

House and Senate Pass Bill For Cut-System Change

Twelve Honored By Invitations To Tau Beta Pi

Four Seniors and 8 Juniors Will Be Inducted Into Engineering Fraternity

Four seniors and eight juniors will be formally inducted into the State College chapter of Tau Beta Pi next Monday night, thus attaining the highest honor an engineering student can achieve.

The four seniors elected are John M. Cannon of New Bern, chemical engineering; Ross I. Edwards of Charlotte, geological engineering; Walter D. Sharp of Greensboro, electrical engineering; and E. E. Stansbury of Wake Forest, chemical engineering.

Juniors elected were Bruce C. Halsted, Arlington, Va., electrical engineering; Thomas F. Jackson, Jr., Washington, electrical engineering; William H. Rivers, Raleigh, electrical engineering; J. D. Joslin, Raleigh, architectural engineering; H. W. Fox, St. Petersburg, Fla., civil engineering; James R. Huntley, Monroe, mechanical engineering; Martin W. Parcel, Greensboro, ceramic engineering; and H. H. Thomas, Glenasmole, Md., ceramic engineering.

Following the initiation ceremonies Monday night, the organization will hold a formal banquet at the Carolina Pines Hotel. Dean R. B. House of the University at Chapel Hill will address the group. Before the bids to Tau Beta Pi became final the elections were required to pass a six-hour exam covering a wide range of subjects. The exam was held last Saturday night. Electees are also required to write a 500-word essay on an approved engineering topic.

Election to membership in Tau Beta Pi is considered a signal honor, only the most outstanding engineering students being selected for membership. In order to be eligible for Tau Beta Pi, a junior must stand in the upper eighth of his class, and a senior must stand in the upper quarter. Chosen on the basis of leadership, scholarship and character, electees must also be active in other campus activities.

Publications Men Make Final Plans For Press Banquet

Keys Will Be Awarded To Thirty-four Students; Carl Goerch Feature Speaker

Approximately 150 members of the staffs of State College publications will gather in the Colonial Ballroom of the Sir Walter Hotel at 7:30 p. m. Wednesday for the seventh annual publications banquet.

Carl Goerch, editor of *The State*, North Carolina's largest newspaper, accepted the invitation to be principal speaker, and Frank Jeter, chairman of the Publications Board, will act as toastmaster.

Keys will be presented to 34 students by Col. J. W. Harrelson, dean of administration. To be eligible for a publications key a student must be a junior or senior and must be recommended by the editor or business manager of his publication, on which he must have at least a three-term service record.

Immediately after the banquet the guests and their dates will dance until midnight. The banquet and dance will be formal.

Following a different system than has been used in the past, members of each individual staff will sit together at the banquet and place cards will be provided for each guest.

The publications banquet is the only social function of the year where members of the student publications at State College gather as an exclusive group.

Name Contest Is Continued

This week, as for the past two weeks, *The Technician* will continue its contest for free tickets to the Wake Theater, and if you look closely you may find your name hidden in one of the advertisements appearing in this week's edition.

The names of two students, selected by one of the college officials, will be hidden in the ads, and the students finding their names there will get two free passes each. All you have to do is find your name in the ad in which it appears, and take it along with your registration card to the merchant in whose ad your name appeared. He will in return supply you with two tickets to the Wake Theater.

MAKING PLANS FOR STYLE SHOW Rated as one of the South's most outstanding college events, the annual Student Exposition and Style Show will be held at State College April 25. Girls from 25 North Carolina colleges will model clothing made by themselves from cloth designed and woven by State students. Student officers in charge of the event are R. J. Payne, general superintendent, and H. C. Woodall, assistant superintendent. Foremen and assistant foremen are: Ernest Rogers and Eubert McLeod, yarn manufacturing; Fred Misenheimer and Bill Friday, knitting; John Mauney and J. T. Shotwell, weaving; E. D. Kearns and J. E. Odegard, designing; C. A. Watson and Fabe Clements, dyeing.

MISENHEIMER PAYNE WOODALL CLEMENTS

WATSON FRIDAY ODEGARD KEARNS

ROGERS SHOTWELL MCLEOD MAUNEY

Winners Unpredictable In Hot Alpha Sig Race

With ballots rapidly pouring into the *Agromech* office, the campus race for candidates to Alpha Sigma Sigma, noted and esteemed honorary donkey fraternity, is heading down the home stretch. One more week remains to determine who will win the coveted honor as president of the organization.

This week's ballot will be the last in a series of three ballots carried in *The Technician*, and so it would be wise to clip this ballot immediately to prevent snooping vote collectors from absconding with it. All you have to do is fill in the three blanks appearing on the ballots with the names of three students you deem worthy of this office, and drop it in the slot on the door of the *Agromech* office.

And from a hurried glimpse at this week's results, it is predictable that at least one member of the *Technician* staff will remain in the running for the high honor, and will undoubtedly have H.H.A. after his name when the yearbook comes off the press. However, there are still other promising and rapidly rising men in the field, many of whom were of the holders in last year's selection.

Whether any members of the *Watson* staff will achieve victory in the race cannot be determined at present, as the voting will no doubt be very close and an accurate count will of necessity have to be made in the final analysis.

However, we are certain that a little "framing" might be going on in one of the dormitories, and in that particular place it wouldn't be safe to trust your next door neighbor—or maybe even your roommate.

Alumni To Hear Student Leaders

Two outstanding student leaders left the campus yesterday accompanied by Col. J. W. Harrelson, dean of administration, and Dan Paul, alumni secretary, on a three-day trip which will take them first to the eastern part of the state and from there to Norfolk and Richmond.

The two students, E. P. Davidson and H. D. "Buddy" Means, will address the State College alumni clubs located in these areas. Davidson, editor of *The Technician*, will speak on the campus publications and the school spirit displayed by the students. Means will discuss the activities of various organizations on the campus, placing particular emphasis on Golden Chain and its high school deputations. The group appeared before the Albemarle Club in Elizabeth City last night and the schedule calls for them to address the Norfolk-Farmouth club tonight and the Richmond club tomorrow night.

Dance Bids

All juniors and seniors who are non-fraternity men may get their bids to the Interfraternity Council's Black and White Prom at the Dean of Student's office on Thursday, February 29, from 2 until 5 o'clock.

