AGROMECK

COLLEGE

ORGANIZATIONS

FRATERNITIES

ATHLETICS

FOREWORD

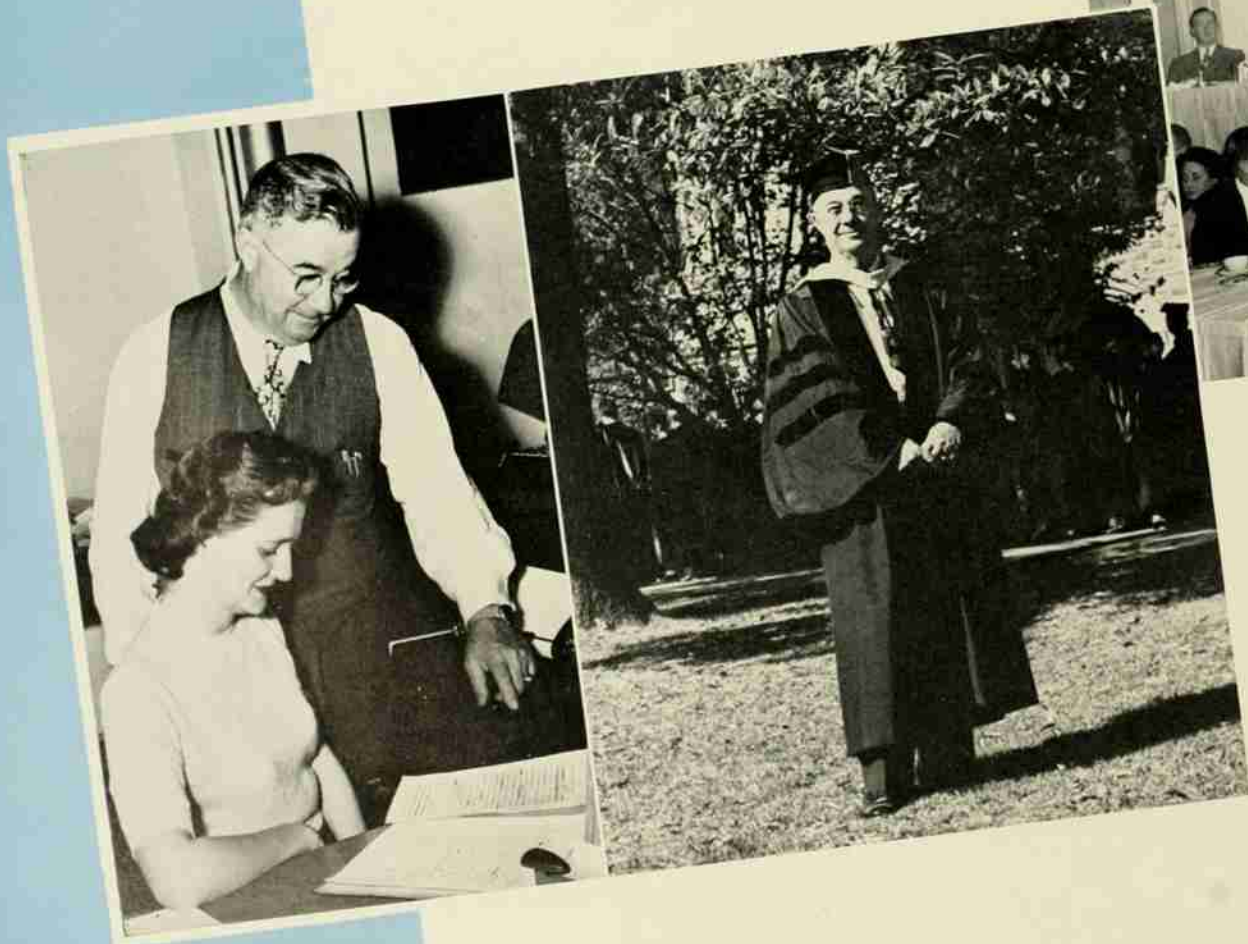

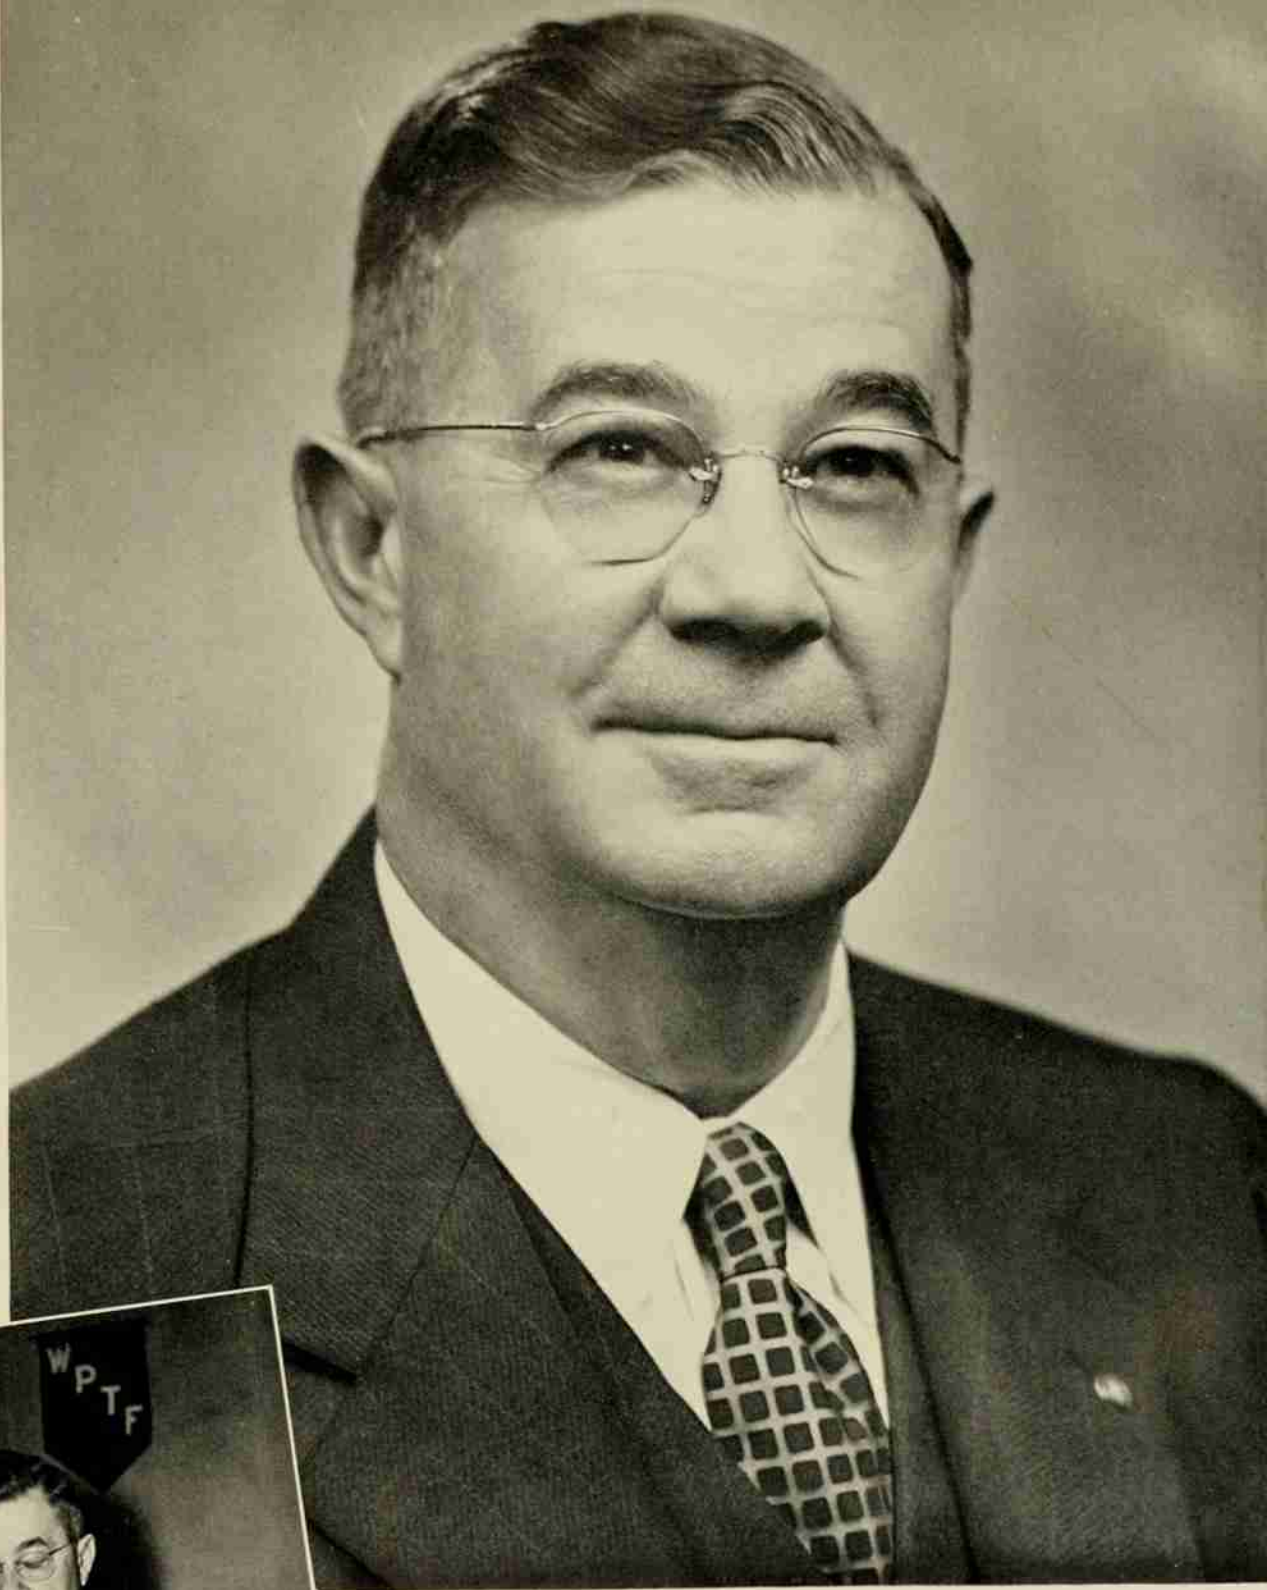

The culmination of an entire year's work can be found here beneath the cover of this 1950 AGROMECK. We have endeavored to show a pictorial analysis of the many class, organizational, athletic, and other varied activities of the school year of 1949-50. Here in your book are the people that you have known—your close friends, your roommates, your fraternity brothers, your instructors, and many others. This AGROMECK has been compiled for the personal benefit of the individual student. Our sincere hope is that each of you will find it to be a storeplace of joyful memories.

The Staff

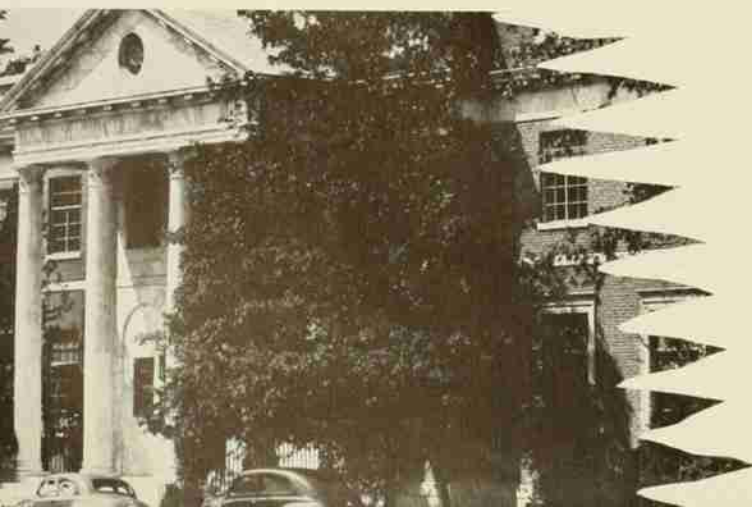

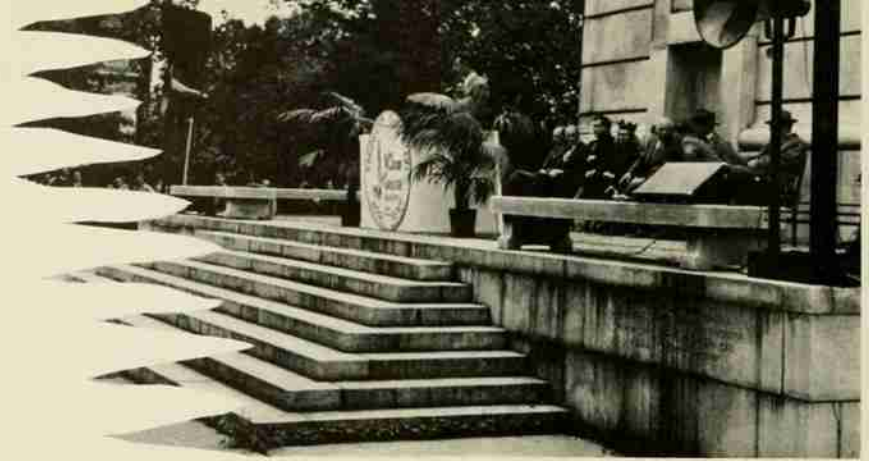

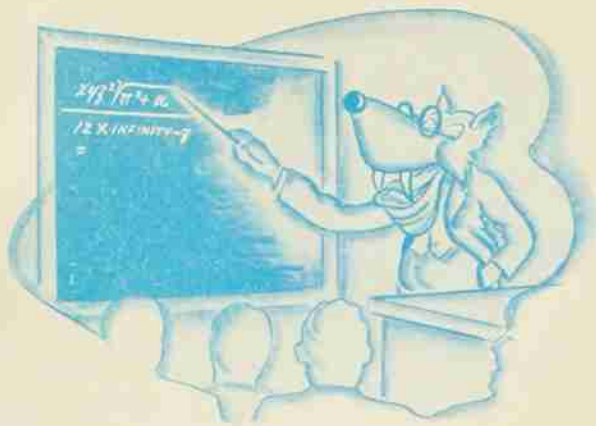

Dedication

TO DR. FRANK H. JETER—a wise counselor, a true friend, and an inspiration to all—this 1950 AGROMECK is sincerely dedicated. His capable supervision of publications at North Carolina State College has placed our school in the galaxy of leaders in college publications. His sterling qualities of manhood, his diligent labor, and his love for State College have made him beloved by all members of the student body and faculty alike.

In Appreciation

The staff of the 1950 AGROMECK on behalf of the student body takes this opportunity to express our appreciation to Professor L. L. Vaughan upon his retirement from active faculty participation after 41 years of service. Professor Vaughan, until the day of his retirement, had been connected with State College since he entered as a freshman in 1902, with the exception of two years, 1909-1911, during which he was at Columbia University. He is an outstanding teacher and a man of broad understanding of the problems which faced him and the students with whom he worked at State College. As his teaching career has been brought to a close, Professor Vaughan long will be remembered as a beloved instructor and adviser who could teach his students by pointing to his own handiwork.

PROFESSOR L. L. VAUGHAN, B.S., M.E.

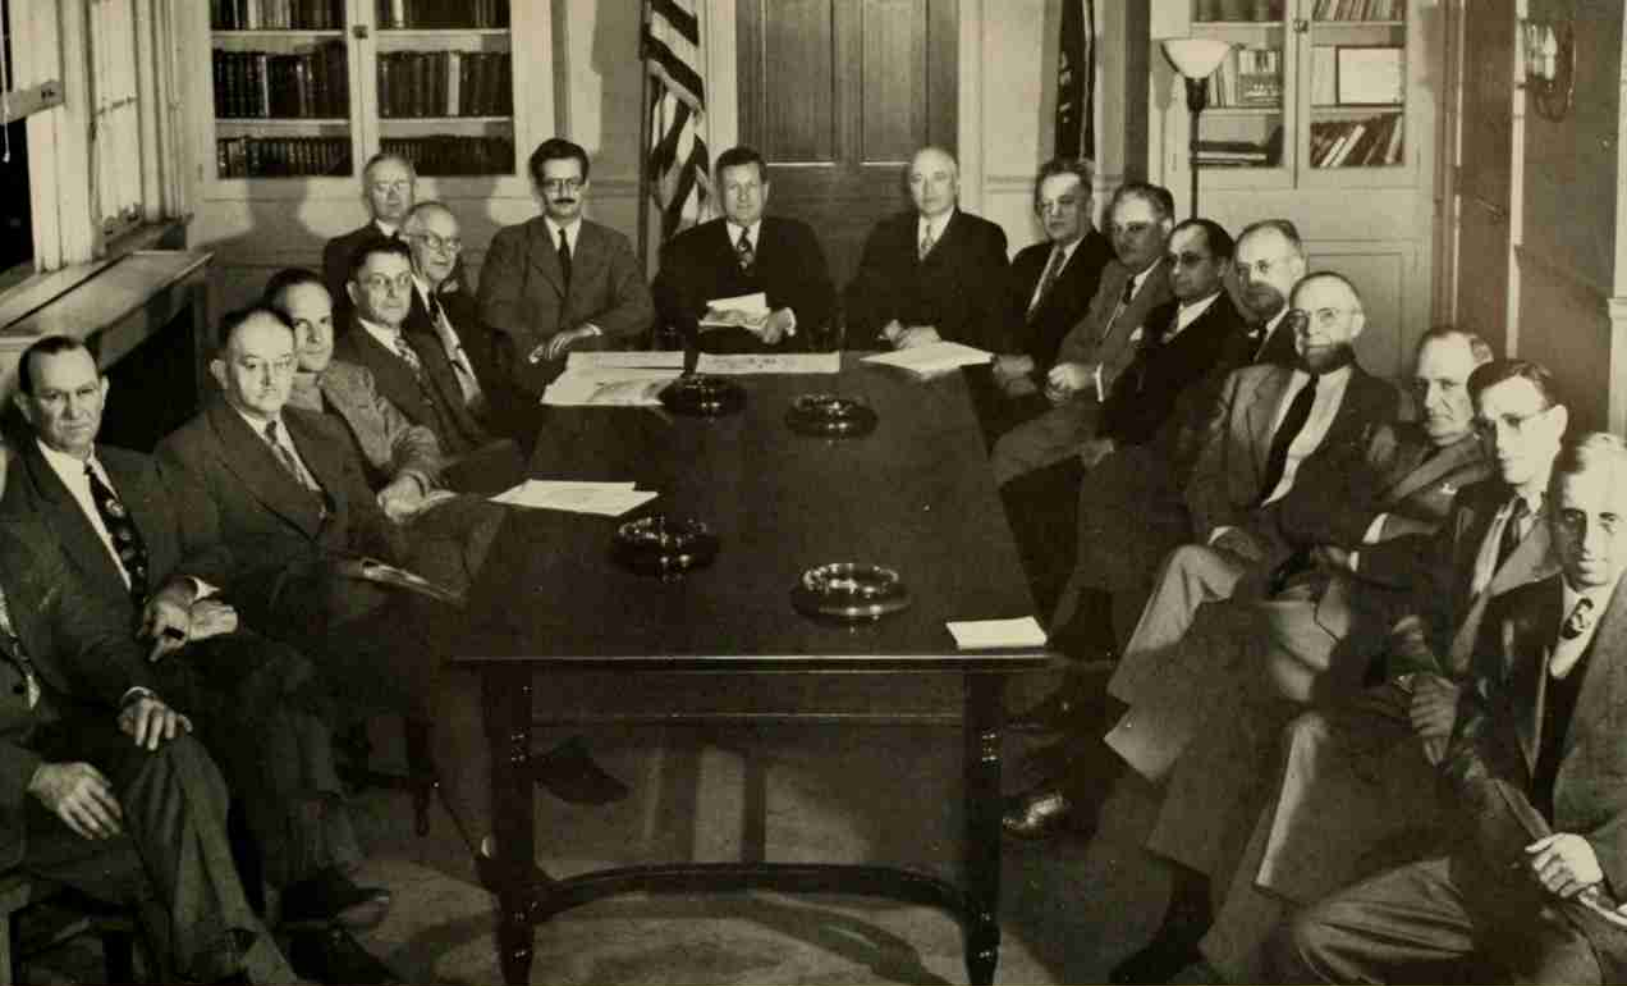

JAMES J. STEWART, B.S., M.A.

LYLE B. ROGERS, A.B., M.S.

The school year of 1949-50 marked the establishment of the Inter-Dormitory Council as one of the leading organizations on the State College campus. The two men most directly responsible for the growth and development of the Council are James J. Stewart and Lyle B. Rogers. Mr. Stewart has done an outstanding job in bringing about the physical rehabilitation of the college dormitories in co-operation with the IFC, while Mr. Rogers has served most effectively as a counselor in helping students to resolve some of their many problems. The genial personalities and willingness to be of service at all times of these two men have gained them the admiration and respect of the student body for a job well done.

AGRICULTURE AND FORESTRY

Tremendous changes are taking place in American agriculture. New ideas, new techniques, and different farming patterns are all a part of this changing period. Never has there been a greater demand for men trained to master these new problems.

The School of Agriculture and Forestry is attuned to the training of men to meet these new responsibilities in the various fields of agricultural sciences. Various curricula have been developed which will enable students to select the field of work in which they are most interested and best qualified to serve.

HENRY L. KAMPHOEFNER, *Dean*

The School of Design, newly formed in the summer of 1948, is devoted to the development of an organic and indigenous architecture and its accompanying landscape architecture and the related arts to meet the needs and conditions of the southern regions.

As the only Department of Architecture in the most progressive State in the South and the only Department of Landscape Architecture in the region, the opportunities are unlimited for the School's graduates to contribute to the solution of problems in building design, planning and general construction.

J. H. LAMPE, *Dean*

The School of Engineering offers technical and engineering instruction to meet the needs of the people and industries of North Carolina.

Attuned to the rapid industrial development in North Carolina, the School of Engineering is an effective contributor through its modern educational program and research activities. In addition to its seven accredited undergraduate curricula, the School of Engineering also provides courses of study leading to the Master, Master of Science, and Doctor of Philosophy degrees. These curricula and outstanding research department provide educational facilities for students who seek an opportunity to be a part of the industrial and scientific growth of the State.

SCHOOL OF TEXTILES

With new and improved technology in the Textile Industry, there comes a demand for men with technical training to meet and solve its problems. It is the main objective of the School of Textiles to provide the training in Textiles which, coupled with practical experience following graduation, equips young men to assume positions of real responsibility in the industry.

The facilities of the School are expanding rapidly, as is evidenced by the addition of two fully equipped wings to the building. In line with the expanding building facilities have been the addition of well-trained and experienced men to the teaching staff. Thus, we sincerely believe that the quality of training now being offered is on a par with the demands of the industry.

GRADUATE DIVISION

The function of the Graduate Division is to provide graduate training in the sciences and technologies of agriculture engineering, textiles and vocational teacher training. Graduate students have the advantages offered by the Agricultural Experiment Station, the Engineering Experiment Station, and the Research Laboratories of the Textile School, in addition to the regular laboratories used for instruction.

Individually developed courses of study lead to the degrees of Master of Science and Doctor of Philosophy.

SCHOOL OF EDUCATION

The School of Education provides the professional pre-employment training required for certification teachers of Mathematics and Science, Vocational Agriculture, Industrial Arts, and Industrial Education. The curriculum in each of these departments includes courses designed to aid prospective teachers in acquiring an understanding of high school pupils and in selecting and using acceptable teaching methods. The School also provides undergraduate training for recreation leaders in industrial and rural areas.

Programs are offered at the graduate level for those who wish to attain further professional development in the fields of Agricultural Education, Industrial Arts, Industrial Education, Industrial Psychology, and Occupational and Informational Guidance.

JOHN W. SHIRLEY, Dean

The Basic Division, comprising eight departments concerned with the humanities and social sciences, provides the opportunities in general education necessary for a well-rounded college program in the fields of technology, education, and agriculture. Instruction is available in the basic and advanced courses in language, literature, and social sciences, and physical education.

In co-operation with the various schools of the college, the Division has planned its program for all students with the conviction that familiarity with the humanities and social sciences must go hand in hand with thorough technical training to provide the background for responsible citizenship and for intelligent leadership in community and state.

N. C. STATE

PROGRESS IN THE MAKING

ALL around us are evidences of that intangible something called PROGRESS. Everywhere we look about this great campus of ours we can see reminders of the great strides which have been made and are being made daily. State College has now entered the limelight that until a small number of years ago was shared by only a few select schools in the nation. Under the skilled hands of its capable administration, the college has moved by leaps and bounds into its rightful capacity as educator, trainer, and enlightener of its many and distinguished graduates. On these pages are concrete proofs of the fact that North Carolina State College is truly a place of "progress in the making."

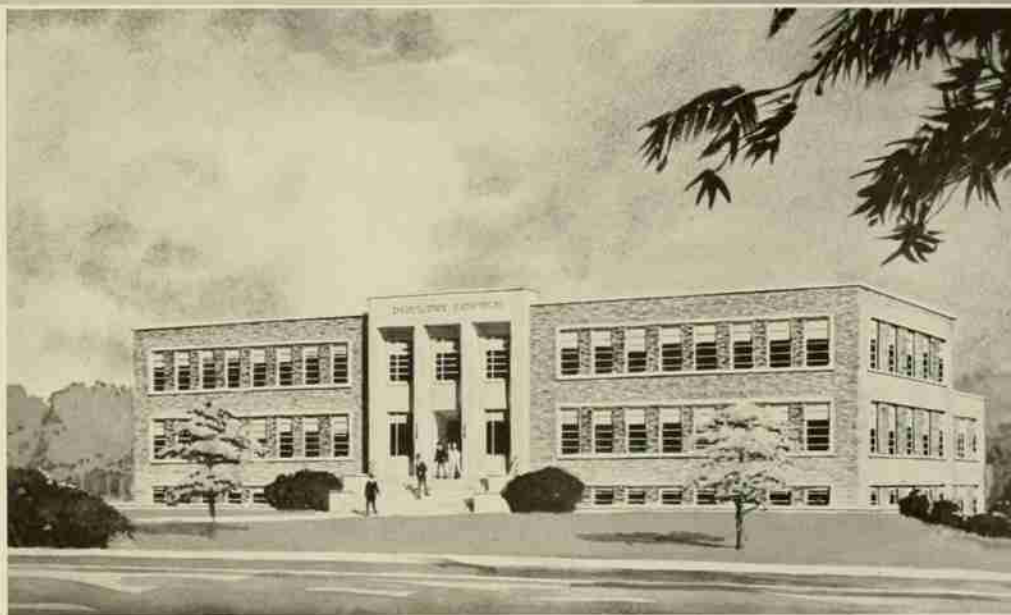

The Riddick Engineering Laboratories Building is scheduled for completion in June, 1950. The gigantic structure will house lecture rooms, offices, many laboratories, and research equipment for electronics, radio, radar, television, and other branches of engineering.

