina State College in 1926. It has rapidly spread to other institutions where the crop of material is choice. Such institutions as Duke and Carolina formed a fertile nucleus for such a society. The purpose of the fraternity is to bring together college men of the same peculiar type—commonly known as "queers," and to bring about a better understanding among themselves, and to foster their individual idiosyncrasies. The members are listed according to the number of votes that they received in the campus-wide elections.

BOOK FIVE

ORGANIZATIONS

NORTH CAROLINA POSSESSES EXCELLENT RESORT RESOURCES. THE RESORT BUSINESS HAS DEVELOPED TO THE POINT WHERE IT IS ONE OF THE MAJOR SOURCES OF INCOME. RARELY DOES ONE FIND SUCH ELEMENTAL BEAUTY, NO MATTER WHERE THE TRAIL LEADS, AS IN NORTH CAROLINA. ALTHOUGH THE COAST AND SANDHILLS FURNISH RESORT FACILITIES, THE GREATEST BEAUTY IS FOUND IN THE WESTERN SECTION OF THE STATE. RESTING UPON MOUNT MITCHELL, THE HIGHEST MOUNTAIN EAST OF THE ROCKIES, ONE IS IMPRESSED WITH THE ILLUSION OF LOOKING DOWN UPON THE REST OF THE WORLD. THE POSSIBILITIES OF THIS STATE AS A PLAYGROUND FOR EASTERN UNITED STATES WILL BE GREATLY ENHANCED BY THE DEVELOPMENT OF THE SKY-LINE HIGHWAY. NORTH CAROLINIANS MAY LOOK WITH JUSTIFIED PRIDE UPON THE MAGNIFICENCE OF THEIR BEAUTIFUL MOUNTAINS.

One of many quiet streams that one would find in the mountains of North Carolina. In the background Mount Mitchell rises to majestic heights.

Reserve Officers Training Corps

COLONEL BRUCE MAGRUDER
Commandant

MAJOR KENNETH G. ALTHAUS
Executive Officer

The Reserve Officers Training Corps is one of the major divisions of the college, and one of the most active collegiate organizations. The North Carolina State College unit is the largest regiment in the Fourth Corps Area, and is rated as one of the finest in the country. State College is justly proud of this fine organization.

Instruction in Military is divided into two main divisions. The first two years, known as the basic course, is devoted to the fundamentals that are necessary for those who are selected for advance work. The benefits received from the basic course are not limited alone to those who continue their training, because the course is arranged so as to instill within the minds of all students the fundamental principles, duties, and responsibilities of American citizenship. Aside from the civic benefits, the students are trained in the proper care of their bodies. The advanced course deals largely with military tactics, military law, aerial photography, the mechanism, care and use of the various arms, and finally a study of military achievements.

The R.O.T.C. unit is under the direction of five commissioned Army officers. The officers act as drill supervisors, instructors, and executives who handle the supplies, training program, and social activities of the unit.

The staff of the 1936 AGROMECK has attempted to give you, the students of North Carolina State College, what you wanted. We hope that we have met with at least a partial success. Those of you who understand the chaos out of which a college annual is born are the only competent judges of such a book. Many features which do not live up to your expectations cause us far more pangs of regret than any student with a misspelled name could ever know.

We have met with many difficulties, most of which we hope have been surmounted. This book was made possible by your presence, activity and support. The untiring efforts of the business staff in handling the various contracts and advertising deserve as much credit as the editorial staff for its planning and composing. We hope that you will charitably bury its defects in the light of its better points.

CLAUD H. LLOYD
Business Manager

The average college student takes his publications as a matter of course. When they appear on scheduled time, he makes no comment. If for some reason an issue of the college paper is delayed, the student may wonder momentarily about it, but generally that is all.

Very few outside the staff of *The Technician* know exactly how much work there is to getting out the college's weekly paper. The editorial staff of the paper is endeavoring constantly to cover all campus events completely and correctly. To do this, tentative assignments must be made the first of every week. Reporters then go on their regular rounds, interviewing those concerned with their stories and then returning to the newspaper offices to write up the stories.

In the meantime the editor has been deciding upon his editorials for the week, and the different feature writers are working on their columns and other details. Beginning on Wednesday afternoon, the managing editor begins his work of checking and revising copy, writing headlines, and assigning tentatively to each story its place in the paper. Thursday afternoon this work is continued as more stories are turned in.

Early Thursday night, the staff goes to the printers. Here last minute check-ups are made on certain stories, and all the work is coordinated. When all the type is set up and put in the forms, proofs are made of each page of the paper. These proofs are checked twice for any mistakes that might have occurred, once by the staff heads and once by the printers.

The work of the business staff is every bit as important to the getting out of the paper. All ads appearing in the paper did not just happen to be there. They occurred because the business staff went to see local merchants and sold them the idea of advertising in the college paper. Contracts for national advertisements are made on a long-term basis. But for local advertising it takes consistent and constant work on the part of the business staff. In addition to merely securing the ads, the business staff must in many instances write the copy for the ads to see that the merchant's idea is gotten across to the reader in a pleasing and effective way. If copy writing is not done effectively, there is small chance of the advertiser's giving more ads to the paper, as he is after results.

The training received by these business staff members is invaluable, as they learn much of the art of salesmanship, they receive experiences in contacting business men, an experience that cannot help but be of real worth to them.

All this work is necessary that State College students shall receive punctually every Friday morning their issue of *The Technician*.

The 1935-36 edition of *The Wataugan* marks the end of its eleventh successful year. Editor Ed Landreth and his assistants of this year have given the campus a series of entertaining and rib-tickling publications, edited and compiled in an artistic and interesting manner. Very modern in tempo and appearance, *The Wataugan* is always anxiously awaited by the student body who enjoy a hearty laugh every now and then during their trials and tribulations incurred during exams and quizzes.

There is another essential part that contributes greatly to the success of the magazine. This is the business staff, headed by Business Manager Canady who has well filled the position. His is a job that receives very little recognition and glory, but it is more necessary than any other, for without the product of his efforts *The Wataugan* could not be published.

Just twelve years ago, the students of the school of agriculture published the first edition of *The Agriculturist*. The purposes of the publication, as set forth by the students, are to maintain closer relations between the faculty and the students, to keep the alumni and the extension department members posted as to the work of the Agricultural School, and to promote a closer contact with the citizens of the state.

The students of the Agricultural School are afforded the opportunity to express their opinions on subjects that are of interest to the farmers and the extension workers of the state through the columns of *The Agriculturist*. This magazine also gives those students that are interested in writing news concerning agricultural work, the opportunity to edit and publish an agricultural magazine.

The Agriculturist has proven to be a splendid channel for publishing the college and the Agricultural School.

Student Government

It is the purpose of the Student Government to handle all matters of student conduct, honor, and general student interest; and to promote in campus life self-control, personal responsibility, and loyalty to the college and to the student body. Every duly registered student of North Carolina State College automatically becomes a member of the Student Government and is subject to the jurisdiction of its legislative branches. Each undergraduate at the time of his enrollment must sign a pledge accepting his part in Student Government and pledging his support to the cause.