Young Democrats Select Officers

Complete Organization of Club; Friday Elected President of Political Group

Approximately thirty students gathered in the College YMCA Tuesday night for the organization of a Young Democrats Club on the campus, the first club of its nature to make appearance here.

As their first order of business the students chose Bill Friday as president, and selected the following officers to assist him in carrying out the work of the organization: Joe Michael, vice president; Ralph Williams, secretary; and W. J. Roams, treasurer. Friday was instrumental in promoting interest in the organization and made arrangements for the initial meeting.

Several officers of the State Club were present for the meeting, and the purposes of the club were explained in detail by "Kidd" Brewer of Chapel Hill, who is on the State Organization Committee.

The club will have as its purpose: First, teaching students to take an interest in civic and governmental affairs; help students to learn more about government and politics; and to present a strong front for the Democratic party during the general elections.

Application has been made by the local YDC for a charter from the national headquarters, and a drive for membership will be begun. Activities of the local club will include the sponsorship of noted speakers on the campus, and the promotion of social activities for student members.

Ag Men Planning For Stunt Night

The Ag Club will have their annual Ag Stunt Night in the college YMCA auditorium on February 27.

Each department in the Ag School will present a stunt, and prizes will be given to the winning department. The student body and the general public has been invited to attend this affair.

Two New Buildings Will Be Dedicated

Ceremonies for Textile and Chemistry Buildings Scheduled for March 5

Exercises dedicating the new chemistry and textile buildings at State College will be held March 5, a history anniversary for the institution. Col. J. W. Harrelson, dean of administration, announced this week.

On March 5, 1887, the General Assembly ratified the bill to establish the college.

One of the speakers at the dedication exercises will be Justice Heriot Clarkson of the North Carolina Supreme Court who, in 1889, introduced the bill to establish a textile school at State College. Two years later, the measure was adopted through the efforts of Mr. Clarkson, Daniel Tompkins and others.

Dr. Ralph W. Bost, head of the department of chemistry in the University unit at Chapel Hill, will be the principal speaker at the dedication in the new chemistry building, which cost approximately \$396,000. The exercises will begin at 10 o'clock March 5.

Col. Harrelson will preside over the two dedications. He has invited John M. Carmody of Washington to deliver the September 11th address.

Miss Trollinger To Leave College

Head Nurse Will Take New Post With Wake County Tuberculosis Association

The resignation of Miss Ida Trollinger, who came here seven years ago to take charge of the college infirmary, will go into effect on March 15.

Miss Trollinger, well known and well liked by all of State's students, was formerly employed as a public health nurse by the Wake County Health Department. She came to State College in September, 1933, after being employed by the Health Department for over eight years. Beginning in March, Miss Trollinger will be employed by the Wake County Tuberculosis Association in the capacity of educational field nurse. Her office will be located in the local health department.

"Although I feel that seven years is a long time to work in any one place, I have enjoyed being here at State College," said Miss Trollinger. "Perhaps, if I have as many enjoyable years in my new position as I had here, I will be ready to retire," she continued laughingly. Applications for the vacant position are being considered by Dr. Campbell, but no decision has been reached as yet.

Military Ball Will Be Held Saturday Night

Bubbles Becker Will Furnish Music; Figure to be Presented By Seniors

Cadet reserve officers of State College will present the annual Military Ball tomorrow evening from 9 until 12 o'clock in the Frank Thompson Gymnasium, with music to be furnished by Bubbles Becker and his orchestra.

The gym will be decorated in red, white and blue, the national colors, carrying out the military motif. One of the main features of the ball will be the senior figure, a traditional event in which all graduating men form a saber arch under which their dates will pass. Souvenirs of the dances will be miniature sabers, which will also be presented during the figure.

Sponsors for the dance will be Miss Dorothy Whittle of Allentown, Pa., with Cadet Col. W. H. Retter; Miss Margaret Durley of Raleigh, with Cadet Lieut.-Col. H. D. Means; Miss Anne Johnson of Mayodan with Cadet Major-Adj. T. D. Williams. Miss Marjorie Williams of Swan Quarter with Cadet Lieut. Col. E. Williams; Miss Carolyn Rockliffe of Raleigh with Cadet Lieut.-Col. T. H. Blount; Miss Helen Saunders of Rocky Mount with Cadet Lieut.-Col. H. S. Gibbs; Miss Virginia Martin of Oella with Cadet Captain J. A. Mitchner; Miss Betsy Wells of Raleigh with Cadet Lieut. R. H. Witherington, and Miss Margaret Upchurch of Raleigh with Lieut. W. C. Alford.

Chaperons for the occasion will be Col. and Mrs. J. W. Harrelson. —Continued on page 2.

Frosh Open House Termed Successful

Faculty Representatives From Every Department Visit Dormitories Tuesday

Representatives from every department of the college visited the Freshman Open House Tuesday afternoon from four until six o'clock, when the freshmen united in presenting an open house for members of the faculty.

Primarily for the purpose of approval of the new dormitories and the condition of the rooms inspected, and spokesmen for the freshmen stated that they considered the entire proceeding a success.

Each student was assigned a certain faculty member to invite personally to the reception, and upon the professor's arrival at the quadrangle he was shown through the first floors by student guides. In the reception room located in eighth dormitory the visitors were served refreshments and asked to sign the register which was provided for the occasion.

Primarily for the purpose of giving the professors an opportunity to see how the students live and to inspect the new dormitory rooms, the open house also was intended to serve the purpose of bettering relations between students and faculty.

In former years it was the custom for each dormitory to give an open house independent of its neighbors. Tuesday marked the first appearance of a combined open house for the faculty on such a large scale.

AICHE Convention Scheduled In April

175 Delegates Expected To Register Here April 11 for Annual Meeting

Over 175 delegates are expected at State College April 11-13 for the Southern regional meeting of the student branch of the American Institute of Chemical Engineers.

Frank Truslow, president of the host chapter, announced this week. Chairman of the convention committee is Troy Williams, who has arranged an attractive program in which entertainment balances the business portion.

Registration will begin in Winston Hall at 4:30 p. m. Thursday April 11. The following day will be devoted to an inspection trip to industrial plants in Durham.

Chairman Williams said a "date bureau" will be established for the delegates.

