The forty-nine

Faro

ANNUAL

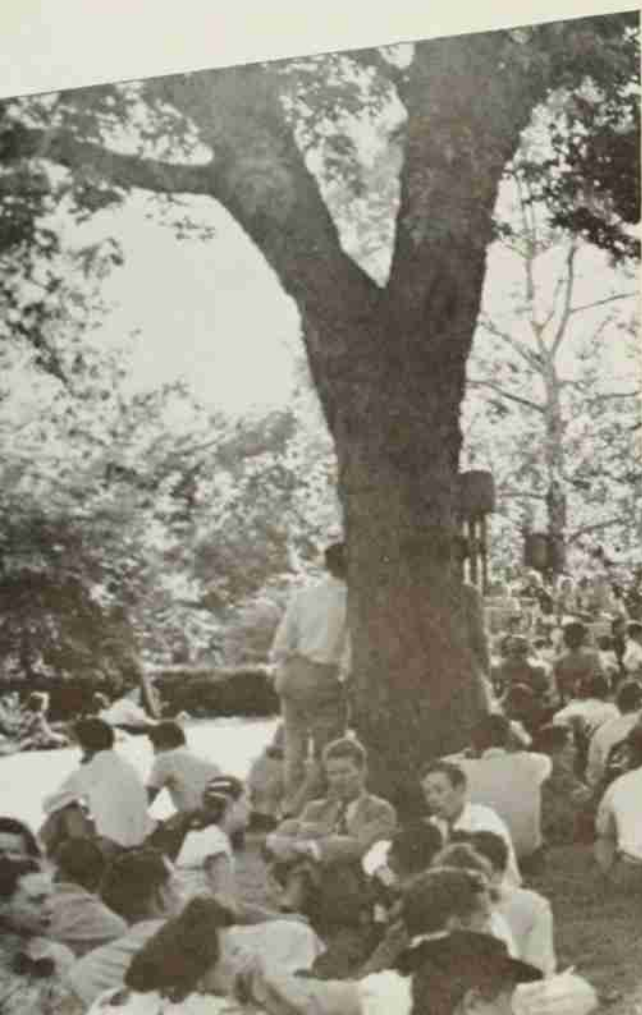

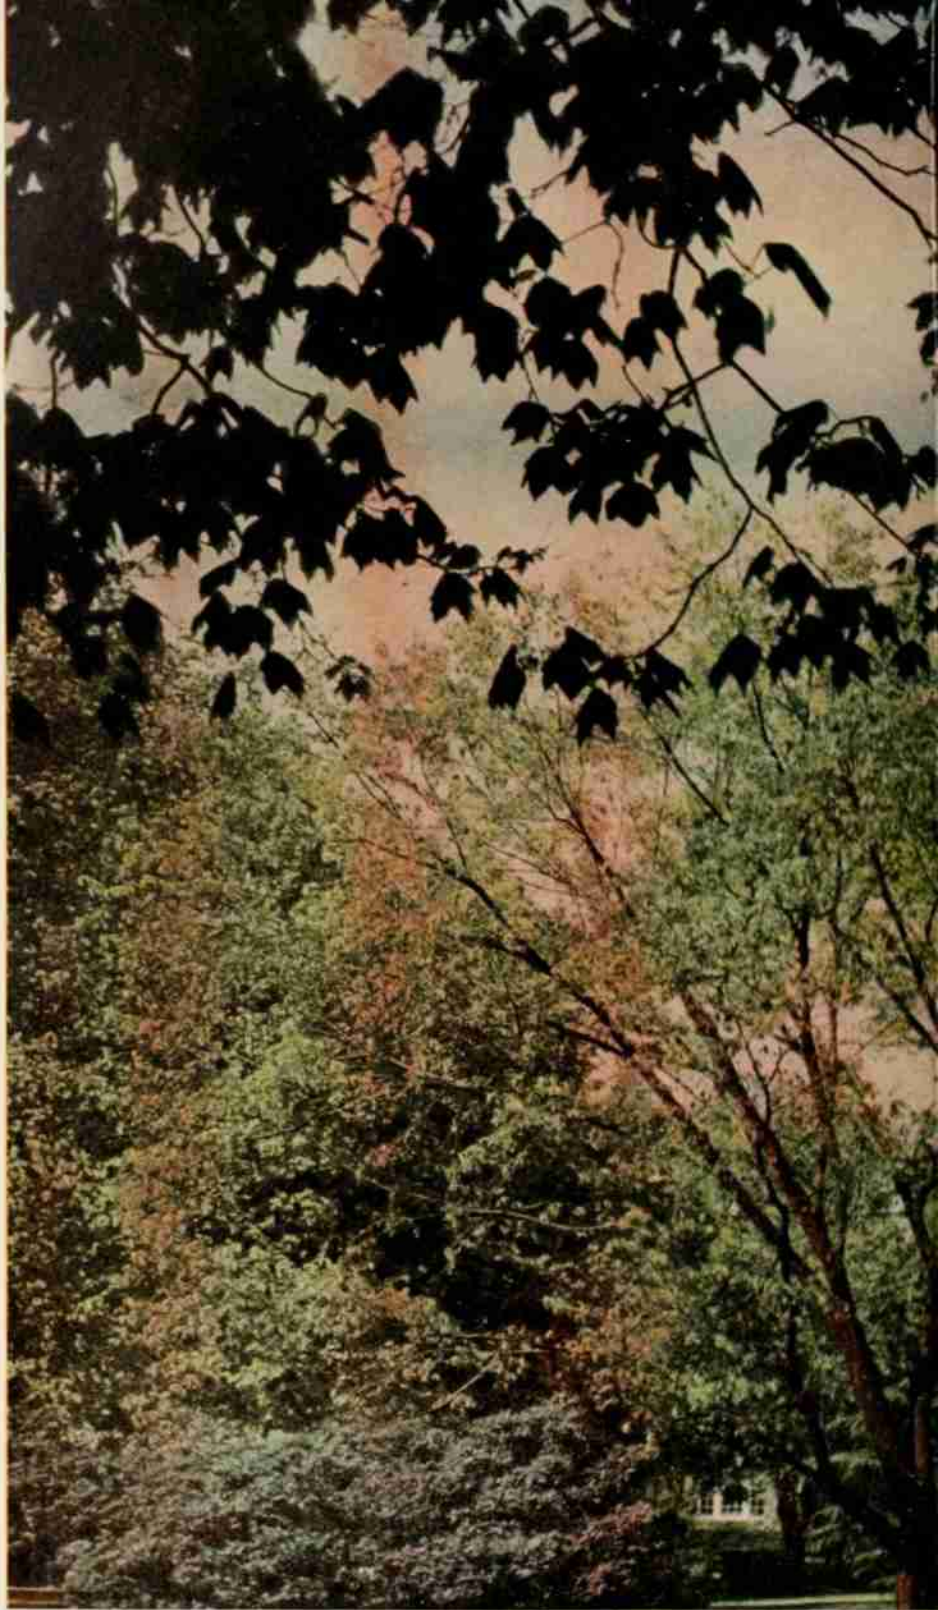

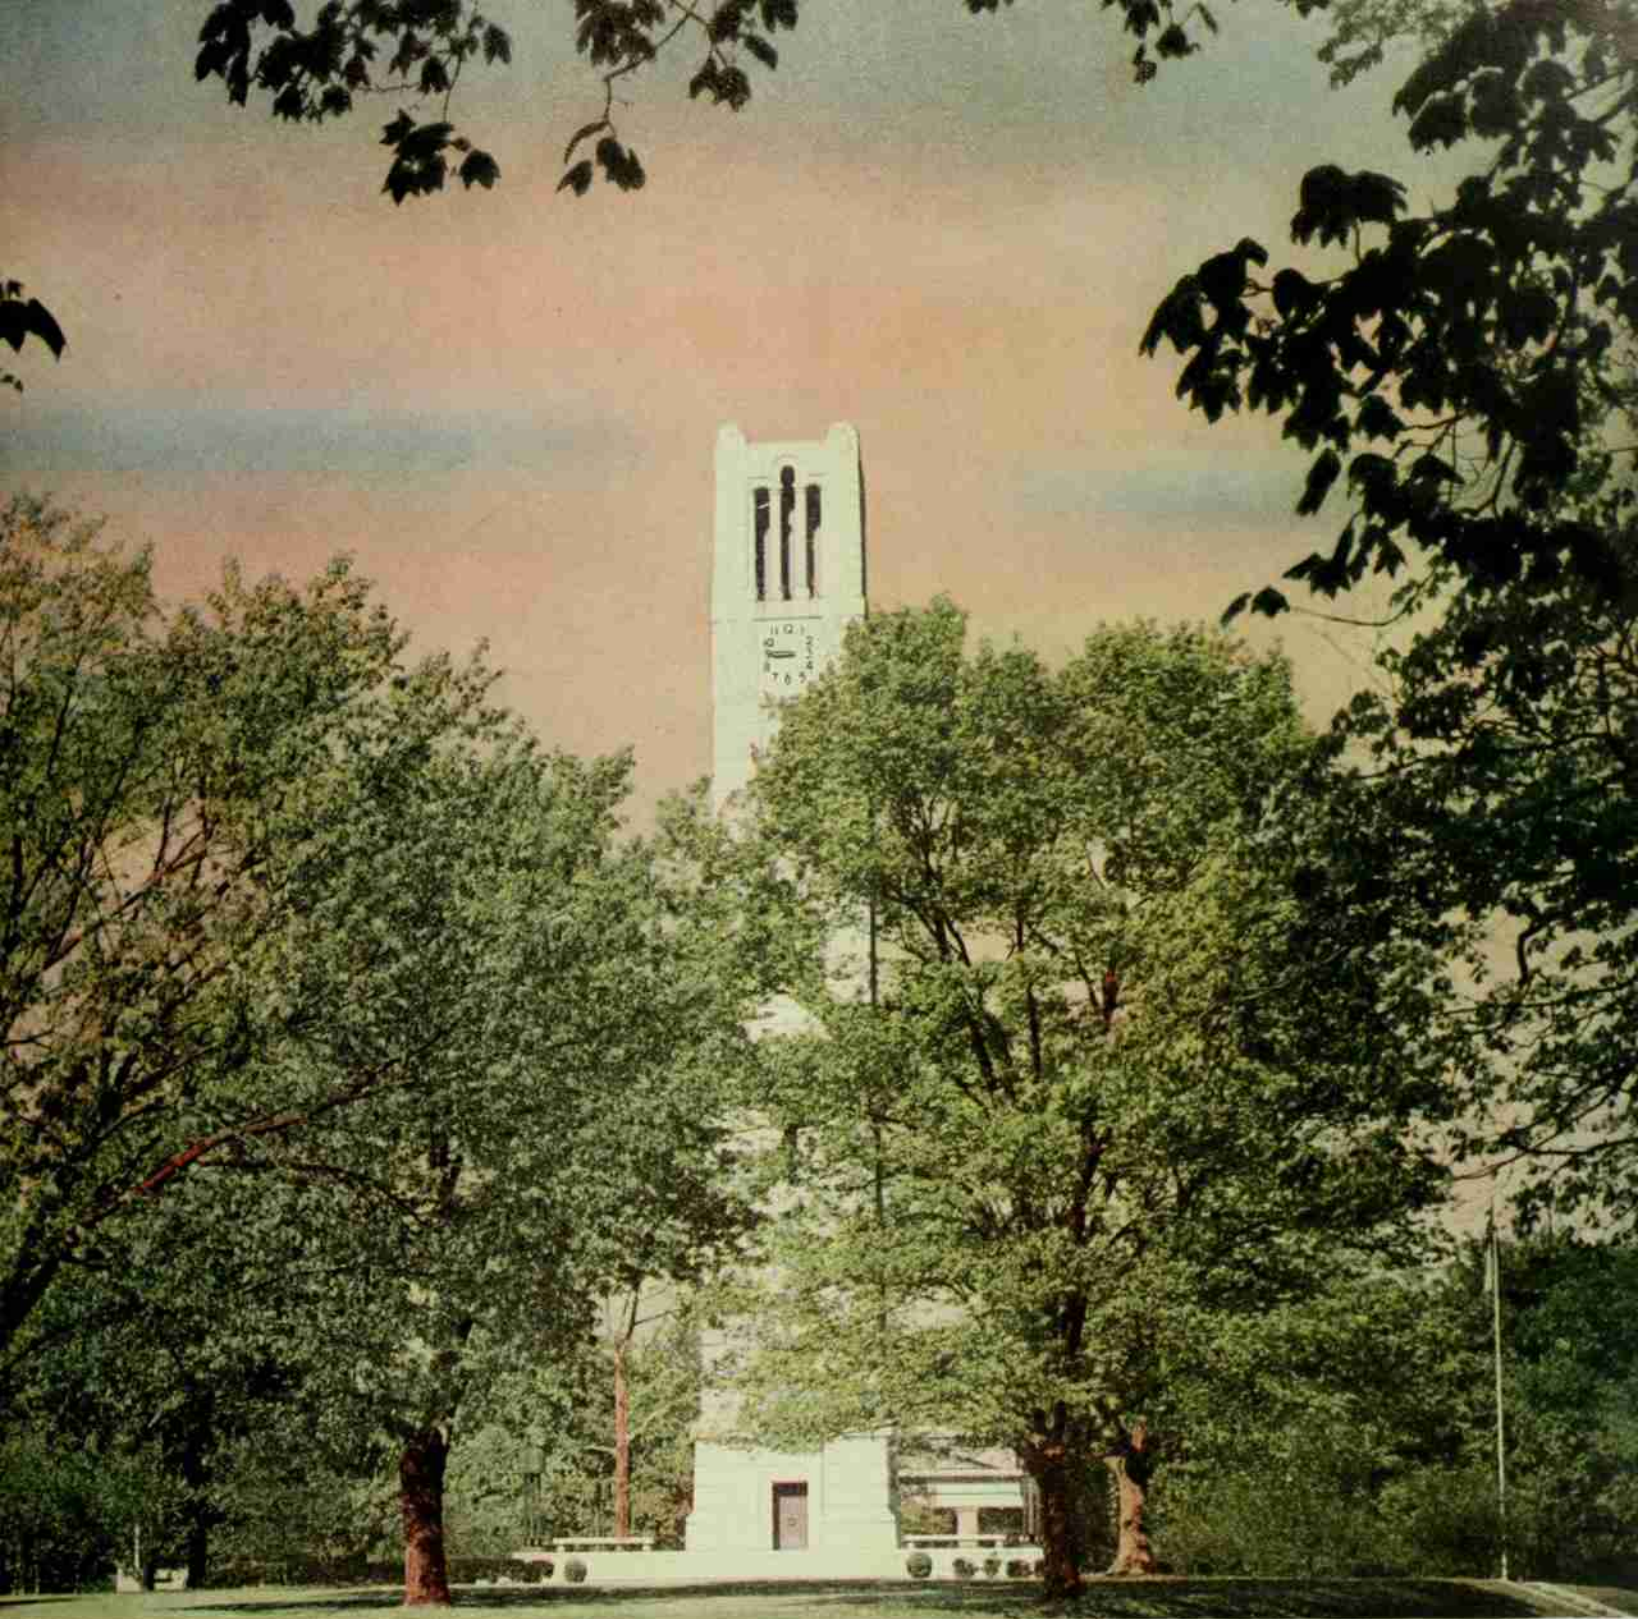

meck

PUBLICATION—N. C. STATE COLLEGE

Foreword

WITHIN the narrow confines of this yearbook's cover, an attempt has been made to hit the high spots of the year and to highlight those things that spell to every student, "STATE." We hope our efforts represented herein meet with your approval. You are the judge; if your critique is favorable, "AGROMECK 1949" is a successful annual.

—THE STAFF

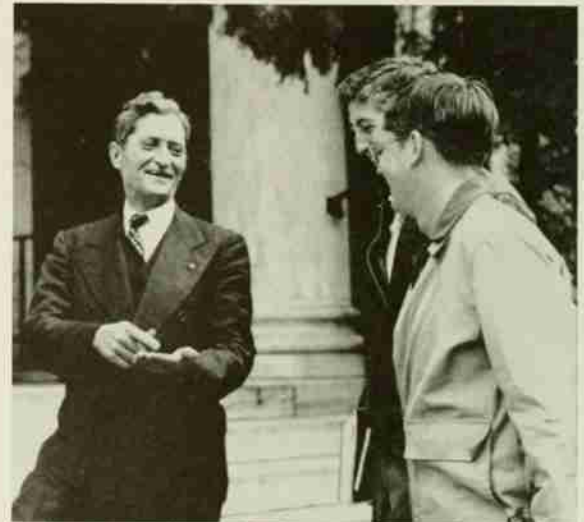

A man to remember

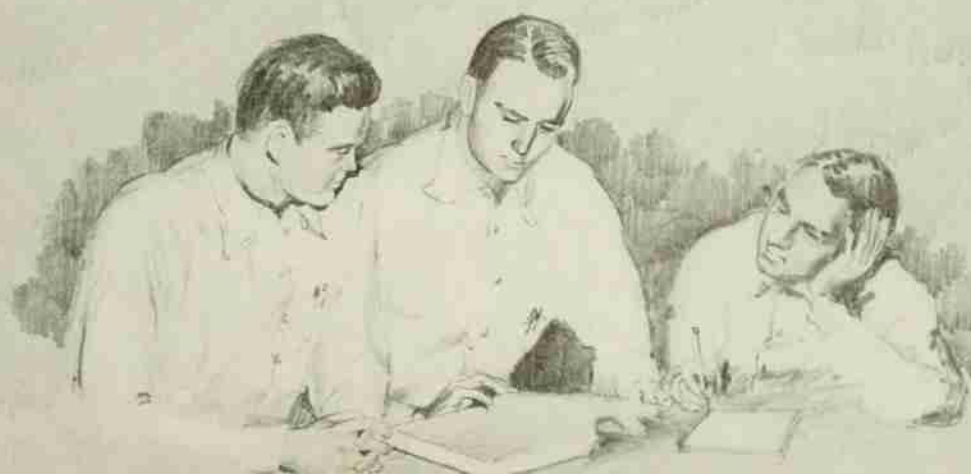

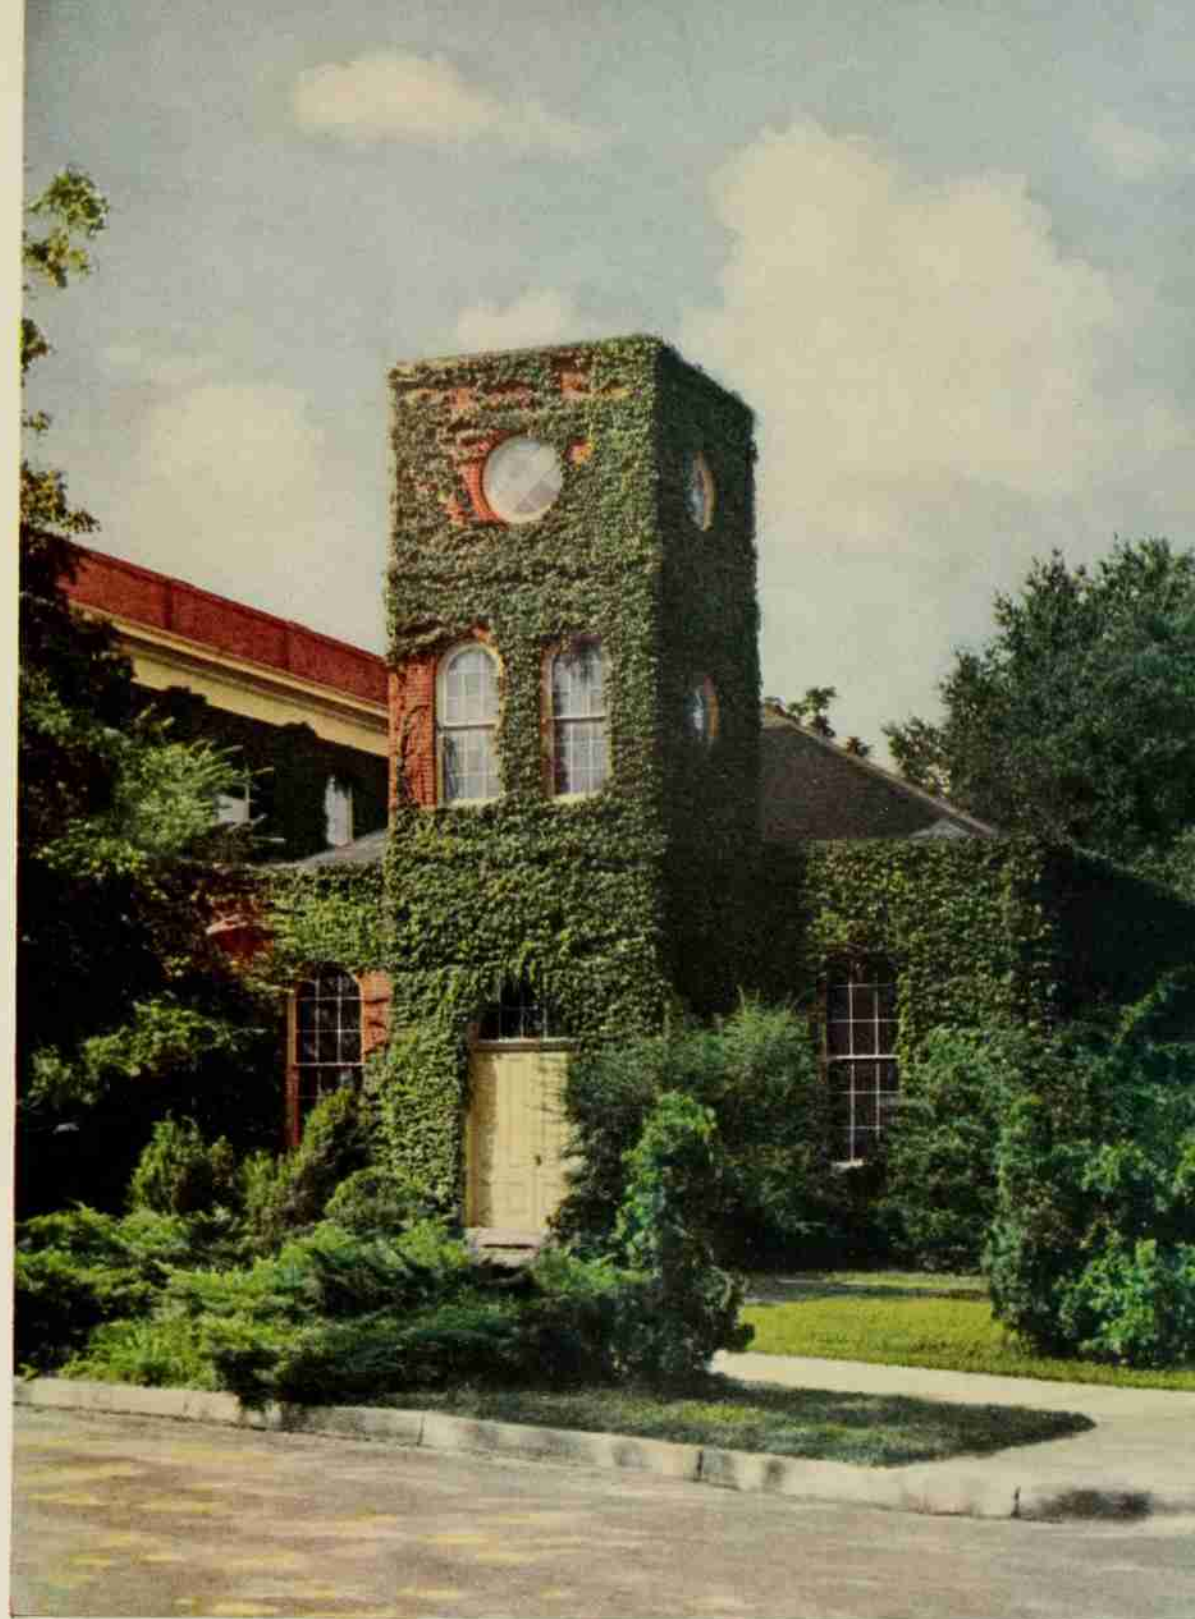

PROFESSOR J. D. PAULSON

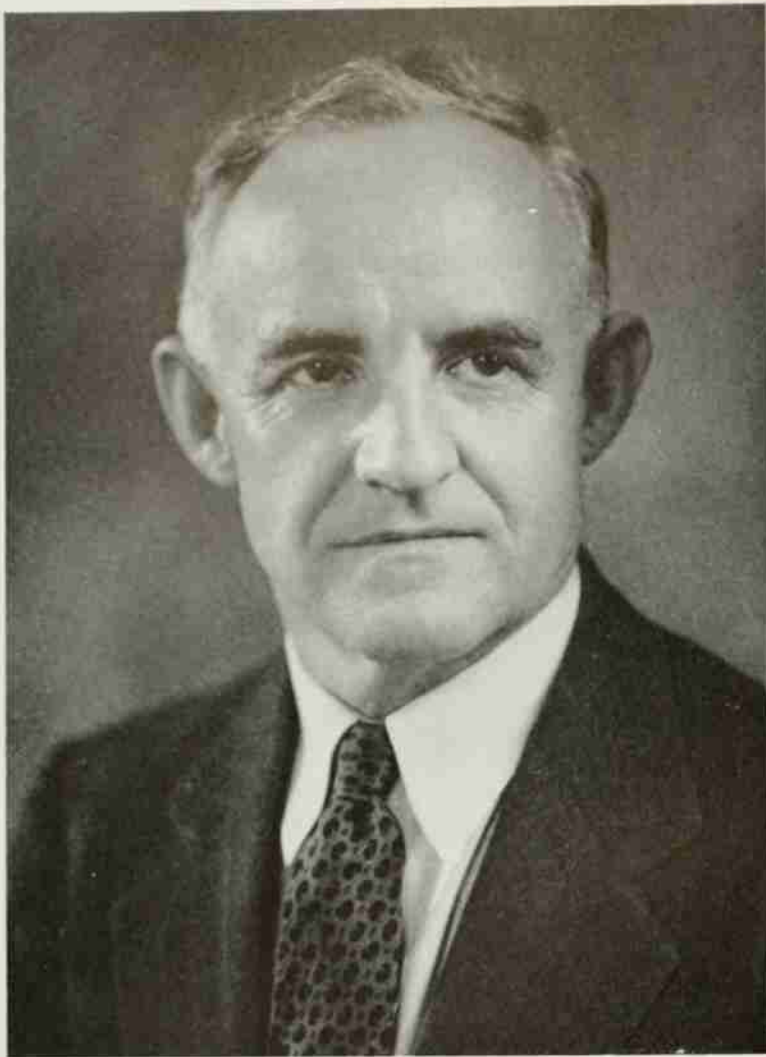

THROUGH his unswerving loyalty and devotion of time and energy beyond the limits of his classroom duties, he has given us a finer appreciation of our college years. As we stand on the threshold of life, we are struck by the realization that his efforts were not in vain; that the spirit of State College so ideally personified in him will follow us into our daily lives and fields of work. To him we proudly dedicate this 1949 AGROMECK.

