

LIST OF AGRICULTURAL ENGINEERING PUBLICATIONS BEARING  
ON THE USE OF IMPROVED EQUIPMENT FOR THE  
FARM HOME.

---

The following are references to papers presented in various publications of the American Society of Agricultural Engineers, Saint Joseph, Michigan:

ELECTRICITY

- A Study of the Isolated Farm Electric Plant - D. C. Heitshu and F. M. Sommerville, Jour. Vol. 6, No. 12, Dec. 1925, p. 270
- Central Station vs Isolated Plant Electricity on the Farm - H. F. Good, Trans. Vol. 11, Dec. 1917, p. 55
- Conditions for Supplying Electric Service to Rural Consumers - A. E. Stewart, Trans. Vol. 17, Dec. 1923, p. 88
- Demonstration of an Electric Farm - R. U. Blasingame and E. Grant Lantz, Jour. Vol. 6, No. 3, March 1924, p. 57
- Development of Farm Electric Light and Power Plants - L. S. Keilholtz, Jour. Vol. 2, No. 5, p. 109
- Electrical Equipment for the Farm - W. K. Freudenberger Trans. Vol. 10, No. 2, Dec. 1916, p. 83
- Electricity from Wind Power - F. C. Fenton, Trans. Vol. 17, Dec. 1923, p. 309
- Electric Service for Rural Districts - G. C. Neff Trans. Vol. 17, Dec. 1923, p. 133
- Rural Electric Service Costs - E. A. Holloway Jour. Vol. 6, No. 10, Oct. 1925, p. 230
- The Problem of Electrical Energy Used on the Farm - J. C. Martin, Trans. Vol. 16, Dec. 1922, p. 39

FARM EFFICIENCY

- Farm Efficiency - X. Caverno, Trans. Vol. 9, No. 1, Dec. 1915, p. 12

FARMSTEAD

- Farmstead Engineering at Delhi - M. E. Cook Trans. Vol. 16, Dec. 1922, p. 284
- Farmstead Planning - L. W. Chase Trans. Vol. 10, No. 2, Dec. 1916, p. 35
- Farmstead Planning - M. C. Betts Trans. Vol. 10, No. 2, Dec. 1916, p. 50

HEAT

Farm Residence Heating - L. W. Eggleston, Trans. Vol. 9,  
No. 1, Dec. 1915, p. 41

LIGHTING

Electric Lighting Systems for Farm Use - C. H. Roth,  
Trans. Vol. 9, No. 1, Dec. 1915, p. 34  
Isolated Gas Lighting Plants - Eugene Beecher, Trans.  
Vol. 6, Dec. 1912, p. 47

SEWAGE DISPOSAL

Farm Sanitation with Special Reference to Water Supply  
and Sewage Disposal - Paul Hansen, Trans. Vol.  
7, Dec. 1913, p. 62  
Farm Sewage Disposal Devices - H. W. Riley, Trans.  
Vol. 15, Dec. 1921, p. 131

WATER SUPPLY

Country Water Systems - L. C. Landis,  
Trans. Vol. 13, Dec. 1919, p. 43

The following are bulletins relating to this subject:

Farm Conveniences - N. C. State College Record, Vol. XIX,  
No. 6.  
Let the Creek Light Your Home - State College of Washington,  
No. 124  
Turn on the Light - Wisconsin University  
When Electricity Does the Work - University of Nebraska-  
No number  
Lighting for Country Homes - Iowa State College, No. 55  
Electric Power for the Farm - University of Maine, No. 162  
Farm Lighting Systems - University of Wisconsin, No. 243  
Running Water for Farm Homes - Mississippi A. & M. College,  
No. 6  
Water Systems for Farm Homes - U.S.D.A. Bull. No. 941  
Getting Water Into Farm Homes - Ohio State University, No. 14.