Measure To Travel To Faculty Council For Final Approval

BEST STUDENT

Members of the senior class yesterday selected Henry D. "Buddy" Means, below, as the best all-round student in the graduating class. Means, who is vice president of the Student Council and Cadet Lieut.-Colonel, is taking chemical engineering.

Senior Classmen Pick Superlatives

Vote To Change Plans For Gift; Will Donate Standards for Tower

Members of the senior class selected their class superlatives at a meeting held yesterday afternoon in Pullen Hall, following a discussion of the senior gift.

Members of the graduating class decided to alter their gift to the college somewhat, and will donate light standards for the Memorial Tower. Previously they had decided to secure 25 nameplates for campus buildings.

Senior superlatives elected at the meeting were: Best all-round student—Henry D. "Buddy" Means of Concord; most popular—Ed Young of Oxford; most likely to succeed—Ben Pace of Raleigh; most handsome—O. J. Howell of Goldsboro; best politician—E. E. Durham of Kernville; best dressed—H. W. Brannon of Greensboro; best executive—H. F. Randolph of Raleigh; most capable student—Charles Hunter of Charlotte; best dancer—Charles Smart of Concord.

Debaters Return From Denver Trip

Demonstrate Direct Clash System at Convention of 500 Forensic Delegates

Cary K. Watkins of Blanch and H. H. Jack Price, Jr., of Statesville, star debaters at State College, returned Monday from Denver, Colo., where they demonstrated the direct clash method of debating before 500 delegates gathered from every section of the West for the annual Rocky Mountain Speech Conference.

The debaters were accompanied by Prof. Edwin H. Paget, forensics director, who originated and introduced the direct clash debate in 1932 in a meeting between State College and Wake Forest College teams.

The eight anniversary of the original debate will be celebrated when State meets Emory University debaters from Atlanta here February 22. On the following day, State debaters will meet a team from Virginia Inter-Mont College, Bristol, Va.

Reporting on the Denver meeting, Professor Paget said: "The audience was very attentive to the direct clash demonstration presented by Watkins and Price, and apparently was very interested."

The North Carolinians also attended a series of meetings at which they demonstrated the use of the "direct clash method of thinking" in problem-solving. It is considered a high honor for Easterners to be invited to the Denver tournament.

Candidates

All students who are planning to be candidates for editorship or business management of publications are urged to file their names with C. K. Lefort, secretary of the Publications Board, before the end of this term.

Includes Juniors and Seniors; First Major Legislation of Student Assembly

Meeting last night for the third time since its establishment this term, both bodies of the State College Student Assembly voted on and passed with amendments the bill providing for changes in the present college "cut" system.

Originating in the Senate, the bill was introduced at the last meeting of the body a month ago, and was tabled until further information could be secured on the proposal.

Last night the bill again hit the floor of the Senate, and was passed by a large majority in that house after two minor amendments had been passed. It will now go to the Senate to the House of Representatives, the bill was also voted on and passed in that body after discussion.

Following the action of the Student Assembly last night, the bill will go directly to the Faculty Council for their approval or rejection. Members of the faculty sitting in the Senate voted for approval of the measure. Attached to the bill to go to the Faculty Council was a request that the executive committee of the Assembly be allowed to attend the meeting of the Faculty Council to explain the bill and answer any questions pertaining thereto.

Nature of Bill
Under the new proposal, which was amended to include juniors and seniors only, a student would be allowed only one cut for each hour for which he was registered. For example, in a three-hour course he would be allowed three cuts without the loss of a credit point—the provision being made that one credit point be deducted for each —Continued on page 2.

Group Discussion Closes Air Series By Golden Chain

Honor Society Presents Round-Table Talk as Last Broadcast in Interest of Higher Education

The last in a series of broadcast discussions designed to interest students in attending college was presented yesterday by Golden Chain, senior honorary fraternity.

Presented was a round-table discussion of various phases of college life and campus activities. Herbert Crawford presided over the discussion, calling upon different students for their opinions upon the various subjects. The program was heard over radio station WPTF and lasted fifteen minutes.

Students taking part in the program, not all Golden Chain members, were Sam Mann, Hal Randolph, Charlie Hunter, Tony Di Vaso, Leroy Barnes, Fabe Clements, Dud Kaley, and Jones Pharr.

The primary purpose of this series of educational broadcasts presented this month by Golden Chain, the program yesterday being the last, was to stimulate interest in college training in the high school students throughout the State. Throughout the series no particular emphasis was placed on State College, but merely on colleges in general.

In line with the broadcasts, Golden Chain has begun its yearly deputations to high schools all over the State. Members of the organization have been visiting high schools and speaking to the seniors on the advisability of continuing their education. Men making these trips have shown the State College movie to the high school seniors. This picture has been modernized by the addition of scenes picturing the new buildings on the campus.

Better Act Now

Second notice was issued today by Lealie Mayton for applications for jobs as dormitory assistants for next year. All applications must be written, Mayton stated, and should contain your class, course, and reasons for applying for the job as dormitory assistants.

Mayton stressed the necessity for their applications being in before the end of this term, and urged all students interested in these jobs to make application immediately.

Definite Action . . .

Last night the stock of the State College Student Assembly was boosted, we approximate, one hundred per cent when both bodies of the assembly voted on and passed the bill calling for some revisions in the present cut-system.

It was not the fact that it was the cut-system bill they passed—it was the fact that some definite major legislation has been discussed, amended, and approved by that body to be forwarded to the Faculty Council. Certainly having the cut bill as their first major legislation may help some in view of the fact that it will effect a large portion of the student body.

At their first meeting the assembly spent the majority of its time in organization, routine resolutions, and other matters of this nature. At the second meeting, which was poorly attended due to lack of sufficient notice, very little if anything was accomplished, and probably interest began to wane.

However, after last night it is predictable that the next session, which was voted to be held on a Thursday night, will bring out a large majority of the membership of both the Senate and the House of Representatives.

The major development now being awaited by all members of the assembly and probably by most of the students is just what action the Faculty Council will take on the proposal. After arguing the measure for two sessions, the students and faculty members—and we mean the faculty members present in the Senate—amended and altered the bill until they considered it a fair and wise move. From this standpoint alone they are naturally interested in seeing what the ultimate outcome will be.