The College

—THE PRESIDENT—

DR. FRANK PORTER GRAHAM

J. B. KIRKLAND	Dean of School of Education
COL. J. W. HARRELSON	Chancellor
L. L. VAUGHN	Director of Instruction of School of Engineering
W. L. MAYER	Director of Registration
R. N. ANDERSON	Director of Student Personnel
H. L. KAMPHOEFFNER	Dean of School of Design
M. E. CAMPBELL	Dean of School of Textiles
D. B. ANDERSON	Botany

In Memoriam

DR. ARTHUR JOHN WILSON

Educator, scientist, athlete, and gentleman—these words characterize Dr. Wilson as all State College men knew and loved him.

His twenty years of service to his Alma Mater as head of its Chemistry Department and his active role in athletic and alumni circles made of him a keystone in the growth and development of this institution.

AGRICULTURE AND FORESTRY

DEPARTMENT HEADS

Left to right: D. W. Colvard, *Animal Industry*; W. E. Colwell, *Agronomy*; Gertrude Cox, *Statistics*; G. W. Forster, *Agricultural Economics*; R. S. Dearstyne, *Poultry*; M. E. Gardner, *Horticulture*; G. W. Giles, *Agricultural Engineering*; C. H. Hamilton, *Rural Sociology*; Z. P. Metcalf, *Zoology*; W. J. Peterson, *Chemistry*; R. J. Preston, *Forestry*; B. W. Wells, *Botany*.

Today North Carolina stands on the threshold of the greatest agricultural advancement in her history. This is due to a general realization on the part of a large segment of our society that as goes agriculture so will go North Carolina.

The School of Agriculture and Forestry is dedicated to a program of training men to assume responsibilities in the fields of the agricultural sciences. Various curricula have been developed which will enable students to choose the field of work in which they are most interested and best qualified to serve.

J. H. HILTON, *Dean*

SCHOOL OF DESIGN

DEPARTMENT HEADS

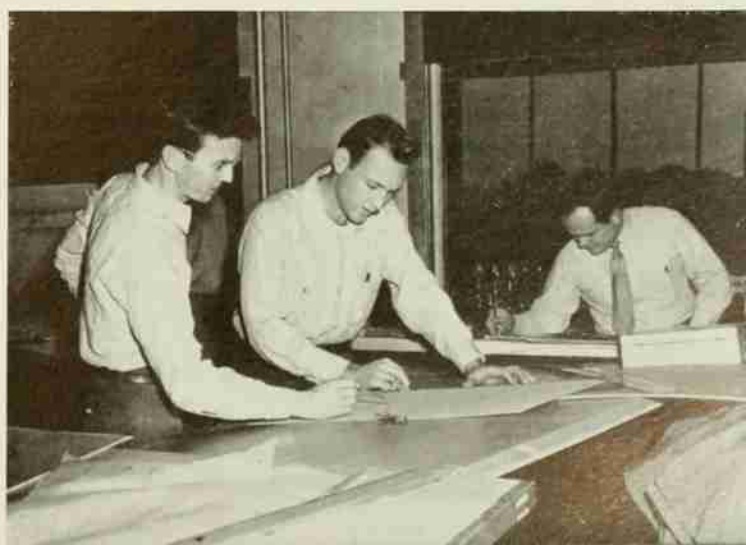

Left to right: Matthew Nowicki, Architecture; Ross Shumaker, College Architect; Edwin G. Thurlow, Landscape Architecture.

The School of Design, newly formed in the summer of 1948, is devoted to the development of an organic and indigenous architecture and its accompanying landscape architecture and the related arts to meet the needs and conditions of the southern regions.

As the only Department of Architecture in the most progressive State in the South and the only Department of Landscape Architecture in the region, the opportunities are unlimited for the school's graduates to contribute to the solution of problems in building design, planning and general construction.

HENRY L. KAMPHOEFFNER, *Dean*

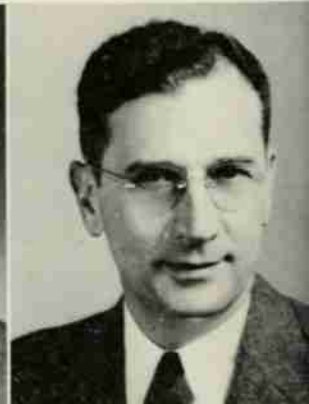

SCHOOL OF ENGINEERING

DEPARTMENT HEADS

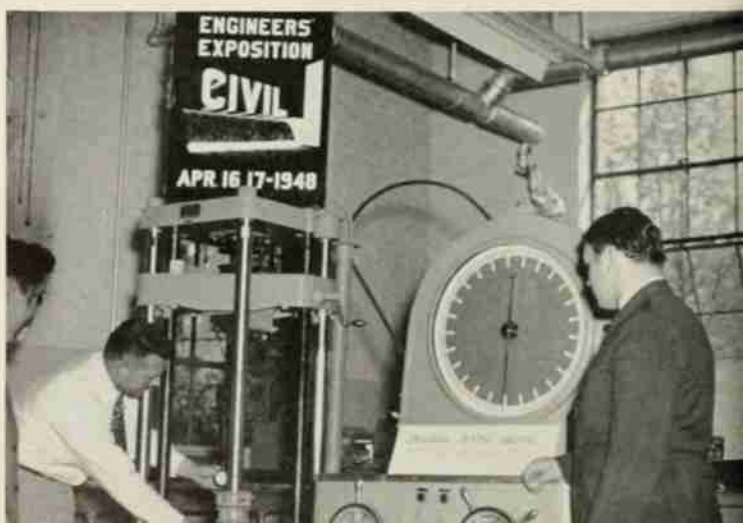

Left to right: C. G. Brennecke, *Electrical*; H. A. Fisher, *Mathematics*; K. P. Hanson, *Mechanical*; D. E. Henderson, *Industrial*; J. S. Meares, *Physics*; R. B. Rice, *Diesel*; W. W. Kriegel, *Ceramic*; G. W. Smith, *Engineering Mechanics*; J. L. Stuckey, *Geological*; W. G. Van Note, *Engineering Research*. Not pictured: C. R. Brämer, *Civil*; E. M. Schoenborn, *Chemical*.

North Carolina's economic development is closely related to its industrial growth, which is developing at a rapid rate. The School of Engineering is attuned to this development and is an effective contributor through its modern educational program and research activities.

Industry needs more and more engineering graduates, not only in the specialized design and experimental work, but also in the production and distribution activities which support every one of our communities. Engineering is a pathway that leads to a part in the new and broadening developments that mean progress in community life and advancement, both economic and scientific, in the industrial activities of our people.

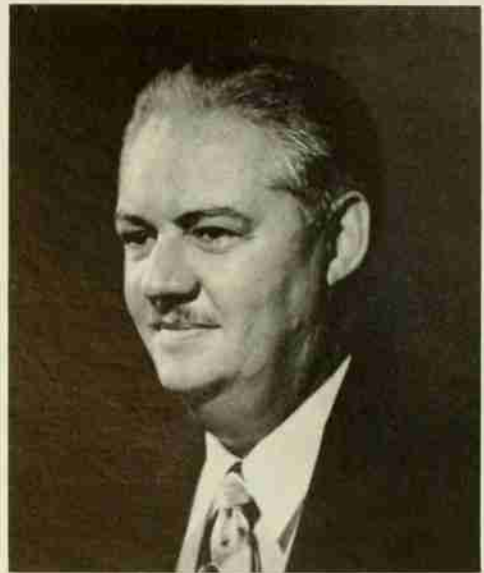

J. H. LAMPE, *Dean*

SCHOOL OF TEXTILES

DEPARTMENT HEADS

Left to right: C. M. Asbill, Research Engineer; E. B. Grover, Yarn Manufacturing; T. R. Hart, Director of Instruction; H. A. Rutherford, Chemistry & Dyeing; B. L. Whittier, Fabrics. Not pictured: G. H. Dunlap, Technical Consultant; W. E. Shinn, Knitting.

With new and improved technology in the Textile Industry, there comes a demand for men with technical training to meet and solve its problems. It is the main objective of the School of Textiles to provide the training in Textiles which, coupled with practical experience following graduation, equips young men to assume positions of real responsibility in the industry.

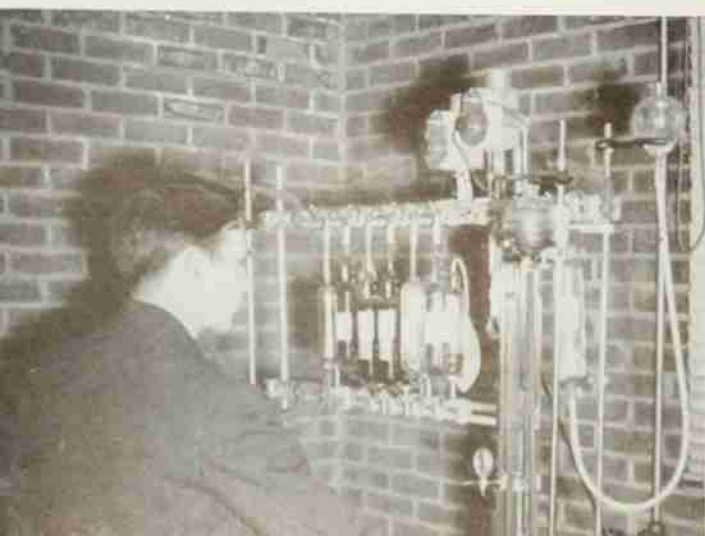

The facilities of the School are expanding rapidly, and at the same time well-trained and experienced men are being added to the teaching staff. Thus, we sincerely believe that the quality of training now being offered is on a par with the demands of the industry.

MALCOLM CAMPBELL, *Dean*

GRADUATE DIVISION

ADMINISTRATIVE BOARD

Left to right: R. W. Cummings, Agriculture; D. J. Moffie, Psychology; G. W. Smith, Engineering Mechanics; W. E. Shinn, Textiles; E. M. Schoenborn, Chemical Engineering. Not pictured: D. B. Anderson, Botany.

The function of the Graduate Division is to provide graduate training in the sciences and technologies of agriculture, engineering, textiles and vocational teacher training. Graduate students have the advantages offered by the Agricultural Experiment Station, the Engineering Experiment Station, and the Research Laboratories of the Textile School, in addition to the regular laboratories used for instruction.

Individually developed courses of study lead to the degrees of Master of Science and Doctor of Philosophy. In addition State College offers a Professional degree to its graduates who have performed outstanding professional service.

Z. P. METCAL, Dean

SCHOOL OF EDUCATION

DEPARTMENT HEADS

Left to right: R. N. Anderson, Occupational Guidance; L. E. Cook, Agricultural Education; T. I. Hines, Industrial Recreation; Ivan Hostetler, Industrial Arts. Not pictured: L. B. Beres, Industrial Education; D. J. Moffie, Psychology.

The School of Education provides the professional pre-employment training required for certifying teachers of vocational agriculture, industrial arts and industrial education. The curriculum in each of these departments includes courses designed to aid prospective teachers in acquiring an understanding of high school pupils, and in selecting and using acceptable teaching methods. To further aid in the development of the competencies essential for successful teaching, opportunities are provided for the students in each department to acquire participating experiences in selected high schools under the supervision of resident instructors. The School of Education also provides undergraduate training for recreation leaders in industrial and rural areas.

J. B. KIRKLAND, *Dean*

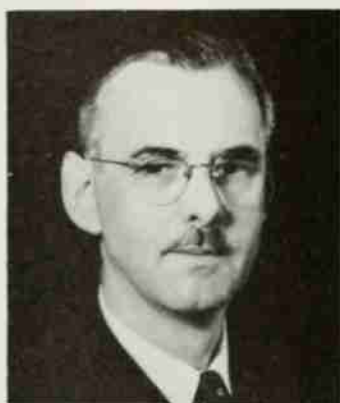

BASIC DIVISION

DEPARTMENT HEADS

Left to right: Dr. P. W. Edsall, History; Dr. G. A. Gullette, Social Studies; Dr. L. Hartley, English; W. N. Hicks, Ethics and Religion; Dr. L. E. Hinkle, Modern Languages; J. F. Miller, Physical Education; Dr. R. O. Moen, Economics; Dr. S. R. Winston, Sociology.

The Basic Division, comprising eight departments concerned with the humanities and the social sciences, provides the opportunities in general education necessary for a well-rounded college program in the fields of technology and agriculture. Instructions are available in the fundamental courses in language, literature, the social sciences and physical education.

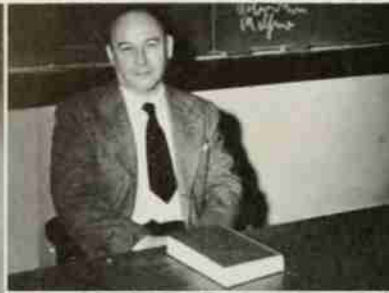

In co-operation with the various schools of the college, it is co-ordinating its work with students on the basic assumption that a well-rounded education in the humanities and social sciences must go hand in hand with thorough technical training to provide the equipment necessary for the student to take an important part in society and to become a leader in his community and state.

Senior Class

THE GOLDEN CHAIN

Senior Honorary

Golden Chain, Senior Honorary Society, was organized in May, 1926. The purpose of the society is to promote better citizenship and leadership on the campus. In May each year, twelve Juniors, considered the outstanding members of their class, are added to the Chain by a tapping ceremony at the Memorial Tower.

Blue Key Honor Fraternity was founded at the University of Florida in October, 1924, to perpetuate belief in God, to preserve the principles of good citizenship, and to promote the best interest of the students.

It recognizes outstanding qualities in character, scholarship, and service, placing equal emphasis upon leadership in student activities. Membership is composed of graduate and undergraduate students of all departments of American colleges and universities.

This year Blue Key sponsored a very great Homecoming Celebration, and a dance that was extremely successful. They also co-operated with other campus organizations in various activities to perpetuate a more meaningful campus life.

MILITARY LIFE

World War II clearly demonstrated the value of the Reserve Officers Training Corps to our National Defense. Under the capable leadership of the excellent staff of regular army officers and enlisted men, the North Carolina State College Corps of Cadets is today regarded as one of the nation's best.

PUBLICATIONS BOARD

FRANK H. JETER
Chairman

Nearly a quarter of a century has passed since A. S. Brower, then business manager of the College, Stewart Robertson of the English department, and the editors and business managers of each of the three major student publications, the *ACROMECK*, the *Technician*, and the *Wataugan*, formed the nucleus of the present Board. In 1931 this group became the Board of Student Publications, under the chairmanship of Frank H. Jeter, who has ever since been a tower of strength to a long succession of harassed student journalists. In 1947, a permanent secretary was employed.

Within these pages are the hopes and heartaches, great moments and everyday events in the lives of five thousand men. If, in future years, you can look at the events recorded here and relive pleasant memories of the School Year 1948-49—then our work on this 1949 AGROMECK will have been justified.

The Technician

The Technician is the weekly newspaper of State College, published entirely by the students. The function of this campus publication is to cover the important events of the school year and to promote outstanding occasions and activities. *The Technician* is considered one of the best college newspapers by the N. C. Collegiate Press, of which it is a member. The cost of this weekly for the student is included in the publication fee which the student pays as part of his regular fees. The editor and business manager of *The Technician* are elected by the student body in a campus-wide election held during the spring term.

The Wataugan

The Wataugan, originally established as a strictly literary magazine, has gradually evolved into a well-balanced combination of humorous and literary material. The material for this popular publication is supplied by the student body, and includes fictional stories, articles of general interest, art and cartooning, jokes and poetry. This magazine is published six times during each school year.

Station Manager

WWWP

WWWP, The Voice of the North Carolina State College Wolfpack, broadcasts programs of special interest to students every week-night. The Radio Station, staffed entirely by students, has broadcast during the year many football and basketball games unavailable to students over other stations. Extensive remodeling of the studios has been carried out during the year, as well as a rebuilding and construction program to increase coverage on the campus and improve broadcast quality. Many special features have been offered, including dramatizations of student short stories, faculty interviews, campus news, and evening devotional programs.

The Agriculturist

The *Agriculturist*, published six times yearly, has been the official publication of the Ag Club and the School of Agriculture for twenty years. This publication promotes closer co-operation between students and faculty and keeps the alumni posted on activities of the School of Agriculture. Through its wide circulation, *The Agriculturist* ever maintains closer contact with North Carolina citizens and serves as an important organ of publicity both within this state and others.

The Handbook

The N. C. State College *Handbook* is published annually by the Y.M.C.A. and is distributed without cost to all students and members of the faculty and administrative personnel of the College. Primarily it offers the first-year man an opportunity

to learn something of the institution which he is entering, its ideals, and its traditions. By acquainting the new men with State College, it helps them to get a better start in their college career. It has become one of the necessary State College reference books for all members of the College family.

The Campus Government and Honor System at North Carolina State College was founded in 1945 as a result of twenty-four years of student self-government. It is based upon the conception that the problems of self-government on the modern college campus are not problems of student government alone nor of faculty government, but a concern of every citizen of the college community. Each student and each member of the faculty and administration, therefore, votes in the election of the representatives and officers of the

Council of Campus Government and is responsible to participate in its activities.

The primary function of the Campus Government and Honor System is to encourage and promote in every way possible the development of personal honor and integrity, scholarly achievement, and a genuine sense of civic responsibility in every person who matriculates at the North Carolina State College. Every student pledges his support to the Campus Government and its activities by endorsing the Citizenship Code.

The Engineers' Council is made up of a group of engineering students which represents the engineering societies on the campus. Its purpose is to co-ordinate the activities of these societies, the students, the departments, and to direct the publication of the *Southern Engineer*.

Each year the Engineers' Council sponsors the Engineers' "Brawl," brings to the campus interesting speakers,

and knights leading engineering students into the "Order of Saint Patrick." At the knighting ceremony, the most outstanding senior engineering student is recognized and given a gift by the Council. Another outstanding event sponsored by the Council is the annual Engineers' Exposition.

Tau Beta Pi is a national engineering association founded at Lehigh University in 1885. Alpha of North Carolina was installed here in 1925. While distinguished scholarship is the primary requisite for admission, true integrity is considered the "sine qua non" for membership in Tau Beta Pi. To be elected into this fraternity is one of the highest honors that can be bestowed upon a student engineer.

Pi Tau Sigma

Pi Tau Sigma is a national honorary mechanical engineering fraternity. Its object is to foster the highest ideals of the profession and to stimulate interest in co-ordinating departmental activities. North Carolina State's Pi Alpha Chapter room and files are located in Page Hall. During

the past year N. C. State Pi Alpha has given its full support to all mechanical engineering activities on the campus. Each year a *Marks' Handbook* is given to the mechanical engineering sophomore who has the highest scholastic average.

President

The purpose of Eta Kappa Nu is to recognize and encourage outstanding achievement in the electrical engineering profession, particularly among students. High scholarship, leadership ability, and integrity of character are requirements for membership. The organization has prepared a chapter room which is used as a study room, and has undertaken several similar projects for the general aid of students in electrical engineering. The organization has also, with financial aid from the Student Government, installed the public address system which furnishes music for both sides of the college cafeteria. Coaching classes for juniors and sophomores are also in progress for electrical engineering students.

E. C. HUNT
Regent

Theta Tau is a professional engineering fraternity of college students. Members are chosen for their character, integrity, leadership, and scholarship. The purpose of Theta Tau is to develop and maintain a high standard of professional interest among its members, and to unite them in a strong bond of fraternal fellowship.

Participation in the Student Branch of the A.S.M.E. should be looked upon as a part of the student's educational development supplementary to his classroom education. The Student Branch offers the student an opportunity to develop finesse in leadership, administration, and public speaking. Those members who do not participate very actively benefit greatly by attending the programs, which are stimulated along professional lines. In short, the A.S.M.E. offers an outlet for the student's technical interests and hobbies, creates stimulus, professional insight, and fellowship with other mechanical engineering students. Its programs include inspection trips, social outings, joint meetings with neighboring colleges, national speakers, and local competition for prizes.

American Society of Civil Engineers

The State College Chapter of A.S.C.E. experienced a year of growth and activity during 1948. Two meetings were held with the regional chapter of the parent society, one at Duke University and one at State College, at which State College A.S.C.E. members presented an

illustrated talk and resumes of the chapter's activities. Several outstanding meetings were addressed by men prominent in civil engineering activities. In addition, the constitution was rewritten and ratified, the chapter took an active part in the Engineers' Fair, and an annual banquet was held.

