WHERE THE WINDS OF DIXIE SOFTLY BLOW

of NORTH CAROLINA

---THERE STANDS EVER-C

Alma Mater

NORTH CAROLINA STATE COLLEGE

Words by ALVIN M. FOSTER, '22

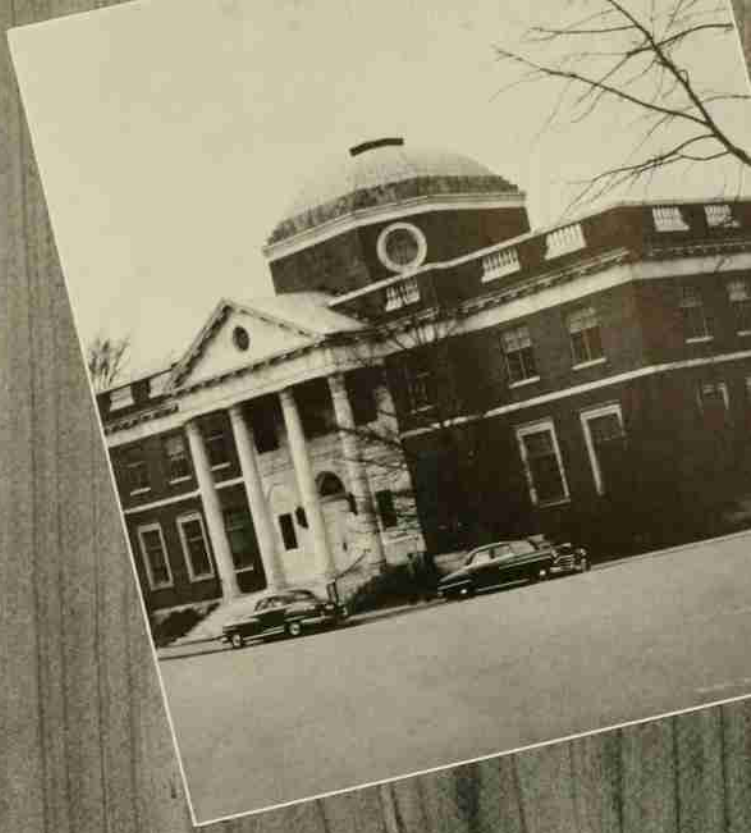

Music by DEAN W. TOMBS, Jr., '27

1. When the winds do blow, softly they blow,
2. When a star comes forth, with the load and strong,
3. Though the years may come and go, their way

in the fields of Coon-oh-tee. Where the pine trees and oaks stand, as a guardian of the grove, when the forest trees are gone, just
that the whole world may hear. Till the stars of the night, the land, the sea and the air, for the blue and white
than the path where a star leads. Though the work-ings of man may lead, or we know our nation's end, yet we know our course is set

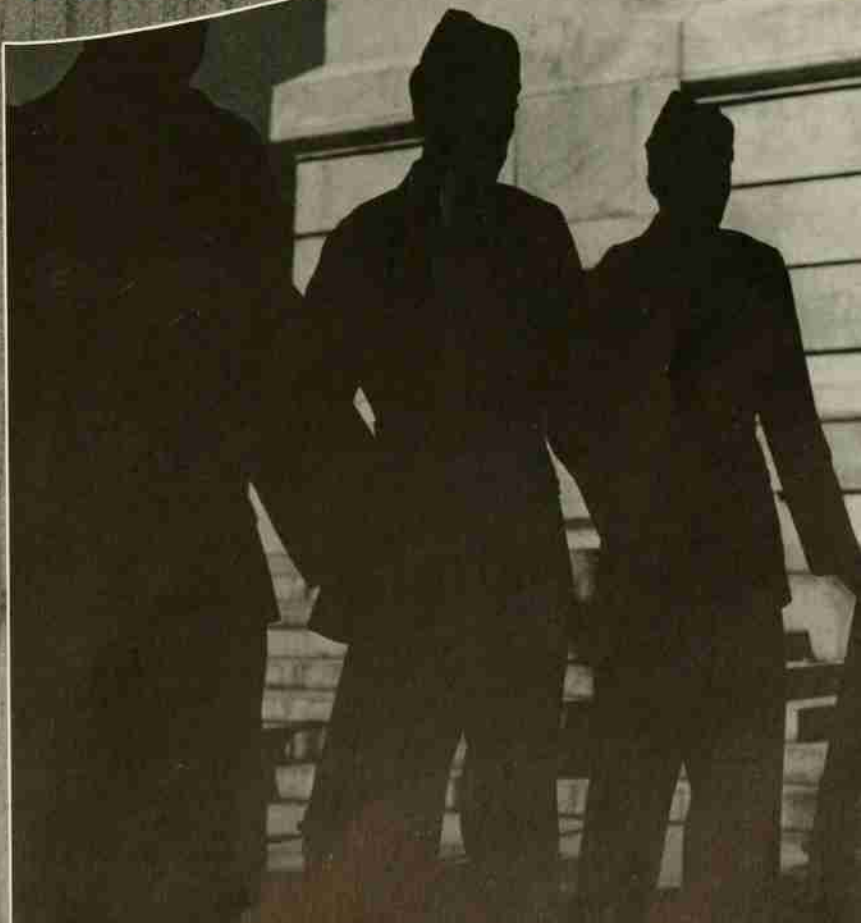

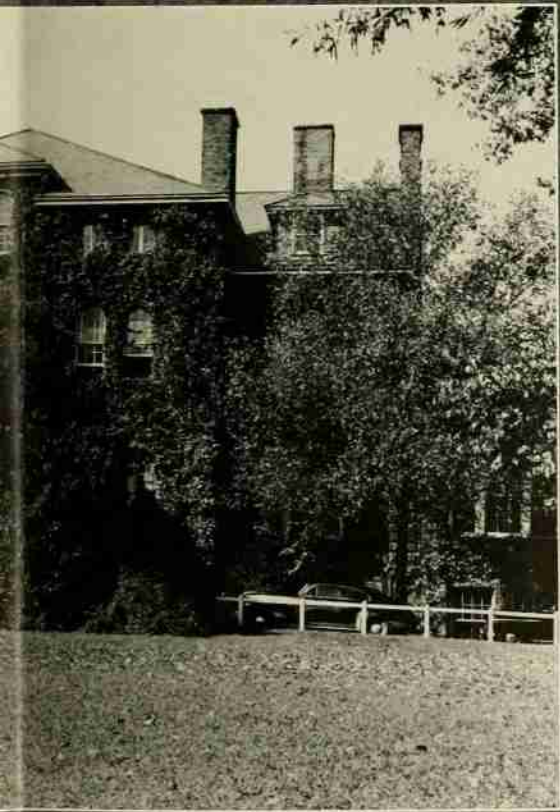

Chorus
That we loyal live and thrive, These standards are the shield of N. C. State, firmly standing true
At the sides the flag will fly, Our valiant blood is in our veins, for the blue and white
At my feet that holds the sea, Nor hear from our hearts by means of any. *Alma Mater dear, Then lift your voices!*

Loudly sing our Alma Mater's praise! On our all the earth her song shall ring, whose name we proudly raise. Her glories we shall
sing a psalm upon hill to a-crowded side, Our hearts ever hold you, N. C. State, in the fields of their love and pride.

WHAT is State College? Is it an institution of higher learning, a collection of steel, stone, and brick buildings housing martinet professors who award you a sheepskin after four or more years of "beating your brains out"? Or is State College a ten minute dash in the morning cold from the Mill to Pullen Hall, the friends you've made and the friendships you'll keep, the Meredith or St. Mary's girl you met at the Midwinters, the midnight bull-sessions, the "tough" professor who taught you something, the noon snack at the Mop-up? What is State College? The **AGROMECK** offers you a year of State College.

and their goal!