Along with the bill went a resolution requesting the Faculty Council to allow the executive committee of the Assembly to attend the council's meeting at which time the bill will be discussed. This was done primarily in an effort to have students present who have studied the bill, heard arguments on both sides, and who will be prepared to answer questions and explain any parts of the bill that may not be definitely clear to the administration.

By taking definite action last night the assembly raised its value. The final outcome of the bill will be decided soon.

N. C. STATE

Political Angle . . .

National politics made its first official debut on the State College campus Tuesday night with the formation of a Young Democrats Club, a result of that party's activities on the campus of colleges throughout the nation.

As to the purposes of the establishment of a local organization, they were stated somewhat thusly: To promote student interest in civic and national affairs; to help students to learn more about their government and the politics thereof; and to present a strong front for the Democratic Party in the general elections.

And we are of the opinion that such an organization may find a suitable place on the State College campus. For although a relatively small percentage of students are of voting age, they should utilize the other two purposes of the club to good advantage—that is, learn more about government, politics, and its workings, and develop an interest in civic affairs. We are not too young to fully understand just how our government operates, and no doubt there are many on the campus today who will be high office holders in the future. Certainly every member of the student body will be a voter, and undoubtedly a more complete knowledge of the workings of government will prove of value when election time rolls around.

The initial audience was surprisingly large, for it seems that the hardest part of any job is in getting started. Now with somewhat of a nucleus formed, it appears that a large membership of the YDC will be obtained this year.

Naturally the Club's greatest work will come next year, which of course will be election year, and every four years thereafter. However, they are planning their activities and work so that an interest may be maintained throughout each and every year, and that a strong party front may be presented whenever needed. Such college groups are in operation all over the country, and a strong similar unit can be found at the University in Chapel Hill.

Thus, national political ideals and principles have entered our campus with the formation of the YDC, and probably this will prove to be a progressive movement for State College.

N. C. STATE

Something Worth While . . .

Yesterday afternoon members of Golden Chain concluded their series of radio broadcasts, which were for the express purpose of "interesting high school seniors in seeking a higher education." Naturally no emphasis was placed on State College, but stress given to colleges and universities as a whole.

Many times students engage in some sort of extracurricular activity where there is no definite goal, and when the work is over it is difficult to see any results. Undoubtedly it will be difficult for Golden Chain to measure its effectiveness and success in actual students who will attend college, but they can rest easy with the thought that their entire project was something worth while.

Members of this organization were consuming their time and devoting their energy to a project that would not bring more publicity or fame to State College or Golden Chain—they were content in putting over a movement that would benefit colleges and universities as a whole. However, their purpose—and their only purpose—was not to benefit institutions of higher learning by sending them more students. It was to encourage youth to go higher, to spread education, and to promote the building of a high type of manhood.

We congratulate Golden Chain on this enterprise, and truly say that they have done something worth while. Of this they should be proud.

NEWS HIGHLIGHTS

by "Spud" Davidson

What's the Rush? . . .

In spite of the fact that a petition is being circulated over the campus, rapidly gaining the names of hundreds of students, in an effort to keep "Doc" Sornon associated with State College, it seems that the Athletic Council is rushing to secure someone to take his place.

Naturally, we realize that a trainer for next year is essential, and should be secured well in advance of the season. But is it such a position of high responsibility that a man should be sought seven months in advance? We can't help asking the question, "What's the big rush?"

Big Ceremony . . .

State College will hold another big ceremony on March 5, when the college will officially dedicate the new textile and chemistry buildings. The dedication is the principal speaker at the dedication is none other than North Carolina Supreme Court Justice Heriot Clarkson, who is the one responsible for the textile school at State. He was the person that introduced the bill in the State legislature for the formation of a textile school here, and it appears very appropriate that he should be present at a function of this nature.

Although not comparable to the celebration of the fiftieth anniversary of the college held last October, the dedication should be one of the year's highlights.

Printing Plant . . .

And plans are really under way for the actual installation of a printing plant at State—or at least until the ink on the blueprints is done on the old textile building. With equipment ready to be moved in as soon as the building is ready, it is a matter of time.

Military Ball To Be Held Saturday Night

(Continued from page 1)
Col. and Mrs. T. W. Brown, Major and Mrs. K. G. Althaus, Major and Mrs. Thornton Chase, Major and Mrs. R. B. Jones, Major and Mrs. W. B. Cochran, Dean and Mrs. E. L. Cloyd, and Dean and Mrs. C. R. Lefort.

Other guests will include Governor and Mrs. Clyde R. Hoey, Adjutant General and Mrs. J. V. Smith, Col. and Mrs. Gordon Smith, Dr. and Mrs. Frank P. Graham, Dean and Mrs. R. B. House, Brig. Gen. Don Scott, Col. and Mrs. John Hall, and Mrs. A. H. Smith, and Mrs. Edgar Bain and the dean of the schools at State College.

Military students attending the dance have been requested to wear military uniforms, and all others will be dressed in formal attire. Tickets for the dance are being sold on the campus by ROTC officers, and will be on sale at the door.

House and Senate Pass Bill For Cut-System Change

(Continued from page 1)
cut taken above the number of hours of a course. The present system was voted by the Assembly to remain in effect for freshmen and sophomores.

An amendment was made in the Senate and passed in both houses to the effect that the bill should be placed on probation only after its cuts exceeded the total number of hours for which he was registered.

The original cut system bill, which was introduced in the Senate by "Spud" Davidson, proposed the revision of the present system to include a junior or senior section. This section was amended to include juniors and seniors only. Other amendment dealt with the article of probation of students for excessive cuts.

The new cut system bill holds the limelight as being the first major piece of legislation to be passed through the Student Assembly, and will be forwarded to the Faculty Council for consideration at their next meeting.

Two other measures, one providing for a State College fencing team and the other having reference to screens for the college dormitories, were passed by the House and will be considered by the Senate at their next meeting.

Following individual meetings of both bodies, a joint session was

until we will have a printing plant on our own campus. And after working with a paper for four years, I only hope that they have thought of a lot of little details which are essential to newspaper production.

Black and White . . .

It has been decided by the Interfraternity Council that this year's set of dances, slated for the gym on March 1 and 2, will be officially called Black and White Formal, following somewhat of a tradition begun by that group last year.