S. N. RICHARDSON
President

American Institute of Chemical Engineers

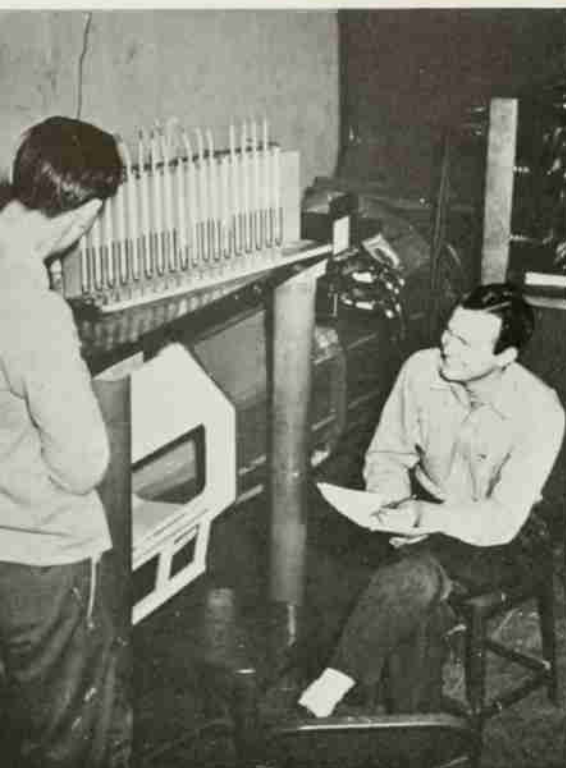

The N. C. State College Student Chapter of the American Institute of Chemical Engineers was organized under its present charter in 1930. Its purpose is to promote the ideals of the chemical engineering profession, to maintain a high student standing among its members,

to promote student-faculty relationships, and to aid in the advancement of the engineering school as a whole. Outstanding speakers in the profession are heard at the twice-monthly meetings. Delegates are sent to the regional convention each year. The annual social event is a picnic in the spring quarter.

Institute of Aeronautical Sciences

The North Carolina State College Branch of the Institute of the Aeronautical Sciences holds meetings every other week to keep the aeronautical students up to date with the new developments in aeronautical engineering

and in aviation. It is the purpose of the Institute to foster fellowship and promote the distribution of current information along the lines of our mutual interest—the field of aeronautics.

SAMUEL M. OWEN
Chairman

American Institute of Electrical Engineers

The Student Branch of the American Institute of Electrical Engineers was formed to promote professional interest in this field and to help develop latent abilities of all concerned. The activities of the Institute include numerous inspection trips, regional and national meetings

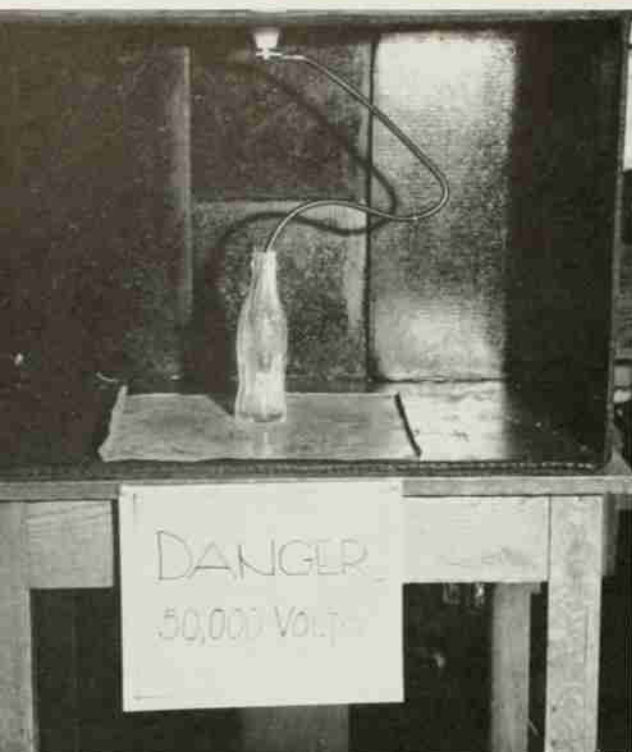

with the foremost electrical engineers in the country, and local meetings where technical papers are read and discussions are held. Each year prizes are awarded to students writing outstanding technical papers.

GEORGE L. WHITE
Chairman

Faculty members: Dr. C. G. Brennecke, W. D. Stevenson, Dr. V. S. Carson, Dr. G. B. Hoadley, R. S. Fouraker, E. W. Winkler, W. E. Estelle, I. S. Campbell, W. R. Willard.

Senior members: R. M. Alexander, W. D. Alley, B. B. Aycock, J. M. Bales, L. E. Baucom, P. A. Bender, F. N. Blackwell, W. K. Boatenreiter, G. M. Bostian, J. C. Brooks, L. L. Corbin, R. P. Coble, H. A. Corriher, H. M. Deal, M. T. Dozier, C. U. Falco, C. P. Fisher, Ivan Hall, F. M. Hayes, J. H. Henry, H. O. Hook, C. Q. Huffstetler, D. G. Hunter, V. L. Johnson, W. H. Johnson, J. C. Jones, R. E. HARVEY O. HOOK
President

American Ceramic Society

The chapter at North Carolina State is a student branch of the American Ceramic Society, which has as its purpose the promotion of technical and professional development of ceramic engineering. In the student branch emphasis is placed upon scholarship, character, and professional development. The chapter meets once each

month. Outstanding speakers are invited to speak upon topics in the ceramic field, and movies are shown to acquaint members with the different branches of the ceramic industry. The society provides a medium for the meeting of students interested in ceramic engineering, and it furthers the student's interest in the Department of Ceramic Engineering at North Carolina State College.

ROBERT F. STOOPS

GEORGE A. KNIGHT
President

Keramos, the national professional ceramic engineering fraternity, was founded in 1902 at Ohio State University, and is the oldest professional engineering fraternity in the world. While the organization is strictly professional in nature, the requirements for membership are as high as most of the honorary societies, and it permits the wearing of the key by honor students. Membership is offered only to students in the Department of Ceramics or Ceramic Engineering who have a good scholastic record, a good character record, and who give promise of making good in industry.

Horticulture Club

The purposes of the State College Horticulture Club are to foster closer relations between faculty and students; to promote advancement of practical and scientific horticulture; to provide an incentive for the annual horti-

culture exhibit at the Ag Fair; to provide a measure of recreation accomplished through frequent meetings with qualified speakers, slides and moving pictures.

The Society of Industrial Engineers is the fastest growing campus organization in parallel with the fastest growing engineering department. The S.I.E. was founded in January, 1947. Meetings are held every two weeks to hear speakers in closely allied fields and to take care of

club business. The project for this year is to contact other schools that teach industrial engineering and endeavor to organize a national S.I.E. The main purpose of the S.I.E. is to be the connecting link between the private and academic lives of the students and faculty.

Society for Advancement of Management

The Student Chapter of the Society for Advancement of Management is both an honorary and professional society. Members are registered either in industrial engineering or textile management. The society is the recognized national professional society of management people in industry, commerce, government, and education. Representing no special interest, it is motivated by a selfless

zeal to spread the benefits of scientific management wherever management is required. The society has adhered to the purpose of helping executives approach all phases of the management problem—production, distribution, finance, administration, and industrial relations in the engineering manner.

American Society of Heating and Ventilating Engineers

The North Carolina State College Student Branch of the American Society of Heating and Ventilating Engineers has completed a most successful year since its installation May 7, 1948. At present the branch has 40 members who are actively interested in heating, air conditioning, ventilating and allied heat transfer problems.

During this year the Placement and Program Committees have done much to promote a greater interest in the engineering student body at State College by the practicing engineers, architects, and heating equipment manufacturers.

The object of Sigma Tau Sigma is to instill in textile students a desire for higher standards in scholarship. The requirement for membership is based upon scholastic standings. It is a local honor fraternity, having been organized at State College in 1928. The Sigma Tau Sigma Scholarship Cup is given each year to the senior in textiles who has the highest scholastic average. The Greek letters composing the name of the fraternity represent the words Society of Textile Scholarship.

FACULTY MEMBERS

Dean M. E. Campbell, Dean Thomas Nelson, T. R. Hart, A. H. Grimshaw, J. T. Hilton, W. E. Shinn, J. F. Bogdan, E. B. Grover, G. H. Dunlap, A. C. Hayes, C. B. Sink.

Phi Psi

Phi Psi Fraternity is a professional textile fraternity, the objects and aims being: first, to promote good fellowship among men of textile schools and the textile industry; second, to encourage a high standard of textile work; third, to assist, by every honorable means, the advancement of its members.

Eta Chapter at North Carolina State is the largest chapter in the fraternity, in parallel with the largest textile school in the world. During 1948-49, the chapter

took part in arranging a display of student work for the national Phi Psi convention; conferred honorary degrees upon two outstanding men in the textile industry, and awarded the Phi Psi Award to the outstanding textile student at N. C. State College for 1948-49. Social activities of the group include participation in the annual AG-EN-TEX Dance and the annual banquet, at which time a cup will be awarded to the Man of the Year in the Textile Industry.

Tompkins Textile Society

Through its bi-monthly meetings, the Tompkins Textile Society endeavors to stimulate further the students' interest in textiles and to bring the student body and faculty closer together through mutual respect and friendship. To achieve these aims, men from various phases of the industry are invited to discuss with the society their

particular branch of textiles, often supplementing their lectures with films and displays on the subject entertained.

The annual "Lint Dodgers' Ball, which is sponsored by the Tompkins Textile Society, is the highlight of the year and enjoys one of the top positions on the social calendar.

Delta Kappa Phi is the oldest professional textile fraternity in America, having been founded in 1899 at Philadelphia Textile Institute.

Around a nucleus of 17 charter members, Kappa Chapter was instituted on May 14, 1948. During the Fall term, 26 new members were added to the roster. Of the total membership, 4 are faculty members.

Climaxing the fall initiation, a banquet was held, at which time a picture of Professor Albert H. Grimshaw was presented by the chapter to Dean Malcolm E. Campbell, who accepted the gift for the Textile School.

GEORGE W. SLEDGE
Chancellor

The Fraternity of Alpha Zeta was founded at Columbus, Ohio, on November 4, 1897. The North Carolina chapter, established January 30, 1904, was the eighth of forty-five chapters. In the words of its founders, "Alpha Zeta was established neither as an honorary society nor as a social fraternity, but as a professional fraternity in whose membership shall be combined the qualities of high scholarship, fine fellowship and sound character. These are the vital qualities of real leadership, and it was the actual and potential leadership in the field of agriculture for which the fraternity was established to encourage and develop."

The Ag Club is the largest campus organization and is open to all students who register in the School of Agriculture and in the Department of Agricultural Education. It strives to bring the members of various departments in the school together in understanding each other's problems. The chief projects of the club for the year were the Student Ag Fair and the annual Livestock Day.

The Ag Club has developed an attractive and well balanced technical publication, *The Agriculturist*, which is published by the students. The social activities of the Ag Club include the annual Barnwarming and Ag Picnic. The Ag Club has gone a long way in contributing to a well-developed education for agricultural students at State College.

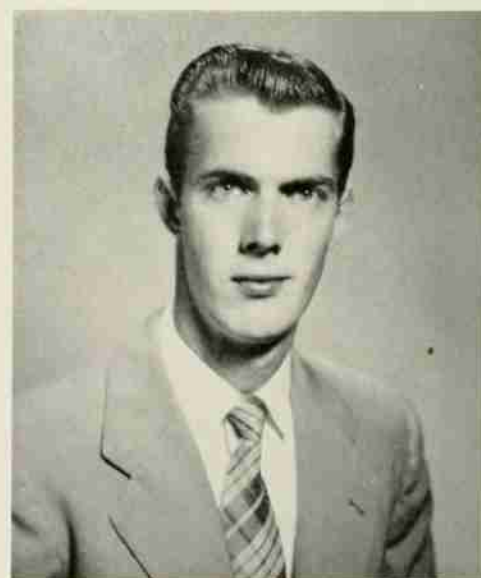

Future Farmers of America

The chapter was first organized in 1939, and was re-activated in 1946. The purpose of the organization is to develop leadership, encourage recreational activities

for students in vocational education, and encourage co-operative effort among the students.

TOMMIE N. STEPHENS
President

American Society of Agronomy

The Agronomy Society endeavors to foster better relationships between Agronomy students and faculty. At the annual fall term initiation, twenty-nine new members were initiated into the society. This group also sponsors

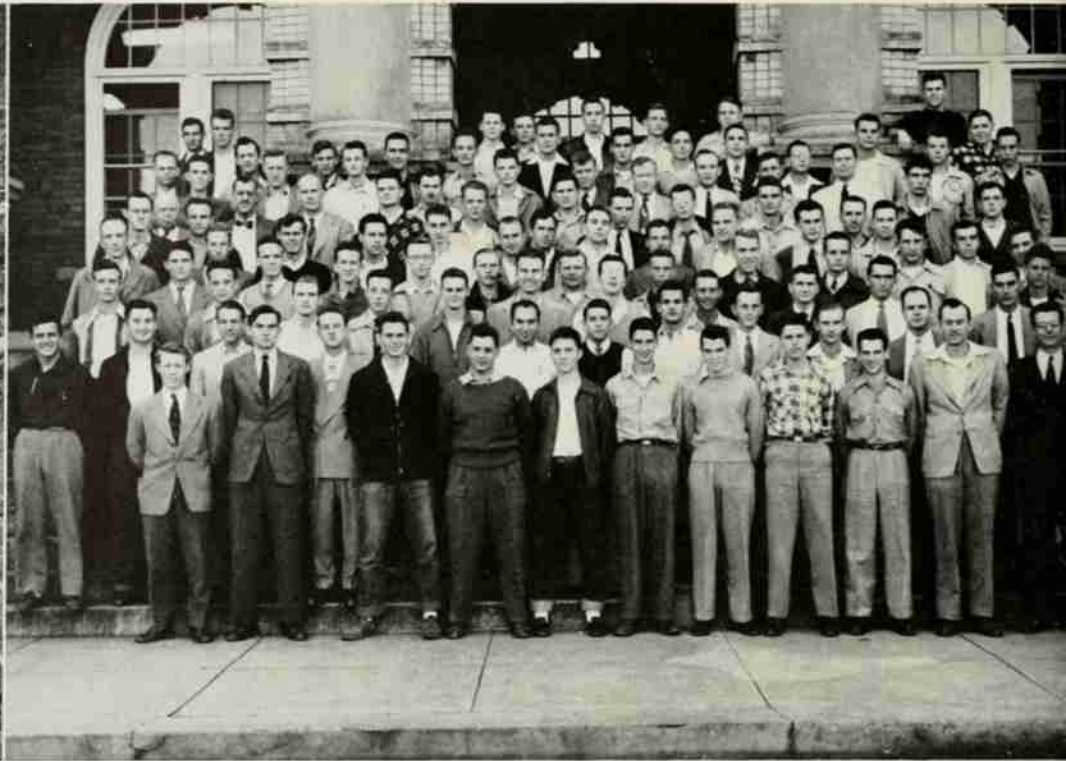

an exhibit in the Ag Fair each fall and participates in the National Agronomy Society essay contest each winter. In the spring, students in Agronomy conduct a week-long statewide field trip to experiment stations and agricultural areas.

GROVER C. DOBBINS
President

Forestry Club

The State College Forestry Club meets once each week during the regular school year. The club was started to promote better relationships between the students and faculty and between members of the different classes; the club also presents programs which are meant to be both educational and entertaining.

The club sponsors an annual "Rolleo" at the Hill Forest, where teams from the different classes compete in axe-throwing, tobacco spitting, log-bucking, tree felling, horseshoe pitching, and other events for "Rolleo" cham-

pion of the year. A "Loggers' Ball" is the outstanding event of the social program of the club, which includes picnics and other outings.

The Forestry Club sponsors the publication of the *Pi-Ne-Tum*, which is an annual of the Forestry School distributed to each alumnus and student of forestry. *Slabs and Edgings* is a mimeographed sheet that is published by the club twice each term; it contains articles and news of particular interest to students of forestry.

Xi Sigma Pi

Xi Sigma Pi recognizes outstanding students in the School of Forestry by initiating them to membership each year.

During the spring term, the outstanding senior forestry student and the outstanding freshman student are appropriately honored by the fraternity.

This organization endeavors to sponsor a nationally known speaker during the current school year.

Cadet Officers' Association

The Cadet Officers' Association is an organization composed of first and second year advanced military students in the Reserve Officers' Training Corps at North Carolina State College. Membership in the organization is limited to cadet officers and reserve officers pursuing their course of study at this institution.

The purpose of the organization is to encourage and promote in advanced R.O.T.C. students a greater interest in this college, community, and country. The Military Ball, one of the highlights of the college social calendar, is sponsored by the Cadet Officers' Association.

American Association of Textile Chemists and Colorists

The N. C. State College chapter of the American Association of Textile Chemists and Colorists was re-activated in 1947 after a dormant period during World War II.

The function of the local chapter is to bring about closer contact between the students of textile chemistry and the textile industry. During the year, specialists in textiles and allied fields are invited to lecture to the

organization. In this way it is possible to correlate the theory with practical application.

The objects of the organization are: "To promote increase of knowledge of the application of dyes and chemicals in the textile industry; to encourage, in any practical way, research work on chemical processes and materials of importance to the textile industry; and to establish for the members channels by which the interchange of professional knowledge among them may be increased."

Aquinas Club

The Aquinas Club has organized study groups for the settlement of Catholic questions that frequently arise in the minds of students in a secular college. Questions were also cleared up pertaining to circumstances that arose in the classrooms.

Greater unity was achieved by the club this year, as was indicated by the attendance of the club's events.

Communion breakfasts were held at the Sacred Heart Cathedral as well as several dances which were well attended.

Baptist Student Union

The Baptist Student Union strives through its Executive Council to meet the needs and to promote the interests of the Baptist students in State College. Outstanding events in the program have been building and equipping a camp; conducting discussion groups each term during the year; staging parties and joint meetings with Meredith, W. C., and other nearby colleges; publishing a monthly paper, *The Campus Christian*; and promoting various mission projects in the city.

Lutheran Student Association

The purpose of the Lutheran Student Association of N. C. State College is to stimulate and sustain students in using the Bible privately and in groups, in prayer, in regular church attendance, and frequent reception of holy communion; to encourage students in the study and appreciation of the Church's message and in loyal participation in the Church's work by personal activities

and gifts; to develop healthy social life and strong Christian friendships; to develop a conscious need of Christ in facing modern life and problems, to co-operate in holding intercollegiate conferences in order to assist students on every campus to accomplish those purposes; to build up a national and international fellowship of Lutheran students.

The American Institute of Mining and Metallurgical Engineers is a society whose membership is composed of all students enrolled in the curriculum of Geological Engineering. Meetings are held monthly during the school year, and programs are planned which will aid the student in his study of geology. Movies are frequently shown which deal with some phase of engineering geology. Several field trips are also planned for the year to give each member some idea as to what he will encounter after graduation.

American Society of Agricultural Engineers

The North Carolina State College Chapter of the American Society of Agricultural Engineers was reactivated in 1948 after being inactive during the war. The objects of this chapter are to foster a closer relationship between students in agricultural engineering; to encourage leadership; to acquaint the students with

the activities in the field of agricultural engineering; and to promote a greater interest in the profession. The chapter meets weekly during the school year and holds one social each term. This fall, members of the society constructed an exhibit for the North Carolina State Ag Fair which won first prize.

Chi Epsilon is a national professional Civil Engineering fraternity, based on the broad objective of increasing the efficiency of the profession as an instrument of social betterment. Chi Epsilon was organized to recognize those characteristics of the individual engineer deemed fundamental to the successful pursuit of an engineering career, to aid in the development of those characteristics in the undergraduate engineer, and to foster the development of sound traits of character and technical ability among engineers, thereby working toward a higher standard of service offered to humanity by the profession.

Cosmopolitan Club

The newly-formed Cosmopolitan Club unites the foreign students of State's "international settlement" in a group formed for the purpose of meeting socially and for promoting athletic events not included in the regular intramural program of the school.

A varsity soccer club has been organized with the assistance of Prof. DeGroat, and a fencing team is being planned. The club's social activities include several evenings at Dean Anderson's home, a party sponsored by the Rotary Club of Raleigh, and a supper for the officers sponsored by the Rotary Club of Smithfield.

BETA TAU CHAPTER

Sigma Nu originated from the Legion of Honor, a secret society organized in 1868 at the Virginia Military Institute. The four founders were moved by idealistic hopes, and they founded a society which would inculcate honor and mutually benefit its members. Since its founding the fraternity has prospered, and at the present time there are 102 active chapters throughout the country.

It is the oldest fraternity at State College, Beta Tau Chapter having been installed here in 1895. The purpose of its founders was "to establish through the warm friendships of a group of congenial college men, on the foundation stone of honor, ideals of intellectual achievement, character, and social development, all to the end of becoming better men and better citizens."

BETA UPSILON CHAPTER

Although Kappa Sigma was founded at the University of Bologna in 1400, it was not established in this country until 1869. "Five Friends" and "Brothers" founded the first chapter at the University of Virginia, and since then Kappa Sigma has expanded until it now has 117 active chapters in the 48 states and Canada, with over 100,000 living alumni. Beta Upsilon was established at North

Carolina State in 1903 and has initiated 329 men. A typical example of Kappa Sigma's projects is the annual Easter egg hunt for entertaining underprivileged children. Two periodicals are published by the fraternity, namely *The Caduseus*, a monthly magazine for its members, and the *Star and Crescent*, a secret quarterly publication.

ALPHA OMEGA CHAPTER

Kappa Alpha was founded at Washington and Lee University in 1865 to perpetuate the Southern ideal of gentlemanly character by Robert E. Lee, its spiritual founder. The fraternity is patterned on an order of knight-hood, and members are expected to conform to the discipline of the order and cultivate the graces of Southern Gentlemen.

Kappa Alpha restricts its field to colleges and universities south of the Mason-Dixon line. At present there are 70 chapters within the order.

Alpha Omega Chapter was chartered at North Carolina State College in 1903, being the second oldest fraternity on the campus. The chapter publication, "*The Rose and Magnolia*," has been published periodically since 1941.

ALPHA EPSILON CHAPTER

During the early spring of 1868, the friendship of six students at the University of Virginia grew into Pi Kappa Alpha. From this beginning, eighty years ago, the fraternity has branched out to form ninety-two fraternal

chapters. Alpha Epsilon was given its charter in October, 1904, and annually presents the PiKA Ball at North Carolina State. This year will be the forty-first presentation of the Easter Monday Dance.

NORTH CAROLINA BETA CHAPTER

Sigma Phi Epsilon was founded at Richmond College, Richmond, Va., in November, 1901. The parent chapter selected a heart-shaped badge and were at first called the "Sacred Hearts." North Carolina State's chapter was

the thirteenth chapter in the nation to be organized. This year N. C. Beta of Sigma Phi Epsilon has moved to Clark Avenue in their new home, purchased by the alumni association.

RHO CHAPTER

Delta Sigma Phi, international social fraternity, was founded on Dec. 10, 1899, at the College of the City of New York. At the present time there are over sixty active chapters comprising a membership of 30,000. Rho Chapter is an outgrowth of the local fraternity, Gamma Alpha Nu Gamma, commonly called "The Gang." On May 20, 1915, twenty of these members were given a charter to Delta Sigma Phi, forming Rho Chapter.

The spotlight during the past year fell on two main social events. First was the formal annual Founder's Day

Banquet, which was held in December at the Woman's Club, and then in the spring came the annual Sailor's Ball. The *Carnation*, which appears quarterly, is the official publication of the "Delta Sigs."

