Golden Chain To Tap Twelve Juniors Wednesday

See Story On Page 3

Retiring Links

The impressive looking group of men shown above is the retiring membership of Golden Chain, Honorary Leadership Fraternity on the State College campus. The society will tap twelve outstanding rising seniors next Wednesday afternoon at six on Memorial Lawn in front of Holladay Hall. The twelve 1949 links pictured are: front row, left to right, Oscar Bozeman, Ken Coble, Jim Gardner, Linwood Edge, Fred Kendall, and Horace Taylor. Back row, Reid Farrell, Bill English, George Sledge, Bob Peacock, Dick Fowler, and Art Pitzer. (Photo by Bernie Batchelor)

Vetville Council

Any group of families which lives in a close-knit unit must have a governing body to keep things running smoothly. The ten men and a lady who are shown above form the Vetville Council. In the front row are: Mrs. Avis Andrews, Secretary-Treasurer; Bob Lee, Senior Alderman; E. D. Stevens, newly elected Mayor; W. P. Murdock, Senior Alderman; and Harry McLeod, Athletic Director. The six beaming gents in the rear are: Jim Craig, J. V. Caffrey, L. N. Ballard, O. V. Sprinkle, W. S. Burnette, and Bill Musser, all Ward Aldermen. (Photo by Ben Martin)

Freshman Track Star

Tyler Wadsworth, star Wolfpack freshman harrier, breaks the tape as anchor man in the mile relay in the State Freshman Track Meet last Tuesday night.

The speedy dash man was third high scorer for the evening with 11 1/4 points. He scored firsts in the 220 and 440 yard dashes and ran anchor position in the mile relay.

Wadsworth is given much of the credit for State's close win over the Duke team in the mile event. He made up a large lag and came home ahead of the Duke anchor man by a safe lead.

The Raleigh runner is expected to give Herb Goldberg added support in the dash runs next season when he moves up to the varsity team. (Photo by Bernie Batchelor.)

Vet School Open For Eight State Students

Final arrangements are being completed for eight North Carolina students to be accepted next fall by the College of Veterinary Medicine at the University of Georgia, Dr. J. H. Hilton, Dean of the school of agriculture and director of the experiment station at State College, announced today.

During the past few years, Dr. Hilton said, it has been almost impossible for residents of North Carolina to be admitted to veterinary colleges. Applications were received in such large numbers from citizens of states maintaining veterinary colleges that they could not accept students from other states.

The University of Georgia was designated a regional school for the states of West Virginia, Maryland, Virginia, and North Carolina under plans arranged by the Regional Council for Education and approved by the last conference of the governors of southern states.

The 1949 Legislature authorized North Carolina to participate in regional educational plans and appropriated sufficient funds to N. C. State College for a contract to send eight students to Georgia each year. While the School of Agriculture at State College has been designated to receive applications for these eight places, students at all colleges in North Carolina who are residents of the state are eligible, provided they can meet the admission requirements of the University of Georgia, Dr. Hilton said.

One requirement for admission is that at least 90 quarter-hour credits (equivalent of 60 semester credits) must have been earned in pre-veterinary subjects. These include 15 to 18 credits in English, 6 in mathematics, 10 each in botany, zoology, and inorganic chemistry, and 10 in animal, dairy and poultry husbandry.

Other requirements for admission, along with rules and regulations pertaining to the selection of students will be sent on inquiry to the Dean of Agriculture, N. C.

Group To Present Operas In Pullen Hall

The Music Theatre Repertory Group returns to State College for a second appearance of opera in English on Friday, May 27th, at 8:00 p.m., when it will present two one-act operas in Pullen Hall: *The Telephone* by Gian-Carlo Menotti, and *The Secret of Suzanne* by Ermanno Wolf-Ferrari, both comedies.

MTRG made its debut at State in November 1947 with Menotti's *Old Maid and the Thief*, and has since then been much in demand all over North Carolina, as well as making appearances in New York City and in Allentown, Pa.

State Students Will Help Select President

State College students have been invited to contribute their ideas in the search for the man to succeed Dr. Frank Graham as president of the Greater University of North Carolina.

Student opinion from each of the three units of the University is being solicited by the special Board of Trustees committee which has the responsibility of nominating the new president.

The Campus Government is polling students at State College to find what qualifications they think a new president should have, and if possible, which qualifications they consider the most important. The qualifications drawn up several weeks ago by the Greater University Student Council will form the basis for the State College recommendations, plus others which the student may wish to add.

The Student Council qualifications which were printed recently in the TECHNICIAN, were sent to Governor Scott and have since received high praise from the nominating committee.