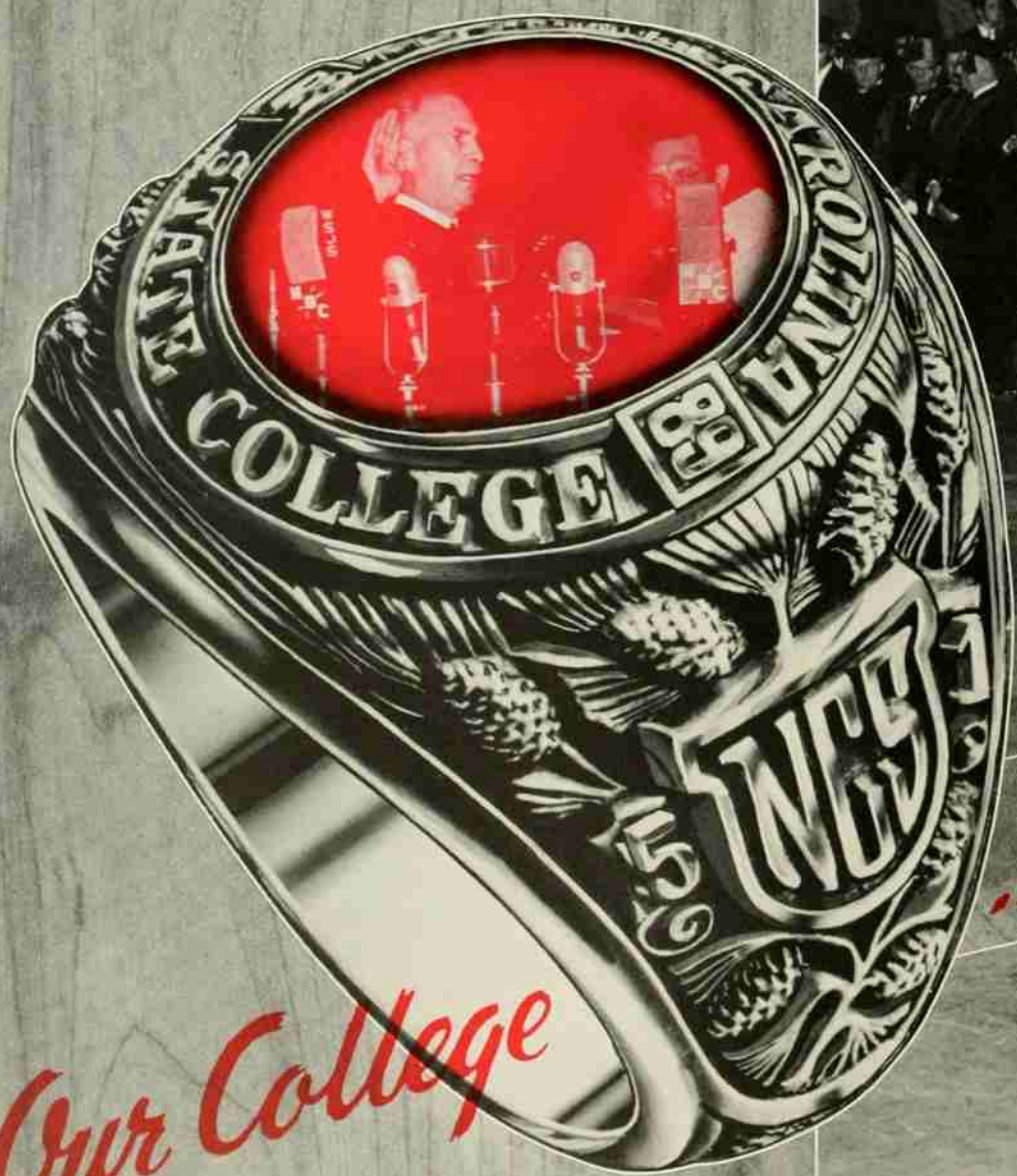

Dean Malcolm E. Campbell

TO A

Friend and Helper

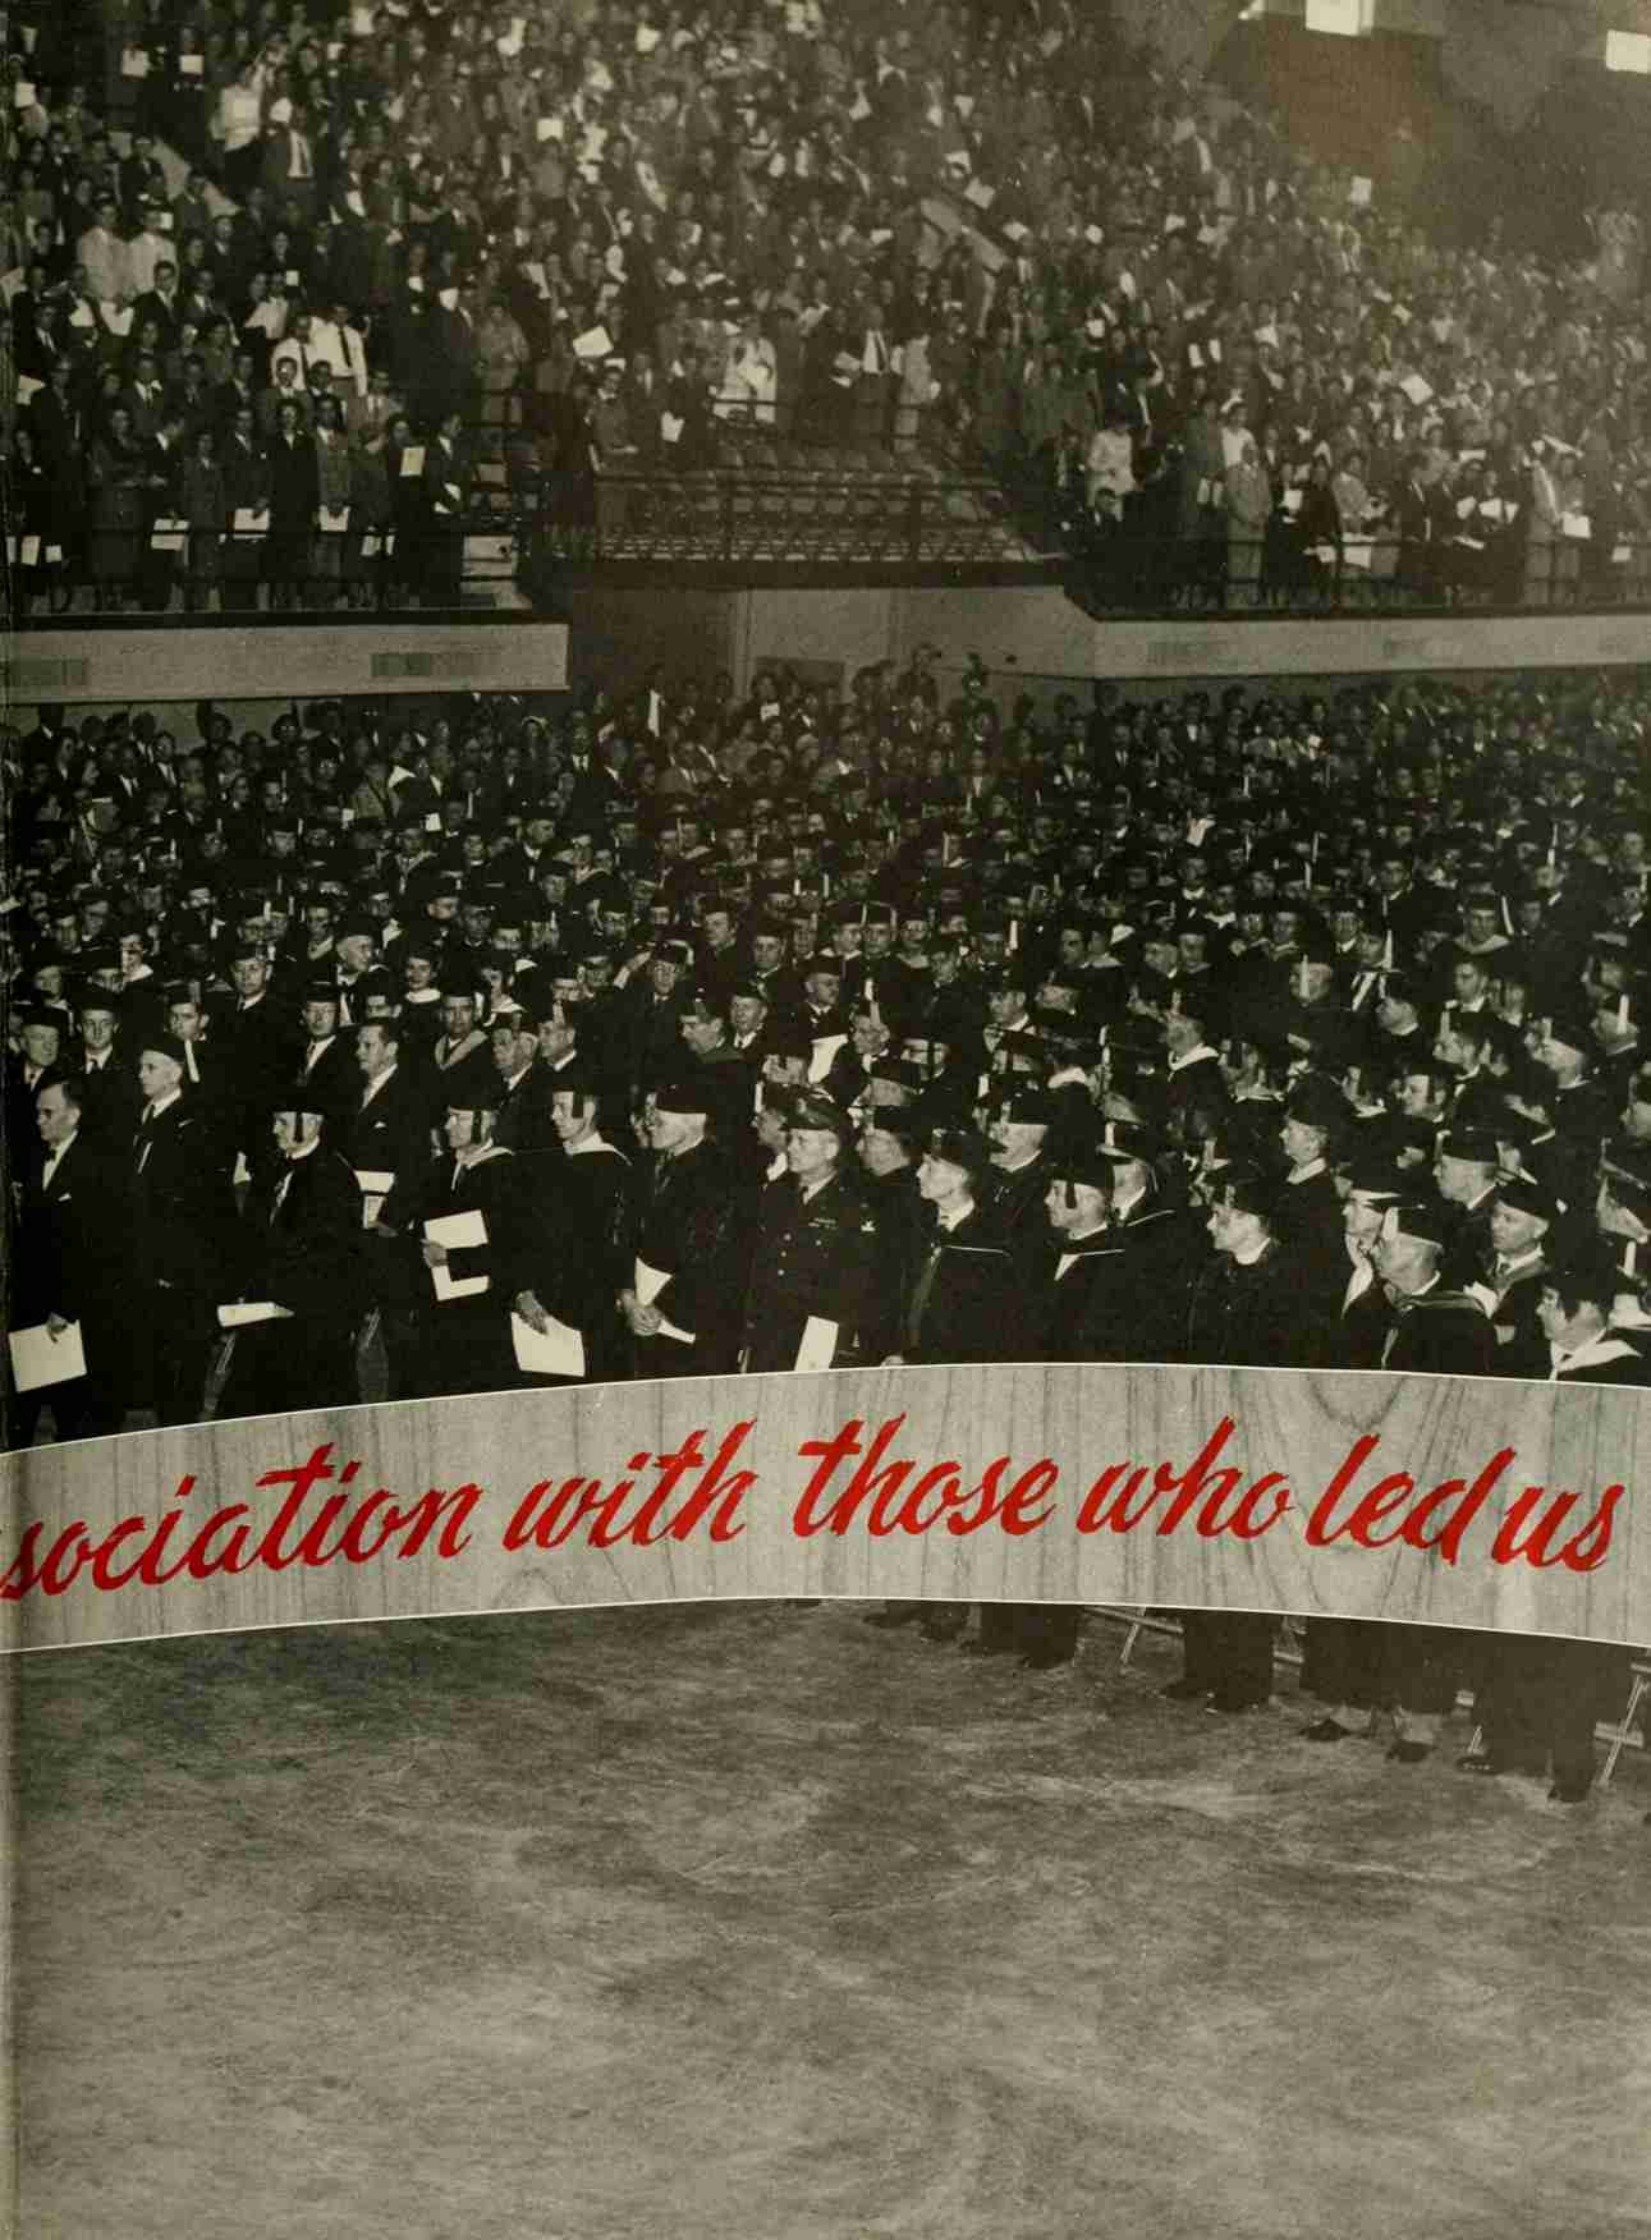

To an unselfish man who stands ever ready to aid those who call upon him. To a man who understands the students. To a man who has done much to further the Textile School and State College. To a man with a friendly smile and ready hand-clasp. To DEAN MALCOLM E. CAMPBELL we proudly dedicate this 1951 AGROMECK.

Our College

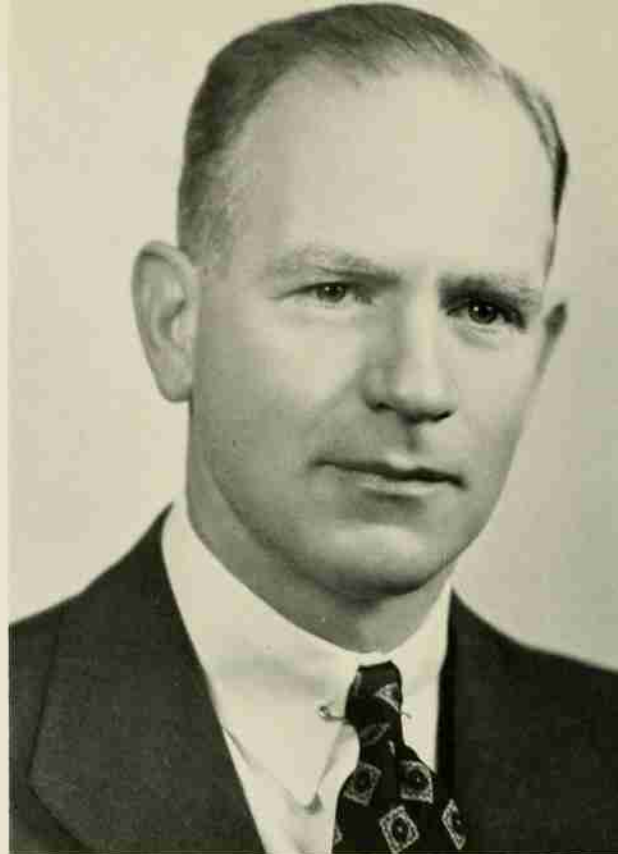

...a friendly

sociation with those who led us

SCHOOL OF AGRICULTURE

Agriculture is basic to North Carolina's whole economy. Today changes are taking place in the state's agriculture which will have a profound effect on the lives of all of our people.

The School of Agriculture in all three of its main divisions—Teaching, Research and Extension—is dedicated to a program of training men and women to assume leadership in these changing times. Various curricula have been developed which will enable students to choose the field of work in which they are most interested and best qualified to serve. These include short courses, regular four year work and training leading to Master's and Doctor of Philosophy degrees.

SCHOOL OF DESIGN

The School of Design is devoted to the development of a native art form in the practical and useful arts to meet the needs and conditions of the Southern Regions.

Professional courses of study are now offered in Architecture and Landscape Architecture. A third department of Products and Production is being planned for the very near future. The new Department will actively collaborate with a number of presently organized Departments on the campus who are now engaged in management and production, and will concern itself with problems of form and aesthetics as related to the design of products and the production of products.

As the only Department of Architecture in the most progressive State in the South and the only Department of Landscape Architecture in the region, the opportunities are unlimited for the school's graduates to contribute to the solution of problems in building design, planning and general construction.

HENRY L. KAMPHOEENER, *Dean*

In memory of Mr. MATTHEW NOWICKI, former Head of the Department of Architecture, who was killed in a plane crash in August, 1950. As yet Mr. Nowicki has not been replaced.

SCHOOL OF ENGINEERING

The School of Engineering is an integral part of and is vitally concerned with the state's economic development through the training of its youth and the utilization of its natural resources.

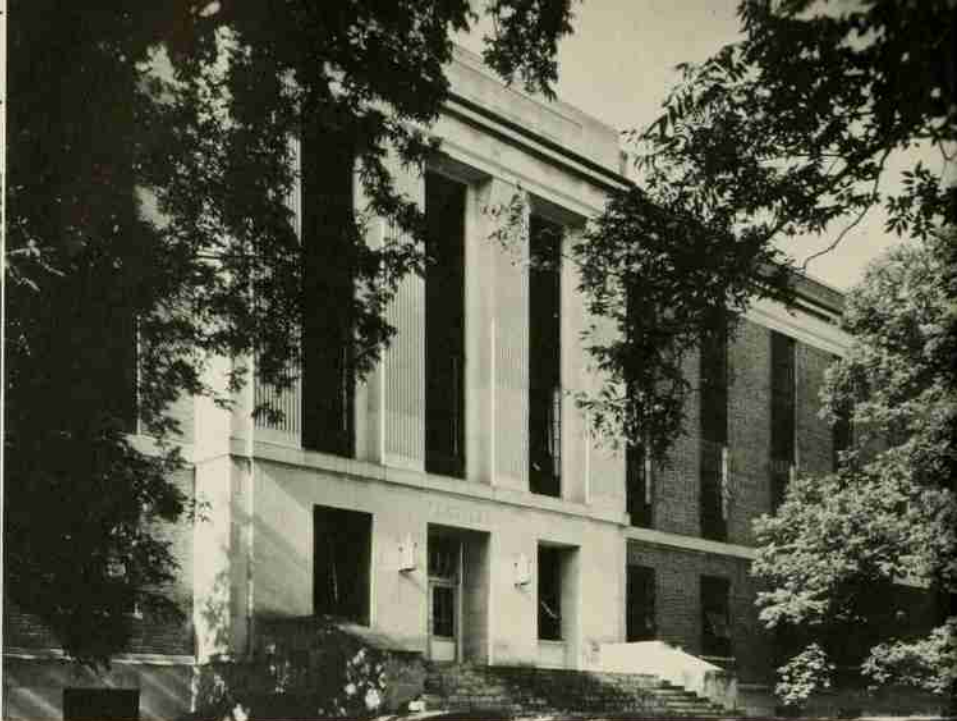

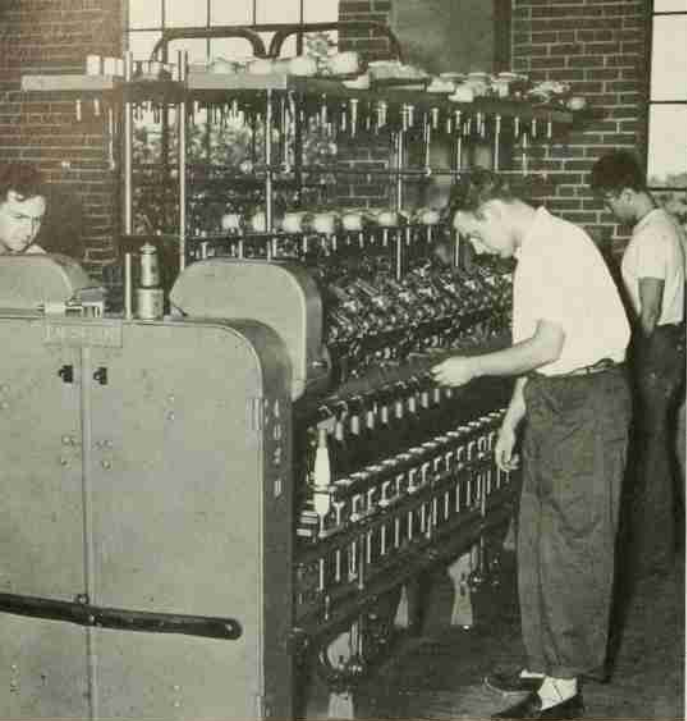

This progressive and effective program is made possible by a staff of teachers and research workers who are nationally recognized in their scientific field. With the recent addition of a modern, well-equipped engineering laboratories building, many new services are being offered both students and industries throughout the state.

These and many other excellent, progressive activities can be counted on to offer leadership in the training of our young people as well as to further industrial activity in North Carolina.

J. H. LAMPE, *Dean*

SCHOOL OF TEXTILES

Continuous development of new fibers, new fabrics, new processes and equipment has made the textile industry not only the second largest, but also one of the most colorful, most fascinating, and most dynamic in our economic life. Industry's ever-growing demand for well-trained young men and women in the field of Textiles has placed the graduates of this school at a very high premium. The graduates of today are well on their way to positions of leadership. They follow the footsteps of the very many graduates who now serve the industry in various responsible executive capacities. Their multifold achievements attest in a large measure to the success of a sound and progressive educational program.

GRADUATE DIVISION

The Graduate School is organized to provide both the facilities and the opportunity for advanced study and research. The Graduate School at State College is a part of the Graduate School of the Consolidated University. To us has been delegated the responsibility for all graduate instruction in the fields of Agriculture, Agricultural and Industrial Education, Engineering, and Textiles. Graduate programs leading to the doctorate degree are now offered at State College in Agricultural Economics, Agronomy, Animal Industry, Botany, Electrical, Ceramic, and Chemical Engineering, Entomology, and Experimental Statistics. The Master of Science degree is offered by most of the departments in the Schools of Agriculture, Engineering, Education, Forestry, and Textiles.