And carrying out this idea, it is understood that the gym is going to be decorated in black and white, carrying out the name to the Nth degree. From all indications, the place is going to be crowded next Friday and Saturday.

Making Plans . . .

If you don't think that students in all of the different schools are not hard at work on their various annual activities, you're wrong. Making plans for a near-future function are textile students, who are preparing for the Style Show and Lint Dodgers Ball. They are also planning the high school engineers and ag students, who are working on the Engineers' Fair and the Ag Barnwarming. Seems like the third term we have heard so much about is going to be activity crammed (and we are not talking about a presidential third-term).

More Trouble . . .

It seems a shame that members of the track team cannot be called out for practice until the wrestling season is over—the trouble being that one team is waiting until the other finishes using the sweat suits.

"Course it's none of our business, but maybe the athletic department is in need of additional appropriations for equipment.

held of the entire assembly, at which time the body voted to hold their future meetings on Thursday night, the time between meetings to be four weeks. The joint session also passed a motion that all bills be printed in THE TECHNICIAN at least one week before the meeting of the Assembly.

Presiding over the Senate last night was President "Buddy" Means, while Bill Friday, Speaker of the House, presided over that body. Means presided at the joint meeting in the absence of Ernie Durham, president of the session.

ALT 14, Lambda Chi 3. KA forfeit from AGR. Phi Kappa Phi 23, KA 5. ALT 18, Sigma Pi 10. Pika 19, Kappa Sig 10. Delta Sig 12, Phi Kappa Tau 11. C 17, 3rd South 15. 2nd 8th 24, Upper Phi 6. 2nd South 26, 2nd Watauga 21. 2nd A 17, Basement South 12. Joslin (Sigma Nu) was the only player for his team that could and did make the highest shot of the week by ringing up 7 field goals. Jones was not far behind with four field goals. The Weber and Brewer led the attack by ALT over Sigma Pi. Cader Harris and Furr, both Pikas, were the leaders in their win over the Kappa Sig. Leav (Delta Sig) led his men to victory over the Phi Kappa Tau to tie them up with AKPI for first place in their bracket. In the closing seconds of this game Gibbons shot a goal and was fouled at the same time. Well, he made his free throw, which won the game.

Rodriguez (3rd C) scored six field goals to win over 3rd South. Young (2nd 8th) scored eight points in their impressive win over Upper 9th. Kizer (2nd South) made one of the highest scores of the week by ringing up 7 field goals. "Jeep" Hazelton and Richardson played well for the losers. Owens (2nd A) did some fine playing in their game with Basement of South.

Handball
The AKPI's have reached the finals in the fraternity league. They will play the winner of the Pika Phi Kappa Tau game.

In the dormitory, 1st C defeated Upper 9th and Basement 8th defeated 2nd A in the semi-finals. First C and Basement of 8th will play it off for the championship.

Schedule of Final Examinations Winter Term 1939-40

Classes Having a Recitation On:
Monday at 8 o'clock
Tuesday at 8 o'clock
Monday at 2 o'clock
Tuesday at 2 o'clock
Monday at 10 o'clock
Tuesday at 10 o'clock
Monday at 9 o'clock
Tuesday at 9 o'clock
Monday at 11 o'clock
Tuesday at 11 o'clock
Monday at 12 o'clock
Tuesday at 12 o'clock
Monday at 9 o'clock
Tuesday at 9 o'clock
Arrangements Examined

1. Examinations will begin Friday morning, March 8, at 9 o'clock.
2. No examinations will be scheduled or held by any member of the faculty before Friday morning, March 8 (afternoon Physical Education classes excepted).
3. Examinations will be held on the following schedule:
4. Examinations will be held in the rooms where classes recite.
5. Consultation and laboratory hours should use the class hours for determining when the examination will be given.
6. Arranged examinations are for those examinations not provided for elsewhere in this schedule. All scheduled classes should take their examinations at the hour indicated unless combined with other sections. Unless the entire section is eliminated, individual students are expected to take their examinations with the section they have been attending. Arranged examinations can be held during other hours in the examination week and, therefore, no teacher should arrange for an examination if any student already has an examination that conflicts with the proposed arrangement.
7. All examinations will be given in accordance with this schedule. NO CHANGE WILL BE APPROVED EXCEPT FOR THE PURPOSE OF COMBINING OR ELIMINATING SECTIONS.
W. L. MATYER, Director of Registration.
Approved by Faculty Council, Feb. 23, 1940.

Alumni Search . . .

One of the typical stories told about New York life concerns the flat dwellers who live at arms' length with their neighbors and yet never seem to learn or learn their names. No doubt these stories are more the exception than the rule. But T. K. Mial, a State College graduate who now lives in Chatham Gardens, Larchmont, N. Y., tells one reminiscent of the traditional New York yarn.

It seems that Mr. Mial suddenly discovered that a fellow State alumnus had been working in his own company, the John-Manville Corporation, for seven years. And the fact that they had not known each other for that period of time "made him good and mad."

Finding that there was no list of N. C. State graduates north of the Mason-Dixon line, Mial, a native of Raleigh who graduated from the school of engineering in 1913, has gotten busy rounding up the lost alumni.

Particulars of Mial's search are found elsewhere in this issue, but he expresses a sentiment which deserves an additional quotation when he says:

"Too many of us feel selfishly that we paid for an education and that our own progress is all that interests us. We don't realize some of the things we've got a great deal more out of our college training than we paid for. Democracy, it self, will not survive unless each generation contributes something during its span of life to make the future better for those to follow."

Mial wants to help young graduates get a start in life, and we predict that he will find great portions of his fellow alumni before he finishes his search.

Listening In

By JOE MICHAEL

Sometime last week I received a letter from a man named Jimmie Huntly. I would say it came from somewhere within the freshman quadrangle. This letter pointed out some of the mistakes that I had been getting by with for some time. This was appreciated very much, but the writer who signed his name Mr. X had better

up his big game. I'll be better before he begins his severe criticism. He stated that Chubby Teagarden had left the drums to be the manager of the band and had been getting by with for some time. This was appreciated very much, but the writer who signed his name Mr. X had better up his big game. I'll be better before he begins his severe criticism. He stated that Chubby Teagarden had left the drums to be the manager of the band and had been getting by with for some time. By "ACE" KROCHMAL
Our neighbors over at Wake Forest had a right interesting little article in their newspaper last week, and I'm passing it on to you for what it's worth.

