STUDENT REQUEST NEW COUNCIL SET-UP

Every Available Dormitory Room Already Engaged For Next Year

Ask For Radical Reforms In Faculty Council Power

PICK COMMITTEE Group Which Will Draft Final Plans for Student Welfare Committee Composed of Frink, Dulin, Ragsdale, and Bailey; New Council to be Constituted Equally of Faculty and Students and Will be Final Authority Next to Administration

More than eight hundred strong, the student body of North Carolina State College gathered in Pullen Hall last Monday night to discuss and approve measures for radical reforms in the present set-up of the Faculty Council, Student Council, and the relations between the two groups.

The meeting was presided over by retiring President J. C. Frink. The members of the group listened enthusiastically to proposals that a Student Welfare Committee of fourteen members be formed, which would be the connecting link between the students and faculty.

Honor Fraternity Picks Five Juniors

The Blue Key, national honor fraternity, has issued bids to membership to five outstanding upperclassmen who have proven their ability to uphold and carry on the traditions of this organization.

Clark On Airwaves

A new program idea goes into production at WPTF in Raleigh soon, with the station inviting members of its studio audience to take part in an informal quiz to determine the extent of each person's vocabulary.

BEST SCHOLARS GIVEN AWARDS FOR WORK DONE

Scholarship Day Held Yesterday in Pullen Hall Brings Large Crowd to Witness Bestowal of Numerous Awards and Trophies Upon Deserving Students

In recognition of outstanding scholarship, the thirteenth annual Scholarship Day exercises, held in Pullen Hall yesterday, attracted a huge crowd.

Mr. L. V. Sutton, president of the Carolina Power and Light Company, addressed the group gathered for the ceremony, stressing the fact that anyone who concentrates on his major courses to the exclusion of other interests can never carry his education out to its fullest development.

He stated further that constant training is as necessary for the mind as it is for the body. Col. J. W. Harrelson, dean of administration, presided over the program. The Rev. O. L. Hardwick, pastor of Fairmont Methodist Church, took part in the services, and the State College orchestra, under the direction of Major C. D. Kutschinski, provided music.

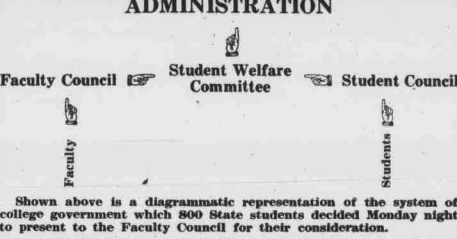

Forestry Club Gives Hayride For Seniors

Last Thursday the Forestry Club sponsored a hay ride in honor of the seniors of the Forestry School, and a large crowd participated in the ride and in the roasting of marshmallows and hot dogs before a huge bon fire.

Speaks to Ag. Club

Mr. H. W. Taylor gave a very interesting talk on swine production to the "Ag." Club Wednesday night at the regular weekly meeting.

Something On This Order . . .

Faculty Allows Dance For This Year Only

After carefully considering the student petition presented to the Faculty Council by representatives of the student body at their meeting Tuesday, the Council voted to allow the Interfraternity Council to sponsor the Monday night Finals dance following graduation this year.

A.S.U. Agitator Has Small Success On State Campus

Mr. Lee, a native of Arkansas, is making a field trip through the South, visiting the colleges which have branches of the union. In North Carolina, Guilford, Duke, Carolina, and the Woman's College at Greensboro all have active chapters.

Theta Phi Joins Sigma Alpha Mu

Theta Phi, Jewish social fraternity, will take the most important step in its history May 6 and 7 when the entire chapter and its members will be inducted by Sigma Alpha Mu, an international fraternity of the same religion.

Discus Toss Scores Mighty Ace On Head

Some people may cuss at you for being hard-headed, but this very thing proved to be of the utmost service to Ted Johnson, varsity football player, when he was struck on the head by a discus during the fraternity intramural track meet Tuesday.

Rising Juniors and Sophomores Hardest Hit By Room Shortage

S. T. Ballenger Elected President Of Sigma Pi Alpha

Professor S. T. Ballenger, head of the Language Department at State College, was elected president of Sigma Pi Alpha, honorary language fraternity, at the national congress, which was held in Salisbury April 29.

30 and 3 Takes Five Sophomores

The Order of 30 and 3, honorary organization, initiated five new members in a ceremony held during freshman assembly last week.

Science Teachers Convene At State

Thirty-seventh Annual Session of the North Carolina Academy of Science Begins Here Today

Long-Awaited Agromeck Is Ready For Distribution

It may not be sensational but it is certainly a thing of beauty—this 1938 Agromeck—which is now ready for distribution to the student body. The book is a rich red-brown, beautifully embossed and trimmed with light green. The back is embossed in silver. The most startling innovation is that the covers are padded, which in addition to giving an atmosphere of richness to the book will probably increase its wearing qualities.

