

Clarkson To Speak At College Tuesday

One of Founders of State's Textile School to Appear on Dedic- ation Program

N. C. State College's new textile building, one of the finest in the nation, will be dedicated March 5 in exercises featuring an address by Heriot Clarkson, associate justice of the North Carolina Supreme Court.

As a member of the General Assembly, Mr. Clarkson introduced in 1889 the bill to establish a textile school at State College, citing the growing importance of the textile industry in North Carolina. The measure was adopted two years later through the efforts of Mr. Clarkson, Daniel Tompkins and others.

Dedication exercises in the new building are scheduled to start at 11 o'clock with Col. J. W. Harrelson, State College dean of administration, presiding. An hour earlier, the new chemistry building will be dedicated by Dr. Ralph W. Bost, head of the department of chemistry in the University of North Carolina unit at Chapel Hill.

The new textile building, constructed with the help of the Public Works Administration, cost approximately \$354,000. Dean Thomas Nelson, who has headed the Textile School since it was established in 1901, has estimated that the modern equipment in the textile plant boasts its total value at about \$400,000. Of concrete, fireproof construction, the new home of the textile building is four stories high, built in the shape of a U. New equipment has been added to all the departments—yarn manufacturing, weaving and dyeing—and considerable apparatus has been installed for research and analyses. Every loom in the weaving room is driven by individual motors.

Enhancing State's claim to a top-notch ranking in the textile world was a picture of the entire 1939 graduating class which appeared in the February issue of the Textile World. An illustration of an article by Feiker, "The New Decade in Textiles through Education."

Althaus Will End Service At State At Close of Year

Popular Major to Leave Base June 15 For New Post At Oklahoma Fort

Major Kenneth G. Althaus, executive officer of the Military Department at State College, was ordered by the U. S. War Department yesterday to report at Fort Sill, Okla., June 15 for assignment with the 3d Infantry and as assistant instructor in infantry tactics at the Field Artillery Officers' School.

Fort Sill is a field artillery post, with the infantry stationed there as a demonstration unit.

Selection of Major Althaus to teach infantry tactics there is regarded as a high compliment in military circles. He has asked to be relieved of his duties at State College about June 1.

Earlier, the War Department ordered the transfer of Major Robert E. Jones, assistant professor of military science and tactics, from the college to San Antonio, Texas, for duty with the organized reserves. Major Jones has been at the college about four years.

Major Althaus, now finishing his fifth year at State College, received last February an extension of one year beyond the end of his original four-year assignment. His prior R.O.T.C. duty included a four-year station at Alabama Polytechnic Institute from 1923 to 1927.

During the year between the retirement of Col. Charles S. Clipperty and the arrival of Col. Thomas W. Brown last fall, Major Althaus served as acting head of the college Military Department. He and Mrs. Althaus have three children. One, K. G., Jr., is a freshman in chemical engineering at State College, where he expects to continue his education.

AICHe Members To Hear White

Warren T. White, director of the Industrial Division of the Seaboard Airline Railway, will be the regular meeting of the AICHe Tuesday night at 7 o'clock.

White's principal task is to encourage the location of new industries in the Southern States, particularly North Carolina and other states in which the Seaboard has main and branch lines. During the past three years more than \$100,000,000 has been invested in paper mills, and most of these mills have been erected in the Pine Belt of the Southern States. Much of the credit for the location of these mills is due Mr. White, according to reliable authorities.

Tau Beta Pi Honor Banquet Fetes New Men

Dean R. B. House of Carolina Makes Fea- ture Address at Initia- tion Banquet Held Last Monday

Dean R. B. House of the University of North Carolina was the feature speaker at the Tau Beta Pi banquet held last Monday night at the Colonial Pines Clubhouse in honor of the twelve new initiates of the organization.

The banquet, which was held immediately following a formal initiation ceremony here on the campus, was attended by about seventy persons, active and alumni members of Tau Beta Pi, their dates, and invited guests.

Dean House told the group that hobbies play an important part in the development of a person's character, and that the wise use of leisure time is an important consideration in today's world. He emphasized the importance of being able to amuse one's self and not become bored.

Cautioning his audience not to expect to step right into big jobs immediately after graduation with no physical labor attached, House warned those in attendance to be wary of refusing jobs which had a future simply because they were connected with "socially degrading" work.

Dean E. L. Cloyd acted as toastmaster for the occasion, introducing each of the new men with a witty anecdote. New Tau Beta Pi men are Jim Huntley, Bruce Halsted, Jack Cannon, Ross Edwards, Walker Sharp, E. E. Stansbury, Tom Jackson, Bill Rivers, J. D. Joslin, Harrison Fox, Marty Parcel and Henry Thomas.

Election of Tau Beta Pi, the engineering equivalent of Phi Beta Kappa in liberal arts schools, is considered a signal honor. Members are chosen on the basis of scholarship, leadership, and character.

CAA Student Pilot Unhurt in Crash

Training Ship Badly Damaged After Striking Tele- phone Wires at Airport

A training ship piloted by Eugene Jordan, State College junior and CAA student, crashed into telephone wires near the Raleigh airport yesterday afternoon, causing extensive damages to the plane but leaving the pilot merely shaken-up.

Jordan, member of a class of 100 CAA students, was approaching the field to land when his propeller and landing gear caught in the wires a few hundred feet short of the runway.

