President's Message

Dear Club Women,

Greetings and Happy New Year to each of you! Today we stand on the brink of a new administration in Home Demonstration and a fresh new page in history. With your help, I hope we may write some worthwhile achievements on the page of 1959.

May each of us have a real appreciation of the opportunity to serve our clubs and through them our communities and our nation.

Remembering our slogan "Each One Reach One" let us tell the story of Home Demonstration and work to increase our membership. Let's all subscribe to our News Magazine, *Green 'n' Growing*.

Let us try to erase from the thinking of every citizen that our clubs are social functions. We do have fellowship and enjoy our programs but all of our clubs have worthy projects in the community and each member is ever striving to be a better home maker, wife and mother.

We are united in our desire for a future of constructive purpose.

I am deeply grateful for the privilege and honor to serve as your President, and I hope at all times to remember that I have been elected to serve, not to be served.

With all of us working together it will be a glorious year of friendship and accomplishment.

My best wishes to each of you!

Sincerely,
Mina Hockaday
(Mrs. V. I. Hockaday)
President N. C. Home
Demonstration Clubs

We lovingly dedicate this issue of Green 'n' Growing to Miss Verna Stanton who has given all of us love, understanding help and encouragement when we needed it.

Shut your eyes a minute and see Miss Stanton as a youngster on the cotton farm on which she was born—just six miles from the North Carolina state line near a little town of Clio, South Carolina.

She was the youngest of eight children. Just think of all the dishes and clothes to wash and iron. Of course she had to do her share of farm chores and gardening.

“I’ve done a little cotton picking and a little hoeing,” she says with one of her smiles. “I did what the average child would do, including a little housekeeping. I learned to cook, sew, and how to keep a house. The main thing was I learned how to work.”

And work she did—right on thru college. When she entered Flora Macdonald College she didn’t know what vocation she wanted but after graduation she started teaching English and French and taught five years. But all this time she had the desire to work more with people in their homes.

The problem, lack of credits in home economics, was solved by enrolling in summer school at Columbia University. After five summers she received her M.A. degree there in household art education.

Armed with this degree she went to Marion, where she taught vocational home ec. in the 5th, 6th, and 7th grades and night classes.

From Marion, she went to Charlotte, to teach adult home-making classes. She stayed in Charlotte until she began her work in Surry and Stokes in home demonstration in 1935. It was here that she realized that, “this is what I wanted to do all along.”

Time and space do not permit us to tell all of the many things she did in the years that followed. To her, each of her jobs has been a continuing challenge. She believed in her profession. She believed in and loved the people with whom and for whom she worked. She was a loyal Extension worker giving her best every day. Her desire was to render service. She never worried about who would get the credit for the work that she did. Verna preferred “star-

light to limelight". Most of all she wanted to see growth and development of people. Results were more important than credit. A commendable characteristic that only a few people possess.

Many honors came to Miss Stanton during the 23 years she worked with the N. C. Extension Service as county home demonstration agent, and as a district agent in the Southeastern District. In July 1946 she was promoted to the position of Assistant State Home Demonstration Agent. The May 2, 1954, issue of *The News and Observer* named her Tar Heel Woman of the Week. She was named 1957 "Woman of the Year" in service to North Carolina Agriculture by *The Progressive Farmer* magazine. The North Carolina Farm Bureau honored her with a Meritorious Service Certificate.

All through the 23 years Miss Stanton has been a positive force for improving rural homes, farms and communities. She is much beloved and greatly admired by all who know her.

She says, "Watching leaders develop among rural people has been one of my greatest satisfactions in home demonstration work. Rewarding and satisfying as my work has been, Home is the dearest place on earth."

Aren't we glad for her to have a home at 2009 Charlotte Drive, Charlotte, N. C.? She would love to hear from you.

WORLD AFFAIRS CONFERENCE

The Ninth Annual World Affairs Conference will be held February 11-12, 1959, in Carroll Hall, Chapel Hill, according to the Program Committee Chairman, Mrs. Bruce Strowd of Chapel Hill.

"East, West—A Search of Perspective" will be the theme of the Conference. Five areas of the world will be discussed on Wednesday afternoon by well informed persons including Foreign students. Two outstanding speakers will appear on Thursday's program, and five discussion groups will delve into such topics as "Whither the U.N." and "A New Look at Foreign Aid".

The North Carolina Council of Women's Organizations and 19 other organizations participate in the Annu-

al World Affairs Conference which is arranged by the University of North Carolina Extension Division. Registration Fee is \$1.50. High school and college students are allowed to attend without paying the fee as a courtesy of the participating organizations.