The article of the Student Government had their origin at this college in 1921. Since that time there have been revisions made in order that changing conditions and needs might be adequately coped with, but the principles of student participation have remained unchanged. The Student Government is valuable to the student in that it develops a sense of responsibility in the student and trains him along lines which are productive of good citizenry.

Y. M. C. A. Cabinet

The Young Men's Christian Association is a fellowship whose primary purpose is to help the student to discover and to accept the full meaning of Christian disciplinship for their own lives and for society. The Y. M. C. A. is housed in a fine, well-equipped building which was made possible by contributions from friends augmented by a donation from John D. Rockefeller. This building is the religious center of the campus and, in addition, has many recreational features, including a new game room, which is filling a need State College has long known.

The program work of the Association is carried on by a Junior-Senior Cabinet, a Sophomore Council, and a Freshman Council. The governing board is composed of eleven directors and there is an employed staff of three. The good work of this organization is most commendable, and its effects are far-reaching, helping the student not only for a short time during his college career, but helping to give him happiness during his later life, due to the stimulating and wholesome associations made during his college days.

Delta Sigma Pi was founded at New York University, School of Commerce, Accounts, and Finance on November 7, 1907. It is a professional commerce and business administration fraternity organized to foster the study of business in universities, to encourage scholarship, and the association of students for their mutual advancement by research and practice, to promote a closer affiliation between the commercial world and students of commerce, and to further a higher standard of commercial ethics and culture, and the civic and commercial welfare of the community.

Pine Burr began with a membership of ten faculty members and sixteen student members in the spring of 1922. It has maintained its place as the largest and most representative honor society on the campus. It is free of national ties and devotes its work entirely to the betterment of State College by encouraging scholarships and leadership and by participating in various projects for campus improvements. Students eligible for membership must have a scholastic average of 85, must never have failed a course, must have taken part in extra-curricular work, and must be of good moral character and high ideals.

The North Carolina chapter of Alpha Zeta, national honorary agricultural fraternity, was established in 1904. Alpha Zeta's first chapter was founded at Ohio State University in 1897. The members are chosen from the upperclassmen of the School of Agriculture who have a scholastic ranking in the upper two-fifths of their classes. The limitations for membership also require that only those students who possess outstanding qualities of character and leadership be admitted. The chapter is always striving for the advancement and betterment of the Agricultural School, and all agricultural endeavors.

The Tau Beta Pi Association, national honor society, covers the entire engineering field, but none other than engineering. Tau Beta Pi was founded for the chief reason of brilliant engineers being unable to join honor societies; since education seemingly held a monopoly on the honor societies at that time. In 1892 the first chapter was founded at Lehigh University.

Although distinguished scholarship is the primary requisite for admission into Tau Beta Pi, it is not considered the sole criterion. After scholarship requirements have been fulfilled, the selection is based upon integrity, breadth of interest both inside and outside of engineering, adaptability, and unselfish activity.

The Engineers' Council was organized in the fall of 1926 by a group of students from each of the engineering departments, and with the help of two professors. The purposes of this organization are to promote the interest and welfare of the students in the school of engineering, to create and maintain a fraternal spirit among the students of the several departments, to provide for the management of affairs in which all engineering students are represented, and to provide for the publication of an engineers' magazine.

Phi Psi fraternity is the largest and most highly respected textile fraternity in the world and its alumni hold some of the highest positions of trust and respect in all branches of the industry. So that the alumni may maintain closer contact with each other, alumni chapters are located in all the leading textile centers of the country.

Since its organization at State College, Eta Chapter has taken an important part in the activities of the Textile School. Its members have been prominent, not only in the affairs of their department but also of the college as a whole. They have then gone out to earn places of trust and responsibility in the textile industry.

Keramos, the national professional Ceramic Engineering fraternity was organized in 1902 at Ohio State University. While the organization is strictly professional in nature, the requirements for membership are as high as most of the honorary societies and it permits the wearing of a key by honor students. Membership is offered only to students in the department of Ceramics or Ceramic Engineering who have a good scholarship record, are of good character and give promise of making good in industry.

The object of Gamma Sigma Epsilon is to increase interest and scholarship in chemistry, and the general welfare of the chemists. The formation of Gamma Sigma Epsilon was for the purpose of the happiness, comfort, and health of its fellowmen; to bring into closer relation the facts of science with the truths of God through the promotion of chemistry. The fraternity also promotes a spirit of subordination to law by engineering a high regard for virtue and truth and unity with the members in close bonds of friendship and fellow feeling those deemed worthy of esteem.

The American Society of Civil Engineers is the oldest national engineering society in the United States, and during its lifetime has earned a record list of accomplishments, particularly in encouraging intercourse between students and practicing engineers. The State College chapter has been particularly fortunate in this respect. Most of the members of the faculty are members of the national society and they have coöperated to make this link connecting the theory of the classroom with the technical facts and realities of the job.

Although one of the most recent of student branches of national engineering organizations to be established at the North Carolina State College, the local student branch of American Institute of Chemical Engineers, nevertheless, plays an outstanding part in the activities of the School of Engineering. Topics of technical interest, particularly those related to chemistry are discussed at the monthly meetings.

The North Carolina State College branch of the American Society of Mechanical Engineers includes men from the sophomore and upper classes in mechanical engineering. Elections for membership are held semi-annually. One of the most valuable advantages of membership is that it aids to develop initiative and ability to express ideas, prerequisite of good executive.

The Student Chapter of the Associated General Contractors of America was granted its charter on January 16, 1930. This chapter is the first one of its kind, and since its organization many other chapters have been established at other institutions. The purpose of the society is to promote good fellowship among the students in construction engineering; to broaden their interests; and to bring them in contact with practicing contractors.

This organization, the national technical society of the ceramic industry, was organized in 1899 by six undergraduates in the first department of ceramic engineering in the world, at Ohio State University. Having no competition from other technical societies in the ceramic field, it has shown a constant and healthy growth and has become one of the outstanding technical organizations in the country.

Tompkins Textile Society

OFFICERS

R. L. ROGERS	<i>President</i>
W. P. BANNER	<i>Vice-President</i>
R. C. GOING	<i>Secretary-Treasurer</i>

FACULTY MEMBERS

DEAN THOMAS NELSON	PROFESSOR A. H. GRIMSHAW
PROFESSOR T. R. HART	PROFESSOR W. E. SHINN
PROFESSOR J. T. HILTON	PROFESSOR J. G. LEWIS

STUDENT MEMBERS

All students in the Textile School

The Tompkins Textile Society is a professional organization which was founded at State College for the purpose of having a place where students might discuss textile problems and other subjects connected with the textile industry. Meetings are held weekly, and at various times during the year men prominent in textiles address the society. In this manner students come in contact with men who are experienced in the textile field, and can obtain valuable information from them. During the spring term, the Textile Department conducts an exposition, and the Tompkins Textile Society takes an active part in this activity. The textile show features a fashion parade, which is participated in by students from the various girls' schools in the state. All the material for the dresses used in this parade is designed and woven by State College students.

