

A Mother's Day Meditation

"Her children arise up, and call her blessed;" (Proverbs 31:28).

It has often been said that great men are the sons of great mothers. In October 1897 the President of the United States, William McKinley, visited his eighty-seven year old mother in Canton, Ohio just to walk to church with her on Sunday morning as he had done many times as a boy. Most of us were taught in school that McKinley was the twenty-fifth President of the United States. But did you know that he was a devout Christian, that he taught a Bible class and served as a Sunday school superintendent? Also, did you know that throughout his great career as a lawyer, congressman, Governor of Ohio, and as President of the United States that he always found time to write or telegraph his mother each day if he could not see her in person?

When "Mother McKinley" became very ill in December 1897, the President had her home in Canton connected with the White House by special wire, and he kept a special train standing by so that he could hurry to her bedside if she should call for him. One night the message came, "Mr. President, we think you had better come." Immediately came the answer, "Tell Mother I'll be there."

On Sunday afternoon, December 12, 1897, Nancy McKinley breathed her last in the arms of her fifty-four year-old son. For fully an hour after she died he didn't move from her bedside.

Upon reading the newspaper account of McKinley's telegram to those at his mother's bedside, hymn-writer Charles M. Fillmore was inspired to write what has become one of the greatest of the Mother's Day hymns, "Tell Mother I'll be there."

Thus the devotion of a truly great man still arises to call blessed a great mother.

American Mother---A Picture Window

"The American mother is the 'picture window of the world' and the world is watching to see how she brings up her children." So said Dr. D. E. Wassen at the 8th District Federation meeting in Statesville. His topic, "The American Home and the Outcome of the Cold War", made 400 women think! (Iredell, Rowan, Davie, Cabarrus.)

The cold war is a real war and is being fought on economic, political, social and religious fronts and it must be faced as a real war. We must not try to avoid our responsibility for leadership in the world.

He pointed out that the United States and the Amerian home must accept the challenge and fight to win the cold war or turn the leadership over to the communists. Whether we survive or perish depends to a great extent on the family which he described as, "the cradle of good and bad and the Kingdom of God on earth."

Dr. Wassen has traveled three continents and feels that our American society is unique and distinct from any other on earth mainly because it was created and nursed in American homes.

The true nature of communism has been exposed in Hungary and many parts of the world. Various revolutions have happened all over the world but the American Revolution is the only one that has held true to its historic concept of liberty and justice for all. Most revolutions that are supposedly fought to free men merely turn into other forms of imperialism. We can study our history and see many examples of this.

Dr. Wassen stated that the communists teach that all men are servants to the state and that there is a tendency in America to look to Washington for everything instead of trying to secure it by individual initiative. Every mother should teach her children to stand on their own two feet. Too many people are looking for something for nothing.

Communism will never be able to surpress the demands of human nature for freedom, security and the fruits of one's labor. We cannot win unless we are faithful to our traditions and these should be taught at home. Dr. Wassen concluded with this statement, "We must lead and we must act or we shall perish."

As we look in our own windows, what do we see?

Chat with the Editor

Hello! Guess what I've been doing. Trying out new recipes! Having the most fun! Cooking is my second hobby. (If only I didn't have to do the dishes.) People are first, and when people and cooking go together it's even better.

Anyone who likes to cook is fascinated by cook books and I am no exception. Our own H.D. book from North Carolina Kitchens is just full of good recipes, good reading and good friends.

When I was at the Sixth District Meeting Mrs. Rufus Hager gave me a copy of the Gaston County H.D. Cook Book, *More Than 1,000 Recipes*. It, too, has good recipes, reading and friends.

I got so interested in reading about cakes (I purposely didn't count calories.) that is was nearly lunch time before I knew it. I was still wondering what to have when the mail came. In it were two books.

Yes, you're right! They were about food! And by a charming lady I met only a few weeks ago, Mrs. Elizabeth Sparks. She is a nationally known food writer and home economics editor of the Winston-Salem Journal. Her books are as delightful as she is. North Carolina and Old Salem Cookery made me even hungrier as the time flew by.

The second book really caught my eye and saved my neck. (And it could save yours.) Titled *Menu Maker and Party Planner*, IT DOES, AND IS! It's the answer to many a homemaker's prayer.

"The purpose of this book," says Mrs. Sparks, "is to give ideas and concrete suggestions for food to serve for every occasion. It gives dozens of suggestions for putting a halo on the 'three squares' a day and there are ideas for every holiday."

Any and all of these books make excellent gifts or additions to your own shelf.

Enough about food—did you notice? We have advertising! All of our advertisers believe in our H.D. Program and would appreciate it very much if you would mention that you saw their ad in *Green 'n' Growing*.

I am looking forward to seeing each of you at Farm and Home Week.

Sincerely, Dot Vanderbilt

Quilts for brides are made and given by the Hollow Springs HDC of CALD-WELL County. It was decided to make the quilts for any of the members children who get married in the hopes that these young homemakers will become active in the club. So far they have presented three quilts. (Lucky brides.)