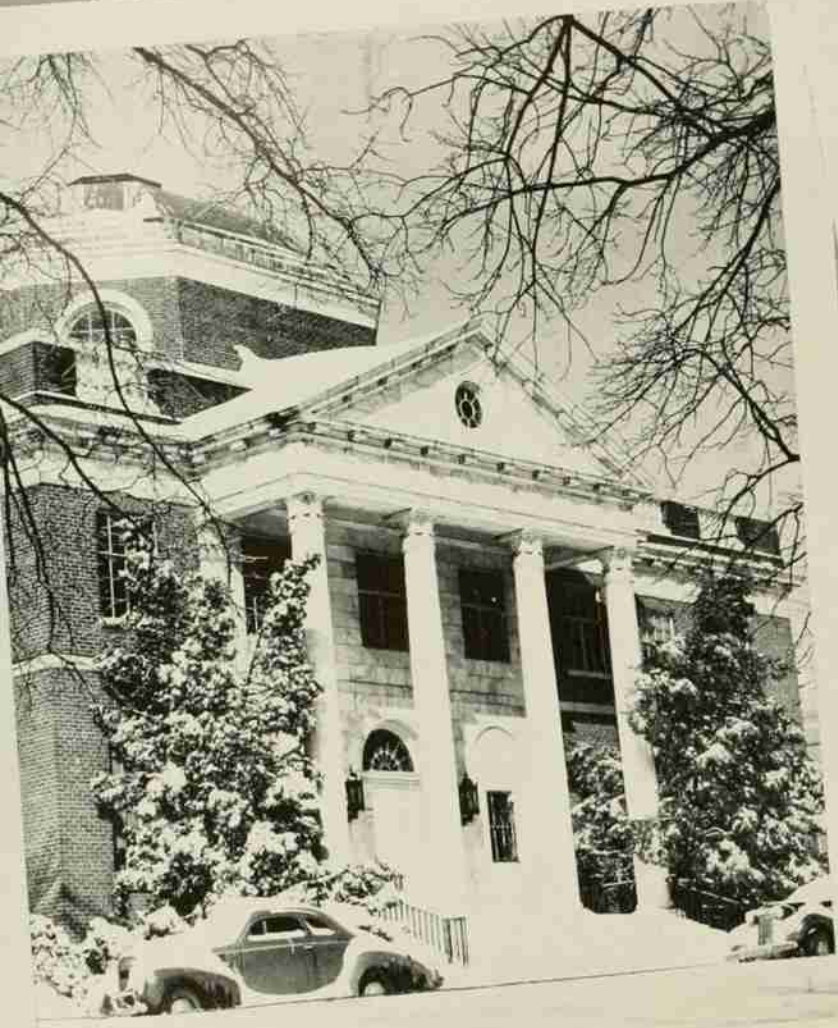

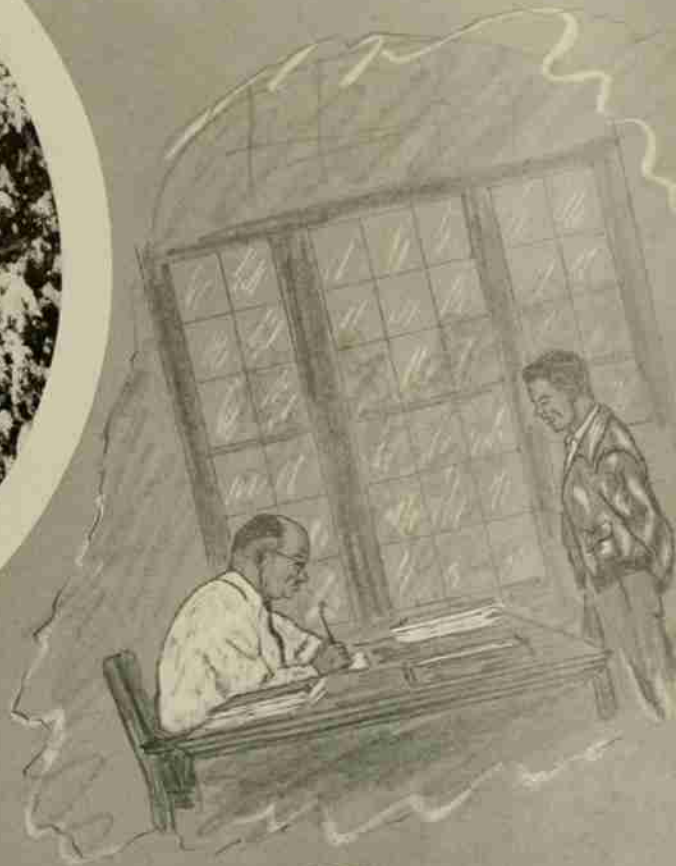

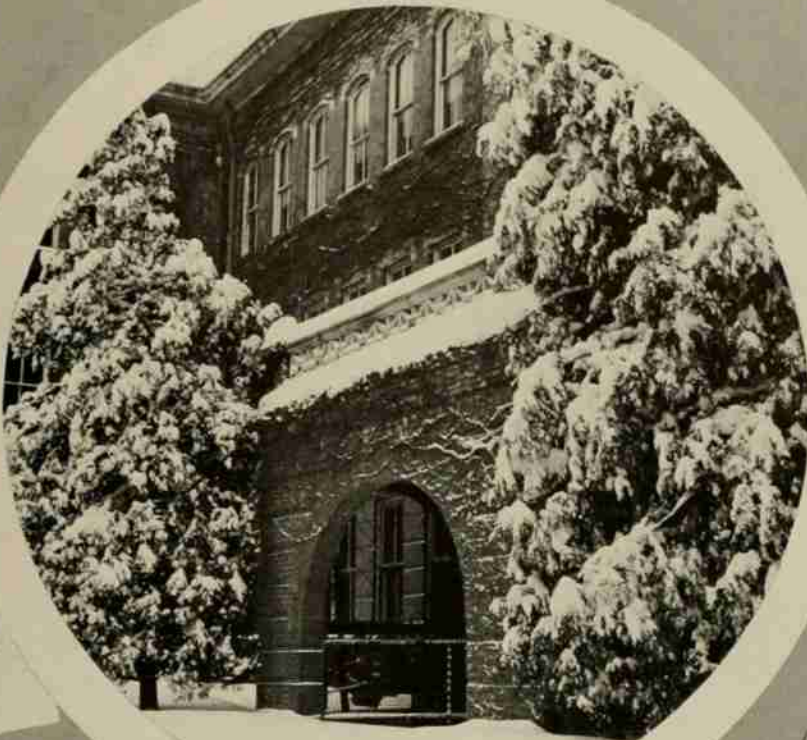

Shown above is the William Neal Reynolds Coliseum, which was opened on December 2, 1949. This huge edifice is a tribute to the growth of State College and will fulfill a definite practical need on the campus.

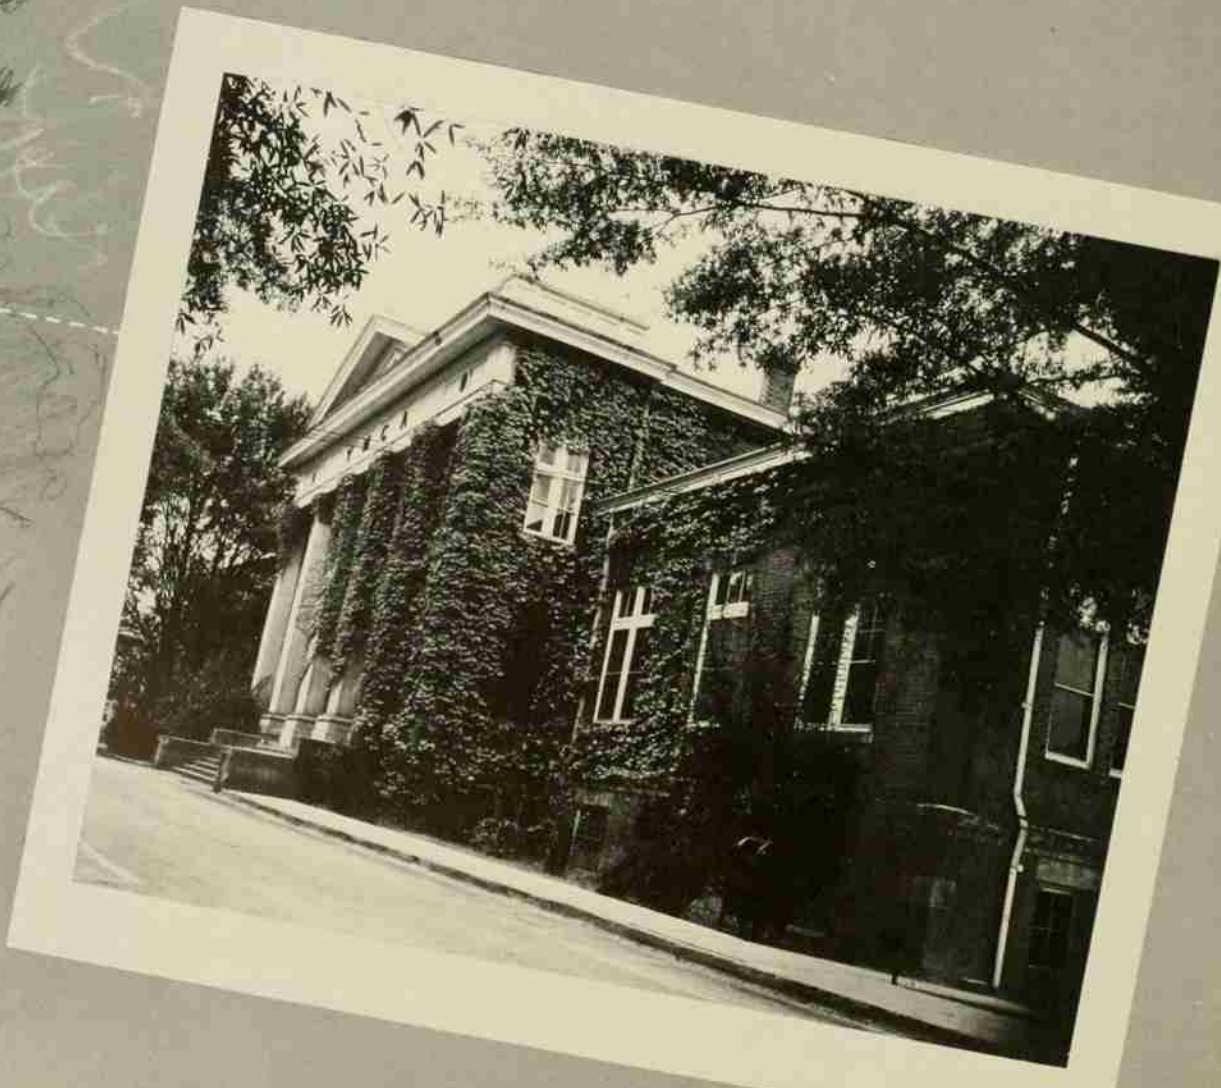

At the right is the architect's drawing of the Poultry Science Building, which is under construction at a location on Hillsboro Street directly east of the Textile School. When completed this building will contain many special features that will prove to be invaluable to undergraduate training.

THE GOLDEN CHAIN

Senior Honorary

Golden Chain, Senior Honorary Society, was organized in May, 1926. The purpose of the society is to promote better citizenship and leadership on the campus. In May each year, twelve Juniors, considered the outstanding members of their class, are added to the Chain by a tapping ceremony at the Memorial Tower.

Blue Key Honor Fraternity was founded at the University of Florida in October, 1924, to perpetuate belief in God, to preserve the principles of good citizenship, and to promote the best interest of the students.

It recognizes outstanding qualities in character, scholarship, and service, placing equal emphasis upon leadership in student activities. Membership is composed of graduate and undergraduate students of all departments of American colleges and universities.

This year Blue Key sponsored a gigantic Homecoming Celebration and a dance following the Homecoming game that was extremely successful. This dance was given jointly with the Monogram Club. Blue Key also cooperated with other campus organizations in various activities to perpetuate a more meaningful campus life.

MILITARY SCIENCE AND TACTICS

Edited by
JEANNETTE SIMPSON

The Reserve Officers Training Corps is one of the major educational components of North Carolina State College and is one of the most active organizations on the campus. The State College Regiment maintains the distinction of being one of the finest of its kind in the entire country.

At State College the R.O.T.C. consists of six specialized units: Air, Infantry, Quartermaster, Ordnance, Signal Corps, and Engineers. The Air unit forms a separate group, which composes the third battalion in the organizational setup.

The North Carolina State College R.O.T.C. is under the direction of fifteen commissioned Army and Air Force officers. They are assisted by a competent staff of non-commissioned officers. This combined group of men act as drill instructors, military classroom instructors, and executives who handle the supplies, training program, and other varied functions of the regiment.

ARMY AND AIR FORCE OFFICERS

Left to right, first row: Lt. Col. William A. Craig, Lt. Col. Howard E. Price, Lt. Col. James H. Stell, Major Harry G. Benion. Second row: Major Withers G. Birdsong, Major James J. England, Major Chester D. Nielson, Capt. Elwin O. Brown. Third row: Capt. Donald R. May, Jr., Capt. Daniel Wade McElwee, Capt. Leo Rachmel, Capt. Henry Romanek. Fourth row: Capt. C. A. Thompson, Lt. John T. Nave.

Almost twenty-five years ago, a group was formed to help the student publications solve their many business and editorial problems. This nucleus was composed of A. S. Brower, then the College's Business Manager, Stewart Robertson of the English Department, and the editors and business managers of the AGROMECK, the *Technician* and

the *Wataugan*. In 1931 this group became known as the Student Board of Publications under the chairmanship of Frank H. Jeter, who since that time has been a tower of strength to many harassed student journalists. In 1947 a permanent Executive Secretary was employed. This addition to the Board proved to be a very beneficial move,

SCOTT F. STIDHAM

The 1950 Agromeck

Publication of the 1950 AGROMECK marks the appearance of the forty-eighth volume of State College's yearbook. The AGROMECK, sometimes referred to as the "master publication" of North Carolina State College, has enjoyed a continuous existence. It is the only campus periodical that successfully survived both World Wars. Within the confines of this book can be found snapshots, records of the various organizations that can be found on our campus, and all the other many things that are reminiscent of the school year. It is the sincere hope of each member of the staff that this 1950 AGROMECK will be enjoyed and cherished by all who receive it.

The Technician

As the weekly newspaper published by the students of North Carolina State College, the *Technician* covers news of all campus events and other local news of interest to the students. On February 1, 1950, the *Technician* observed the completion of its thirtieth year of publication.

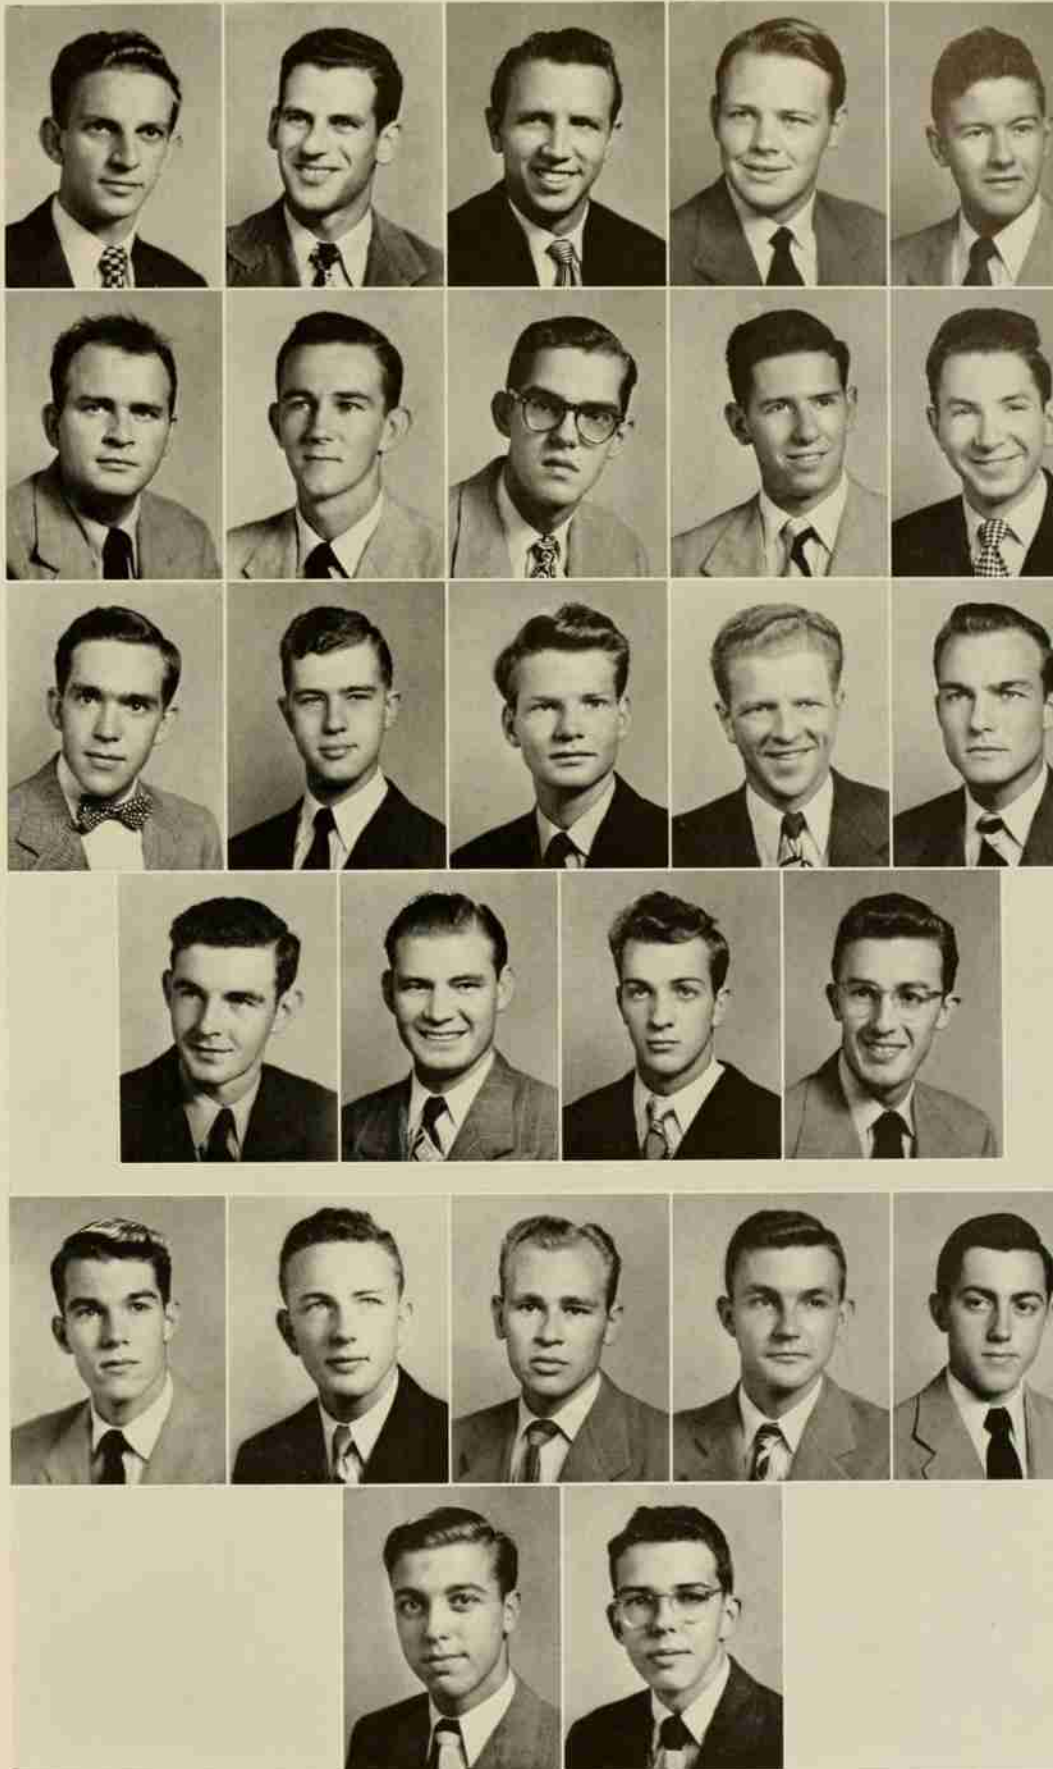

The *Technician* is considered one of the outstanding college newspapers in this section of the United States. The cost of this weekly for the student is included in the publication fee which he pays as part of his regular fees. The editor and business manager of the *Technician* are elected by the student body in a campus-wide poll held during the spring term.

TED P. WILLIAMSON
Editor-in-Chief

Working on the theory that a magazine could be both literary and humorous, the founders of the *Wataugan* made an effort to establish a publication that would please the students and at the same time meet the standards set by the Student Board of Publications. The material for this popular magazine, published six times a year, is supplied by the student body and includes fictional stories, art, jokes, and poetry. The editor and the business manager of the *Wataugan* are chosen in the annual campus-wide elections. Candidates for these posts are picked by the Publications Board from the experienced members of the staff.

WVWP, the Voice of the Wolfpack, brings programs of special interest to State College students each week-night. This radio station is staffed entirely by students and during the past year brought many football and basketball games, in addition to various disc jockey presentations, over the airwaves. Within the past few years the radio station has been remodeled extensively, and the coverage has been increased to a great degree. Many special features are offered by WVWP, including student short stories, faculty interviews, campus news, and evening devotional programs.

The *Agriculturist* is the official organ of the School of Agriculture and the "Ag" Club. It is published six times a year. This magazine, by printing articles on soils, livestock, and other items that are invaluable to agriculturists, promotes closer co-operation between students, faculty, and alumni. The *Agriculturist* serves as an important mode of publicity both within this state and others.

ACIE C. EDWARDS
Editor-in-Chief

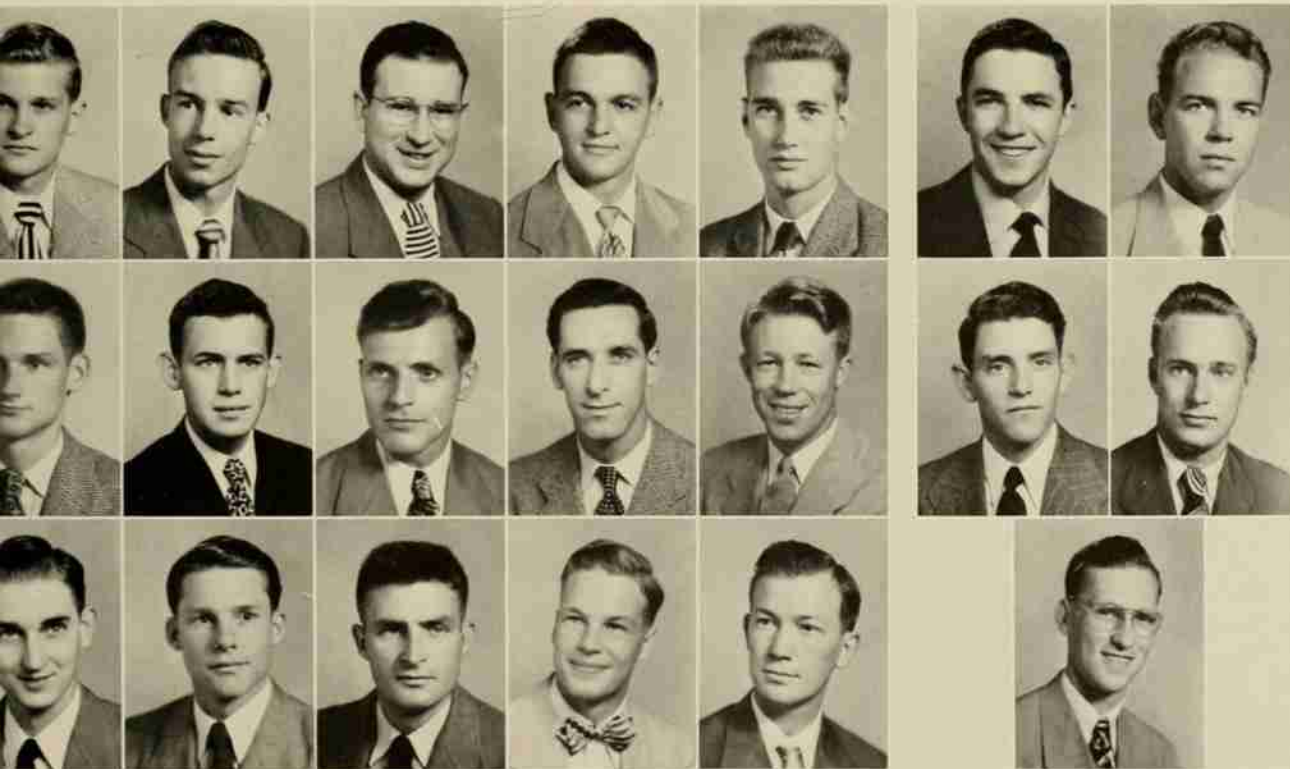

The *Pinetum* is the annual publication of the Forestry Club. For the past eighteen years it has been the major outlet for activities of the students in the Forestry Foundation. The students find this book an attractive reminder of good times together, as it contains pictures of graduating seniors, camp events, and trips. Many former students maintain knowledge of the whereabouts of others through the brief events section of the book.

The Southern Engineer

WARREN W. ROBERTSON
Business Manager

WILLIAM E. HOLLOWELL
Editor-in-Chief

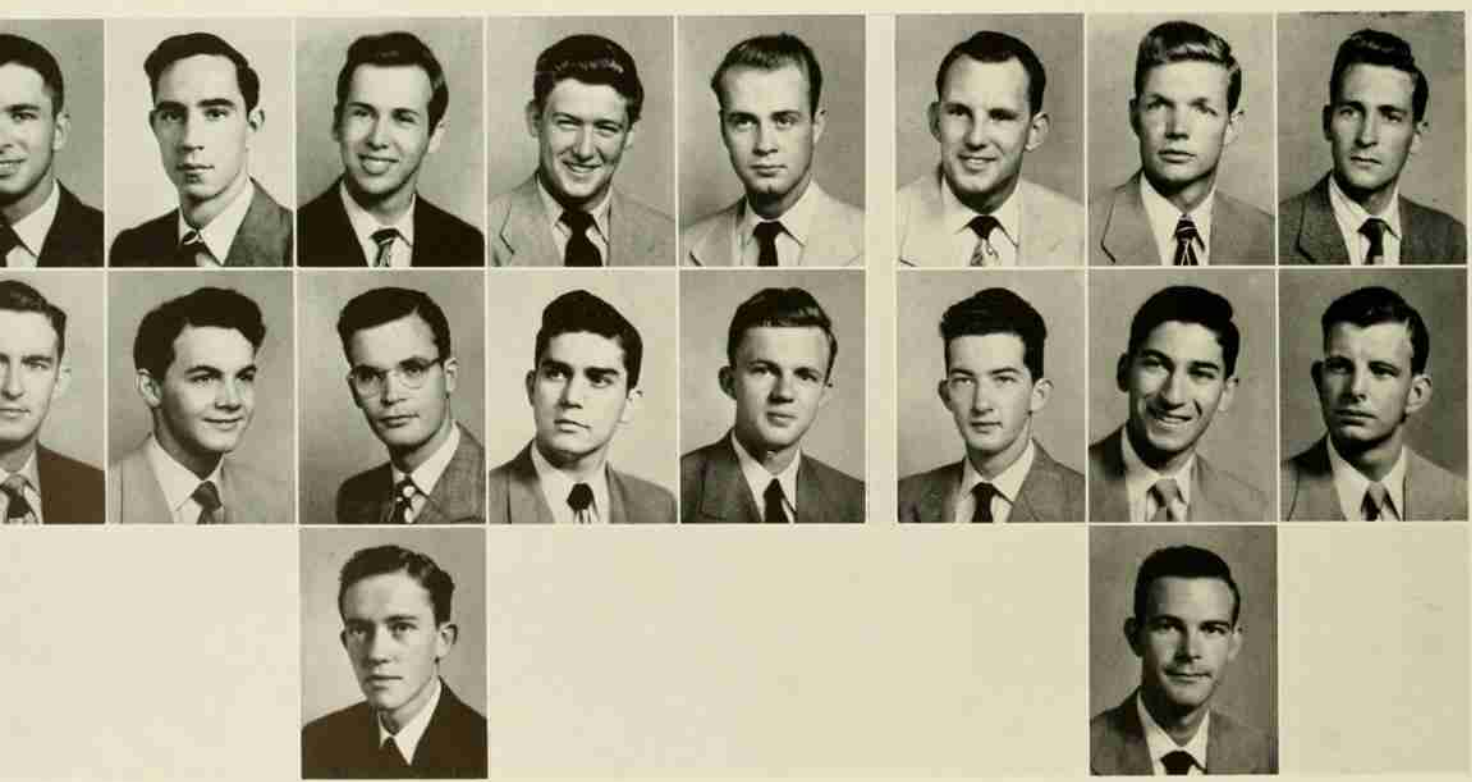

The *Southern Engineer*, sponsored by the Engineers' Council, is published by the students of the School of Engineering and appears six times during the school year. The magazine has the dual purpose of disseminating information and affording students an opportunity to develop writing techniques. It also helps inform the engineering public of the South of the standards, opportunities, and progress of the School of Engineering.

The Textile Forum

WILLIAM M. BARNHARDT
Editor-in-Chief

CHARLES G. BUIE
Business Manager

The *Textile Forum* carries articles of technical interest by members of the faculty, by men who are actively engaged in the textile industry, and by the students themselves. Through this means it serves as an important link between the textile industry and the students of the School of Textiles. This magazine is published quarterly and is sent to leading mills throughout the country. Three members of the faculty are on the Editorial Board, and they recommend the appointment of an editor and a business manager each year.

One of the chief sources of information for new and old students alike is the North Carolina State College *Handbook* which is published annually. It also serves as a guide and reference book for students and faculty members. The *Handbook*, formerly financed by the Y.M.C.A., now receives

its support from the general publication fee. The editor and business manager of this valuable publication are elected in a campus-wide election that is generally held in the fall term. Their offices are located in the Student Office of the "Y."

