STATE 4-H CLUB WEEK / NORTH CAROLINA STATE UNIVERSITY

TWENTY-FIVE TAPPED INTO HONOR CLUB

In an impressive candlelight ceremony Monday night, some 25 boys and girls were tapped into the North Carolina 4-H Honor Club.

Membership in the honor club is a reward for those boys and girls who have given outstanding service to 4-H Club work through their leadership, moral standards, and 4-H activities and records. They are judged as most outstanding in the state.

The honor club tapping is always one of the highlights of 4-H Club Week on the N. C. State University campus.

Mrs. Jane Hill, Chapel Hill, presided during the "tapping in" of Betty Jane Reece, Jacksonville, Rt. 4; C. G. Sorrell, Durham, Rt. 4; Linda Hunt, Denton; Annette Fairless,

GOALS AND DREAMS

Miss America -- how very often you hear a young girl say, "my one goal is to become Miss America." This dream came true for Marilyn Van Debur, Miss America of 1958, who addressed the 4-H'ers at the Coliseum this morning.

Being Miss America is not an easy task. She goes places and speaks to groups as she is told to do. She serves as a symbol of America for one year traveling throughout the United States.

Is success gained by luck? This question could have two answers, but why not the best -- success is gained by work, desire, discipline and more work. We must set our individual goals. Reaching the top is not easy but the will to work and strive harder could see us through, Miss Van Derbur said.

Even Miss America does have problems. Miss Van Debur, upon her return from the Miss America Pageant to her home town, fell down a set of stairs in the presence of her friends and relatives. Did this discourage her? Did she accept the fact that she, Miss America, had reached her goal and made a mistake in her own home town? Yes Miss America must learn to face defeat and mistakes with poise as Miss Van Derbur did.

Some of our greatest Americans have risen from failure to victory by using one method, work, work, work, and more work, she said. We, too, can strive to be a better 4-H'er by working harder.

Miss America's reign ends after one year but her work has just begun. Miss Van Debur has been married two years and stated that her first duty is being a wife, next comes social events, speaking to groups and traveling throughout America. Her schedule is very tight but she enjoys the work.

Miss Van Derbur was not a 4-H'er (4-H Clubs were not organized in her home town). However, she did participate in several youth organizations.

Her opinion of the 4-H'ers in North Carolina -- they are responsive and reflect the fact that they have good leadership.

RALEIGH MINISTER CHALLENGES 4-H'ERS TO CONSIDER --ARE BEST THINGS IN LIFE FREE?

Dr. Albert G. Edwards, minister of the First Presbyterian Church in Raleigh, delivered the Morning Thought for the Tuesday forenoon assembly.

Dr. Edwards posed the question: Are the best things in life free? He continued by saying that they're not. Club members were then asked what were the important things in life. Some are:

Character - What a man is in the dark or in a crowd.

Knowledge - Knowing everything about something, and something about everything.

Friendship - We never attain this goal with a large cost.