Agricultural Club

OFFICERS

First Term

G. R. McCOLL	President
M. A. CULP	Vice-President
J. R. BOSWELL	Secretary

Second Term

W. A. CORPENING	President
T. F. OSBORNE	Vice-President
J. S. HOLLAMON	Secretary

Third Term

A. J. HARRELL	President
R. H. EVANS	Vice-President
SAM WILLIAMS	Secretary

MEMBERS

All students in the School of Agriculture

The Agricultural Club, which has shown through its record of achievement and success that it deserves the position of prominence which it has attained, is the official student organization of the School of Agriculture. It strives to afford the agricultural students lessons in conducting a deliberative body, and thus it gives actual practice in serving as an aid in developing leadership among the students and in public speaking. Interesting talks on different phases of agriculture by men connected with the School of Agriculture or the Experiment Station and by the students themselves, are given on the programs of the Agricultural Club.

The Red Masquers, a dramatic club, was organized during the winter of 1934. The purpose of this group of dramatics is to present plays on the State College campus which would be enjoyable for the students and faculty. Since its organization, Red Masquers has made a practice of presenting one production during each term of the school year. Membership into this organization is open to students who take part in these productions.

----------------------	-------------------	--------------

North Carolina State College Life Saving Corps was organized in the spring of 1935. The corps is affiliated with the American National Red Cross Life Saving Service. The purpose of this organization is to teach and promote swimming, life saving, and water safety. Before the Corps was organized individual examiners conducted such work. During the past four years 375 students have been issued Red Cross senior life saving certificates.

A student in order to become a member of the corps must have an Examiner's appointment from the American National Red Cross Life Saving Service, and be accepted by the charter members.

There are ten active chapters of Lambda Gamma Delta. To attain membership in Epsilon chapter, the student must have been a member of one of the various Inter-Collegiate Student Judging Contest Teams of Agricultural products, or he must have made a special showing in some particular part of agriculture that would warrant a meritorious award for his outstanding work. The judging teams and their coaches have always made State College justly proud of them by their outstanding records. The members of Lambda Gamma Delta receive very valuable training through the experiences and personal contacts made in preparing for the contests and in the contests themselves.

Phi Kappa Phi was installed at State College in 1924. The society of Phi Kappa Phi was founded at the University of Maine in 1897. It was broadened into a national society by a committee composed of A. W. Harris, then President of the University of Maine, C. W. Dabney, then President of the University of Tennessee, and G. W. Atherton, then President of Pennsylvania State College. The chapters at these three colleges are represented by the three stars in the seal of the society shown above. The primary purpose of the society is to encourage high standards of scholarship and character.

Phi Kappa Phi differs from some other scholarship societies in that students in every department of the institution where the chapter exists are eligible for membership. Students in the arts, history, literature, philosophy, religion, science, sociology, and law are equally entitled to membership.

MAJOR C. D. KUTSCHINSKI
Director of Music

DEPARTMENT OF MUSIC

The Music Department, under the direction of Major C. D. Kutschinski, is composed of the Glee Club, Orchestra, and Concert Band. This group is doing some very good work and has become very popular with the students and citizens of the state. Every year, the department gives many concerts in North Carolina. A number of outdoor concerts are presented during the spring term.

NORTH CAROLINA'S THIRD LARGEST INDUSTRY IS LUMBERING AND FURNITURE MANUFACTURE. THIS IS A COMPARATIVELY YOUNG INDUSTRY WITHIN THE BOUNDARIES OF THE STATE, AS IT WAS ONLY THIRTY-FIVE YEARS AGO THAT THE FIRST FURNITURE PLANT WAS ORGANIZED AT HIGH POINT, NORTH CAROLINA. SINCE THAT TIME THE INDUSTRY HAS GROWN SO THAT AT THE PRESENT TIME TWO-THIRDS OF THE FURNITURE MANUFACTURED IN THE UNITED STATES IS MADE IN NORTH CAROLINA. HARDWOODS ARE PLENTIFUL WITHIN THE STATE, SO THAT THE ABUNDANCE OF RAW MATERIAL GREATLY REDUCES THE COST OF NORTH CAROLINA PRODUCTS. AN ATTEMPT IS BEING MADE TO SCIENTIFICALLY PRESERVE THE NATURAL RESOURCES OF THE STATE SO THAT THE FURNITURE INDUSTRY WILL PERMANENTLY BE CENTRALIZED IN NORTH CAROLINA.

Hardwoods being transported down-stream from the lumber camps in the mountains, to the saw-mills, where it will be cut into boards and sent to the manufacturer for finishing.

J. DUNN

MOSELY

DUNNAGAN

HEARTLY "HUNK" ANDERSON
Head Coach

Loyal supporters and the entire Student Body looked forward to Coach "Hunk" Anderson and his sturdy Wolfpack to lead State College out of the Football Wilderness. Nor were they disappointed, for after meeting the stiffest opposition offered by the broad Southland and one opponent of the East, the Wolfpack finished the season with a record of 6 victories and 4 losses. Led by the brilliant Steve Sabol, All-American candidate for center, the Wolfpack presented the strongest and smartest team that ever wore cleated shoes for State College. When Coach Anderson issued a call for candidates, the prospects were none too bright, but a wealth of sophomore stars gave State a "new deal" in football.

State travelled to Greensboro to open the season with a night game against Davidson. State received the opening kick-off and with Ryneska and Berlinski alternating in carrying the ball, they made an uninterrupted march to Davidson's 16 yard line. "Cowboy" Robinson took the ball over right tackle, cut back, and scored standing up. Davidson came back after the half and tallied late in the third quarter on a nice pass play. Midway in fourth quarter, "Jumping Joe" Ryneska crashed over to give State the lead and the game, 14-7. Helms, a sophomore tackle, kicked both points after the touchdowns to complete the scoring for State.

South Carolina was taken in stride and with reserves playing most of the game, State easily defeated them 14-0. Charlie Gadd, sophomore quarterback, scored on a long pass from Robinson in the second quarter. Eddie Berlinski, another sophomore, broke loose and ran 12 yards for the final score in the last period. Helms again kicked both points after the tallies to keep his record intact.

BARDES, WORTH, BERLIN-
SKI, HELMS, BERRY, ENT-
WISTLE, DUSTY.

The Wolfpack made the dedication of their new stadium complete by decisively beating Wake Forest 21-6 for their third straight triumph of the year. In the second quarter, the fleet-footed Robinson raced around right end for 46 yards and State's first score. A long drive in the final period ended with Berlinski bucking the ball over from the 2 yard line. A few minutes later, the same Berlinski knifed over his own right tackle and ran 62 yards for State's last score. This was the feature run of the game. Helms kicked all three extra points for State. The Wolfpack then eased up and allowed the Deacons to push over a single tally.

State suffered their first defeat of the year as they went down before a powerful Georgia team 13-0 in the roughest game of the season. Berlinski went over once but the play was called back and State lost their only scoring chance. Robinson and Berlinski, the Wolfpack's offensive aces, were injured in the first quarter and were unable to return to the game. Georgia scored once in the second quarter and again in

the final period. The Wolfpack line, led by Steve Sabol and Mac Cara, repeatedly repelled the powerful Georgia line plays. Joe Ryneska and Howard Bardes bore the brunt of the State attack.