The purpose of the Delta Sigma Phi is to give its members that intimate fellowship with men of good character so necessary to their full development and to supplement their cultural and professional education with training in those qualifications for citizens and leadership which are not directly a part of the university function.

NU CHAPTER

Alpha Gamma Rho is a national social fraternity, and was founded in 1908 at Ohio State University for the purpose of developing the best social, mental, moral, and physical qualities in each fraternity brother, and to promote a wider acquaintance and a broader outlook on the part of agricultural men through fellowship in a national organization. There are now 31 active chapters of Alpha Gamma Rho. Nu Chapter, before becoming national in 1919, was the local fraternity Theta Beta.

One of the highest aims of Nu Chapter is outstanding scholarship, and all members are expected to develop a

high standing. The national organization awards annually to the chapter with the highest scholastic average a plaque, which has been won by Nu Chapter four times. Nu Chapter has also won the Interfraternity Scholarship Cup seven times in the thirteen years that it was awarded.

To strengthen the bond of friendship, Nu Chapter sponsors house parties, fellowship dinners, picnics, and an annual Founder's Day Banquet.

Nu Club, composed of alumni of the chapter, have given their whole-hearted support to chapter activities.

TAU CHAPTER

Pi Kappa Phi was founded at the College of Charleston in South Carolina, Dec. 10, 1904. It was a concrete and permanent result of a friendship that had flourished since the elementary school days in the environs of one of the South's oldest towns. With the definite purpose of extending the influence of the organization, the incorporation as a national fraternity took place in 1907. The purpose of the fraternity is "to promote fellowship and

mutual trust among its members, to uphold the ideals and traditions of the college where its chapters are located, to encourage excellence in scholarship and to inculcate in its members the highest ideals of Christian manhood and good fellowship."

This year Pi Kappa Phi instituted an annual interfraternity sing to promote cultural interest and competition among the fraternities at N. C. State College.

RHO CHAPTER

Sigma Pi, national social fraternity, was founded at Vincennes University, Vincennes, Indiana, Feb. 26, 1897. The purpose of its founders was "to organize the most worthy activities, social, athletic, and scholarly, and to set a high standard of manliness and college loyalty." The fraternity now has forty-three active chapters located throughout the nation.

Rho Chapter, formerly the local Sigma Chi Gamma, was installed at State College in 1921. The chapter owns

its own chapter house located at 2513 Clark Avenue, two blocks from the college campus. The event of the year for the fraternity is the annual Founder's Day Banquet, held this year on Feb. 26 at Teel's Supper Club. The formal event was in celebration of the founding of the fraternity, supplemented with the presentation of the award for the outstanding pledge of the year, and climaxed with crowning of the Orchid Girl of Sigma Pi for the year.

CHI CHAPTER

Phi Kappa Tau, national social fraternity, was founded in 1906 by four outstanding students of Miami University, Oxford, Ohio. The fraternity and its ideals were drawn up by Dwight I. Douglas, William H. Shideler, Taylor A. Borradaile and Clinton D. Boyd. Chi Chapter at North Carolina State was granted its charter in 1923. Before that time the chapter was a social fraternity made up of outstanding textile students. The local was called

Phi Psi Lambda. Phi Kappa Tau was founded to break up a monopoly on student elections which were held by fraternity unions. The growth of the fraternity has been slow but consistent. Phi Kappa Tau numbers 56 active chapters throughout the country. There are 31 alumni chapters located in the larger cities throughout the country.

GAMMA UPSILON CHAPTER

Founded at Boston University in 1909, Lambda Chi Alpha Fraternity has expanded until it is now the largest national fraternity, with one hundred and thirty active chapters located at prominent colleges in the United States and Canada. Lambda Chi Alpha employs four full time traveling secretaries who aid and advise the local chapters. This year an alumni secretary who assists alumni

organizations and who co-ordinates a job-placement program was installed. The "Cross and Crescent," the fraternity magazine, is published seven times annually. Other Lambda Chi Alpha chapters in the state are located at Duke, Wake Forest and Chapel Hill. The local chapter sponsors the annual Fraternity Bridge Tournament and a Christmas party for underprivileged children.

BETA BETA CHAPTER

After World War II, when the National Chapter of Alpha Lambda Tau failed to reactivate, the members of Zeta Chapter at North Carolina State College voted to join a strong national fraternity. Tau Kappa Epsilon was petitioned and Beta Beta Chapter of Tau Kappa Epsilon was installed at North Carolina State College on Jan. 19, 1947.

Aided by a strong alumni, Beta Beta Chapter has continued to grow steadily. During the past year the chapter house has been painted and redecorated, many new members have been initiated, and a chapter newspaper has been distributed regularly among alumni and friends. Utilizing a small budget, Tau Kappa Epsilon won second place in the homecoming decoration contest.

The chapter owns its own house at 10 Enterprise Street.

SIGMA OMEGA CHAPTER

Sigma Alpha Mu was founded at the College of the City of New York on Thanksgiving Eve, Nov. 26, 1909. The founders, eight men who pledged themselves to a lasting bond of friendship, had no idea of the vast organization that would flower from the seeds they had planted. The object of the fraternity as expressed in its constitution is "to foster and maintain among its sons a spirit of mutual moral aid and support, to install and maintain in the hearts of its sons love for and loyalty to Alma Mater and its ideals, to inculcate among its sons such ideals as will

result in actions worthy of the highest precepts of true manhood, democracy and humanity."

Sigma Omega Chapter of Sigma Alpha Mu is the outgrowth of a local fraternity, Theta Phi, which had its beginning in 1929. From its inauguration, the fraternity has always maintained high standards of scholarship and conduct. This year Sigma Omega Chapter is proud of the purchase of its new home located at 304 E. Park Drive.

DELTA EPSILON CHAPTER

Sigma Chi Fraternity, the nineteenth college fraternity to be founded and the third at Miami University, Oxford, Ohio, established its constitution on June 28, 1855. Today Sigma Chi consists of 113 active chapters and 120 alumni chapters.

The Delta Epsilon Chapter at North Carolina State was installed on May 15, 1943, after two years' existence as a local fraternity known as Chi Sigma. The numerous functions held during the year were highlighted by the chapter's participation in the initiation of the Delta

Nu Chapter at Wake Forest College. Other activities included a Christmas party for young orphans, assistance in charitable drives throughout the state, the purchase of a new home, and the maintaining of scholastic and athletic leadership. The year's most outstanding social event was the sixth annual Sweetheart Ball and Banquet.

For the third consecutive year, Delta Epsilon was honored by being awarded the North-South Province Scholarship Award.

N. C. ALPHA CHAPTER

Sigma Alpha Epsilon was the first of the great line of Southern fraternities. Founded at the University of Alabama in 1856, Sigma Alpha Epsilon, now the second largest national fraternity, has always been a leader in the Greek world.

The membership of Sigma Alpha Epsilon consists of 119 active collegiate chapters and 120 active alumni chapters, and the fraternity points with pride to its 64,000 living alumni. SAE leads the Greek world in the number of chapter houses owned, the number of initiates and the number of living members. *The Record*, quarterly

publication of Sigma Alpha Epsilon, has a circulation of 56,000 copies, the largest of any fraternity publication.

Sigma Alpha Epsilon holds a leadership school each year for the training of fraternity leaders. This idea, another SAE "first," has been adopted by several other fraternities to their great benefit.

North Carolina Alpha is the third newest chapter of the fraternity, and it has been on the State College campus since Oct. 24, 1947. Since that time, SAE has taken its rightful place among the other great fraternity chapters of the campus and is doing its part in proving the greatness of the American Greek-letter fraternity.

ALPHA CHAPTER

In November of 1946, 13 State College students banded together to form the Alpha Chapter of Phi Epsilon Tau. The incentive for the new local fraternity was based on the progressive ideals of the group and the deeply rooted fraternal spirit the charter group had for each other.

During the winter of 1947, the local fraternity purchased a house at 207 Park Avenue. The entire year of 1948 was devoted to extensive remodeling and redecorating of the new chapter's home. During the fall semester of this academic year the fraternity had its formal housewarming.

Phi Epsilon Tau presents its New Member Weekend in May of every year. The weekend is dedicated to the newly accepted members of the fraternity. The Installation Banquet and the New Member Ball are the features of the weekend.

Phi Epsilon Tau had the highest ranking fraternity scholar and was awarded the Interfraternity Individual Award Scholarship Cup for the year 1948.

The future of Phi Epsilon Tau looks very bright as the fraternity grows in number and continues to achieve high scholastic and athletic honors.

ATHLETIC ADMINISTRATION

On August 1, 1948, Roy B. Clogston of Canton, N. Y., assumed his duties on the West Raleigh campus as Director of Athletics. He is a graduate of Springfield College, Springfield, Mass., where he was a star lineman on the football squad and played lacrosse and performed on the track team.

After graduation, he accepted a post at Middlebury College in Massachusetts as assistant director of physical education, after which he returned to Springfield and completed work on a B.S. degree in 1931. The following year, he attended N.Y.U., where he received his master's degree. At present he is completing work on a doctor's degree from N.Y.U.

Clogston became Director of Athletics at St. Lawrence U. in 1932 and held that post until his entrance into the Navy in 1942. On Guam Mr. Clogston made the acquaintance of former Backfield Coach Babe Wood, who probably turned the new Director's head toward N. C. State.

Following his discharge in 1945, Clogston returned to St. Lawrence as Head Football Coach and Director of Athletics. Three years later, Mr. Clogston came to State College to handle the office of Director of Athletics.

FOOTBALL

BEATTIE FEATHERS
Head Coach

SLAVE DRIVERS

Beattie Feathers played his first football for Bristol High in Bristol, Virginia, where he made All-State four years and All-Southern two seasons. Answering the call of Bob Neyland, he starred at the U. of Tennessee for four years. Professional ball came as a natural for Feathers. Four years with the Chicago Bears, two with the Brooklyn Dodgers, and a season with the Packers composed his pro stint. After a year as backfield mentor under Doc Newton, Feathers took over as head coach in 1944.

Walt Slater took over Babe Wood's job as backfield coach in 1948. Like many of State's coaches, Walt attended the U. of Tennessee in '42 and '43. Back from the war, Slater finished out his football at Tennessee in 1946. One year of professional football with the Pittsburgh Steelers preceded Slater's appearance on the State College campus.

Charles Ramey came from Ashland, Ky., where he was athletic director and head football coach, to take over end coach duties with the Pack. Coach Ramey gained football mentor fame when his 1942 Ashland Tomcats won the state crown, and he was named "High School Coach of the Year."

Line Coach Al Rotella came to State straight from the U. of T. Al started his football career at Paterson, N. J., High, continued at Tennessee in '41 and '42, and then went to the Army. After the war, Coach Rotella returned to Tennessee and finished his schooling. He stayed with the Vols in '47 as Assistant Line Coach and then came to State in time for spring practice in '48.

Front row: Davis, Cegelis, Watts, Barksdale, Joyce, Tafaute, Martin, Saunders, Malk, Harding, Burnett, Musser, Byler.

Second row: Cheek, Miller, Romanowsky, Simon, Maddox, Dostanko, Costa, Swart, Schacht, O. Smith, Beaver, Blomquist.

WE WUZ ROBBED!

In the first game of the season, the Wolfpack got off to a good start by holding Duke to a scoreless deadlock; 20,000 fans saw the two teams move up and down the field, only to lose the ball when the goal line came into view.

The final score told the complete story with its tied count. State had nine first downs to ten for the Blue Devils, and the Wolfpack gained 177 yards while Duke was picking up 178.

Tailback Gwyn Fletcher and fullback Dick Johnson were the consistent gainers on the ground, while Ogden Smith and Bill Thompson led State's passing attack. "Chuck" Musser, "Dusty" Dostanko, and Bob Bowlby were outstanding performers, but easily the most noticeable man on the field was State's Bernie Watts, All-American Honorable Mention guard.

Watts, a 175-pound Junior, repeatedly broke through to smear Duke backs and throw them for big losses. The rugged little guard blocked Folger's first punt of the game and played great ball all afternoon.

The two most spectacular plays of the game were Fletcher's 71-yard punt that rolled dead on the Duke one-yard line, and Roland Simon's one-handed pass-catching exhibition.

Captain Oscar Bozeman, fullback Bob Smith, and end Freddie Miller all turned in good performances for the Pack. Jack Mounie was Duke's offensive star with 60 yards in ten tries, with tackles Allen and DeRogatis leading the Blue Devil defensive play.

Third row: Bowlby, B. Smith, Thompson, Fletcher, Eveland, Kirmeyer, Carlson, Johnson, McLeod, Tencick, Turner, Lesko.

Fourth row: B. Musser, Manager; Mooney, Webb, J. Smith, Bozeman, Captain; Goodman, Hart, O'Rourke, Brown, Fitzgerald, Turbyfill, Flowers, Angel, Joyner, Manager.

Thompson Gives 'Em The Slip
Kirmeyer Ballets

EVEN THE REFEREES-

In their first night game of the season and the second straight Southern Conference tussle, the Wolfpack pushed the ball everywhere except into the end zone in losing a heart-breaker to the undefeated Clemson Tigers, 6-0.

Although they led in all statistics, the Pack was unable to generate the necessary scoring punch, and stalled on the 14, 4, and $\frac{1}{2}$ yard lines in three different long drives to the goal. The Tigers threw up a stubborn ten-man line and just wouldn't move.

Ed Mooney shifted to tailback from his regular wingback spot after Fletcher broke his nose in a desperate last-minute tackle which kept Clemson's Fred Cone from scoring. Mooney teamed with Dick Johnson to lead the State running attack. Ogden Smith proved a good replacement for Fotsie Palmer in the booting department as he turned in a 44-yard average for the game.

State's biggest drive came in the fourth period when the Pack travelled 80 yards to the one-foot line before the Tigers clawed the drive to a halt. Clemson took the ball on downs and kept possession until the end of the game three minutes later.

State completed six of 12 passes for 35 yards while Clemson completed only two for six, picking up 15 yards. The Wolfpack churned out 215 yards rushing to 164 for the Tigers, and also led in first downs 11 to 7.

Clemson's lone score came on a 90-yard punt return by Bobby Gage, the Tigers' star halfback, who was touched by only one State player in his jaunt.

The entire State team played well despite the heart-breaking loss to the 1948 Southern Conference Champs.

Johnson Scores

Blomquist Snags a High One

WE FINALLY SCORED

Home again after the Clemson loss, the Wolves went on a scoring rampage to rout Davidson 40-0. Off to a fast start, O'Rourke intercepted a Wildcat pass and started the first State drive. Mooney took it over after he and Bob Smith had driven it to the one.

State's second T.D. came on a 39-yard drive engineered by Bob and Ogden Smith, with Bob plunging over from the four. Shortly after the conversion by Jim Byler, State took possession of the ball again and a Mooney-Bozeman-Bowlby combination paid off for the third score. Mooney passed to Bozeman, Bozeman lateraled to Bowlby, and the Jacobs Blocking Trophy winner scampered 20 yards to pay dirt. The play covered 52 yards and ended the scoring for the first half.

State came back from the intermission with a taste of victory in sight and scored three more touchdowns on the hapless Wildcats. Ogden Smith grabbed a third-period Cat pass and raced 40 yards behind beautiful blocking for the fourth State score. Roland Eveland then came forth to lead the Wolf-pack to the final two scores. First, the speedy back broke through left tackle and wriggled his way for 52 yards and a touchdown. Eveland then came back with a 58-yard run to set up the final score. Ogden Smith passed to Bowlby for 18 and Johnson crashed through center for the final marker. Byler again converted to make the final score read 40-0.

The State backs made the points, but the real heroes were the linemen who kept Davidson bottled up all through the game and cleared the way for the touchdown-bound runners. Bernie Watts, Tony Romanowsky, Chuck Musser, Smo Saunders, and Elmer Costa were the boys who helped hold the Wildcats to a minus-five-yard rushing mark.

CHOO CHOO STYMIED

Ripe from their 40-0 victory over Davidson, the N. C. State Wolfpack played thrilling ball before bowing to the powerful Tar Heels, 14-0.

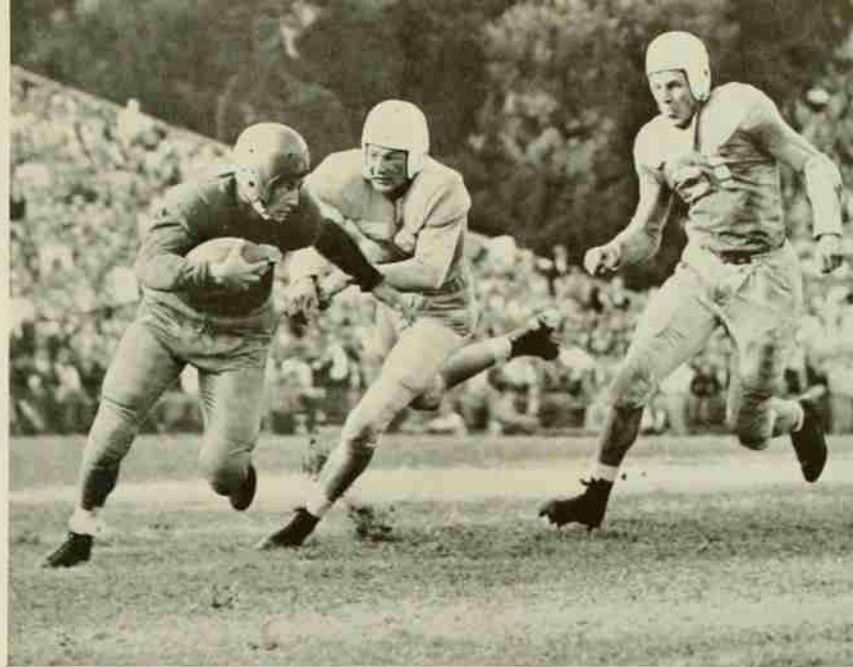

Playing the number one team in the nation, State's defensive Pack reversed things and became an offensive-minded eleven in the first half. Outplaying the Carolina team, State repeatedly drove deep into Tar Heel territory only to be stopped each time a touchdown seemed certain.

Near the end of the first half, Mooney intercepted a pass and returned it to the Carolina 30. Two plays from the line failed to gain and Jim Byler, State's place-kick specialist, tried a field goal. The ball sailed straight and true for the middle of the uprights and State fans were counting the three points when the ball hit the cross-bar and dropped back into the end zone. This heart-breaker took the spark out of the Statemen and the half ended with Carolina in possession in their own territory.

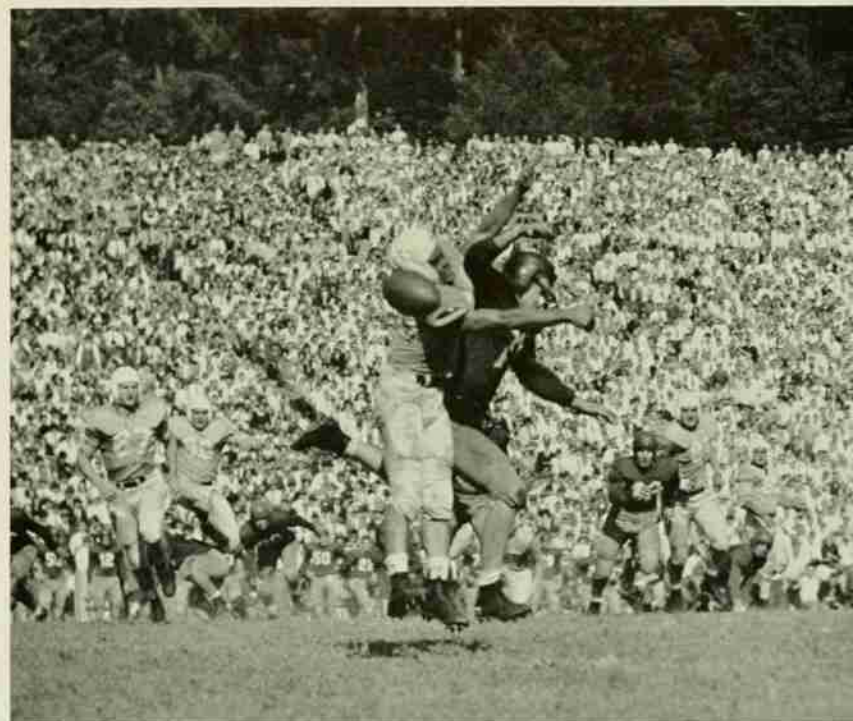

Second-half play opened with an exchange of punts and the Tar Heels finally moving for three first downs to State's 20-yard line. Here the Wolfpack proved why they were defensive best in the nation by stopping the Tar Heels cold.

In a desperation drive, the Carolina team drove 50 yards for their first touchdown. With three minutes to play, All-America Charlie Justice tossed a long last-minute pass to another All-American, Art Weiner, for the final score.

Although the Statemen lost the game, they played the best ball game of the season in holding the powerful Carolina team in check all afternoon.

The Wolves Line Up: Backs, Bozeman, Bowlby, Bob Smith, Fletcher, Line, Miller, Cegelis, Musser, Saunders, Watts, Dostanko, Blomquist.

THE PACK ROLLED

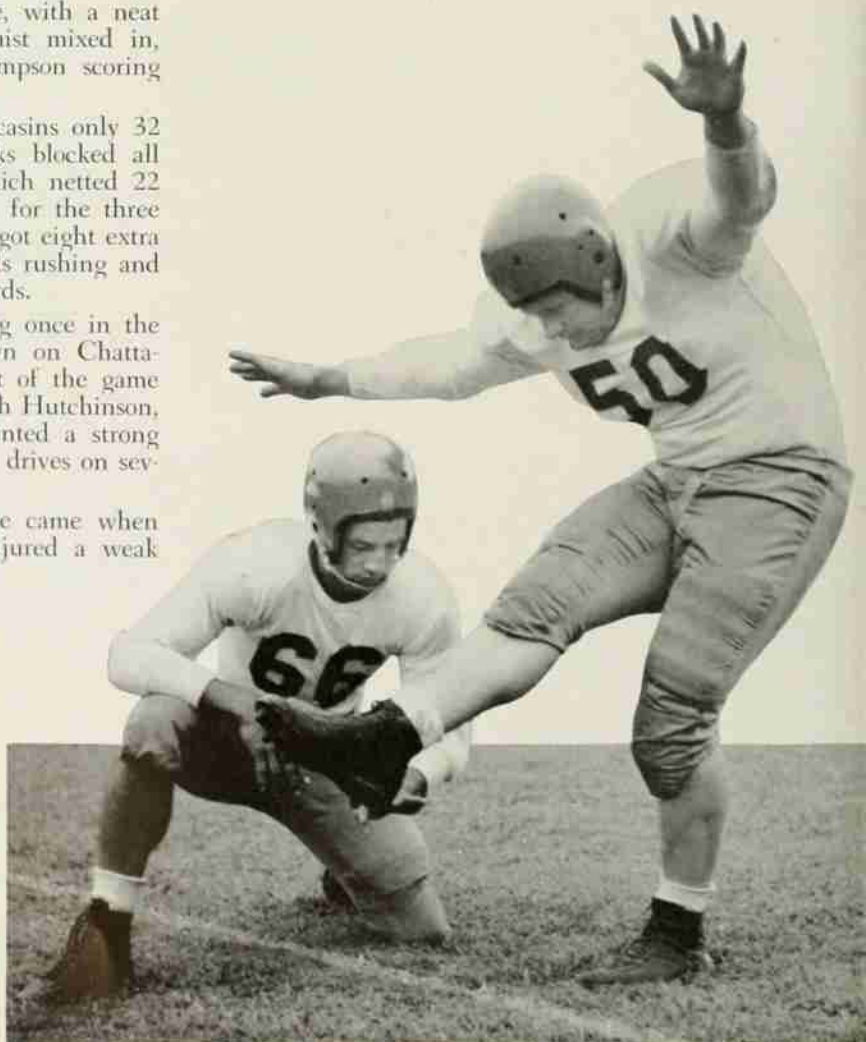

Playing on a muddy field at Chattanooga, Tennessee, N. C. State's Wolfpack ground out a second-period score and stymied the Moccasins all the way to score a 7-0 win. Led by tailback Bill Thompson, the Pack drove 38 yards for the important touchdown. Thompson's smashes off tackle, with a neat 13-yard pass to Buck Blomquist mixed in, featured the drive, with Thompson scoring from the one.