D. B. ANDERSON, *Dean*

SCHOOL OF EDUCATION

The School of Education provides the professional pre-employment training required for certifying teachers of Vocational Agriculture, Industrial Arts, Industrial Education, Mathematics, and Science. The curriculum in each of these departments includes courses designed to aid prospective teachers in acquiring an understanding of high school pupils, and in selecting and using acceptable teaching methods. The School of Education also provides undergraduate training for recreation leaders in industrial and rural areas.

Teachers of Vocational Agriculture, Industrial Arts, Industrial Education, counselors and industrial psychologists may attain professional improvement through the programs of graduate study.

BASIC DIVISION

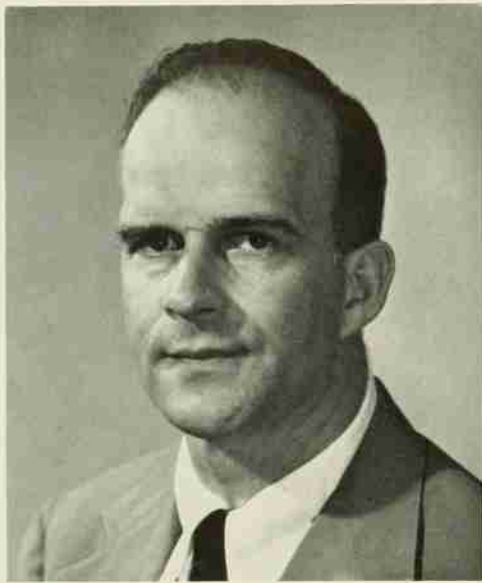

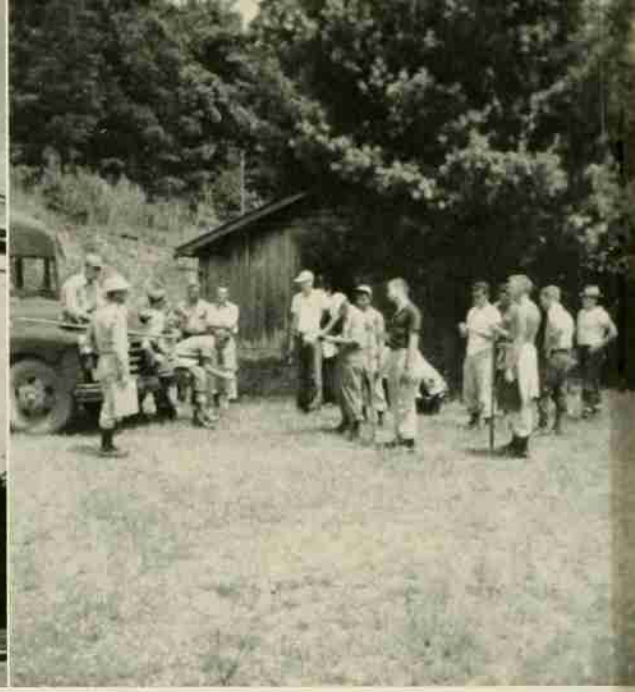

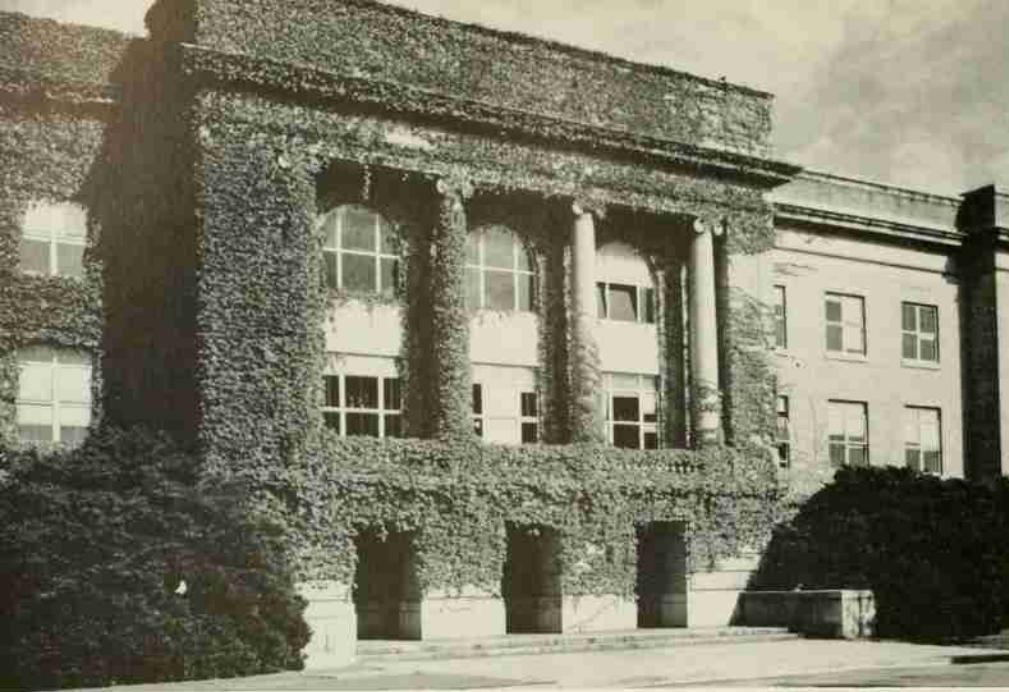

This division is "basic" because it teaches disciplines necessary to satisfactory progress in the careers for which State College prepares its students. As the problems which they must solve will never be free of economic, social and cultural implications, so must their education combine the humanities and social sciences with their technical studies.

We feel we are training leaders for great responsibilities. Success and a satisfactory personal philosophy require the humanities and social sciences, yet still more urgently does the welfare of our society demand citizens who are alert, aware, able to communicate.

JOHN W. SHIRLEY, *Dean*

R. J. PRESTON, *Dean*

SCHOOL OF FORESTRY

Forests are one of the most important and fundamental resources of the Southeast. In North Carolina, 59 percent of the land area is in forest. Wood products industries rank second to textiles as a source of employment in manufacturing.

The growing demand for forest products, coupled with the progressive depletion of the forests, has brought a rapid increase in the demands for trained foresters. The School of Forestry offers undergraduate and graduate instruction in the fields of forest management, wood technology, pulp technology, and lumber products merchandising.

THE GOLDEN CHAIN

Senior Honorary

Golden Chain, Senior Honorary Society, was organized in May, 1926. The purpose of the society is to promote better citizenship and leadership on the campus. In May each year, twelve Juniors, considered the outstanding members of their class, are added to the Chain by a tapping ceremony at the Memorial Tower.

Blue Key Honor Fraternity was founded at the University of Florida in October, 1924, to perpetuate belief in God, to preserve the principles of good citizenship, and to promote the best interest of the students.

It recognizes outstanding qualities in character, scholarship, and service, placing equal emphasis upon leadership in student activities. Membership is composed of graduate and undergraduate students of all departments of American colleges and universities.

This year Blue Key sponsored a gigantic Homecoming Celebration and a dance following the Homecoming game that was extremely successful. This dance was given jointly with the Monogram Club. Blue Key also cooperated with other campus organizations in various activities to perpetuate a more meaningful campus life.

OUR MILITARY STUDIES

Military Training at State College is administered by the Division of Military Science which is headed by the Director of Military Training. The College R.O.T.C. regiment consisting of a Regimental Headquarters and Staff, a band, a drum and bugle corps and three battalions, is made up from both Army and Air Force R.O.T.C. and is one of the largest R.O.T.C. regiments in the United States.

Army R.O.T.C. and Air Force R.O.T.C. training consists of both classroom and drill field instruction, under separate programs prepared by the Department of the Army and the Department of the Air Force. The Department of Military Science and Tactics headed by the Professor of Military Science and Tactics (PMS&T) directs instruction of Army R.O.T.C. at the college, specializing in five branches of Army service: Infantry, Signal Corps, Quartermaster Corps, Corps of Engineers, and Ordnance Corps. The Department of Air Science and Tactics, headed by the Professor of Air Science and Tactics (PAS&T), directs instruction of the Air Force R.O.T.C. at the college, specializing in two courses—Air Force Communications and Aircraft Maintenance.

ARMY INSTRUCTORS

Top row: Colonel Stell, Lt. Colonel Craig, Major Birdsong, Major Brown.

Bottom row: Major Neilson, Captain Mozingo, Captain Rachmel, Captain Rees.

Front row: Sgt. Eason, Sgt. Arnette, Sgt. First Class Williams, Sgt. Longhurst.

Second row: W.O.J.G. May, Sgt. First Class Stratton, M/Sgt. Marsh, M/Sgt. Weatherman, Sgt. Dobbs.

Third row: Sgt. First Class Smith, M/Sgt. Settlemire, Sgt. First Class Richardson, M/Sgt. Pollock.

AIR FORCE INSTRUCTORS

Top row: Major Eichholz, Major May, Captain Hansen.

Bottom row: Captain Vickery, Lieut. Nave, Lieut. Roddenberry.

Front row: T/Sgt. Thompson, T/Sgt. Coleman, T/Sgt. Rogers.

Back row: M/Sgt. Siwik, S/Sgt. Russell, M/Sgt. Debnam.

BOARD

The Board of Student Publications, organized in 1931, handles all matters pertaining to student publications. Busy indeed is the Board, for State has more student publications than any other college or university in North Carolina.

ARTHUR S. DEBERRY
Business Manager

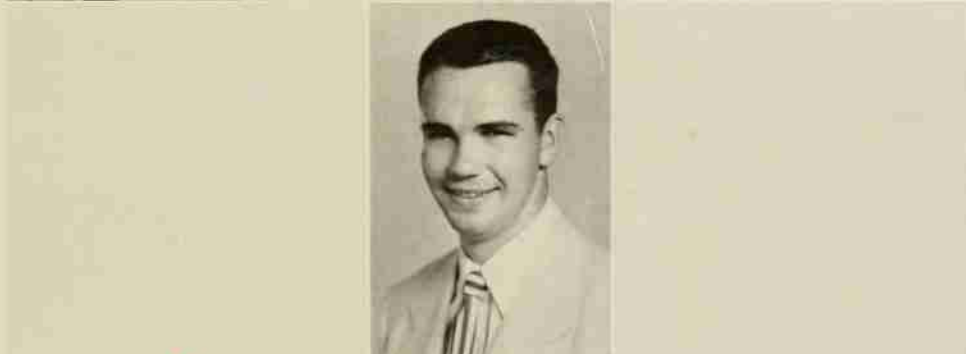

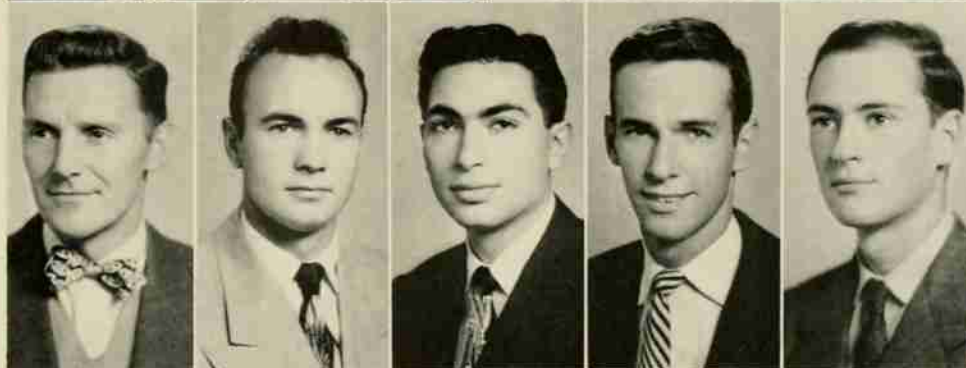

This is your 1951 AGROMECK. Its contents have been made possible because of your presence and activity. To us, the AGROMECK Staff, this annual represents many hours of tedious study and work to give you what we hope you will like for many years to come. If, in future years, you can look at the events recorded here and relive pleasant memories of the School Year 1950-51 then our work on the 1951 AGROMECK will have been justified.

The Technician

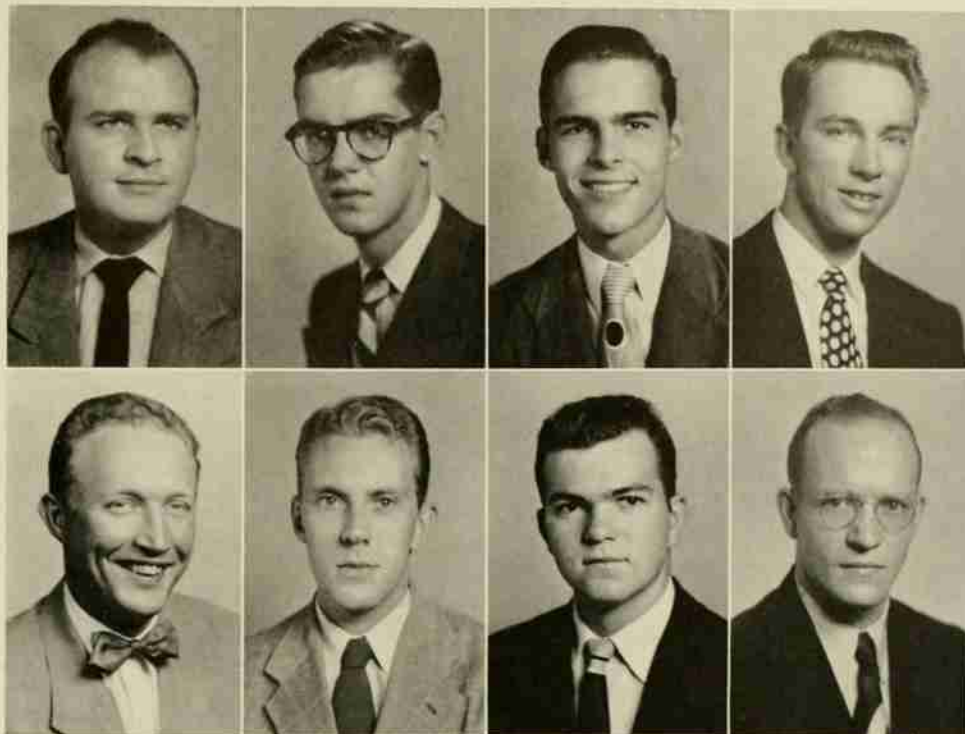

As the weekly newspaper published by the students of North Carolina State College, the *Technician* covers news of all campus events and other local news of interest to the students. On February 1, 1951, the *Technician* observed the completion of thirty-one years of publication.

The *Technician* is considered one of the outstanding college newspapers in this section of the United States. The cost of this weekly for the student is included in the publication fee which he pays as part of his regular fees. The editor and business manager of the *Technician* are elected by the student body in a campus-wide poll held during the spring term.

The Wataugan

Working on the theory that a magazine could be both literary and humorous, the founders of the *Wataugan* made an effort to establish a publication that would please the students and at the same time meet the standards set by the Student Board of Publications. The material for this popular magazine, published six times a year, is supplied by the student body and includes fictional stories, art, jokes, and poetry. The editor and the business manager of the *Wataugan* are chosen in the annual campus-wide elections. Candidates for these posts are picked by the Publications Board from the experienced members of the staff.

WVWP

WVWP, The Voice of the Wolfpack, brings programs of special interest to State College students each week-night. This radio station is staffed entirely by students and during the past year brought announcements and disc jockey presentations over the airwaves. Within the past few years the radio station has been remodeled extensively, and the coverage has been increased to a great degree.

The Agriculturist

The *Agriculturist* is the official organ of the School of Agriculture and the "Ag" Club. It is published six times a year. This magazine, by printing articles on soils, livestock, and other items that are invaluable to agriculturists, promotes closer co-operations between students, faculty, and alumni. The *Agriculturist* serves as an important mode of publicity both within this state and others.

The *Pinetum* is the annual publication of the Forestry Club. For the past 19 years it has been the major outlet for activities of the students in the Forestry School. The book is an attractive reminder of good times together, as it contains pictures of graduating seniors, camp events, and trips. The alumni maintain a knowledge of the whereabouts of each other through the alumni section of the book.