All who wish may attend the N.C.-C.W.O. Luncheon on Feb. 12 at the Carolina Inn by making reservation with Mrs. Kenneth Brinkhous, Dogwood Drive, Chapel Hill.

P.S. Mrs. Strowd has just informed me that they are attempting to secure rooms in Chapel Hill homes for those who arrive Feb. 11 to stay overnight, but it will be *necessary to have their reservations in advance.* (These rooms will be without charge.)

A Last Letter

Dear Club Members,

In this last letter to you, I want to tell you what a pleasure it has been for me to serve as President of the North Carolina Home Demonstration Clubs. I have enjoyed meeting and visiting throughout our great state, which I know is just lovely during this season.

It has been a joy for me to serve on the Committee for the Farm Organizations and Agricultural Agency. We visited the Farmer's Market in Raleigh which was a real experience, and if you haven't been to the market, it would be worth your time to do so.

The Country Women's Conference was held in August on the beautiful campus of Oklahoma A. & M. in Stillwater. (Jean, my daughter, almost stayed with Dr. O'Toole in the Home Economics Department.) The meeting was most interesting, especially the resolutions that will be on the agenda at Associated Country Women of the World Conference in Scotland in 1959.

I hope several of you had delegates to the Citizenship Conference in Washington and had a planned program at home.

I was thrilled to hear and read about a large number of United Nations Day observances this year. We had tree planting at our school, which was most impressive.

In October, Mrs. V. I. Hockaday and I attended the National Council in Wichita, Kansas. Mrs. Hockaday had 15 of her district chairmen at the meeting also. We were very proud of our Cornelia Graham. (She is completing her three years as Southern Director.) The theme of our meeting was "Open Doors". There are many open doors and it is our responsibility to pass through.

Last week I attended the Executive Board meeting in Raleigh. You have a very good leader in your new president, Mrs. V. I. Hockaday. There is much to be accomplished and she will need the co-operation and help of each of you if the task is to be accomplished.

I'm sure by this time all of you know Miss Verna Stanton, Assistant State Home Demonstration Agent, has retired and gone to Charlotte to make her home. We will miss her. We wish for her the very best in her new home and environment.

We are living in a "Fluid Age." We have OPPORTUNITIES! We have OBLIGATIONS!

It is a Great Day to Be Alive!

Love,
Lucille Pate

Chat with the Editor

Hello! Happy New Year! This is the first opportunity that I've had to talk with many of you. Some are already old friends and I hope that we will *all* be friends soon.

What fun it will be to talk to you as I have talked with my own county (Durham) friends for the past 6 years. We just sit down together each month over a second cup of coffee and exchange ideas, news, recipes, etc. and enjoy a few laughs. Then there is information and inspiration to help us grow.

Right now I want to say that if you are expecting a literary masterpiece or perfection of this magazine you had better look somewhere else, because, I am making no promises. I *will* try to make it interesting and informative.

With your help we can make it a success. I am depending on you to send in stories, ideas, news and all of those things interesting to women. This is YOUR magazine!

We will need as *many subscriptions* as we can get and advertizing as well if we are to continue our magazine. "Each one, reach one", should be our goal! This is really a great opportunity for H. D. women. (Read the Purpose again!)

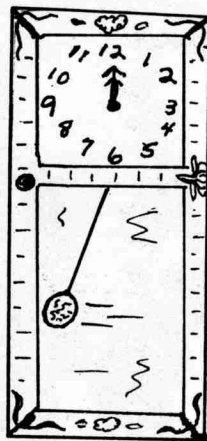

I will be looking for your letters and your subscriptions.

Sincerely,
Dorothy Vanderbilt

P.S. May I remind you that this little magazine is for anyone and everyone—not just H.D. members.

P.P.S. My friends call me "Dot". Won't you?

D.V.

Story For The New Year

The pendulum on the clock had been swinging for a long, long time. Occasionally it would get a little tired, and the master of the house would wind it and the pendulum would swing merrily again.

It seemed such a happy thing to do, when it was first wound—to swing evenly to and fro. But on the last of the old year the glass door on the clock said to the pendulum: "You might as well remain quiet as I do. How do you know you will have strength to swing the thousands of times necessary for next year?" He talked thus all day long and the pendulum grew worried.

On New Year's Eve the pendulum stopped. He counted what he had done during the last year and discovered that he had swung back and forth 31,536,000 times. He decided he couldn't swing back and forth 31,536,000 times. He decided he couldn't swing through another year—the task was just too great. When the master of the house came along, he chided the silent clock and pendulum.