The Pack allowed the Moccasins only 32 yards rushing, while the backs blocked all but four of twelve passes, which netted 22 yards. This yardage accounted for the three Chattanooga first downs. State got eight extra downs by picking up 109 yards rushing and 46 by air for a total of 155 yards.

State's Wolves started rolling once in the third period, but bogged down on Chattanooga's 33, and the last threat of the game was over. Led by Captain Ralph Hutchinson, the underdog Moccasins presented a strong line at times and stopped State drives on several occasions.

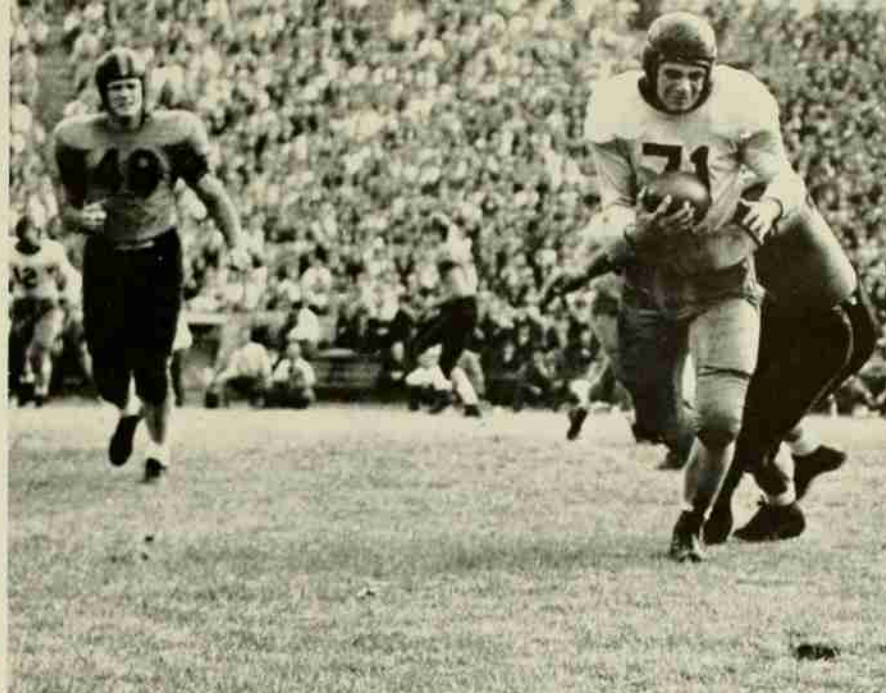

The worst part of the game came when blocking back Bob Bowlby injured a weak

knee. Bowlby missed the next five games due to the injury, but he still had made an impressive showing in the first five games and went on to win the Jacobs Blocking Trophy.

IT WAS A ROUGH SATURDAY

Aw, Leggo!

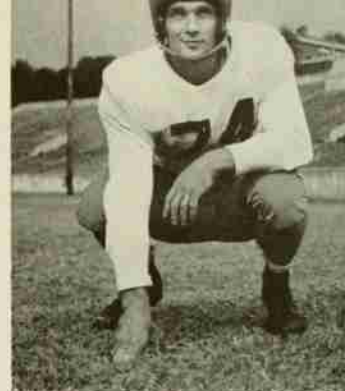

State lost a 34-13 decision to a good Demon Deacon squad from Wake Forest before 23,000 fans in sunny Groves Stadium in what proved to be an exciting but fruitless game for the Wolfpack.

On the second play from scrimmage, the Pack fumbled on their own 30-yard line. In six plays the Deacs scored, with halfback Harry Dowda bearing the brunt of the attack. Again the Pack fumbled on the second play after the kickoff. End Ed Bradley of the Deacons plucked the ball out of the air and raced 17 yards to pay dirt. The Deacons scored again on a spectacular pass play; and, with only 11 minutes of the first period gone, the Deacons held a 20-0 lead.

After getting off to a bad start, the Statemen finally found themselves and quickly scored two touchdowns. Ogden Smith passed to wingback Dick Kirmeyer for the first Wolfpack tally. Kirmeyer made a sensational catch for the score. After end Roland Simon recovered a fumble on the Wake Forest 27, Dick Johnson plunged over to run the score to 20-13. That was all for the Pack in the scoring column.

Wake Forest's final two touchdowns came on long passes, with the Deac ends outdistancing the Wolfpack backs.

Offensively, Ogden Smith, Johnson, Kirmeyer, and "Buck" Blomquist stood out for State. Roland Simon and Tony Romanowsky, along with Bernie Watts, paced the linemen.

IT'S PART OF THE GAME

BURNETTE
Guard

Playing before a Homecoming crowd of 15,000 fans, the State College Wolfpack lost a 21-14 decision to a surprisingly strong University of Virginia eleven in Riddick Stadium.

Taking complete control of the game in the first period, the Pack, led by Bill Thompson and Dick Johnson, racked up an early 7-0 lead.

Midway in the second period, the Cavaliers began to move. On an exchange of punts, Virginia carried to the State 26-yard line. From that point, halfback Barney Gill broke through the State defense to score standing up.

Goodman Skirts The Sidelines

Thompson is Hard to Stop

After a series of punt exchanges in the third period, an aerial tossed by tailback Ed Mooney was intercepted on the Virginia 18 by Bill Sinclair of the Cavaliers. Sinclair carried the ball to Virginia's 46. From that point, two passes by quarterback Michels put the Cavaliers ahead to stay.

Shortly before the final gun, a Cavalier fumble was recovered on the Virginia three by Freshman tackle Elmer Costa. Ogden Smith scored for State to make the final score 21-14.

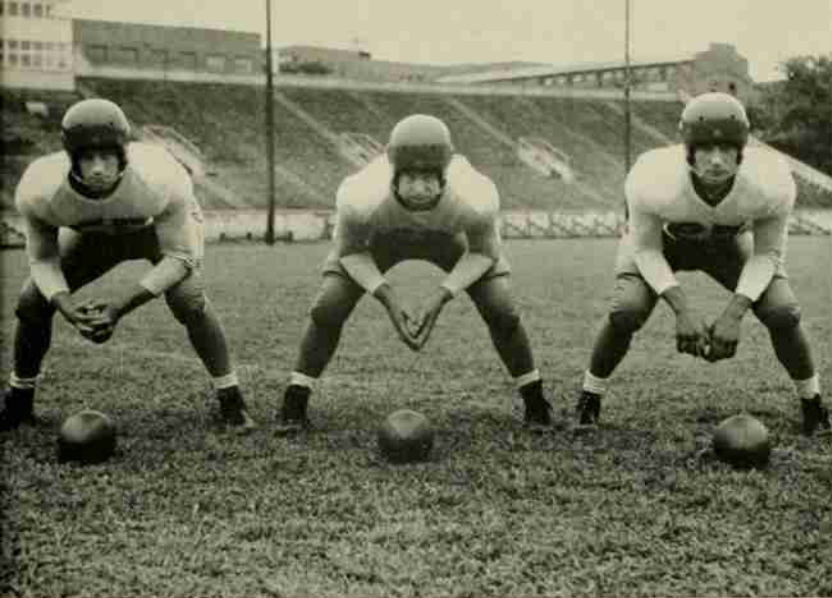

Standouts in the State forward wall were ends Tony Romanowsky, Freddy Miller, and Buck Blomquist, tackle Elmer Costa, and guards Bernie Watts and Chuck Musser. Smo Saunders played his usual fine game at center.

Fred Miller figured in what was probably the most spectacular play of the game. Late in the last quarter, tailback Ogden Smith faded back and threw a 41-yard pass which Miller snagged deep in Virginia territory.

INJUNS HAVE TOUGH SCALPS

Before a large crowd at Williamsburg, Virginia, the Wolfpack lost a tough 26-6 decision to the strong William and Mary Indians.

After a miserable first quarter, the Pack rallied and fought the Indians on even terms for the remainder of the contest. However, Coach Beattie Feathers' squad was unable to overcome the three touchdown lead gathered by the Indians in the first period.

The stout State line succeeded in stopping All-American Jack Cloud but were unable to hold Tommy (The Kid) Korczowski, who ran for one touchdown and passed for two in the first period.

The Pack made its only score when Ed Mooney raced to his right and sent a jump pass straight to Paul Carlson, who gathered the ball in for the score. Ed Mooney, Ogden Smith, and Bill Thompson stood out in the backfield, with Tony Romanowsky, Chuch Musser, and Bernie Watts outstanding linemen.

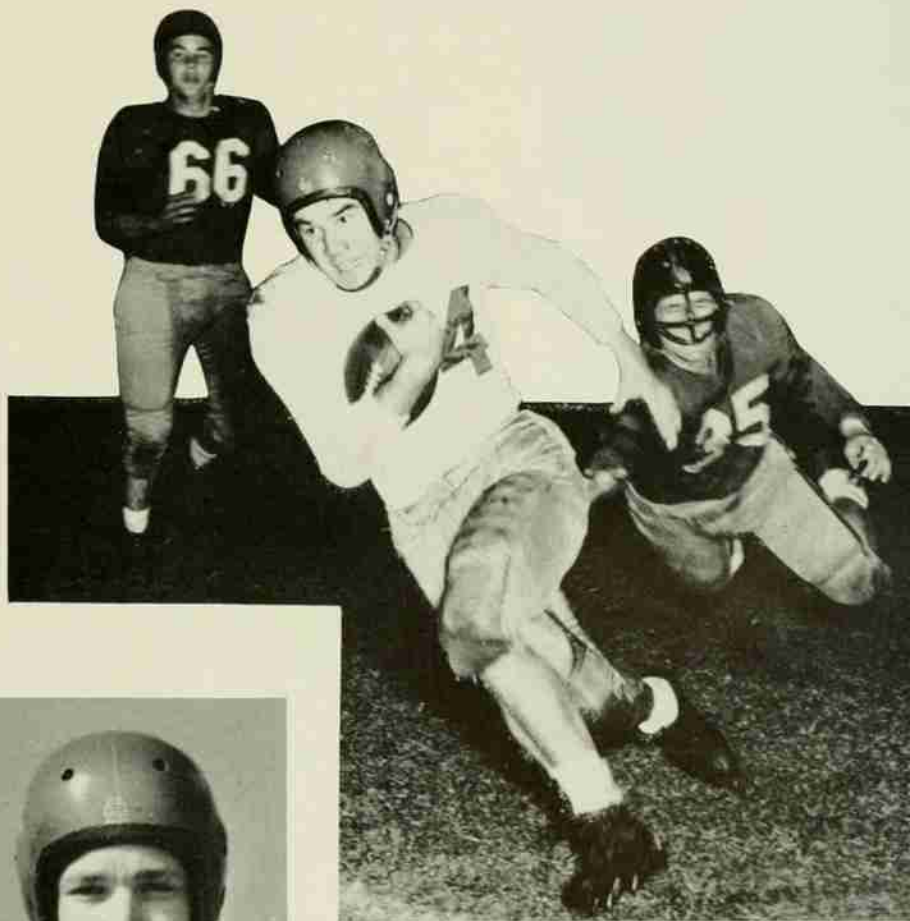

DUKES DETHRONED

Before a thoroughly chilled crowd of 4500 people at Forbes Field in Pittsburgh, Pennsylvania, the Wolfpack bounced back into the win column with a 20-6 victory over the Blue Dukes of Duquesne.

The Wolfpack racked up an early 6-0 lead by virtue of end Roland Simon's interception and run-back of a Len Kubiak pass. Duquesne struck back in the second period with sophomore fullback Ralph Longmore running 48 yards to the State nine on a fake pass and hand-off. Quarterback Kubiak drove over for the tying score. The half ended with the score tied up 6-all.

Sparked by the fine running of fullback Bob Smith and tailback Ed Mooney, and the accurate passing of tailback Ogden Smith, the Pack added 14 more points in the second half to make the final score read 20-6.

Standouts for the Wolfpack were freshman tackles Tom Morse and Elmer Costa, and All-Southern guard Bernie Watts. Chuck Musser and Tony Romanowsky also played excellent games.

WILDCATS TOO POWERFUL

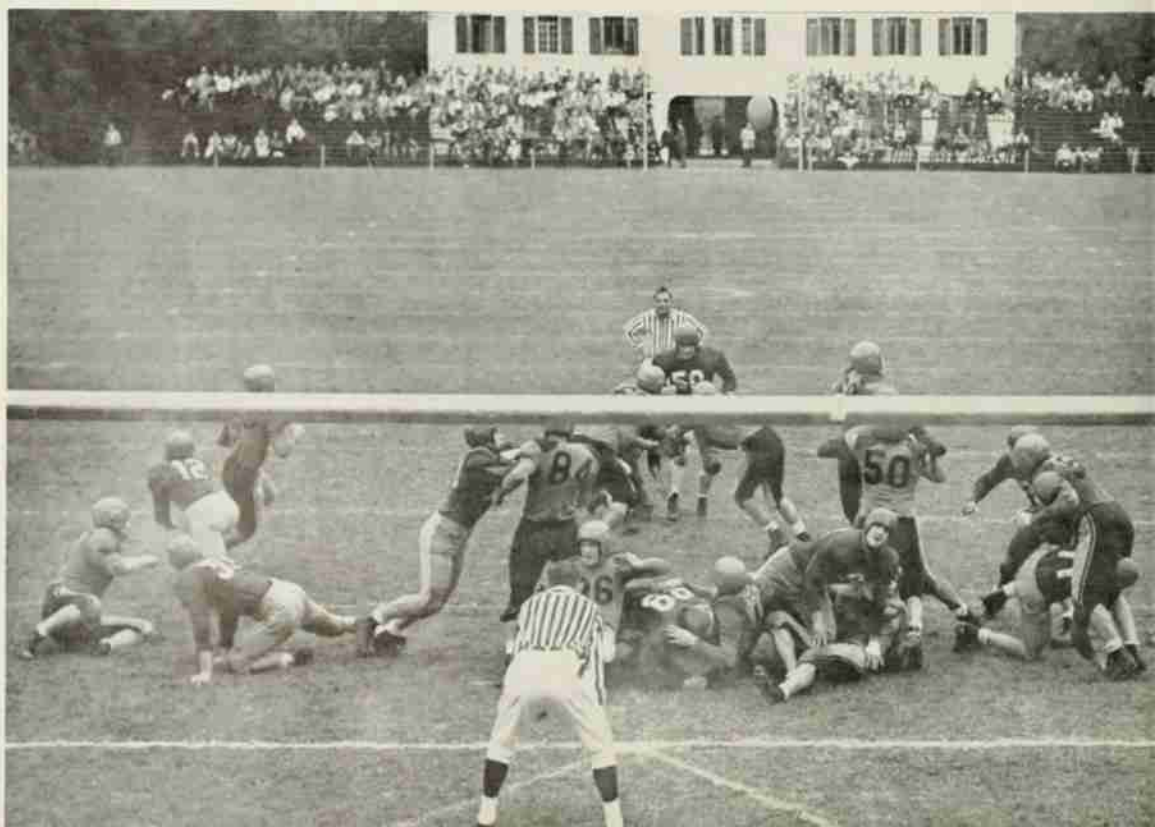

A small crowd of 8,500 fans watched the 1948 edition of the Wolfpack close its season with a 21-7 defeat at the hands of strong Villanova.

Battling on even terms for the entire first half, the Wolfpack held the score to 7-7. Fullback Ralph Pasquariello, a 225-pound giant, plunged over from the six for the first 'Cat tally. The score was set up by a pass-interference penalty imposed on the Pack at State's six-yard line. The only State score came on a pass from Ogden Smith to Bill Thompson. "True Toe" Jim Byler added the extra point.

Early in the third quarter, Bobby Polidor, Villanova's classy halfback, scampered off-tackle for a 50-yard run to put the Wildcats ahead to stay. The big tough Wildcats, losers only to strong Army and Boston College, proved too powerful for the Wolfpack. Rolling up 20 first downs to State's 7 and gaining 260 yards rushing to the Pack's 44, the 'Cats moved almost at will, especially in the disastrous second half.

Outstanding performers for the Pack were Charley Musser, second team All-Southern and an AP All-American Honorable Mention guard, end Tony Romanowsky, and wing-back Bill Thompson.

FRESHMAN FOOTBALL

State fielded a Freshman football team in 1948 for the first time since the beginning of the war. Tom Gould, star Wolfpack tackle for several years, headed the Cubs with Bill Stanton as end coach, Charlie Richkus as backfield mentor, Dick Peacock as center coach, and Jim Rees as head of the linemen.

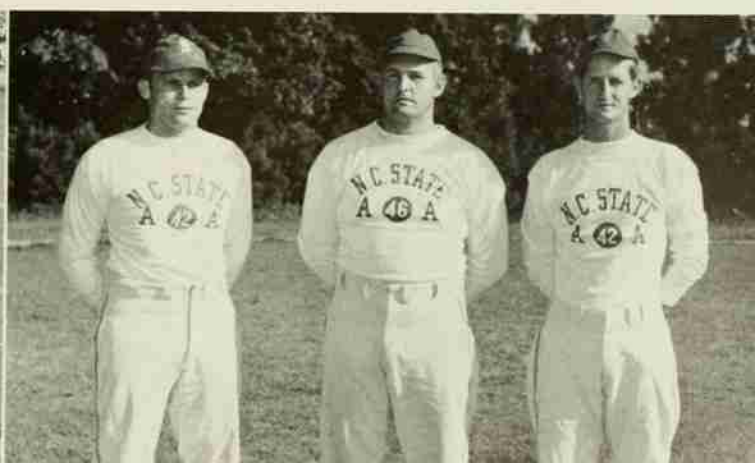

The Cubs opened their season with a 19-7 loss to Wake Forest's Deaclets in Riddick Stadium. In their second game of the year, the Freshmen dropped a close game to Campbell College, 13-6. Carolina's strong Tar Baby squad came to Raleigh to whip the Cubs in Riddick Stadium, 34-6.

Finally breaking into the win column, the Freshmen edged Duke's Blue Imps, 14-13, in Duke Stadium. Paul Dinan showed promise of becoming a great backfield star as he took a Duke punt on State's 20 and swivel-hipped his way 80 yards behind superb blocking for one of the scores. In the season finale, the Cubs whipped Davidson's Wildkittens, 12-6, in a driving downpour in Fayetteville.

BASKETBALL

EVERETTE N. CASE
Head Coach

CASE

Coach Everett Case's history is well known by everyone interested in basketball. He was a basketball coach even before the birth of some of his present players.

Mr. Case's home town is Frankfort, Indiana, where he coached the high school team for many years. Coach Case has probably had a tournament team more often than any basketball coach in the business. Out in Indiana, where tournament basketball is the state's favorite pastime, Coach Case had many winners.

When the war came along, Case entered the Navy and coached some of the best that the Navy had to offer. It was while he was doing coaching duty at Southern California that he met his able assistant, Carl "Butter" Anderson. The two teamed up after the war and came to State to make a championship basketball team out of a group of top-rate ex-G.I. players.

Case's first N. C. State team opened the eyes of the South. A bid to the National Invitational Tournament followed the team's victory in the Southern Conference Tournament. The '48 version of the Case Club also copped the expected Southern Conference crown and received a second bid to the NIT. A third season has just been finished with Coach Case leading his team to another conference championship.

Now the tournament loving coach is planning the biggest basketball dream in the South, the Dixie Classic. This classic and the State College Coliseum will long be a memorial to Coach Everett Case.

THE WOLFPACK SEASON

From the tap-off in the opening game against Hanes Hosiery to the final whistle in the Southern Conference Tournament championship game, State College's 1949 basketball team was under pressure stronger than any it had faced in the history of the game in West Raleigh. The third season under Coach Everette Case was tabbed long before practice started as "The" year for the nationally-famous Wolfpack. Two successive Southern Conference championships and two bids to New York's National Invitational Tournament in as many years branded the Staters as the club to beat. Only one starter on the previous year's team had left the lineup. Captain Leo Katkavek graduated and opened a spot for Vic Bubas, who soon proved that he could handle the defensive tasks for Coach Case.

VIC BUBAS—6 ft. 2 in., Gary, Indiana—A true team man at all times. Deadly with his set-shot, as witnessed in the Carolina game, when he hit for eight of nine shots. Held Coy Carson, one of the conference's high scorers, to one field goal in entire game. Plans to enter coaching field after graduating. A sophomore, has two years more eligibility.

Sammie Slides

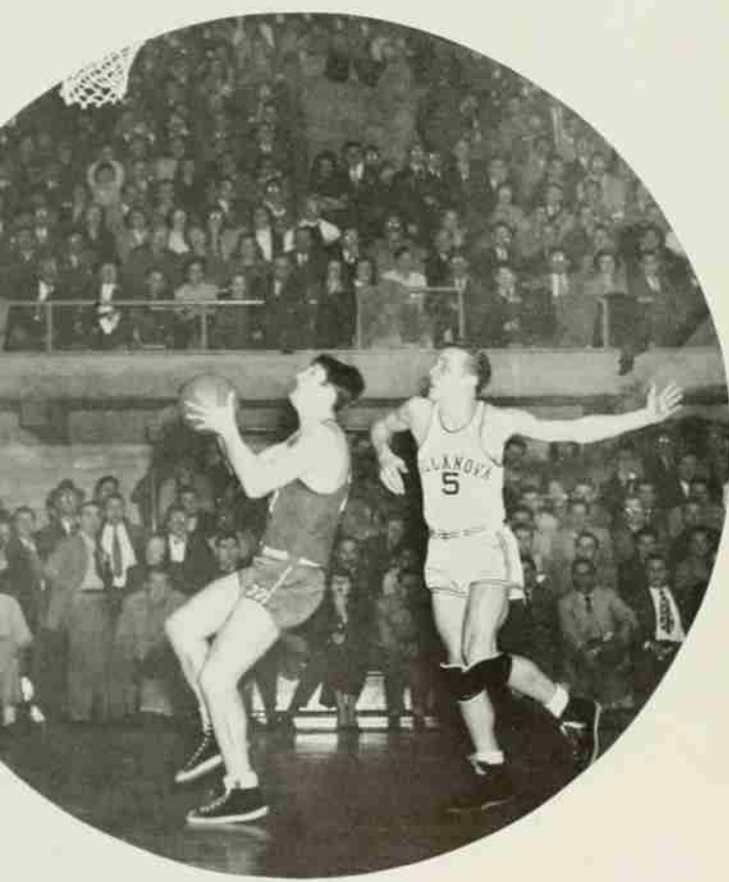

Horvath Hops

DICK DICKEY—6 ft. 1 in., Alexandria, Indiana—Forced to hobble through early season games with a severe Charley-Horse. Marked up his third straight All-Southern selection in '49. Dick's hard drive and excellent defensive play is that extra something that makes a good club great. A junior, one more season with the Pack.

PAUL HORVATH—6 ft. 6 in., Chicago, Illinois—One of club's leading scorers for two seasons he has been at State. Paul is due for greatness with his deadly pivot-shot. Never played high school ball. Cut his hardwood teeth in the Army. Expected to hit stride in next two years with the club. First Team All-State in '49 season. A sophomore, two seasons to play.