The accident marked the first property damage since the present training class was organized at the beginning of the school year. Student pilots from State and other surrounding colleges and universities have so far put in 1,800 flying hours.

The accident occurred within 100 yards of the spot where two Philadelphia were killed February 11 in an air crash attributed to failure to maintain sufficient speed in landing.

The crash, which uprooted two telephone poles, left Jordan entirely unhurt. By 1 o'clock last night the telephone company had made temporary repairs on its lines and restored service to Varina.

State Gets Official O.K. For CAA Advanced Course

Assurance that advanced flight training for selected students at State College would start by March 15 was brought from Washington this week by Dean Blake R. Van Leer of the School of Engineering.

State College has been selected to participate in the Federal government under auspices of the Civil Aeronautics Authority. The government has allotted \$750,000 for each student's flight training, and when the course is successfully completed the student will be eligible for a limited commercial pilot's license.

Both the college and the Raleigh Airport, which will provide instruction, prepared to start the course early last month in line with the original plans of CAA.

Dean Van Leer said Tuesday he understood the delay was occasioned because of the lack of a sufficient staff to handle details of

ENGINEERING STUDENTS RECEIVE HIGH HONORS

Twelve top-ranking students in the School of Engineering were initiated Monday night by the State College chapter of Tau Beta Pi, national honorary engineering fraternity, dedicated to scholarship, character and leadership. Tau Beta Pi is the engineering equivalent of Phi Beta Kappa in liberal arts schools.

NEW MEMBERS, PICTURED BELOW, ARE JOHN M. CANNON OF NEW BERN, ROSS EDWARDS OF CHARLOTTE, W. D. SHARP OF GREENSBORO, E. E. STANSBURY OF WAKE FOREST, BRUCE HALSTED OF ARLINGTON, VA., T. F. JACKSON, JR., OF WASHINGTON, N. C., W. H. RIVERS OF RALEIGH, J. D. JOSLIN OF RALEIGH, HARRISON W. FOX OF ST. PETERSBURG, FLA., JAMES R. HUNTLEY OF MONROE, MARTIN W. PARCEL OF GREENSBORO, AND HENRY H. THOMAS OF GLENAM, MD.

Disapproval Predominating In Comments Of Faculty In Poll On Proposed Cut Bill

Young Musicians Granted Audition

Forty-two Candidates Will Try Out for National Youth Symphony Orchestra

Forty-two young musicians of North Carolina will gather in the Y. M. C. A. at State College Saturday for state auditions for the National Youth Symphony Orchestra, which famed conductor Leopold Stokowski will take to South America next summer.

Eliminations have reduced the number of musicians who applied from more than 100.

The auditions are being conducted for Stokowski by the National Youth Administration, headed in North Carolina by John Lang, Auditors Saturday will be Lillian Parker Wallace of Raleigh, chairman of the committee in charge of the selections; Christian D. Kutzhinski, director of music at State College; Earl Slocum, director of the band at the University of North Carolina unit in Chapel Hill; Robert Fearing, director of instrumental music at Duke University; and Donald Prohl, director of Stokowski himself in New York or Washington.

Successful candidates will be sent to the regional audition in Washington, and the final selections will be made by Maestro Stokowski himself in New York or Washington.

Director Lang said candidates not selected for the national or orchestra possibly will be used in organizing a North Carolina symphony orchestra and thus will get training for the try-outs next year if Stokowski takes another group on tour.

Present plans call for 109 musicians in this year's National Youth Symphony Orchestra. Applicants range in years from 16 to 25.

Livestock Day Plans Progress

Plans are rapidly progressing for the annual Livestock Day at State College, and many prizes have been received and promised by livestock breeders and associations. These prizes will be given to persons who have fitted and trained the animals tested.

Persons interested in entering animals in the show should see a member of the committee appointed by the Ag Club.

Proposal Predicted to go to General Fac- ulty Council

By SID TAGER

Although enthusiastically acclaimed by the majority of the student body, the new "cut" bill passed last week by the Student Assembly, was handed a severe setback when several representative members of the faculty expressed their disapproval. The bill is scheduled to reach the Faculty Council by the end of the week, and in all probability will be referred to the general faculty for a vote. From the looks of things, it appears that the first fruits of the new decision when it is made will have tough going.

In a series of interviews conducted during the week for the purpose of getting a consensus of the faculty opinion, practically all those interviewed thought the bill as passed too sweeping in its allotment of privileges. Those interviewed were given a copy of the bill to read and although expressing their first impressions, would not commit themselves on their final decision when and if the bill were to come to a vote. "It isn't the good student," was the way one man put it, "but the poor one who will cut to the limit allowed, and they are the very ones who should be prevented from cutting."

Another fear of those interviewed was that the bill would encourage cutting classes, and anything that aids delinquency at the expense of scholarship should not be considered. A similar argument was advanced last year when the proponents of the Dean's List first brought up that measure, but records have shown that cutting by those affected by the Dean's List has not increased and if the bill is passed, several members of the Faculty Council were among those asked to express their opinion and the poll should prove an accurate barometer of faculty opinion.—Continued on page 2.

WRITES SONG Fred War- ning's ing, nationally known maestro of the Pennsylvanians, will play a new fight song that he com- posed for State College over an NBC hook-up on Friday, March 8.