RODNEY GRAHAM

Diamondmen Play Host To Carolina and V. M. I.

BIG FIVE BATTLE, V. M. I. TILT HEAD WEEK'S SPORTS

Techs Meet Tar Heels For Second Time In Week; Play Cadets Monday

The Doakmen return home this week-end to take on for the second time this week the loop leading Tar Heels. At the present time, the Heels are in the top spot of the Big Five loop which is being run off at a terrific pace.

In two exhibition games at Rufford and Clinton, the Tar Heels tossed out the Techs by one run in each game. State returned to Chapel Hill in their first Big Five engagement to beat the Heels 8-3. In the first two games, costly errors by the Doakmen proved the margin of victory for the Tar Heels.

The Techs have been playing improved ball all season, and plenty of action is anticipated this Saturday as they seek to make it two in a week over Carolina.

This coming Monday the Techs will be seeking to avenge a 15-3 drubbing handed out to them by the Cadets from V. M. I.

The cadets jumped on four State pitchers for a total of 16 hits and 15 runs in the contest while holding State's murderous hitters to eight hits and three runs.

State's hard hitters, led by Wicker, Beam and Kearns will be seeking to close out the regular home season with a win over the Cadets and the Carolina Tar Heels.

Holshouser, Green, and Bruinooze will probably see service on the mound in these two games.

Techlets Divide Week's Contests

Wallermen Lose to Baby Deacons; Tounce Tar Babies

Tommy Byrone, Wake Forest hurler was the star as the Baby Deacons defeated the Techlets 16-2 last Tuesday. Byrone pitched seven innings, allowed only three hits and struck out 15.

Morrison, with two singles, led the Techlets attack at bat. Phipps and Smith pitched the route for the freshmen.

Last Friday the Techlets blasted three Carolina hurlers for a 19-10 victory.

Ben Jones, Techlets right fielder, gathered four singles for five times at bat to pace the hitting. Wade Brown, State's hefty left-fielder, smacked a home run into deep center with three on in the seventh inning. Pitcher Rex Phipps got two for four.

Ben Browning and Mike Bobbit led the Tar Babies at bat.

A group of State College swimmers led by Dick Payne trained last night for Virginia, to enter in an open swimming meet at Norfolk.

Techmen Get Win Over Carolina; Lose To Devils

Berlinski Shines Against Tar Heels; Lose to Duke in Wet Contest

Ready Eddie Berlinski, better known for his football prowess, demonstrated fine all-round baseball ability yesterday as he led State's nine to an 8-3 victory over the Tar Heels.

Ready Eddie hit a home run, a triple, and a single, to score three runs and collect one-third of the team's total hits. Berlinski also made several spectacular catches in centerfield to nip a few Carolina rallies.

Pitcher Allen Green allowed the Tar Heels eleven hits, but the Tech flogger was a puzzle in the tight spots. He put nine down via the strikeout route and accounted for two of State's nine hits.

Yesterday's win was State's first in three games with Carolina. The Duke Blue Devils got away to a two-run lead in the first inning of last week's contest with State, and these two tallies proved the margin of victory as the Devils took their first victory in three games with the Techs. The final score was 7-5.

Smith, the Duke pitcher, ran into difficulty from Tiny Tommy Kearns, sophomore shortstop, who clouted a home run in deep right field with the bases loaded. Kearns also offered fine fielding performance as he bicycled into short center to rob two Dukes of apparent safeties. These were the two defensive highlights of the contest.

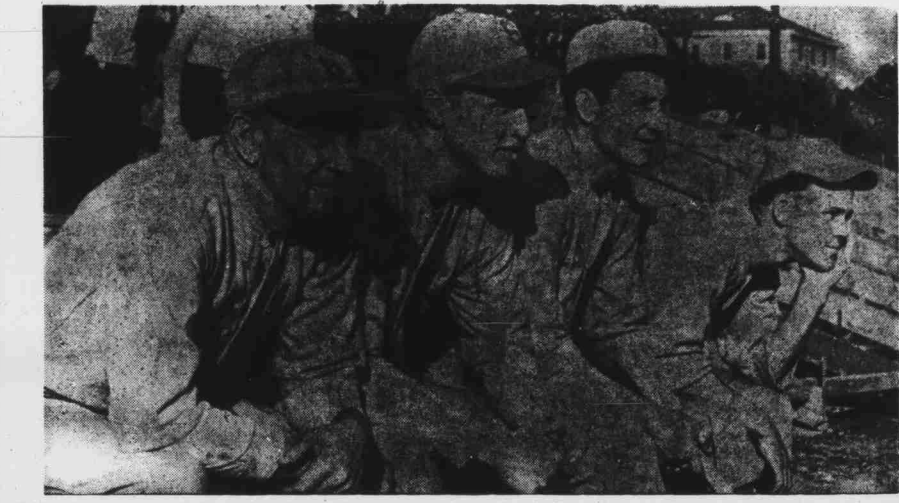

Holshouser pitched fine ball for the Techs in spite of the drizzle which started falling in the third inning and continued throughout the contest.