"All of the Duke players who played against North Carolina recently were members of the Sigma Chi fraternity. . . Twelve of the seventeen members of the Devil squad belong to that fraternity."

And only three of the boys who played for either Duke or Carolina that night were North Carolinians. . . Nine of N. C. State's sixteen squad members are home state boys. . . More than Duke and North Carolina together can boast. . . And I might add that 14 of the boys on Duke's squad are Pennsylvanians. . . Carolina adds a little variety with a New Yorker. . . I ask, then, wonder if the "Old Gold and Black" knows where John Polanski, Louis Trunzo, Tony Gallovich and company are from. . . their varsity basketball team is all local talent, except for John Polanski, who really isn't a member of the squad, but is saved for occasions when he is called for. . . but their frosh team reads like a "Who's Who" of last year's prep and high school stars from Pennsylvania and Virginia.

Seems to me that the rule which awards monograms to members of minor team sports only if they have won a certain percentage of their matches, as in boxing, wrestling and tennis, or have earned a certain number of points, as in swimming and track is a little unfair to the members of teams. . . men playing on major teams get their monograms regardless of the number of games won or lost. . . should be the same for minor sports. . . as long as a boy has competed in a certain number of events, win or lose, he should receive a monogram. . . maybe the Athletic Council will see this and remedy the situation.

Saw Coach Waller running near the gym yesterday. . . "Getting what he was doing. . . asked a head coach for the track meet tomorrow." . . tonight is the last game for only one State basketball player. . . Captain Sevier. . . the "Daily Tar Heel" after the last State- Carolina game. . . said he had played a brilliant floor game. . . the "Heel" also lavished praise on State's high-scoring forward, Roy Cromartie. . . said they "Cromartie is good enough to play on any one's team." . . they tell me that Duke and Carolina tangled this year, Holley of Duke, and George Glanack had a race to see who could get to Glanack's "shooting" spot first. . . seems Glanack can't see the basket, but he has a pet spot from which he tosses them into the basket. . . for a man who can't see, he does right well by himself. . . my choice for All-Conference honors. . . Roy Cromartie, N. C. State and Glen Price, Duke, forwards; George Glanack, University of North Carolina, center; Herb Cline, Wake Forest and Pershing Mondorf, University of Maryland, guards. . . second team. . . "Footsie" Cowan, Davidson, and George De Witt, University of Maryland, forwards; Banks McFadden, Clemson College, center; and Dick Plick, Washington and Lee and Rollins Sevier, N. C. State, guards.

Either one of these teams would give any college team in the country a fit Glanack, Cline and Cromartie are among the top five in Conference scoring. . . however, Cromartie will probably be relegated to the second team because State will not play in the tournament. . . but there's no doubt that Roy has earned a first-string berth. . . for a little man he can get around. . . his average is somewhere around thirteen points a game. . . I picked "Footsie" at forward on the second team. . . he is a grand all-round player, but I think that McFadden is just a shade better at the center post.

Red Terrors Pluck Gamecocks in Tough Scrap

Techmen Revenge Early Season Loss By Score of 37-26

Crawford Holds Giant Center Scoreless; Sevier Rings Up Ten Points

By BILL SARANDRIA

The Red Terrors gained sweet revenge for a defeat handed them by South Carolina earlier in the season by taking the Gamecocks to the score of 37 to 26 last night. Westmoreland, ace of the Palmetto club, started the scoring for the night by sinking two quick field goals to put the Gamecocks ahead 4-0. Anderson added a free throw to bring the count to 5-0. Captain Red Sevier sank two baskets in quick order, and another by Ray Smith put the Terrors ahead 6-5, and they stayed in the lead for the rest of the game. Monte Crawford, State's outstanding pivot man, turned in another good performance by holding Alexander, 6-foot, 3-inch Gamecock center, scoreless throughout the entire game. This is the second time this season that Monte has kept his man from tallying a field goal during the game.

Captain Sevier found his eye for the basket again and led the Terrors to their fourth conference win with five field goals for a total of 10 points. Cromartie, State's lead scorer for the season, followed with eight points, and Ray Smith tallied seven.

The South Carolinians were kept in the game by the Westmoreland, who sank eight field goals for 16 points. The Gamecock guard scored all of the points made by the Palmetto in the second half with the exception of one basket made by Anderson.

Tonight the Red Terrors meet the Purple Hurricane of Furman in the season's finale. The game will be the last one the State basketball team will play under the able coaching of Doc Sermon. Captain Red Sevier will close his basketball career with this game also.

Summary:
N. C. STATE FG FT TP
Cromartie, f. 3 2 8
Strayhorn, f. 2 1 3
Crawford, c. 1 1 3
Sevier, g. 5 0 10
Smith, g. 3 1 7
Baker, f. 1 0 2
Walters, c. 0 0 0
Oransky, g. 0 0 0
Andrews, g. 0 0 0
Auman, f. 0 0 0
Totals 16 5 37
S. C. FG FT TP
Kanani, f. 1 0 2
Thomas, f. 0 0 0
Alexander, c. 0 0 0
Westmoreland, g. 8 0 16
Anderson, g. 1 0 2
Hymson, sub. 1 4 6
Eliaser, sub. 0 0 0
Edwards, sub. 0 0 0
Totals 11 4 26
Half-time score, 21 to 19.

ment. . . but there's no doubt that Roy has earned a first-string berth. . . for a little man he can get around. . . his average is somewhere around thirteen points a game. . . I picked "Footsie" at forward on the second team. . . he is a grand all-round player, but I think that McFadden is just a shade better at the center post.

Donnell and Ingram Stand Out Against Uni. of Florida Team

Ralph Donnell and Sid Ingram took State's only first in last week's loss to the University of Florida swimmers. Southeastern Conference champs. Ingram tied the Southern Conference record for backstroking. Bower, White, Knight, Cox, Hain and Howard, waterman all scored on third places in their respective events. Florida broke three pool and Southern Conference records in winning, and were pushed to bettering by 5.3 seconds the medley record by State's hitherto unbeaten medley team.

Frosh Out! . . .