Southern Engineer

The *Southern Engineer*, sponsored by the Engineers' Council, is published by the students of the School of Engineering and appears six times during the school year. The magazine has the dual purpose of disseminating information and affording students an opportunity to develop writing techniques. It also helps inform the engineering public of the South of the standards, opportunities, and progress of the School of Engineering.

The *Textile Forum* carries articles of technical interest by members of the faculty, by men who are actively engaged in the textile industry, and by students themselves. Through this means it serves as an important link between the textile industry and the students of the School of Textiles. This magazine is published quarterly and is sent to leading mills throughout the country. Two members of the faculty are on the Editorial Board, and they recommend the appointment of an editor and a business manager each year. This Board consists of Dean M. E. Campbell and Prof. E. B. Grover.

GREATER UNIVERSITY STUDENT COUNCIL

In the years of its existence, the Student Council of the Greater University of North Carolina has proven its worth and has become established as a vital feature of student life here at State College, at the Woman's College, and at the University of North Carolina.

The Council's chief purpose and objective is to implement at the student level the spirit of the Consolidation Act, thus making the Greater University of North Carolina great in actuality as well as in name.

Delegation from the Woman's College: Nancy Blanton, Sarah Carter, Betty Bullard, Saleta Scobey, Lydia Moody, Jaylee Montague, Carolyn Burton, Betty Lou Merrill, Fran Fulcher, Nancy Holder, Tempe Hughes.

Delegation from the University of North Carolina: John Sanders, Herb Mitchell, Dick Murphy, Larry Botto, Horace Stacy, Winifred Harris, Don Van Noppen, Tom Sully, Ted Leonard, Kash Davis, Bill Prince.

The Campus Government and Honor System was established in 1921 for "the purpose of forming a more perfect community of scholars, affording opportunity for training in American citizenship, and securing the blessings of liberty, learning, and integrity . . ." for those of the college community. This system of government is based on the conception that the problems of self-government on the modern college campus are not problems of student government alone nor of faculty government, but

a concern of every citizen of the college community. Therefore, each student, faculty member, and administration member votes in the election of officers of the Council.

The main function of the Campus Government and Honor System is to encourage the development of personal honor and integrity, scholarly achievement, and a genuine sense of civic responsibility in every person who matriculates at the North Carolina State College.

The Engineers' Council is composed of elected representatives of the various engineering societies on the campus. The primary function of this group is to coordinate the activities of the engineering societies represented. Each year the Engineers' Council sponsors the Engineers' Exposition. It is also responsible for directing the publication of the *Southern Engineer*. Another out-

standing event sponsored by the Council is the knighting of outstanding engineering students into the Order of St. Patrick. The outstanding senior engineering student is recognized and given a gift by the Council. Scholarship is encouraged at the freshman level by selecting the two outstanding Freshmen from each department as Companions of St. Patrick.

The Interdormitory Council is composed of the President and Vice-President of each dormitory club on the Campus. The purpose of the Council is to promote a co-operative and progressive attitude in the minds of the students, to consider and work for the benefit of the dormitory occupant, and to better his life socially, physically, and morally.

During its existence the Council and dormitory clubs have done much to better our school spirit, our intramural program, and to give the students in the dormitories a schedule of social activities never known before on this campus. The future success of this organization depends primarily upon the continued work and co-operation of all the students in the dormitories.

Developing the personality of the citizens of the college community in the Christian tradition stands as the objective of the Young Men's Christian Association. Students, faculty, and staff earnestly attempt to enrich the college experience through a co-operative program of worship. Christian conviction and Christian service we consider as invaluable assets to the full life.

Related to the activities of the Y.M.C.A. are its many service features: the reading rooms, the student lounges, information and telegraph facilities, telephones, meeting rooms, and game room which have been a constant accommodation to the college populations. The development of leaders of high principles through a religious, educational, and social program, however, remains the primary purpose of the organization.

Theta Tau is a professional engineering fraternity of college students. Members are chosen for their character, integrity, leadership, and scholarship. The purpose of

Theta Tau is to develop and maintain a high standard of professional interest among its members, and to unite them in a strong bond of fraternal fellowship.

First row: Andrews, Chadwick, Craig, Freeman, Furches, Johnson, Jones, Knowles.
Second row: Lampe, Leggett, LeGrand, McCormick, McCracken, McKeel, Muse, Putnam.
Third row: Ricks, Robertson, Shaw, C. B. Smith, R. W. Smith, Tolan, White.

AMERICAN SOCIETY OF MECHANICAL ENGINEERS

The student branch of A.S.M.E. offers members in Mechanical Engineering an opportunity to develop finesse in leadership, administration, and public speaking. A.S.M.E. brings many interesting speakers to the campus to stimulate professional interest among its members. Its programs include inspection trips, social outings, joint meetings with neighboring colleges, sponsoring speakers of national prominence, and local competition for prizes.

Members: Ralph Albert, Neal Patterson Alexander, Harry Brinkley Anderson, George W. Andrews, Milford J. Auger, Bernard Adolphe Barrosse, Jr., Alvin H. The object of this society is to afford an opportunity for closer acquaintance among the students in Civil Engineering at N. C. State College, to increase interest in engineering, to foster a true professional knowledge and spirit among students, and to co-operate with the professional and academic Civil Engineering world.

Meetings are held once a month and include addresses by professional engineers, films on engineering projects and construction, student papers presented before the chapter, social affairs, and business meetings. The Chapter publishes its own monthly paper, *On The Level*.

In September, 1948, the Furniture Manufacturing and Management course was offered to the students of North Carolina State College. The course is backed in industry by the James T. Ryan Furniture Professorship.

The students felt the need for a device to keep them up to date on current happenings in the industry, so in October, 1948, the Student Furniture Club was organized. The purpose of this club is to sponsor meetings for discussion of subjects of general interest to the furniture students.

Members: T. E. Allen, J. W. Arden, H. L. Arnold, H. E. Beatty, C. G. Bedford, R. R. Boykin, R. R. Bumgarner, C. T. Bost, V. C. Broyhill, C. C. Bondy, H. L. Boyd, M. G. Bryant, J. B. Brady, A. B. ROBERT E. BOYCE
President

Founded in 1902 at Ohio State University, Keramos has the distinction of being the oldest professional engineering society in the world. Membership is offered only to those students in the Department of Ceramic Engineering who have a good scholastic record, integrity of character, and leadership qualities. Honor students are presented with keys in recognition of their achievements.

Faculty members: W. C. Bell, W. W. Kriegel, C. V. Rue, E. M. Tuttle, M. A. Tuttle, H. H. Wilson.

Members: W. C. Barnhardt, Fred J. Calverly, Carl T. Durham, Edward J. Dzura, Kenneth W. Hansen, Frank T. Hutchins.

Members not pictured: James H. Giles, Jr., William C. Hackler, Bobby L. Joyner, Arthur E. Lucier.

Society for Advancement of Management

OFFICERS

- KENT C. MOORE *President*
 CHARLIE D. CURLIN *Vice-President*
 BRUCE V. DARDEN *Secretary*
 ROLAND E. PARTON *Treasurer*

The Society for the Advancement of Management is both an honorary and professional society. Membership is open to students interested in management and registered in one of the major fields of Administration, Agriculture, Distribution, Finance, Human Relations, Production, or Textiles. The Society is the recognized national professional organization of management in industry, commerce, government, and education. The aim of the organization is to propagate the benefits of scientific management through aid to executives on all phases of management problems through the application of engineering methods.

Members: J. P. Alexander, G. R. Applegate, R. I. Armfield, C. H. Bailey, J. S. Berryhill, G. M. Burgess, C. O. Carlin, H. V. Carson, C. D. Curlin, B. V. Darden, C. R. Farinholt, J. L. Field, B. B. Graybeal, R. B. Greene, W. A. Gurley, L. C. Harrington, W. R. Henkle, E. O. High, W. H. Hoffman, F. J. Kornowski, B. C. Kuller, C. A. LeGrand, R. I. Levin, A. W. Lobbell, V. B. Lougee, C. E. BENJAMIN C. KULLER
President

This society of Industrial Engineers was organized on the State College campus in January, 1947. Through frequent meetings it proposes to link together the private and academic lives of the students and faculty. Meetings are held every two weeks and interesting speakers associated with closely allied fields are invited to speak. One of the main projects of the organization has been to organize the society on a national basis by inviting other schools teaching industrial engineering to participate.

Members: J. P. Alexander, G. R. Applegate, R. L. Armfield, P. H. Avery, C. H. Bailey, J. M. Beasley, J. S. Berryhill, G. M. Burgess, C. O. Carling, H. V. Carson, E. B. Chapman, W. R. Gody, R. T. Coley, R. L. Collins, H. L. Cook, C. D. Curlin, B. V. Darden, W. L. Davis, H. L. Dixon, W. J. Evans, J. L. Field, B. B. Graybeal, Jr., E. M. Greene, R. B. Greene, J. F. Gregory, W. A. Gurley, L. C. The student branch of the American Society of Heating and Ventilating Engineers was chartered on the State College campus on May 7, 1948. Since that time the organization has been striving to promote an interest in students of this phase of engineering among the practicing engineers, architects, and manufacturers in this field.

Faculty members: T. C. Brown, C. A. McKeeman.

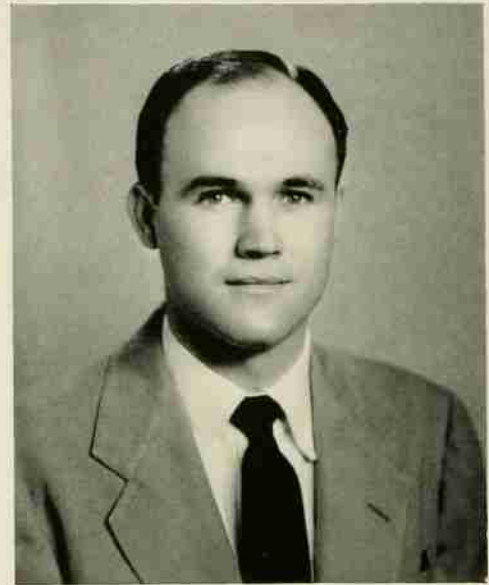

Members: G. W. Andrews, G. C. Ashley, J. P. Arnold, Jr., A. B. Barrosse, Jr., G. E. Burchette, J. L. Cauble, Jr., B. L. Christenbury, J. H. Davis, J. R. Dick, Jr., C. A. Ford, Jr., P. J. Harris, T. A professional society, membership in the American Institute of Mining and Metallurgical Engineers is open to all students enrolled in Geological Engineering. Monthly meetings held during the school year are planned to include programs that will aid the student in his study of geology. Movies on geology and allied fields and several field trips are included that serve to correlate theory and practice.

Faculty members: G. E. McKinley, E. L. Miller, Jr., J. M. Parker, III, S. G. Steel, J. L. Stuckey.

Members: T. Alexander, J. N. Bowerman, W. R. Brackett, S. G. Conrad, F. L. Dillard, J. M. Fisher, Jr., C. M. Gibbs, Jr., B. B. Hoskins, G. E. Knowles, Jr., C. M. Llewellyn, Jr., J. H. McDade, Jr., R. President

Phi Psi Fraternity is a professional textile fraternity, the objects and aims being: first, to promote good fellowship among men of textile schools and the textile industry; second, to encourage a high standard of textile work; third, to assist by every honorable means the advancement of its members.

Eta Chapter at North Carolina State is the largest chapter in the fraternity, in parallel with the largest textile school in the world. During the 1950-51 school year, the chapter took part in the arranging of a display of student work for the national Phi Psi Convention, held several refreshment booths for School events, conferred honorary degrees upon two outstanding men in the textile industry, and held several social events. Some of these include the annual banquet, at which time a cup was awarded to the "Man of the Year" in the textile industry.

Members: R. W. Anderson, E. B. Armstrong, J. J. Allen, M. D. Atwell, J. M. Baker, R. C. Barnes, N. D. Blackwelder, H. A. Brown, E. F. Brown, C. G. Buie, R. W. Byrum, W. C. Buchanan, R. W. Cashion, W. The Cosmopolitan Club is currently ending its third year of existence on the State College campus. The club unites the foreign students for the purpose of promoting fellowship and understanding among students of different races and nationalities. Interesting and instructive programs are presented at the meetings, and the club's social activities include several evenings of entertainment at Dean Anderson's home. Activities of the Cosmopolitan Club in the past have been as follows: meetings of I.R.C. Clubs of other schools, parties with students from Peace College, a ping-pong tournament, and the establishment of a varsity soccer club and a varsity fencing team.

Alpha Zeta was founded at Columbus, Ohio, on November 4, 1897. The North Carolina chapter was the eighth of forty-five chapters and was chartered in 1904. Its aims are perhaps best expressed in the words of its founders: "Alpha Zeta was established neither as an honorary nor as a social fraternity, but as a professional fraternity in whose membership shall be combined the qualities of high scholarship, fine fellowship, and sound character. These are the vital qualities of real leadership, and it was the actual potential leadership in the field of agriculture for which the fraternity was established to encourage and develop."

Members: John H. Beaman, Roy E. Briggs, Hardy R. Caldwell, William L. Carpenter, Raymond G. Cragle, Lewis W. Dameron, Samuel W. Furches, Davis R. Godwin, John E. Graham, Dodridge L. Guyton, Dewy G. T. NEWTON HARDIN
President

The State College Forestry Club holds weekly meetings during the school year for the purpose of promoting better relationships between students and members of the faculty. Educational and recreational programs are presented at these meetings.

Functions sponsored by the club include the "Rolleo"—an annual field day in which class teams compete for honors

in events ranging from tobacco spitting to tug-of-war; a Loggers Brawl; and an exhibit in the State Fair.

Publication of the *Pinetum*, the Forestry School Annual, is sponsored by the club and distributed to forestry students and alumni. The club also publishes *Slabs and Edgings*, a bi-weekly paper containing articles and news of particular interest to forestry students.

ROBERT E. CROWELL
President

The function of the local chapter of the American Association of Textile Chemists and Colorists is to bring into closer contact the students of textile chemistry and the men of the textile industry. Specialists in textiles and allied fields are invited to speak before the organization in the hope of correlating theory and practice.

The objectives of the organization are: "to promote an increase of knowledge of the application of dyes and chemicals in the textile industry; to encourage, in any practical way, research on chemical processes and materials of importance to the textile industry; and to establish for the members channels by which the interchange of professional knowledge among them may be increased.

Faculty members: K. S. Campbell, Richard C. Davis, Arthur C. Hayes, Henry A. Rutherford, W. E. Shinn.

Members: E. B. Armstrong, Jr., O. N. Arslan, Lewis D. Bratton, Hubert R. Broome, Ralph W. Cashion, H. Cikurel, Lamar C. Cloninger, Robert C. Crawford, Robert E. Crowell, Jack A. Dayvault, Arturo M. de Nicholas, C. F. Donyes, Robert Greenberg, W. H. Hampton, J. J. Harand, W. D. Hicks, Donald B. Imrie, William M. Joyner, David E. King, V. Kota, Charles R. Ladd, F. The Wesley Foundation is the Methodist Church on the State and Meredith College Campuses. Each week at Fairmont Fellowship Center students worship together for inspiration and strength, learn together the place of religion in life, and prepare and eat supper together that the fellowship may make a Christian community of the group. Meredith College students join in all Wesley Foundation activities, including hikes, parties and square dances. A monthly

newspaper, *The Methodist Student*, is published by the students. The adviser and chaplain of the organization are always available for consultation. Wesley Foundation is affiliated with Fairmont Methodist Church. All students are cordially invited to join in religious activities through Wesley Foundation and Fairmont Church while in school at State.

Members: All Methodists students of N. C. State College and Meredith College.

MUSIC DEPARTMENT

The Music Department under the direction of Christian D. Kutschinski embraces the Bands, the Symphony Orchestra, and the Men's Glee Club.

The R.O.T.C. Band and Drum & Bugle Corps provide all the musical requirements of the Military Department.

The "Redcoat" Band, composed of selected members of the R.O.T.C. Band and other musicians on the campus, presents half-time pageantry at all the football games, and provides music for other campus and civic activities.