Bergman and Davis led the Dukes at bat with four each.

RIFLE MATCH
In reply to a challenge by the University of Maine Forestry Club's riflemen, members of the State Forestry Club answered the call to arms by shooting out a decisive victory over the challengers in a postal match.

The Statesmen were paced by Ben Harley, T. W. Shallington and R. W. Brake. This match marked the first and last victory for the Tech sharpshooters.

The members of the Forestry Club team also took an active part in the ROTC matches held at the Armory during the course of this year.

Taking time out to watch the performances of their team mates are "Mr. Charlie" and three of his most valuable men, as they drilled strenuously for their coming engagements. State plays a return engagement with Carolina here tomorrow and meets the Cadets of V. M. I. Monday. Left to right in the picture are Coach "Chick" Doak, Bob Wicker, Charlie Beam, and Billy Hoyle.

Intramural

By BOB LAINOF

If a purse can be arranged Monty Crawford, of the Kappa Sigs, and Dick Watts, of 1st South, will engage in a 100-yard match race. These boys, individual stars in each of the dormitory and fraternity meets, really were the track team for their respective clubs.

Crawford was responsible for 19 points alone, and Watts accounted for 16, and believe you me the competition wasn't anything to laugh about. Bobby Sabolyk didn't do so bad either, Lambda Chi garnered five points and he was all of them. It's a shame that Harvey Sulpes of 3rd 7th graduates this year, what Doc Sernon could have done with his winged heels would have made plenty of broad-jumpers look to their laurels.

The commotion you heard the other night on Hillsboro Street was caused by the members of PKA donning their war paint in celebration of taking the fraternity meet with 32 points. 3rd 7th didn't do so bad either—they just nosed out 1st South by a huge margin of 1 1/2 points.

A word from an official: As the teams turn into the home stretch, the competitive spirit between them rises. It would be very difficult to pick out the most outstanding team in the league, they all seem to be well coached and have a fine spirit. The boys are really taking to intramural sports since the days when I first came here, and appear to go further and further toward the goal every year.

Both the dormitories and the fraternities have produced individual stars; to list them would fill a page. It's going to be plenty tough when it comes time to pick out, weed and select the all-campus teams. Mr. Miller deserves much praise and credit for his fine work in organizing the schedule and furnishing the new equipment. In the future intramurals should hold a huge plane on our campus.

In working with the boys I can honestly say that I have never met a nicer and finer group. They are more than willing to cooperate at all times (Eborr's Note: Even though they think a decision wrong). The spirit between the teams is very keen, yet very friendly.—LOU MARK.

Thank you, Lou, and now for the track results.

Fraternity:
Football Punt — Honeycutt AK, 59 yards; 2nd Koella Kappa Sig; 3rd Remmey PKA; 4th, tie, Andrews AK and Clements PKA.

Twelve lb. Shot — Crawford Kappa Sig, 44 ft. 3 in.; 2nd White Sigma Nu; 3rd Sabolyk Lambda Chi; 4th March SPE.

Netters Entrain For Old Dominion

Dulin Will Lead Mates In Contest With Strong Virginia Teams

State College tennis team, led by Captain Jordan Dulin, will entrain Saturday for an invasion into the Old Dominion.

The netters will play at Hampton-Sydney on Monday and are scheduled to play Wm. and Mary and University of Richmond later in the week.

Led by Dulin, Murray, and Boney, the netters have made a very impressive record to date and are in a good position to take these meets. Members of the team making the trip are Dulin, Murray, Boney, Speer, and Fanning.

Golf Team Loses To Duke Linksmen

Duke University's golfers defeated State College's linksmen at the Country Club golf course here yesterday, 14-4.

Low scores for State were handed in by Remmey and White while Pee Wee Russel, Duke's No. 3 man, made six birdies for a three over par card.

Pairings and points won: Alexander 1 1/2 vs. Remmey, 1 1/2; Perry 3 vs. Schreiber; Alexander and Perry 2 vs. Remmey and Schreiber 1.