Waring's broadcast will begin at 7 o'clock, and may be heard over local station WPTF. Following his broadcast, WPTF is planning the presentation of a program to feature fight songs of State, which will include Waring's new composition.

The course will include 40 to 50 hours of controlled flight training and 146 hours in ground school.

State College is the only school in this section of the South selected for the advanced course. The six successful applicants will be selected from the group of students who won private flying certificates last spring when State College was one of 12 educational institutions to participate in the Federal government's initial student pilot training program.

Twelve of the 20 students who passed the course are now in school and have applied for the advanced training, which is expected to require four, or five months.

While in Washington, Dean Van Leer also consulted with various Congressmen and officials regarding the pending bills to provide Federal assistance for engineering experiment stations in land grant colleges.

Keramos Installs Virginia Chapter

Senior Members of Ceramic Fraternity Officiate at V. P. I. Ceremonies

Senior members of Keramos, accompanied by Professors A. E. Greaves-Walker and W. W. Krieger and Graduate Student J. J. Amero, will journey to V. P. I., Blacksburg, Va., Saturday to install a chapter of the Professional Ceramic Fraternity at that institution.

During their visit the delegation will be the guests of the V. P. I. ceramic department, which has planned an entertainment program highlighted by a banquet.

Keramos, which was organized at Ohio State University in 1902, is the oldest professional engineering fraternity in the world. While the organization is strictly professional in nature, the requirements for membership are as high as most of the campus honor societies. Membership is offered only to students in the department of ceramic engineering who have good scholarship records, and who give promise of making good in the industry.

New Agriculturist Will Appear Soon

Official Publication of Ag School Will be Distributed On March 4, Editor Lang- don Says

The Spring issue of the *Agriculturist*, official publication of the School of Agriculture, will be released on March 4, it was announced yesterday by Editor Lloyd Langdon.

Feature story of the magazine will be an article written by Professor J. G. Weaver on Starting Annual Flower Plants. Prof. Weaver recently gave a talk on that subject over a nation-wide radio hook-up.

Other interesting articles to appear in the issue, according to Langdon, will be on Farm Home Beautification and Home Gardens. Another article will appear in the spring issue by John W. Goodman, assistant director of the agricultural extension services in North Carolina.

Engineers' Council Names Annual Grand Brawl Band

The annual Engineers Grand Brawl, coming up March 30 at the end of the Engineers Fair, will feature this year the music of Glen Gurr and his orchestra, Glen Gurr's band, who play for the National Broadcasting Co. every Wednesday.

are well known in Northern musical circles for their renditions of both popular numbers and old favorites.

The dance this year will be in keeping with the traditions of the past Grand Brawls in that it will be staged over by Saint Pat and Princess Pat, who will be attended by the Knights and Companions of Saint Pat.

The Companions will be the two outstanding freshmen from each of the eight Engineering departments, while the Knights are chosen members of the senior class. In order for a senior to be selected as a Knight, he must have fulfilled the following requirements: (a) He must be eligible

Council Dance Set Will Begin Tonight

34 Students Awarded Keys By Publications

Goerch Makes Prin- cipal Address at Sev- enth Banquet of Honor; Jeter Toast- master

Thirty-four students received gold keys from the Publications Board Wednesday night at the seventh annual Publications Banquet in recognition of their outstanding service to the college through the medium of publications work.

Carl Goerch, editor and publisher of *The State* magazine, was the principal speaker, while Frank Jeter, chairman of the publications board, acted as master of ceremonies. J. W. Harrelson, dean of administration, presented the keys to the students.

In speaking of hiring men for all types of work, Goerch stated that most with ideas are constantly in demand. His address included many of his experiences during his numerous State-wide trips to gather material for his magazine.

Immediately following the banquet, the approximately 100 students and their dates attending danced until midnight.

Students who received the keys and the publications on which they work are:

TECHNICIAN—HEBERT B. ROWE, Bruce C. Halsted, Joe E. Michael, W. C. Friday, James A. Mitchener and W. A. Thomason, Jr.

AGRICULTURIST—F. DUDLEY KALEY, E. W. Price, Jr., Fabre Clement, D. B. Betts, and John Bower.

SOUTHERN ENGINEER—W. BULLA, J. N. Smith, Jr., Ben S. Pace, H. R. Crawford, T. H. Blount, Jr., Macon N. Dalton, and B. L. Belvin.

AGRICULTURIST—J. LLOYD LANGDON, Clifford L. James, James McGinnis, W. H. Goodman, Robert L. Burrage, Eugene Starnes, Ed M. Greene.

PINETUM—J. D. ATKINS, E. J. ROBERTS, P. M. CROMATIE, and B. S. HAYES.

WATERGATE—JOHN S. LAWS, PAUL H. LEHMAN, JR., WARREN H. SPEAR, PAUL ABRAHAM, W. J. WARD, and J. M. BURHAM, III.

Harrelson Visits Virginia Alumni

Dan Paul and Two Student Leaders Accompany Dean to Address Graduates

Colonel J. W. Harrelson, dean of administration, and Dan Paul, acting alumni secretary, attended meetings of the Portsmouth-Norfolk and Richmond, Va., alumni clubs last week-end. They were accompanied on the trip by students "Buddy" Means and "Spud" Davidson.