The Concert Band concentrates on the best in band music, and presents a number of indoor concerts in the winter and early spring, and outdoor concerts in the latter part of the season.

The Symphony Orchestra presents three or more concerts each year, and furnishes music for special assemblies, commencement, and other college affairs.

The Glee Club presents occasional concerts in Pullen Hall, and usually makes a concert tour in the Spring term.

INTERFRATERNITY COUNCIL

Through the joint efforts of fraternity leaders and the North Carolina State College administration, the Interfraternity Council was organized in the Spring of 1931. As stated in its constitution, the purpose of the council is "to advance the interests of North Carolina State College; to promote the general interests and welfare of the associated fraternities as a body; and to insure co-operation between them in their relations with the faculty, student body, and the public in general." The council is composed of two representatives from each chapter, elected by the chapter.

As the social feature of the college year, the council sponsors three series of dances—the Pledge Dances in the fall term; the Mid-Winters in the winter term; and Finals on the week-end preceding commencement.

Sigma Nu originated from the Legion of Honor, a secret society organized in 1868 at the Virginia Military Institute. The four founders were moved by idealistic hopes, and they founded a society which would inculcate honor and mutually benefit its members. Since its founding the fraternity has prospered, and at the present time there are 102 active chapters throughout the country.

It is the oldest fraternity at State College, Beta Tau Chapter having been installed here in 1895. The purpose of its founders was "to establish through the warm friendships of a group of congenial college men, on the foundation stone of honor, ideals of intellectual achievement, character, and social development, all to the end of becoming better men and better citizens."

Five years after the Civil War, William Grigsby McCormick, former head of the McCormick Deering Corporation, and four friends founded the first American chapter of Kappa Sigma. Kappa Sigma had its original founding at the University of Bologna in 1400, and soon spread to many of the larger universities of Continental Europe. Since its founding in America on December 10, 1869, at the University of Virginia, Kappa Sigma has expanded until now it has at least one chapter in every state in the union. There are over 100,000 living alumni of the 122 active chapters. Beta Upsilon was founded on the State College Campus in 1920. Easter of every year finds Kappa Sigma entertaining at the annual Easter Egg hunt for underprivileged children.

Kappa Alpha was founded at Washington and Lee University in 1865 to perpetuate the Southern ideal of gentlemanly character by Robert E. Lee, its spiritual founder. The fraternity is patterned on an order of knight-hood, and members are expected to conform to the discipline of the order and cultivate the graces of Southern gentlemen.

Kappa Alpha restricts its field to colleges and universities south of the Mason-Dixon Line. At present there are 70 chapters within the order.

Alpha Omega Chapter was chartered at North Carolina State College in 1903, being the second oldest fraternity on the campus. The chapter publication, *The Rose and Magnolia*, has been published periodically since 1941.

During the early spring of 1868, the friendship of six students at the University of Virginia grew into Pi Kappa Alpha. From this beginning, eighty years ago, the fraternity has branched out to form over 100 fraternal chapters. Alpha Epsilon was given its charter in October, 1904, and annually presents the PiKA Ball at North Carolina State. This year will be the forty-third presentation of the Easter Monday Dance.

Sigma Phi Epsilon was founded at Richmond, Va., in November, 1901. The parent chapter selected a heart-shaped badge and were at first called the "Sacred Hearts." North Carolina State's chapter was the thirteenth chapter in the nation to be organized. For the last two years N. C. Beta of Sigma Phi Epsilon has been living in their new home on Clark Avenue. This house was purchased by the fraternities' strong alumni association.

Delta Sigma Phi was founded at the College of the City of New York on December 10, 1899. At the present time there are sixty-four active chapters comprising a membership of over 30,000. Rho Chapter is the outgrowth of a local fraternity, Gamma Alpha Nu Gamma. On May 20, 1915, the local fraternity was designated Rho Chapter of Delta Sigma Phi.

The purpose of Delta Sigma Phi is to give its members that intimate fellowship with men of good character so necessary to their full development and to supplement their cultural and professional education with training in those qualifications for citizens and leadership which are not directly a part of the university function.

Alpha Gamma Rho is a national social fraternity, and was founded in 1908 at Ohio State for the purpose of developing the best social, moral, mental, and physical qualities in each brother and to promote a wider acquaintance and a broader outlook on the part of agricultural men through fellowship in a national organization.

There are 32 active chapters of Alpha Gamma Rho. Nu Chapter, before becoming national in 1919, was the local fraternity Theta Beta.

One of the aims of Nu Chapter is outstanding scholarship, and all members are expected to develop a high standing. The national organization awards annually to the chapter with the highest scholastic average a plaque, which has been won six times by Nu Chapter. Nu Chapter has also won the I.F.C. Scholarship Cup eight times in the fourteen times that it has been awarded.

Pi Kappa Phi was founded at the College of Charleston in South Carolina, December 10, 1904. It was a concrete and permanent result of a friendship that had flourished since the elementary school days in the environments of one of the South's oldest towns. With the definite purpose of extending the influence of the organization, the incorporation as a national fraternity took place in 1907. The purpose of the fraternity is to promote fellowship and mutual trust among its members, to uphold the ideals and traditions of the college where its chapters are located, to encourage excellence in scholarship and to inculcate in its members the highest ideals of Christian manhood and good fellowship.

Two years ago Pi Kappa Phi instituted an annual interfraternity sing to promote cultural interest and competition among fraternities at N. C. State College.

Sigma Pi, national social fraternity, was founded at Vincennes University, Vincennes, Indiana, Feb. 26, 1897. The purpose of its founders was "to organize the most worthy activities, social, athletic, and scholarly, and to set a high standard of manliness and college loyalty." The fraternity now has forty-three active chapters located throughout the nation.

Rho Chapter, formerly the local Sigma Chi Gamma, was installed at State College in 1921. The chapter owns its own chapter house located at 2513 Clark Avenue, two blocks from the college campus.

The event of the year for the fraternity is the annual Founders' Day Banquet, held this year on Feb. 25, at the Sir Walter Hotel. The formal event was in celebration of the founding of the fraternity, and at this dance, which was called the Orchid Dance, each girl was presented with an orchid corsage.

In 1906, four outstanding students at Miami University, Oxford, Ohio, founded the Phi Kappa Tau fraternity. The fraternity and its ideas were drawn up by Dwight I. Douglas, William H. Shideler, Taylor A. Borradaile, and Clinton D. Boyd. Phi Kappa Tau was founded to break up a monopoly on student elections which were held by fraternity unions. The growth of the fraternity has been slow but consistent. Phi Kappa Tau has 57 active chapters and 31 alumni chapters throughout the nation. Chi Chapter at North Carolina State was granted its charter in 1923. Before that time the chapter was a social fraternity composed of outstanding textile students. The local was called Phi Psi Lambda.

Founded at Boston University in 1909, Lambda Chi Alpha Fraternity has expanded until it is now the largest national fraternity, with 137 chapters located at prominent colleges in the United States and Canada. Gamma Upsilon was founded on the State College campus in 1924, and has initiated 340 men since that time. Lambda Chi Alpha employs four full time traveling secretaries who aid and advise the local chapters. *The Cross and Crescent*, the fraternity magazine, is published seven times annually. Other Lambda Chi Alpha chapters in the state are located at Duke, Wake Forest, and Carolina. The local chapter sponsors the annual Fraternity Bridge Tournament and a Christmas Party for underprivileged children.

Tau Kappa Epsilon was founded at Illinois Wesleyan University, Bloomington, Illinois, on January 10, 1899. The founders established a fraternity of men chosen "not for their wealth, rank, nor honor, but for their personal worth and character." Today, Tau Kappa Epsilon has 86 chapters at leading colleges throughout the United States.

Tau Kappa Epsilon began its expansion into the South with the Beta Beta chapter, which was installed at North Carolina State College on January 19, 1947. There are now ten active chapters located in the South.

The chapter owns its house at 10 Enterprise Street.

At the College of the City of New York on Thanksgiving Eve, November 26, 1909, Sigma Alpha Mu was founded. The eight men who pledged themselves to an everlasting bond of friendship never realized that they were the seeds of a vast organization which would soon spring up in the United States and Canada.

The object of the fraternity is "to foster and maintain among its sons a spirit of mutual moral aid and support, to install and maintain in the hearts of its sons love for and loyalty to Alma Mater and its ideals, to inculcate among its sons such ideals as will result in actions worthy of the highest precepts of true manhood, democracy and humanity."

In 1938, Theta Phi was inaugurated into Sigma Alpha Mu. Since inauguration, the fraternity has maintained moral and scholastic standings of the highest type. The fraternity's new home is located at 304 East Park Drive.

Sigma Alpha Epsilon was the first of the great line of Southern fraternities. Founded at the University of Alabama in 1856, Sigma Alpha Epsilon, now the second largest national fraternity, has always been a leader in the Greek world.

S. A. E. leads the world in the number of chapter houses owned, the number of initiates, and the number of living members, along with the largest circulation of any fraternity publication.

Although N. C. Alpha is relatively new on the campus, it has rapidly become a leader in fraternity life. The past school year brought forth a new house for the chapter which is the pride of each member. In the years to come you will find S. A. E. always doing its part to prove the greatness of the Greek-letter fraternity.

In June of 1949, a local fraternity, Phi Epsilon Tau, was chartered into the national fraternity, Phi Epsilon Pi. Originally founded in 1947, Phi Epsilon Tau was formed under the principles of fraternity, liberalism and non-sectarianism. These ideals furnished the spark to weld together a strong brotherhood.

In 1948, the group moved into the white house on Park Avenue and began to be known on the campus.

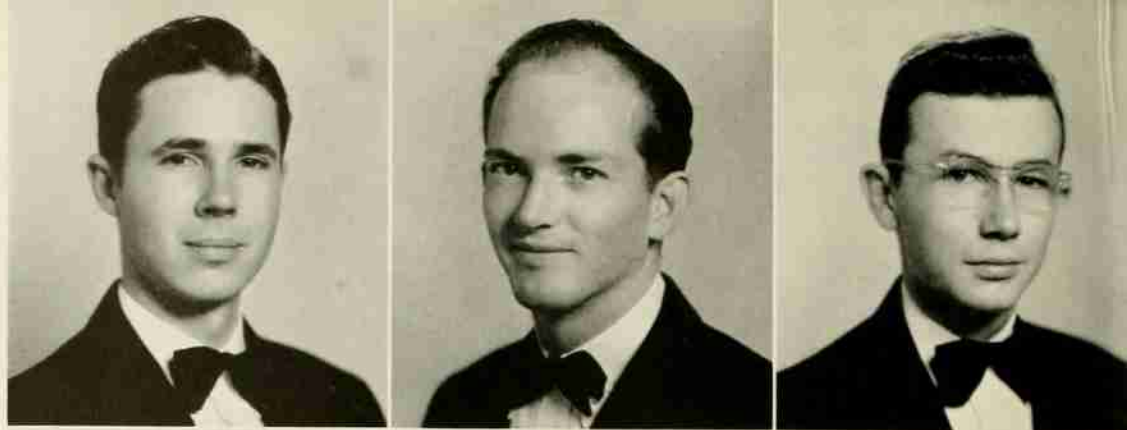

Scholastically, the fraternity has always ranked in the upper quarter of the fraternities at North Carolina State.

Theta Chi was founded on April 10, 1856, at Norwich University, Norwich, Vermont. Theta Chi consists of 100 active chapters in all sections of the country with over 32,000 living members and alumni. Other chapters in North Carolina are at Carolina, Wake Forest, and Duke.

Theta Chi Colony at North Carolina State was organized May 26, 1950, and included eleven members. During the Fall and Winter quarters of 1950-51, the Colony was busy earning its place among the other fraternities on the campus and working to meet the standards necessary to become an active chapter.

ATHLETIC ADMINISTRATION

ROY B. CLOGSTON
Director of Athletics

G. ALLEN NELMS
Field Secretary of the Wolfpack Club

Roy B. Clogston came to State College after a twenty-year tenure as Athletic Director at St. Lawrence University in Canton, New York. His formal education includes a degree from New York University.

His first official post was at Middlebury College in Massachusetts as assistant director of athletics, after which he returned to Springfield and completed work on a B.S. degree. The following year he attended New York University and received a master's degree. At the present time he has nearly completed work for a doctor's degree.

Clogston lends a very personal and conscientious interest to the school's athletic program. He is constantly endeavoring to improve the facilities in all of the sports and has been instrumental in expanding the program in general.

The State College Athletic Director is rapidly becoming one of the top men in the Southern Conference, thus expanding the reputation he has enjoyed for many years. Roy B. Clogston is truly one of the outstanding college athletic directors of the nation.

JOHN F. MILLER
*Head of Department of Physical Education
and Intramural Athletics*

ED STOREY
Athletic Publicity Director

FOOTBALL — 1950

In the season opener with the U.N.C. Tarheels the Wolfpack was victorious in every department except the final score, which was decided by a fourth period touchdown by the Tarheels. The honors of the day went to State's Ed Mooney who completed 14 of 28 passes for 215 yards.

The State marker was made by Alex Webster, when he hauled in a Mooney pitch, climaxing a touchdown drive which originated on the Wolfpack 23 yard line. It was a hard fought battle all the way with the final score reading, Carolina 13, State 7.

COACHES AND MANAGER

Left to right: Wade Walker, Darrel Royal, Jim Gill, Beattie Feathers, Al Rotella, and Dick Peacock, Manager.

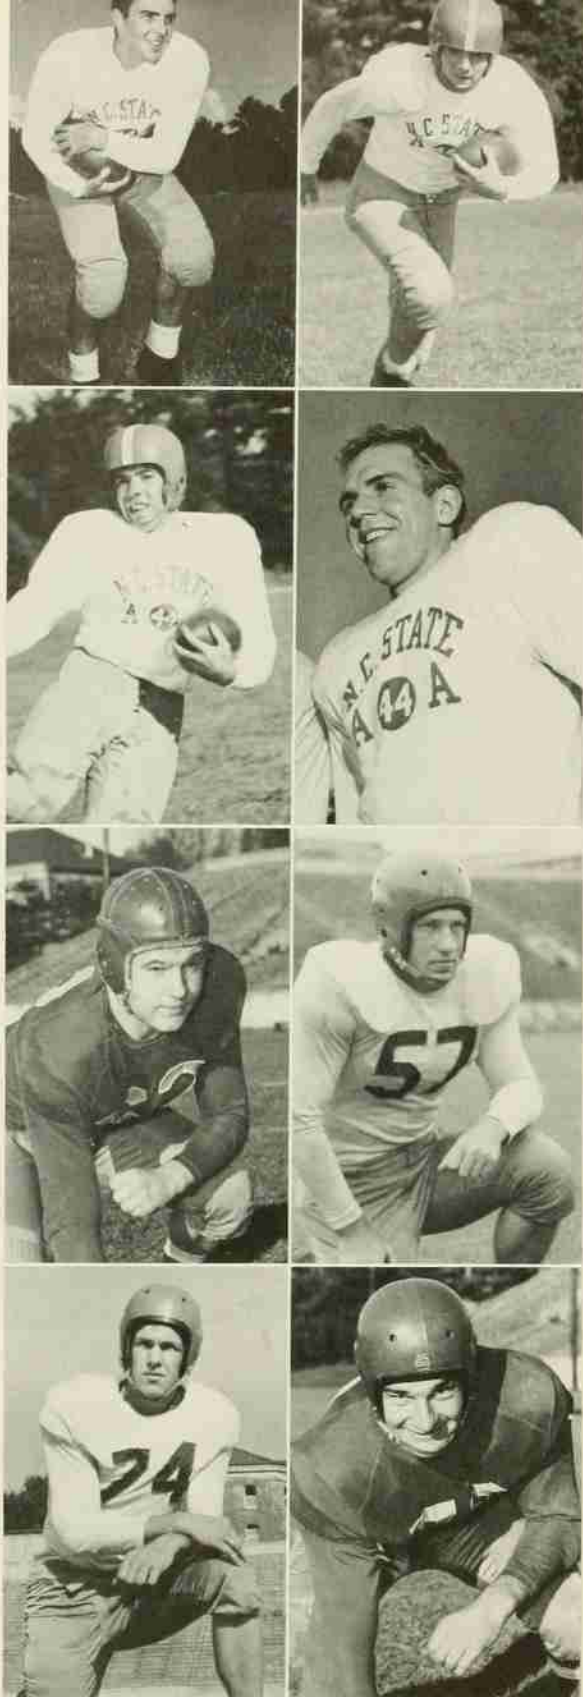

BEATTIE FEATHERS
Head Coach

In the second game of the 1950 season the Wolfpack battered down a surprisingly strong Catawba eleven to the tune of 7 to 6. The trusty toe of Ray Barkouskie, who kicked the placement, decided the final margin of victory. The winning touchdown was made by Mooney over right guard, and it was set up by a Mooney to Webster pass play. The most outstanding play of the game was the result of a hand-off from Smith to Webster, which was good for 48 yards.