Russel 2 vs. White 1; Berrer 2 1/2 vs. Wadlin 1 1/2; Russel and Berrer 3 vs. White and Wadlin.

Tracksters Close Initial Season

Sernonnen Take Third Place In Annual Carolina A. A. U. Meet

State's inexperienced track team closed out its regular track season with a third place in the Carolina's A. A. U. meet last Saturday.

Milan Zori, giant discus topper, won State's only first place with a heave of 149 feet, 9 inches for a new meet record. Bill Davis, the Tech's captain, scored the only other points with a second in the 800- and 1500 meter races.

In the 800 meter run Davis was nosed out by Gammon of Carolina by inches. Gammon also took first in the 1500 meter run.

Without the aid of a track to practice on the Techs have come a long way this season in building a foundation for State College track teams. With a little experience and a place to practice the Techs will provide plenty of competition for any team they meet.

In the two other meets of the season the team was beaten by the experienced Spiders of Richmond and Wake Forest's Demon Deacons.

Coach Ray Sernon has gone a long way this year in feeling out and developing material for next year. With these men as a nucleus for the squad, and a completed track, State supporters can look forward to a successful season.

Sernon will send a number of men to the Southern Conference meet which will be run off late this month.

SPORTS

Comments

By ART RAYMOND
Baseball this season has begun to live up to its reputation of being the most unpredictable of sports—or should we say professions?

With the season only started, the Giants in the National League have been setting a furious pace and are far in the lead in the race. Winning 12 games out of 14 starts is nothing to be sneezed at in progress toward a goal that is attained through mathematical percentages.

The Chicago Cubs plus the ailing recruit Dizzy Dean, have been looking like anything else but world-beaters. While in the younger league the Yankees look less like murderer row to the opposing pitchers every day. Baseball in the major stags proves more problematic and less predictable every day.

To get back to State's present sports program: Ready Eddie Berlinski proved himself plenty worthy of the coveted athletic award by turning in stellar performance against Carolina's Tar Heels the day before the trophy was awarded. Eddie got a home run, triple, single, and a walk in five trips to the plate besides offering a dazzling exhibition of fly-chasing.

Allen Green in his best performance of the season gave the Heels 11 hits, but when the going got tough he set the Tar Heels down in order. Green struck out nine men.

The Techs meet Carolina in their second engagement of the week tomorrow afternoon on Freshman Field. Every day, Baseball when these two teams tangle there is always plenty of fireworks and this game will prove no exception to the rule. Vic Houlshouser, ace portsider and brother of the St. Louis Browns' famous twirler, will be on the mound when the game opens. Houlshouser, in an earlier game with Carolina, gave way because of an injured hand.

State's track team has come a long way this year under Doc Sernon's tutelage and with a little more experience for the squad, the able mentor will produce some fine teams. Bill Davis has been coming through in brilliant style in the 440 and mile runs and will be the Southern Conference meet coming up. Bill is fast rounding into shape for it.

Doc Sernon's No. 1 find this season is Wally Thompson who, it is rumored, broad-jumped over 22 feet in practice. By virtue of these outstanding performances, Davis and Thompson should provide a considerable amount of interest to State supporters in the conference meet.

Parks States Band's Needs

Chairman of Campaign Committee Says That New Uniforms Are Essential

Yesterday Tom Parks, chairman for the campaign committee for the Red Coat Band, released the following information as to the needs of the Band:

"The present uniforms worn by the Red Coat Band in its official appearances at football games, state tours, etc., were obtained for the band more than ten years ago. The band is one of the chief contacts which State College has with the persons outside the College, therefore it is essential that the group look well in its public appearances."

"In order to put the band into first class shape the following items are needed: "Completely new-styled uniforms (75 in number), each uniform to consist of cap, coat, trousers, a white parade belt (Sam Brown style), and a small monogram and citation card for the left sleeve of the coat."

"Three complete drum-major's uniforms. (At present there are only two drum-major's uniforms for the three drum majors, and they don't match.)"

Parks further stated that "an increase in efficiency for the band would result if a paid student manager could be secured to care for the business and publicity connected with the appearances of the band. In the past we have many times

Phi Psi To Banquet Tomorrow Evening

Phi Psi, honorary textile fraternity, will hold its annual spring banquet tomorrow night at seven thirty, in the main ballroom of the Carolina Hotel.

The banquet will be held for the members of the organization, their dates and the Textile School faculty for the purpose of honoring the new members and officers.

Carl Goerch, popular radio commentator and editor of the State magazine, will preside over the activities in the role of toastmaster and Blake S. Van Leer, dean of the State College Engineering School, will be the principle speaker of the evening.