The Wolfpack's single invasion into the East ended successfully as the powerful State ran roughshod over a favored Manhattan team and sent the Jaspers reeling back into defeat by the score of 20-0. State's smooth-working line opened large holes and their fleet backs broke away time after time for numerous gains. Robinson started the scoring with a 54-yard jaunt for a touchdown in the first quarter. Mahoney, a substitute back, ran 16 yards for the second touchdown. Eddie Entwistle completed the day's scoring with a 29-yard run for the last touchdown. State pushed over another tally but they were offsidcs and the play was called back.

State ran into the "Rose Bowl bound" Carolina team and suffered their second reverse of the year. The Wolfpack played the Tar Heels on even terms for the first half. However, the slippery Carolina backs broke loose repeatedly in the last half and handed the Wolfpack their worst defeat in three years. State scored late in the game for their only tally. The score came on a beautiful pass play from Willie Dusty to Mac Berry. The highly vaunted running and passing attack of the Wolves failed to click except for their lone touchdown.

The Wolfpack won their fifth game of the year by whipping a scrappy V. P. I. team by the score of 6-0. State threatened time after time only to be turned back by the hefty Gobbler line. Charlie Gadd, a substitute back, intercepted a pass and raced 32 yards for the only score of the day. State failed to take advantage of their num-

erous breaks and let many scoring opportunities slip pass. Mac Berry, rangy sophomore end, stamped himself as a coming star by his brilliant pass catching. Eddie Berlinski and Howard Bardes accounted for most of the yardage gained by the Wolves.

State invaded Virginia for the second successive time and returned with another victory, this one over Richmond by the score of 6-0. The Wolves kept possession of the ball most of the time and played practically the entire game in Richmond territory, but were unable to supply the scoring punch except on one occasion. In the first period, "Jumping Joe" Ryneska smashed through the center of the stubborn Richmond forward wall for a 4-yard gain and the only score of the game. A slippery field slowed down the speedy running attack of the Wolfpack.

Before one of the largest crowds of the year, State lost

their Homecoming game to the Duke Blue Devils, who were barely able to eke out a 7-0 victory. Ace Parker, highly touted Duke back, broke a loose for 40 yards and the only touchdown of the game. Stumpy Gardner, Duke substitute back, place-kicked the extra point to complete the scoring for the day. The score came in the first period. The next two periods turned into a kickers' battle with Bardes, State's great kicker, holding an edge over Ace Parker. The last quarter found State repeatedly pounding at the Duke goal for a score but the stalwart Duke line held fast. The Wolfpack decisively outplayed the Blue Devils throughout the entire game, but they lacked the necessary scoring punch and their passes were knocked down by the Duke secondary. Three times the Wolves were inside the Duke 10-yard line, but each time they were turned back without

35

a score. Sabol clinched his place on the All-Southern team by his brilliant play. Mac Cara, Mac Berry, and Vince Farrar turned in sterling performances as linesmen. Howard Bardes, Eddie Berlinski, and "Cowboy" Robinson led the attack for the Wolfpack and furnished the Blue Devils with an afternoon of trouble.

State College closed their season by losing the Thanksgiving game to Catholic University by the margin of 8-0. Two breaks, a fumble and a blocked punt gave Catholic both of their scores. The game was played in a sea of mud which greatly hampered the speedy State backs. This game was the Swan Song for Capt. Worth, Farrar, Dusty, and Steve Sabol.

At the end of the season, Steve Sabol was placed on the second team All-American and was also voted the Most Valuable Player on the squad. Mac Cara was elected Captain.

The Coach and Manager

DR. R. R. SERMON, *Coach*

W. W. JONES, *Manager*

1936 championship hopes for the State College basketball team faded finally in the smoke of the Southern Conference tournament here in Raleigh and the University of North Carolina, their conquerors, swept into the finals with Washington and Lee. It was this same Carolina team that blocked the Big Five hopes with their second victory of the year over the Techmen, both games coming with a two-point victory margin. Nevertheless, the Red Terrors closed their season with a marked supremacy on their seventeen

game schedule and topped their opponents in all but three of the tilts.

Coming back after the Christmas holidays, Clemson's scrapping basketekers fell before the opening attack. In this game, over 2,000 opening date fans came out for their first view of Dr. Sermon's charges and the majority of them left with the conviction that Sermon's diligence had brought State College a fighting ball club that would undoubtedly bear prestige as a conference title contender. The Red Terror's "Big Three" scorers,

Back Row—SATTERFIELD, KEATING, ALLEN, SWANN, JONES, DR. SERMON.

First Row—DALRYMPLE, BERRY, AYCOCK, FLYTHE, DIXON, WOMBLE.

AYCOCK

FLYTHE

BERRY

WOMBLE

Captain Charlie Aycock, Stuart Flythe, and the brilliant sophomore Connie Mac Berry, started their avalanche, all breaking into the "teen" scoring column. Don Dixon, Dalrymple, and then came "Chub" Womble, showed a potential defensive ability, although throughout the year their polished tactics were not of the scoring variety.

Then came the Big Five opening date with Davidson. A game but completely outclassed Wildcat quint was struck off the 1936 race as the Red Terrors came through with a 55-17 victory. The attack on the Wildcats was led by Captain Aycock, Flythe, and Mac Berry.

The University of Virginia sent their basketball team into the Old North State to receive a defeat at the hands of the victory-seeking Terrors, 40-28. This was followed by another Big Five fray with Wake Forest falling before the undefeated State quint. It was "On to the State Championship." But—

North Carolina sent over their White Phantoms from Chapel Hill and with them came the Terrors' first defeat, a two-pointer, and one that would ultimately count into a string of six losses to the Carolina basketeers by two-point margins. This loss did not drop the State men from the Conference and Big Five races, but it did a lot to upset their poise. In this game with the boys from Chapel Hill, Connie Mac Berry began dropping them in with a fashion that was to bring him the Southern Conference and Big Five

scoring honors for the year. He literally ran away with everything that the Tar Heels dropped on his shoulders but they could not overcome that two-point jinx even with Berry's aid.

Continuing upward along the treacherous rungs of the Southern Conference ladder, the Red Terrors took the South Carolina Gamecocks into camp without any undue output.

Far from being out of the title race, the Red Terrors proved their claim upon a "fighting chance" by hanging a Duke Blue Devil scalp in the win column. The highly touted Duke five was snowed under a 36-33 attack on the basket by the State sharpshooters.

The V. P. I. Cadets came down from Blacksburg, Va. and "also ran" with the rampaging State quint. In this one-sided affair, the Cadets came out on the short end of a 44-28 game in the Frank Thompson Gym. The Wake Forest game came in between the two games with V. P. I. and the Techmen again put the Demon Deacons to rout and came through with a handy victory.

Coach Ray Sermon and his band of sure-shooting Techmen swung into Virginia for a three game tour. V. P. I.'s Gobblers were given the opportunity to pay off their obligation to State and the Raleigh contingent opened their invasion of the Old Dominion state with their second victory over the Gobblers. Lexington was the next stop for the Terrors, but on this occasion, the Generals of Washington and Lee proved

DALRYMPLE

DIXON

RENNIE

HARRIS

to be a little superior on the night of the battle. In this game, Bob Spessard, the Generals' lanky pivot man, put the clamps on the Brilliant Berry and with the aid of Norman Iler, All-Southern guard, led his club to victory. The State boys bounced back from this defeat and the following night they whipped the Flying Squadron from V. M. I. Mac Berry led the scoring with 19 points and with powerized scoring from Flythe and Captain Aycock, they caught the Cadet five unawares and sent them down in an overwhelming defeat.