JACK MCCOMAS—6 ft. 2 in., Shelbyville, Indiana—"Jack Rabbit" is undoubtedly the fastest man ever to play basketball in the Southern Conference. One of smallest men on club, but he makes it up in speed and deception. Mentioned on several All-American lists for two years. Junior, one year eligibility left.

SAM RANZINO—6 ft. 1 in., Gary, Indiana—Top scorer for the Pack in '49 with 381 points. His greatest of the season was against W. & M. when he literally threw the ball from anywhere for a new conference record of 24 points in one half. With the spark of greatness shown in '49, he is expected to hit All-American stride in '50. Sophomore, with two more seasons.

Ranzino Pushes One In

In marking up its 25-8 record for the year, the Pack whipped such strong intersectional clubs as Canisius of New York, LaSalle College of Philadelphia, the University of West Virginia, and the University of Pittsburgh. Fourteen regular season wins and three tournament victories came at the expense of conference foes. Wake Forest's Demon Deacons made basketball history when they upset State by three points in the Pack's first meeting with the Deacs in '49. The loss to the Wakes was the only conference defeat of the year.

Coach Case's outfit participated in two tourna-

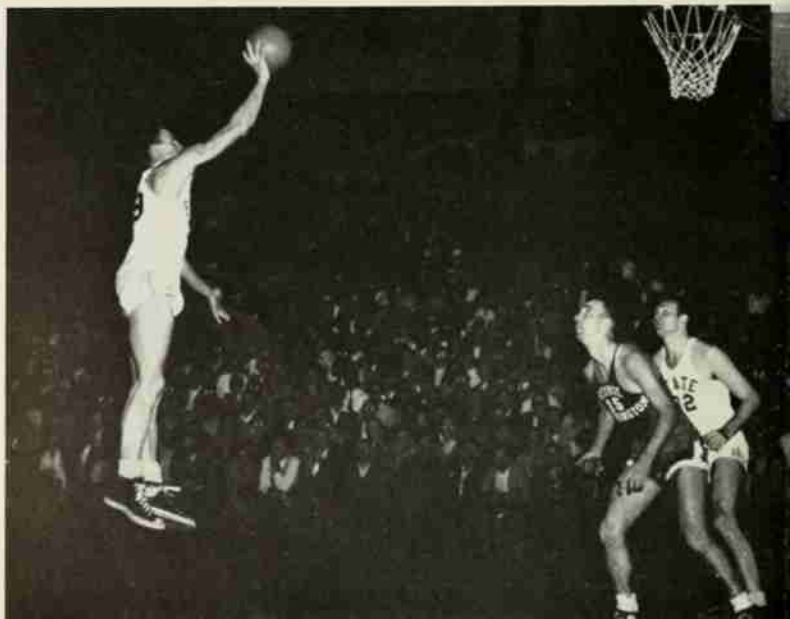

BOB GARRISON—6 ft. 1 in., Fort Wayne, Indiana—Only newcomer to Wolfpack basketball this year. Completely confuses his guards with intricate, gyrating fakes. Wasn't slated for starting berth this season, but he fitted into the system very well. Had a tryout with U. S. Naval Academy team. Decided the "grown-up" atmosphere of State College suited him better. Freshman, three more years to play.

ments during the season. On an extended cross-country jaunt, the Pack took in the Los Angeles National Invitational Tourney and lost two very close games to the University of Wyoming and Loyola of Los Angeles. The cross-country trip marked State's longest stay on the loss side of the books. The Wolves dropped three straight on the

Cartier's One-Hander

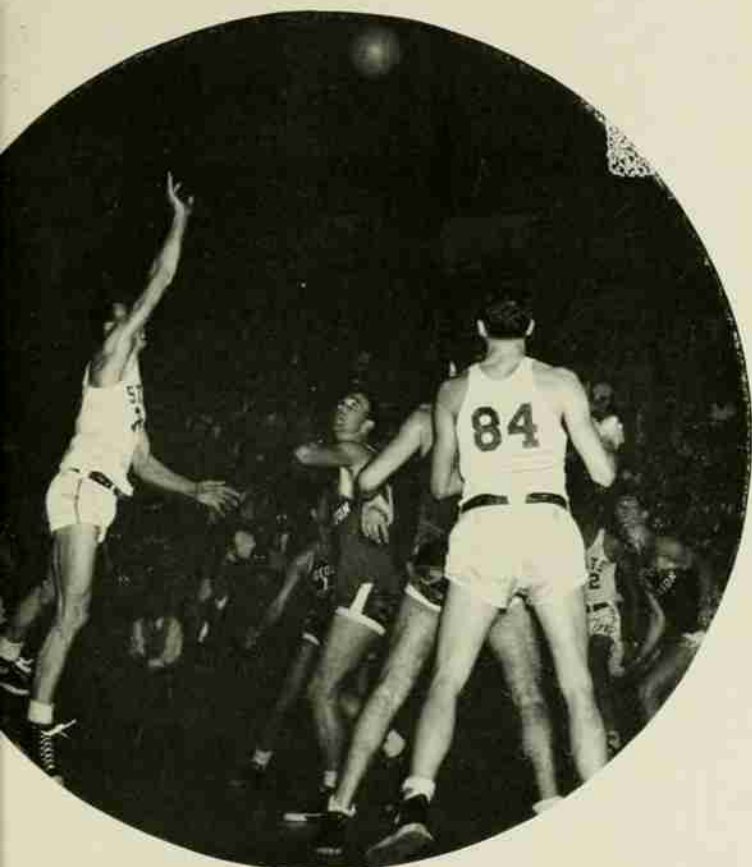

West Coast before handing favored Canisius a 16-point defeat in Cleveland. The second tournament of the season for State was the annual Southern Conference Tourney, which the Packers won for the third consecutive season.

Winding up the season in 13th place in the nation's lineup, State had its hopes for a bid to the National Collegiate Athletic Association Tournament smashed when Kentucky decided to enter from the Southern District. For several days, the officials of the National Invitational Tournament had the Packers on their list as possibles for a third performance in the Garden. Of the eight losses State

Get That Ball!

suffered, only two went above four points. Hanes Hosiery took the season's opener by eleven points, and San Francisco, one of the best clubs State met during the season, won by seven markers. After these two defeats, the Wolves settled into a well-polished style of play that defied defeat. The other

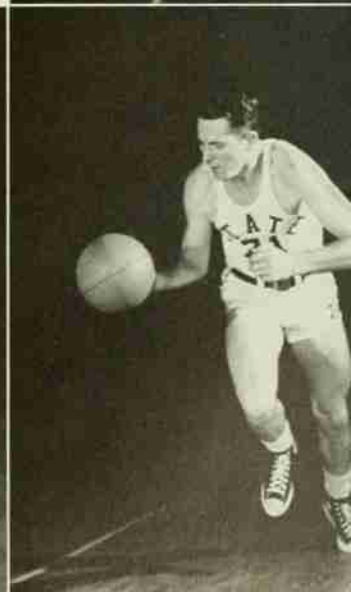

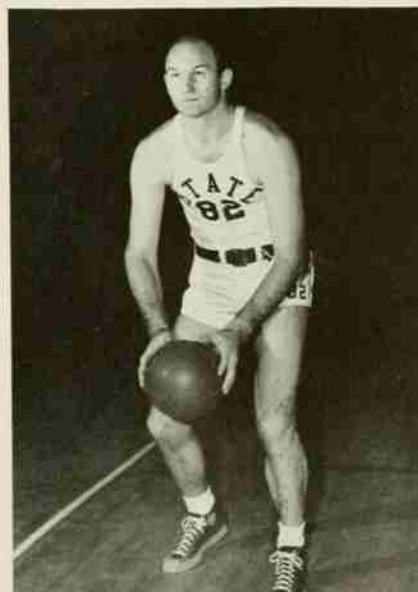

Swish!

BOB HAHN—6 ft. 10 in., Ann Arbor, Michigan—Roams the key-hole for State. Added the height that makes or breaks a team in the rebound department. Bob gained self-confidence and experience that should make him very valuable man at pivot slot next season. Sophomore.

CHARLIE STINE—6 ft. 1 in., Frankfort, Indiana—Played high school ball for Coach Case. Not a regular starter, but one of the best reserves on the squad. Seventh season with Case; knows the system better than any man on squad. Good shooting eye from corners. A junior with only one more season left at State.

WARREN CARTIER—6 ft. 4 in., Green Bay, Wisconsin—Climaxed a good season by winning the 30 & 3 "Most Valuable Player" award. Swede's amazing set-shot that skims over the hoop and plunks in earned him 231 points in '49. George Washington's coach, "Jug" Garber, gave Swede most of the credit for State's win over the Colonials in the Southern Conference Tourney final. One of the original "Hoosier Hot-Shots" from the '46 team. Has one year of eligibility left.

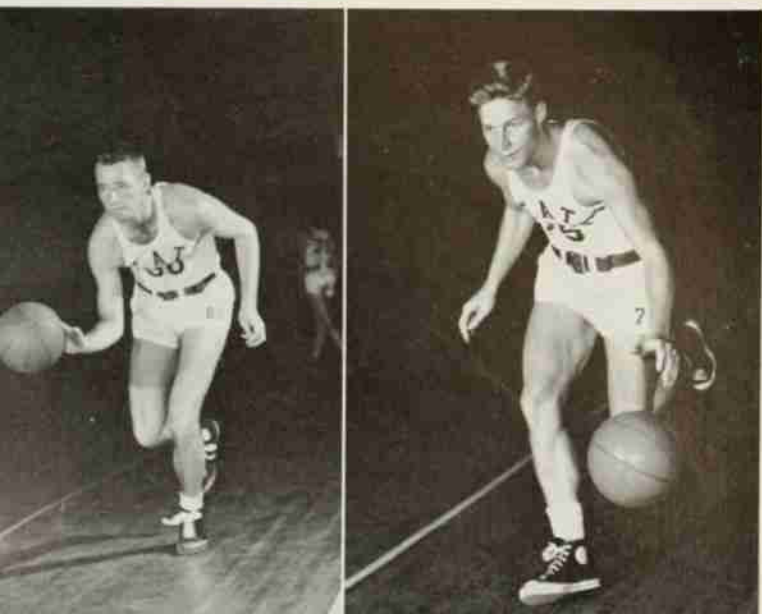

Ranzino "Snowbirds" It

six whippings State suffered were lost by a total of only fifteen points.

In the scoring limelight for the Wolfpack this season was Sam Ranzino. Sam topped the Staters with 381 points in 33 games for an 11.5 average. Dick Dickey made a slightly better average per game score with 335 points in 30 games for an 11.8 average. Paul Horvath, lanky center, pushed the two top men with a 301 score in 33 contests.

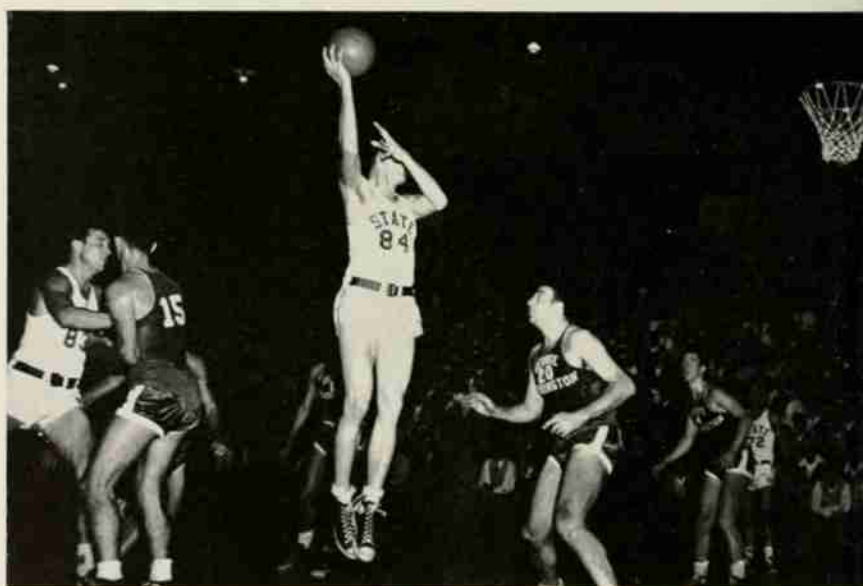

CHESTER GURSKI—6 ft. 4 in., Ford City, Pa.—Didn't play with the varsity in regular competition. Performed in several practice games. Averaged 17 points as a J. V. in '48. Has excellent pivot-shot eye. Height makes him good rebound man. Expected to move into full-time play at center next season. Three years' eligibility left.

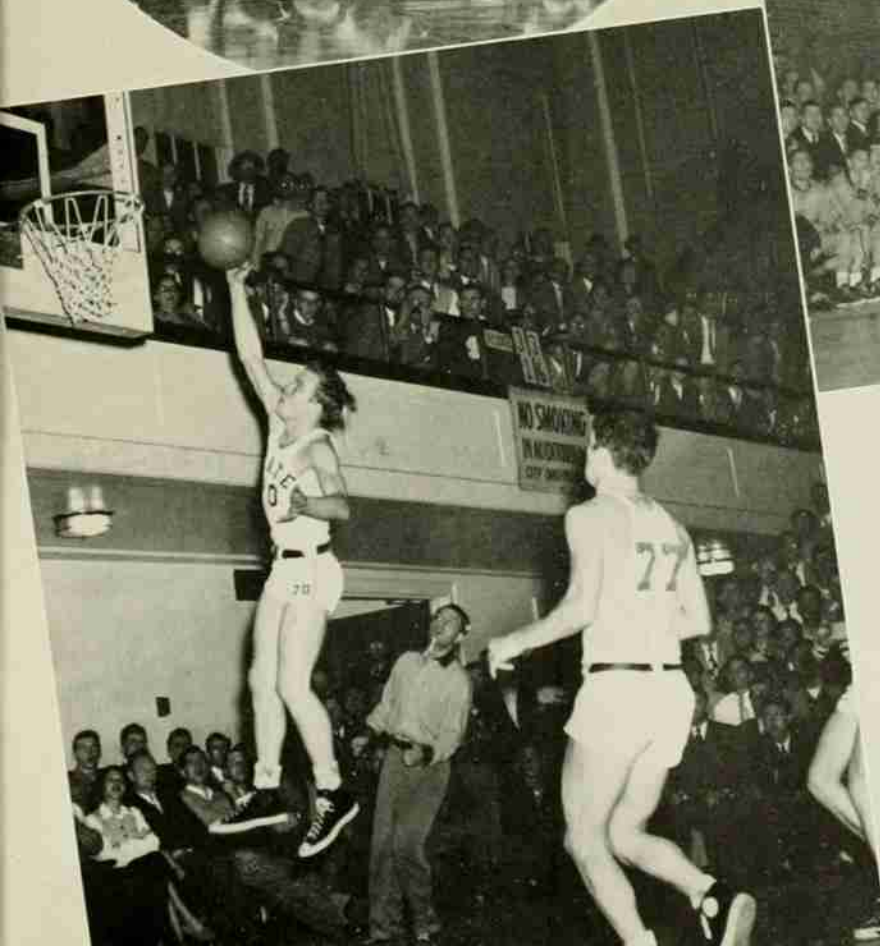

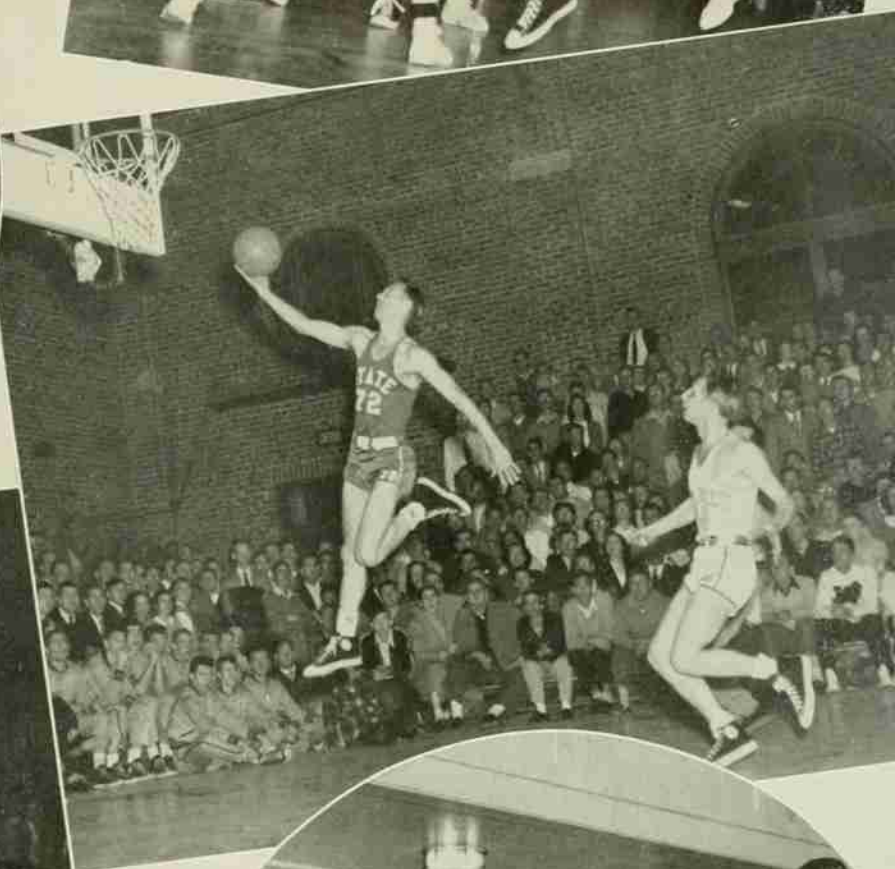

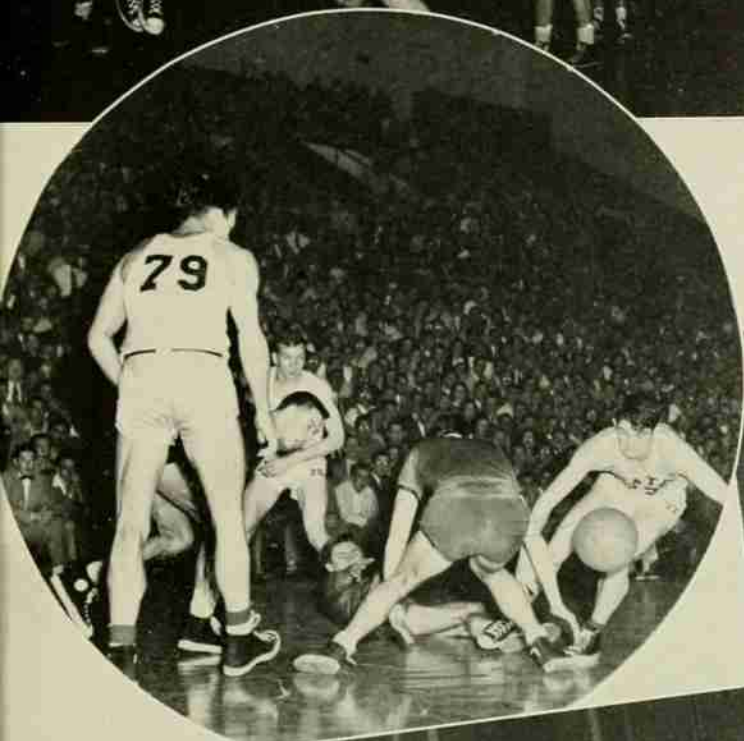

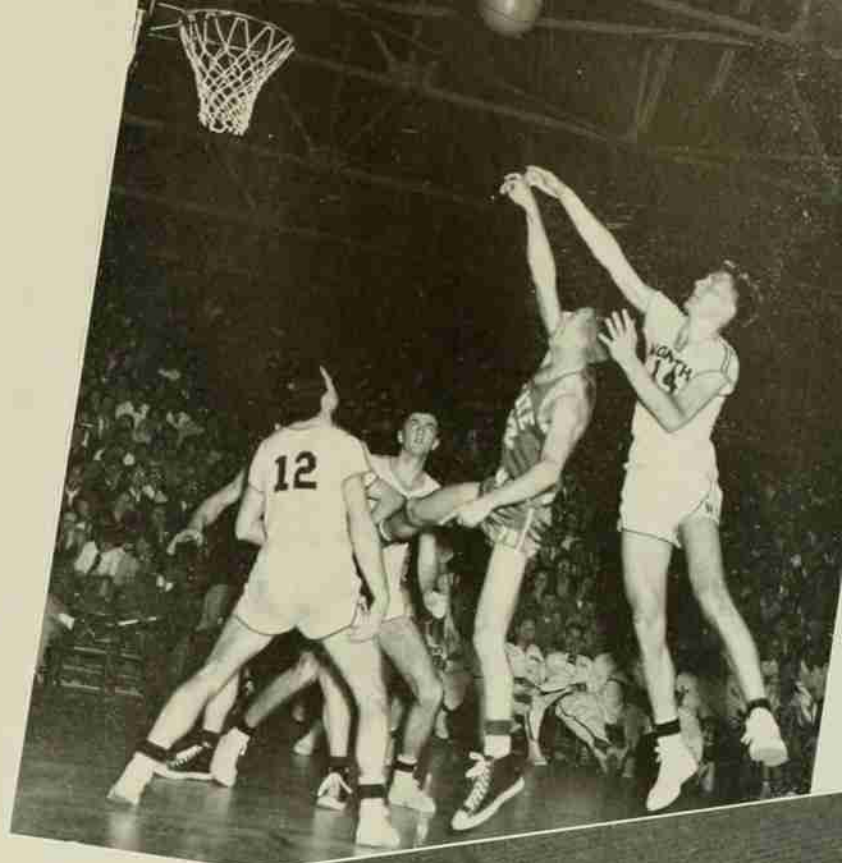

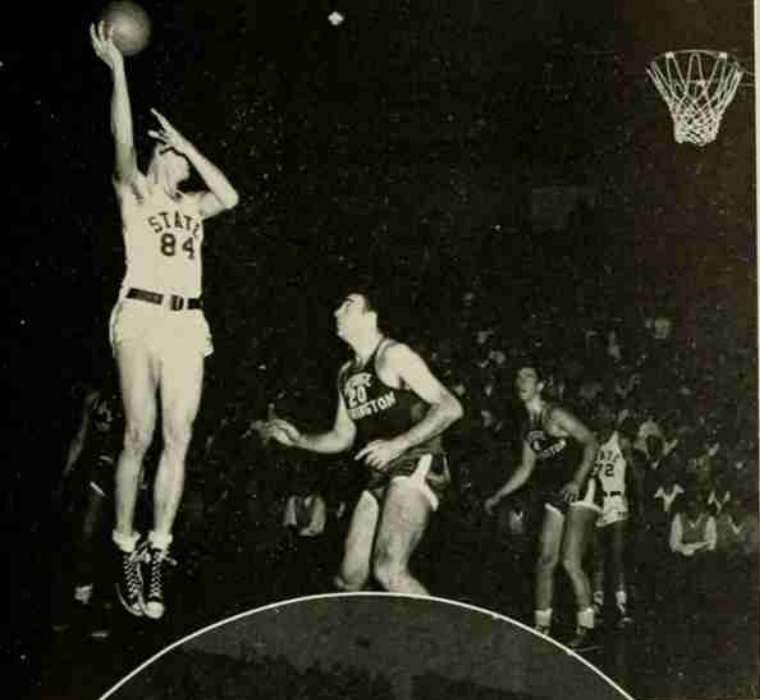

State's first post-war freshman team, under the leadership of Coach Carl "Butter" Anderson, lost only one game in 15 starts and ended up as co-champions with Duke's yearling squad. Such stars as Bob Cook, Joe Stoll, and Lee Terrill are expected to hit the headlines for the Pack next season. Cook and Stoll led the scoring for the freshmen with better than 15 points per game, and Terrill was a defensive ace for the Wolf Cubs.