A committee of students will present State College's views on the matter at a meeting of the Trustee's committee in Chapel Hill next Tuesday, May 24. The hearings will begin at three o'clock, and any students who wish to appear on their own will be given an opportunity to offer their suggestions. The emphasis at this time is on the most desirable qualifications to be used as a pattern, but the names of individual men may also be submitted for consideration.

job of Secretary of the club. Don is from Greensboro. He is the boy who made such a strong fight against Infantile Paralysis last season and whipped the dread disease.

State College. Students who go to Georgia under this plan will pay the same fees as residents of Georgia.

Since it will not be possible for all pre-veterinary students now enrolled in North Carolina colleges to participate in this plan, Dr. Hilton suggests that such students continue their efforts to gain admission to other colleges of veterinary medicine.

Applications must be made to the Dean of Agriculture at State College and not to the University of Georgia. The final date for receiving applications for this year is May 20.

Thompson New Head Of Monogram Club

Last week the Monogram Club held its annual election pow-wow and came up with four of the most capable men on the campus. The new officers include two footballers, one basketball player, and a boy who is a man's man.

Bill Thompson is the new president of the lettermen. Bill is a rising senior in the school of engineering and comes from Winston Salem. He is one of the faster ball carriers in the state, and will see much action next year on State's football squad.

Vice-President's chores will be handled by Vic Bubas, veteran basketball guard from Gary, Indiana. Vic should have his best season next year on a well-balanced squad.

Jim Byler, reliable football guard and shot-put artist on the track team, reclaims the Treasurer's post. Don McCormick will handle the

Band Officers

The North Carolina State College Concert Band elected the following officers for the coming year: Francis Clendenen, president; Howell R. Peele, vice-president; Ben Cahill, secretary; William F. Wilson, treasurer; Boyt H. Cathey, librarian; and Earl T. Justice, quartermaster. The retiring officers are Chris Pappas, Jr., president; Hurley King, vice-president; Paul E. Hine, secretary; Boyt H. Cathey, librarian (reelected) and James L. Higgins, quartermaster.

Ag Frolic

The annual Ag Picnic will be held Friday, May 27 at the Carolina Club from 5 'til 12. The picnic is held each year for the benefit of all Ag students and faculty and their dates. Every Ag student and faculty member is cordially invited to attend.

The menu will consist of fried chicken and soft drinks. There'll be fun for all—dancing, round and square, volleyball, and other forms of entertainment.

The Carolina Club is located two miles out on 15-A just west of Whispering Pines. Transportation will be furnished at Withers Hall from 5 'til 7, returning from 9:30 'til 12. Don't miss the best entertainment of the year at the Carolina Club, Friday, May 27.

BSU Installations To Be Held Sunday

The installation service for the newly elected officers of the Baptist Student Union Council will be held at the First Baptist Church Sunday night at 8 o'clock.

Both the newly elected officers and the old officers will be present and take part in the program. Ed Smith, retiring president, will have charge of the program until Ray Gilbert, incoming president takes over.

Regular church services will follow the installation service. Everyone is invited to attend.

Discussion Group

Dr. C. G. Brennecke, head of the Department of Electrical Engineering, will lead the final BSU Discussion Group tonight from 6 to 7 in Dining Room A of the College Cafeteria.

The topic for discussion is "The Christian In Industry." Tickets are still available at the BSU office in Pullen Hall.

Editor Goes To Work, A Wataugan A Week?

BY JAMES HOLLINGER

Have you missed your *Wataugan*? So has the Publications Board. Instead of the six scheduled editions, only two *Wataugans* have come out this year. The editor was paid \$40 a month for work that failed to materialize.

The Publications Board has withheld three checks from both editor Max Fowler and business manager Bill Ray for April, May, and June. Board secretary H. F. Dade hinted that further action of a more severe nature might be taken.

The board has agreed to give the editor another chance to publish more issues. It is certain that if the *Wataugan* continues to appear as infrequently as recent issues the administration will suspend its publication.

A system has been proposed for next year that will pay the staff with the completion of each issue. The system will provide the incentive to prevent any more laxity.

Editor Max J. Fowler admitted that he was negligent in not goading his staff to meet deadlines. Fowler confessed that he took on the job without enthusiasm. He claimed that copy was late and the organization was inadequate.

New Issue Next Week

Editor Fowler promised that edition number three will appear early next week. He intends to have number four ready by exam week. Editor-elect Ted Williamson hopes to put out a fraternity issues to gain experience for next year.

The *Wataugan* is supposed to appear six times yearly: October, November, January, February, April, and May. Two issues have been published and another is in the print shop.