The following week, Davidson and the University of North Carolina popped up on the schedule and Coach Sermon's charges came in for another win over the Wildcats but the Carolina game drew a postponement because of an influenza epidemic.

The Red Terrors swung into a Southern trip amidst a cold spell and South Carolina was given the chance to see the widely heralded State quint in action and with the University of South Carolina and Clemson as their hosts, State's basketeers enjoyed another pair of victories.

After bringing home victories won in the South Carolina jaunt, Duke was again taken into camp despite the fact that Billy Huiskamp, Blue Devil star, returned to the Blue and White front after an operation for appendicitis.

In the meantime, games with the University of Florida, Richmond University, and Maryland were can-

celled because of the epidemic of influenza around Raleigh.

Then came the final stretch. Carolina came back into the Big Five title chase with the Red Terrors right at the top of the list and forged ahead in the race with another one of those heart-breaking two-point wins. It was a tough one, but another crack at the boys from Chapel Hill in the Southern Conference Tournament was to come up the following week.

March 5, 6, and 7 brought eight good teams to Raleigh to participate in the Southern Conference Tournament. Coach Sermon's smooth-working quint advanced to the semi-finals by virtue of a win over Clemson in an extra period. State met the University of North Carolina in the semi-finals and again the White Phantoms from Chapel Hill emerged victorious over the Red Terrors, this time by a three-point margin instead of the usual two-point win. The boys from State College played a great game, and on any other night would have won, but the Tar Heels proved to be a little better team that night.

Captain Charlie Aycock, Flythe, and Mac Berry came in for a share in the "Big Ten" of the Southern Conference scoring. Although only a sophomore, Connie Mac Berry led the conference in scoring with a total of 158 points in conference play. Neil Dalrymple, Don Dixon, and Chub Womble, alternating at guard during the season, came in for their share of the honors by their fine defensive play.

VARSITY BASEBALL, 1935

With a smooth working infield and a hard hitting outfield, North Carolina State started out to the best season that they have had in many years. The Techmen had a well-balanced pitching staff composed of Flythe, Freeman, and Rodwell, all veterans, and the yearlings, Mason Bugg and Jerry Davidson. In the infield, Coach "Chick" Doak started Williams, Captain Johnson, Lambeth, and Dalrymple. The regular outfield listed Ray Rex, Norwood, and Fairley Scales. The bulk of the catching was handled by Jimmy Staton. The Doakmen were well fortified with reserves in both the infield and outfield with experienced performers for nearly every position. Bailey, Farrar, and Cox were outfield reserves and Creel and Ware handled the substitute assignment for the infield. Jack Fabri and Richardson gave Staton able assistance in the catching department.

Something of the potency of this team on a good day was made evident against the Boston Braves. Playing errorless ball and hitting like big leaguers, the Doakmen held the Braves to a 6-2 score.

The Techmen opened their season with a pair of wins. They took High Point College into camp by a score of 8-2 and they copped the Clemson game by a 5-1 margin. The new and inexperienced players did not seem to click just right and State dropped games to Carolina and the Blue Devils of Duke. With a complete reversal of form, the Techs opened a four game home stand by taking a close one from the University of South Carolina, 7-6. The Terrors had another relapse and dropped their Easter Monday game to Wake Forest, 11-4 in a loosely-played contest. For the second time Duke hopped the Statemen and this time trounced them 10-4. Coach Doak's charges closed their home stand by beating Carolina, 3-1 in one of the best played games of the year. Stuart Flythe let the hard-hitting Carolinians down with only two hits in an excellent pitching exhibition.

MANIERI
Manager

Back Row—COACH DOAK, BUGG, RILEY, WARE, COX, FLYTHE, DAVIDSON, FARRAR, REX.
 Second Row—MANIERI, RODWELL, DALRYMPLE, LAMBETH, JOHNSON, WILLIAMS, STATON,
 FREEMAN, NORWOOD.
 First Row—KERR, CREEL, SCALES.

Davidson split a two-game series with the Techs in well played games. A short trip to Hickory resulted in a 16-9 victory over Lenoir Rhyne in a free-hitting contest. The Techs went to Chapel Hill and took the rubber game of the Carolina series as they whipped the Tar Heels 3-2 behind the masterful hurling of Stuart Flythe. The State ace drove in the tying run and scored the winning run a few moments later to make his victory complete. The Demon Deacons from Wake Forest handed the Techs their second setback as they pasted a 6-4 licking on the Terrors.

Duke came to Raleigh and left on the big end of a 11-5 score. State was unable to regain their winning stride and suffered another reverse, this time at the hands of the University of North Carolina to the tune

of 9-8. This game was a heart-breaker to lose. A shake-up in the lineup resulted in two victories over Davidson by comfortable margins. Dave Rodwell pitched a beautiful game against Wake Forest and white-washed the Deacons 4-0 for the first time during the season.

The Duke game was rained out and State lost their final chance at revenge against the Blue Devils. The season was brought to a close by a 6-3 victory over Wake Forest. The Deacons had proved themselves to be the Terrors' jinx and so the victory was doubly sweet. Coach Doak had turned out one of the fastest and smoothest ball teams ever seen at State College and all signs indicate a better season next year.

BOXING

PEELE JOHNSON
Coach

Left to Right:

PENLAND
JOHNSON
POWELL
HUDSON

Coach Peele Johnson started the season with veterans returning to fight in the 135-lb. class, 145-lb. class, 165-lb. class, and in the unlimited division. Sickness, injuries, and other causes made it necessary for Coach Johnson to change the team around constantly.

State opened the season with a 5-3 win over the Catholic University fighters at Washington. Ben Mayfield, Bazemore, Glenn Penland, and Ralph Powell won their fights handily. Captain Seamon Hudson won his fight by the technical knockout route. State was forced to forfeit in the unlimited class as they were unable to furnish a fighter in this weight.

The State leather slingers won their second victory of the year by downing the University of South Carolina by a 5-3 score. Bazemore, Penland, Powell, and Johnson took decisions over their opponents, while Captain Seamon Hudson won his second straight fight by a technical knockout.

State College's second invasion into South Carolina was not as successful as the first, and the mittmen returned home on the short end of the score. Captain Hudson furnished the bright spot in the defeat by continuing his winning streak.

The first home stand of the State pugs ended in a 4-4 draw with the University of North Carolina. Killam and Norman won by defaults, and Nellis Johnson took a decision. Captain Hudson pounded out a clean decision to keep his record clear. Referee Miller stated that Captain Hudson was the cleanest college fighter that he had ever seen in action.

The Cadets of V. P. I. handed the State leather pushers their second defeat of the year as they took a 5-3 decision. Penland won a hard-earned decision and Edwards, fighting for the first time, won by a technical knockout in the first round. Captain Hudson lost a close decision for his first defeat of the season.

The Citadel mittmen came up to close the season with State's pugs and also to hand them their third defeat of the year. Powell and Sorrell took decisions from their opponents. Al Edwards lost a close decision. "Bull" Regdon, terrific hitting 175 pounder, gave Deas, Citadel star, a terrible beating. Captain Seamon Hudson was defeated in a freak fight that was hotly contested.

