

35TH ANNUAL 4-H CLUB WEEK

Theme: "Be Informed and
Be Improved"

A&T COLLEGE
GREENSBORO, N. C.

JULY 19-24, 1965

WELCOME TO OUR STATE 4-H CLUB WEEK

Dear Delegate:

Welcome to our 35th Annual 4-H Club Week. Thirty-nine years ago, in 1926, the First State 4-H Week (4-H Short Course) was held at A & T College. Sometimes during the intervening years, the annual conferences could not be held due to crisis situations. This particular conference is being held during a time of great revolutionary change, not only in America, but in the world. Because of the challenge which this change presents, the officers who met to plan this year's program suggested a conference theme of "Be Informed and Be Improved."

A look into the future indicates that one must be engaged in and dedicated to purposeful work if he is to be accepted into our society. Already the question is being asked in many circles - "Who needs the non-productive?" The productive capacity of every individual, measured by whatever standards that are correctly accepted in any society, is an important index of one's social worth. It is important, therefore, that the eagerness of youth to attain and exercise worthy productive powers should be encouraged. Therefore, this conference is aimed at giving you information so you may better understand the need for continuous self-improvement.

Four-H Club work provides opportunities whereby young people may grow and develop. In addition to physical achievements you may make, it is hoped that you make great achievements in character and personality development. In order to meet the challenge that lies ahead, each of us must have a great sense of responsibility, develop more tolerance and understanding, become skillful in cooperation, develop a great willingness to work hard, develop a high sense of integrity, exhibit a great spirit of helpfulness and be dedicated to the application of technology, business and management principles. From the shadow of these attainments and characteristics will come the substance which will give us a greater tomorrow.

Four-H is truly an experience of "learning for living." As you become informed and work to "make your best better" you surely will be improved and prepared to meet the demands of new frontiers ahead.

4-H Club Specialist

When you do right, you astonish some people and astound others; you can always be sure a majority of those who know you will either be angry or disappointed. This, because most folks yield to who's right rather than what's right.

“ we face challenges in today's world of a difficulty and scope that require the fullest exercise of all our powers. And if we do not guard the precious heritage of our National Vigor on which those powers depend, then there are strong and impatient people waiting to pick up the gauntlet that we can no longer bear.”

"Each honest calling, each walk of life, has its own elite, its own aristocracy based on excellence of performance There will always be the false snobbery which tries to place one vocation above another. You will become a member of the aristocracy in the American sense only if your accomplishments and integrity earn this appellation."

4-H Firelight Song

(Tune, Let the Lower Lights Be Burning)

Brightly beams our 4-H firelight,
As we gather here once more,
Pledged to keep our candles burning
As they gleam forever more.

Chorus:

Let our 4-H fires keep burning
Send their gleams a'neer and far,
To those eager eyes still yearning,
Each may be a guiding star.
Let us go, with faith and fervor
To the tasks we find to do;
Tho' in joy, distress—or—sorrow
Let our flickering lights shine through.

Repeat Chorus.

Follow The Gleam

To the Knights in the days of old,
Keeping watch on the mountain height,
Came a vision of Holy Grail
And a voice thro' the waiting night,
Follow, follow, follow the gleam,
Banners unfurled o'er all the world,
Follow, follow, follow the gleam
Of the Chalice that is the Grail.

And we who would serve the King
And loyally Him obey,
In the consecrate silence know
That the Challenge still holds today,
Follow, follow, follow the Gleam,
Standards of worth o'er all the earth,
Follow, follow, follow the gleam
Of the light that shall bring the dawn.