Students Dismissed As Result of Faculty Rule

In a precedent-breaking disregard of a Student Council trial decision, the college Faculty Council ruled immediate dismissal for three State College students. This is the first case in which the faculty group has overruled a student council sentence.

All three students pled guilty to misuse of college property, several charges of drunkenness, and violation of conduct probation.

The Student Council ruled three term suspension for two of the students and one term suspension for the other, beginning with the Fall Term, but the Faculty council disregarded the sentence and demanded immediate dismissal of all three students for violation of conduct probation.

Band Concert

The State College Band will present an out-door concert at the State Hospital Sunday afternoon at 3:30 instead of at Memorial Tower, as originally planned. Mr. C. N. Carroll, Recreation Director at the hospital has been negotiating a long time for the band's appearance at the hospital, and numerous conflicts make it necessary for the final spring concert by the band to coincide with the hospital date, so all who wish to hear the band Sunday are invited to do so on the Dix Hill "campus."

Regimental Awards Announced For ROTC

Awards for the current school year were presented to members of the ROTC Regiment today at the noonday parade. The Regiment passed in review in honor of the award winners.

The awards as announced by the Military Department follow:

I Company, with Joe McDowell of Goldsboro commanding, won the Honor Company award. I Company is an Air ROTC outfit and it completely outclassed several ground forces companies.

The Honor Platoon is 1st Platoon, E Company, commanded by Louis Cramer, High Point. Outstanding ROTC Student award goes to Edwin Gentry, Greensboro.

Outstanding senior Infantry, Signal Corps, Quartermaster, and Engineer ROTC students are, respectively, Charles McCrary of Raleigh; James Caffrey, Virginia Beach; James Sharpe, Raleigh; and Preston Andrews, Charlotte.

The Outstanding Junior Quartermaster student is William McCorkle, Memphis, Tennessee. Outstanding Ordnance student is Errol Hayes, Elkin.

Second Year Basic award goes to William Boyd of Henderson, and John Poteat of Marion is the Outstanding First Year Basic Student.

The best individual shot on the Rifle Team is Edwin Armstrong, West Collingswood, N. J.

Off-Campus And Vet Villages

All mayors of the veteran's settlements please drop by the student council office and pick up questionnaires to be distributed in your settlement concerning the naming of a new Greater University president. Off campus students may drop a note to the Campus Gov't office suggesting a successor to Dr. Frank Graham.

Honor Society Taps 12 Leaders Wednesday

Twelve outstanding members of the rising senior class will be tapped into Golden Chain, top leadership society at State College, at the annual tapping ceremony on Memorial Lawn in front of Holladay Hall at 6 P.M. next Wednesday.

The membership of Golden Chain is limited to twelve active members during any one year. The graduating seniors choose their twelve rising senior successors in an impressive ceremony just before the end of each spring term.

R. Mayne Albright has been invited to make the principal speech during the tapping ceremony. The student body is invited to witness the selection of the twelve new links of Golden Chain.

The new links must be present at the tapping exercise in order to be taken into the society. There will be no absentee tapping.

Membership in Golden Chain is one of the highest honors that can be bestowed on a student at State College.

The organization was founded at State College in 1926. Since its founding, it has risen to the place of being the most coveted honor fraternity on the Campus. Its counterpart on other campuses is Omicron Delta Kappa.

Following the tapping ceremony there will be a Leadership Banquet in the cafeteria to which all incoming organization presidents have been invited.

PROBLEM IN ECONOMICS

(1) Multiply present rent by months until graduation; add cost of furnishings, heat, transportation, landlady fights, etc., etc. (2) Next, assume ownership of '41 house trailer, cozy room and car shelter attached completely equipped with Kelvinator, gas stove, permanent bed, etc., etc. Calculate resale value of property: add considerable savings from convenience of location, use of co-operative grocery and laundry, and subtract from present cost of \$950.00 to get long-run cost. If difference in (2) is less than sum (1), RUSH out to 218 Trailwood and close the deal.

\$25 REWARD: To the person who brings the correct answer to the economics problem appearing this issue to 218 Trailwood.

Pick Up Your Bed . . .

"Pick up your bed and walk" is a statement that could well be used in connection with the Trailwood moving problem.

On the first survey of the veteran's living area, it was found that 66 trailers and pre-fabs must be moved.

At a glance, the students who don't want to move seem to have a legitimate gripe, but the facts alter the case. When the veterans moved into the area, they were given no assurance that they would be able to remain until they graduated.

In fact, the original plan was to settle the vets beyond Rocky Branch; but the school, rather than have the present site of Trailwood bleak and bare when students were in such dire need of housing, decided to let the vets settle where they are now.