Friday night's meeting was held in Norfolk, and was presided over by the president, J. K. Waitt. Speaking on the program at the meeting were Means, Davidson, Col. Harrelson, Secretary Paul, "Dick" Seifert, and Col. George Gillette, president of the General Alumni Association.

Following this meeting the alumni were shown pictures of the State-Furman football game last fall.

Saturday night the State College delegation met with the Richmond alumni chapter, which was presided over by President A. E. Harshaw. Following short talks by the visitors, the alumni saw the movie, "State College Days."

A banquet was held by each chapter in honor of the visitors.

Phi Kappa Phi Offers Award

An award of \$50 will be presented by Phi Kappa Phi, honorary scholarship fraternity, to an outstanding graduate student who must be enrolled at State, planning to finish work for a degree this spring.

The award will be presented on Scholastic Day. Graduate students who need financial aid and have maintained high scholastic records in undergraduate and graduate studies will be given preferential consideration as regards the award.

Members of the scholarship committee are J. D. Clark, chairman, F. W. Cook, secretary, and A. D. Stuart.

All applications for the award must be filed with the secretary on or before April 2, 1940. Application blanks may be secured from Mr. Cook, 213 Ricks Hall.

Formals to Feature Music of Teagarden; Tournament Teams Guests of IFC

Highlight of the winter social season at State College will be the annual Black and White Formals dance set to be presented by the Interfraternity Council tonight and tomorrow in Frank Thompson gym.

The Saturday set will include a formal dance tonight beginning at 9 o'clock, an informal tea dance tomorrow afternoon from 4:30 until 8:30, and the final formal ball tomorrow night.

Music for the dance set will be furnished by Jack Teagarden and his orchestra. Teagarden, who is rapidly rising in national fame, was recently selected as one of the nation's most outstanding trombonists.

Main feature of the annual dance will be a colorful figure Saturday night in which all members of the Interfraternity Council and their dates will participate. During the figure, senior members of the Council will be presented with gold keys for two years work on the body.

The gymnasium will be decorated in black and white, to conform with the name of the dance set.

Complimentary bids have been ordered by the Interfraternity Council to members of fraternities entered in the Southern Conference Basketball Tournament, and they will be guests of the Council while here in town.

Sponsors for the annual Black and White Formals, and their escorts, will be Miss Jennie Harris and Miss Ruth H. Adams, president of the Council; Miss Margaret Martin of Raleigh with E. P. Davidson, chairman of the dance committee; Miss Frances Crowder of Raleigh with Ross Sigmon, president of the Council; Miss Marguerite Lane of Wilson with Charles Cook, dance committeeman; and Miss Helen Hood of Charlotte with the dance committee.

Chaperones for the dance will include Col. and Mrs. J. W. Harrelson, Major and Mrs. K. G. Althaus, and Mrs. B. Briggs, Col. and Mrs. T. W. Brown, Mr. and Mrs. E. L. Cloyd, Mr. and Mrs. Charles G. Doak, Mr. and Mrs. H. W. Goodman, Dr. and Mrs. A. F. —Continued on page 4.

First Deputation Of Golden Chain To Leave Friday

Jones Pharr Will Address Group of High School Seniors at Salisbury

Golden Chain will inaugurate the first of its yearly deputations to high schools throughout the State next Friday when Jones Pharr will be sent to Salisbury to address a group of high school seniors.

These deputations, to be made by members of Golden Chain, will last until May and include high schools in all parts of North Carolina. During the spring holidays, members of the organization will visit Asheville, Rocky Mount, Charlotte, Greensboro, and other cities. These deputations are designed to give high school seniors firsthand information on college life, with no special emphasis on State College, but merely higher education in general.

Members of the organization making these trips will carry with them a group of adapted motion picture depicting life on the State campus which was made original by the alumni some time ago. This picture has been adapted for use by Golden Chain, and a number of scenes showing the new buildings erected on the campus have been added.

Cities which will be visited by Golden Chain members include Wilmington, Henderson, Lexington, Roanoke Rapids, Winston-Salem, Point, Greensboro, Danville, Va., and others. Danville is the only city out of the State to which a deputation will be made.

Phi Kappa Phi Offers Award

An award of \$50 will be presented by Phi Kappa Phi, honorary scholarship fraternity, to an outstanding graduate student who must be enrolled at State, planning to finish work for a degree this spring.

The award will be presented on Scholastic Day. Graduate students who need financial aid and have maintained high scholastic records in undergraduate and graduate studies will be given preferential consideration as regards the award.

Members of the scholarship committee are J. D. Clark, chairman, F. W. Cook, secretary, and A. D. Stuart.

All applications for the award must be filed with the secretary on or before April 2, 1940. Application blanks may be secured from Mr. Cook, 213 Ricks Hall.

The Cut System . . .

The popular consensus of opinion among students on the campus this week was that the bill recently passed by the Student Assembly recommending changes in the cut-system would meet certain defeat at the hands of the faculty, and probably this is what will happen.

However, we must realize that a bill which would entail a change as radical as this one, and it is somewhat of a radical change from the present system, can be argued from both sides—it just happens that the faculty is taking the opposite side from the students.

It is natural that a very large percentage of the student body should desire a modification in the cut-system, especially juniors and seniors who become entangled in extracurricular activities. They have a premium set on every spare minute, and they also feel that they are old enough to have a portion of the responsibility placed on their shoulders. And we are inclined to agree with them.