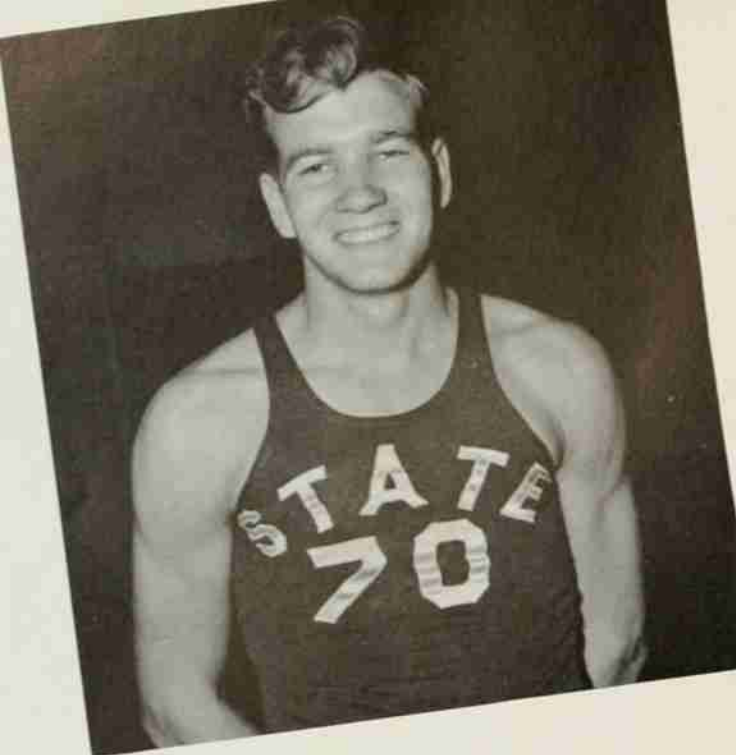

"Hook" Horvath

JOE HARAND—6 ft. 3 in., Tenaflly, N. J.—Probably the most improved man on State's squad. His forte on the court is a strong drive for rebounds. Tenacity earned him a spot on the State College favorites list. Despite a rumored shooting weakness, he dropped in several crucial floor shots in the tournament to keep State in the running. Sophomore with two years left to play.

NORM SLOAN—6 ft. 1 in., Indianapolis, Indiana—A veteran of two years' varsity play. Dead-eye on his set. A demon on defense, and a good individual as well as team performer. All 'round athlete. Played football, basketball, and baseball in high school. Dropped out of basketball play during the early season to give football a try.

VIC SORRELL
Head Coach

VIC SORRELL

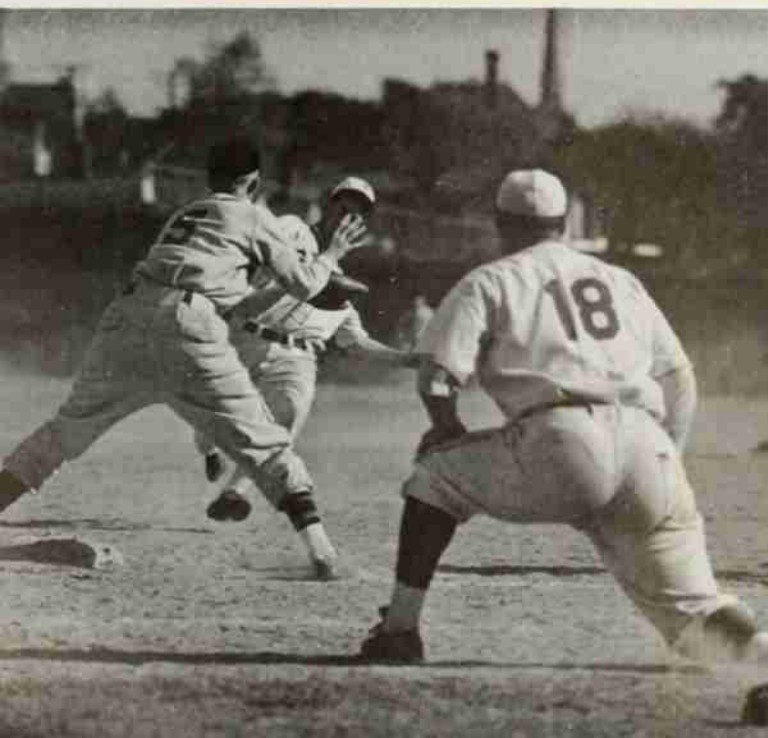

The 1949 baseball season will mark the fourth year that Coach Vic Sorrell has headed State's diamond squad.

Coach Sorrell is an old hand at the game of baseball. His diamond experience dates way back to the days when most of us were just beginning to toddle out to the ball park.

Sorrell was born out near the present site of the Raleigh-Durham Airport and played his college baseball for the Demon Deacons of Wake Forest, where he held down mound duties for three years. Then the coach worked in the International League with Toronto for two seasons. His longest string with a single team was with the Detroit Tigers, where he hurled from 1928 to June, 1937. Sorrell went up for sale in June and landed up in Toledo, where he finished out the '37 season and worked the '38 season.

Coach Sorrell's next work in baseball came as manager of the Bluefield, W. Va., team. He headed the outfit for two seasons.

After a four year rest from the diamond sport, Coach Sorrell came to State in 1946 and has coached the team since that date.

Front row: Holding, Holland, Council, W. Evans, Lee, J. Evans, McLaughlin. Second row: Vic Sorrell, Coach; Lail, Richkus, Utley, Edwards, Foster, Fowler, Hardee, Assistant Manager. Third row: Cheek, Norrell, Johnson, Katkavek, Barksdale, Poe, Grandy, Brown, Manager.

BASEBALL

The final Big-Four standings of 1948 found the Wolfpack of N. C. State College resting in last place with a season's record in Big-Four play of four wins and eight losses.

In regular season play, including all games, the Pack fared slightly better, with a final mark of nine won and thirteen lost. However, five of Coach Vic Sorrell's losses were by a margin of only one run.

Outfielder Jack McComas, one of Coach Everette Case's star basketballers from Shelbyville, Indiana, was the offensive leader for the Pack in Big-Four activity with a final batting average of .357. McComas led the league for three straight weeks but faltered in the last week of play and slipped into fourth place.

Hank Utley, Wolfpack thirdsacker from Concord, N. C., was runner-up to swift Jack with a final mark of .319.

McComas and Utley tied for the lead in the number of doubles, with two, and triples, with one each. In the home run department, last season's four-bagger champ, Bill Fowler of Charlotte, tied McComas for the lead with a total of two round trips.

The important runs-batted-in title also went to the versatile McComas, who had ten. Jack was followed by Utley with six. Hank swiped two bases to take honors in that department.

Ernie Johnson, junior from Mt. Gilead, N. C., led the State moundsmen with a Big-Four record of three victories and six defeats. Johnson proved to be the workhorse of the loop as he toiled in all but one of the Wolfpack's Big-Four games. He was credited with three of State's four wins and was charged with six of the Pack's eight defeats.

The Pack opened its season against Wake Forest in the traditional Easter Monday warm-up affair. A cold, blustery wind hampered all activities and the Statemen suffered a 5-0 defeat. Ernie Johnson went the distance on the hill for State, giving up eight safe blows.

In an intersectional tilt with the University of Pennsylvania, Bob Edwards, a senior from Wilmington, N. C., and Everette Lail, sophomore from Shelby,

MUSSACK

LAIL

Getting The Word
EVANS, SORRELL, FOWLER

HEAVY-HITTER UTLEY

N. C., teamed up to give the Pack a 3-1 win. The State club collected six hits to the visitors' five.

In their second intersectional game of the season, State lost 9-6 to the powerful Eastern NCAA diamond champs from Yale. John Foster, the starting pitcher for the Wolfpack, walked three and hit one batsman before Tootsie Holding relieved in the first. Holding, a sophomore from Raleigh, held the Bulldogs fairly well during the rest of the game. Jack McComas with three bingles in five trips paced the home team at bat.

State opened Big-Four play with a 5-3 revenge win over the Deacons of Wake Forest. Ernie Johnson scattered ten Deacon hits to get credit for the win. Don Cheek, lanky first sacker from Shelby, N. C., led the Pack at the plate with two for four.

In a practice tilt with the semi-pro McCrary Eagles of Asheboro, the State nine suffered a 12-2 pasting. John Holland, sophomore second baseman from Dorchester, Mass., paced the Statemen at the plate with a double and a single in four appearances.

Traveling to Davidson for a Southern Conference engagement, the Wolves were subdued 2-1 in a thriller. Lail hurled impressive ball for the State nine until Bird, Wildcat third baseman, knocked out a fluke homer. The ball went out of the park by rolling under the fence. Hank Utley scored the lone Pack run.

Katkavek Pegs It In

In their second Big-Four engagement of the year, State downed Duke 18-14 in a three hour marathon. Bob Edwards and Ernie Johnson divided the pitching duties for the Pack. Jack McComas took hitting honors with five for six. Hank Utley, with four safeties for five trips, took runner-up honors.

Bob Edwards, in a return engagement with Davidson, turned in a six-hit ball game to stop the Wildcats cold with a 12-3 score. Jack McComas and Bill Evans knocked out three safeties to pace the State attack.

Disposing of the Carolina star hurler, Vinnie DiLorenzo, after four and one-third innings, the Statemen defeated the Tar Heels 8-1. Again speedy Jack McComas led the Pack with two round trippers in three appearances. Second baseman Leo Katkavek, senior from Manchester, Connecticut, and another star basketball player, with a triple and two singles in four times at bat, held runner-up honors. Ernie Johnson scattered eight hits in gaining the win.

Getting revenge for the 8-1 defeat the Pack had handed him, DiLorenzo pitched a magnificent eleven inning two-hitter to defeat State 1-0. Johnson, who allowed seven hits, was the loser.

In their second straight overtime game, the Staters lost to a powerful Hanes Hosiery semi-pro nine from Winston-Salem by a 3-2 score in eleven innings. Lail pitched five frames, allowing only two hits, before he was forced to retire from the game because of a sore arm.

Behind the fine six-hit hurling of Harry Nicholas, the Wake Forest Deacons defeated the Wolfpack 9-0. Nicholas aided his own cause with a homer and a single. Johnson and Edwards fared none too well against the Deacons.

In a return meeting with the Hanes Hosiery nine, State defeated the Knitters 5-1 behind the six-hit hurling of Tootsie Holding. Katkavek, with two for four, led the hitting for State.

Duke mound ace Al Curtis held the Pack to four hits as he whipped the local diamond men 8-1. McComas, Utley, Katkavek, and Fowler were the only Wolfpack batters who could manage a hit off Curtis. Johnson and Edwards were rapped for 14 blows by the Blue Devils.

Leading 3-2 at the beginning of the eighth inning, the State men faltered and lost to a wide-awake Carolina nine 5-3 at Devereaux. Four State errors aided the Tar Heel victory.

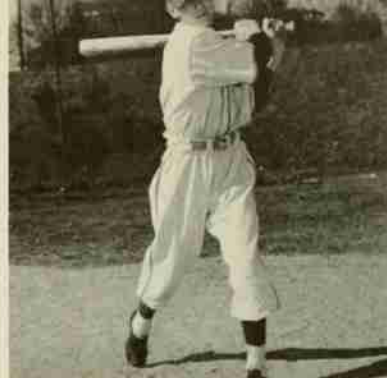

In a heartbreaker, the State nine went down to defeat at the hands of Wake Forest 4-3 after playing 14 innings of tight ball. Ernie Johnson pitched the first nine innings, with Bob Edwards relieving.

In their final game with Duke, Coach Sorrell's men beat the Blue Devils 9-4. Holding gave up nine hits in chalking up the win.

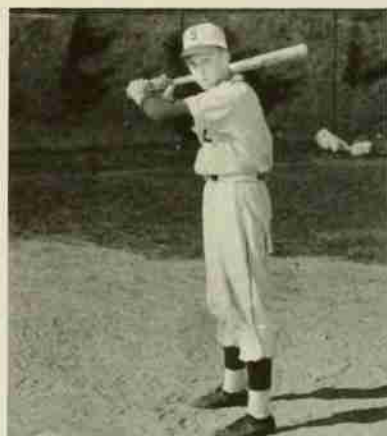

Wake Forest's star chunker, Harry Nicholas, blanked the Wolfpack 1-0. Don Cheek, Bill Evans, and Leo Katkavek got safeties for State. Ernie Johnson worked on the hill for State and allowed only eight hits. Standouts defensively were Don Cheek and Bill Evans, who made several spectacular catches.

In the final Big-Four game of the season, the Southern Conference and Big-Four champs from Chapel Hill slammed out 16 hits against three Pack hurlers to win 7-1.

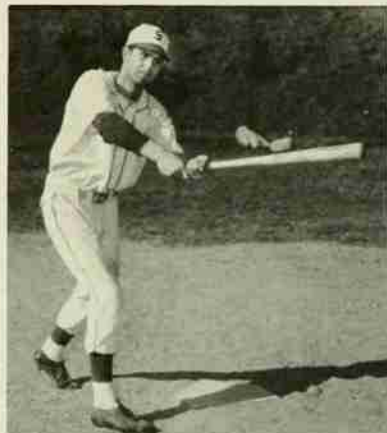

Closing the season against the McCrary Eagles, the Pack avenged an earlier defeat as they downed the Eagles 7-6.

TRACK

TOM HINES
Head Coach

TOM HINES

Coach Tom Hines made his first appearance at N. C. State back in the early thirties as a student. The man responsible for bringing Hines to State College was Ralph Brimley, who was coaching Wolfpack cross-country teams when Hines was starring on the Reynolds High track team in Winston-Salem. There was no track team at State during the period that Coach Hines was attending school, but he did star on Coach Brimley's cross-country teams in 1934 and 1935.

Hines started his coaching duties at State with the swimming team in 1942. He took over the job of coaching the Wolfpack trackmen in 1945, when State had only two dual meets. In '46, the Wolfpack split even on a four meet schedule under Hines. In 1947 the Pack cindermen took six wins and suffered a single defeat. Coach Hines' 1948 squad set new records in nine track and field events, and the same team held 3rd place in dual competition meets and scored 4th in the Conference meet. Hines' teams have been termed the best track squads at State since the Wolves won the Conference championship in 1922.

Coach Hines recently climaxed a long, successful career in N. C. State's Physical Education department by being named head of the Department of Industrial and Rural Recreation.

Front row: Dubow, Davis, Blue, Miller, Chambers, Bales, Orrmins. Second row: Goldberg, Frazier, McLeod, Karriker, Egelund, Adams, Davenport, Hunter. Third row: Landau, Currin, Pickett, Bubas, Bartels, Dostanko, Payne, Hassinger, Gill, Skaarup. Fourth row: Paschal, Manager; Willis Casey, Assistant Coach; Tom Hines, Coach; Al Crawford, Trainer; Erwin, Assistant Manager.

TRACK

BYLER PUTS IT

DUBOW, THE LIGHT-FOOT

Under the direction of Coach Tom Hines, the 1948 track team ran up an enviable record of four wins in six dual meets and ran a close fourth in the Southern Conference meet in Chapel Hill.

Charley Chambers continued his cinder-burning ways that he had started in '47. The speedy dash man took scoring honors for the season with 89 points. Charley score three firsts and one second in four tries in the 440 yard dash, and marked up six firsts in the low hurdle event.

Added to his regular season scoring antics, Chambers walked off with 14 points in the Southern Conference meet to win individual scoring laurels. Wins in the 220-yard low hurdles, 100-yard dash, and a second in the 220 dash gave Chambers his 14 points. He was awarded the Harry March Memorial Trophy for his 220 low hurdle victory.

Herbert Goldberg was another high scorer for the '48 season, with 43¼ points to his credit. Herb picked up most of his points by running second in his events, the 100 and 220 dashes, with two firsts in the 100-yard jaunt.

Third place in season's scoring was taken by a field man, Jim Byler. Byler is a big, husky footballer who spends his time during track season tossing the shot and discus. With five firsts in the shot put and one in discus hurling, Byler tallied 39 points for the season.

Co-Captain Oscar Miller from Charlotte scored 23 points in five meets with four firsts and one second. All of Miller's scoring was done with the javelin throw.

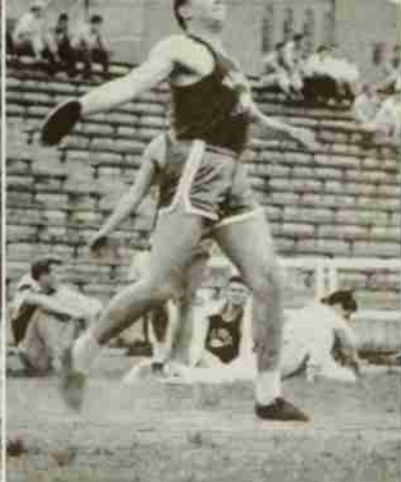

After coming through the season with four wins in six meets, the Wolfpack trackmen journeyed to Chapel Hill to participate in the Southern Conference meet. With Charley Chambers scoring 14 of their 31 points, the State cindermen landed in fourth place in the meet, only 24 points behind first place Carolina.

Several track records were broken during the season. Jim Byler again heads the list with three broken records to his credit. Byler set a new record for the shot put early in the season and came back to break his own record twice, finally setting the mark at 48 ft. 9½ in. during the Wake Forest meet.

Charley Chambers set a new mark of 23.6 seconds in the 220 low hurdle event and tied his own mark once more during the season.

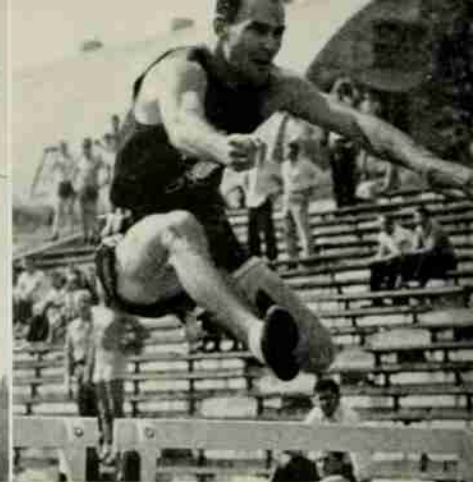

PICKETT UP AND OVER

DUSTY TOSSES ONE

HIGH BOY BLUE

CHAMBERS HURDLES

George Pickett established a new high jump score, breaking the old track record of six feet by an extra half inch.

In an exhibition mile relay, the State team set a new mark of 3:28, beating the old mark of 3:39.2. The record is unofficial, however, since the race was an exhibition event. Herb Goldberg, Norman Orrmins, Allen Skaarup, and Graham Landau made up the State relay team.

In the season's opener, the Pack dropped a close match to the Gobblers of V.P.I., 66½-59¾. The two teams were evenly matched, with each taking seven first place scores. Virginia came through in the last event to nose out the Wolfpack runners.

Despite the efforts of Scooter Rucks of the University of South Carolina, Coach Hines' team came through in great style to whip the Palmetto squad, 71-60. Rucks broke records in the 220 and 440 dash events, helping the South Carolina men take eight firsts to State's seven. However, strength in every event gave the Pack enough second place scores to win the meet by 11 points.

Seven records fell when the Southern Conference champs from Chapel Hill met State on the Raleigh track. Chambers marked up a new time for the low hurdles, Byler upped the mark in the shot event, and Pickett set a new record for the

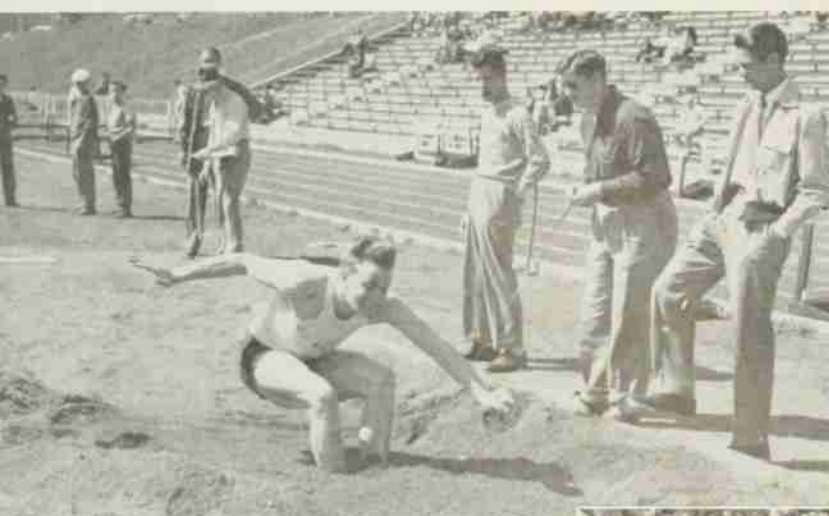

high jump. State's relay team set a new unofficial mark for the mile. Carolina won the meet 77-49.

Co-Captain Chambers led his team to victory with high score honors in the Virginia-State meet on the local track. Chambers scored 11 points, with All-American basketballer Dick Dickey close behind with 8. The meeting with the Cavaliers came during the hottest weather of the season and proved to be the hottest meet of the year! State barely eked out a 66-62 win over the Virginians.

Highlight of the season was State's 66-60 upset win over the Duke Blue Devils. The win for the Pack was State's first over a Duke track squad in 15 years. Chambers continued his point march with 16 for high score of the afternoon. Footballer Harry McLeod gave the fans a real thrill when he beat highly touted O'Leary of Duke in the discus event with a heave of 133 ft., 1 in.

In the most one-sided meet of the year, State trounced the Wake Forest tracksters 104-21. Bob Currin and Joe Davis copped high score honors with 15 and 13 points. Jim Byler set the final record for the season in his shot toss of 48 ft., 9½ in.

Coach Hines' trackmen closed out a very successful season, placing fourth out of thirteen teams entered in the Southern Conference meet.

Varsity, front row: Poplin, Steed, Rickart, Rudolph, and Williams. Second row: Lewis, Musser, R. Troxler, D. Troxler, Beal, Buie. Freshmen, third row: Swart, Gay, Keelev, Rose, Jenkins. Fourth row: Coach Al Crawford, Fortune, Jolly, Red, Thompson, Green, Manager.

WRESTLING

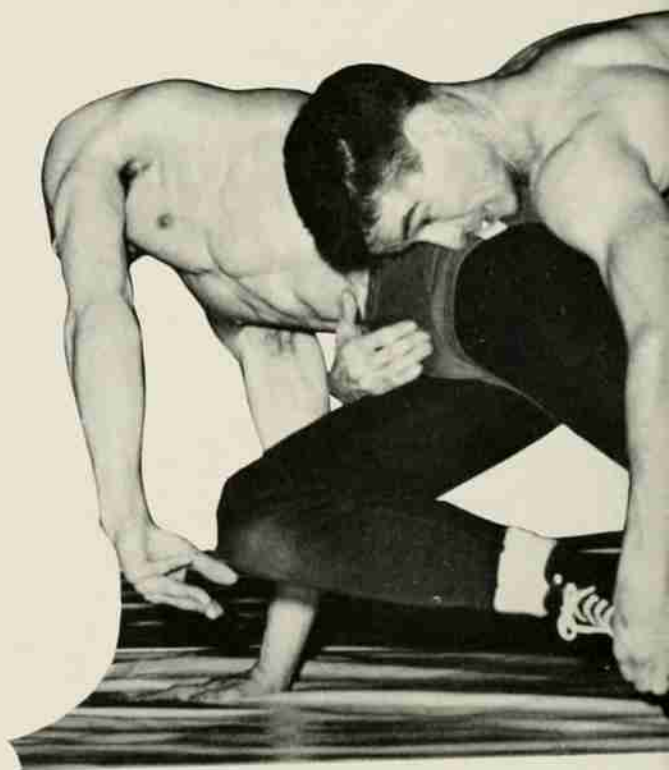

For the second straight season, Coach Al Crawford's wrestling team was runner-up in the conference. This year, Washington and Lee's matmen took first place honors. Final standings for the year left State with a 5-3-1 record. Duke, Navy, and Washington and Lee were the only teams to take the measure of the Wolfpack grapplers. Coach

AL CRAWFORD
Head Coach

Crawford's team didn't enter the 1949 Conference Tournament because of the proximity of exam week when the meet was held.