When the administration allowed the students to move in, it was understood that the area was under a long-range building plan.

Most of the students seem resigned to the fact that they must move. What they want to know now is, "Will the land we vacate be used immediately?"

An emphatic YES in the answer to that question! As soon as the area is emptied, 1200 feet of utility tunnels must be completed before any bids can be let on the building program. If the construction doesn't start in the near future, State College is likely to lose some of the money appropriated.

Plans for the new Agronomy building which will be erected in the area are almost complete, and will be finished before the completion of the utility tunnels.

The Agronomy building and a Horticulture building will be erected in the area now being occupied by the 66 trailers that must be moved at the end of this term.

None of the original residents will be forced to move in the near future, but long range plans show that a new library, a Student Union building, and 12 greenhouses will be built in the area now encompassed by Trailwood.

The administration realizes the hardship placed on the residents of the area and is doing everything possible to help the vets move to another area.

A contract has been let to move the entire 66 families to West Haven free of charge, and the students are being allowed to select their own lots in the West Haven area.

Every day that the students remain in the Trailwood area is another day's obstruction to a three and a half million dollar project.

Trailwood residents can rest assured that the area is direly needed for the building project.

Choose Wisely . . .

Now that Dr. Frank Graham has left Chapel Hill and the Greater University of North Carolina presidency seat, he is to be replaced by a man whose capabilities must run high.

A Board of Trustees committee is making up an ever-growing list of names of competent men, who can fill the job.

From this list, one man will be chosen to head the Greater University of North Carolina, of which State College is an integral part.

The Board of Trustees feels that the selection of a new president is of major importance to the students who will be effected, and they want the students to have a voice in the selection.

Your dorm assistant is distributing a questionnaire for you to fill out, suggesting qualifications a man must have to fill the position of Greater University President. You will also have the opportunity to suggest names of men who you think are capable of handling the tremendous task.

Give the problem some serious thought before you name a man. This consideration given the students by the Trustees is an indication of their cognizance of the fact that we exist.

Use your privilege wisely; let them know that we can handle the responsibilities of serious thought.

CHOOSE WISELY WHEN YOU NAME YOUR MAN.

Cut Off Your Nose . . .

Last week we ran an editorial on the Coca-Cola bottle situation. In the course of writing, we used the words, "our own thoughtlessness and carelessness." Maybe they were not the correct words, for an incident that happened early this week points strongly at such a deduction.

In every group, there are a few wise-guys that make it almost impossible for the majority to "get the breaks." There are some few that will cut off their noses just to spite their faces, as the old saw goes.

The group of students on Third Tucker who tossed bottles out the window, in close range of a man hired by the coke company to pick up stray bottles, certainly fall in that category.

The TECHNICIAN is not a police group, but we feel sure that we can say that Council action can be taken if certain students persist in the purely destructive, spiteful act of tossing bottles from upstairs windows onto the walks.

You can rest assured that the majority of students at State want to continue enjoying the service, so let's cooperate with the coke company and get those bottles back in the racks where they belong.

And you fellows in Third Tucker please quit CUTTING OFF YOUR NOSES!

What Do You Think . . .

The front page of the TECHNICIAN is a little different this week than it has been in the past. What do you think of it? Remember, the paper belongs to the students. We print what you want to read, within reason. Let the staff know how you like the paper, what you think of the crossword puzzle; do you want jokes?

Next Friday's paper is the final issue of the term. We plan to run a "Graduation Issue." Any ideas you have will be greatly appreciated. Seniors, let's have suggestions; next Friday is your day in the TECHNICIAN.

CG Officer Installation Tonight At Bon Air

Officers and representatives of the Campus Government for next year will be installed at a banquet tonight at the Club Bon Air. Dean J. B. Kirkland of the School of Education will deliver the installation address.

The banquet itself will start at seven and after it is over, the ceremony will begin. Fred Kendall, the retiring prexy, and new president Hoyle Adams will make a few remarks. C. B. Wessel will act as master of ceremonies.

Allison Davant and J. B. Owens have been in charge of arrangements for the banquet. In addition to Adams, the new officers being installed will be vice president Charlie Musser, secretary Gil Newton, and Hank Odom, treasurer. The retiring officers are Kendall, vice-president Ted Williamson, secretary Jim Gardner, and treasurer Preston Andrews.

Potts Grabs Porker And Pot Of Gold

Ted Potts, a first term freshman from Stadium Dorm, grabbed the greasy pig last Saturday night at Devereux Meadow and with it the honors and rewards of being King for a Day. He will be crowned with due pomp and ceremony, and accompanied by a queen—as yet unnamed—at the Freshman Dance May 28.