The fifth annual Bulb Show sponsored by the Dunn's Rock HDC (TRANSYL-VANIA) was held in April and was the "best ever." Over 200 named varieties grown in the community were exhibited. Courtesy arrangements by seven of the H.D. Clubs. Garden Clubs and individuals were arranged attractively down the center of the room. Each of the 12 club members had an arrangement grown by them in a separate area. Mrs. Ben Robertson, Tavlors, S. C., regional vice-president of the American Daffodil Society and Mr. and Mrs. Lerov Fagan of Asheville were special guests. (Mr. Fagan is President of the Asheville Development Council.) Everyone was inspired by the lovely exhibit. A silver offering netted the club \$70 for their efforts.

Leadership Training Workshop

The annual Leadership Training Workshop is being planned for July 19-23, at Chapel Hill. Mrs. Corinne Grimsley, Family Life Specialist, Extension Service, State College, is the Director.

Each affiliated organization of the North Carolina Council of Women's Organizations is entitled to 5 delegates, with 5 alternates, and the registration is \$6 per participant. This fee can come from the delegate or the organization. Just be sure it COMES as soon as possible to the NCCWO Treasurer, Mrs. Sam Freedman, 1409 Gregson Street, Durham. Enrollment is limited.

Bits 'n' Pieces

Please note that this year 50 places are available to junior officers and local club presidents. These individual members of affiliated organizations may make reservations by sending \$6 each to the Treasurer until the 50 places are assigned.

Classes range from Effective Speaking to Nuclear Warfare. An intensive effort is being made to offer the best opportunities ever in this Workshop, so let's take advantage of it.

HAYWOOD County initiated a new series of radio programs which are heard each Sunday afternoon at 5:00 o'clock over station WHCC, Waynes-ville. This 30 minute Home Demonstration program is designed to bring good music and HD talents to the listening audience.

During the month of March, 38 people appeared on the programs with the following topics: "Purposes and Objectives of HD Club work"-This was discussed by the Executive Board. "Ole Timers Speak"-Charter members of the Beaverdam Club told of 25 years of HDC Work. "Coordinating Color Throughout the Home"-Problems were discussed by the Dellwood Club. The International Relations Committee interviewed the Reverend Karl Krutzer. a retired German Methodist Minister who is visiting the United States. "Easter Program"-The New Comers HDC featured a special musical program directed by Mrs. G. Schoonover and 8 voices.

Special music was a part of each program. (Sorry, space doesn't permit us to mention all the names and more details of this wonderful project.)

Is your freezer ready for the demands you will be making of it? A freezer is wonderful, but it will not do everything. For more information about freezers ask your agent for Phamphlet No. 183, prepared by Nita Orr, Extension Economist on Food conservation and Marketing.

Pickles and *Relishes*, a pamphlet (No. 182) prepared by Iola Pritchard and Marjorie Shearin has excellent directions. Ask your agent.

Your cotton bag sewing may win a prize. Better make plans to enter the Dixie Classic Fair, Oct. 6-10, in Winston-Salem, or the N. C. State Fair in Raleigh Oct. 13-17. There are many lovely prizes.

Spring Came Today

The red-bird said, "Spring is here", The daffodils declared 'twas so, But as I looked across my hill I saw the flakes of falling snow. Now I wondered just how true. The wind was coldly blowing, Then the mail-man brought to me. My copy of "Green 'n' Growing". Here, too, I saw in green and white. The dogwood blossom showing, I guess down east it must be spring, But here it's cold and snowing! After reading all the news, Found in "Green 'n' Growing," I looked out across my hill-Yes, it had ceased the snowing. Sunshine had come into my heart, And a song, I wished to sing, Friendly bits of news from friends Can usher in the Spring! P.S. Now I must say a fond adieu I'm in a powerful hurry. I'm convinced that spring is here That was winter's good-by flurry. by Theta R. Barnard

Hayesville, N. C. Clay County

Editor's note: Theta just missed last month's magazine but I thought you would enjoy the poem even tho' it has been spring for some time.

With strawberries becoming more plentiful, strawberry shortcake, strawberry preserves and strawberry pie will be on every menu. You may be picking your own but many of us will have to get ours at the grocery store. Any way you do it be sure to pick berries that have a gloss or shine, which indicates freshness; a full solid-red color, which indicates ripeness; and berries that are free of dirt, decay spots, or moisture. Handle carefully. Store in a loosely covered flat dish in the refrigerator and use in a day or so.

Strawberry Bavarian Cream

1 qt. hulled strawberries, crushed. 1 cup sugar 2 c. heavy cream (whipped)

2 tsps. gelatine

3 T. cold water

3 T. boiling water

1 T. lemon juice

Add sugar to berries. Let stand for 30 minutes. Soak gelatine in cold water. Then dissolve in boiling water and stir this into berries. Add lemon juice. When this mixture is about set fold in lightly the 2 cups of whipped cream. Chill, serve.