GREATER UNIVERSITY STUDENT COUNCIL

E. PRESTON ANDREWS, JR.
Vice-Chairman of the Council

HOYLE B. ADAMS
Chairman of the State College Delegation

In the two years of its existence, the Student Council of the Greater University of North Carolina has proven its worth and has become established as a vital feature of student life here at State College, at the Woman's College, and at the University of North Carolina.

This past fall, Acting-President W. D. Carmichael, Controller of the Greater University, said, "This is the greatest thing that has happened to the University since the Consolidation." The Council's chief purpose and objective is to implement at the student level the spirit of the Con-

solidation Act, thus making the Greater University of North Carolina great in actuality as well as in name.

Delegation from the Woman's College: Sonia Angstad, Salley Cheney, Glenna DeWitt, Jane Edwards, Nancy Holder, Nell Jones, Lee Mahan, Ellen Metz, Eleanor Rigney, Nancy Porter, Jeanne Teague.

Delegation from the University of North Carolina: Dan Bell, Jess Dedmond, Patricia Denning, Helen Eppes, Ted Leonard, Al Lowenstein, Stewart McKeel, Bill Mackie, Bruce Sanborn, John Sanders, Dortch Warriner.

The Campus Government and Honor System was established in 1921 for "the purpose of forming a more perfect community of scholars, affording opportunity for training in American citizenship, and securing the blessings of liberty, learning, and integrity . . ." for those of the college community. This system of government is based on the conception that the problems of self-government on the modern college campus are not problems of student government alone nor of faculty government, but a concern of

every citizen of the college community. Therefore, each student, faculty member, and administration member votes in the election of officers of the Council.

The main function of the Campus Government and Honor System is to encourage the development of personal honor and integrity, scholarly achievement, and a genuine sense of civic responsibility in every person who matriculates at the North Carolina State College.

The Engineers' Council is composed of elected representatives of the various engineering societies on the campus. The primary function of this group is to co-ordinate the activities of the engineering societies represented.

Each year the Engineers' Council sponsors the Engineers' Exposition. It is also responsible for directing the publication of the *Southern Engineer*.

Another outstanding event sponsored by the Council is the knighting of outstanding engineering students into the Order of St. Patrick. The outstanding senior engineering student is recognized and given a gift by the Council.

Scholarship is encouraged at the Freshman level by selecting the two outstanding Freshmen from each department as Companions of St. Patrick.

The Interdormitory Council is composed of the President and Vice-President of each dormitory club on the campus. The purpose of the Council is to promote a co-operative and progressive attitude in the minds of the students, to consider and work for the benefit of the dormitory occupant, and to better his life socially, physically, and morally.

During the first year of operation the Council and dormitory clubs have done much to better our school spirit, our intramural program, and to give the students in the dormitories a schedule of social activities never known before on this campus. The future success of this organization depends primarily upon the continued work and co-operation of all the students in the dormitories.

Whatever else the Y.M.C.A. may be called upon to do, it still maintains as its central objective the influencing of students to lead a life of high principles and of service based on the teachings of Christianity. Such a task is not easy nor can it be done on a mass production scale. However, those who take part in "Y" activities and earnestly try to promote its program, and those whose lives become motivated by the idea of Christian service rather than personal gain will find that the enrichment which comes to them will be one of the most valuable rewards of their college career.

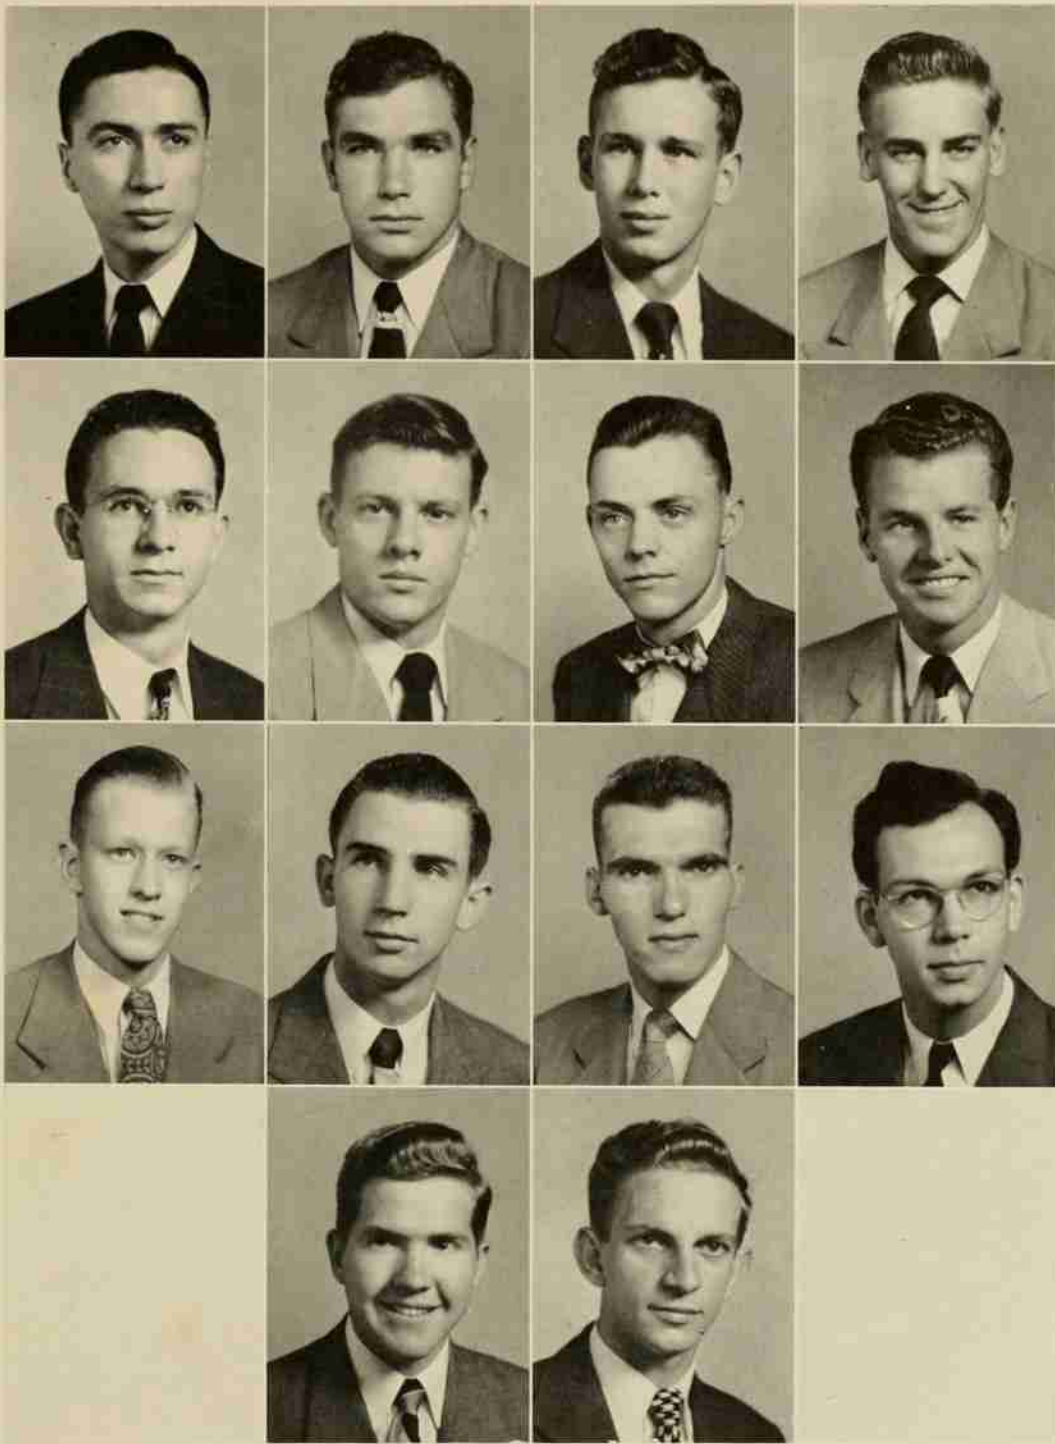

Secondary to this prime objective are the many service features provided by the "Y." A great need has unfailingly been met by providing meeting places, telephone and directory service, information and telegraph facilities, and reading and lounge rooms. With a Student Union soon to be built, the Y.M.C.A. looks forward to a time when more effort can be devoted to training Christian leaders, and yet a time which will see the organization as always ready and willing to serve.

Eta Kappa Nu is an Electrical Engineering organization that encourages outstanding achievement in the field of Electrical Engineering through its recognition of outstanding students. Scholarship, leadership, ability, and integrity of character are requirements for membership. Eta Kappa Nu has undertaken many projects for campus improvement. The organization also assists students in Electrical Engineering by furnishing a study room and coaching classes.

FACULTY MEMBERS

W. F. BABCOCK T. C. BROWN F. W. LANCASTER

Theta Tau is a professional engineering fraternity of college students. Members are chosen for their character, integrity, leadership, and scholarship. The purpose of Theta Tau is to develop and maintain a high standard of professional interest among its members, and to unite them in a strong bond of fraternal fellowship.

First row: Andrews, Allen, Barnes, Bowers, Brock, Cato, Clark, Dillender, Hollowell, Johnson.
 Second row: Linn, Long, Lovington, McDade, McKnight, Mims, Moore, C. W., Moore, W. H., Palmgren, Parker.
 Third row: Poteat, Robertson, Rhudy, Sasnett, Seibel, Stidham, Thompson, Turner, Westmoreland.
 Not pictured: Chadwick, Lampe, McCracken, McKeel, Perkins, Robertson, Smith, Williamson.

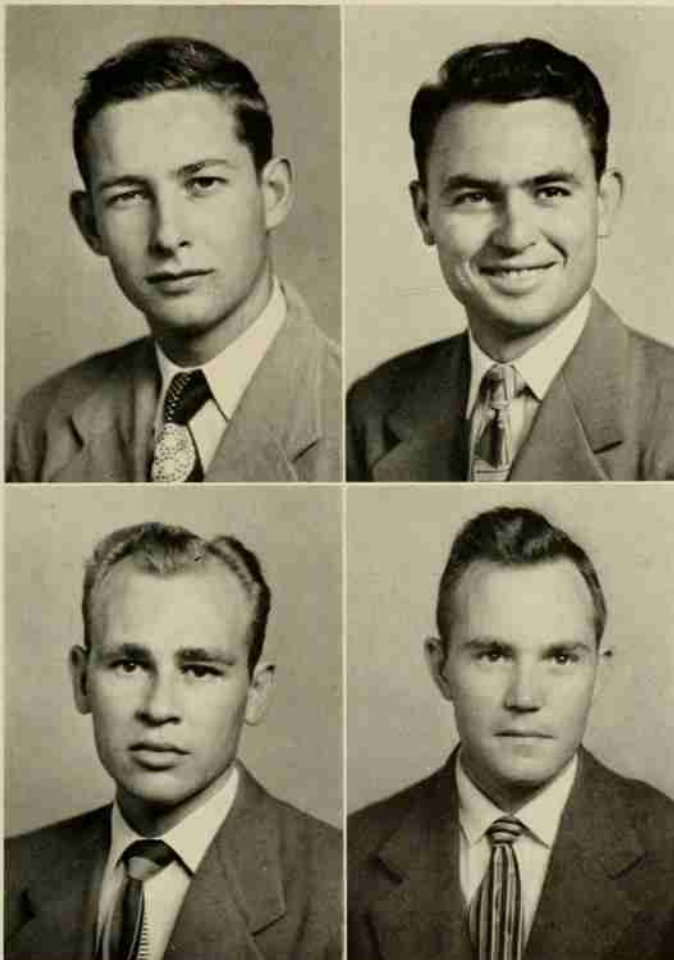

AMERICAN SOCIETY OF MECHANICAL ENGINEERS

The student branch of A.S.M.E. offers students in Mechanical Engineering an opportunity to develop finesse in leadership, administration, and public speaking. A.S.M.E. brings many interesting speakers to the campus to stimulate professional interest among its members. Its programs include inspection trips, social outings, joint meetings with neighboring colleges, sponsoring speakers of national prominence, and local competition for prizes.

L. B. McDade
President

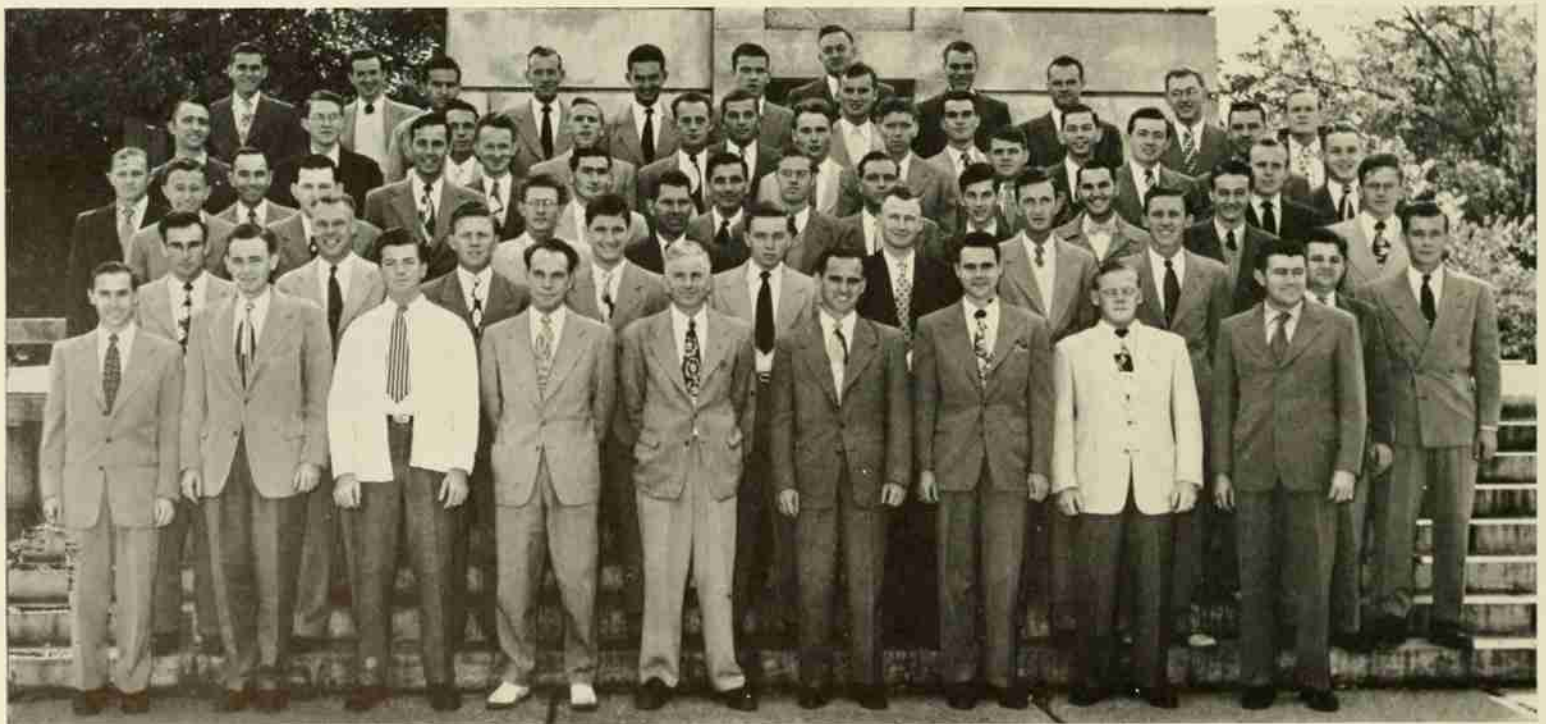

AMERICAN SOCIETY OF CIVIL ENGINEERS

OFFICERS

- L. B. McDADE President
 J. S. COLLIE Vice-President
 L. S. THOMPSON Secretary
 W. H. MOORE Treasurer

The object of this society is to afford an opportunity for closer acquaintance among the students in Civil Engineering at N. C. State College, to increase interest in engineering, to foster a true professional knowledge and spirit among students, and to co-operate with the professional and academic Civil Engineering World.

Meetings are held once a month and include addresses by professional engineers, films on engineering projects and construction, student papers presented before the chapter, social affairs, and business meetings. The chapter publishes its own monthly paper, *On The Level*.

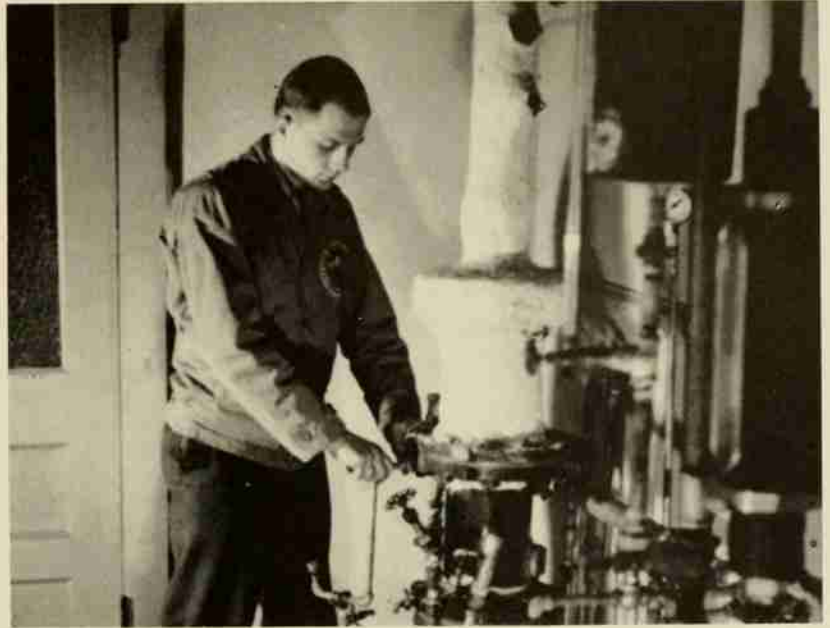

ROBERT H. BECKER
President

AMERICAN INSTITUTE OF CHEMICAL ENGINEERS

OFFICERS

| | | |
|-----------------------|-------|-----------------------|
| ROBERT H. BECKER | | <i>President</i> |
| JAMES N. OWENS, JR. | | <i>Vice-President</i> |
| J. REID CLARK | | <i>Secretary</i> |
| R. STEVEN THOMAS, JR. | | <i>Treasurer</i> |
| RICHARD GUSTAFSON | | <i>Publicity</i> |
| DR. F. P. PIKE | | <i>Counselor</i> |

The purpose of the student chapter of the American Institute of Chemical Engineers is to promote the ideals of the chemical engineering profession, to maintain high scholastic standings among its members, to promote student-faculty relationships, and to aid in the advancement of the engineering school as a whole. Each year, American Institute of Chemical Engineers brings outstanding speakers of the profession to its bi-monthly meetings and sends delegates to the regional conventions.

INSTITUTE OF AERONAUTICAL SCIENCES

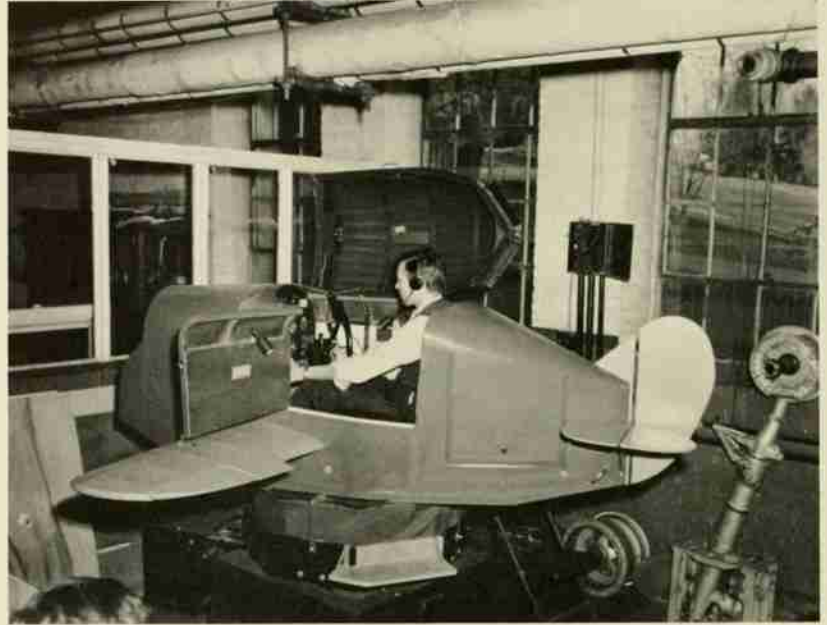

OFFICERS

| F. O. SMETANA | <i>Vice-Chairman</i> |
| E. J. LANIUS, JR. | <i>Secretary</i> |
| W. I. OEHMAN | <i>Treasurer</i> |

L. F. WHICKER
Chairman

Keeping abreast of current trends in aviation is the prime objective of the North Carolina State College branch of the Institute of Aeronautical Sciences. Bi-monthly meetings are held throughout the year to disseminate information of interest and to promote fellowship among its members.

Faculty Members: Professor Mischel, Professor R. W. Truitt.

Members: O. G. Barnes, Jr., S. Belk, P. G. Bolich, J. S. Bowman, C. R. Brackett, D. P. Brake, W. E. Broach, H. V. Brown, W. C. Copeland, Jr., R. K. Corbett, C. C. Correll, Jr., E. Craig, A. A. Crews, G. A. Davis, J. B. Dreher, R. B. Eudaily, R. Folb, J. A. Hollinger, W. B. Harris, D. T. Julian, H. N. Kelley, R. B. Kember, J. W. Kiker, R. M. Kiser, Jr., E. J. Lanious, Jr., W. H. Lee, Jr., P. L. Lovington, R. F. Machee, J. G. McCracken, J. E. McCormick, J. A. Mangum, P. R. Matthews, C. M. Mitchell, Jr., W. I. Oehman, W. C. Parks, S. E. Phelps, Jr., B. E. Richardson, J. A. AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS

OFFICERS

- | | | |
|----------------------|-------|---------------|
| E. D. PALMGREN | | Chairman |
| J. L. DIEHL | | Vice-Chairman |
| R. M. SASNETT | | Secretary |
| E. T. WILLIAMS | | Treasurer |
| W. D. STEVENSON, JR. | | Adviser |

E. D. PALMGREN
Chairman

The primary function of the student branch of the American Institute of Electrical Engineers is to promote professional interest in this field and to develop latent abilities of its members. Activities of the organization include numerous inspection trips, regional and national meetings with the leading electrical engineers in the country, and local meetings at which technical papers are read and discussed. Each year prizes are awarded to students writing outstanding technical papers.

TAU BETA PI

OFFICERS

| | | |
|---------------------|-------|-------------------------|
| LARRY B. McDADE | | President |
| HERMAN E. SEIBEL | | Vice-President |
| CLEVELAND H. THAYER | | Recording Secretary |
| BOBBITT V. CORRELL | | Corresponding Secretary |
| PROF. F. S. ROOP | | Treasurer |

An engineering society chartered at North Carolina State College in 1925, Tau Beta Pi elects into its ranks each year those student engineers who have distinguished themselves scholastically. While scholarship is the prime requisite for admission, true integrity is considered "sine qua non" for membership. Membership in Tau Beta Pi is one of the highest honors that can be bestowed upon a student engineer.

The student branch of the American Ceramic Society is dedicated to the promotion of technical and professional development in the field of ceramics. The organization places emphasis on scholarship, character, and professional development. Outstanding speakers in the field of ceramics are invited to speak at the monthly meetings and movies are shown to acquaint members with various branches of the industry.

GORDON E. HOWELL
President

Founded in 1902 at Ohio State University, Keramos has the distinction of being the oldest professional engineering fraternity in the world. Membership is offered only to those students in the Department of Ceramics of Ceramic Engineering who have a good scholarship record, integrity of character, and leadership qualities. Honor students are presented with keys in recognition of their achievements.

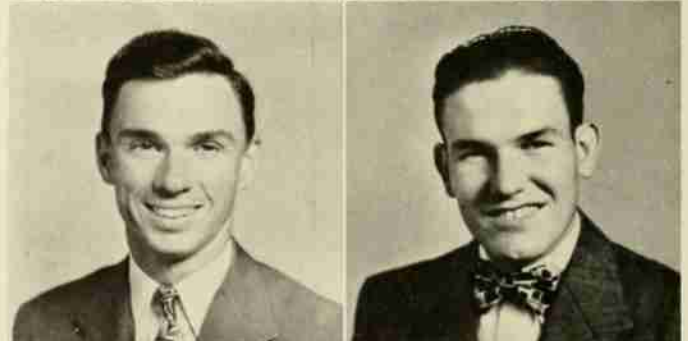

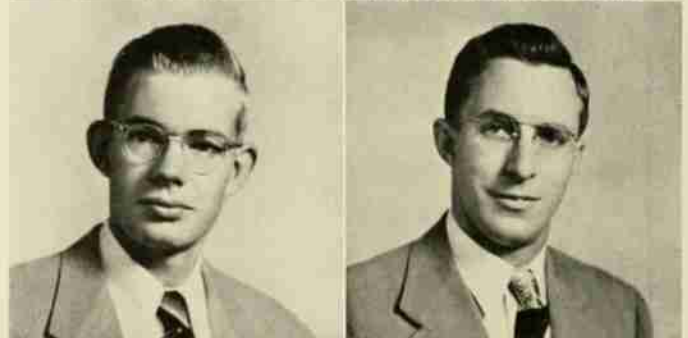

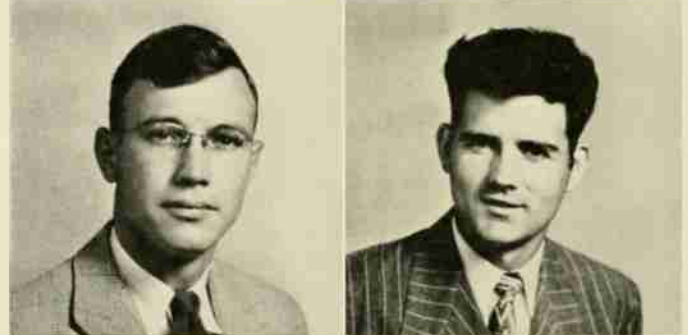

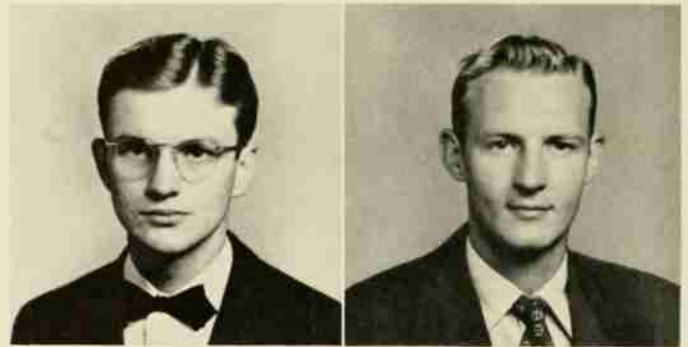

Faculty Members: W. C. Bell, W. W. Kriegel, C. V. Rue, J. L. Stuckey, E. M. Tuttle, M. A. Tuttle, C. R. Westlake, W. C. Wilson, Jr.

The Society of Industrial Engineers was organized on the State College campus in January, 1947. Through frequent meetings it proposes to link together the private and academic lives of the students and faculty. Meetings are held every two weeks and interesting speakers associated with closely allied fields are invited to speak. One of the main projects of the organization has been to organize the society on a national basis by inviting other schools teaching industrial engineering to participate.

Faculty Members: C. D. Bliss, C. D. Hart.

Members: E. P. Andrews, Jr., J. P. Alexander, G. R. Applegate, C. H. Bailey, C. M. Bodwell, A. C. Brock, G. Burgess, R. Collins, W. A. Combs, L. A. Corning, J. R. Coward, H. C. Davis, B. V. Faculty Members: G. H. Dunlap, E. B. Grover, T. R. Hart, J. T. Hilton, C. E. Johnson, W. Kirkman, H. Loveless, W. E. Moser, T. Nelson (Dean Emeritus), R. E. Parker, W. E. Shinn, C. Sink, B. L. Whittier.

Phi Psi Fraternity is a professional textile fraternity, the objects and aims being: first, to promote good fellowship among men of textile schools and the textile industry; second, to encourage a high standard of textile work; third, to assist by every honorable means the advancement of its members.

Eta Chapter at North Carolina State is the largest chapter in the fraternity, in parallel with the largest textile school in the world. During 1949-50, the chapter took part in arranging a display of student work for the national Phi Psi convention, and conferred honorary degrees upon two outstanding men in the textile industry. Social activities of the group include the annual banquet, at which time a cup will be awarded to the Man of the Year in the Textile Industry.