Open Forum Guest Letter

Chairman
Board of Publications
State College
Raleigh, N. C.
Dear Sir:

The books for the North Carolina Collegiate Press Association have just been closed out for this year with a balance of approximately \$108.00. This means that for the first time since the war the Association has running expenses for the coming year and can, without too many financial qualms, make specific plans for further administrative organization and further functional expansion.

I am convinced that the Association not only could not have planned for its future, but would have ceased to exist altogether had not you and the Board of Publications of State College so generously erased last year's deficit. I am sure I speak for the entire membership of the North Carolina Collegiate Press Association when I say thanks, and thanks again for granting us a lease on life this year. We hope to make it a profitable venture in terms of achievement for the Association.

Yours truly,
Ellen Metz (signed)
President, NCCPA
Ed. Note: The NCCPA could well thank Emmet Bringle, retiring president of the NCCPA for a job well done. The Ed would also like to second Miss Metz' letter.

SELECTION

Esquire, Inc.

With The Greeks

BY JACK MCQUINN

Plans for the Final Dances were announced Thursday at a meeting of the Inter-Fraternity Council. The Dance committee, under the chairmanship of Rodney Coleman, Sigma Chi, has done well in signing "Skitch" Henderson. Though Skitch, in my opinion, isn't in the same league with "Ghost Rider" Vaughn Monroe, or perhaps Tommy Dorsey, his appearance here at State represents a fine approach to the yearly gripe about "name bands."

Due to a conflict on dates, the Finals will be held in Frank Thompson Gym, instead of Memorial Auditorium. And, of interest to many will be the Council's solution on how to stay within the Gym's 1200 person capacity as specified by Chancellor Harrelson. The approximately 800 fraternity men on the campus will be allowed one bid which will be good for one, and only one, person. The remaining 400 date bids will be distributed among the various fraternities according to their total membership. Considering the fact that each fraternity in the past has had bids to spare for the Finals, since many of the brethren don't stay for the Dances, it is unlikely that anyone will go wanting for a date bid.

Horseradish to Meredith College's Dating Rules Committee for their stand on fraternity houses and dancing. As everyone knows, it's "taboo" for any Meredith student to cross the threshold of a frat house or to dance except on special occasions. This point has been brought very close to home lately, and frankly, the rule seems not only archaic but a doggone nuisance! Lets hope that by next year these wellmeaning Baptists wake up and look around at their neighbor institutions. Then, let there be a "Renaissance," which other girls' schools experienced 20 years ago.

On tap this weekend will be the first Annual Pi Kappa Phi Inter-Fraternity Sing. Sponsored by the Pi Kapps, the Sing will be held at

7:00 Friday evening in Pullen Hall. A long silver loving cup will be presented to the winning fraternity. Pi Kappa Phi and Alpha Gamma Rho will present their Annual Rose Ball Saturday night at nine in Frank Thompson Gym. Music will be by Sonny Coble. Extra bids may be had by contacting Brothers of either fraternity.

Competition was strong at the Inter-Fraternity Track Meet last Friday. However, the final run-offs down at the Track next Monday at four will be keener by far. Pi Kappa Alpha, Sigma Chi and Sigma Nu looked particularly strong in the preliminaries.

Hillel Foundation Elects Officers

At the bimonthly meeting of the Hillel Foundation on Wednesday night May 11, yearly elections were held.

Julius Lasnick was elected President, Johnny Bardavid, Vice-President and Leland Greenberg Secretary-Treasurer.

The retiring officers for this past year are: Leonard Katzin, President, Eugene Glock, Vice-President, and Sam Filreis, Secretary-Treasurer.

The Hillel Foundation at State College, in conjunction with the Foundations at UNC, Woman's College, and Duke held their annual Spring Picnic at Chapel Hill, on May 15.

Outing Club Weekend At Beach Successful

The N. C. State College Outing Club succeeded in another experiment last weekend. The club spent Saturday and Sunday at Long Beach, N. C. The occasion was a mixed house party, and everyone reported the venture a big success.

Tomorrow night the Outing Club is planning a second square dance at the Fairmont Fellowship Center at 7:20. Several colleges are expected to be represented at the dance. This is an indication of future intercollegiate Outing Club activity.

There will be the usual Sunday afternoon hike or picnic starting

from the YMCA at 2:00. The NCSOC welcomes anyone from the college community to join these short hikes—something that may in time become a State College tradition.

Announcements and sign-up lists for outings may be seen on the bulletin board at the main entrance of the Y.

Next weekend, the Outing Club is considering an overnight trip to the mountains above Winston Salem. This will probably be the last outing until the end of the Spring Term.