Duke's ring engagement with the State pugs was cancelled due to an epidemic of influenza which necessitated the cancellation of the match.

Coach Johnson loses only Captain Hudson and Powell from this year's team. Alexander "Bull" Regdon, who holds an enviable record as an undefeated fighter, was elected to Captain the State leather slingers in their ring wars of next year.

WRESTLING

DAVE MORRAH
Coach

The State grapplers were victorious in four out of six wrestling meets this year. Only V. M. L., Southern Conference Wrestling Champions, and Washington and Lee, were able to turn back the scrapping Techmen.

Under Coach Dave Morrah, former 118-lb. conference champion, who retired two years back, the matmen came through under the youthful mentor and were able to pile up winning margins over opponents from V. P. I., Duke, Davidson, and the University of North Carolina.

The loss to the powerfully-equipped Flying Squadron from the Virginia Military school was a tight one and was a hard defeat to take. The final score showed a narrow Cadet victory by the score of 14-12.

Captain Ken Krach led the State matmen through the campaign although he was not an undefeated grappler. Billy Bell, Shimer, and Troxler were the outstanding matmen on the squad. Troxler and Shimer were only beaten in the Washington and Lee meet, winning all of their other five matches of the year. Billy Bell lost his only match of the season against Stevenson of Duke, after refusing to leave the mat because of a badly wrenched shoulder. In this meet, Captain Krach, Shimer, and Plaster were missing from the State lineup which enabled Duke to threaten although they were downed, 14-12.

In the meet with Washington and Lee, who later won the Southern Conference Championship, Billy Bell was the only Tech grappler to take his match. He defeated Evans by an overwhelming time advantage of 6:43. The powerful Generals swept through the crippled State team during the remainder of the evening's matches.

The victory over the University of North Carolina was a sweet one for the Tech matmen and the stiff opposition afforded by the Tar Heels gave the Techmen much experience and prepared them for the stiff competition which faced them later.

Coach Dave Morrah is improving his team each year and although a minor sport, wrestling is headed for better days at State under their young instructor. Morrah is the youngest coach in the entire coaching staff at State, and he is also the youngest coach in the Southern Conference. The youthful coach deserves much credit for his smart and scrapping wrestlers.

The original Monogram Club was founded soon after the establishment of State College, but was an inactive organization until 1931, when under the direction of Dr. R. R. Sermon, "Twee" Floyd reorganized the club, and set it up on a firm foundation. Since that time the Monogram Club has grown and prospered, until now it is as active as any other organization on the State College campus. Membership is composed of those men who have won their numerals in both major and minor sports. A dance is held annually honoring the captains of the "Big Five" teams.

GOLF

State College opened their 1935 golf season with a veteran team and with all signs pointing to a successful season, the Techs swung into the most strenuous schedule that had ever been attempted by a State College golf team. Major Venable, coach of the Tech shot-makers, had arranged a tough 21-game schedule. State met the best opposition offered by the South and the East, and after a season filled with hard luck, they emerged with a fine record of 12 wins and 9 losses.

Fred Newnham, the best golfer ever to swing a club for State College, was forced to leave the team in the middle of the year and this blow was followed by the loss of Pat Pastore, the number two man who had replaced Newnham. With their two best players out for the year, the Techs redoubled their efforts and with Captain Baerthlein, Willie Dusty, and Key Scales playing superb golf, they finished out the remainder of the schedule.

The Techs entered the Big Five Tourney and after a wobbly start, they finished strong to wind up in third place. The following week, they entered the Southern Conference Tournament and registered an upset by capturing fourth place.

In the high spot of the year, the Techs won handily from Boston College 17-1. State tied the gentlemen from Furman 9-9 in a well-played match. A highly-touted Davidson team nosed out Tech 9½-8½ in a meeting marked by good golf and low scores. One stroke the other way would have turned defeat into victory for State.

At the close of the season, the State golfers elected Willie Dusty to lead them in the golfing wars of the 1936 season. With an excellent Freshman team coming up, the prospects are the best in years for the State team in 1936.

MAJOR BEN VENABLE
Couch

DULIN DIXON BROWN RENN SMITH NADING

TENNIS

In seven meets, North Carolina State's driving tennis team came out on the short side of the score in five matches while downing representative netmen from Appalachian and Lenoir Rhyne.

The University of North Carolina, long the ranking courtmen of the South, easily took the State racqueteers into camp as did Duke on two occasions.

The widely heralded racquet wielders from Chapel Hill dropped in for one visit and left with nine victories that day, right down the line without a single setback from a State man. In a return match, the Techmen dropped eight matches out of eight. Only six singles matches were run off instead of the usual seven.

Duke fared as well as did the University of North Carolina where State was concerned and white-washed the Techs on both occasions.

The Techmen traveled to Guilford to meet the racquet wielders from that institution. The Statemen found another tartar and dropped the meet, 5-2 after a long and hard fought meet. Before the tilts were begun, it was agreed that they should be only practice matches due to the fact that the weather was entirely too chilly for the courtmen to go into action. Nevertheless, the State players were unable to come out on the big end of the score.

The Techmen broke into the winning column twice during the season. Matches were taken from Appalachian in Raleigh by a score of 5 matches to Appalachian's two. Lenoir Rhyne met the State courtmen and also suffered defeat at the hands of a better State team and dropped the matches by a score of 5 to 2. These two wins represent the only victories of the year for a courageous State team that improved steadily as the season progressed.

J. D. Renn was elected to captain the 1936 team, succeeding Jack Brown. State players in 1935 were: J. D. Renn, Don Dixon, Jack Brown, A. L. Folley, H. A. Nading, and W. M. Peck.

In the meanwhile, the State Frosh netters were going to several hard fought victories over some tough opposition and bid fair to come through in 1936 and greatly strengthening a comparatively weak, yet fighting, 1935 State tennis team. Jordan Dulin was the star of the baby Techs.

R. W. GREEN
Coach

Top Row—WHITTEN, RETTEW, GRANTHAM, DAMMAN, DIXON, PAYNE.
Second Row—ROBINSON (M), GETZ, SCHNEIDER, HOLOMON, HARRIS, KURFEHS, LEFORT.

SWIMMING

Coach Romeo Lefort's diligence and never failing enthusiasm was mainly responsible for the undefeated State College swimming team that carried the Red and White colors to victory in six meets. State presented a well-balanced team that was composed largely of sophomores and juniors. With these stars returning for next year's competition, the outlook is even brighter than it was at the start of this year.

The State tankers opened their season by decisively beating the Y. M. C. A. team from Goldsboro. With Captain Holoman and Dick Payne leading the way, the powerful State team easily swept the meet. Payne, sophomore sensation, led in the scoring.

State's second conquest of the season came over the tanksters from Fort Monroe by the one-sided score of 68-16. Again the scoring was led by the speedy Dick Payne, who remained undefeated in his specialties.

A triangle meet with Clemson and Furman claimed State's attention next. However, Coach Lefort's young swimming stars came through and gave State their third consecutive victory.