 WELLS DENYESReporter

The Tompkins Textile Society attempts, through bi-monthly meetings, to further student interest in textiles and to bring the student body and faculty closer together through mutual respect and friendship. Men from various phases of the textile industry are invited to discuss with the society their particular branch of textiles, often supple-

menting their lectures with films and displays on the subject entertained. The social highlight of the year is the annual Lint-Dodgers Ball.

Members: All students in the School of Textiles.

Faculty Advisers: Professor Dunlap, Professor Grover, Professor Thomason.

Delta Kappa Phi is the oldest professional textile fraternity in America, having been founded in 1899 at the Philadelphia Textile Institute. Started by a nucleus of seventeen charter members, Kappa Chapter was instituted on May 14, 1948, at State College. In the two years of its existence the chapter has grown to a size of forty student members and five faculty members. At Christmas time food baskets are given out to needy families of textile workers. This year Delta Kappa Phi was instrumental in helping with the School of Textiles Open House.

Faculty Members: Clarence M. Asbill, Malcolm E. Campbell, Kenneth S. Campbell, Dame S. Hamby, Henry A. Rutherford, Arthur C. Hayes.

Alpha Zeta was founded at Columbus, Ohio, on November 4, 1897. The North Carolina chapter was the eighth of forty-five chapters and was chartered in 1904. Its aims are perhaps expressed in the words of the founders. "Alpha Zeta was established neither as an honorary nor as a social fraternity, but as a professional fraternity in whose membership shall be combined the qualities of high scholarship, fine fellowship and sound character. These are the vital qualities of real leadership, and it was the actual potential leadership in the field of agriculture for which the fraternity was established to encourage and develop."

The function of the local chapter of the American Association of Textile Chemists and Colorists is to bring into closer contact the students of textile chemistry and the men of the textile industry. Specialists in textiles and allied fields are invited to speak before the organization in the hopes of correlating theory and practice.

The objectives of the organization are: "to promote an increase of knowledge of the application of dyes and chemicals in the textile industry; to encourage, in any practical way, research on chemical processes and materials of importance to the textile industry; and to establish for the members channels by which the interchange of professional knowledge among them may be increased."

Faculty Members: K. S. Campbell, R. C. Davis, A. C. Hayes, H. A. Rutherford.

Scabbard and Blade is a national honorary society and was founded in 1905. The membership consists of outstanding ROTC advanced course officers. The purpose of the organization is to increase efficiency, promote good fellowship, and raise the standards of military training in ROTC units at American colleges and universities. At the present time there are nearly one hundred chapters in the

United States. The local chapter is known officially as G-3. There are approximately forty-five active members at all times in the State College society. The activities in which members of G-3 were engaged during the past school year include the formal inauguration of a similar chapter at the University at Chapel Hill and the co-sponsorship of the annual Military Ball in April.

First row: Alston, Andrews, Collie, Collier, Cooper, Coward, Dalton, Gluck, Hinshaw.
 Second row: Hobson, Hutchins, Jones, Leonard, Lanthicum, McCulloch, Mills, Palmgren, Pardue.
 Third row: Pickett, Potter, Ross, Sheldon, Smetana, Stidham, Strider, Tatem, Williams, Williamson.

The Westminster Fellowship is the Presbyterian student organization, with headquarters at the West Raleigh Presbyterian Church. Its members, however, come from many Protestant denominations. It emphasizes equally the social and religious sides of the Christian life. Its aims are to enable students to maintain their contact with the church while in college and to assist in developing a fully-rounded

Christian character capable of representing the best we know in American life.

The church opens its doors to all students of State College, Meredith College, and the other colleges in and around Raleigh. There are regular Sunday Worship and Fellowship meetings as well as special recreational activities. The Chaplain, Rev. Arthur G. Courtney, is always available for consultation.

Director of Music

MUSIC DEPARTMENT

The Music Department under the direction of Christian D. Kutschinski embraces the Bands, the Symphony Orchestra, and the Men's Glee Club.

The ROTC Band and Drum & Bugle Corps provide all the musical requirements of the Military Department.

The "Redcoat" Band, composed of selected members of the ROTC Band and other musicians on the campus, presents halftime pageantry at all the football games, and provides music for other campus and civic activities.

The Concert Band concentrates on the best in band music, and presents a number of indoor concerts in the winter and early spring, and out-door concerts in the latter part of the season.

The Symphony Orchestra presents three or more concerts each year, and furnishes music for special assemblies, commencement, and other college affairs.

The Glee Club presents occasional concerts in Pullen Hall, and usually makes a concert tour in the spring term.

Alpha Chapter of Mu Beta Psi, national honorary music fraternity, was founded in 1925 at North Carolina State College. The purposes of Mu Beta Psi are to promote better fellowship among the members of the various musical organizations of the college, and among musicians of different colleges; and to advance music to its proper place as an educational subject. Alpha Chapter sponsors concerts by the various campus musical organizations and co-ordinates the activities of the Band, Glee Club, and Orchestra.

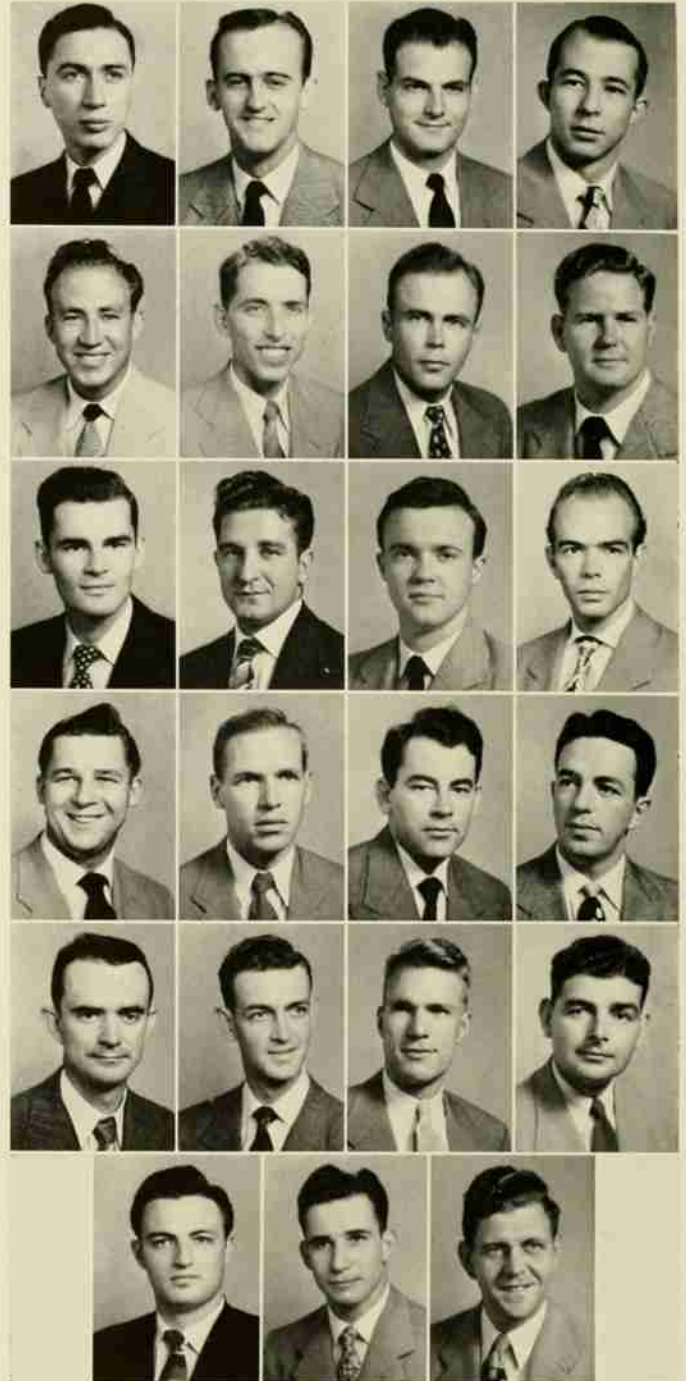

Faculty Members: Mr. S. R. Baker, Dean E. L. Cloyd, Dr. A. M. Fountain, Mr. C. D. Kutschinski.

Chi Epsilon is a national professional Civil Engineering fraternity, based on the broad objective of increasing the efficiency of the profession as an instrument of social betterment. Chi Epsilon was organized to recognize those characteristics of the individual engineer deemed fundamental to the successful pursuit of an engineering career, to aid in the development of those characteristics in the undergraduate engineer, thereby working toward a higher standard of service offered to humanity by the profession.

COSMOPOLITAN CLUB

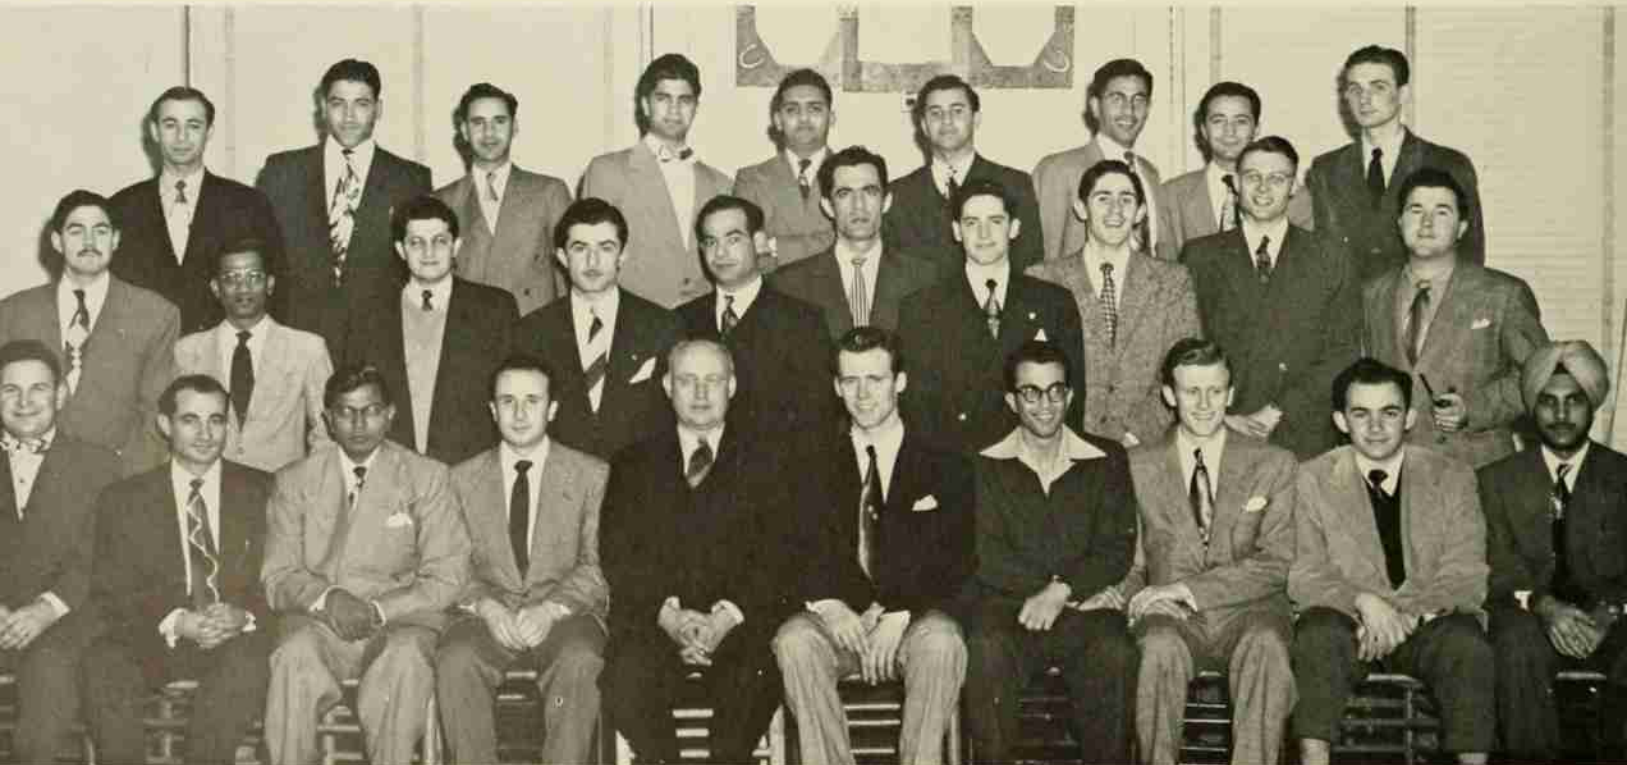

OFFICERS

- EDWARD B. GILBERT *President*
 SAMIR K. IBRAHIM *Vice-President*
 HENRY CIKUREL *Secretary*
 NORMAN GILBERT *Treasurer*
 DR. R. N. ANDERSON *Faculty Adviser*

The Cosmopolitan Club is currently ending its second year of existence on the State College campus. The club unites the foreign students for the purpose of promoting fellowship and understanding among students of different races and nationalities. Interesting and instructive programs are presented at the meetings, and the club's social activities include several evenings of entertainment at Dean Anderson's home. Activities of the Cosmopolitan Club in the past have been as follows: meetings of IRC Clubs of other schools, parties with students from Peace College, a ping-pong tournament, and the establishment of a varsity soccer club and a varsity fencing team.

Membership in the Cosmopolitan Club is open to all foreign students at North Carolina State College and to all interested American students and faculty members.

Members: G. O. Addison, P. H. Amersey, G. S. Bakoss, I. S. Bangdievala, D. A. Bassi, P. B. Caloveras, S. M. Cauble, H. Cikurel, K. A. Debbagh, J. A. Fuad, H. Garcia, E. B. Gilbert, N. Gilbert, J.  LELAND H. GREENBERG *Secretary-Treasurer*

JULIUS LASNICK
President

The purpose of the Hillel Foundation is to form a bond between the Jewish students at North Carolina State so that they may become better acquainted with each other, that they might have the opportunity of receiving instructions in their faith, and that they may have the counselship of a Rabbi.

Outstanding events of the year have included six social events with Duke, Woman's College, and the University of North Carolina chapters. Several well-known speakers were sponsored as campus-wide programs.

Student Members: A. Aberbuch, M. Alapin, J. J. Bardavid, T. Bernstein, M. S. Brettler, D. I. Brooks, A. M. Brooks, D. R. Brown, H. Cikurel, N. J. Concool, B. M. Davis, S. H. Filreis, H. Glass, M. C. Gluck, S. O. Gluck, N. B. Gold, H. S. Goldberg, R. A. Goodman, K. Gottlieb, L. Greenberg, H. Guld, J. Heim, C. S. Heyman, H. Jacob, M. Kallman, H. Kahan, W. Kassman, L. Kassvan, E. Katzin, L. Katzin, D. Koch, P. M. Koch, J. Lasnick, R. I. Levin, J. L. Link, L. J. Linker, W. J. Margolis, D. E. Marrus, S. Narvey, M. Pudnos, A. Rudolph, E. Rosengarten, M. Robinson, C. Scheinberg, M.  M. W. Raynor Alderman, Ward VIII

Second row, left to right:

Jack M. Harrell Alderman, Ward IV
 Harry Q. Simmons Alderman, Ward IV
 Mrs. C. S. Jennings Secretary-Treasurer
 George H. Andrews Alderman, Ward III
 William H. Moore Fire Marshal
 Mrs. W. E. Riggs Publicity Director
 J. F. Boney Alderman, Ward II
 Edward G. Robinson Alderman, Ward VI
 A. M. Gould Alderman, Ward VII

COMMUNITY OF VETVILLE

Vetville, a community of 316 families, was first established in 1946 to provide living quarters for married students and their families. The village set up its town government in June of that year to study and solve the problems of everyday living.

Vetville is divided into eight wards, each electing an Alderman to represent it on the Council. The residents of Vetville meet twice a year to elect a Mayor, a Secretary-Treasurer, a Publicity Director, a Fire Marshal, a Recreation Director, and an Athletic Director, who with the Aldermen study the problems at hand. These problems are submitted to the Aldermen of the various wards to assist the Council in making Vetville a better place in which to live.

Woodrow P. Bass
President

The Interfraternity Council was organized through the joint efforts of fraternity leaders and the North Carolina State College administration in the spring of 1931. The purpose of the council as stated in its constitution is "to advance the interests of North Carolina State College; to promote the general interests and welfare of the associated fraternities as a body; and to insure co-operation between them in their relations with the faculty, student body, and the public in general." The council is composed of two representatives from each chapter, elected by the chapter.

As the social feature of the college year, the council sponsors three series of dances—the Pledge Dances in the fall term; the Mid-Winters in the winter term; and the Finals on the week-end preceding Commencement.

NU CHAPTER

Alpha Gamma Rho is a national social fraternity, and was founded in 1908 at Ohio State University for the purpose of developing the best social, moral, mental, and physical qualities in each fraternity brother, and to promote a wider acquaintance and a broader outlook on the part of agricultural men through fellowship in a national organization. There are 33 active chapters of Alpha Gamma Rho. Nu Chapter, before becoming national in 1919, was the local fraternity Theta Beta.

One of the highest aims of Nu Chapter is outstanding scholarship, and all members are expected to develop a high standing. The national organization awards annually to the chapter with the highest scholastic average a plaque, which has been won by Nu Chapter five times. Nu Chapter has also won the Interfraternity Scholarship Cup eight times in the fourteen times that it was awarded.

To strengthen the bond of friendship, Nu Chapter sponsors house parties, picnics, fellowship dinners, and the Annual Founders' Day Banquet.

Nu Chapter, composed of alumni of the chapter, have given their wholehearted support to chapter activities.

RHO CHAPTER

Delta Sigma Phi is an international social fraternity which was founded at the College of the City of New York on Dec. 10, 1899. At the present time there are sixty-four active chapters comprising a membership of over 30,000. Rho Chapter is an outgrowth of the local fraternity, Gamma Alpha Nu Gamma, commonly called "The Gang." On May 20, 1915, twenty of these members were given a charter to Delta Sigma Phi, forming Rho Chapter.

During the past year the two main social events were the formal annual Founders' Day Banquet held in December and in the spring the annual Sailors' Ball. The *Carnation*, published quarterly, is the official publication of the "Delta Sigs."

The purpose of the Delta Sigma Phi is to give its members that intimate fellowship with men of good character so necessary to their full development and to supplement their cultural and professional education with training in those qualifications for citizens and leadership which are not directly a part of the university function.

ALPHA OMEGA CHAPTER

Kappa Alpha was founded at Washington and Lee University in 1865 to perpetuate the Southern ideal of gentlemanly character by Robert E. Lee, its spiritual founder. The fraternity is patterned on an order of knighthood, and members are expected to conform to the discipline of the order and cultivate the graces of Southern gentlemen.

Kappa Alpha restricts its field to colleges and universities south of the Mason-Dixon line. At present there are 70 chapters within the order.

Alpha Omega Chapter was chartered at North Carolina State College in 1903, being the second oldest fraternity on the campus. The chapter publication, *The Rose and Magnolia*, has been published periodically since 1941.

BETA UPSILON CHAPTER

Five years after the Civil War, William Gregsby McCormick, former head of the McCormick-Deering Corporation, and four friends founded the first American chapter of Kappa Sigma. Kappa Sigma had its original founding at the University of Bologna in 1400 and soon spread to many of the larger universities of Continental Europe. Since its founding in America on December 10, 1869, at the University of Virginia, Kappa Sigma has expanded until now it has at least one chapter in every state in the union. There are over 100,000 living alumni of the 120 active chapters. Beta Upsilon was founded on the State College campus in 1902, and has initiated 390 men. The fraternity publishes the *Caduceus*, a magazine for its members, and the *Star and Crescent*, a secret publication. Easter of every year finds Kappa Sigma entertaining underprivileged children at an Easter egg hunt on Colonel Harrelson's lawn.

GAMMA UPSILON CHAPTER

Founded at Boston University in 1909, Lambda Chi Alpha Fraternity has expanded until it is now the largest national fraternity, with one hundred and forty-four active chapters located at prominent colleges in the United States and Canada. Lambda Chi Alpha employs four full time traveling secretaries who aid and advise the local chapters. Last year an alumni secretary who assists alumni organizations and who co-ordinates a job-placement program was installed. The *Cross and Crescent*, the fraternity magazine, is published seven times annually. Other Lambda Chi Alpha chapters in the state are located at Duke, Wake Forest, and Chapel Hill. The local chapter sponsors the annual Fraternity Bridge Tournament and a Christmas party for underprivileged children.

ALPHA PHI CHAPTER

On June 8, 1949, the Alpha Phi Chapter of Phi Epsilon Pi came into existence on the North Carolina State campus. Previously known as Phi Epsilon Tau, the Phi Ep's still carry on their old policy of fraternity liberalism, which was initiated in November of 1946 when thirteen State College students banded together to form the Alpha Chapter of Phi Epsilon Tau.

During the winter of 1947, the local fraternity purchased a house at 207 Park Avenue. The entire year of 1948 was devoted to extensive remodeling and redecorating of the chapter's new home. During the fall term of that academic year, the fraternity had its formal housewarming.

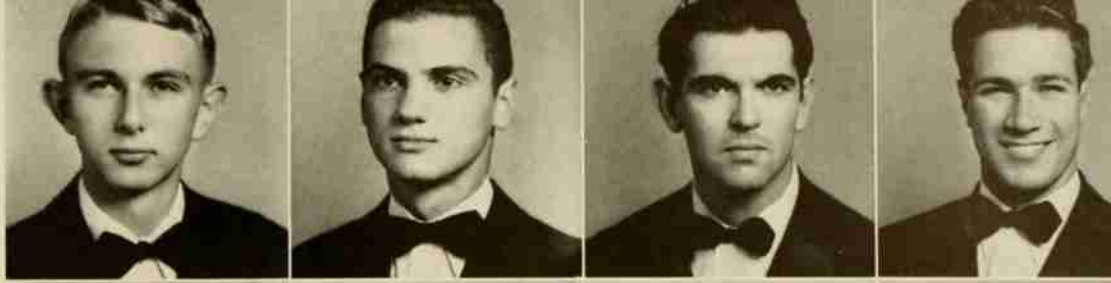

After consulting with officials of many national fraternities, the local chapter decided to affiliate with Phi Epsilon Pi. This made Alpha Phi the thirty-fifth active chapter in the national organization.

Phi Epsilon Pi presents its New Member Weekend in May of each year. The Weekend is dedicated to the newly accepted members of the fraternity. The Installation Banquet and the New Member Ball are the features of the Weekend.

CHI CHAPTER

In 1906, four outstanding students at Miami University, Oxford, Ohio, founded the Phi Kappa Tau fraternity. The fraternity and its ideas were drawn up by Dwight I. Douglas, William H. Shideler, Taylor A. Borradaile, and Clinton D. Boyd. Phi Kappa Tau was founded to break up a monopoly on student elections which were held by fraternity unions. The growth of the fraternity has been slow but consistent. Phi Kappa Tau has 57 active chapters and 31 alumni chapters throughout the nation. Chi Chapter at North Carolina State was granted its charter in 1923. Before that time the chapter was a social fraternity composed of outstanding textile students. The local was called Phi Psi Lambda.

ALPHA EPSILON CHAPTER

During the early spring of 1868, the friendship of six students at the University of Virginia grew into Pi Kappa Alpha. From this beginning, eighty years ago, the fraternity has branched out to form ninety-two fraternal chapters. Alpha Epsilon was given its charter in October, 1904, and annually presents the PiKA Ball at North Carolina State. This year will be the forty-second presentation of the Easter Monday Dance.

TAU CHAPTER

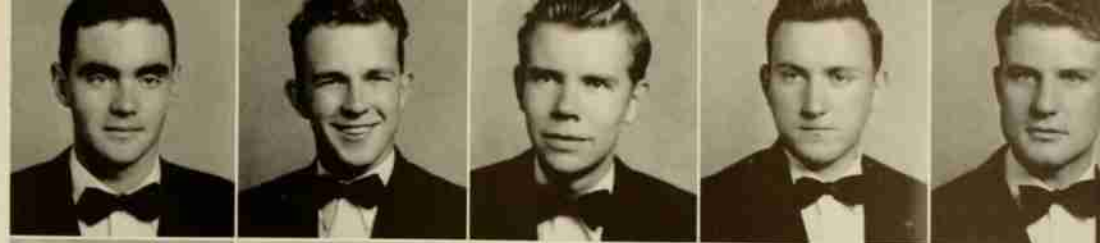

Pi Kappa Phi was founded at the College of Charleston in South Carolina, Dec. 10, 1904. It was a concrete and permanent result of a friendship that had flourished since the elementary school days in the environs of one of the South's oldest towns. With the definite purpose of extending the influence of the organization, the incorporation as a national fraternity took place in 1907. The purpose of the fraternity is "to promote fellowship and mutual trust among its members, to uphold the ideals and traditions of the college where its chapters are located, to encourage excellence in scholarship, and to inculcate in its members the highest ideals of Christian manhood and good fellowship."

Each year Pi Kappa Phi sponsors an annual interfraternity sing to promote cultural interest and competition among the fraternities at North Carolina State College.

N. C. ALPHA CHAPTER

Sigma Alpha Epsilon was the first of the great line of Southern fraternities. Founded at the University of Alabama in 1856, Sigma Alpha Epsilon, now the second largest national fraternity, has always been a leader in the Greek world.

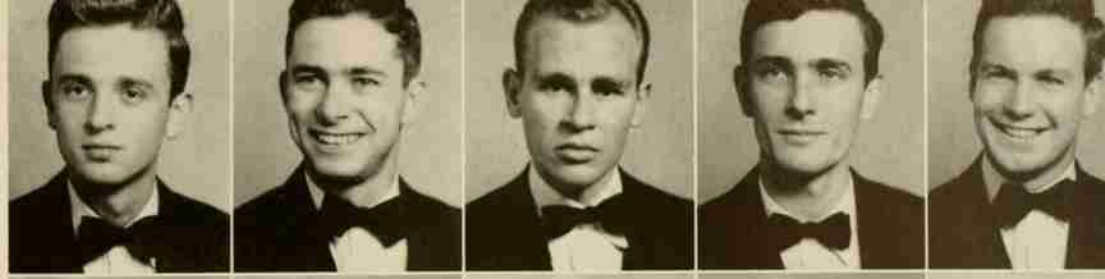

The membership of Sigma Alpha Epsilon consists of 127 active collegiate chapters and 120 active alumni chapters, and the fraternity points with pride to its 64,000 living alumni. SAE leads the Greek world in the number of chapter houses owned, the number of initiates and the number of living members. *The Record*, quarterly publication of Sigma Alpha Epsilon, has a circulation of 56,000 copies, the largest of any fraternity publication.

North Carolina Alpha is the third newest chapter of the fraternity, and it has been on the State College campus since Oct. 24, 1947. Since that time, SAE has taken its rightful place among the other great fraternity chapters of the campus and is doing its part in proving the greatness of the American Greek-letter fraternity.

SIGMA OMEGA CHAPTER

Sigma Alpha Mu was founded at the College of the City of New York on Thanksgiving Eve, Nov. 26, 1909. The founders, eight men who pledged themselves to a lasting bond of friendship, had no idea of the vast organization that would flower from the seeds they had planted. The object of the fraternity as expressed in its constitution is "to foster and maintain among its sons a spirit of mutual moral aid and support, to install and maintain in the hearts of its sons love for and loyalty to Alma Mater and its ideals, to inculcate among its sons such ideals as will result in actions worthy of the highest precepts of true manhood, democracy, and humanity."

Sigma Omega Chapter of Sigma Alpha Mu is the outgrowth of a local fraternity, Theta Phi, which had its beginning in 1929. From its inauguration, the fraternity has always maintained high standards of scholarship and conduct. This year Sigma Alpha Mu dedicated its new house at 304 East Park Drive to the eight men from the chapter who were killed in World War II.

DELTA EPSILON CHAPTER

Sigma Chi Fraternity, the nineteenth college fraternity to be founded, was established at Miami University in Oxford, Ohio, on June 28, 1855. Today, Sigma Chi has 119 chapters in leading colleges and universities throughout the United States and Canada.

The Delta Epsilon Chapter at North Carolina State was installed on May 15, 1943, after two years' existence as a local fraternity known as Chi Sigma.

Traditional activities of the chapter include the annual Christmas party for Raleigh orphans and the annual Sweet-heart Ball and Banquet. Securely established in their new chapter house at 2514 Clark Avenue, Delta Epsilon takes an active part in all campus affairs.