The summer program has not yet planned, but it will have its climax when members of the NCS Outing Club and their friends attend "College Week," the annual fall intercollegiate get-together in the mountains.

Replacements Named In Military Dept.

Two new officers have recently joined the staff of the Military Department at State College, it was announced Wednesday by Colonel Samuel A. Gibson, PMS&T.

Major Chester D. Neilson, Ordnance Department, of Bennington, Kansas has joined the staff as Senior Instructor in the Ordnance Department of the ROTC unit.

Major Nielson served overseas from 1943 to 1945 in the European Theater with the 75th Infantry Division and with the U. S. Constabulary from 1946 to 1948. He is a graduate of Kansas State College, Class of 1940.

Captain Leo Rachmel, QMC, of Richmond, Virginia is the second addition to the military staff.

The new instructor will serve in the Quartermaster Corps of the unit here. He served Overseas in Iran from 1944 to 1945 with the Persian Gulf Command and in Japan from 1946 to 1949 with Headquarters 8th Army and Headquarters 24th Infantry Division.

Diggin' Discs

BY PAT DOWNEY

The biggest question that arises from anyone that has even the slightest interest in music is, "What is this thing called Bop?"

The best answer to this question is on two sides of a ten-inch record that was put out by the Capital Recording Company for demonstration purposes.

The record is put forth in a way that anyone can understand, no matter how meager his knowledge of music may be. The narrator traces jazz from its very beginning in New Orleans up to the Be-Bop of today.

Along with this narrative, there are short excerpts taken from records that typify each stage in the progress of jazz.

If you have ever wondered what this new music is and how it was originated, stop in a record store and ask the man to play it for you. In six minutes you will learn a great deal about the new jazz, and you may even find out enough to like it!

Now that Petrillo is back in his corner and the record ban has been lifted, things are finally coming back to normal in the wax industry. Records are flying off the press like smooos, and the ardent collectors are quite busy trying to keep up with all the new releases.

The newest and prettiest pop tune is a thing called *Some En-*

chanted Evening. This tune is from the new Broadway show, *South Pacific*, that has taken the "Way" by storm. It has been recorded by just about everybody, but the best sides so far have come from Frank Sinatra and Jo Stafford.

Benny Goodman has recorded *The Hucklebuck*, and the band leaves nothing to be desired in this Paul Williams tune. Wardell Gray blows some very groovy tenor, and there is a vocal explaining the finer points of this new dance called the *Hucklebuck*.

Charlie Barnet's latest effort is a thing called *O'Henry* that is backed by a Billie Holiday classic, *Easy Living*. *O'Henry* is a Bop tune that includes bongoes, congos, and a bop vocal. The band sounds very good except for some tasteless antics from the trumpet section toward the close of the record.

The high-light of the side is an alto chorus that is exceptionally good. *Living* is a ballad style tune with a very poor imitation of *Lady Day* by the band's vocalist.

Norman Granz has come out with another album of *Jazz At The You Know What*. This one is called *Just Bop*, and any similarity between the title and the music played is strictly coincidental. Wardell Gray takes the honors for the best performance, but even he is not up to his usual standards. Vido Musso also ran.

Lancaster Initiated Into Theta Tau Group

Associate Professor Forrest Wesley Lancaster was initiated as an honorary member of Theta Tau, Rho Chapter, May 11, 1949.

Professor Lancaster was born in Sumner, Illinois, November 29, 1902. He attended Purdue University and received his B.S. degree in Chemical Engineering in 1922 and his M.S. degree in 1926.

Professor Lancaster worked on his Ph.D. at Purdue University; he is now completing this work at Duke University. He came to North Carolina State College as an Assistant Professor of Physics in 1930. During the summers of 1931, '32, and '34, he did graduate work at Indiana University.

In 1941, Professor Lancaster became an Associate Professor of Physics at North Carolina State College the position which he holds now. He holds several patents and

has written at least a dozen articles and books for publication.

Societies in which Professor Lancaster is a member include the Southeastern Section, American Physical Society; North Carolina Academy of Science; S.P.E.E.; Tau Beta Pi; and National Geographic Society. He is also a member of Delta Chi, social organization.

Professor Vaughan Retires July 1

Professor L. L. Vaughan, director of instruction in the School of Engineering at N. C. State College, will be retired at his request on July 1 after 41 years of service on the institution's faculty, Dean J. H. Lampe announced today.

Professor Vaughan has been connected with State College since he entered as a freshman in 1902, with the exception of two years, 1909-11, spent at Columbia University.

Most of Professor Vaughan's professional work has been in the field of heat power. He has specialized principally in heating and ventilation and is largely responsible for the plan and general arrangement of the college power plant and heating system.