At the same time, it is natural that the faculty should oppose the measure, since they must constantly take the defensive and apply somewhat of a brake on student ambitions. Otherwise they would be eternally flooded with drastic proposals ranging everywhere from abolishing classes altogether to putting students on a salary. So we can see that they have a side to the question also.

But there appears to be one weakness in the opposition, which apparently has good purpose, but seemingly goes about the objective in the wrong direction. That is the argument that the Dean's List now allows the good student unlimited cuts, and it is the poor student who should attend classes regular, and thus the present system does just this. Probably so. But the Dean's List limits these privileges to students who have attained an 85 average, and who must keep this average. Once they drop below, they are automatically and permanently off the list. The pertinent question is, should a student who has an 80 or even a 75 average at State College, as difficult as the curricula is being made, be rated as a poor student?

There are dozens of other angles to the matter, and they could be argued indefinitely. Naturally the action of the general faculty or the Faculty Council will have some bearing on the Student Assembly and its future work. Whatever side the faculty takes on the matter will probably be accompanied by their reasons for assuming that side, and perhaps this will furnish something on which to work in the future.

N. C. STATE

Much To Do . . .

As this, the final issue of "The Technician" for the second term, goes to press, we are struck with the realization that even though this term is almost over, there still remains many jobs undone. A panicky feeling of fear runs through us just when we think that next week those things called examinations will face us, and here we are with only a final week of preparation.

We are well aware of the fact that "Rome wasn't built in a day," but at the same time it is not too late to do some hard cramming and try to build that term grade up ten points. For, after all, the term examination does count one third, and if we can hit that for a top-notch mark, it should help the other work a little at least.

It's true that this will be a crowded week, with dances etc., but at the same time remember once at least that a term's work is at stake. Examinations can be the making or breaking of a good grade, and we sincerely hope it will be the former.

We wish you all the luck in the world on the exams, and hope you have a pleasant spring vacation.

N. C. STATE

LETTERS TO THE EDITOR

To the Students:
Dean Clond, speaking to the junior class assembly yesterday and also to other class assemblies during the week, has made some strong statements against the cut system change bill which passed the Student Legislature last week. In particular, I wish to call attention to some of the statements he made at the junior assembly, because I was there and know exactly what took place.

One of the Dean's strongest arguments against the proposed change was his statement that we already get ten cuts a term. Every one of you knows, or should know, that the Dean is apparently under the wrong impression. We do not get ten cuts a term. We only get five per term over a four-year period, because there is a college rule against cutting more than six classes in four years. This gives the student fifteen cuts a year, or five per term. And on top of all this, when the senior cut his sixth class during his last term in school he would be placed on probation. In addition to this, the Dean openly admitted that he had not read the new bill, but had only seen it in a condensed form in THE TECHNICIAN.

The Dean stated in a round about way that if we would do something about the cheating on examinations and other infractions of college rules, the faculty council might consider proposals for other changes that we might wish to make. In plain language, they are punishing us for infractions of rules by refusing to make any changes favorable to the students. Of course, Mr. Clond cannot express the opinion of the Faculty Council, which I frankly do not believe is as he implied.

All we ask from the faculty is that they study the new cut bill with an open mind and in an unbiased manner. True, it does set forth some drastic changes, but I do not believe the students will take advantage of the liberties it will give them if and when it passes.

OPEN FORUM
HENRY ROWE.

Dear Editor:
There is a big question which has been giving a great many of us State College students some thought. Why is it that we receive less per capita from the State than does our brother or sister institutions? Is our education not worth as much to the State as theirs?

Now we don't want to be mean and see their appropriations cut by the State in order to put us on the same basis. We would like to be put up on the same level with them when it comes to financial support from the State.

Elections are coming up soon for Senators and Representatives to the next Legislature. Those candidates have got to have a platform. They will want one which will offer service to the people and will give indications of advancement of the interest of the people. Men who graduate from State are wealth producers which will directly

NEWS HIGHLIGHTS

by "Spud" Davidson

Dedication . . .

A shining star in the college's program of events for this year will be the dedication next Tuesday of the new Textile and Chemistry buildings, which were built last year as a part of the college's huge expansion program.

Feature speaker at the dedication ceremony will be Supreme Court Justice Heriot Clarkson, who was in charge of the installation of a School of Textiles at State College. Justice Clarkson has not only seen the beginning of a textile school at State, but has also seen this school grow into one of the finest in the country.

Extra Program . . .

Next Friday night at 7 o'clock Fred Waring and his famous Pennsylvania Band will present over a nation-wide hook-up the new fight song that Waring has composed for State College.

Following immediately after Waring's broadcast a program will be presented over WPTF featuring the State College quartet. This program will not only present versions of former and well-known State songs of the present, but will also endeavor to repeat the new song by Waring. And maybe you don't think all of this business is not good publicity for the College.

Could It Be True? . . .

We were somewhat startled and amazed by the bold announcement made at the Publications Banquet Wednesday to the effect that another issue of the *Watergate* would be littering the campus this term. From past records we figure that "Watergate" will probably fall around March 17, or for your information during the middle of spring holidays.

An amusing remark passed at the banquet on the subject of the former humor magazine. The toastmaster remarked that the *Watergate* had made many improvements this year, well added that it could have been no worse than last year's issues. And who should be sitting there taking it

all in but last year's editor, Edgar Britt.