BETA TAU CHAPTER

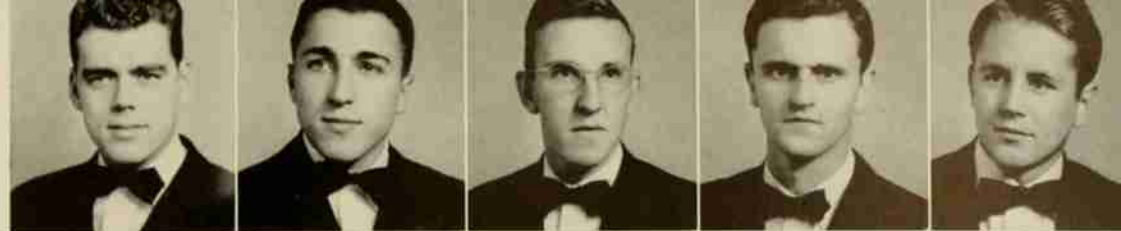

Sigma Nu originated from the Legion of Honor, a secret society organized in 1868 at the Virginia Military Institute. The four founders were moved by idealistic hopes, and they founded a society which would inculcate honor and mutually benefit its members. Since its founding the fraternity has prospered, and at the present time there are 102 active chapters throughout the country.

It is the oldest fraternity at State College, Beta Tau Chapter having been installed here in 1895. The purpose of its founders was "to establish through the warm friendships of a group of congenial college men, on the foundation stone of honor, ideals of intellectual achievement, character, and social development, all to the end of becoming better men and better citizens."

N. C. BETA CHAPTER

Sigma Phi Epsilon was founded at Richmond College, Richmond, Va., in November, 1901. The parent chapter selected a heart-shaped badge and were at first called the "Sacred Hearts." North Carolina State's chapter was the thirteenth chapter in the nation to be organized. Last year N. C. Beta of Sigma Phi Epsilon moved to Clark Avenue to their new home, purchased by the alumni association.

RHO CHAPTER

Sigma Pi, national social fraternity, was founded at Vincennes University, Vincennes, Indiana, Feb. 26, 1897. The purpose of its founders was "to organize the most worthy activities, social, athletic, and scholarly, and to set a high standard of manliness and college loyalty." The fraternity now has forty-three active chapters located throughout the nation.

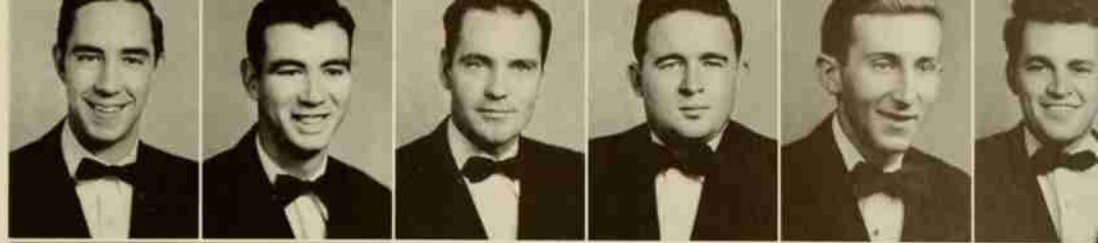

Rho Chapter, formerly the local Sigma Chi Gamma, was installed at State College in 1921. The chapter owns its own chapter house located at 2513 Clark Avenue, two blocks from the college campus.

The event of the year for the fraternity is the annual Founders' Day Banquet, held this year on Feb. 25 at the Sir Walter Hotel. The formal event was in celebration of the founding of the fraternity, and at this dance, which was called the Orchid Dance this year, each girl was presented with an orchid corsage.

BETA BETA CHAPTER

After World War II, when the National Chapter of Alpha Lambda Tau failed to reactivate, the members of Zeta Chapter at North Carolina State College voted to join a strong national fraternity. Tau Kappa Epsilon was installed at North Carolina State College on Jan. 19, 1947.

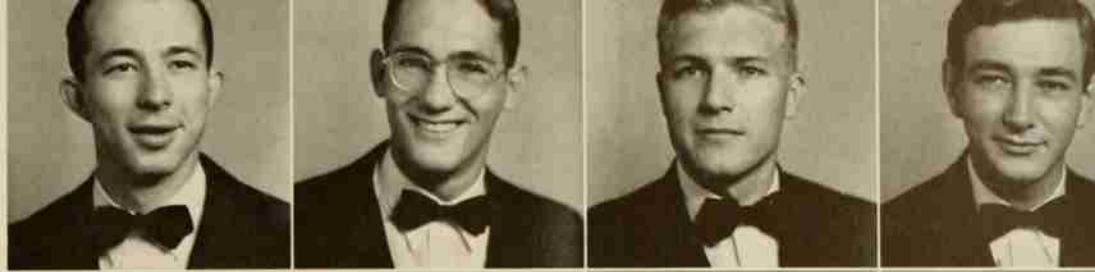

Aided by a strong alumni, Beta Beta Chapter has continued to grow steadily. During the past year the chapter house has been painted and redecorated, many new members have been initiated and a chapter newspaper has been distributed regularly among alumni and friends.

The chapter owns its own house at 10 Enterprise Street.

ATHLETICS

Edited by
JACK M. BOWERS

ATHLETIC ADMINISTRATION

Roy B. Clogston came to State College after a twenty-year tenure as Athletic Director at St. Lawrence University in Canton, New York. His formal education includes a degree in physical education from Springfield College and a master's degree from New York University.

His first official post was at Middlebury College in Massachusetts as assistant director of athletics, after which he returned to Springfield and completed work on a B.S. degree. The following year he attended New York University and received a master's degree. At the present time he has nearly completed work for a doctor's degree.

Clogston lends a very personal and conscientious interest to the school's athletic program. He is constantly endeavoring to improve the facilities in all of the sports and has been instrumental in expanding the program in general. Recently, he was responsible for the addition of a soccer team and a fencing team to State College's intercollegiate schedule.

The State College Athletic Director is rapidly becoming one of the top men in the Southern Conference, thus expanding the reputation he has enjoyed for many years. Roy B. Clogston is truly one of the outstanding college athletic directors in the nation.

CHEERLEADERS

At right: W. Scott Eubanks, Bob Worrell, Henry Champion, Charles King, Gerald Mann, and Al Parker.

Mann, Parker, Worrell, Keiger, and Champion started the season under the leadership of W. Scott Eubanks and became the backbone of the Cheerleading Squad as it progressed throughout the school year. None of these boys had had any previous experience as a cheerleader, but each of them did his job like a veteran. In the early part of the football season, six more persons were added to the squad. These were S. Hines, Kelly, Westmoreland, the

two Hines sisters, and Lib Lee. For the first time at State College, organized tumbling was introduced. Throughout the year the pep rallies featured comedy skits, vaudeville acts, downtown parades, and fireworks. This year the Cheerleaders had completely new uniforms. A highlight in the festivities of the Homecoming game was the wearing of red and white polka-dot shorts by both the boy and girl cheerleaders.

Line Coach

CHARLIE RAMEY
End Coach

THE COACHING STAFF

Beattie Feathers assumed his duties as head football coach at State College in 1944 after serving a year as backfield mentor under Doc Newton. Beattie played his first football for Bristol, Virginia, High, where he made All-State four years and All-Southern two years. After playing for General Bob Neyland at Tennessee as an All-American tailback, he starred in professional ranks for seven years.

Walt Slater took over Babe Wood's job as backfield coach in 1948. Walt attended the University of Tennessee in 1942-43. Back from the war, he finished out his football with the Vols in 1946. One year of professional football preceded Slater's appearance on the campus of State College.

Charles Ramey, end coach, came from Ashland, Kentucky, where he was athletic director and head football coach. Coach Ramey gained national fame when his 1942 Ashland Tomcats won the state crown. That same year he was named "High School Coach of the Year."

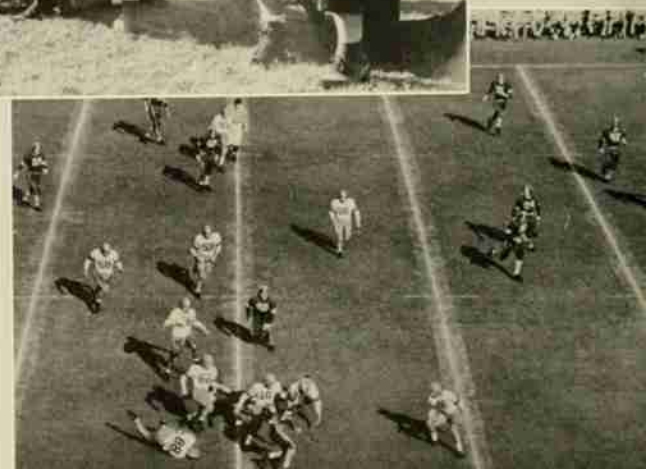

Line Coach Al Rotella came to State straight from Tennessee. Al started his football career at Paterson, New Jersey, High. He continued it at Tennessee in 1941 and 1942 and then went to the Army. After the war, Coach Rotella returned to Tennessee and finished his schooling. He remained with the Vols in 1947 as assistant line coach and then came to State the following year.

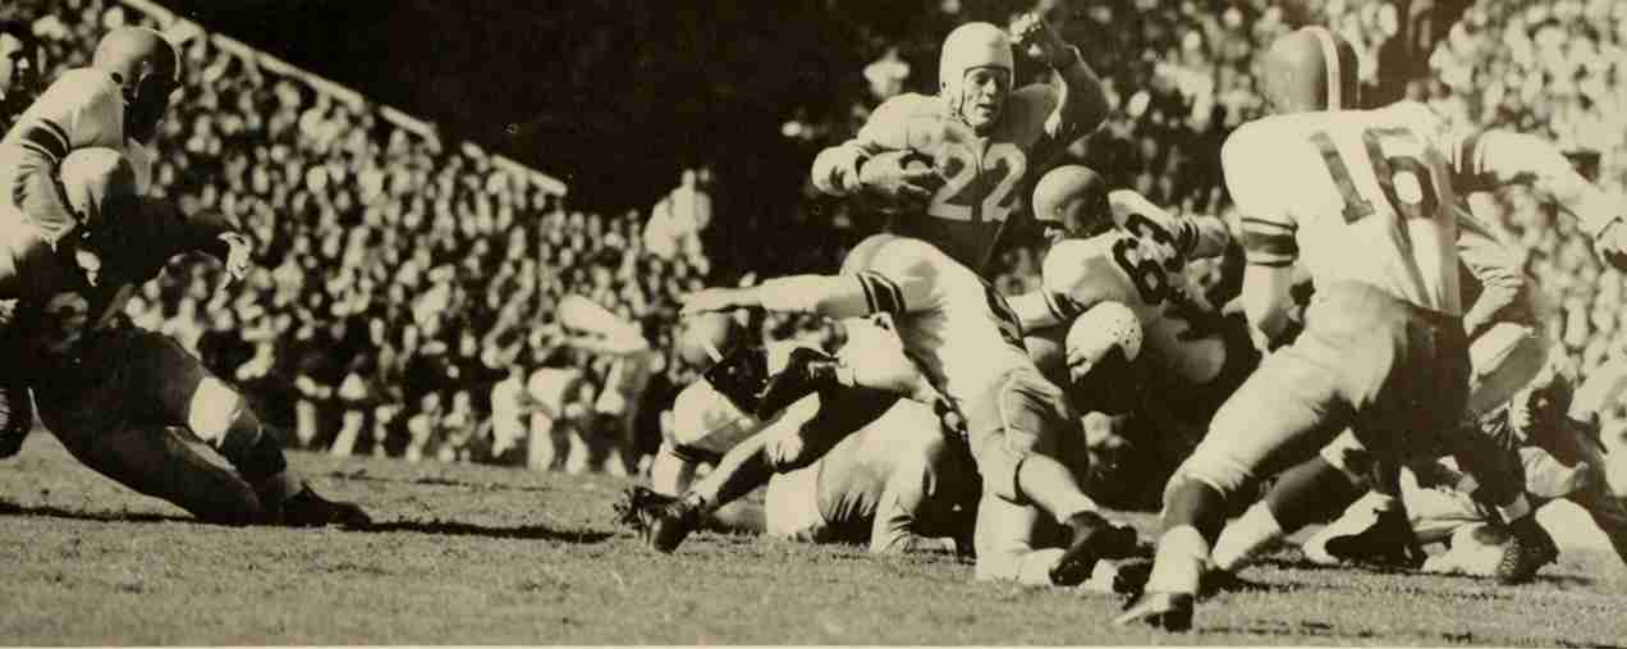

What's up, Coach?

The "underdogs" come through.

Look out, Carolina!

"I'll take 'em!"

Justice thrown for loss by entire State line.

THRILLER AT CHAPEL HILL

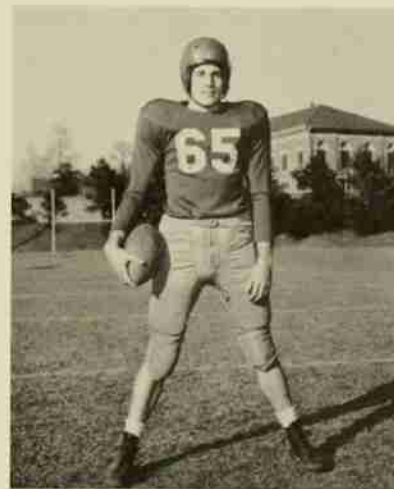

In the 1949 football season's opener, State dropped a 26-6 decision to the University of North Carolina Tar Heels. The two teams battled on even terms for three quarters before the Carolina lads could muster enough scoring strength to down the Pack.

All-American Charlie (Choo Choo) Justice proved to be the deciding factor in the game. Justice, bottled up by the powerful State line, had to take to the airways to carry his team to victory.

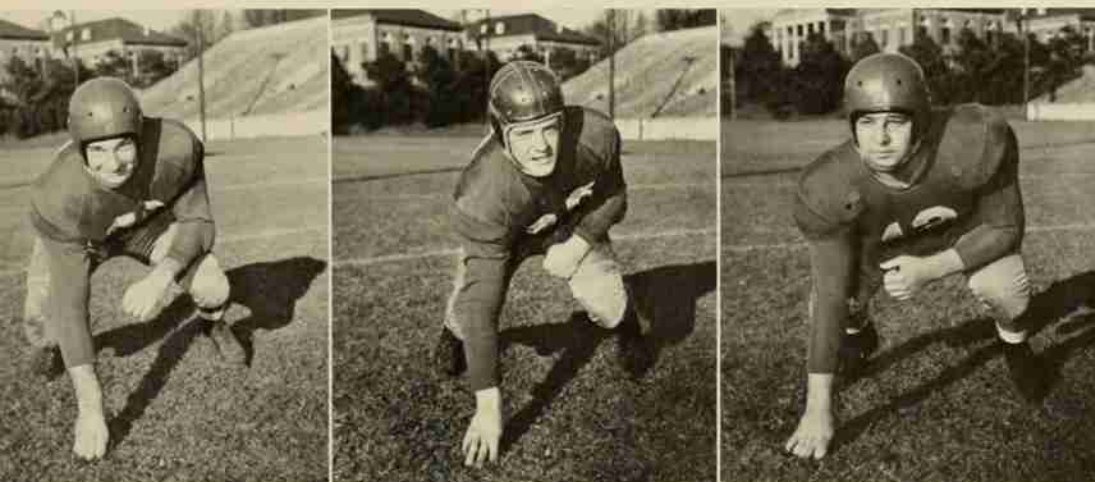

Coach Beattie Feathers' lads had three opportunities to score but could only capitalize on one of them. Midway of the third quarter, tailback Bill Thompson plunged over from the three yard line for the Big Red's first and only score.

On the opening kickoff, fullback Jim O'Rourke getting excellent blocking by his teammates, hauled the ball to the Carolina 29 yard line before being downed. Three plays later, Bill Thompson, on a running pass, hit end Tony Romanowsky on the Tar Heel 15 for a first down. However, after Thompson had carried to the two, the big Carolina line held and consequently took the ball over on downs.

State made its second bid in the closing minutes of the first half. Tailback Ed Mooney returned a Justice punt to the Tar Heel 41. The Pack's Ogden Smith and Dick Johnson highlighted a drive to the 36. At that point, Smith tossed a long aerial to end Roland Simon for a first down on the 15. Then sophomore Bob Branvan took another Smith heave for a first down on the five yard line. Again Smith passed, but the Tar Heels' Dick Bunting intercepted behind his goal line to end the threat.

SO NEAR AND YET SO FAR

After losing to the powerful Carolina Tar Heels, the luckless Pack played host to Clemson's defending Conference champions. The Tigers barely edged the fighting Wolfpack eleven, 7-6.

Led by their hard charging full-back Fred Cone, Clemson scored its lone touchdown in the second period when Cone plunged over Chandler, a substitute guard, split the uprights for the all-important extra point which proved to be the margin of victory.

State's offense, which had bogged down in the first half, caught fire in the third quarter. The South Carolinians, backed up in their own territory, were forced to punt. Soph wingback Paul Dinan snagged the ball on his own 15 and galloped down the sidelines for 77 yards before he was brought down. Dinan scored three plays later when he caught a pass thrown by Bill

Dostanko, Costa, and Tofaute close in for kill.

Thompson in the end zone. Guard Jim Byler's try for the extra point was wide and State trailed 7-6.

After the Pack scored, neither State nor Clemson could put together an offense which would click, and the game ended with the Tigers out in front.

Victory Seemed Certain, But . . .

Traveling to Charlotte, to engage the hapless Davidson College Wildcats, State suffered its first defeat at the hands of a Cat eleven since 1936. Davidson capitalized on a pass interception to turn certain defeat into a hard-earned 20-14 victory.

The determined Wildcats turned the trick with just six minutes remaining in the game. With the Pack on the Davidson nine yard line and almost certain to score, Jake Wade hauled down a State College pass and sped 95 yards for the Cat clincher.

Little Ed Mooney, the Wolfpack's star tailback, was responsible for both of the Pack's scores. After running off tackle for the initial TD in the first period, he opened the second half with a brilliant 90-yard run on the kickoff to score standing up.

State and Duke battle in conference thriller.

A HEART-BREAKER

State's never-say-die spirit almost won them a tie against the heavily favored Duke Blue Devils, but instead the Pack suffered their fourth straight loss.

With one minute left in the game and State buried deep on their own seven yard line, the locals burned up 90 yards in a very few seconds. Ed Mooney flipped a 15-yard pass to Bill Thompson, who took the ball on the State 20 and took off. Getting two good blocks, he headed for the left corner of the end zone, only to be downed on the Duke three. The Statemen were not to be denied, however, and on the next play Ogden Smith passed to end Tony Romanowsky for the second Pack TD. Sophomore Charlie Westbrook's kick missed the uprights by inches, and seconds later the ball game was over.

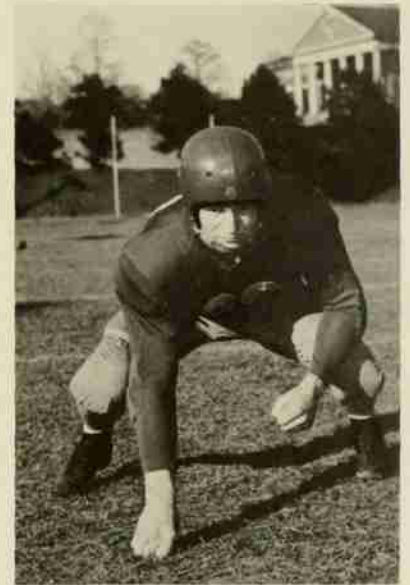

The first State touchdown came after the second quarter was five minutes old.

Switching from the Tennessee single wing to the T formation, Ogden Smith engineered the drive to pay dirt. The drive started with Bill Thompson taking a Duke punt on his own 13 and running it back to the 45, where the T got into high gear. Paul Dinan took a pitch-out from Smith and sprinted around left end for 20 yards. Smith, again on a long aerial to Dinan, put the ball on the Blue Devils' 14. On the next play, after faking a pass, T-Quarterback Smith carried to the seven. Fullback Paul Bruno hit the center and bulled down to the two. However, Smith fumbled and lost ten yards. Then with fourth and 13 to go, he passed to Steve Kossila in the end zone to register the touchdown.

HOME COMING

If statistics and line play decided a ball game, the State Wolfpack would have edged Maryland; but the Old Liners took advantage of their scoring opportunities and sent the luckless Pack down to a 14-6 defeat before a large Homecoming crowd.

The State team outbattled the Terrapins in the line, holding them to 63 yards and five first downs, but could not find the correct combination in the backfield to hit pay dirt.

The leaders in the excellent Wolfpack defense were tackles Elmer Costa and Ted Dostanko, guard Charlie Musser, and Bob Bowlby and Tom Tofaute, line backers. The three Maryland fumbles that the Pack recovered resulted from the inspired playing by the hard charging State line.

Coach Feathers' men opened the game fast, scoring in the first quarter. With Ed Mooney bearing the brunt of the attack from his tailback position, the Wolfpack marched from the midfield stripe to the Old Liners' goal. Mooney's pass to end Steve Kossila made the score 6-0, State.

However, Maryland came storming back and scored in the second and fourth quarters. Fullback Modzellewski took a pitchout and circled left end for the first Terrapin TD, and sub halfback Cianelli intercepted a Pack aerial and returned it 39 yards for the other Old Liner score.

DAME FORTUNE SMILES AT LAST

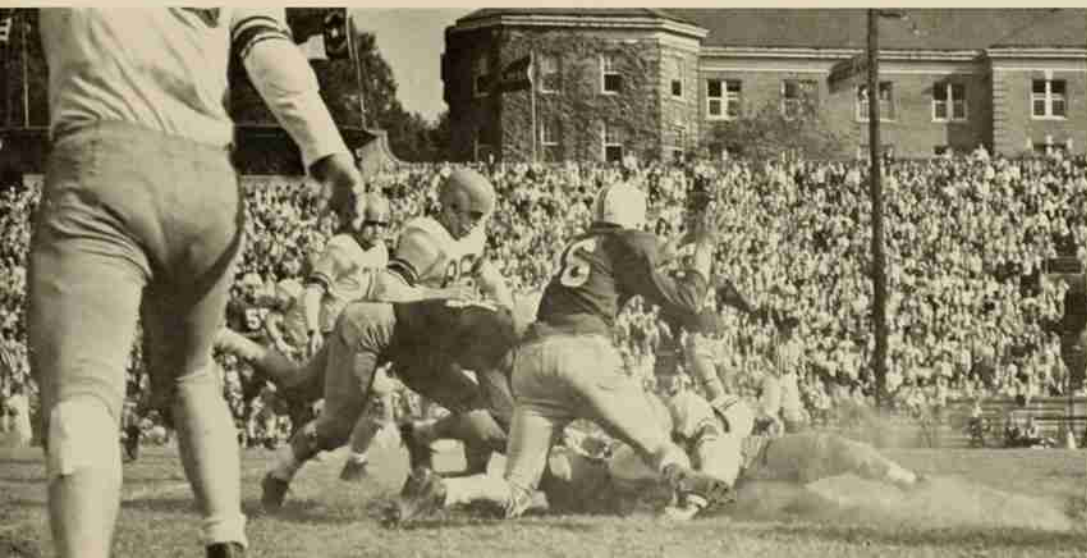

With the season halfway over and without a win to their credit, the Wolfpack eked out a narrow 14-13 win over a fighting Virginia Tech eleven in the mud of Norfolk's third annual Oyster Bowl game. Tailback Charles Westbrook's two perfect conversions spelled doom for the Gobblers.

Led by backs Ed Mooney and Bill Thompson, who scored the State touchdowns, Coach Feathers' team had the upper hand in the first half of the contest, but the Techmen took the offensive in the second half and almost provided an upset.

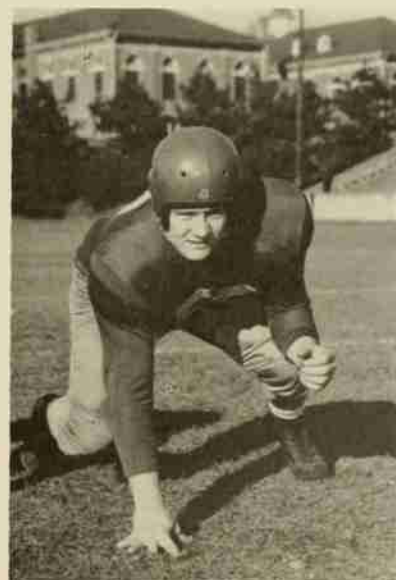

State opened the game fast by scoring early in the first period. Fullback Jim O'Rourke intercepted a Tech pass on his own 10, and getting good blocking, went down to the 47. After a succession of power plays through the middle of the line, Bill Thompson carried over for the score. In the second period, the Pack scored again on a 33-yard run by Mooney.

The Wolfpack forward wall was directly responsible for halting the Gobblers in the second half. All-Southern Guard Charlie Musser, All State Tackle Elmer Costa, and end Tony Romanovsky were particularly outstanding.

Fumble! And State recovers!

Mooney eludes entire Richmond team for 68 yards and a TD.

WE'RE FINALLY ROLLING

Showing off before a small home crowd, the Wolfpack notched its second win of the season with a 20-6 victory over the University of Richmond Spiders.

State's attack rolled for the last three fourths of the ball game, racking up scores in the second, third, and fourth periods, while the stymied Richmond offensive could get only a belated touchdown in the fourth quarter.

Sparked by backs Ed Mooney, Dick Johnson and Jim O'Rourke, the Pack's offensive hit pay dirt in the second period. The Big Red carried the ball on an 80-yard drive, climaxed by Mooney's 28-yard jaunt to the Spider four, where Johnson plunged over for the touchdown.

The running of Mooney, which was one of the highlights of the game, reached its height when he scampered 68 yards in the third quarter for the second State score. On his own 32, Mooney sailed through the Spider line and outran the Richmond secondary to the goal.

The last score of the evening came early in the fourth period as the result of a pass interception. The Wolfpack line had the Spiders bottled up deep in their own territory and Richmond, trying desperately to get back into the ball game, threw an aerial down the center, but O'Rourke made a spectacular interception and galloped untouched over the Richmond goal line.

Wolfpack Victors Over Deacons

The resurgent State Wolfpack rose to glorious heights by smashing the Wake Forest Demon Deacons 27-14 before 20,000 thrilled fans for their third straight win.

Scoring three times in the first period, State had the game well under control before the Baptists' offense started clicking in the third and fourth quarters.

The first two State scores came before the first period was five minutes old. After several nice gains by Dinan and O'Rourke, Ed Mooney passed to Bill Thompson on the four. From this point, Mooney scored standing up on a wide right end sweep.

Less than two minutes later the Deacons were stalled on their own 37 and had to kick. However, guard Charlie Musser bolted through to block the kick, and center Tom Tofaute snagged the bounding ball and scored easily.

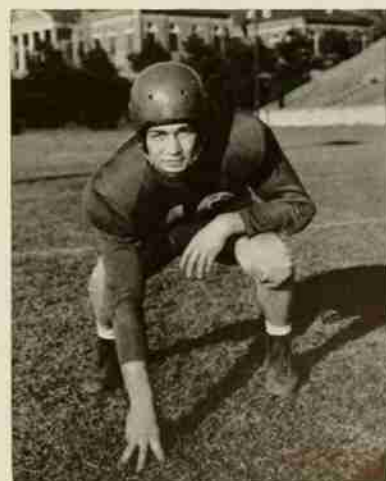

In the waning minutes of the first quarter, the Red and White hit pay dirt again as a result of a pass from Mooney to Thompson from the Wake 27.

After the Deacs' belated rally for two TD's, blocking back Bob Bowlby caught a desperation Wake Forest pass and sped untouched to the Deacons' goal for the final Pack tally.

Although it was a team victory for the Wolfpack, there were several standouts. Tackle Elmer Costa stopped everything that came his way, and guard Charlie Musser played a bang-up game.

It Was A Cold, Rough Afternoon

A northern jaunt to Philadelphia proved rather disastrous to the hard fighting State grid warriors, who dropped a rough 45-21 contest to the once-beaten Villanova Wildcats.

The Pack, a heavy underdog, gave a good account of itself, but was finally overwhelmed by superior forces.

The Wildcats, led by their giant fullback, Ralph Pasquariello, were manhandled by the Wolfpack in the first half, but took charge in the second stanza to run up their decisive score.