In 1947, Professor Vaughan was honored by the North Carolina Society of Engineers, when it bestowed upon him the annual award for "outstanding engineering achievement." The citation accom-

ppanying the award from the society said in part:

"Professor Vaughan is an outstanding teacher and a man of broad civic and religious interests. He is an ideal combination of the theoretical teacher, research man, and practicing engineer. As a heating and heat power engineer, he can instruct students by pointing to his own handiwork."

During his tenure at State College, he worked his way up from the rank of instructor to head of the Mechanical Engineering Department. Under his direction, the department was brought to a foremost position in the South and nation.

Professor Vaughan was on leave of absence from the Mechanical Engineering Department from 1942 to 1945, when he served as acting dean of the School of Engineering. In July, 1947, Professor Vaughan resigned as head of the Mechanical Engineering Department and since that time has served as director of instruction for the School of Engineering.

In honor of Professor Vaughan, the North Carolina Association of Plumbing and Heating Contractors

established the "L. L. Vaughan Professorship in Mechanical Engineering."

In addition to belonging to many professional and learned societies, he is listed in Who's Who in Engineering, American Men of Science, and Who's Who in American Education.

He is a member of the American Society of Mechanical Engineers, American Society of Heating and Ventilating Engineers, Society for the Promotion of Engineering Education, North Carolina Society of Engineers, Raleigh Engineers Club, and past chairman of the Raleigh Section of the American Society of Mechanical Engineers.

Besides holding membership in Tau Beta Pi, Sigma Xi, and Phi Kappa Phi scholastic fraternities, Professor Vaughan is a registered engineer in North Carolina and is a charter member of the Pine Burr Society, a member of Pi Tau Sigma professional fraternity, an ex-member of the Civitan Club, and an alumni member of Sigma Chi social fraternity.

"If safety records were news..."

If safety were spectacular, it would be front-page news that Bill Jones and other telephone men drive 55,000 vehicles more than a million miles a day—with one of the nation's lowest accident rates.

Today, for example, Bill will drive a lot of miles. He'll guide his familiar green telephone truck through the heavy traffic of shopping centers, he'll go along quiet streets where children play, he'll travel lanes and highways at the edge of town. And every mile, every turn, will always

be driven steadily and carefully.

You see, Bill and the telephone company consider good driving as much a part of his job as installing a telephone. The truck which Bill drives is checked and serviced regularly, so it's always safety-perfect. And Bill gets a lot of training in safety—training that covers all phases of his work.

Bill has helped put together one of the best safety records in the country. It's a record we're proud of—and so is Bill.

AGR-Pi Kappa Phi Sponsors

The Fraternities of Pi Kappa Phi and Alpha Gamma Rho will hold their first annual Rose Ball Saturday night, May 21, in Frank Thompson Gymnasium, from nine until midnight. The sponsors for the ball, who are pictured above are: top row, left to right: for Pi Kappa Phi, Miss Frankie Meadows, Kernersville, for John Fox, Jr., Randleman, President; Miss Marjorie Law, Pelham, for Lewis Reep, Lincolnton, Dance Committee chairman; Miss Anne O'Brien, Raleigh, for Fred Kendall, Jr., Johns, Dance Committee; Miss Rachel Reade, Burgaw, for Bob Anderson, Raleigh, Dance Committee. Bottom row, left to right: for Alpha Gamma Rho: Miss Betty Moore, Charlotte, for Silas Little, Charlotte, President; Miss Jean Current, High Point, for Ralph Pardue, Yadvinville, Dance Committee Chairman; Miss Jean Pope, Mt. Olive, for Bill Potts, Mt. Olive, Dance Committee; Miss May Stone, Duke University, for Tab Williams, Dance Committee. Pictured in the center are the two sweethearts who will reign as Queens of the Ball. At left is Miss Dorothy Weathers, Franklinton, Sweetheart of Alpha Gamma Rho, who will attend with Pete Austin; at right is Mrs. Betty Queen, Morganton, Rose of Pi Kappa Phi, who will attend with Ray Queen, also of Morganton.

Chemical Fraternity Honors Eleven Men

On Wednesday evening, May 11, 1949, eleven new men were initiated into the Alpha Beta Chapter of Gamma Sigma Epsilon, national honorary chemical fraternity. Each year Gamma Sigma Epsilon elects its new members from outstanding students who have distinguished themselves in the field of chemistry. Members are selected on their character, scholastic standing, and ability in their field of chemical study.