"No one could expect me to swing 31,536,000 times," complained the culprit.

"Certainly not," said the master. "That would be too much for anyone. But surely you can swing once in a second, that is all I ask of you." He wound the clock once more.

The pendulum took heart. He proceeded to swing just once in a second. It was easy! He swung again—it was just as easy. He swung again and so he went on happily through the year. At the end of it. He had swung exactly 31,536,000 times, yet he was not tired.

We would like to introduce our new State Home Demonstration Officers who will officially begin their duties this month. Front row, left to right Mrs. Gilbert English, Randolph Co., first vice president; Mrs. V. I. Hockaday, Halifax Co., president; Mrs. L. B. Pate, Craven Co., retiring president, now serving as advisor.

Back row, left to right, Mrs. D. W. Williams, Duplin Co., second vice president; Mrs. Fernie Laughinghouse, Beaufort Co., treasurer; Mrs. Howard Franklin, Avery Co., corresponding secretary. Mrs. Marshall McRee, Catawba Co., recording secretary, and Mrs. J. P. Morgan, Currituck Co., co-ordinating treasurer were not present when this picture was taken.

Home Demonstration

Officers for 1959

With these capable women to lead and inspire us we will certainly be able to carry out our program of work.

Western District Plans '59 Program

Officers and state committee members from 14 of the 15 Western Counties met at the Manor in Asheville, December 11, for their 4th annual program planning session. The meeting was presided over by Mrs. H. O. Franklin, state corresponding secretary.

"Somebody Needs You" was the theme of a thought provoking devotional by Mrs. Theta Barnard. She has graciously consented to share with you one of the original poems used. (See page 7).

Informative reports from the state committee members were given so that each county officer had an overall picture of the state program and its purpose, aims and objectives.

Those giving reports were Mrs. Howard Carlson, Watauga County, State Executive Board Meeting; Mrs. C. E. Alexander, Haywood Co., State

Health Committee; Mrs. W. A. Smith, Graham County, Music Committee; Mrs. W. D. Ketner, Haywood County, Citizenship Committee; and Mrs. A. H. Eller, Safety Committee.

After the buffet luncheon the group met by Districts (1, 2, 3, 4 and 5) and made plans for their Spring District Meetings.

Miss Mary Harris, Western District Agent gave a summary of the meeting for all present.

P.S. I was privileged to attend this meeting. It was an inspiration to see these fine ladies in action. Each woman returned to her county with a better understanding of the work ahead and a respect and love for her fellow officers. This spirit of cooperation and fellowship makes for progress, progress that can be made only by united women with a common goal.

Dot V., editor.

Mrs. McIntyre

Progressive Farmer named one of our own as "1958 Woman of the Year for North Carolina".

For outstandingly useful services to her county (Nash), state, and nation, particularly in the area of rural health, we present Mrs. McIntyre.

She is the mother of four children and a farm homemaker. She has been cited by the American Cancer Society, N. C. division, Inc., for notable leadership in the crusade for cancer control clinics. She is also very active in crusades in heart disease and T. B.

Mrs. McIntyre is an outstanding leader in Home Demonstration and we are happy that she has received this well deserved honor.

Friend

Because of you I dare to do
The things not done before,
Because in doing them I find
The strength to rise and soar,
Because you challenge all my depth
The hidden caverns of my heart,
Because in searching me so deep
You found some good to chart,
Because of you I dare to know
A pilot for my life and soul,
Because I see you walk so sure
I walk with courage to my goal.
Because in all you've given me,
Dear friend, as here we've trod
Because I've had you for my friend
I've seen the heart of God!

"Our Need- Christian Citizenship"

Seven counties (about 75 women) had an inspiring program for a Citizenship Leaders Training School held recently in Franklin.

The school was the result of the efforts of Mrs. W. D. Ketner, of Waynesville, a member of the state citizenship committee and Mrs. Cecil Parker, Macon County citizenship chairman. Both of these women attended the National Citizenship Conference in Washington, D. C., last year and felt that the information gained should be shared and acted upon.

Theme of the school was "Our Need—Christian Citizenship". Mr. Weimar Jones, editor of *THE PRESS*, was the principal speaker in the morning. His topic was "Citizenship as a Newspaper Editor Sees It."

Rev. Claude Young gave the devotional, "Citizenship As A Minister Sees It".

Mrs. L. F. Saltz gave a report "Highlights of National Citizenship Conference" and Mrs. Gordon Rodgers, reported on "International Relations".