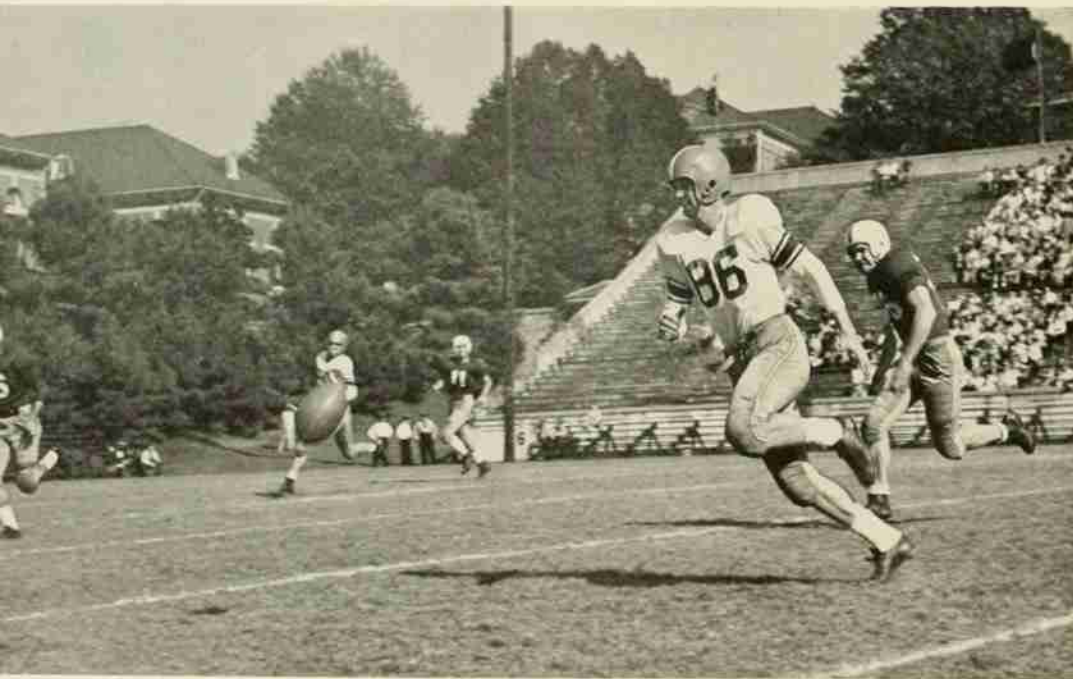

The Pack jumped to a quick lead when guard Charlie Musser broke through the ponderous Cat line, blocked a punt, and carried it over for the score. State's margin was short-lived,

State's defense in action.

however, as the Cats scored late in the second period and kicked a field goal to lead at the half, 10-7.

The second half saw Villanova get into high gear and run up 35 points while the Pack could only score 14.

Anyone's Ball.

The Final Battle

The last battle of the season was with the Indians of William and Mary, who, spearheaded by tailback Buddy Lex and fullback Jack Cloud, took command of the contest at the outset to score a 33-7 victory.

The Pack, bogged down due to injuries sustained in the Villanova game, could not get their attack rolling. Tailback Ed Mooney, suffering from a shoulder injury, took part in only five plays, and Jim O'Rourke played only briefly on defense.

In the third period State put together a drive which tallied. Filling the air with passes, Ogden Smith led the drive for pay dirt, which was climaxed by his plunging over the goal.

FRESHMAN FOOTBALL

Dick Peacock, former center on the State 'Gator Bowl eleven of 1946-47, guided the 1949 Freshman football team to their best post-war season. He was assisted by several other former Pack gridders who were still in school but who had finished their eligibility.

Led by a dual combination of flashy tailbacks, Coach Peacock's yearlings won three of five games. The much publicized backs, Ted Potts and Alex Webster, along with a fine line anchored by Bill Buza, J. C. Britt, and Jim Hillman, led the Baby Pack team to victories over Campbell College (34-0) and Davidson College Freshmen (33-0).

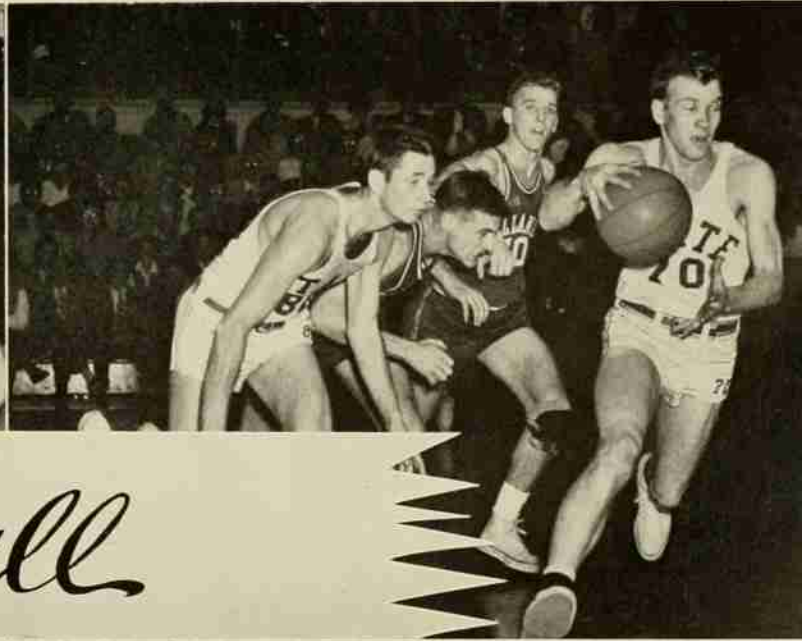

They also dumped the Tar Babies of Carolina, 13-0. The two losses came at the hands of a power-laden Duke yearling squad and to the Baby Deacs of Wake Forest.

The varsity, supposedly weak at the flank positions, should get plenty of help from Dave Butler and Art Lemoine. Guard J. C. Britt, a 6'3" giant weighing 215 pounds, should help to plug the holes left by graduating Bernie Watts and Charlie Musser. Ray Barkouski, brother of Pitt's All-American, will provide extra strength at the blocking back post. The varsity regulars will have to stay on their toes to keep these top flight lads from taking over their positions.

Here's how, boys!

EVERETTE CASE, Head Coach

Basketball

Southern Conference Champions

Left to right, first row: Bob Cook, Peter Jackmowski, Dick Dickey, Warren Cartier, Lee Terrill.

Second row: Paul Horvath, Joe Stoll, Joe Harand, Bobby Holt, Vic Bubas, Charlie Stine, Sam Ranzino.

BASKETBALL

Finishing his fourth year as head mentor of State College's original "flaming freshmen," Coach Everette Case produced this season the combination which he termed his most successful. Led by All-Americans, Captain Dick Dickey and Sam Ranzino, the 1950 Pack climaxed their campaign by taking third place in the NCAA tournament. This year's fourth straight Southern Conference championship team finished the season with a fifth place national ranking and a 27-6 record.

Not only did 1950 produce a top flight team, but also this season marked the first use of the huge William Neal Reynolds Coliseum, which has a seating capacity of 12,014. This mammoth arena, which measures 371 feet by 180 feet, recorded an attendance of 230,000 spectators for the home season. That mark set a new national attendance record for games played on a college campus.

Left: CAPTAIN DICK DICKEY

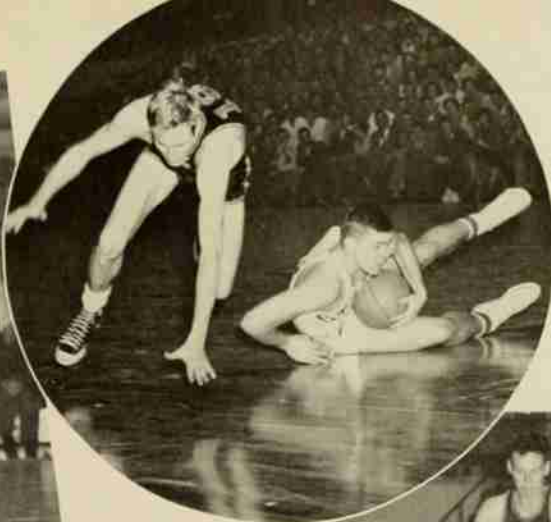

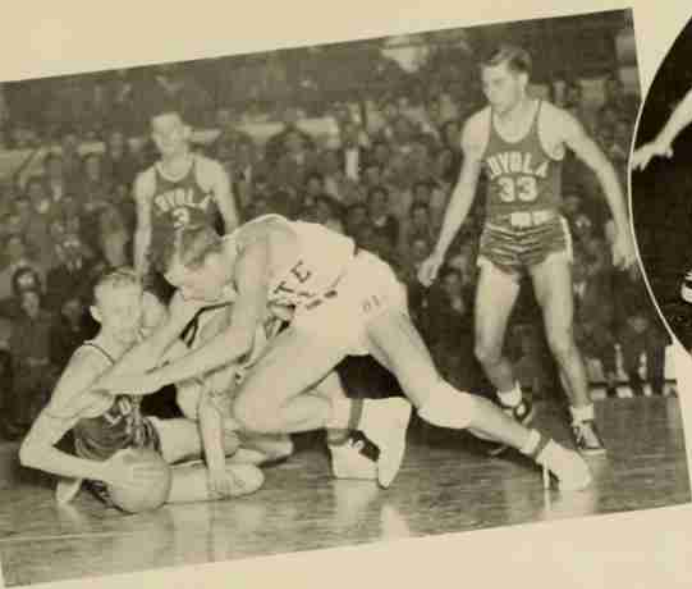

Lower left: MANAGER GENE TATEM

Lower right: ASSISTANT COACH "BUTTER" ANDERSON

In Dickey and Ranzino, State had two of the slickest forwards in the nation. They each were placed on five All-America teams. In addition they were first All-Southern and first NCAA District Three selections. Guard Vic Bubas and center Paul Horvath also were mythical-team members.

For Dick Dickey, the making of post-season mythical teams was nothing new. The strawberry blonde has been picked on them since 1947. He was first team All-America in 1948 and was honorable mention All-America last year. Dick has been All-Southern for four straight seasons and has been placed on numerous other "all" squads. However, this year, for the second time, he had to take second place honors to his running mate, Sam Ranzino, in the scoring department. Sam got 381 points to

Dickey's 355 last year. This year Ranzino joined the select "600" class with 624 tallies. Dickey got 460.

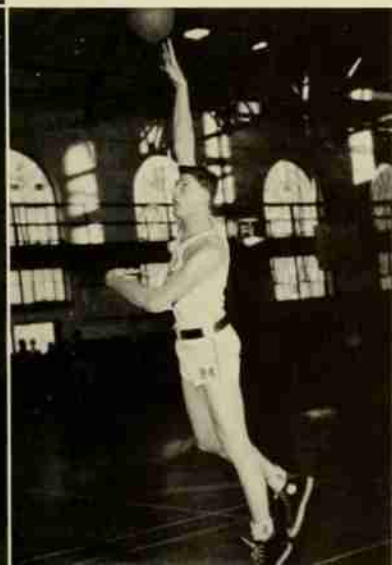

In marking up its 27-6 record for the year, the Wolfpack whipped such strong intersectional foes as San Francisco's 1949 NIT champs, fourth ranking Holy Cross, LIU, Michigan, Loyola of Los Angeles, Rhode Island State, and Louisville (two wins). Twelve victories were registered against Conference teams. Two losses, one at Duke and the other at William and Mary, marred the Pack's Conference record. In return engage-

ments with the Blue Devils, State won by 18 points. The Indians had been defeated in a previous game by 14 points.

Coach Case's lads participated in three tournaments during the season. The first annual Dixie Classic was inaugurated in the Coliseum during the Christmas holidays with the Big Four playing host to Rhode Island State, Georgia Tech, West Virginia, and Penn State. The locals downed Rhode Island State by an 81-64 count, Georgia Tech by 57-34, and Penn State by 50-40 to cop the tournament championship. The second tournament was the annual Southern Conference Tourney, which the Wolfpack won handily for the fourth consecutive season. Duke was defeated in the finals by a 23 point margin. The third and final tournament in which the Pack participated was the NCAA Tournament. In gaining their third place position, the State five outran Holy Cross, 87-74; lost to CCNY, the ultimate winner,

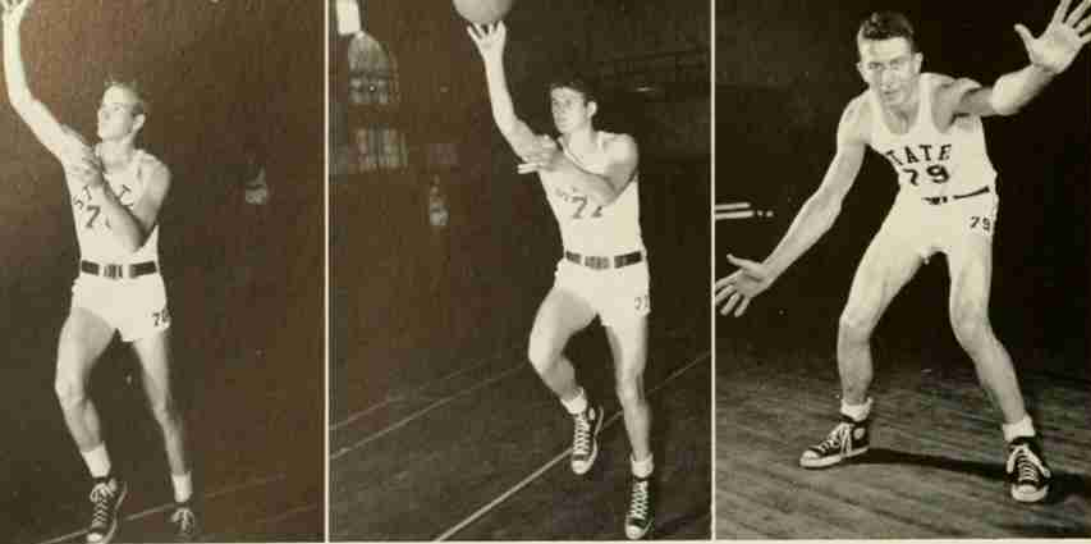

VIC BUBAS—6 ft. 2 in., Gary, Indiana—Made All-Southern first team. Drives hard for the basket and is a deadly set-shot artist. Led team in shot accuracy. One of the team's most accurate passers, Vic is an excellent floor man. Junior, one more season with the Pack.

JOE HARAND—6 ft. 4 in., Tenafly, New Jersey—Paired with Bubas at a starting guard position. Brilliant rebounder, good defensive man. Developed scoring punch in '50. High games were Carolina (13) and Wake Forest (11). Status questioned—may be ineligible for further competition.

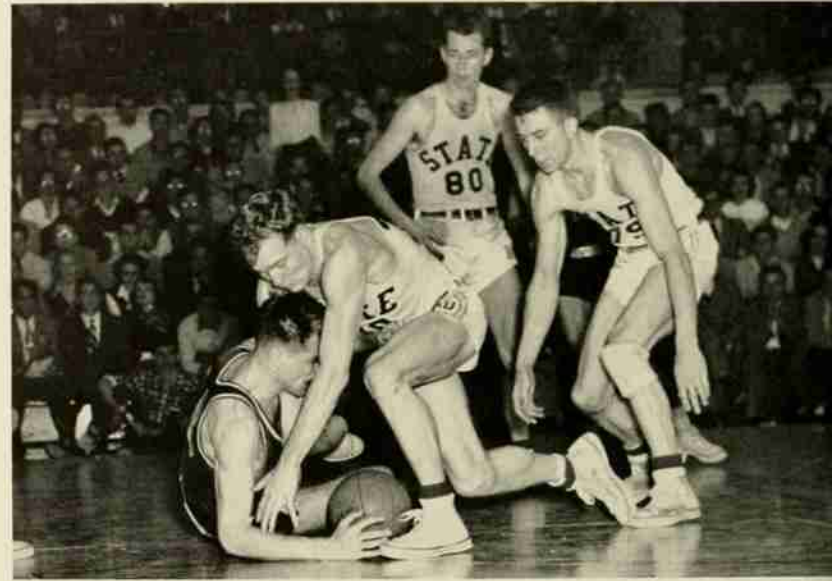

PAUL HORVATH—6 ft. 6 in., Chicago, Illinois—Playing his third year at the pivot slot, Horvath had what was perhaps his best year. Hit the "300" mark in scoring for third straight year. Moves well for a big man. Uses his big hands to an advantage in his expert method of handling tip-ins. Had no high school experience. Junior, one year left.

WARREN CARTIER—6 ft. 4 in., Green Bay, Wisconsin—Missed only one game in four years. One of Case's most valuable men, Cartier seldom got credit he deserved. Did just about anything on a basketball court and during his four years played center, guard, and forward. One of the Pack's best clutch men, came through in many a tight spot this year. Senior—finished eligibility.

DICK DICKEY—6 ft. 1 in., Alexandria, Indiana—Received All-American mention his last three years. All-Southern four successive seasons. Dick scored 460 points this year. Scored 1644 points for four varsity seasons. Not only a great scorer, but also an excellent defensive player. Senior—completed eligibility.

SAM RANZINO—6 ft. 1 in., Gary, Indiana—Has paced Wolfpack in scoring last two years. Dropped in 624 markers this season for almost 19 points per game average. Last season scored 381. Good rebounder and excellent ball-handler. Made five All-America squads. Junior, one year eligibility left.

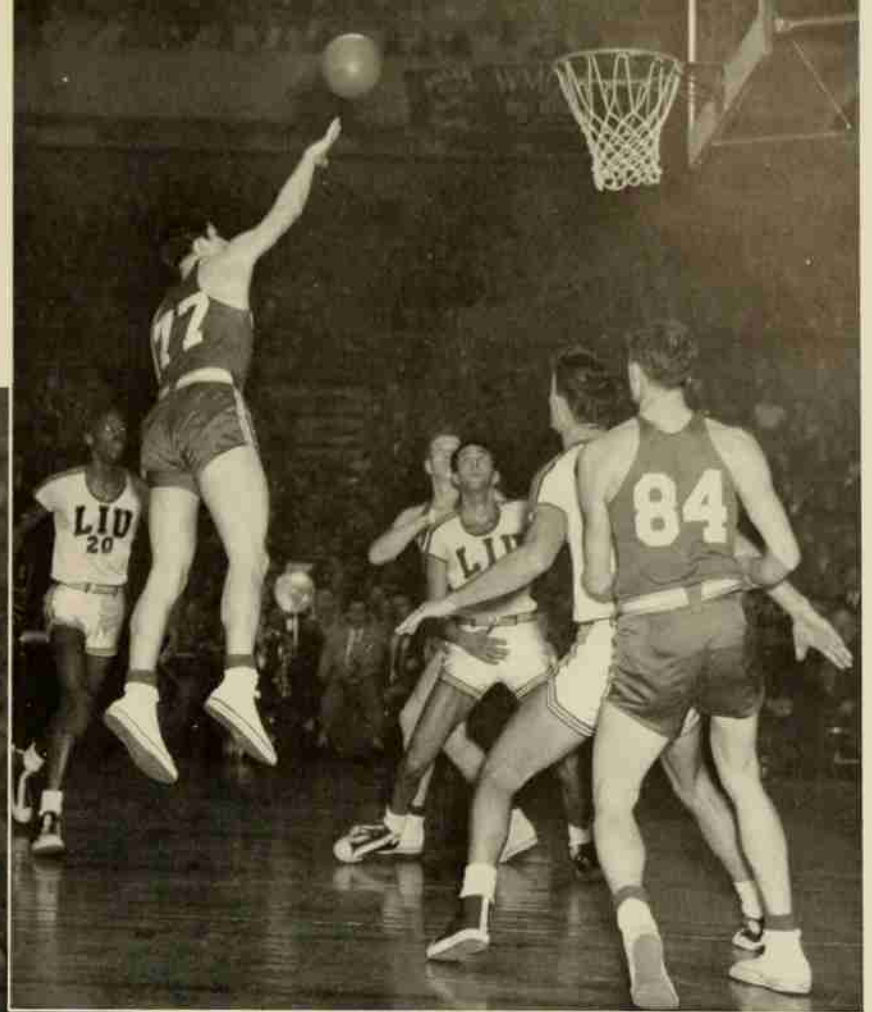

78-73, in an exciting game that was nip and tuck until the final gun sounded; and were victorious in their final test over a slow, methodical Baylor University Team, 53-41.

The Wolfpack practically rewrote the record book in their NCAA appearances. Of the five team records, the Pack broke three and tied two. Ranzino broke two marks and tied another in the individual book. Dickey and Ranzino were named on the All-NCAA Tournament first team.

Coach Carl "Butter" Anderson's outstanding freshman team lost only two games in 25 starts and again took the Big Four championship. Such future stars as Lovington, Speight, Kukoy, Crull, Morris, Goss, Sief, and Yurin are expected to plug the gaps left by the departing of Dick Dickey, Warren Cartier, and Charlie Stine.

The rampaging frosh quintet burned the nets for a better than 75 points per game average. Anderson's charges, who collectively averaged approximately six feet, five inches, hit the coveted century mark in scoring twice during the year.

With the addition of the glittering array of talent produced from the frosh, plus Paul Brandenburg, a six foot, five inch Bayonne, New Jersey, Junior College transfer, Coach Case should be able to send to the courts in 1951 another of his annual powerhouse aggregations.

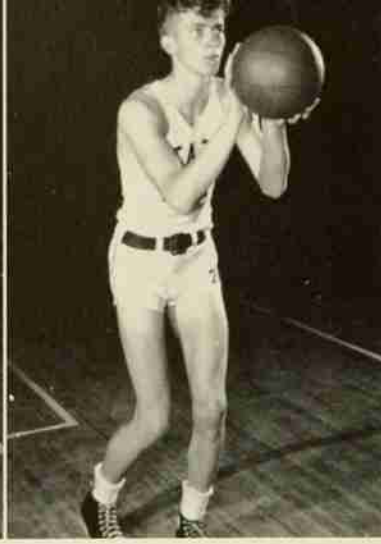

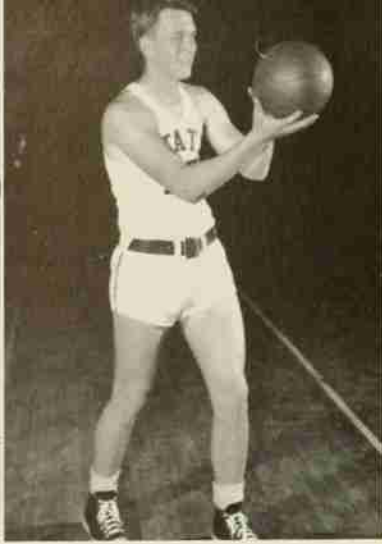

Bob Cook—6 ft. 4 in., Columbus, Indiana—Fast 200-pounder. Cook worked behind Dickey and Ranzino at forward, Rough and rugged under the boards, Bob snags his share of the rebounds. Has excellent eye for the basket. Should see extensive action next season. Sophomore, has two years left to play.

LEE TERRILL—6 ft., South Orange, New Jersey—Clever sophomore. Saw considerable action in latter part of season. If Harand is ruled out, Lee will more than likely be starter next year. Deceptive, Terrill is a fine ball handler. Sophomore—two years remaining.

CHARLIE STINE—6 ft. 1 in., Frankfort, Indiana—One of the outstanding reserves on the squad, Charlie has finished his eighth season with Coach Case (Stine played high school ball for Case). Excellent shooting eye from the corners. Senior—completed eligibility.

JOE STOLL—6 ft. 3 in., Princeton, Indiana—Did not see too much action this season. However, Joe has an eagle eye for the basket and is slated for extensive action in 1951. Led his Freshman Team in scoring last year. Sophomore—two years to play.

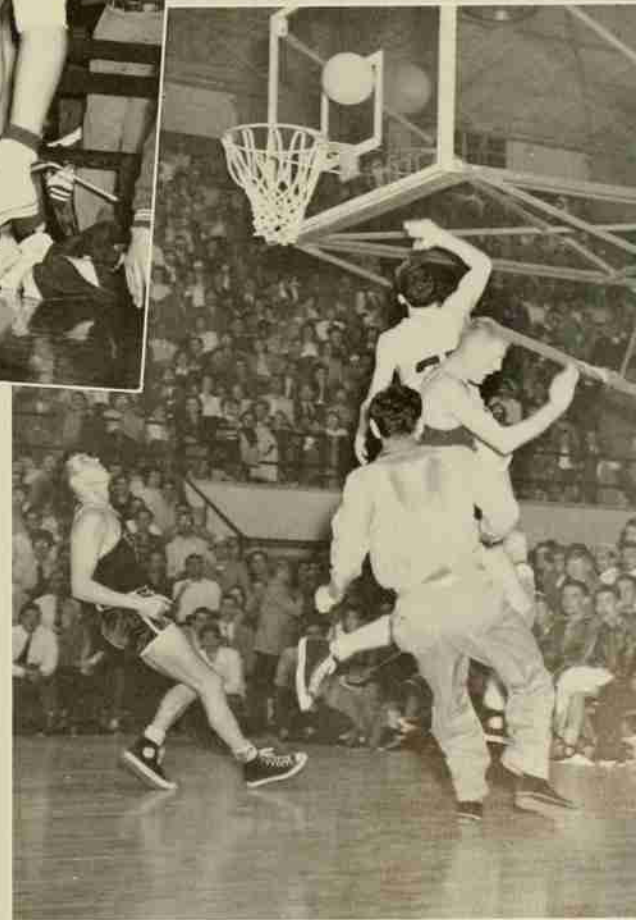

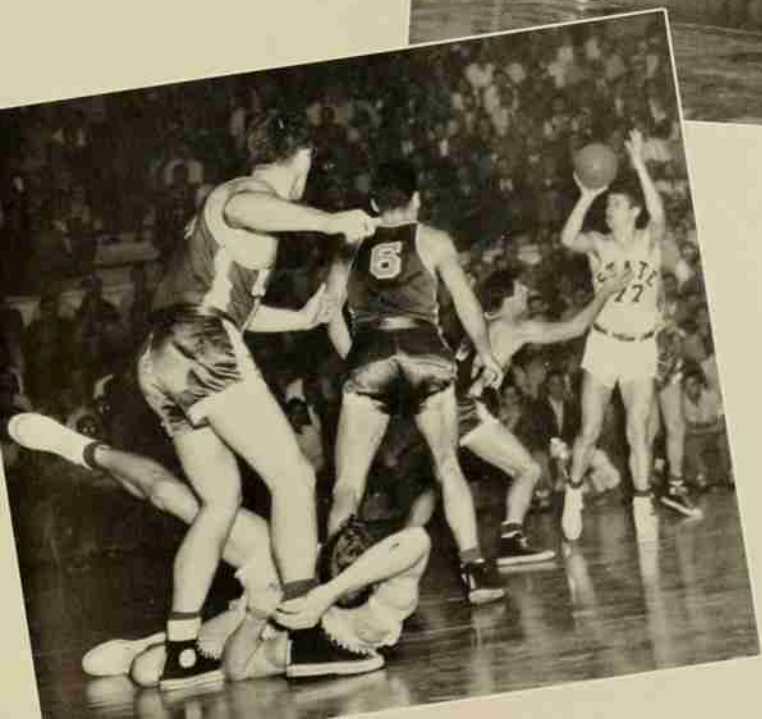

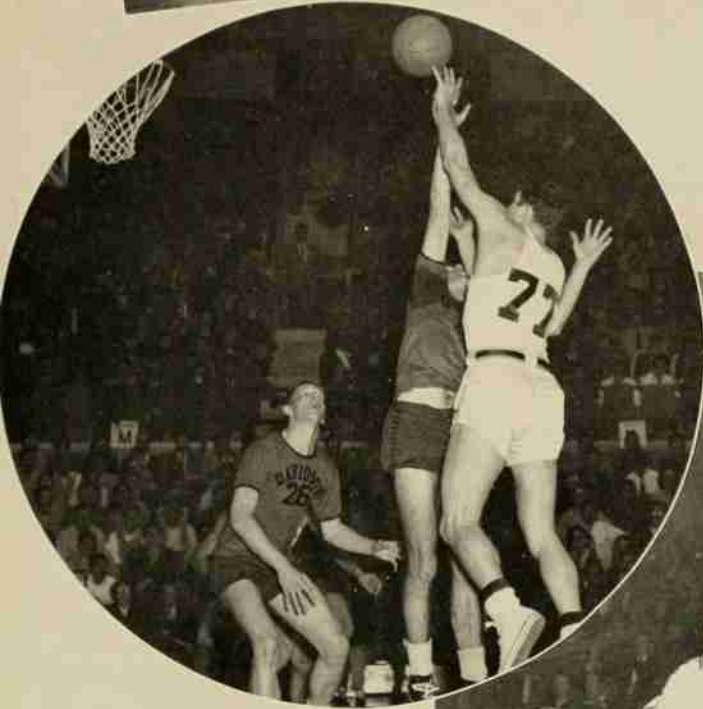

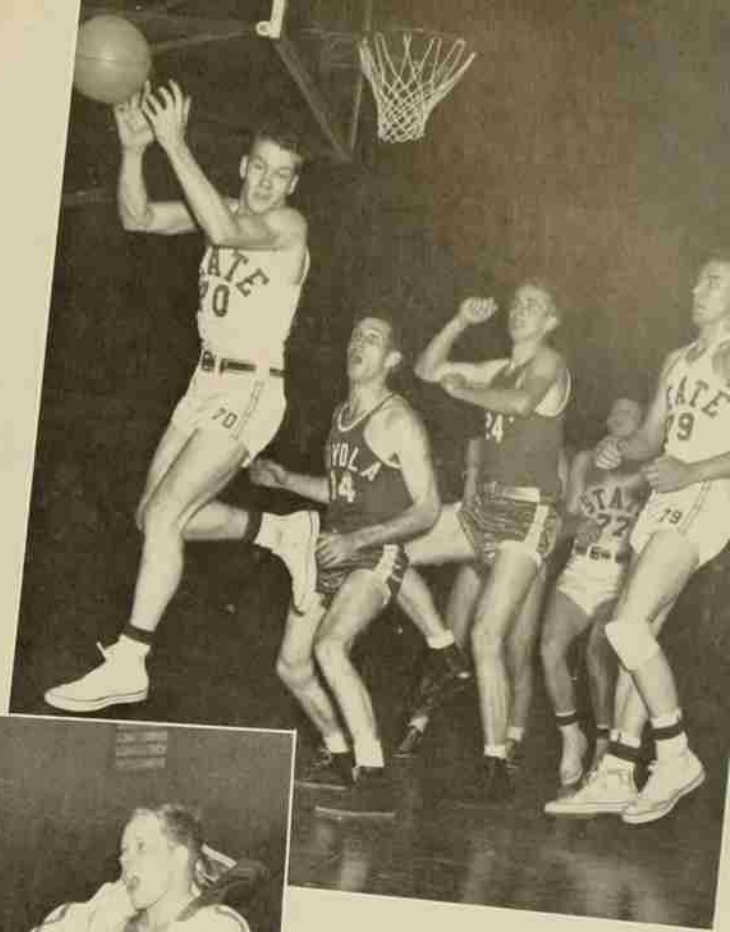

PETER JACKMOWSKI—6 ft. 3 in., Brooklyn, New York—Played behind Bubas and Harand. Should see much action in 1951, especially if Harand does not return. Has plenty of hustle and stamina. Plays aggressive brand of ball. Sophomore—two years left to play.

