WARREN COUNTY GIRLS WIN  
DAIRY FOODS CONTEST

By Rosamond Johnston, Warren Co.

Leta Rose Sammons and Jeanette Bolton of Warren County were announced first place Dairy Foods winners last night for their demonstration, "The Wedding of Sweet Milk and Fresh Egg" -- a delightful make-believe wedding of a pair of our most nutritious and versatile foods.

Strains of Lohengrin announced their presentation which included a basic cream pie filling, which they varied by adding bananas, chocolate, cocanut and blackberries.

Second place honors went to Linda and Dolores Lee from Anson County for their presentation of "Miss Muffet Entertains." Their recipe was a most unusual one for a cottage cheese spread for parties, snacks and family treats.

Other participants were Jack and Jane Harris of Tyrrell County presenting "The Brown Cow." Dawn Crissman and Janet Swain of Yadkin County gave "Champion of the Market Basket." Stanly County's representatives Glenda Winfree and Joyce Ann Whitley gave "Milk is the Backbone Food of the World," and Barbara Ferguson and Patricia Kirkpatrick of Haywood County presented "Milk as Mealtime or Between Meal Beverage."

Judges for the event were Miss Virginia Wilson and Mrs. Rachel Ferguson, Nutrition Specialists, and Miss Iola Pritchard, Food Conservation and Conservation and Marketing Specialist.

Mr. Bill Simpson, North Carolina Dairy Products Association representative, presented the district winners. Each of these girls as district winners received from this association a free trip to 4-H Club Week and dairy materials used in their demonstrations.

COTTON DEMONSTRATION  
WINNERS NAMED

Charles Lamb of Nash County yesterday was named winner in the State Cotton Demonstration Contest. The title of his demonstration was "How to Double Your Wages in Cotton Production."

Second place went to a team from Robeson County composed of Bruce Bell and Perry Lowry. They represented the Union Elementary 4-H Club. Their demonstration was titled "Fertilizer Recommendations and Insect Control."

J. Z. Little of Stanly County was third place winner.

GOOD BUT GONE!

By Rosamond Johnston, Warren Co.

"Good But gone," was the statement made by many 4-H'ers as they left Doak Field last night after a wonderful box supper. "Just like a big family reunion," was the way Mr. Bill Simpson of N. N. Dairy Products Association expressed it as he observed Honor Club members and others returning to renew their acquaintances with members of yesterday and to get to know the club members of today.

VESPER SERVICE

By Tina Jordan, Mecklenburg Co.

The spotlight for vespers last night was placed on the third of the 4-H's -- Hands. The theme being "What is in Thine Hands?" Martha Hough from Montgomery County was in charge.

"In your hands is your life so place yourself into the hands of Jesus Christ." Martha used the painting, "the Praying Hand," as an example of what one can do with hands no matter how scarred or worn they may be.

This inspiring vesper service left everyone with a deeper understanding of what may be accomplished by a strong will and hard work.

TUESDAY MORNING

TALENT SHOW

After the business meeting and devotional on Tuesday morning, we were livened up a bit by an acrobatic team.

The team was made up of six acrobats and one clown. (If the clown should happen to read this, perhaps I should say the team was made up of seven Richmond County boys!) Their act has a variety of stunts. They tumbled through legs, did frog leaps, and jumped over a line of chairs, starting with one and going as far as five -- with no casualties. It was a very fine act and as an agent sitting next to me said, "They seem to have such a good time doing it."

Jimmy Aycock from Wayne County was next on the program with a piano solo. He played in Roger Williams style four selections, "dove-tailing" one after another. His selection included "Blue Skies," "Red Sails In the Sun-Set," "Somewhere Over The Rainbow," and "Stardust." Jimmy shows a lot of talent and we enjoyed his selections.

Talent is one of the many 4-H ways of sharing our riches with our neighbor. We closed the assembly with the National Anthem led by Mr. L. R. Harrill, accompanied by Cynthia Prichard.

### CAN YOU COMMUNICATE?

Tuesday Morning the Hands Group enjoyed one of the many interesting classes we will be having during the week.

Mr. Joe Tonkin of the Federal Extension Service in Washington D. C. held the group spell-bound with his wonderfully illustrated talk on "trick or miracle." Mr. Tonkin pointed out that we have to make ourselves understood by other people, or in other words, we must be able to communicate. How each of our five senses are used as ways to communicate was illustrated by Mr. Tonkin.

Mr. Tonkin also pointed out that the trend in TV and radio is to make short talks and get to the point quickly, because people don't like to listen to a lot of unnecessary talk.