All candidates for the freshman baseball team are to report to Freshman Field at 4 o'clock on March 4. If the weather is bad, report to the gymnasium. Uniforms will not be issued until after spring holidays, and there will be no practice during the holidays.

Five State Men Go To Columbia

Captain Young, J. T. Brown, Bill Fleming and Herb Robertson Enter Boxing Tournament.

Five State men will participate in the Carolina Indoor Track Meet which will be held tomorrow at Chapel Hill. This meet is the only indoor track meet sponsored by the Southern Conference.

The men who will wear the Red and White of State in the meet are Mickey Thompson, broad-jump; Ike Hanf, pole-vault; Wilton Fleming, 880; Jimmy McDougall in the high-jump, and Dana Mattox, mile. Thompson and Hanf were both outstanding men on last year's team, and both are monogram men. Hanf is probably the most improved man on the track team. In his frosh year he did ten six. Since then he has added two feet to his efforts. Thompson is the outstanding man on the track team. He runs the 100, 220, 440, low hurdles, high hurdles, and on occasion can throw the discus. However, he excels in the broad-jump.

The meet is divided into four groups: conference, non-conference, freshman and scholastic. Winner of the conference division last year was Duke University.

Tonight Is Last For Doc Sermon

Tilt With Furman Draws Curtain on Doc Sermon's Career as Basketball Coach at State.

When the gallant Red Terrors of State play Furman University's basketball team in the Frank Thompson gymnasium tonight, it will be the last appearance of a State basketball team coached by Dr. Ray R. Sermon, who is giving up his coaching duties to practice osteopathy.

The contest is scheduled for 8 o'clock. The game between State's Freshmen and Louisville College, which was originally scheduled for the preliminary, has been cancelled.

Captain Red Rollins Sevier, fiery-haired Asheville youth, will also be making his last appearance on the court as a representative for the Red Terrors. Sevier is the only senior on the team and the lone letterman from last season.

Dr. Sermon's Terrors will be slight favorites over Furman Friday night, a position they have seldom occupied this season.

State's probable line-up Friday night will be: Forwards—George Strayhorn and Roy Cromartie; center—Monte Crawford; guards—Ray Smith and Rollins Sevier.

SO LONG "RED" Tonight's your last game for State. You've been on the varsity for two years, the maximum allowed for you under Conference rules. You'll go down in State's Hall of Fame. You're tops in basketball. Whether playing at guard, forward or center, you've always done your best and that has been more than enough. As captain this year, you've earned the respect and admiration of not only your own teammates, but of the teams you've played against. So long, "Red," we'll miss you.

Heel Grapplers Defeat State

Carolina Blasts Hopes of Tech For Big Five Championship.

Carolina's strong wrestling team administered to State's first loss in Big Five competition last Wednesday by the score of 16-12 to 7-12.

The winners for State were Charley Hunter, 121, and Captain Ted Johnson, both of whom won by decision. Bill Murdoch and Tillet, declared Chub Troxler.

155—Roger Well, Carolina, declared Luther Canup.

165—Sam Gregory, Carolina, declared George Brandt.

175—Ted Johnson, State, declared Steve Forrest.

Unlimited—Don Torrey, Carolina, declared Woodrow Jones.

121—Charlie Hunter, State, declared Gene Davant.

125—Charlie Tillet, Jr., Carolina, and Bill Murdoch wrestled to draw (extra periods).

136—Burgess Urquhart, Carolina, declared Able Johnson.

145—Walt Blackmer, Carolina, declared Chub Troxler.

155—Roger Well, Carolina, declared Luther Canup.

165—Sam Gregory, Carolina, declared George Brandt.

175—Ted Johnson, State, declared Steve Forrest.

Unlimited—Don Torrey, Carolina, declared Woodrow Jones.

121—Charlie Hunter, State, declared Gene Davant.

125—Charlie Tillet, Jr., Carolina, and Bill Murdoch wrestled to draw (extra periods).

136—Burgess Urquhart, Carolina, declared Able Johnson.

145—Walt Blackmer, Carolina, declared Chub Troxler.

155—Roger Well, Carolina, declared Luther Canup.

165—Sam Gregory, Carolina, declared George Brandt.

175—Ted Johnson, State, declared Steve Forrest.

Unlimited—Don Torrey, Carolina, declared Woodrow Jones.

Baseball Team Begins Practice

Cornell Is Only Non-Conference Team To Be Played by Red Terrors.

Coach Doc Newton called all the candidates for the baseball team to get the first of the week for a short meeting. The plans for the team and the season were discussed.

The squad will work out in the gym until the weather permits outside practice.

The schedule for this season calls for 15 conference games, three of them being with the Demon Deacons of Wake Forest. The Terrors will meet Cornell in the only intersectional game for this spring's card.

The schedule:
March 25—Wake Forest at Raleigh.
March 28—Richmond at Raleigh.

April 1—Cornell at Raleigh.
April 4—Washington and Lee at Raleigh.

April 9—Wake Forest at Wake Forest.
April 12—U. N. C. at Raleigh.

April 16—Washington and Lee at Lexington, Va.
April 17—V. M. I. at Lexington, Va.

April 18—V. P. I. at Blacksburg, Va.
April 20—William and Mary at Raleigh.

April 24—Duke at Durham.
April 30—Davidson at Raleigh.

May 4—Wake Forest at Raleigh.
May 7—U. N. C. at Chapel Hill.

May 10—Catawba at Raleigh.
May 13—Duke at Raleigh.

May 16—Catawba at Salisbury.
May 17—Davidson at Davidson.

Four Men Will Run For State

Thompson, Hanf, Fleming and McDougall Will Run in Carolina Indoor Meet.

Four members of State's boxing team left the campus this morning to take part in the annual Southern Conference boxing tournament which is being held in Columbia, South Carolina, this year.

Host team is the University of South Carolina. Bill Fleming, 127 pounds, Captain Ed Young, 135 pounds, Jeff Brown, 145 pounds and Herbie Robertson, 175 pounds are the men who are making the trip. Robertson was undefeated this season.

He and Fleming are sophomores and Young and Brown are seniors. Last week Virginia Tech handed the boxers a 5 1/2 to 2 1/2 licks, but the frosh won by virtue of the wins by Madrey, Elliot, Starnes, Frye and Nelson. Abrams and Hampton won for the varsity, and Robertson drew.