More About Pop . . .

This boy Peter Pop has certainly gone places with his long-tending business as far as publicity is concerned, and you would agree with me if you could have seen the big write-up he received in the *Philadelphia Inquirer* last week. He really took the front page of the feature section en masse, overshadowing everything on the page with three-column headline and a large picture.

And from voices of opinion among some of the local female talent, they agree that from Pop's picture, he would be a nice fellow to have around, baby or no baby.

Five-Year Plan . . .

Some indication that college officials are thinking over the idea of making engineering courses into a five-year curricula is evident by the fact that the catalog for 1940-41 will list one of the engineering curricula as optional for a five-year plan. At least that is the information that we have gathered, and we take it to be authentic.

It is certainly a drastic contrast to compare the requirements of fifteen years ago with the requirements of today. You can easily see from that that State College is becoming known as one of the finest institutions in the nation.

Bummers Beware . . .

Unofficial notice went out this week that the police of this city had been given instructions to see that State students remained on the curb when they were "bumming," even if it should take several arrests to do it.

It seems that the general idea is not so much to enforce a city ordinance which prohibits bumming in the streets, but to help protect students against accidents which might occur when they are standing in the path of automobiles. And so, maybe it would be a good idea if we would heed a little of their advice. We don't want our names added to the police records or to the list of deceased.

benefit the people by the services they perform in better use of our natural resources.

State men are good enough to meet, shake hands with, and talk with any political candidate, whether he is running for Governor or Representative. Let's see our home for the holidays and let them know what State College means to the State of North Carolina.

CHARLES A. HUNTER.

Listening In

By JOE MICHAEL

Just a little time out for a few more records. Raymond Scott has quit the quiet and formed a full-sized unit, which follows his old style to a great extent. His first discs are "Business Men's Bounce," "The Peanut Vendor," and "To Romantic." Perhaps not new but still tops is Charlie Barnett's "Tappin' at the Tappa," and with plenty shia beating, "Comanche War Dance." With Ernie and the Hawks, let's say and Miller all doing their best on "Tuxedo Junction." We'll take the latter. Glenn Miller is still a best seller with "Danny Boy," "The Woodpecker Song," "Let's All Sing Together," Marion Hutton does her bit on Bing's new hit, "Sweet Potato Pie," and Ray Eberle does justice to "To Romantic." The latter tunes came from the new Paramount picture, "The Road to Singapore."

Tommy Dorsey waked the above mentioned records, and we'll string along with Miller again. The new Dorsey successor to "Marie," "Deep Night," is really just that. On the other side is "Starlit Hour," Red Nichols gets off a couple of oldies in fine style: "Robins and Roses" and "My Melancholy Baby" featuring Red's Five Pennies. Larry Clinton gets by with some more of his screwball titles in "Sunday" and "Study in Surrealism." Dinah Shore, who sounds like, and in my estimation is equal to, Maxine Sullivan, is a new vocal sensation with that little something waxes: "Darn That Dream" and "Careless." Louis Armstrong does some good vocal and a lot of work on the new screwball titles in "Mystery of Life." Ella Fitzgerald makes her first since the death of Chick Webb: "Starlit Hour," which will follow when we are home for the holidays in fine style: "Robins and Roses" and "My Melancholy Baby" featuring Red's Five Pennies. Larry Clinton gets by with some more of his screwball titles in "Sunday" and "Study in Surrealism." Dinah Shore, who sounds like, and in my estimation is equal to, Maxine Sullivan, is a new vocal sensation with that little something waxes: "Darn That Dream" and "Careless." Louis Armstrong does some good vocal and a lot of work on the new screwball titles in "Mystery of Life." Ella Fitzgerald makes her first since the death of Chick Webb: "Starlit Hour," which will follow when we are home for the holidays in fine style: "Robins and Roses" and "My Melancholy Baby" featuring Red's Five Pennies. Larry Clinton gets by with some more of his screwball titles in "Sunday" and "Study in Surrealism." I hope that this column is read by the members of the Athletic Council. Herein will be contained the results of two and a half on our campus.

Krochmal

Point one—Why major monograms and minor monograms? Members of the football, basketball, baseball and track teams get what are commonly known as major letters, while members of the wrestling, boxing, swimming, and tennis teams get minor letters.

The second point is the method of awarding monograms to athletes on major and minor teams. A member of a so-called major team receives his monogram after having participated in a certain percentage of the games played, regardless of whether the games are won or lost.

Equipment As a whole, in the past few years the quality and type of equipment furnished all the major and minor, has improved considerably.

Will the person who took the leather reversible jacket from the gym Wednesday night please leave it at the gym or at the gym?—W. E. Bryant.

Wolfpack Plays Richmond Here Wednesday

Football Team Meets Spiders In Spring Tilt

The 1940 Edition of State's Football Team to be Unveiled Next Week

By "ACE" KROCHMAL State College fans will be able to get an idea of the potentialities of next year's Wolfpack when Doc Newton's boys engage the University of Richmond here next Wednesday in Riddick Stadium in a spring game.

The Pack, headed by its newly-elected co-captains, Pat Fehley and Howell Stroup, will be aiming to fulfill their coach's prediction that next year's Wolfpack will be "two touchdowns better than last year's team."