BOB HOLT—6 ft. 2 in., Greensboro, North Carolina—Another sophomore with great possibilities. Saw little action, but showed marked improvement in practice. Sophomore—two years eligibility remaining.

Baseball

First row: Mussack, Holland, Poe, Lee, McLaughlin. Second row: Payne, Grandy, Utley, Council, Gardner, Coach Vic Sorrell. Third row: Thompson, Barksdale, Johnson, Cheek, Norrell, Smith, Fowler.

BASEBALL

Coach Vic Sorrell guided the 1949 State baseball team into a second place tie with the Carolina Tar Heels in Big Four Play. The veteran Pack coach's charges racked up five wins while dropping eight.

In regular season play, including all games, the Pack fared slightly better, with a final mark of eight wins and 12 setbacks.

Captain Bill Evans, All-Southern outfielder from Burlington, was the offensive leader in Big Four activity for State, with a final batting mark of .321. Shortstop John Norrell

actually had a higher average than Evans, but, by coaches' agreement, players had to appear in 10 games to qualify for the batting title. Norrell had a final mark of .333.

Irvin Page led the Pack moundsmen with a Big Four record of two victories and two defeats. Everette Lail had one win and no losses.

Ernie Johnson, a knuckleballer from Mt. Gilead, was again the workhorse of the loop. He pitched 59 $\frac{1}{3}$ innings and tied with Dick Vander Clute of Wake Forest for the strikeout crown. Johnson had a three-four record for the season.

State opened the 1949 season with Cornell University. It was a dull, rainy day, and the game had to be called at the end of five innings with the score 2-2. The Pack's starting lineup was composed of Ned Council at first, Pinkie Gardner at second, John Norrell at short, Hank Utley at third, Don Cheek in right field, Bill Evans in center, and Bill Mussack in left. The battery was Ernie Johnson, pitching, and Bill Fowler, catching. Ned Council paced the batters with two doubles in two trips. Two days later the Washington and Lee Generals journeyed to Raleigh and were defeated 6-3 on the six-hit pitching of righthander Bob Smith. Hard hitting by Don Cheek, Hank Utley, and Jack McComas helped Smith garner his first win. McComas smashed the first homer of the season in the fifth inning.

HANK UTLEY, Third Base

State Scores . . .

The following day the Wolfpack pulled a 6-5 victory over the Wildcats of Davidson out of the fire in the ninth. After starting pitcher John (Tootsie) Holding had been shelled from the mound, Everette Lail pitched beautiful relief ball to get credit for the win. Don Cheek, lanky right fielder, broke up the ball game with a terrific wallop to left center.

In an intersectional engagement, the Michigan State Spartans handed State its first defeat of the season. The Pack blew an eight run lead to lose by a 13-10 score. Jolting Jack McComas led the Sorrellmen at the plate with four for five.

The second successive defeat came the following day when the Virginia Tech Gobblers blanked the Pack 6-0 on the five-hit pitching of Calvin Schadel.

Davidson evened the count when State journeyed there and was defeated 3-1. Charlie Pearson, leadoff man for the Cats, smashed Ernie Johnson's first pitch for an inside-the-park homer.

The Pack's fourth straight defeat came at the hands of the William and Mary Indians, 12-2. Four errors helped the Braves scalp the Wolves. McComas again led the State hitting attack with four for five.

The 13th of April brought good luck to the Wolfpack. They snapped a four-game losing streak by defeating the Duke Blue Devils in their first Big Four game. Although outhit 12 to 6 and guilty of five errors to Duke's three, the locals scrambled to an 8-7 victory. Catcher Bill Fowler smashed his first home run of the season in the third with one mate aboard.

In the first game with Wake Forest's NCAA finalists, Coach Sorrell's lads came out on the short end of a 3-1 score. State's Ernie Johnson and Wake's Moe Bauer locked horns in a first-rate pitchers' duel for eight scoreless innings before successive fourbaggers by Paul Livick and Gene Hooks broke up the game. Fowler's double was the Pack's only safe blow.

After the heart-breaking loss to the Deacons, State pounded out a 10-6 victory over the Carolina Tar Heels. The high-

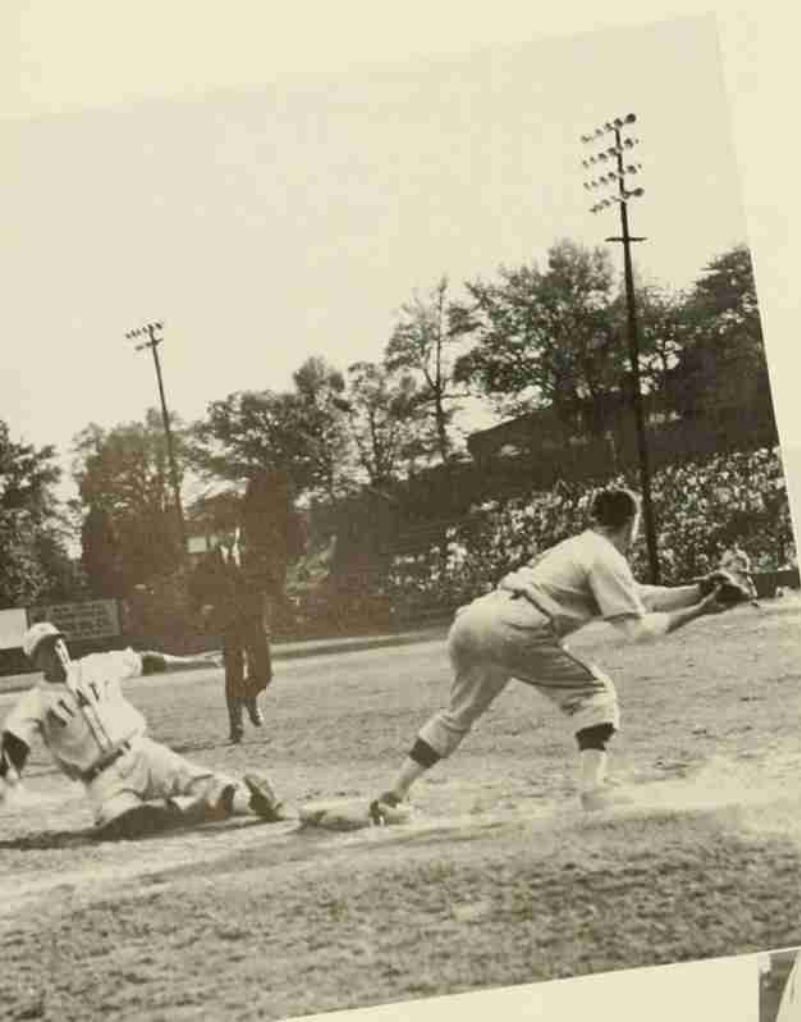

light of the game was a 370-foot grand slam home run by Jack (Jackrabbit) McComas.

Journeving to Wake Forest, the State aggregation again lost to the undefeated Deacons. However, the margin was by one run only. The Pack's Irving Page and the Deacs' Moe Bauer were hooked up in a pitchers' duel until the eighth. Wake Forest scored their only run on a two-base error by McComas to win 1-0.

Outfielder Don Cheek provided the clincher in State's 8-6 victory over the Carolina Tar Heels in a return engagement. Cheek slammed a game-winning triple in the ninth inning. Second baseman Buck Livingston was the batting star of the day with four hits in five trips. Included in this array of blows was a homer. Livingston drove in five of State's eight runs.

After dropping their next Big Four game to the Duke Blue Devils 7-4, the Pack again met Wake Forest. The Deacons made it 18 victories in a row by drubbing the Pack 9-2. Moe Bauer, the Deacs' stylish portsider, racked up his third straight victory over the State lads.

State evened their Big Four record at four wins and four losses by defeating Duke, 5-3. Don Cheek's three-run triple was the big blow of the game. Bill Evans led the hitting with three for five.

Front row: Rowland Brinson, shortstop; Paul Diman, second base; Vince Bagonis, catcher; Charles Westbrook, outfield; Bill Smith, first base; Dave Phillipelli, second base; Francis (Skip) Burkhart, outfield; Wattley, manager.

Second row: Elmer Riddle, third base; Lunsford Lewis, pitcher; Tom Garner, pitcher; Masi Faulkner, outfield; Bernie Bean, pitcher; Bill Wilhelm, catcher; Sam Welch, pitcher; William Martin, third base; Dave Baxter, catcher.

B-TEAM

The Wolfpack was dropped into third place in the Big Four when Carolina punched out 18 hits off Johnson and Smith to win 8-4. Bill Mussack smashed a 330-foot homer in the eighth with one man on.

Again the time rolled around to play the undefeated Wake Forest Deacons. State pounced on Moe Bauer in the seventh to knot the count at three-all. Then in the eighth Dick Vander Clute was the victim of a four-run rally and State won the game 7-5. Wake Forest's balloon finally had burst. Hank Utley, third baseman, was the big noise for the Pack at the plate, hitting three for five. Irv Page went the route for the Pack.

State continued its winning ways by putting a crimp in the Clemson Tigers' hopes for winning the Southern Conference baseball championship by scoring a 6-1 victory. Evans, Cheek, and Utley were leaders in the attack.

Duke's Blue Devils gained an even break with the Wolfpack by defeating them 3-2 behind the effective pitching of Bud Ayers.

Sorrell's club again seemed to be plagued with bad luck as the Wake Forest Deacons defeated them 6-4. Catcher Russ Batchelor of the Deacs slammed a long ball which

hit on top of the left field fence and bounced over for a home run.

In the final Big Four game of the season, the Tar Heels defeated State. This loss enabled the Carolina boys to tie State for the second place position in the standings.

SOCCER

Soccer at State College is a result of the post-war swelling of the school with students from every corner of the world. Two years ago a group of these students from India, China, Mexico, Norway, and other foreign countries, finding themselves a little lost in the prevailing "basketball, baseball, football" atmosphere of the college, formed an informal soccer club and began to play the game in their spare time.

Last year interest among the soccer boosters at State College reached such a height that Eric DeGroat of the Physical Education Department was asked to coach a varsity soccer team.

In addition to organizing the club members, Coach DeGroat aroused the interest of quite a few American boys. He also obtained approval from the Athletic Department to provide financial support for the team.

This year's State soccer team had a fairly successful season in view of the fact that this was the first year of inter-collegiate competition in that sport. The record this year was as follows:

| | |
|-------------|----------------|
| State.....2 | Duke.....1 |
| State.....1 | Carolina.....3 |
| State.....0 | Duke.....2 |
| State.....4 | RPI.....0 |

Left to right: Al Skaarup, Carrol Williams, Nelson Williams, Red Quinn, Clyde Jackson, Tex Lattimore, Carl Lane, Charles Wells, Don Tarver, Vince Vitale, Don Biggerstaff, Luiz Lousada.

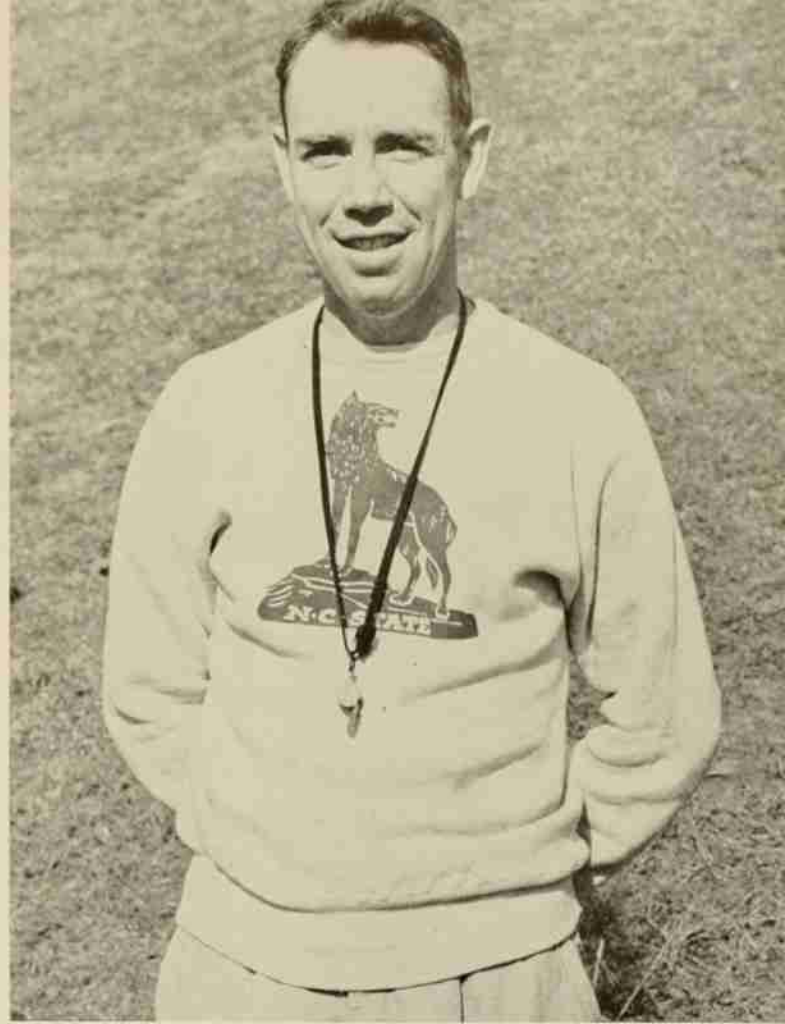

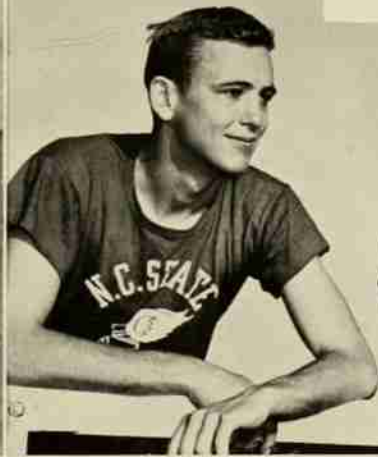

Front row: Adolfo Palazuelos, Raul Echevarria, Sergio Zuniga, Gilberto Villa, Jorge Echevarria. Second row: Atie Mehmet Aksel, Joshua Murrow, Marcus Rowe, Co-Captain Hugh Connors, Co-Captain Raul Rivadeneyra, a visiting player, Ken Gotlieb, Jose Bardavid, Tomas Sotolongo.

FENCING

In the spring of 1949, a Brazilian Textile student, Luiz Lousada, posted a notice in the gymnasium expressing a desire to fence with anyone that might be interested. A small group of students who had more enthusiasm than experience met with Lousada at the appointed time and place. Lousada instructed the group in the basic activities of the "Sport of Gentlemen." Charles Wells, Bob Armfield, Clyde Jackson, Carrol Williams, Nelson Williams, and Tex Lattimore were among those in this original group.

The group expanded until it was necessary to form a Fencing Club. The Club now has a regular membership of from twelve to fifteen men. The team, picked from the members of the Fencing Club, has played in meets with the University of North Carolina, the University of Virginia, the University of Kentucky, the Camp LeJeune Marine team, and other meets are being planned.

It is the ultimate objective of the Fencing Club to have fencing recognized as one of the varsity sports on this campus. The major colleges and universities throughout the world have made fencing, derived from the generations past, one of the classic sports of all times.

TOM HINES, Head Coach

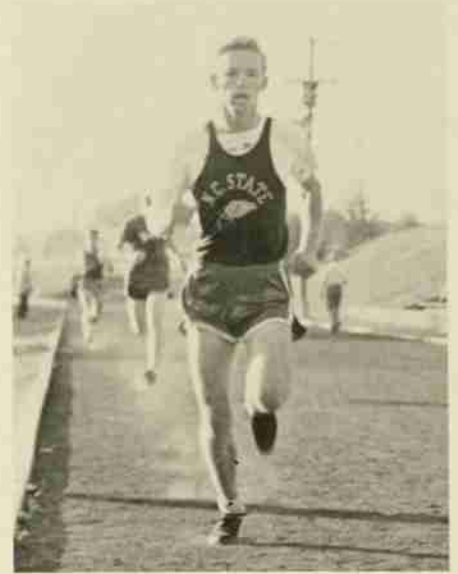

Track

WADSWORTH AND LEONARD

TRACK

WILFRED KEENAN

The Wolfpack track team captured two out of five meets during the 1949 cinder season, winning from the William and Mary Indians, 69-57, and from the Gamecocks of South Carolina, 86-40. The State thinclads lost to Wake Forest, 86-40; to Duke by 100-26; and to Carolina 81-45.

Outstanding among the Wolfpack tracksters were dashman Herb Goldberg and field experts Jim Byler and Joe Davis. Goldberg exhibited his prowess on the cinders by capturing first place in the 100 yard dash against Wake Forest and William and Mary. Against South Carolina, Goldberg won the 220 and was a close second in the 100. He topped off the season with a win against Duke in the 220, with a time of 21.9 seconds.

In the field events, Joe Davis and Jim Byler were the leaders. Davis captured first in the broad jump against Carolina, Wake Forest, William and Mary,

and South Carolina, while Byler won the shot put against the same outfits. Byler's best throw for the season was 47 feet, 9 inches, slightly under his best toss for last year.

The freshman harriers fared little better, breaking even in four outings. The Wolflets beat Carolina, 64-62, and Wake Forest, 86-40. Losses were sustained to Duke in two encounters, 86-40 and 87-31.

The Frosh squad provided a promising youth in Tyler Wadsworth, a Raleigh product. He shaped up as the outstanding contender for the Southern Conference 440 record. During the season he ran the event in 50.5 seconds, just one second off the present record.

Wadsworth was undefeated in the 220 and 440 yard events during the season and was beaten only once in the 100. He was also anchor man on the relay team

and will be counted on heavily during the current season. Other outstanding freshmen were Bob Branyon and Larry Seigal.

STATE 69—WILLIAM AND MARY 57

In the opening meet for the Wolfpack cindermen, the locals won out over the Indians of William and Mary, 69-57. Joe Davis was high scorer for the Pack with 12 points, followed by Herb Goldberg, who accounted for 10. State captured first in the 100, 220, shot, discus, javelin, high jump, 120 high hurdles, and the broad jump.

STATE 86—SOUTH CAROLINA 40

The Wolfpack took the measure of the Gamecocks of South Carolina, 86-40, in the second meet of the season. The meet was staged under the lights on the local track.

Again it was Joe Davis leading the attack, with 13 points. Making a clean sweep of the middle and long distance events, the State men finished one, two, three, in the 440 and 800; and one, two in the mile.

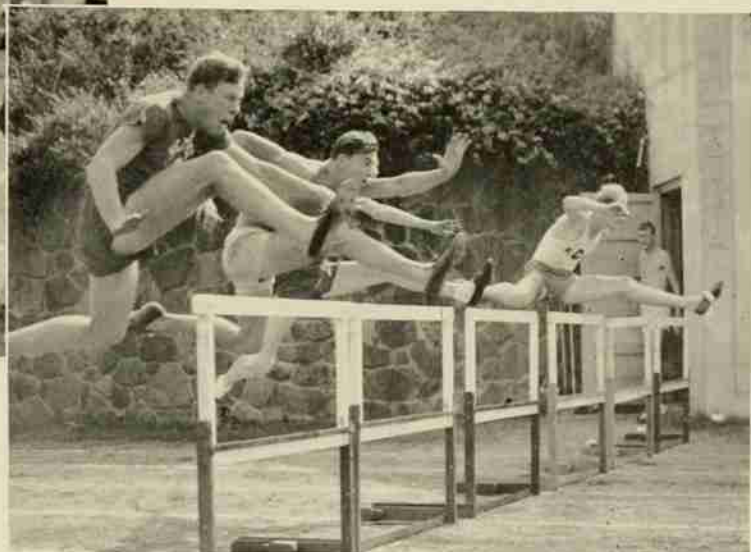

Goldberg breaks the tape.

HANK FRAZIER

CHARLES MOORE

Cook shines for State Frosh.

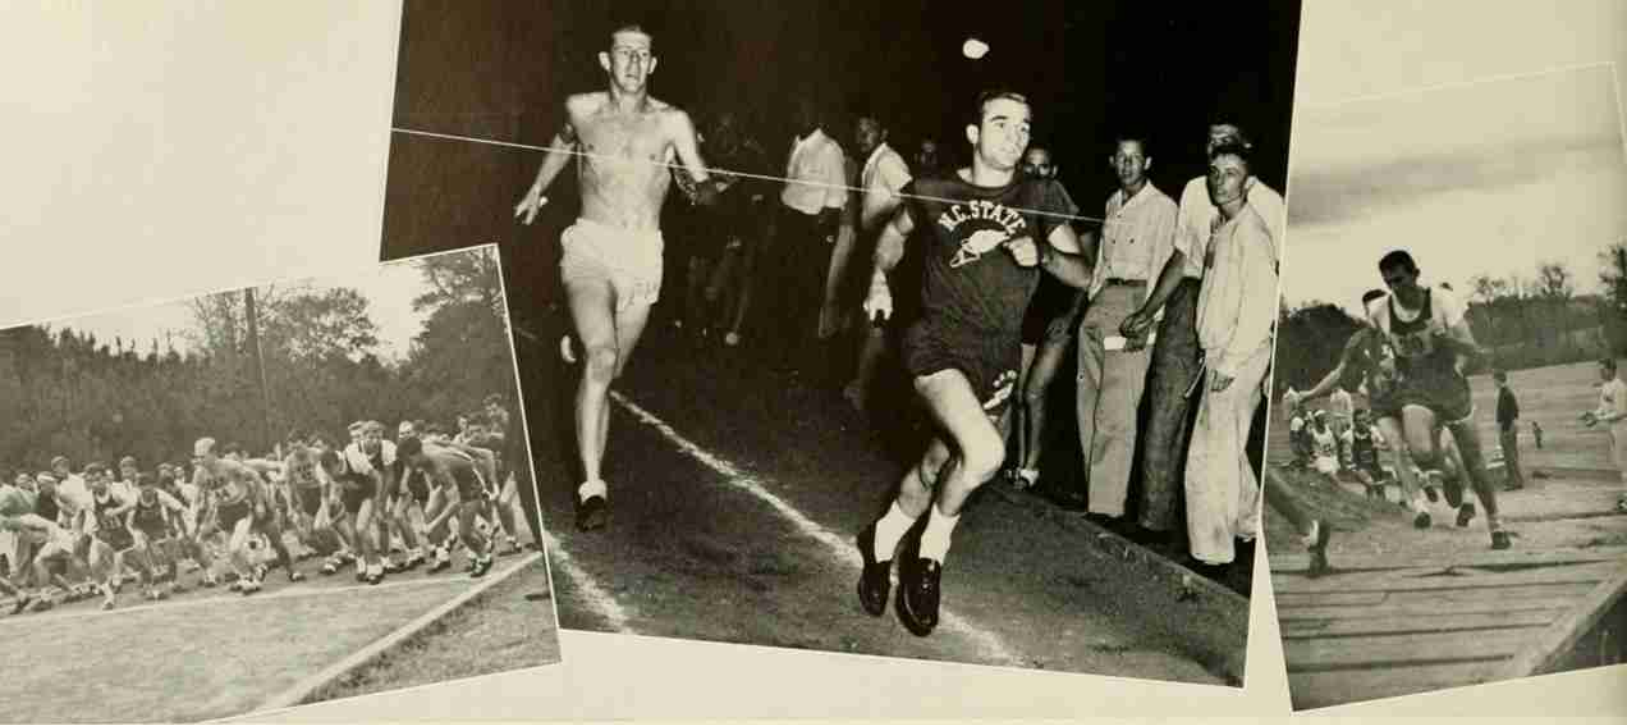

STATE 45—CAROLINA 81

The power laden Tar Heels of Carolina were too much for the Wolfpack cindermen, turning them back, 81-46. The State boys were able to capture but three events in the contest.

Davis and Goldberg were again the standouts, with Davis winning the broad jump and Goldberg taking first in the 100 and 220 dashes. Jim Byler and Ted Dostanko also paced the locals, finishing one, two in the shot.

STATE 26—DUKE 100

The State track team wound up the season by being routed by the Duke thinclads, 100-26. The Pack was unable to capture but one first and five seconds in the 28 event match. Herb Goldberg took first in the 220 yard dash with a time of 21.9 seconds. Other standouts for the local cindermen were Davis, Hunter, Watts, and Orrmims.

CROSS COUNTRY

In his first year as a track coach at State College, Coach Tom Fitzgibbons produced what was perhaps the best cross country team ever to represent the school. The Pack harriers turned in an undefeated record with only a tie with William and Mary to blot an otherwise perfect season.

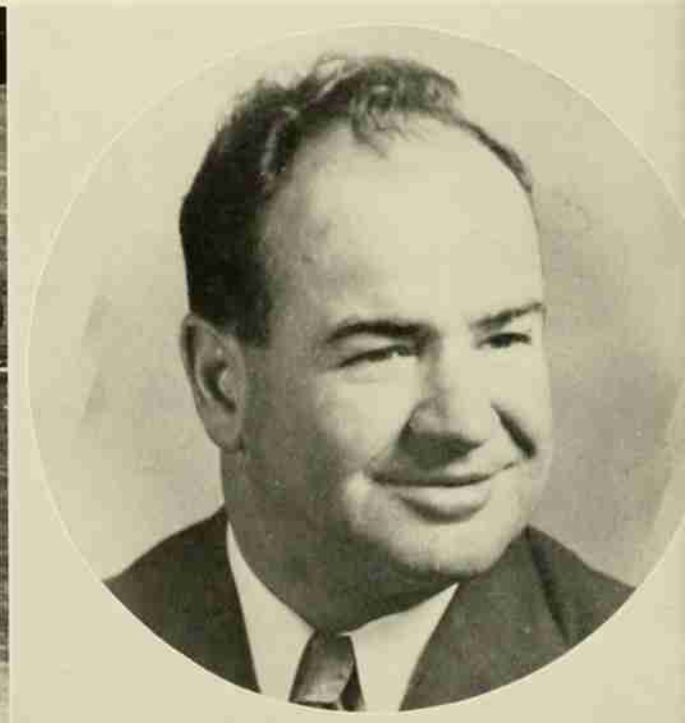

Leaders for the Wolfpack were Captain John Hunter, Bobby Leonard, and Dave Dubow. Leonard gave the best individual performance of the year when he defeated Captain John Hart, 1948 Olympic finalist of the Quantico Marine team. Leonard broke the tape in the brilliant time of 20 minutes and 52 seconds. Hart finished behind him in 21 minutes and 18 seconds.