After lunch Mrs. Lillian Buchanan, librarian of Western Carolina College, Cullowhee, led the discussion "On Being an Informed Citizen." She was followed by Mrs. W. D. Ketner who's topic was "Home Demonstration Looks at Opportunities for 1959-60."

The day's activities were summarized, partly in verse, by Mrs. Theta Barnard, (Clay Co.) chairman of District 1.

Citizenship awards were presented to the following from Clay County: Janelle Armstrong, Betty Jo Fuller, Jackie Ledford, and Fredricka Rosenbranz.

Counties represented were Haywood, Jackson, Clay, Swain, Cherokee, Graham, and Macon.

1959 District Chairmen

District affairs will be under the competent leadership of these chairmen. From left to right, first row, Mrs. Henry Garner, District 3; Mrs. W. P. Honeycutt, District 4; Mrs. Howard Carlson, District 5; Mrs. Rufus Hager, District 6; Mrs. Elbert Bowman, District 7; Mrs. W. T. Tatum, District 8; second row, Mrs. Jacob Pickler, District 9; Mrs. Roy McIntyre, District 10; Mrs. Glenn Armfield, District 11; Mrs. R. W. Utley, District 12; Mrs. Clark Neatherly, District 12; third row, Mrs. R. E. Hughes, District 14; Mrs. T. S. Dean, District 15; Mrs. W. J. Lynch, District 17; Mrs. George Nye, District 18; Mrs. Lee Kye, District 19; fourth row, Mrs. H. D. Potter, District 20; Mrs. Ralph C. Rives, District 21; Mrs. George Wood, District 25; Mrs. Farrell Koontz, District 26; Mrs. Ervin Barefoot, District 27.

District Chairmen who were not present for the picture are Mrs. David Riddle, District 1; Mrs. W. C. Wikle, District 2; Mrs. C. B. Bunn, District 16; Mrs. Bruce Heath, District 22; Mrs. Julian Mizelle, District 23; Mrs. Ben Harris, District 24.

I'm Adopted!

"Pak Soon Yi is my name an' I'm adopted." Yes, Pak Soon Yi is very happy that the Lincoln County Council of Home Demonstration Clubs adopted her for the coming year.

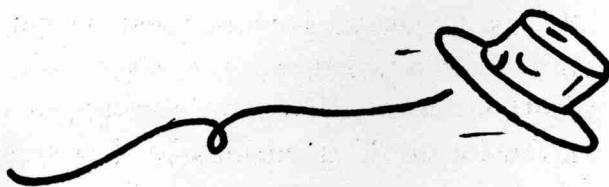

She is one of the countless thousands of Korean children whose lives were sadly changed by the Korean War. Her father was a school teacher and her mother was a preacher in a Presbyterian church. Soon Yi was born into a peaceful Christian home. Soon after the start of the war in June 1950, the mother was arrested by the Communists and, after a so-called people's trial for being a Christian and anti-Communist, was executed. The father, knowing what his fate would be if the Communists caught him, took Soon Yi and Yong Man, his son (now 10½), and started for Pusan. While at the Taejon railroad station, the father was killed in a bombing raid.

The two babies were taken in by the chaplain of the Kunsan church. The poor man cared for them for over two years but, because of increasing financial hardship during the war years, had to bring them to the orphanage where they now live.

Soon Yi is an earnest little girl with a strong sense of responsibility. She "watches over" the younger children and is always busy keeping the room in which she is quartered neat and clean. Soon Yi has been attending the orphanage school until April of 1958 when she started in outside elementary school. She loves her classes, particularly drawing, and says she wants to be a school teacher when she grows up.

Throughout the year letters will be written to Pak Soon Yi by Home Demonstration Club members. Pak Soon Yi will be encouraged to write to her Foster Parent each month. These letters are translated by the home office. In this way a close personal contact may be had at all times with the child.

Through adoption a child is given food, clothing, special medical care, welfare services and is enabled to go to school. \$180 is required annually to provide for this care and service. Wouldn't you like to become a "Foster Parent" to a child who has known much of tragedy, fear and hunger? How happy some child will be, because he can say, "I'm adopted".

Hat's Off to 4-H'ers

Eight North Carolina 4-H Club members won national honors and recognition for their work recently at the National 4-H Club Congress in Chicago.

The winners are Bill (Robert William) Jones, Buncombe County, national winner in Tractor contest; Carole Ann Greene, Mecklenburg County, national winner in Garden Project; James Floyd, Jr., Davidson County, national winner in Achievement; B. B. Haigler, Union County, national winner in Poultry; Joyce Key Smith, Surry County, national winner in Dairy Foods Demonstration; Gwendolyn McLaurin, Cumberland County, national winner in Clothing; Sue Brewer, Forsyth County, national winner in Recreation; Jane Moore Howe, Gaston County, national winner in Frozen Foods.