There will be six seniors on next year's team, co-captains Stroup and Fehley, End Mickey Thompson, and Tackles Bill Windley, Ralph Burt and "Butch" Conrad. Three of these men will be in the starting line-up—Stroup, Fehley and Windley.

At tackles will be Bill Windley, a whale of a ball player who filled in a grid slot last fall; Curt Ramsey, a bruising player who is destined to make All-Southern, and "Woody" Jones, the curly-headed lad who did such an excellent job of subbing for State's All-America Ed Coon.

The pivot post will be ably handled by Howell Stroup, a nifty ball player, and a man well able to carry on State's tradition of great centers. In the last four years three State centers have captured or shared the captaincy of State's grid teams.

Favorites Win In Loop Tilts

Wake Forest, Carolina and Duke Advance One Round; Maryland Upsets Washington and Lee

By EDWIN PERRY A little bacon grease accounts for the success which the University of North Carolina is enjoying these days in the Southern Conference basketball tournament which goes into the semi-finals Friday night at 8 o'clock.

Carolina's scoring machine, George Glamack, is definitely blind at times, so in order not to take any chance the Tar Heels have greased the goals with bacon grease and now Blind George is shooting by smell. He smelled like 15 points against Clemson Thursday night.

The Big Five has just about taken over the tourney, being represented in the semi-finals Friday night by three of the South's finest teams—North Carolina, Duke and Wake Forest. Of the three, Carolina looks the best; Duke and Wake Forest are tired.

The show started Thursday with Wake Forest meeting Richmond and the Deacons turned on the last-half steam to win, 40-34. The next game almost ended in the same score. Duke's top-seeded but tired Little Blue took the count over a scrappy Citadel team 40-35.

In the first game on the evening program Coach Bill Lange's Tar Heels ran rough-shod over Clemson's defending champs 50-41. Clemson scared the Tar Heels in the last half but Coach Lange promptly sent the No. 1 boys back into the war and Clemson died.

About the slowest thing last night was the scoring in the Maryland-Washington and Lee game. The Old Liners won 42-20. After 5 1/2 minutes of the second half of that last game the score was only 17-16.

Here's the way they go tonight—Carolina and Wake Forest start the fireworks at 8 o'clock and Duke and Maryland take the floor at 9:30. In these two games I pick the Tar Heels and Maryland to come out on top.

him will be "Hoot" Gibson and Cutie Carter.

"Babe" Wood, State's new backfield coach, will have a wealth of material to choose from next year. His starting line-up will probably consist of Pat Fehley, Jack Huckabee, Dick Watts and Bob Cathey. As reserves he will have Earl Stewart and Reuben Morgan.

Averaging a score of 100 pins per game, the SPE's pulled ahead last week in the interfraternity bowling tournament being held at the Hayes-Barton bowling alleys. The K.A.'s are giving the SPE's the closest race for the championship.

FOOTBALL CAPTAINS For the second year in a row, State's football team will be headed by co-captains, and for the second year in a row one is a center and the other a backfield man. On the left is Howell Stroup. Stroup is a rising senior in agriculture and is from Cherryville, N. C. Next year will be his third on the varsity. He is six foot two, and a hard-hitting player. He is particularly outstanding on the defense, frequently snagging enemy passes. To his right is Pat Fehley, a rising senior in industrial arts. Fehley is from Easton, Pa. He is a triple-threat back, being a particularly elusive runner and an outstanding kicker and passer.

Able Johnson

CAP-ELECT At a recent meeting of the wrestling team Able Johnson, 135-pound wrestler, was elected captain of next year's grunt and groan group. Abie is a rising senior in mechanical engineering.

State Swimmers Beat Wm. & Mary

Lefortmen End Season With 42-33 Win Over Visiting Team

State's swimming team brought the curtain down on its past season, last Monday, with a 42-33 victory over a visiting William and Mary team.

The Indians took five out of nine first places, but were weak in getting second and third places.

The summary: 300 medley—W. & M. (T. Brennan, Almond, Merritt), 3:18.5. 220—Cox, State; Bower, State; Purtell, W. & M., 2:29.2. 50—Rooney, State, Hiwards, W. & M.; White, State, 27. Diving—Rubin, W. & M. (91.7); Donnell, State (80.4); Knight, State (68.7).

100—Merritt, W. & M.; Bower, State; Cox, State, 58.2. 150 backstroke—Ingram, State; T. Brennan, W. & M.; Haene, State, 1:46.2. 200 breaststroke—Almond, W. & M.; Rowland, State; Sturkey, State, 2:44.7. 440—Purtell, W. & M.; Katterman, State; Walker, W. & M. 5:45.8. 400 relay—State (White, Peele, Cox, Bower), 3:57.2.

MURALMUSINGS

By WALTER WILLIAMS

You had better duck, fellows, because here come the intramural all-campus boxing champs. 115-lb.—Cox (3rd 8th) over Noel (Sigma Nu). 125-lb.—Dunn (A. K. P.) over Deal (2nd 7th). 135-lb.—Kelly (Pika) over Colenda (Base South). 145-lb.—Searcy (Base, 8th) over Waldin (Pika). 155-lb.—Winn (Pika) over Martin (1st 8th). 165-lb.—Ross (1st A) over McDougal (Pika). 175-lb.—Doak (Pika) over Greene (1st 7th). Unlimiter—Cameron (Base, South) over Edminston (Delta Sig).