Although undefeated in the regular season, the State team did not win the annual Southern Conference meet. They finished second behind a very fine University of Maryland squad. The Maryland lads pulled down the meet by a wide margin for the third straight year. The final count was Maryland 32, State 80. The Pack, as expected, captured the state meet held on the West Raleigh campus.

Coach Fitzgibbons had two of the finest distance men in the Conference on his '49 freshman aggregation. They were Bobby Jones and Clyde Garrison, who both broke all existing freshman marks for the two-mile frosh course.

Left to right: Bob Leonard, Marshall Vernon, John Keenan, Bud Hudson, Dave Dubow, John Hunter, John Townsend, Tyler Wadsworth.

THOMAS FITZGIBBONS
Coach

TENNIS

In their most successful season since the war, the Wolfpack netters completed the 1949 season with an impressive record of eight wins, three losses, and one tie in twelve dual meets.

Coach Walt Seeger's boys started the season off strong by taking six straight wins before dropping a contest to Duke's Blue Devils. Other losses were to Carolina and to Virginia.

The first encounter for the Red and White was with the netmen of Colgate University. This match ended in a 3-3 deadlock, being halted because of rain.

Following the Colgate match, the Wolfpack took wins over South Carolina and Wake Forest, and traveling north they posted wins over Albright College of Reading, Pa., the University of Richmond, VMI, and Washington and Lee.

The Blue Devils furnished the next opposition for the Pack, and promptly ended the State victory string at six straight. The locals took the one and two singles, but could not muster enough strength in the lower brackets to take the contest.

Snapping back into the victory column, the Pack swept by Wake Forest for the second time, but dropped their next meet to the Tar Heels of Carolina, 8-1. The Pack sustained their third loss at the hands of the University of Virginia in their next meet, and they completed the season with a win over the University of Maryland.

Art Culbertson, a junior from Goldsboro, and Charlie Boney, a senior from Wilmington, were co-captains for the 1949 season. Bill Weathers, a senior from Raleigh, played the number one position for the Pack.

Winning six and losing three, Coach Seegar's freshman team turned in a creditable record. Led by Bill Jones and Joe Maddux, the Baby Pack was victorious over many leading high school and junior college outfits.

AL CRAWFORD
Head Coach

WRESTLING

The 1950 season was not too successful for Coach Al Crawford's grunt and groan men. The State mat men could not get started, contrary to their custom in the past years, and thus dropped six out of eleven matches. The grapplers opened their season by losing to Maryland at College Park by the score of 21-12. Charlie Musser won the only match for state by pinning Whipp in 5 minutes, 35 seconds. The Wolf-

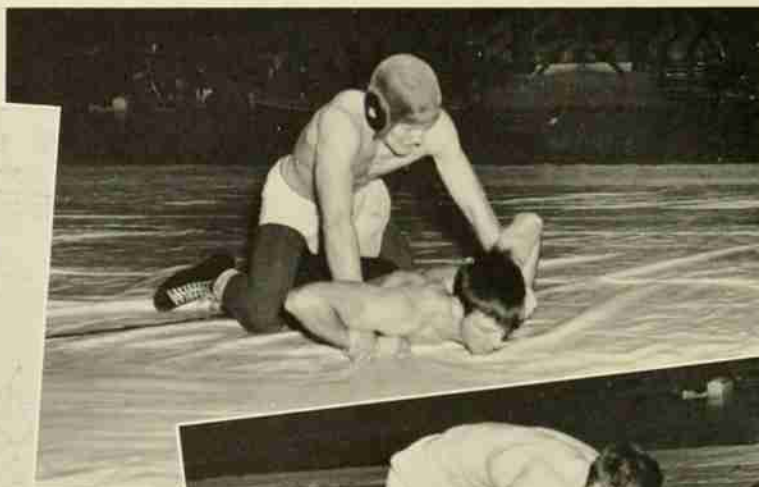

pack picked up the other points by virtue of a forfeit in the 175-pound division and a draw between Doug Martin and Adelberg in the 155-pound bout.

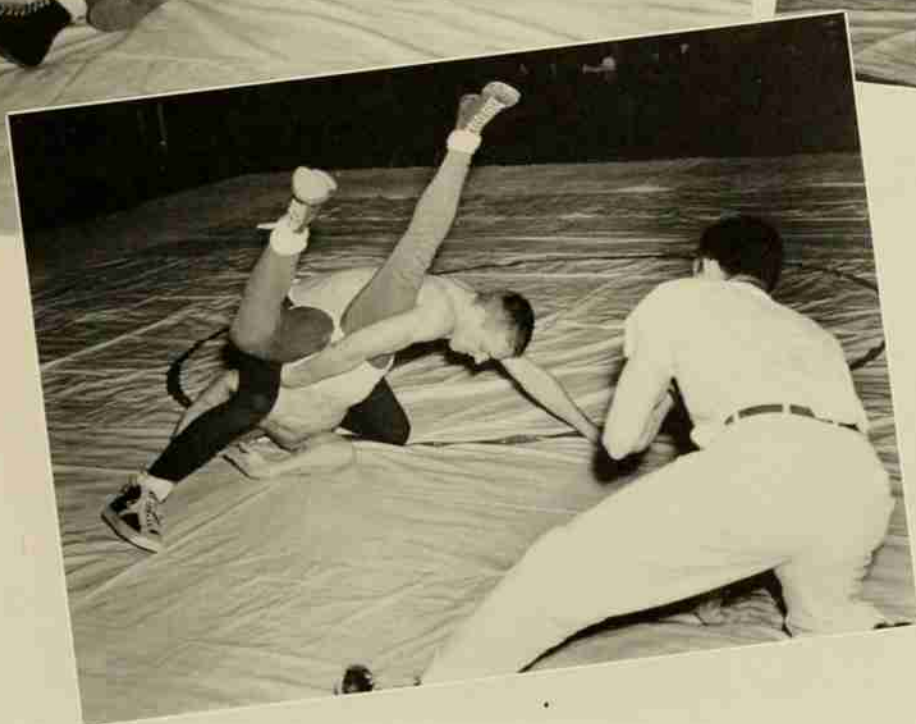

In their first home appearance the State grapplers bowed to a powerful Duke University squad in the Coliseum, 21-11. Musser remained undefeated by pinning Eslick in 4 minutes, 15 seconds. A forfeit in

the 155-pound class and a decision by Jenkins accounted for the remainder of the points for the Wolfpack.

After dropping successive matches to W & L, VMI, Carolina, and The Citadel, the State team swamped the Presbyterian College squad. This was the turning point, as Pack won the remainder of their bouts.

Left to right, seated: Charlie Musser, O. G. Rucker, Bob Dew, Doug Martin, John Poplin, Rudy Budolph, Reggie Buie, Hank Odom. *Standing:* Coach Al Crawford, Van Williams, Bud Troxler, John Thompson, Bob Jenkins.

Pack wrestlers took every bout in the Presbyterian match and handed the Blue Stocking a 33-0 pasting. Next, Coach Crawford's matmen downed the Quantico Marines, 27-5, before a record crowd of 8,500 fans in the Coliseum. The only match State lost against the Marines was the 145-pound class bout in which Hess of Quantico pinned Martin in 2 minutes, 19 seconds. Martin had just won the open welter-weight boxing championship in the 12th Annual

Eastern Carolina Golden Gloves Tournament at Memorial Auditorium before hurrying to the Coliseum to join the wrestlers for the matches.

Charlie Musser, heavyweight, finished his eligibility with three years of varsity wrestling. During the three-year period he was defeated only once. That defeat came in the VMI match prior to which Musser had been confined to the college infirmary for three days due to sickness.

WILLIS CASEY
Head Coach

SWIMMING

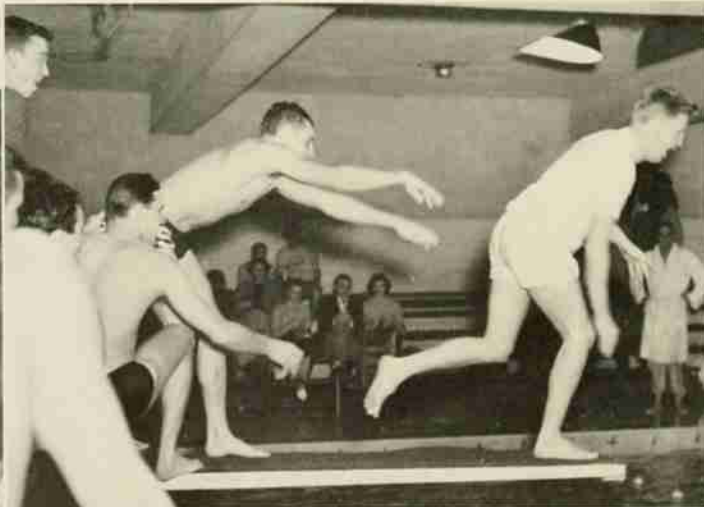

In the Tech meet Billy Ward took the 100-yard freestyle event, and Matt Lojko captured the 150-yard backstroke race. Lojko broke the pool record in the latter event against William and Mary.

After a meet with VMI, the Pack swimmers took a southern trip to Georgia. Casey's lads suffered a 41-34 licking at the hands of the Georgia Tech Yellow Jackets, but they bounced back into the win column the next day to trounce Emory University, 57-18. In the Emory fiasco, Ward, Depres, and Lojko set new marks. The three combined their talents in the 300-yard medley relay to establish new standards, and Lojko alone turned the trick in the 150-yard backstroke.

The nautical Pack returned to the State College campus from a jaunt into the northland with two hard earned victories over Loyola of Baltimore and the Colonials of George Washington, Southern Conference foes. An intersectional battle with Catholic University scheduled for this trip was cancelled.

A victory in the 400-yard relay gave State a 40-35 triumph over Loyola. The meet was close all the way,

Coach Willis Casey's tankmen ended the 1950 season with a record of 11 victories in 13 meets. The Wolfpack swimmers opened their impressive season with three straight wins over Virginia teams. State opened against the Norfolk Division of William and Mary in a non-conference match. Following that came a victory over Virginia Tech, 43-22, and a 50-27 triumph over William and Mary.

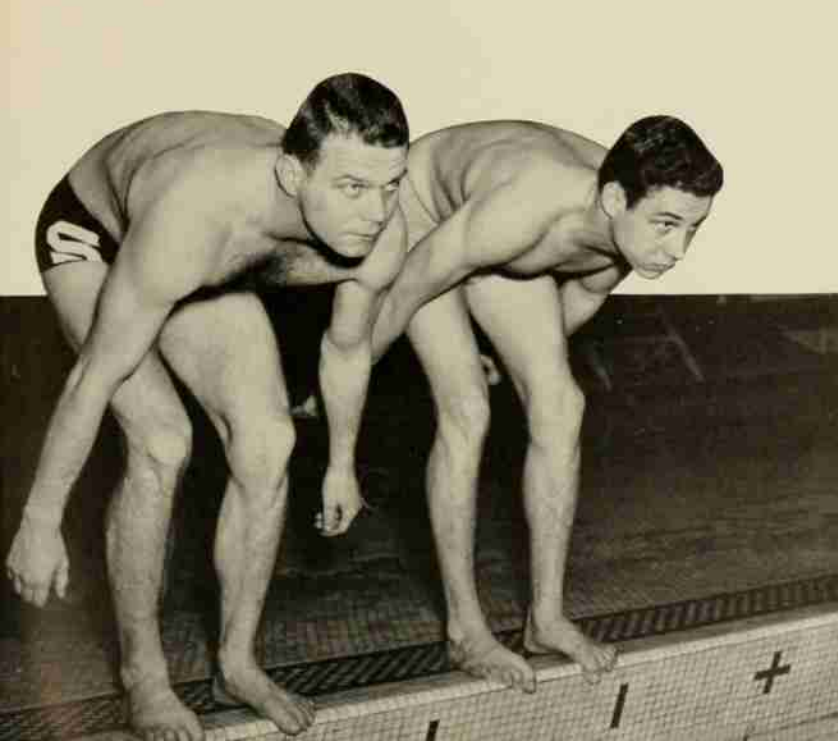

Varsity, front row: Bill Despres, John Harris, Bill Ward, Cola Morris, Adgar Wilson, Manager George Andrews. Second row: Coach Willis Casey, Wells Denyes, Bill Lewald, Pete Cloud, Snookie Nunis. Third row: Dick Shober, Richard Martin, Matt Lojko, Tom Walsh, Diving Coach Lew Thomlinson.

as the host team scored its points in the individual events, winning five of the seven staged. Bicky Morris and Matt Lojko provided the two wins in individual events for State. Morris splashed home with the 440-yard freestyle race, and Lojko remained undefeated by copping the 150-yard backstroke event.

Moving over to Washington, the Pack edged George Washington, 41-34, in a hard fought clash.

In the last event of this meet, State copped the 400-yard medley relay to break a 34-34 tie and to win the meet.

Victories over Davidson College (two wins), Virginia, and Duke followed. The State team entered the Southern Conference, the Eastern Intercollegiate, and the NCAA tournaments. The results are not available as the 1950 AGROMECK goes to press.

GOLF

Under the direction of Coach Charlie Tripp, the State College golf team had their most successful season in many years. The Wolfpack links squad finished the season with a record of 11 wins and 4 defeats, and placed fourth in the annual Southern Conference Tournament.

The victories came at the expense of Carolina, Duke, South Carolina, William and Mary, VPI, Newberry, Amherst, Davidson, and High Point College. The win over Duke marked the first time the local club had won on the Blue Devil course, and the victory over William and Mary was one of the two defeats which the Indians suffered during the season.

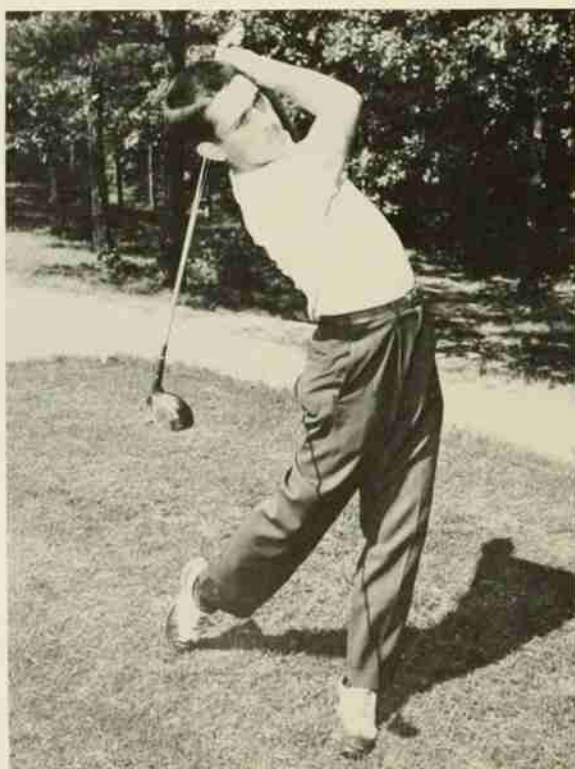

The Wolfpack suffered defeat at the hands of Wake Forest twice, and South Carolina and North Carolina once each.

The Wolfpack was led by Turnbull and Gibson, seniors, and Brackett, Isenhour, Preisinger, Saenz, and Wood. Wood, Saenz, Isenhour, and Preisinger, playing in the fifth and sixth positions on the team, consistently won their matches, which enabled the team to post its fine record.

Low score for the year was Brackett's 65 at the Country Club course against Amherst. Another fine score was Turnbull's low medal score against Carolina, when he beat North-South finalist Harvey Ward with an excellent 69.

INTRAMURAL ADVISORY BOARD

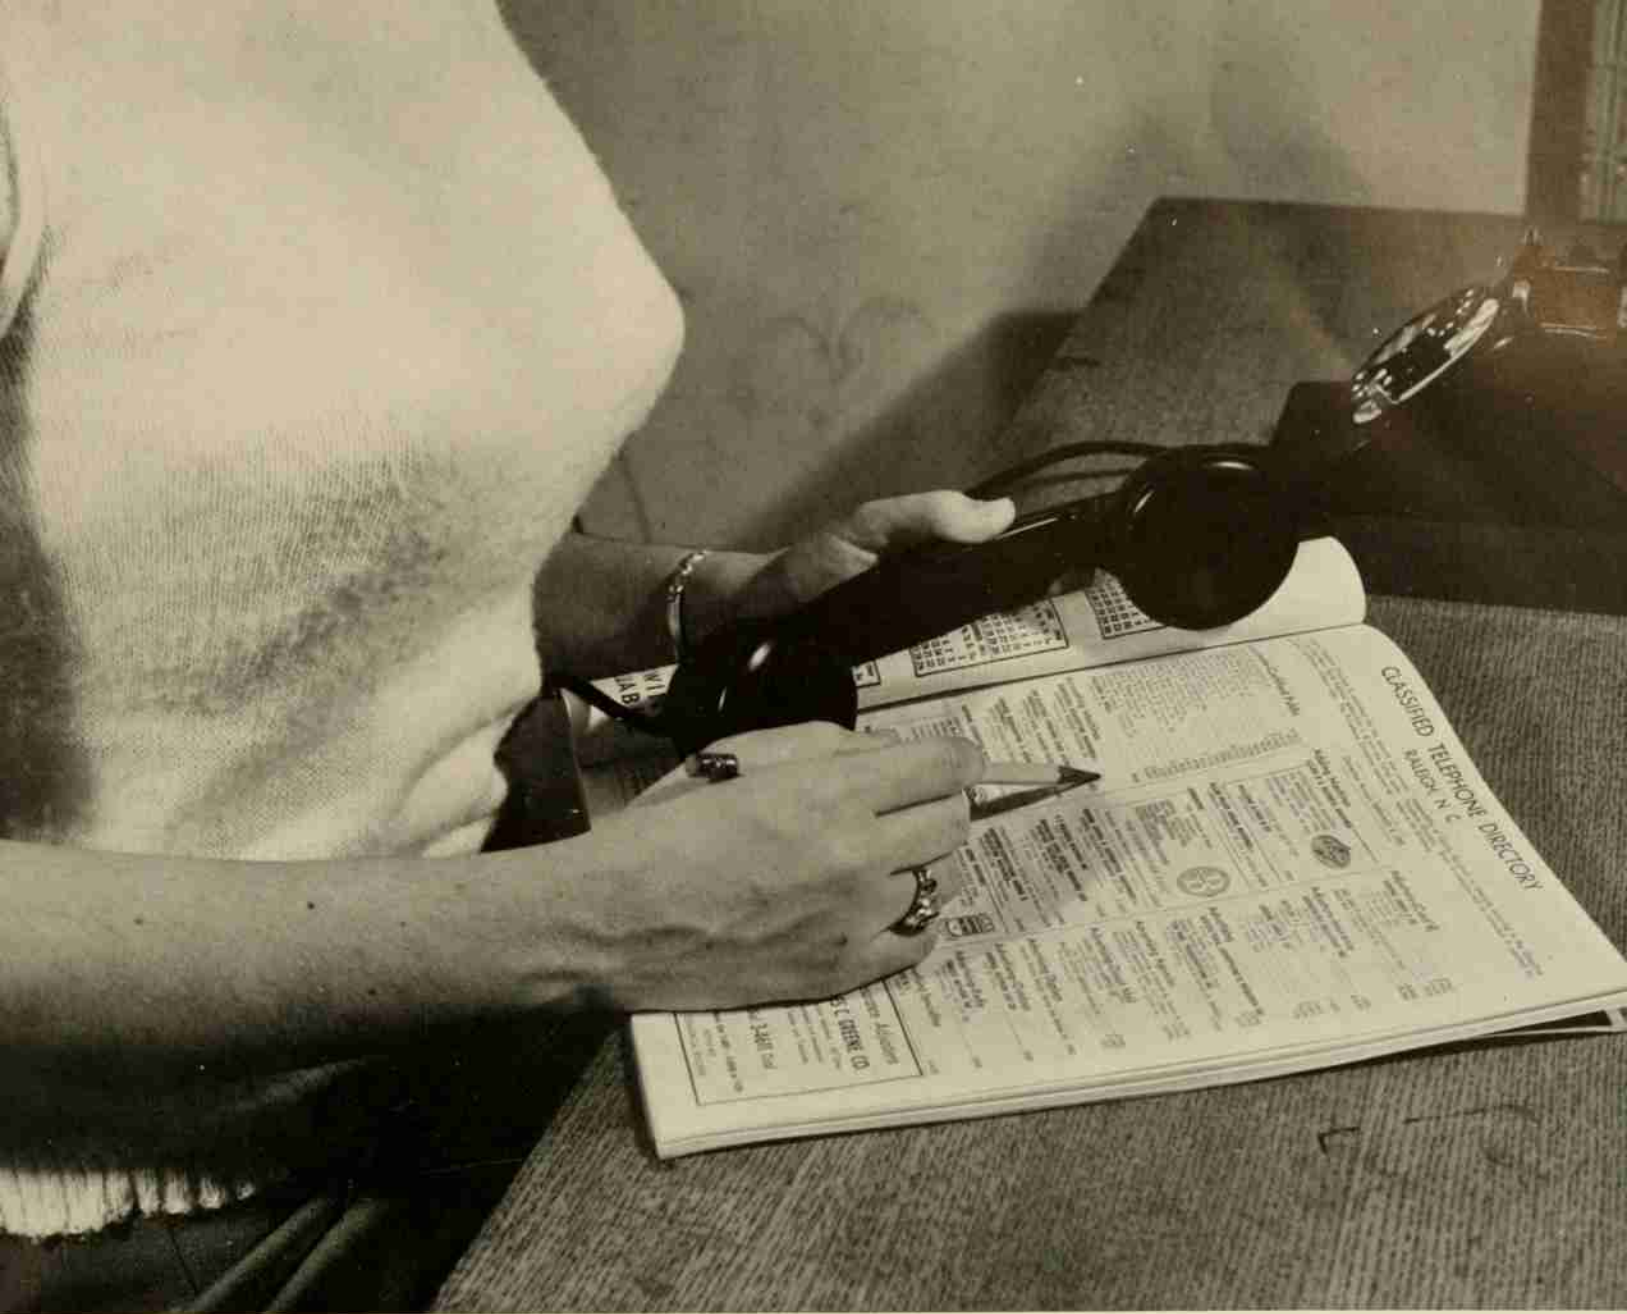

The intramural sports program at North Carolina State College has long been in an enviable position, being vaunted by the intramural athletics department and well received by the student body. Competition has been keen and participation excellent. However, it was felt that a closer relationship between the students and the department would foster a better program. Because of this feeling, the Intramural Advisory Board was formed in the spring of 1949, and it was comprised of the Intramural Athletic Director, the Assistant Director, and two student members from each of the three representative leagues—Off-Campus, Dormi-

tory, and Fraternity. The student members are appointed by their respective organizations and have a tenure of office of one year.

One particularly important duty of the Board has been brought about by the formation of a committee within the Board to rule on all protested games. While the number of protests has been small, the realization by the student body of the fact that the intramural program is their own program—run by them and for them—is a salient step toward giving State College the best in organized intramural sports.

Mills at Spindale, N. C.

A Short Course in Success

Back in 1923 the twenties were just beginning to roar . . . folks were singing "Barney Google", "Ain't Goin' Rain No Mo'", and "Yes, We Have No Bananas" . . . jazz music was the new sensation and a dance called the *Charleston* was sweeping the nation . . . the ladies were striving for a boyish figure and the Ziegfeld Girls were the toast of Broadway . . . over in Germany a scrawny little Nazi named Adolph Hitler was thrown in the clink for fomenting a beer-hall rebellion. It was quite a year.

That same year in Burlington, North Carolina, workmen were clearing a nearby cornfield to build a small textile mill. Some local businessmen were risking their money in a bedspread manufacturing venture. That was the beginning of Burlington Mills, a company destined to play a leading role in the rise of man-made yarn from obscurity to a place of major importance in textiles.

During the past 25 years Burlington Mills has grown from one small mill at Burlington into one of the world's largest producers of rayon fabrics. It now has 74 plants in six states and four foreign countries employing over 27,000 people. Teamwork between management and skilled, loyal employees made Burlington Mills a textile leader. Teamwork also produced the highest quality textile products at the lowest possible cost.

This successful formula was possible because American free enterprise permitted constant improvements in materials and machinery, development of our human resources, better methods of production, and an incentive for progress and growth. The formula brought better quality fabrics to the consumer. It brought better jobs, higher pay, increased benefits, and excellent working conditions to employees.

And so, 25 years after, Burlington Mills wears a badge of success. Its multitude of products are truly "*Woven Into the Life of America*".

A NEW SHORT-CUT TO COMFORT

GIVVIES*

BIAS-CUT SHORTS, \$1

*PATENTED

You'll never know how comfortable shorts can be until you've worn the new Hanes Bias-cut GIVVIES Shorts. They look different—and they feel different. The full bias-cut design gives you these extra comfort-features:

- Stretch-in-the-cloth to give with your stride.
- No bind, no creep, no seams in the seat.
- Two popular styles. Gripper-front (illustrated) or Boxer. Attractive stripes, solid colors and whites—all fast colors. Fine count broadcloth—Sanforized.
- Patented. So ask for Hanes GIVVIES Shorts.

TRUE... FOR A MILLION YEARS

You can't fool the Buying Public!

A million years ago when Oog, the first tailor, was making fur pants for his Neanderthal neighbors, Nug-Nug, the customer, gave out with the original bird when Oog tried to sell him a shoddy skin. The same is happening today, from Egypt to Elmira and all around the world . . . because you can't fool the buying public! At its founding in 1813, J. P. Stevens took a tip from Nug-Nug and started off making quality textiles. And today Stevens fabrics still lead the field in quality and public acceptance.

Recent installation of Gaston County "automatically controlled" Package Dyeing Machines, Extractor, and Dryers.

FULLY AUTOMATIC MACHINES ASSURE PRE-DETERMINED DYEING RESULTS

GASTON COUNTY FEATURES THAT SAVE TIME AND MONEY; ELIMINATE COSTLY GUESSWORK AND WASTE . . .

POSITIVE CONTROL . . . From the loading to the unloading of the kiers, every phase of the dyeing operation is under positive control. Less skilled help is required because all machines are equipped with automatic temperature controls, automatic dye liquor flow reversing mechanisms, patented two-way running wash system, and dye liquor flow controls.

ACCURACY IN MATCHING COLORS . . . Robot DYEMASTER controls provide permanent record for matching colors quickly and perfectly.

FLEXIBILITY . . . Machines designed for package dyeing only can be furnished for 1½", 3½" perforated tubes, spiral springs, wool tops, Barber-Colman cheese, or any other size perforated tube.

ALL MACHINES AVAILABLE IN STAINLESS STEEL OR NICKEL IRON . . . Extremely compact in design, machines are available in single or multiple kier set-ups, ranging from 1 to 2000 pounds. We also build Combination Beam and Package Dyeing machines.

Congratulations

to the men and women
of the

Class of 1950

It has been our privilege to have served many of you during your years at "State." It is our hope to merit your continued patronage throughout the years ahead.

MORE POWER TO YOU!

It is a matter of pride with us that since our Company was organized in 1908 there has never been a time when we did not have all the power required for all the needs of the territory we serve. Today we are engaged in a 78 million dollar expansion program to assure ample power for the future in this area . . . ample power for all needs of industry—business—the farm and the home. It is a promise of a brighter and happier future for you.

At Last It's All Done !!

What was a seemingly impossible task back in September of the 1949-50 school year is now finished. We have taken pride in our work; and now that this 1950 AGROMECK is completed, we are proud of it. Our sincere hope is that the ideas used in presenting the yearbook will meet with your approval. We were chosen to do the job and are highly conscious of the honor that was connected with this privilege.

We realize, though, that without the splendid cooperation and willingness to help on the part of the following persons, the book would not have been possible. They are: Mr. Len Glover, Mr. Manson Allen, and Mr. Ed Coleman of the Lynchburg Engraving Company; Mr. Harrie Keck of the Observer Printing House; Mr. Fay Smith and Mr. Billie Waller of Waller & Smith Studios; and Mr. "Pop" Taylor and Miss Frances Thompson of the N. C. State Alumni Association. We wish to express our thanks to each of these individuals who so graciously contributed their professional interest and advice and their assistance in the production of the 1950 AGROMECK.

Scott F. Stidham, *Editor-in-Chief*

Beverly A. Ross, *Business Manager*

Colonial Mills, Inc., a leader in the field of synthetic textiles, offers to young men and women with initiative and ability an excellent opportunity to work and learn the processing of synthetic fibers from raw cut staple and filament through dyeing and finishing.