First row: Schacht, Tencick, Kaiser, Bagonis, Martin, Romanowsky, Mooney, Tofaute, Costa, O'Rourke. Second row: Cox, Allman, Lesko, Beaver, Davis, Dew, Swart, Sloan, Smith. Third row: Fleming, Tola, Harding, Ferrell, Hart, O'Briant, Spritz, Yeates. Fourth row: Sharp, Nicholson, Kennedy, Potts, Britt. Fifth row: Calvano, Ballard, Butler, Hillman, McArthur, Webster, Bill Musser, Manager.

FRED BEAVER, Tackle

ELMER COSTA, Tackle

On the evening of October 7, 1950, in Clemson, S. C., the Wolfpack was the victim of the relentless Bengal Tigers. The power laden Clemson team added the State loss to its long victory string, and finished the season among the nation's top ten teams. This was one of the few teams that were very effective against the powerful State line. State's longest drive of the game started on their own 22 and didn't stop until Clemson took over on its 6. This series of plays consisted of ground plays by Mooney and O'Rourke and passes by "The Scooter" to Gene Ferrell, and Jim O'Rourke.

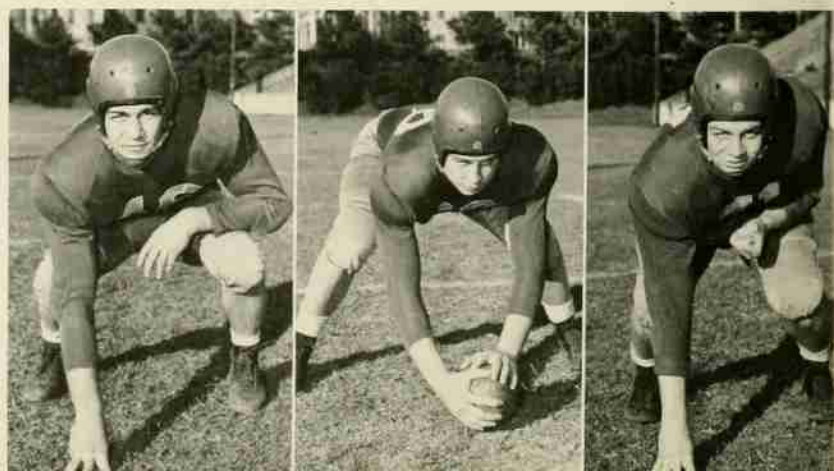

Duke University barely managed a 7 to 0 win over the Wolfpack on the basis of Bill Cox's Famous Bullet Passes. The air lanes stayed busy throughout the game in which 56 passes were thrown. Both teams were effective inside the twenty yard markers, but bogged down when scoring opportunities arose. The superlative State line contained the Duke ground plays throughout the encounter by use of such standouts as All-Southern Elmer Costa, Tony Romanowsky, Vince Bagonis, Walt Schacht, Jim O'Rourke, Ray Barkouskie, and Jimmie Smith.

State regained the victory column by managing an impressive win over the highly favored Maryland Terrapins. It was a black day for the Maryland homecoming fans who saw their team bite the dust to the tune of 16 to 13. Elmer Costa, who wrecked Maryland's offense a year ago, again smothered them all over the field. A lot of credit must go to Walt Schacht, who called defensive signals for the Wolfpack, and kept the entire Maryland team guessing. The State offense stayed off the ground in all but one play, and the Feathers strategy was a credit to himself, the entire team, and the coaching staff.

The Wolfpack gained more respect by trouncing the Gobblers from Virginia Tech 34 to 6. The highlight of the game was Al Webster's spectacular punt return for 91 yards. The State ground attack was relentlessly led by Webster, Mooney, Ted Potts, Jimmie Smith, and Dick Spritz.

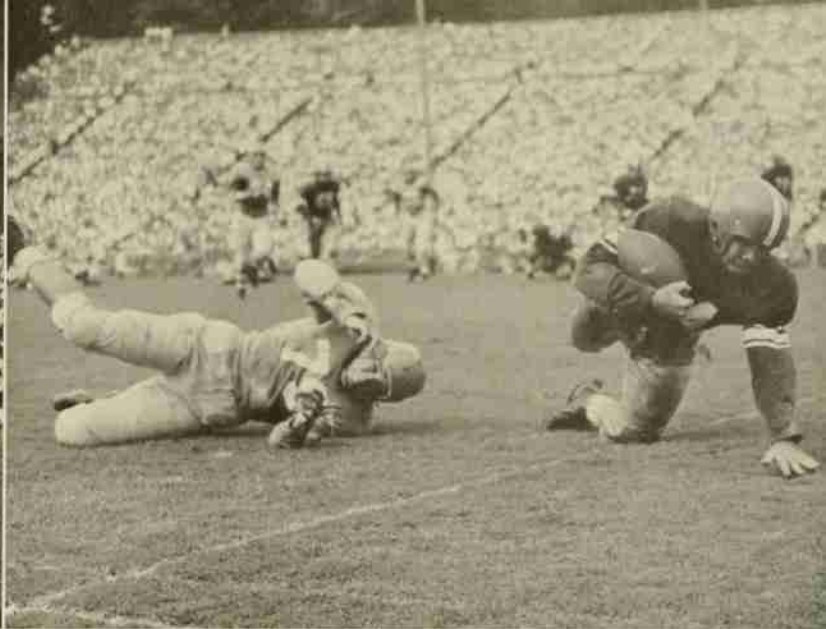

The State team continued its winning ways by defeating the Richmond Spiders in the mud. State was favored to win by a larger margin, but was glad to settle with a win after battling an inspired team and a continual rain storm for four entire periods. The winning touchdown was made on a line buck by O'Rourke which climaxed a drive which originated on the State 41, and Barkouskie kicked the placement.

TONY ROMANOWSKY, End TOM TOFAUTE, Center ROLAND SIMON, End

Mooney in the open

Jimmie Smith Scores at Chapel Hill

The high flying State team defeated the Wildcats of Davidson 15 to 7 to bring their victory string to four in a row. Both State touchdowns were scored by O'Rourke with workhorse Mooney leading the attack. The Wolfpack forward wall played its usual fine game to overcome a stout opposing line.

The most sensational and controversial touchdown play of the season was made by the Wolfpack to tie the highly favored Wake Forest team 6-6. The fans were dazzled by the 71-yard scoring pass from Mooney to O'Rourke to Smith, which kept the Deacons from making a clean sweep of Big Four competition. When the State team got their backs to the goal they fought like demons to successfully stop the potent Wake Forest ground attack. This moral victory put another feather in Coach Feathers' cap.

The State team which built up an impressive record during the past season began to feel the results of a severe schedule when it ended the season with a loss to William and Mary. The 34-0 shellacking suffered at the hands of the Indians was the widest margin of victory enjoyed over a State team in a number of years by any opponent.

State and Carolina in Conference thriller

We got that first down

Free ball in Duke game

We got it again!

BASKETBALL

For the fifth consecutive year Coach Everett Case has produced an outstanding basketball team and Southern Conference Champion. During the 1950-51 season the Wolfpack has compiled a record of twenty-nine wins and only five losses with the National Collegiate Athletic Association tournament yet to be played.

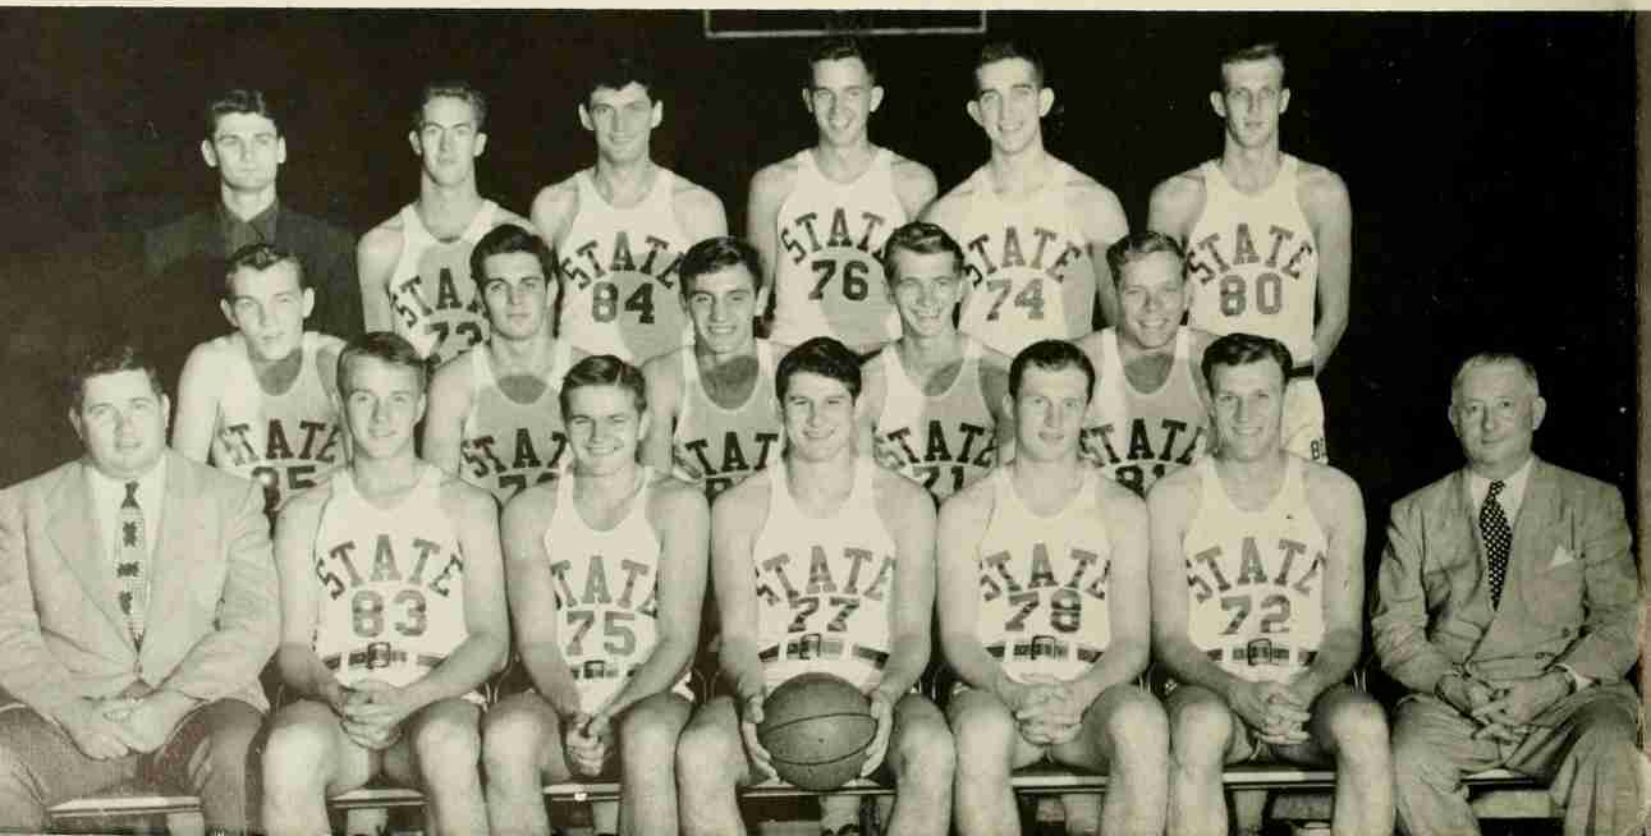

Not only did the Wolfpack have an excellent record in regular season games but they also participated in and won the Southern Conference Tournament, the Dixie Basketball Classic, and the annual game with the Southern Conference Senior All-Stars.

SOUTHERN CONFERENCE LEADERS

First row, left to right: "Butter" Anderson, Assistant Coach; Bob Holt, Lee Terrill, Captain Sam Rainzino, Vic Bubas, Pete Jacmowski, Everett Case, Head Coach. Second row: Eddie Morris, Bill Kukoy, Bernie Yurin, Joe Stoll, Bob Cook. Third row: George Pickett, Manager; Paul Brandenburg, Paul Horvath, Larry Lovington, Bobby Goss, Bob Speight.

EVERETT N. CASE
Head Coach

The Wolfpack was rewarded for its efforts during the regular season by receiving a bid to the National Invitation Tournament in Madison Square Garden in New York City. The bid was accepted, but the Wolfpack was defeated by a red-hot Seton Hall team which was later labeled "the team to beat."

The Seton Hall game spelled the end to the brilliant four year careers of All-American Sam Ranzino and All-Southern Paul Horvath and Vic Bubas. Because of the four year eligibility rule, these three seniors were not allowed to participate in the national Collegiate Athletic Association Tournament, which at the time of this writing is a coming event. The Southeastern playoffs of this, the greatest of all the dribble derbies, is to be held in the State College Coliseum.

Athletic Honors

1. Sam Ranzino: All-American First Team (AP, UP, LOOK Magazine, COLLIERS), All-Southern First Team (AP, UP), All-State First Team (AP, UP).
2. North Carolina State Basketball Team: Southern Conference Champions.
3. Elmer Costa: All-American Tackle (AP Second Team), All-Southern First Team (AP, UP), All-State First Team (AP, UP).
4. Ed Mooney: All-Southern (AP, UP), All-State (AP, UP).
5. Douglas Martin: Southern Conference Wrestling Champion (147 lb. Class).
6. Bill Fowler: All-Southern First Team (AP, UP), All-State First Team (AP, UP).

BASEBALL

Vic Sorrell's baseball nine finished the 1950 season with a commendable record of 16 wins and 9 losses, with only one loss coming from opposition outside the Big Four.

The biggest bats were wielded by All-Southern Bill Fowler and All-State Billy Smith, both of whom have signed professional contracts.

FRESHMAN NINE

First row: Petrino, Bryant, Kennedy, Long, Fuscoe, Saunders, Kohlbecker, Dave Baxter. Coach: Soling. Manager. Second row: Privette, Asst. Mgr.; Lemoine, Horbett, Moyer, Morris, Seif, Wright, Uzzle, Conroy, Mintzer, Asst. Mgr.