The best fights of the night, according to Mr. Miller, were the fights in the 135-lb. and 145-lb. classes. Kelly and Colenda were both good fighters and in excellent condition. The Searcy-Waldin fight was a very close match, with the decision going Searcy's way for his endurance and fight.

Mr. Miller has decided not only to give the "all-campus" medals, that are awarded each year, but to also give the losers in the finals silver boxing glove charms, because their participation in the bouts has made possible to buy the all-campus medals.

The basketball schedule is rapidly drawing to a close. We find in the fraternity league that the Delta Sigs won over the A. K. P. by a margin of one point to put them in top position in their bracket. In the semi-finals the S. P. E.'s, winners of the top bracket, lost to the Delta Sigs.

State Men Leave For Rifle Match

State's Unbeaten Rifle Team to Meet G. W. and Georgetown in Shoulder-to-Shoulder Match

State College's rifle team, victorious in all of its engagements this year, will leave today for Washington, D. C., to compete Saturday in a shoulder-to-shoulder small-bore varsity match against Georgetown University and George Washington University.

The match will be staged on the target range at Georgetown. Capt. Ralph W. Brake will head the State College marksmen. His team mates are G. M. Sheets, Charles Whitson, R. K. Lee, B. Lee Johnson, Ben R. Harley, John S. Smith, T. William Shallington, Edwin B. Owens, and J. David Dodge. Accompanying the students will be Sergeants L. M. Knight and H. C. Thomas of the College Military Department. Sgt. Knight is coach and Sgt. Thomas is the military storekeeper at the college armory.

BLACK AND WHITE FORMALS SPONSORS

Highlight of the winter social season will be the annual Black and White Formal dance set to be presented by the Interfraternity Council in the Frank Thompson gym tonight and tomorrow. Music for the dances will be furnished by Jack Teagarden and his Orchestra.

Sponsors and their escorts will be Miss Jennille Harris of Raleigh with H. W. Branson, president of the Council; Miss Margaret Martin of Raleigh with E. P. Davidson, chairman of the dance committee; Miss Frances Crowder of Salisbury with Ross Sigmon, dance committeeman; and Miss Marguerite Lane of Wilson with Charles Cook, dance committeeman.

The set will include one informal dance and two formal dances, the formals being Friday and Saturday evenings and the informal Saturday afternoon.

Final Warning!

The Student Council wishes to take this last opportunity to urge the students to be honest with themselves and with their professors during examinations. The Council hopes no cases of cheating arise, but if any student is caught and convicted of cheating he will be punished severely according to the by-laws of the Student Government.—E. E. Durham, Student Body President.

Mozart Trio Gives Program

Members of Mu Beta Psi, honorary musical fraternity, were presented with a unique program Wednesday night by the newly organized "Mozart Trio," which consists of a clarinet, piano, and viola. The trio presented "Mozart Trio in E Flat." The combination is composed of C. D. Kutschinski, Roger M. Avery, Jr., and Curtis R. Craver, Jr. Special guests of Mu Beta Psi were members of the Glee Club. The program was one of a series of features planned by the fraternity to develop greater interest in music.

Announcements . . .

The A.I.E.E. will meet next Tuesday night at 6:45 p.m. in 207 Daniels Hall. This is the last meeting this term, and a very important one. All A. E. students are requested to attend.

The Radio Club will hold its final meeting for this term Friday night. All members are urged to be present at 6:45 in the club room. Plans for next term's work will be discussed.

There will be a short meeting of all boys who hold the American Red Cross rating of Water Safety Instructor and Senior Life Saver in the YMCA Tuesday at 1 o'clock. All boys urged to be there.—Frank Weaver.

The Mecklenburg-State Club will meet Tuesday, at 7 o'clock in 102 Page Hall. Plans for a spring holiday social will be arranged; therefore, all Mecklenburgers are urged to attend.—Ed Morrison, Pres.

There will be an important meeting of Elmo Key next Tuesday, March 5, at 1:30 in the YMCA. All members are urged to be present.—Frank P. Sabol, President.

Council Dance Set Will Begin Tonight

Movies . . .

Movies will be shown in the College YMCA on March 30, featuring "See Research" and "Highlights in the Career of Vincent Richards." These films, which are being sponsored by the Students Supply Store, have to do with the development and history of tennis.

MURAL 'MUSINGS

(Continued from page 3) Leer and Gibbons were the leaders in their 32-to-7 triumph over the S. P. E's.

In the two semi-final games of the dormitory league, the two freshman teams fell into the hands of their superiors: 2nd 8th lost to 1st C by score of 9 to 43, and 3rd 7th lost to 1911 by score of 12 to 22.

The two final games in basketball are to be held in the gym next Monday night.

Handball The A. K. P's won the fraternity

division by defeating the Pikas. The Pi Kappa Phis will play the S. P. E's to determine third and fourth places.

In the dormitory division, 1st C will play 2nd A for the championship, and Upper 9th will play Base. 8th for third and fourth places.

Notice

The managers of each fraternity and dormitory divisions are requested to notify Mr. Miller if you wish to enter a team in softball, volleyball or tennis leagues this spring.

Do this not later than March 10th, because schedules will be drawn at that time, and also decide if your organization can and

will meet its schedule before entering.