The wrestlers opened their season with a 24-6 loss to the strong Duke Blue Devil matmen. Steed and Musser were the only Wolfpackers to get wins.

Traveling to Annapolis for the Naval Academy meet, State dropped their second match 28-5 to the Middies. Back in Raleigh, the Pack grunt and groan men got a surprise win over the University of North Carolina team, 21-11.

Charlie Musser paced the locals in their 21-9 win over The Citadel's Kadets. Chuck pinned his man in 1:13 of the first period. Rubin Beal and Don Troxler also pinned their men in the opening period. Musser continued his winning streak with a 40 second pin of his opponent in the heavyweight division as he led the Statemen to a 21-10 win over Davidson.

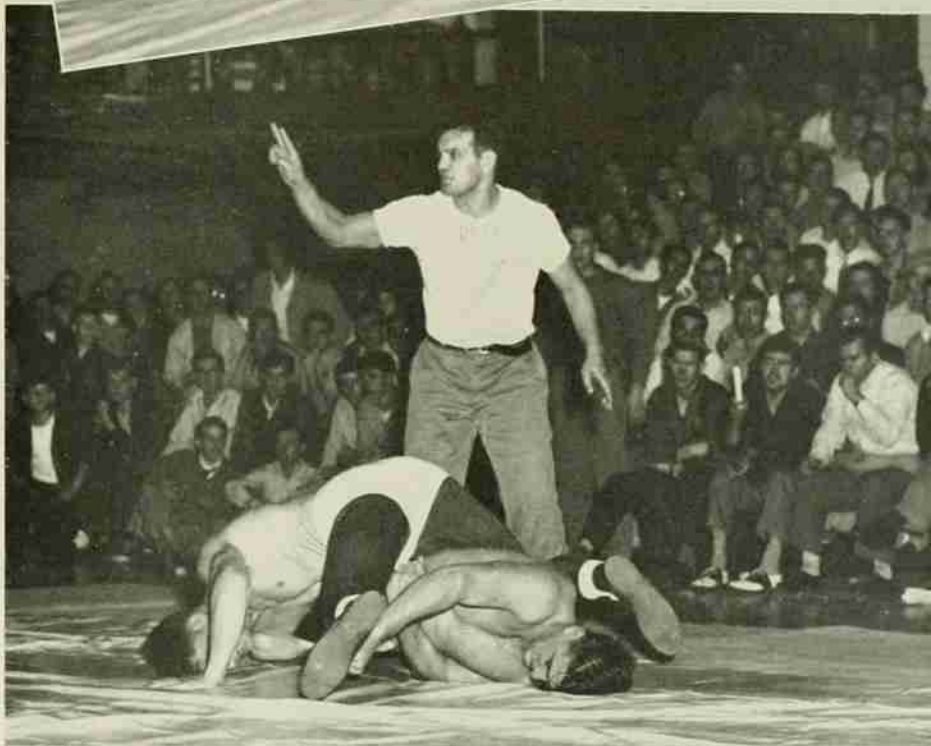

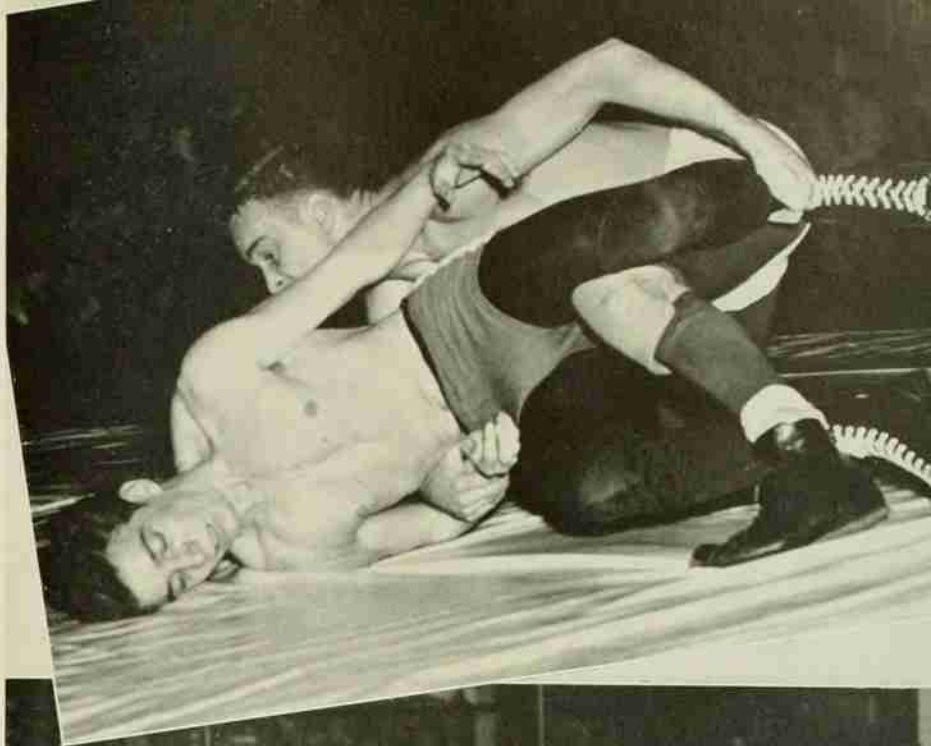

In the closest match of the year, Roger Troxler gained a first period illegal slam victory and Musser decisioned his man to give State a 14-14 tie with the V.M.I. Cadets. The Cadets led the match until Troxler's win pulled the Pack squad within three points and Musser took his fifth win of the year to tie the score up.

State's fourth win of the season came at the expense of the Newport News Navy Apprentice team in Norfolk, Virginia. State took an easy 31-2 victory. A day later, the Pack matmen pinned V.M.I. 20-5 in Lexington. Charlie Musser's closest call of the year came on a tie in the meet.

The season's finale came against the Southern Conference champs, Washington and Lee. State lost 24-6, but the score does not indicate the closeness of the match. Several of the fights were won by the Generals on a one or two point margin.

The most outstanding man on the squad was Charlie Musser, who was undefeated and tied only once in eight matches. Don Troxler, Rubin Beal, Pop Poplin, Steed, and Ben Lewis were also outstanding performers on the mat.

FRESHMEN, front row: Troupe, Lewald, Jones, Captain; Wilson, Craig, and Freeman. VARSITY, second row: Morris, Shoher, Gold, Co-Captain; Stafford, Lojko, Mandel, Tate, Randell. Third row: Andrews, Manager; Martin, Denyes, Cloud, Nelson, Kelly, Co-Captain; Thorne, Bedford, Coach Willis Casey.

SWIMMING

Coach Willis Casey's tankmen ended the 1949 season with a tie for the Southern Conference championship. The State natators took four conference wins in as many meets and tied with the University of North Carolina for top conference honors.

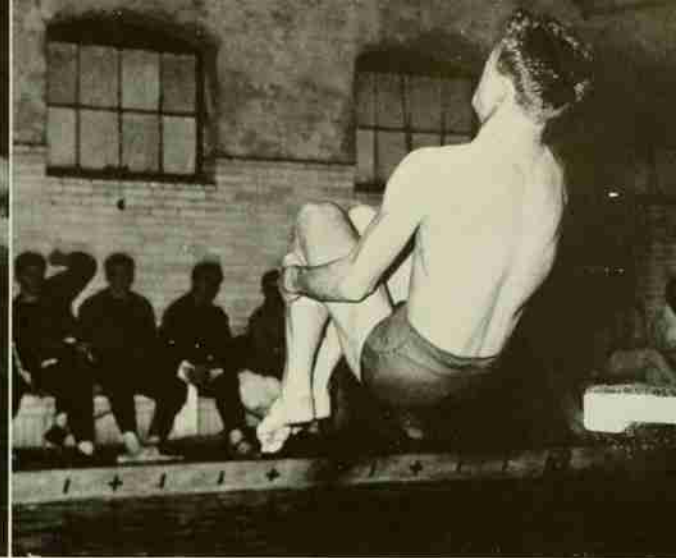

The Wolfpack swimmers opened their impressive 6-2 season with three straight wins over Virginia teams. A win over V.P.I. started it. The State men then traveled to Williamsburg to meet the William and Mary Indians. With Bill Kelly setting all the records, State won 50-21. Kelly broke two records and helped in another. The versatile tankman snapped the 60-yard freestyle, the 100-yard freestyle, and aided Stafford, Gold, and Lojko in the 400-yard relay. On the third lap of the Virginia trip, State beat the University of Virginia 48-27 in Charlottesville.

The most outstanding meet of the season came when LaSalle College brought their olympic star, Joe Verdeur, to Raleigh. State held the highly-

avored LaSalle swimmers to a 41-34 win. Verdeur clipped seven seconds off the 200-yard breaststroke record for State's pool. Farrell Devlin of LaSalle set a new mark for the 220-yard freestyle event.

WILLIS CASEY, Head Coach

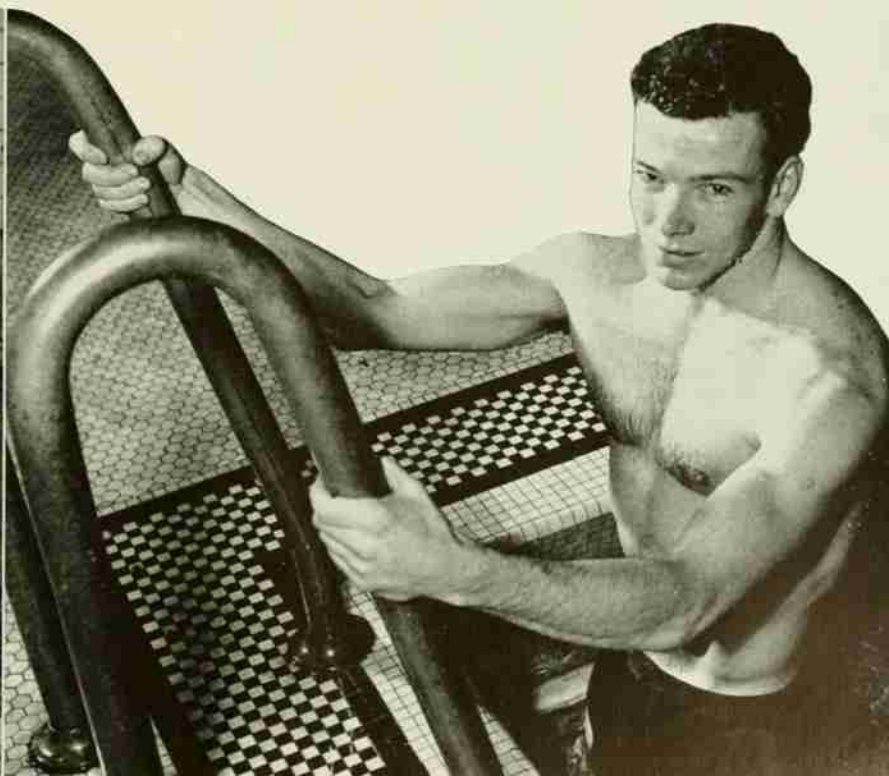

Georgia Tech's squad came to Raleigh looking for a revenge win over State and barely got it by a 39-36 score. The meet was State's closest of the season and was won by the Georgians in the next to last event when they edged State out of a second place in the 440 freestyle.

Casey's men took seven first places in nine events to sink V.M.I. 50-27 in the local pool. Matt Lojko was high with ten points. Against Emory University of Georgia, the strong State team won a 47-19 slaughter. Bill Kelly set a new pool record for the 50-yard freestyle.

In the final meet of the year, State raced down to the line with Duke's Blue Devils and won in the last event, the 440 freestyle relay, 41-34.

The Wolfpack swimmers placed second behind Carolina in the Southern Conference meet at Chapel Hill with 21 points. At this writing, the team had not gone to the National Intercollegiate Championship meet at Chapel Hill.

State's freshman team, coached by Bill Kelly, won six and tied one for an undefeated season. The highlight of the yearling season was two impressive wins over Carolina's freshman squad.

First row: Gibson, Dixon, Tripp, Coach; Green, Turnbull. Second row: Gies, Brackett, Dearstyne, Rickman, Saenz, Hobbs.

GOLF

State's first post-war golf team was led by student coach Charlie Tripp, former professional linksman who combined his coaching duties with academic work and proved to be quite capable at both.

Tripp opened the 1948 season with a nine man squad. Not at all familiar with the ability of any of his men, Tripp was faced with a tough job of rounding his squad into shape for a hard season. However, with men like Maurice Brackett, Charlie Gibson, Bob Turnbull, and Weston Dixon on the squad, Coach Tripp soon found that he had no worries as to the ability of his team members.

The over-all record for the season shows eight wins, three losses, and a tie. One of the losses was to Duke, the Southern Conference's pride. A third-place standing in the

Southern Conference Tournament boosted the team's prestige and hopes for a better standing in the next season of play.

Outstanding individual honors for the 1948 season go to Charlie Gibson. Charlie defeated Harvey Ward, the North-South Champ from UNC.

State's best performance as a team was in the match against Duke. The Pack linksmen won a two point edge over the Blue Devils to break a two year winning streak at 17 matches.

Individual laurels in the Southern Conference Tournament go to Gibson, Brackett, Turnbull, and Dixon. Charlie Gibson turned in the lowest card with a pair of 76's for a 152 round. Charlie also placed fifth in individual standings in the tournament.

The Wolfpack golfers opened their season against Davidson and took a 16-11 win from the Wildcats in Charlotte. Furman U. was the next victim of the Statemen by a mark of 22½ to 4½. Continuing their dominance over Palmetto clubs, the Pack edged the Gamecocks of South Carolina 10½-7½. Back in Raleigh, the Statemen made it a "no-contest" against High Point in a 26½-½ slaughter of the Pointers.

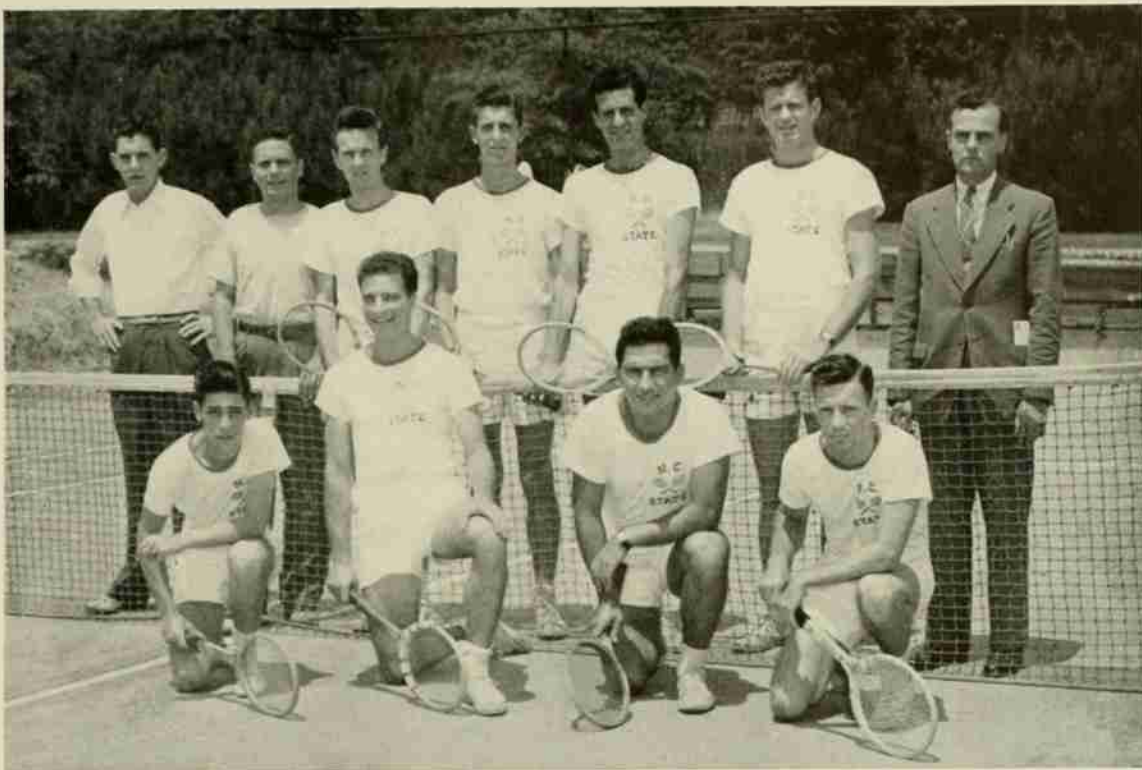

State's first defeat came at the hands of the Demon Deacons from Wake Forest by a 19-8 score on the local greens.

Then came the eventful win over Duke's Blue Devils! State took the meeting with a 14½-12½ score to snap the Devils' two year 17-game winning streak. High Point came back for some more of the same medicine and took a 29-7 pounding before giving up. With revenge in their eye, the Duke clubbers invited the Pack to Durham. State lost the return match 19½-7½. The third and final loss of the season came when Carolina took a 15½-11½ win over State at Chapel Hill. Davidson came to Raleigh to try once again and went home sore from the 20½-6½ hazing handed them by Tripp's team. Wake Forest pushed the local golfers hard all the way to hold State to a 14-13 win in the return engagement. The Pack linksmen wound up the regular season against Carolina, the meet being knotted at 13½-all.

State entered the Southern Conference Tournament at Pinehurst and came out third in the meet.

CHARLIE TRIPP
Head Coach

Front row: Kohn, Fuerstman, Montesanti, Culbertson, Captain. Back row: Osborn, Assistant Manager; Leonard Goldman, Manager; Boney, Ragan, Guirette, Sherrill, L. W. Seeger, Coach.

TENNIS

When Coach Walt Seeger sent out the call for tennis tryouts, thirty candidates reported. After extensive practice, the squad was worked down to 16 men.

In twelve scheduled matches, the State netmen were victorious in seven starts and lost only four meets. One match was cancelled.

Arthur Culbertson, returning letterman, played the number one position all season, with lettermen Charles Boney and Bob Guirette pushing him for the top spot. Boney won eight of ten matches. Guirette was victorious in six of ten, and Culbertson took six wins in eleven matches.

Starting the season off against The Citadel on a trip through South Carolina, Coach Seeger's men won easily over the South Carolinians, 6-2. Continuing their Southern swing, the Pack netters moved into another section of Charleston where they nosed out the College of Charleston, 5-4. With two South Carolina scalps in tow, the State courtment next swung into Columbia for a meet with the University of South Carolina. The Gamecocks proved a little too strong and the Pack suffered their first defeat of the season, 5-4.

Returning to North Carolina, the Staters took on Southern Conference champs, U. N. C., and suffered the worst defeat of the season, 9-0. The best match of the meet was between "Cubby" Culbertson and Vic Seixas, the outstanding national amateur tennis star. On their own home soil, the Pack met and whipped the University of Richmond netters, 6-3. College of Charleston returned the visit that State had paid to the Palmetto State, but couldn't repay the loss. State won, 7-2, taking all six singles events. Visiting the Duke courts, State lost to the Blue Devils, 8-1. Another 9-0 defeat was dished out to the Wolfpack racquet wielders by a surprisingly strong Presbyterian College team.

Showing improved power in the doubles events, State scored in all three matches to defeat Wake Forest, 7-2. Finishing the season in fine style, Coach Seeger's squad downed Furman 5-2 in Raleigh, and then journeyed to Wake Forest to hand the Deacs their second defeat from State, 7-1.

In the Southern Conference elimination tournament, State failed to place a man in the finals, although Charlie Boney won in the first round 6-0, 6-1 and Ragan drew a bye and won the second round 6-2, 6-3. Boney was beaten by Ross of Duke in the second round, and Ragan lost in the third round to Seixas of U. N. C.

In the doubles events, Fuerstman and Kohn were eliminated in the second round by the William & Mary team which went on to win the doubles finals.

Coach Seeger is expecting an even better season next year and is looking forward to a win in the tournament with five lettermen back for the '49 squad.

We believe in Schoolin'

At SONOCO many people are still going to school because it is our policy to try to keep training our men and women for more advancement.

Each week many of our people attend courses in Foremanship, in Mechanical Design, and in other subjects that help them up the ladder of success.

We believe in education because the more knowledge you acquire the better equipped you are to face the future. We are interested in your schooling because many of you are sons and daughters of SONOCO people and some day, we hope, some of you will be at SONOCO, too. Your school records are a measure of your character. Whether you go on to college or to a job, the quality of your school work is important to your future.

Moving Forward with the South

The production of better type fabrics has grown to tremendous proportions in the South. Paralleling this outstanding progress made by the textile industry has been the resultant higher standard of living.

Burlington Mills is proud to be a part of this progress . . . proud of the fact that this Company has invested millions of dollars in the future of the South. By ever-expanding its own production, Burlington is contributing to the rapid increase in business activity—the yardstick of prosperity. For economic stability, Burlington maintains a program of financial soundness, reflected in its net worth of over \$100,000,000.

Through this extensive program for economic progress, Burlington Mills' 83 plants have been able to produce the best possible products at the lowest possible prices. These quality fabrics are truly "woven in the life of America." That's why over 28,000 employees are going forward with Burlington Mills.

Interested in weaving?

or modern fabrics?

Indians weave baskets . . . writers weave plots . . . we weave modern fabrics for Americans. In our type of weaving . . . as in good baskets and good stories . . . good results can be achieved only by strict attention to fundamentals. That is a basic principal with us. Every fabric begins with a solid and practical foundation of quality. To do this job, and do it right, we need ambitious young people to help us. We are always glad to discuss opportunities in the textile business with those genuinely interested.

Better Your Equipment . . . Better Your Dyeing

Gaston County Combination Beam and Package Dyeing Machines are built to do a better job at lower cost. Their thirty-year record of flexibility, dependability, and economy today make them the choice of scores of the world's largest textile mills.

Flexibility—With a simple change of material carriers, cones . . . beams . . . tubes . . . roving . . . raw stock . . . and cheeses ALL can be dyed in the combination machine. Package Dyeing Machines can be furnished for 1½", ¾" tubes or spiral springs.

Positive Control—Gaston County Dyeing Machines are fully automatic; every phase of the dyeing operation, from the loading to the unloading of the kiers, is under positive control. All machines are equipped with automatic temperature controls—automatic dye liquor flow reversing mechanisms—patented two-way running wash system—and dye liquor flow controls.

Robot Dyemaster Controls—provide permanent records for matching colors quickly and perfectly.

ACHIEVEMENT

Never gained easily—the graduate's diploma is a symbol of a truly great Achievement—one in which every graduate may take pride for all his life.

The Achievement of gaining the confidence and friendship of students and faculty is one in which we not only take pride, but which we cherish and guard with constant vigilance.

Thanks

This volume of the AGROMECK would not have been possible without the loyal support given by the students, faculty, and various outside organizations. But mere words cannot express the gratitude we feel for the aid and advice given us by Mr. M. L. Glover of the Lynchburg Engraving Company and Mr. H. S. Keck of the Observer Printing House. Our thanks to you, Len and Harrie!