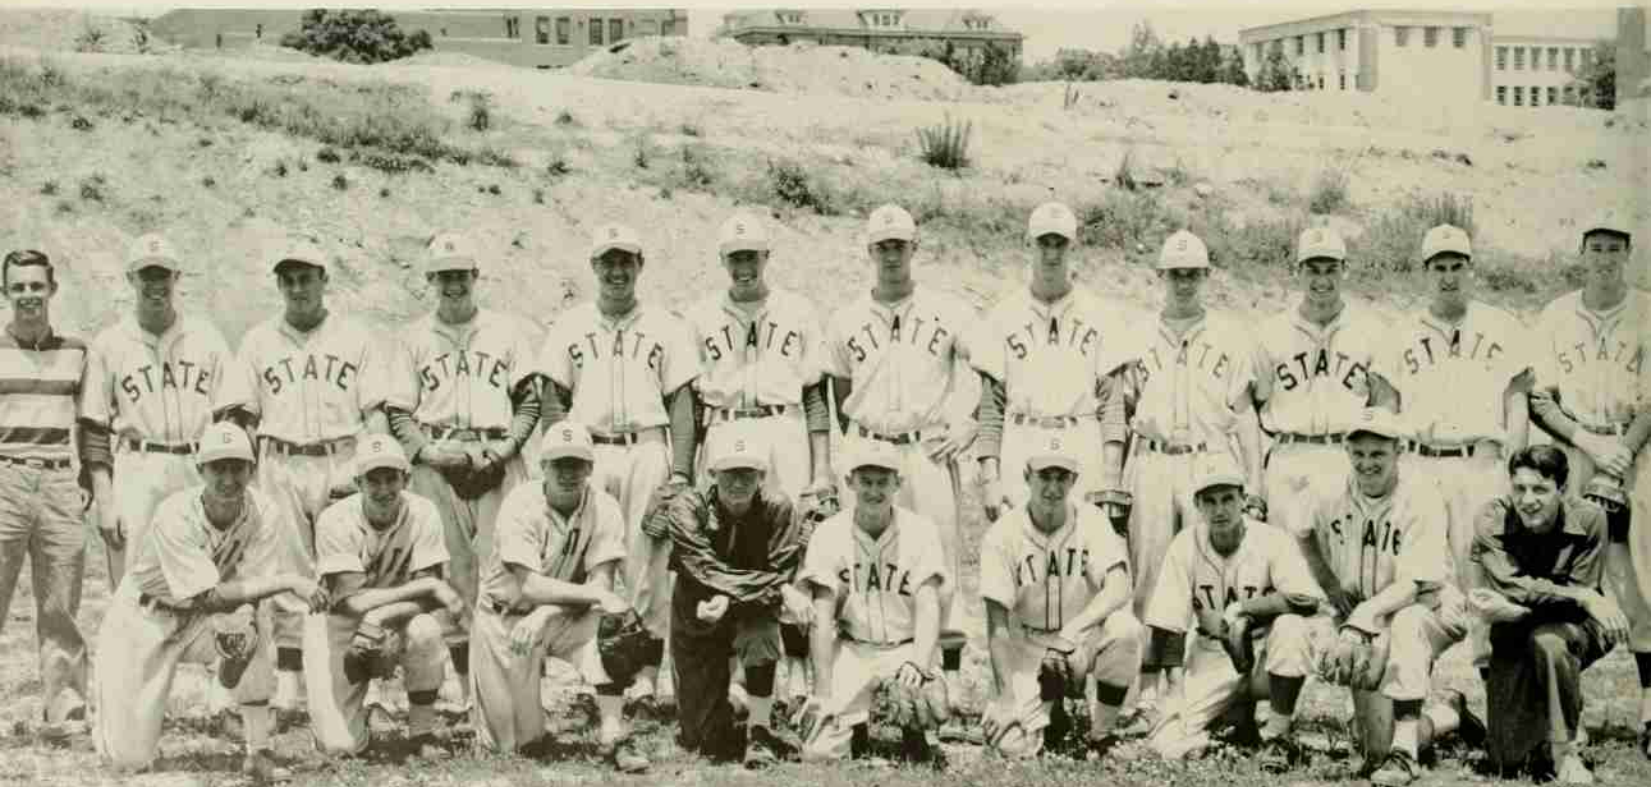

VIC SORRELL
Head Coach

Mgr.; Sam Welch, Paul Dinan, George Thompson, Irvin Page, Bob Smith, Don Cheek, John Norrell, William Martin, Lunsford Lewis, Bill Fowler, Burnie Bean.

First row: Norman Orniens, David Dubose, Tyler Wadsworth, Herbert Goldberg, *Captain*; Jerry Splawn, Charles Chambers, T. M. Fitzgibbons, *Head Coach*. Second row: John Hunter, Dick Parker, George Pickett, Vic Bubas, Charles Moore, Bobby Leonard, Sam Hudson. Third row: Bill Smith, *Assistant Manager*; Chris Davenport, William York, Marshall Vernon, Clyde Erwin, *Manager*.

TRACK

The N. C. State track and Cross-Country teams were responsible for breaking several records in the 1950 season.

Clyde Garrison was winner of the Southern Conference cross-country race. Chambers broke the one-quarter mile record in the Southern-Southeastern tournament, and set new records in the 440 and 220.

The Southern Conference one-quarter mile and mile relay was won by State, and the regular season record shows six wins and two losses.

Air Force Material

In Fine Form

Cross Country Team

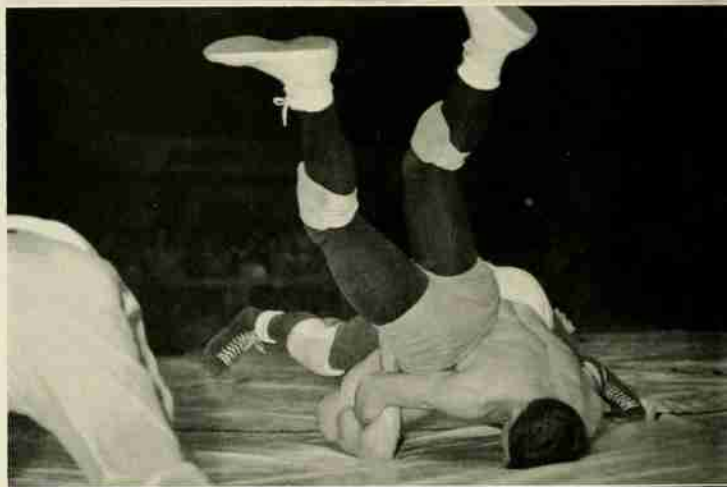

Seated: Vitus Kaiser, John Thompson, James Smith, Douglas Martin, Gordon Knobbs, Doyle Strange, Nicholas Sideris, Reginald Buie. Standing: Al Crawford, Head Coach; Frank Townsend, Paul Wagner. Not pictured: Captain O. G. Rucker.

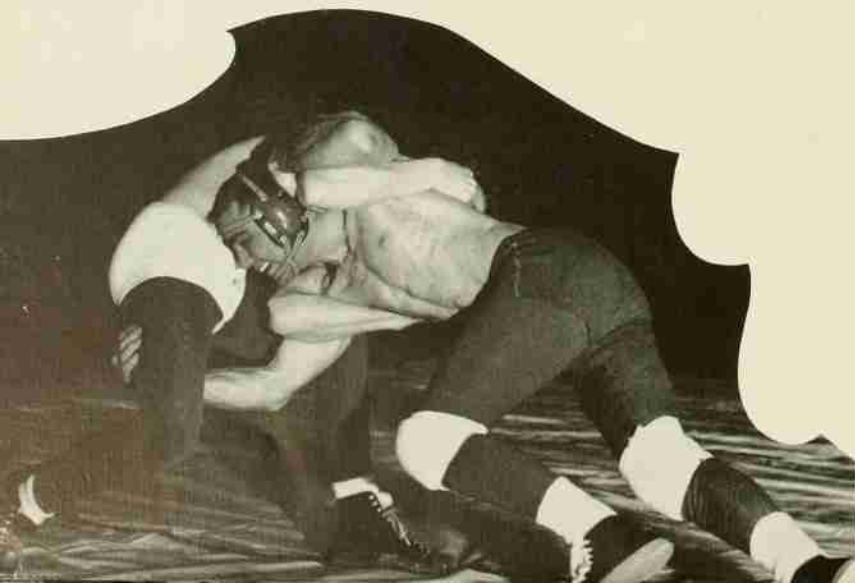

WRESTLING

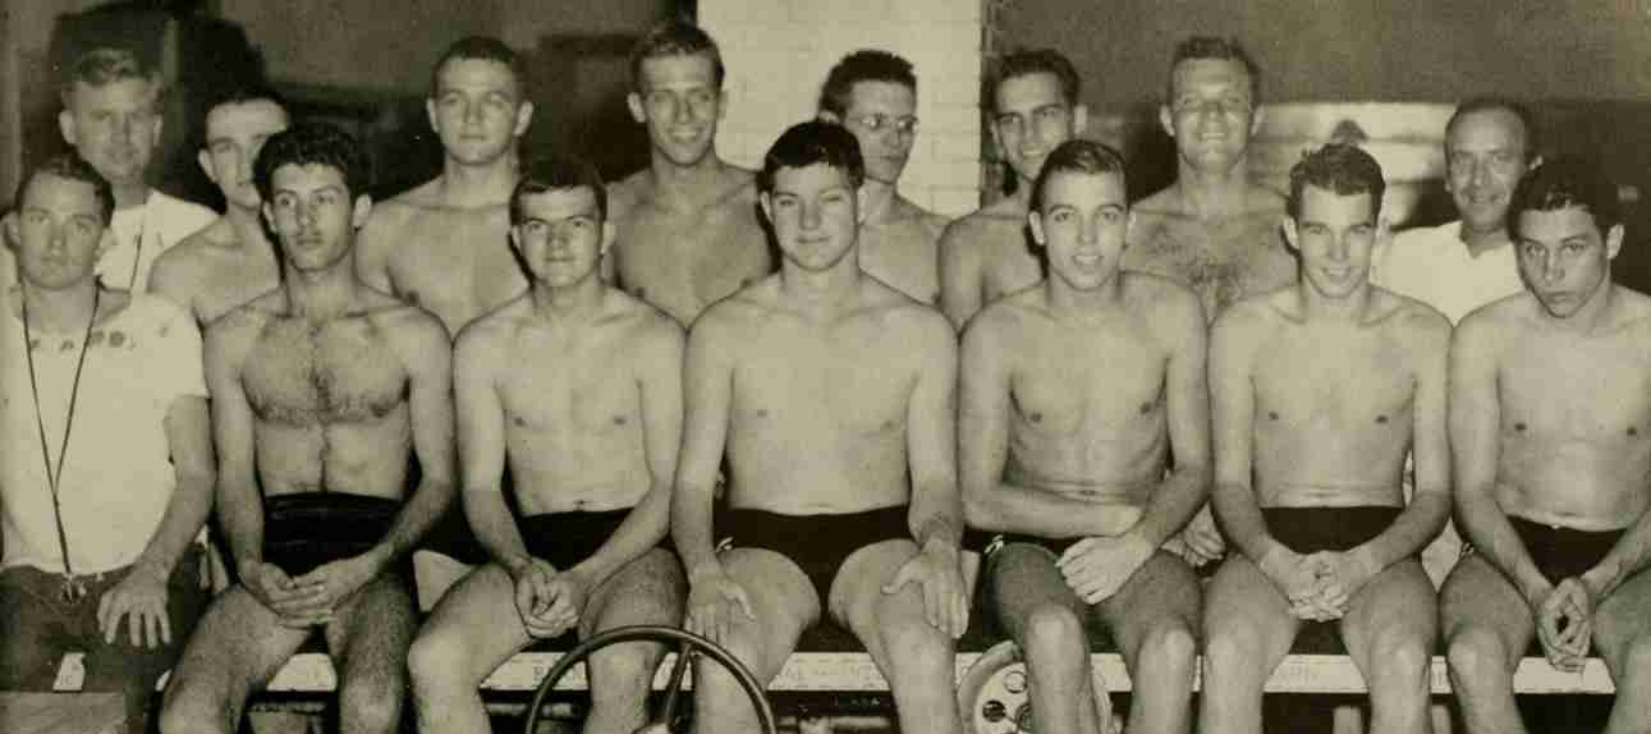

The N. C. State Wrestling team of 1950 built up a good record which resulted in seven wins and three losses. They were victorious over such strong teams as the University of North Carolina, Camp Lejeune, and West Virginia.

The most outstanding wrestler on the State team was Southern Conference Champion, Douglas Martin, who was in the 147-pound class. He was well supported by standouts Reggie Buie, O. G. Rucker, and Vitus Kaiser.

Mat men in action!

Front row: Morris, Duke, Jackson, Jones, Shober, Denyes, Lojko. Back row: Willis Casey, Coach; Uribe, Holmes, Carlson, Harris, Goode, Despres, Manager Andrews.

BILL DESPRES
Southern Conference 100-yard Free Style Champion

SWIMMING

The 1950 swimming team which represented State College compiled a record of six wins, two losses, and placed third in the Southern Conference meet. Bill Despres won the 100 yard free style event to win the title, Southern Conference Champion.

FRESHMAN SWIMMING TEAM

The back stroke artist for the Wolfpack was Matt Lojko, who could always be depended upon to come in first. Woody Jones carried the colors for State in the fifty-yard free style, and Snookie Nunis ably performed the diving chores.

INTRAMURAL ADVISORY BOARD, Seated: Gales Perry, J. F. Miller. Standing: E. B. Ligon, Wilson Craig, J. A. Rogers, R. F. Smith, W. N. Tatum.

The intramural sports program at North Carolina State College has long been an enviable position, being vaunted by the intramural athletics department and well received by the student body. Competition has been keen and participation excellent.

INTRAMURALS

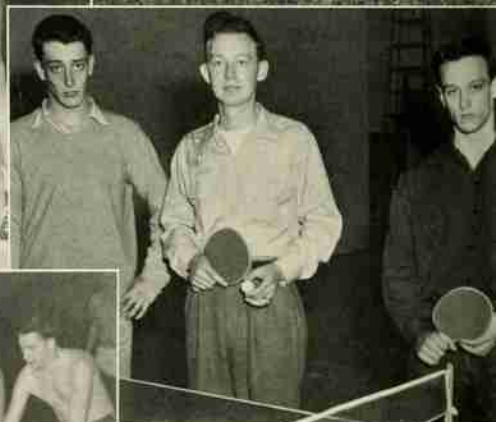

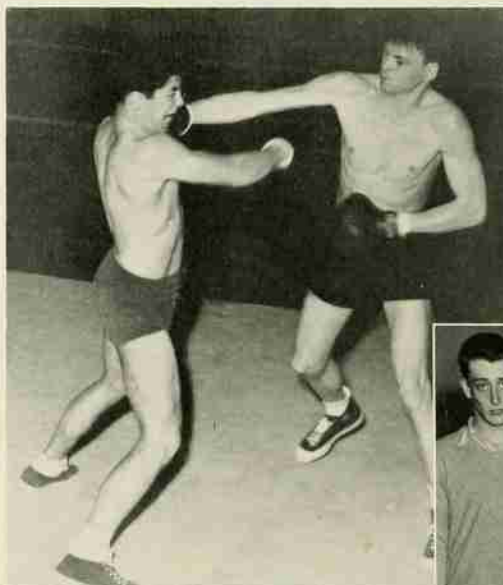

Each year outstanding intramural athletes are chosen to participate in a Big Four field day, which was held at, and won by, N. C. State in 1950.

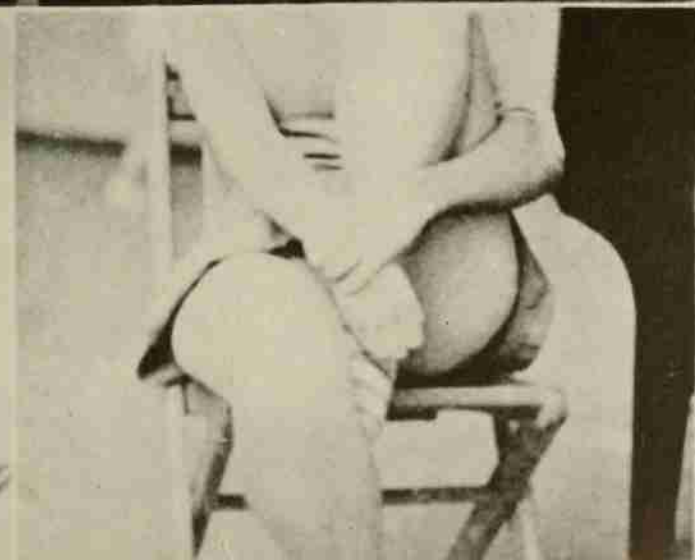

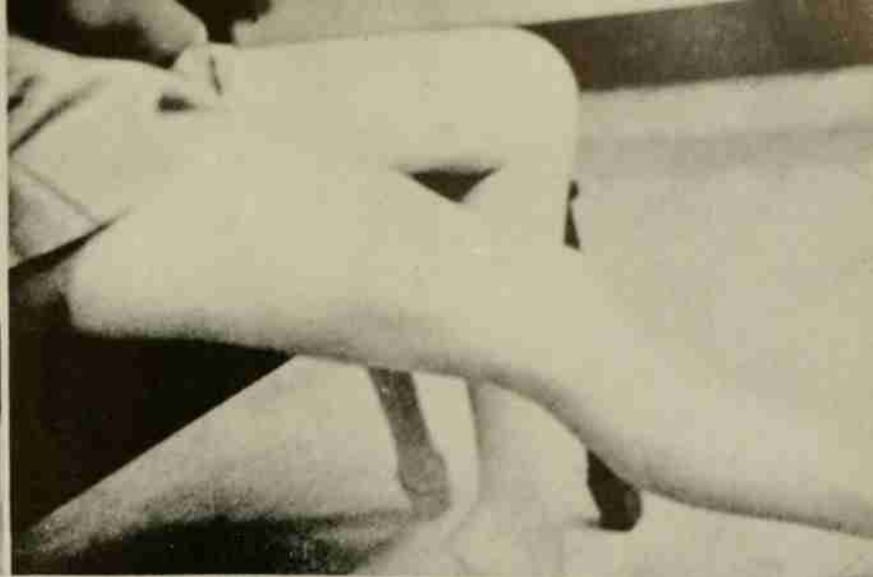

The staging of this event left little to be desired even in the eyes of the most critical observer, and all indications are that it will continue to grow in the future.

