Mr. S.B. Simmons, Assistant Supervisor
Agricultural Education in Negro Schools
A. & T. College
Greensboro, N.C.

Dear Mr. Simmons:

As chairman of the Hammocks Beach Corporation may I take this opportunity to express gratification over the marked success of the camping operations conducted at the Hammocks for your boys. They conducted themselves as young gentlemen should. Dr. William Sharpe, our benefactor, was enthusiastic concerning the success of the program and the benefits derived by the ~~###~~ boys from their experience at the Hammocks. The camp was well-managed. I know of nothing being done in our State that excells your efforts to prevent juvenile delinquency and to build useful citizenship. You and your colleagues deserve the praise and gratitude of all of us. Come back to the Hammocks.

Sincerely yours,

J.M. Seabrook

Chairman, Hammocks Beach Board of Directors