The results in the finals of both dormitory and fraternity are as follows:

115 Pounds
Noell (Sigma Nu) over Coward (AKPI).

Cox (3rd 8th) over Dickerson (10th).

125 Pounds
Dunn (AKPI) over Ingraham (Pika).

Deal (2nd 7th) over Thompson (1st 7th).

135 Pounds
Kelly (Pika) TKO over Edelen (Sigma Nu).

Colenda (Base, South) over Brinkley (1st 8th).

145 Pounds
Shimer (AGR) over Waldin (Pika).

Searcy (Base, 8th) over Hardy (1st 8th).

155 Pounds
Winn (Pika) over Paschall (SPE).

Martin (1st 8th) over Honeycutt (3rd 8th).

165 Pounds
McDougall (Pika) over Metcalf (Sigma Nu).

Ross (1st A) over Dameron (Base, 8th).

175 Pounds
Doak (Pika) over Jayne (Phi Kappa Tau) forfeit.

Greene (1st 7th) over Clark, (10th).

Unlimited
Edminston (Delta Sig) over Procter (SPE).

Cameron (Base, South) over Kligo (1st C).

The winner of the dormitory will meet the winner of the fraternity in each weight in the "all campus" this coming Tuesday, February 27, at 8 o'clock.

Basketball
The results of the games played this week are:

SFD 19, Sigma Nu 8.

Expecting Keen Competition In Cage Tourney

Battle of Centers to Feature Tournament—Glanack, McFadden, Holley and Weidinger to Star.

Next week-end the climax to the basketball season will be reeled off in the Memorial Auditorium when the eight top teams in the conference meet in the annual Southern Conference tournament.

The yearly meet is always one of excitement and this year will be no exception. Upsets are frequent and the teams usually play their best brand of basketball.

Those high-flying Blues of Duke University will go into the tourney Thursday as the number one team. The Dukes have come through this season with an amazing record, losing only one conference game. Five boys on the squad are in the 100-point class. They have a well-balanced team that does not have its attack built around one man.

The Generals of Washington and Lee are the dark horses of the tourney. After losing to the Wake Forest Deacons in the opening of the season the Gens have taken all conference opposition until they lost to Duke last week. This is their first year under their new coach, "Cookie" Cunningham, former all-American at Ohio State, and they have built their offense around Pink, high scorer in the conference last season.

Old Liners Good
George DeWitt, all-conference forward last season, is leading a strong Maryland team into the meet again this year. Coach Burton Shipley always turns out a good team and the squad is well equipped for action this year. Along with DeWitt are Pershing Mondorf, stellar guard, and Charlie Weidinger, their guard center. The Old Liners gave the customers plenty of thrills last year and their season record this winter shows that they are going to give the other teams a run for the honors.

Coming up from the Palmetto State again will be the Clemson Tigers, led by Banks McFadden and Co. The Tigers have a reputation of being the team that gets hot in the tournament. Last year they came from behind to win the meet, with the Bonnie Banks making the all-conference team for the second time. He was placed on Chuck Taylor's all-American team two weeks later. The Tigers have most of their last year's squad back and they should be ready.

Bill Lange and his Tar Heels will be another team that will be watching when the meet starts.

Wake Graduates Attend Jamboree

State College's progress in recent years and the value of "sales promotion" were featured in addresses at the "mid-winter jamboree" of the Wake County chapter of the State College Alumni Association last night at the college YMCA.

Col. J. W. Harrelson, dean of

administration, spoke on the college's building expansion program, declaring that legislative appropriations to the institution "would be giving to the agricultural and industrial interests of the State."

Hugh Murray spoke on "Scholarships for Athletes," and the Wolfpack Club which he viewed as a "sales promotion agency for the college." The program was in charge of Wesley Wallace. Approximately 125 were present. John A. Park, president of the chapter, presided. Frank Parker, past president of the chapter, responded to Col. Harrelson's address of welcome.

The alumni present received a block of monogram ice cream carrying out the theme of George Washington's birthday as a gift.

Course For Police Will Be Presented

Extension Division Will Offer Photography Course for Officers

The third annual short course for police photographers of North Carolina will be presented at State College March 11-15. Director Edward W. Ruggles of the College Extension Division announced this week.

Cooperating with the college in sponsoring the course are the North Carolina League of Municipalities, the North Carolina Division of the International Association for Identification and the North Carolina Bureau of Investigation. The course will be conducted by the physics department of the School of Engineering.

Five days of concentrated study will be given the police photographers. Director Ruggles said. Work will be divided between the classroom and laboratory, or dark room. Members of the State Bureau of Investigation staff will give demonstrated lectures on identification photography, and a trip through the SBI laboratories is scheduled.

The physics department faculty members on the instructional staff will be Profs. C. M. Heck, J. S. Meares and G. W. Bartlett. They will be assisted by Melvin C. Hoover and James W. Powell, special agents for the SBI.

Notice! . . .

All boys who are interested in either freshman or varsity tennis are urged to be at an important meeting in Peele Hall, Room 13, next Tuesday afternoon at 4:30. All candidates must be present in order to fill out Southern Conference eligibility blanks.—Fabe Clements, Manager.

Dr. B. W. Wells, head of the State College Botany Department, will speak to the student branch of the A.S.A.E. on "The Story of the Coastal Plain," next Wednesday night. All members are urged to attend.

There will be an important meeting of Pine Burr Society next Thursday at 1 o'clock in the YMCA. All members are urged to be present.—Macon Dalton, Pres.

Marines To Take One State Senior

State College has been allotted one principal and one alternate appointment to the position of second lieutenant in the regular Marine Corps, to be given later in the year to graduating seniors in

the advanced ROTC course, it was announced today.

The selection of the men to be recommended for appointment will be made by the Dean of Administration and the officers of the military department. In case the man selected for the principal appointment fails to pass for any reason the entrance requirements, the alternate, if he passes, will take his place.

State College has been allotted such appointments since 1935, and the men selected have achieved enviable records in the Marine Corps.

To be appointed, students must have graduated with the current college graduating course, must be an honor ROTC student, and must pass a physical examination. Seniors in military who are interested in this appointment

should contact Major Althaus before Monday noon.

Men selected for these commissions in the Marine Corps will be ordered to a training school in Philadelphia in the early part of the summer.