WHAT
 MAKES
 A CHAMPION
 ATHLETE?

IS IT CONDITIONING . . . coaching . . . teamwork . . . physique . . . sportsmanship . . . competitive spirit . . . or just plain honest-to-goodness athletic skill?

We don't pretend to be athletic experts, because our job is to manufacture high quality textile products. But as sporting fans we think it would be safe to say that an athletic champion is the result of all these fine qualities.

We know that it has taken a combination of great leadership, manufacturing know-how, careful planning, employee loyalty, and skilled teamwork to make Burlington Mills a champion in the textile industry. The Company's many accomplishments and progressive growth during the past 27 years are well known. We are proud of this record and equally proud of our 32,000 employees who have worked together with real team spirit as members of the Burlington team.

It's a fact that Burlington's fine fabrics, hosiery and other textile products are truly "*Woven Into the Life of America*" — just as every Burlington plant is woven into the life of its own community.

Thanks!

To the following we would like to express our sincere thanks for the splendid cooperation and advice which was so essential for the make-up and completion of this 1951 AGRO-MECK: Mr. Len Glover, Mr. Manson Allen, and Mr. Ed Coleman of the Lynchburg Engraving Company; Mr. Harrie Keck of the Observer Printing House; Mr. Fay Smith and Mr. Billie Waller of Waller and Smith Studios; Mr. "Pop" Taylor and Miss Frances Thompson of the N. C. State Alumni Association; and Mr. Harry Jenkins, Executive Secretary of the Student Publications Board.

Without the help and advice of these persons we could not have put out a yearbook that we would be as proud of as we are this 1951 AGRO-MECK—so again, our thanks to each of you.

Working **TOGETHER...**

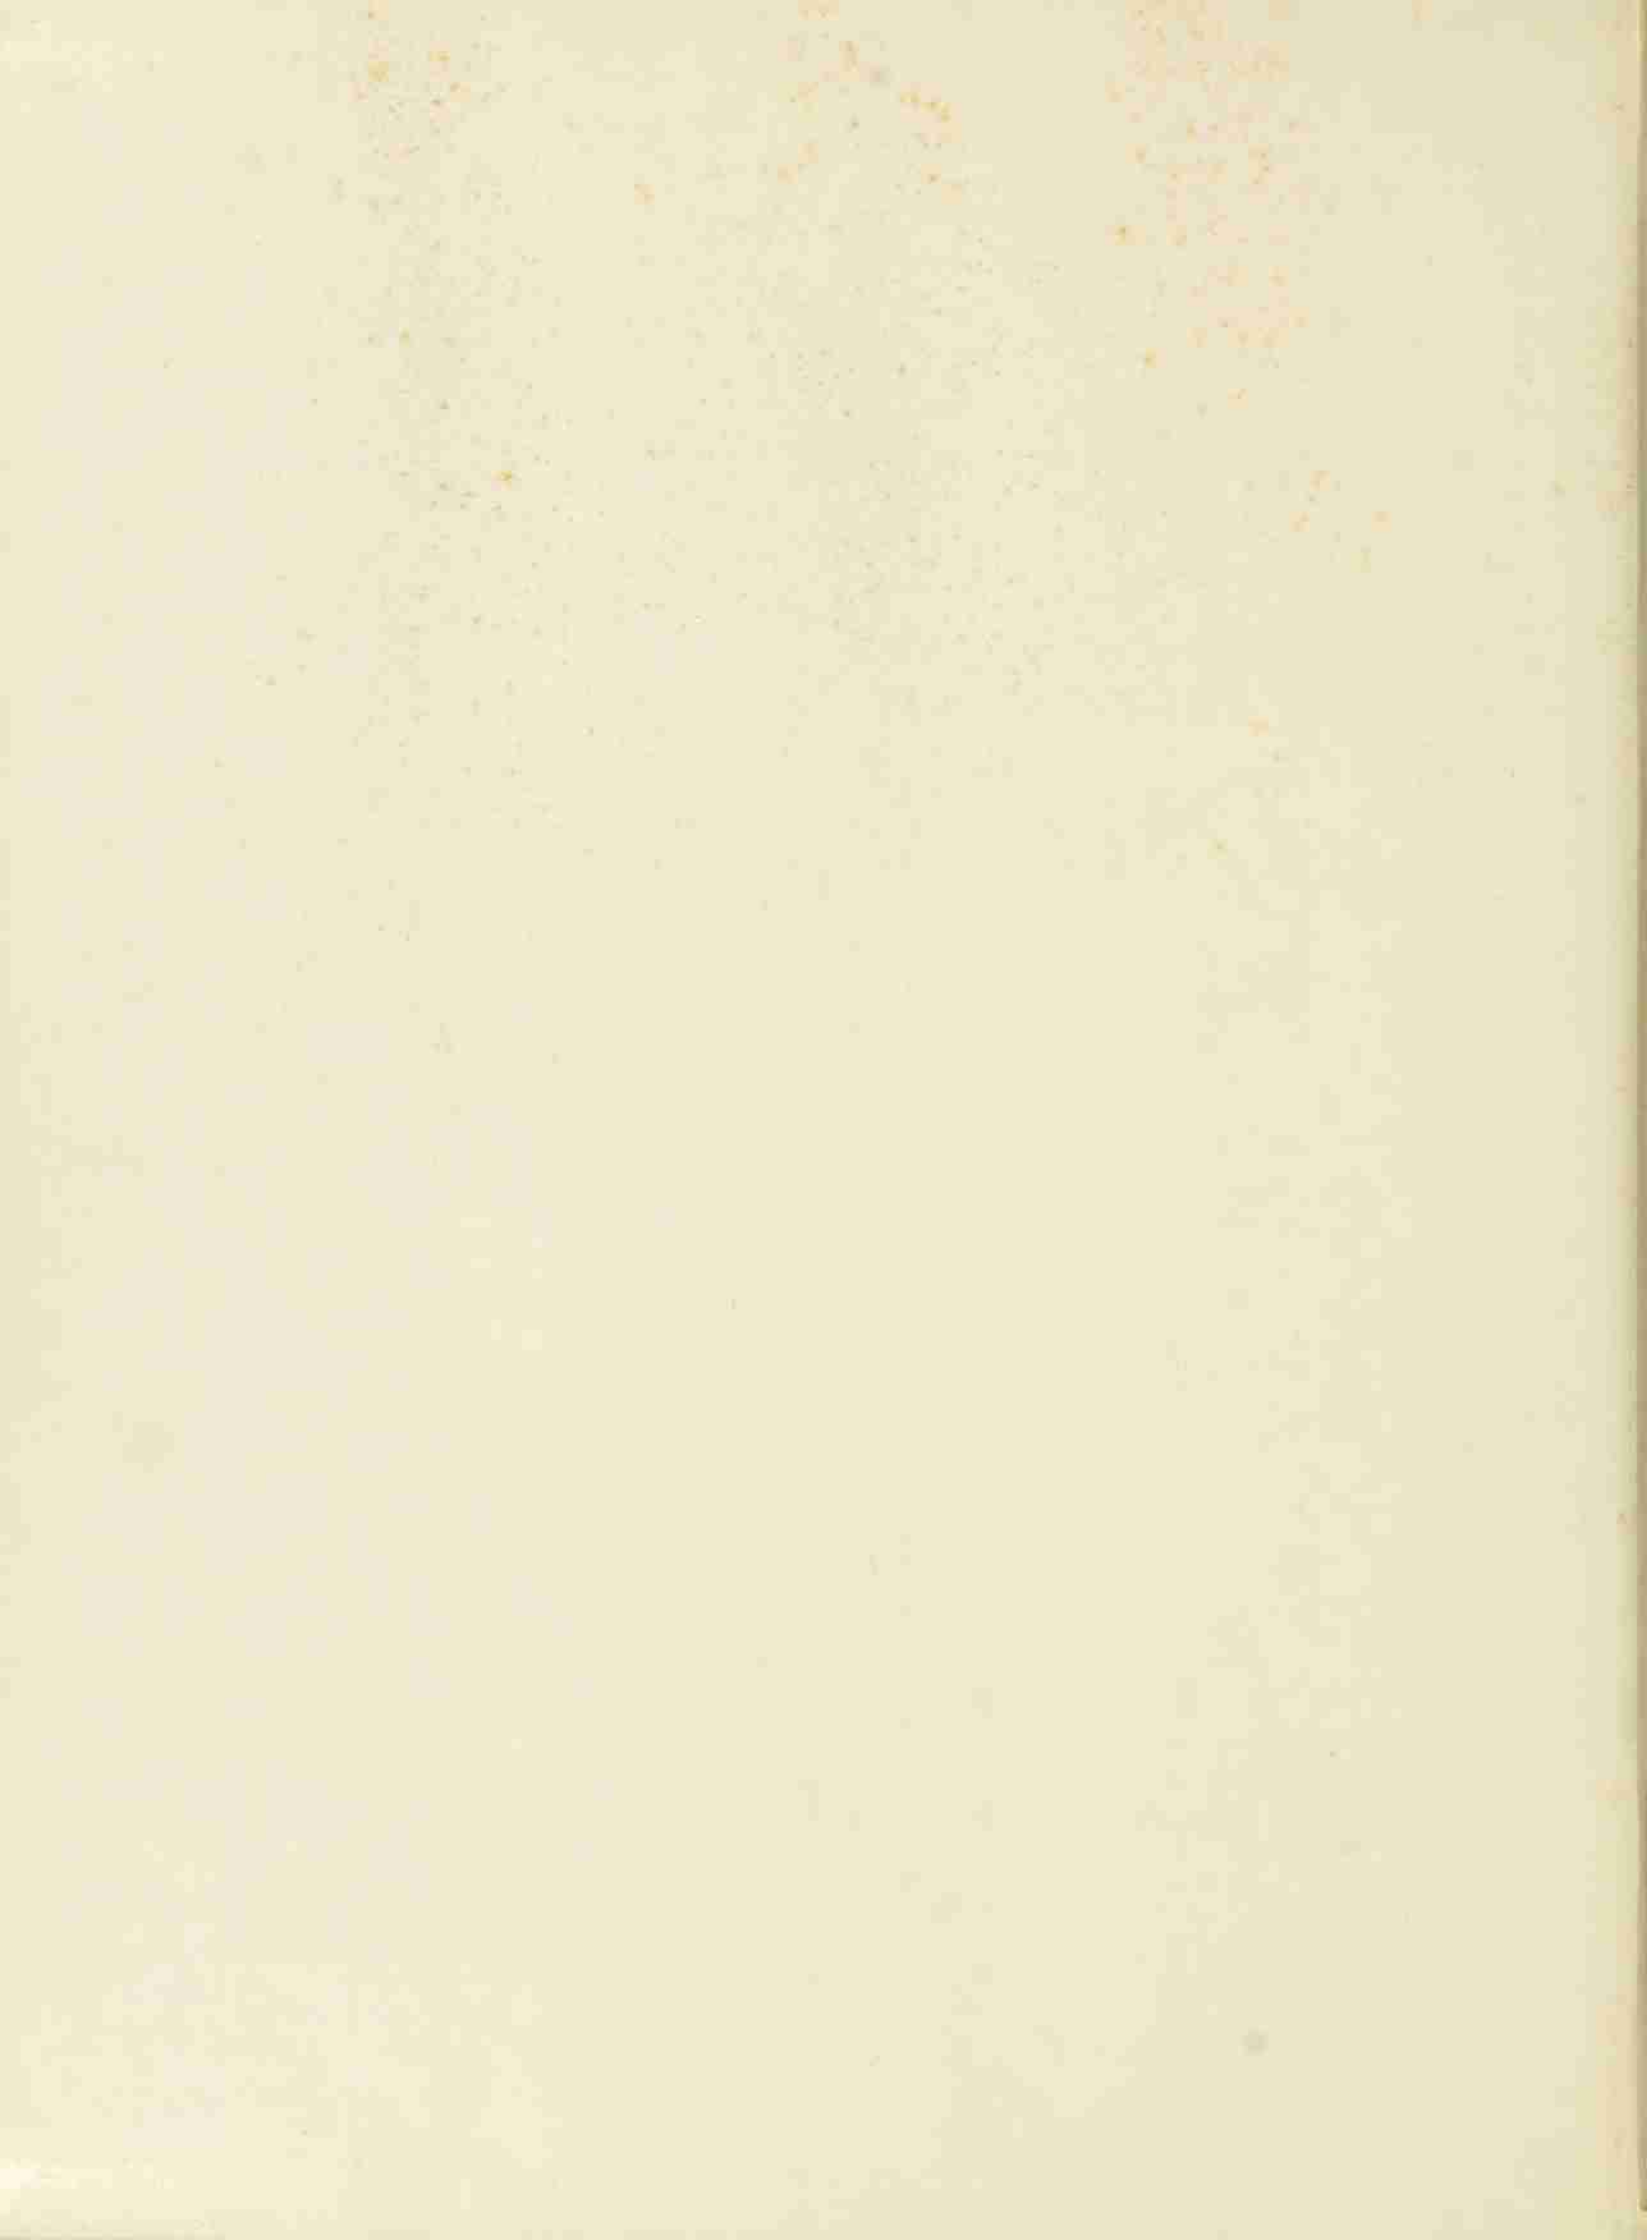

Working together is the theme of the OBSERVER PRINTING HOUSE publications department. We cannot do our best work without your assistance—you cannot expect to get the best results from your efforts without willing assistance and coöperation from your printer.

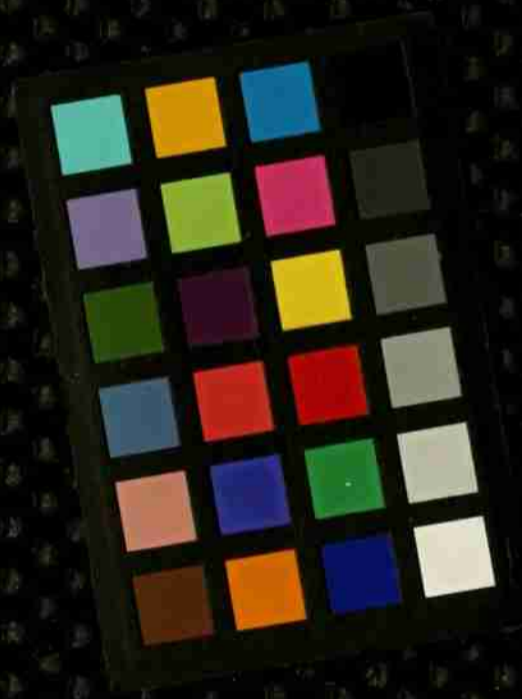

ARTISTS AND CRAFTSMEN WORK
TOGETHER IN CREATING IMPRESSIVE
AND LASTING RECORDS OF YOUR
YEARS IN SCHOOL—