The State team returned home and met the Duke swimmers in a meet to decide the state title. With Payne and Captain Holoman leading in the scoring, the State team won eight out of the nine events and easily won the state swimming crown. The new pool records were set during the meet. Dailey set one record in the 200-yard breaststroke and the State relay team set the other record in the 400-yard free-style relay.

State journeyed to V. P. I. and continued their winning streak by beating a crack Cadet team by the score of 54-30. Payne and Ned Whitton led the State tankmen in scoring.

The swimmers from Fort Monroe went down into defeat for the second time of the year before the smooth swimming State team. The Soldiers came out on the short end of a 56-28 score.

Coach Lefort entered his State Champions in the Southern Conference Swimming Meet and the State tankmen captured third place in the conference. Grantham took a first and Payne grabbed two seconds to help the State swimmers in their scoring.

C. R. LEFORT
Coach

INTRAMURALS

J. F. MILLER

Director of Physical Education and Intramurals

FRATERNITY

The year 1934-35 produced the most successful Intramural season that State College has enjoyed since their foundation in 1924. As the years roll pass the Intramurals are constantly getting better and are proving to be more interesting than the ones of the preceding years. The present year of 1935-36 is proving to be no exception to the rule. These sports are not only enjoyable and exciting, but they serve to create friendships that are lasting and also an essential part of the life of a college student.

Each year, approximately 2,400 students take part in the Intramural Leagues. There are three divisions of the League. Sixteen Fraternities, sixteen Dormitory clubs, and six Independent clubs form the three parts of the League. These clubs take part in regularly scheduled games in Touch Football, Basketball, Swimming, Tennis, Boxing, Volley Ball, Handball, Horseshoes, and Baseball. Championships are decided in each sport and the winners from each division of the League compete for the Grand Championship. Yearly records are kept and trophies are awarded to the winners in the Fraternity and in the Dormitory Divisions. A beautiful Bronze Cup is presented to the winner in the Fraternity Division by the Interfraternity Council, and for the first time the winners from the Dormitory Division will receive a Cup given by the Dormitory Council.

J. F. SCALES
Winner Fraternity Trophy

Individual trophies are awarded to the outstanding athlete in each Division of the League. P. M. Cox won the Plaque for the best All-Around Intramural Athlete in the Dormitory League and in the Fraternity League, the Plaque was awarded to J. Fairley Scales.

Last year the Pi Kappa Alpha's scored enough points to repeat as the Grand Champions of the Fraternity Division. The Sigma Phi Epsilons and the Sigma Nu's

furnished most of the opposition and they along with the Alpha Gamma Rho's are threatening to upset the Pi Kappa Alpha's this year.

All-Campus selections in Football, Basketball, Baseball, and Boxing is a new venture this year and has proved to be of unusual interest to the individual participants who make the distinctions. They were presented with a Medal indicative of their honor.

The summary of points made for the year 1934-35 and also for the points scored so far in the 1935-36 season is given below. The winner in each sport is also listed.

PAUL M. COX
Dormitory Trophy Winner

Third Seventh toppled Second 1911 from their monopoly of the Dormitory Championship and scored enough points to win the Trophy for the year. The Dormitory Division was extremely close and it was not until the final tabulation of the points was made, that the winner was decided.

Third Seventh led by Milan Zori, State's star discus thrower, won the All-Campus Football Championship by defeating the Pi Kappa Alpha's and the Woodburn

Road Cardinals. The Woodburn Road Cardinals won the Football Championship in the Independent Division.

Boxing is a minor sport in most colleges, but in the Intramurals, it has proved itself to be a major sport and also a major attraction. In the All-Campus Boxing tournament, over 600 excited spectators watched the Fraternity Champs prove themselves to be better leather slingers than the Dormitory Champs.

Here is a list of the All-Campus Boxing Champions:

115 lb.—Foster	Lambda Chi
125 lb.—Rudisill	Phi Kappa Tau
135 lb.—Kingsbury	Alpha Gamma Rho
145 lb.—Garret	Pi Kappa Phi
155 lb.—Traylor	3rd 7th
165 lb.—Lloyd	Alpha Gamma Rho
175 lb.—Croom	1st South
Unlimited—Helms	Pi Kappa Phi

An added event to the Boxing Tourney was a Negro Battle Royal between the janitors of the Fraternities. This event proved to be such an outstanding one, that it will have to be an annual event from now on.

In the Independent Division, the Faculty Club won the Basketball play-off and will meet the Alpha Gamma Rho's for the All-Campus Championship.

Through the untiring efforts of Mr. Miller and the able assistance of Mr. Doak, the Intra-mural System at State College has been built up until it is now one of the best in the entire South.

1911 DORMITORY WINNER

FRESHMAN SPORTS

DR. ROBERT WARREN
Coach

FOOTBALL

First Row—TAYLOR, MUCHECK, BAILEY, PAVLOVSKY, BEAN, BOWLIN, ISAACS, THOMPSON, MURPHY.
Second Row—COOM, THOMPSON, SCHNEIDER, BUNTIN, STEWART, SANDS, LUCEY, ROONEY, MCDENNA, REYNOLDS.
Third Row—WARREN, HENNESSY, THOMPSON, SANDFOSS, WILSON, HUCK, TURLO, SANTOSE, ROY.
Fourth Row—SATTERTHWAITE, OSLECKI, TRAILER, BLASE, PALOISE, NIVICH, SCHOFIELD, ESTES, WILSON.
Fifth Row—VETERAN, HINES, BARNHARDT.

The Techlets opened their season by beating the Wake Forest Frosh by a two touch-down margin. The scores were made in the first and third periods. Sands led the attack on the baby Deacs by scoring both of the tallies. Sands and Muccheck led the backfield play for the Techlets while Isaacs, Thompson, and Bailey topped the line play.

The Wolfcubs steam-rolled over the Davidson Freshmen and rolled up the largest score of the year as they beat the Wildkittens 65-0. The State Frosh were never in danger of being scored upon. Sands, Rooney, Sandfross, and Pavlovski were unstoppable as the Techlets scored in every period. Again the line play of the baby Wolves was led by Bailey, Isaacs, and Thompson.

For the third successive year, State Freshmen held their "indian sign" over the little Tar Babies and whipped them 27-0. The Techlets scored all of their touchdowns in the first half. Isaacs was outstanding in the line, while Rooney, and Sands were the stars of the backfield. Lucey's sure-fire blocking paved the way for many of the numerous State gains and was one of the main factors in the victory of the Wolfcubs.

Duke's baby Blue Devils handed the State Frosh their only defeat of the season by the score of 14-0. The Wolfcubs played the Imps on even terms for the first half but failed to keep pace with the Duke Frosh in the second half. The highly vaunted passing and running attack of the little Wolves never got under way. Sands, Rooney, and Isaacs stood out in defeat for the Techlets.

The State College Freshmen ended their gridiron activities for the year by whipping the Richmond yearlings 41-7. The speedy State backs gained almost at will as the State line tore great holes in the Richmond forward wall. The entire State team showed considerable power in rolling up the score.