Glazed Strawberry Pie 1 quart strawberries 1 cup sugar 3 T. corn starch Baked pie shell Whipped cream

"With Cream, Please"

Wash and cap berries. Slice if large. Put half the berries in bottom of pie shell. Mash the rest of the berries and bring to a boil. Add sugar which has been mixed with corn starch. Cook slowly for about 10 minutes stirring enough to keep from sticking. Remove from heat and pour over berries in pie shell. Chill. Top with whipped cream. Eat all you can but shut your eves so those calories can sneak right by without getting counted.

Strawberry Icing

Mrs. J. J. Barger of the Christian Neighbor Club (FORSYTH) hopes you will use this before fresh strawberries are gone.

1 cup washed, capped berries

1 cup sugar

1 egg white

Do not mash berries. Just beat berries and egg white on no. 4 speed of electric mixer about 15 minutes or hand beat for 20 minutes. Colorful and good.

Strawberry Tarts

Your Knave of Hearts will like these tarts. They're made with berries and lemon-lime sauce. Simply use your favorite pie crust recipe in large muffin pans or tart tins. Heap fresh strawberries into cooled shells. To make the sauce, mix 1 tablespoon cornstarch with 3 tablespoons sugar and stir in a 7-oz bottle of lemon-lime carbonated beverage. Cook the mixture over low heat, stirring, until it thickens; cool slightly and pour over berries. The tangy lemon-lime flavor accents the berries. (Good with or without whipped cream.)

Strawberries are good any way you fix them. There's only one trouble: they don't last long enough and they get better and better as the cream gets thicker and thicker. P.S. These same recipes are good for raspberries.

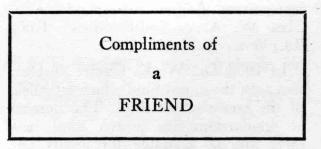

Just Found!

Searching for Haywood County's "Grandma Moses"—that's what Mrs. A. L. Bramlett, County Craft Leader, has been doing. And she found 26 in her 2 day workshop in pastels.

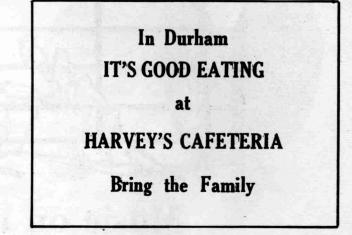

This workshop was recently held for leaders and they all proved their abilities and declared that "pastels are fascinating". Club workshops are being planned by these leaders.

Mrs. Bramlett has taught pastels for two years in the Western District Handicraft Camp in June at Camp Schaub. She was a guest instructor in pastels at the Manteo Camp last year for Eastern District H. D. Craft Leaders. Before retiring to their farm in the White Oak Community she served as art instructor at Brevard College.

She has served as club president for two years and also as craft leader each year.

Music on the Move

It was just an idea at first—music education for rural people. But the more Ruth Current thought about it, the deeper grew her conviction that the time was at hand, the people ready to explore a subject hitherto unavailable to most. To thousands of rural adults music education and appreciation were total strangers.

It was apparent that some organization and definite plans must be made. During Farm and Home Week, 1951, the first State Music Committee was formed. Definite goals were established and still prevail today. They are: to compile and distribute an inexpensive song book (This has been done.); to improve the music of our rural churches; to encourage the formation of choirs and choruses; to secure for our children a general music education and to develop a training program for potential leaders.

An outstanding activity of the Home Demonstration music program is the annual Workshop. Held five days each summer on a college campus, more than six hundred (600) leaders have gained training and inspiration. No phase of music has been neglected over the five year period. Practical and beginning work is part of each Workshop, therefore new leaders attend and benefit. Advanced training has been given at the last several sessions.

In the fall those who attend the Workshop apply the lessons learned to the local needs. A favorite program is the teaching of the yearbook songs for the coming year. Lessons in conducting, score reading and dynamics are combined. Music appreciation and recreational games are also a part.

Due to the efforts of Home Demonstration women, there are four supervisors of music in North Carolina public schools instead of one.

A music library has been started for the use of music leaders and others in appreciation classes. These records may be kept 3 days. There is no charge except postage. Address correspondence to: Mrs. W. Alton Smith, Stoney Knob Rd., Weaversville, N. C.

In 1953 Dr. W. K. Cuyler of Durham gave the initial fund which established the music scholarships. The number of scholarships has grown until now there are 32 available for adults and 4-H boys and girls.

How does such a program work? The success of any endeavor depends on those who have a vision and work toward its fulfillment. Each club and each county has a music leader, and these in turn are inspired and lead by their district and state leaders.

The State Music Committe for 1959-1960 is as follows: Mrs. W. Alton Smith, chairman, Weaversville; Mrs. Fred Matthews, vice-chairman, Hertford; Mrs. T. W. Ferguson, secretary, Ferguson; Mrs. R. L. Timmons, treasurer, Forest City; Mrs. John Allred, co-chairman, Mooresville; Mrs. Adrian Davis, scholarship chairman, Calypso; Mrs. John F. Griffin Jr., Rocky Mount; Mrs. J. C.