Home Demonstration members are proud of these winners and of the other 155,000 fine young people who are taking part in the 4-H program of North Carolina.

Again we say, "HAT'S OFF!".

Meditation

Bernard Baruch said some time ago that, "The first battle of the great Armageddon is taking place within this country—now". "No outside enemy can defeat us. We can defeat ourselves." Surely now is the time to give ourselves another examination. How have we managed most successfully to meet these difficult times? We all know that we must have a safe and peaceful place within ourselves, but we cannot if we do not stand firm upon the ground of moral integrity. We betray ourselves with every ungenerous, intolerant, and dishonest act.

We, as Christian women, must be genuinely interested in others, fight injustice and defend the weak and above all, carry God's word to those who need it, whether they be here or abroad and regardless of race or color. We must go on building. If a ruthlessly destructive enemy can turn us from our task of constructing a better way of life, if he can lure us into allowing our hard-won concepts of freedom, justice and compassion to decay in ruins, then he will have won the victory, though he may have lost the battles. A task is here for *every one* of us. We must and will carry our share of the burden for if we fail the very foundations of our way of life will fall at our feet and we will fall with them. Yes, we must have a safe and peaceful place within, but we can't let it stop there if we are to have a safe and peaceful world.

HOW FIRM A FOUNDATION

How firm a foundation, ye saints of the Lord,

Is laid for your faith in His excellent Word!

What more can He say than to you He hath said,

To you, who for refuge to Jesus have fled?

"Fear not, I am with thee; O be not dismayed,

For I am thy God and will still give thee aid;

I'll strengthen thee, help thee, and cause thee to stand,

Upheld by my righteous, omnipotent hand.

"When thro' the deep waters I call thee to go,

The rivers of woe shall not thee overflow;

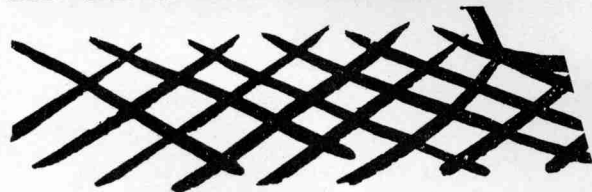

For I will be with thee thy troubles to bless,

And sanctify to thee thy deepest distress."

O Lord, this is my prayer, that the Kingdom of God may be realized in all mankind, knowing "the Earth is the Lord's, the world and they that dwell therein".

Amen.

Old man winter was most considerate of the Western District Officers. When he found out about the Training School on Dec. 11 he did an about face. Asheville basked in sunshine while he blew his blustry breath all over our southern counties. They were nearly knee-deep in that soft, white stuff.

Did you know Miss Mary Harris (Western District Agent) keeps her watch in the garage? Wonder were she keeps her car?

Wedding bells have chimed for Miss Iris Davenport, Woman's Editor for *Farm and Ranch*. She is now Mrs. Charles Alfred Manan. She and her husband are living at 1715 Bon Air Drive, Lexington, Ky. Their many friends wish them every happiness.

It is composed entirely of tales

Dan Valley H. D. club out shone every one this year by making draperies and installing valance lighting in their pine-paneled brick building. They also bought 100 place settings of stainless steel and plastic dishes and made table cloths. The money was raised by selling stews, cakes and pies, candy, serving suppers and having carnivals.

Greenwood-Sadler Home Demonstration Club sponsored for the second year a "Decorate Your Mail Box for Christmas" contest. This will be an annual event because the club is interested in year-round beautification of the community and mailbox improvement comes as a natural result of the contest once a year.

All residents of the community were eligible to enter, and many families participated. First prize to a non-club member was awarded to Mrs. George Soyars, and first prize to a club member went to Mrs. R. I. Turner. Other winners were Mrs. Bethel Setliff, Mrs. Brackett Jackson, Mrs. Hugh Johnson, and Mrs. Frank Courts.

The mailboxes were judged by a committee from the County Farm and Home Agents' office.

Something new was added to the (Rockingham Co.) December Workshop on Cake Decorating—*MEN!* Husbands brought their wives to the evening meeting, stayed to enjoy movies provided for them, and later enjoyed the decorating efforts of the women both in the viewing and the consuming. It was a most enjoyable occasion for the many who attended.

And the burrs and tangled weeds,
And only keep the best that grew