At the close of the affair the members and their dates will adjourn to the State campus in order to attend the colorful Junior-Senior Prom.

The newly elected officers are George V. Hanna, president; J. Russell Burham, vice president; Bernard J. Musso, secretary; G. V. Kirkman, treasurer; W. A. J. Peacock, senior warden, Pete Brincooge, junior warden; R. B. Wood, corresponding secretary.

strongly felt the need for a student manager.

"The new uniforms needed by the band are absolutely essential for the making of a better State College band," Parks said in closing, "therefore, I strongly urge every member of the faculty and the student body to help in securing the funds necessary."

Junior-Senior Saturday Night

Traditional Dance Featured By Ring Ceremony; Herb Gupton To Play

This Saturday night the juniors will entertain the seniors in the annual Junior-Senior prom, which will be featured by the traditional ring ceremony figure.

The dance will begin at 9:00 o'clock in the Frank Thompson Gymnasium and the music will be provided by Herb Gupton and his Carolina Gentlemen.

The sponsors for the prom, which is a forerunner to Finals, will be Louise Daniel of Seaboard with Russel Burham of Elkin, president of the junior class; Miss Kate Mills Suiter of Scotland Neck with Jimmy Worrel of Newton, secretary-treasurer of the junior class; Miss Nell Goodwin of Roseboro with Pearce Fleming of Asheville, chairman of the dance committee; Miss Anna Lee Johnson of Apex with Curtis Todd of W. Wendell; Miss Mary Lillie Cromartie of Raleigh with Selby Jones of Belhaven; and Miss Marie Murden of Newport News, Va., with L. E. Thornton of Hampton, Va.; Todd, Jones, and Thornton are members of the dance committee.

The chaperones for the dance will be Col. and Mrs. J. W. Harrelson, Dean and Mrs. E. L. Cloyd, Mr. and Mrs. C. R. Lefort, Dean and Mrs. Thomas Nelson, Dr. and Mrs. R. C. Bullock, Dr. and Mrs. Rice, Prof. and Mrs. R. S. Fouraker, Major and Mrs. R. E. Jones, and Major and Mrs. Kenneth Althaus.

YM-YWCAs Hold Annual Retreat

The State College Y. M. C. A. was well represented at the annual College Y. M. C. A. and Y. W. C. A. Retreat, which was held at Camp Nawakwa April 29-May 1, 1938.

The theme of the retreat was "The Inescapable Demands of Christianity On Our Social Order." Speakers for the meeting were Dr. Gwynn of Davidson College, and Dr. Shelton Smith, Professor of Religion at Duke University. Dr. Gwynn, a World War veteran, stated that peace for the world rests in the minds and hearts of students. "Spiritual disarmament must precede physical disarmament, and we must banish our personal strife, selfishness, and hatred if we are to have permanent world peace," said Dr. Gwynn. Since the United States is a democratic nation, it might do well to take a lesson from France, which has never fought an aggressive war since it became a democratic nation, according to Dr. Gwynn. Going further into the causes of wars, the speaker stated that it was the vicious Treaty of Versailles which caused the rise of Hitler in Germany, and the nations which forced the treaty upon the German people must suffer the consequences.

Dr. Shelton Smith told the group that we as individuals should apply the principles of Christianity to our economic order. He stated that the policy of laissez-faire will no longer work in our society, now that there are no new frontiers to cross and

Pictured above are the sponsors for the Junior-Senior prom, which will be held in Frank Thompson Gymnasium Saturday night. They are Miss Louise Daniel, Miss Kate Mills Suiter, Miss Edythe Townsend, Miss Nell Goodwin, Miss Anna Lee Johnson, Miss Mary Lillie Cromartie, and Miss Marie Murden. The feature of the prom will be the traditional ring ceremony figure.

no new areas to exploit. "There is a greater concentration of wealth in the United States than ever before, with 47 per cent of all the families in the United States living on less than \$1,000 as the total budget for the whole year. At the same time, one and one half per cent of the nation's families received as much as all of the 47 per cent of the families at the bottom of the economic ladder, and you can't hold this country together on that," said Dr. Smith. He quoted the U. S. Department of Agricultural Economics as the source of his information. One of the greatest struggles in our world today is, "Are we going to be loyal to our state or our Christ?" according to Dr. Smith. He also said, "Let the church be the church, and not a military camp, as a great many of our church colleges now are." In concluding his series of lectures, he stated that the youth of our world should not be satisfied with a church that does not practice social justice, interracial cooperation, etc.

C. W. C. U. N. C., E. C. T. C., G. C., and Davidson attended the retreat.