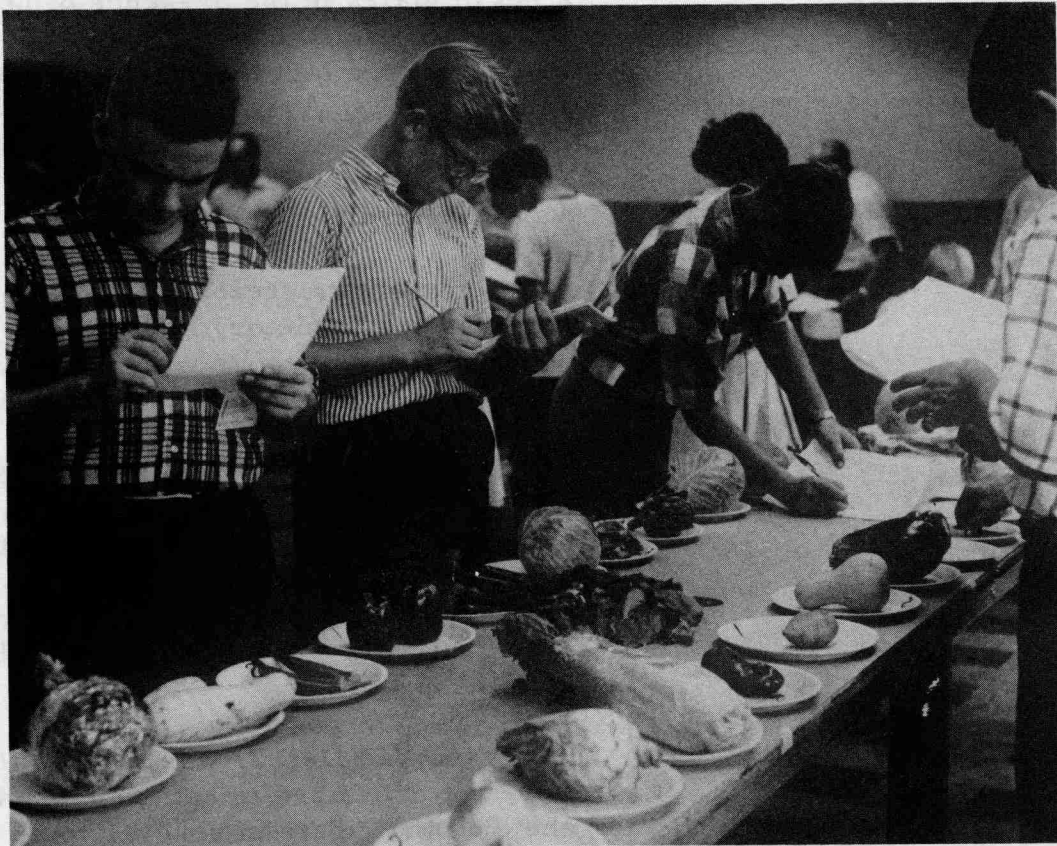

Freedom - Pleasing to do what is right instead of wrong, for we are all biased to do wrong.

Faith - A strong belief in God.

Salvation - We have to commit ourselves and say, "Lord, I come to you as I am."

The thought for meditation: All good things - if they are to profit us - are not free! They all have price tags, many quite large.

BE A GOOD 4-H'ER --- NOT JUST
THIS WEEK BUT ALWAYS.

Fellow 4-H'ers, this week as you go to your various groups, classes and other functions, please try to do your best to co-operate with all leaders, agents, and instructors. Those who are driving cars are asked to observe speed limits and other traffic regulations on the campus. There have been in the past such things in the dormitories as water fights, telephone booth cramming contests, and other such incidents unbecoming to a good 4-H'er. This is certainly not a way of showing our appreciation to the N. C. State University Administration and faculty or to our State 4-H Staff who have made Club Week possible again this year. 4-H'ers are the best example of teenagers anywhere in the United States. So live up to this example and enjoy Club Week. More than anything live up to our motto ----- "To Make The Best Better."

BAND CONCERT SUPERB

SUPERCALIFRAGALISTICEXPLIASADOUS might be said to describe the Band Concert performed by the 2nd Marine Aircraft Wing Band of Cherry Point, N. C. Monday night. Under the direction of Chief Warrant Officer Robert N. Griswold the band really "outdid themselves!"

Organized in 1923 and now 35 members strong, the group played everything from "Hello Dolly" to "God Bless America."

Everyone enjoyed the band and the fabulous "Haircuts" and showed their appreciation to the group by giving them two standing ovations.

Although several other Marine Bands have performed in previous years, this group was the best yet.

JUDGING WINNERS

The livestock judging competition --an area in which North Carolina 4-H'ers are gaining national stature-- got 1965 Club Week off the ground Monday.

Lenoir County swept the livestock judging team championship, beating out teams from Jones, Chatham and Edgecombe which finished in that order behind the leaders.

Jimmy Pollock of Trenton won individual honors. He joins two members of the winning team, Tony Lee and Ray Williams of Rt. 4 Kinston, and Don White, Siler City, on the state championship team.

4-H'ERS PLAY ORGAN MELODIES

Three talented 4-H'ers have been selected to perform Organ Melodies prior to the morning and evening assemblies. Each participant was selected on the basis of his leader's and agent's recommendations and his district talent performance. These 4-H'ers were selected to attend the State Music Workshop.

Those performing are Brenda Jones, Rutherford County; Mary Ann Martin, Cumberland County; and Ronnie Griffin, Onslow County.