SEASON RECORD

State	13	Wake Forest	0
State	65	Davidson	0
State	27	North Carolina	0
State	0	Duke	14
State	41	Richmond	7

BASKETBALL

*Front Row—OSIECKI, SCHLEIFER, SKILLAN, SATTERFIELD, HILL, BROCK.
Back Row—LIRIE, THOMPSON, HOLCOMBE, JONES, PETERS, LAWRENCE, BEAM, WARREN, DUNN, RABB.*

The State Yearling basketeers showed a great deal more promise than was at first thought they would. In years to come, the 1936 Frosh court stars will feature in State's future conquests of Southern Conference titles.

Thirteen games played by the Techlets brought winning margins in nine of them, an average that will speak well in itself. The four games dropped saw Duke's baby Blue Devils taking the measure of the little Techs twice while the Wake Forest Frosh counted once as did the Carolina Power and Light Company in the opening game of the year.

Following a close reversal from the Utility team, the Techlets went broadside into their more important tilts and started with a clean slate at the beginning. The next three games brought victories from Wake Forest Frosh, Raleigh High School, and the Carolina yearlings. It was the Duke Freshmen that put an abrupt ending to the victory spree as the young Techs were beaten 42-35 in one of the hardest scraps of the entire season.

A win over V. P. I. Plebes was followed with retaliation from the baby Deacs at Wake Forest and the Techlets had to call it even with the Wake Forest court team. Then came a neat five-game winning streak with Oak Ridge, Raleigh High School, Davidson Frosh, C. C. C., and Presbyterian College on the list of victims.

The season was closed with the second loss to the Duke Imps but nevertheless the future Red Terrors called it a lot better than even and drew down the curtain. Exciting games were experienced with Wake Forest Frosh (22-21), Raleigh High School (29-28), Carolina's little Tar Heels (32-30), and Carolina Power and Light Company (35-31).

Coach Bob Warren built his smooth-working team of young Engineers around Hill, Rabb, Thompson, Dunn, Osiecki, and Satterfield. Possibly the outstanding player on the squad was Brock, who is one of the smoothest playing guards ever to perform for the State Freshmen.

BASEBALL

*First Row—BEAM, WILSON, SMITH, LANDRUM, HIBNER,
Second Row—WALL, GADD, JACKSON, JOHNSON, GRIFFIN, MARTIN, WARREN,
Third Row—WARREN, CHAPPELL, HART, BERRY, FLYTHE, MANN, YORK.*

Coach Bob Warren again placed a well-balanced ball team upon the field. A tough 13-game schedule left the Wolfcubs with a record of 7 victories and 6 defeats. Charlie Gadd, Mac Berry, and Lee Wall stood out consistently during the year, both on their hitting and fielding.

In the first game of the year, the Techlets showed much promise but dropped a close game to the Burlington High School. Smith, Berry, Gadd, and Mahoney showed themselves to be potential stars for the future teams of State.

The second game of the year pitted the Frosh against the Duke Imps in their first Big Five opposition of the season. The Imps eked out a 1-0 victory in a close and hard-fought game. Campbell College nosed out the Techlets 9-8 to give them their third loss of the year. Coach Warren's team broke into the win column for the first time with a thrilling 4-3 triumph over the Duke Frosh.

Traveling to Wake Forest, the Wolflets lost a slugfest to the Baby Deacons. State started a winning streak and ran up a total of four wins before they were defeated. The streak started with a 5-3 win over the Cadets from Oak Ridge. Next the Frosh snowed the Raleigh High under a barrage of 13 hits and sent them down into a 11-4 defeat. Gadd, Berry, and Ebner led the attack on the Raleigh pitchers.

The Techlets continued their streak by whipping Duke by a one run margin. This win gave the Freshmen two victories out of three games against Duke. The Techlets' winning streak was brought to a close in the second game of a double-header against the Baby Tar Heels after they had copped the first game. Duke Freshmen evened up the four-game series by nosing out the Techs by one run. The Burlington High came over and went home on the short end of a 3-1 score. The little Wolfpack closed their season by splitting their last two games of the year.

DEPENDABILITY

1881 - 1936

down thru the years

Dependability is the first requisite for a permanent business establishment. Dependable policy — dependable service — dependable merchandise . . . And on this basis we solicit the continued patronage of our community, our state and the South. We promise that today, as in 1881 and on down through the years, our watchword will be **dependability**.

“Sure I’m Buying A
FORD V-8 on the
\$25 a month plan!”

My old car covered the low down payment. Now I am driving a brand new Ford V-8. And I only pay \$25 a month on the 6% plan. They tell me the Ford V-8 can be owned on such easy terms because so much value was built into the car that it is always worth more at the end of the year—or several years. It’s easy to own a Ford V-8 and it sure is a great car.

All-American

No, not football players, but school publications!

Most publication advisers know of the critical service rendered by the National Scholastic Press Association in grading and improving school college publications. They also know that final perfection is graded "All-American," whether it be big or little—newspaper or annual. Those of you who are advisers will realize the pride we have in that the 1935 CHANTICLEER of Duke University, printed by us, and the only annual printed by us ever entered in this contest, together with the West Point and Annapolis annuals, were the only three in their class in the United States to receive that coveted distinction.

We would welcome the opportunity of offering you the same quality and service in your school publication problems.

*"Just like finding
A NEW SET
OF TIRES"*

**TWO-TREAD, AIR-COOLED
Tires Never Wear SMOOTH**

When you put two-tread, Air-Cooled tires on your car, it's just like getting a new set of tires free. Air cooled tires will give you practically twice the safe mileage delivered by the ordinary tire.

When the first tractive tread wears off, a new tread design actually wears on—your tires take a new lease on life with a second sharp tread design ready for thousands of additional miles.

Get the very latest in the way of tires—double your safe mileage at half the cost with the new Seiberling Air-Cooled tire.

As the tire treads, the holes close in the center under the weight of the car, forming the destructive heat.

As the holes open, cool air is drawn in cooling the tire as it rolls on the road.

AIR-COOLED TWO-TREADS

The patented holes which carry off destructive heat generated internally in all tires have another important function. As the first tread wears off the holes become grooves forming the second anti-skid tread.

A Final Word

It has been a privilege and a pleasure to produce THE AGROMECK of 1936—the thirty-fourth volume of the State College yearbook. We hope that you will keep it among your treasured possessions as a remembrance of your college life. Our object has been to please you and present for you what you wanted. We hope that we have succeeded.

This volume of the AGROMECK would not have been possible without the loyal support given by the students, faculty, and the various organizations on the campus. The interest taken by MR. M. L. GLOVER, of the Lynchburg Engraving Company in designing the book has lightened the burden of the staff considerably. MR. W. J. CRICHTON, JR., of the Observer Printing House, saw that every detail of the printing and composing was perfect before the finished sheets were bound. The wit of MR. M. F. DUNBAR had much to do with the pleasant looking pictures that were made, and thus aided immensely in the appearance of the book. We are indebted to others too for their assistance: THE STATE DEPARTMENT OF CONSERVATION AND DEVELOPMENT, MRS. BAYARD WOOTEN, THE CAROLINA COÖPERATOR, MR. L. POLK DENMARK, MAJOR KENNETH G. ALTHAUS, MR. GEORGE AID, and MR. FRED DIXON. We take this means of thanking them all for their kindness, and patient assistance.

HARRIE S. KECK,
Editor.