The following men were initiated into the N. C. State College Chapter of Gamma Sigma Epsilon: William H. Blalock, Reidsville, N. C.; William H. Boyd, Jr., Henderson, N. C.; Waveland D. Davis, Winston-Salem, N. C.; Clifford T. Foster, Jr., Burlington, N. C.; Carl J. Howell, Jr., Concord, N. C.; John E. Hunter, Jr., Raleigh, N. C.; Henry R. Ireland, Greensboro,

N. C.; Paul D. Miller, Jr., Statesville, N. C.; Ernest G. Seaman, Norlina, N. C.; David M. Shumford, Arden, N. C.; John C. Umberger, Durham, N. C. Refreshments were served after the initiation ceremony.

Gamma Sigma Epsilon was founded at Davidson College in 1919 and today has chapters in seventeen universities throughout the country. At N. C. State College the Alpha Beta Chapter awards each year the Gamma Sigma Epsilon cup to the senior judged most proficient in chemistry. This year Solomon P. Hersch, Senior in Textile Chemistry and Dyeing from Winston-Salem, N. C. was awarded the cup.

Newly elected officers of the Alpha Beta Chapter are James Floros, Grand Alchemist, Charlotte, N. C.; R. Steve Thomas, Jr., Recorder, Lexington, N. C.; Harry J. Suggs, Visor, Gastonia, N. C.; John S. Noell, Sergeant-at-Arms, Raleigh, N. C.; and Dr. W. A. Reid of the Department of Chemistry as Faculty Advisor.

Scholarship Day

The following scholarship awards and their recipients are continued from last week's TECHNICIAN.

Award: Pi Tau Sigma—Marks Handbook.

Recipient: Jack Graham McCracken, Sophomore, Mechanical Engineering, Kernersville, N. C.

Basis of Award: Mechanical Engineering sophomore with highest scholastic average. (Does not include transfer students.)

Donor: Pi Tau Sigma.

Award: Gamma Sigma Epsilon Cup (Chemistry).

Recipient: Solomon P. Hersh, Senior, Textiles, Winston-Salem, N. C.

Basis of Award: Senior making the best record in Chemistry. (Engineering, Agriculture, and Textiles.)

Donor: Gamma Sigma Epsilon.

Award: Tau Beta Pi Cup.

Recipient: Bobbitt Vitalis Correll, Junior, Electrical Engineering, Mebane, N. C.

Basis of Award: The senior engineer having the highest scholastic average through the sophomore year.

Donor: Tau Beta Pi.

Outstanding Student in the School of Engineering. (Duplicate award due to vote of Committee.)

James A. Reece, Senior, Civil Engineering, Cramerton, N. C.

Phillip St. John Moore, Jr., Senior, Mechanical Engineering, Norfolk, Virginia.

TEXTILES

Award: The National Association of Cotton Manufacturers Certificate and Medal.

Recipient: James Grayson Middleton, Senior, Textiles, Wilmington, N. C.

Basis of Award: Most proficient student in the Textile Graduation Class. Must have attended N. C. State College during his junior and senior years.

Donor: National Association of Cotton Manufacturers.

Award: Phi Psi—certificate and embossed wallet.

Recipient: Frank Camp Williams, Jr., Senior, Textiles, Roanoke Rapids, N. C.

Basis of Award: Scholarship, initiative, personality, loyalty to work, and courtesy.

Donor: National Office of Phi Psi.

Agromeck Notice

Any man who had a sponsor in the Feature Section of the Agromeck may pick up a copy of the yearbook for his sponsor any afternoon next week.

Andrews Named Vice-Chairman Of GUSC In Final Meeting

The Greater University Student Council climaxed its opening year with a combination business and dinner meeting Sunday, May 15 on the State College campus.

Election of officers for the 1949-50 school year highlighted the final meeting of the current year.

Preston Andrews, outstanding engineering student at State College, was elected Vice-Chairman of the Council. Dorth Warriner of UNC was seated as the 1949-50 Chairman.

Miss Helen Eppe of the University was unanimously acclaimed Secretary of the group, and Miss Glenna DeWitt of Woman's College was named treasurer.

Hank Odom and Avery Brock were selected as State's representatives to the Greater University Day committee.

The Council named September 24, the day that State and Carolina open their football schedules, as the first annual Greater University Day.

G. U. Day will be something new in the history of the three units of the Greater University of North Carolina.

Buses will afford free transportation to Chapel Hill for State students, where they will be met by the Woman's College and University student groups.

Tickets to the football game will be issued to each unit so that the ladies from WC will be intermingled with both State and Carolina students.

Cheerleaders from the three units of the Greater University have been delegated to work out a half-time theme which will exemplify Greater University Day.

Plans include a yell by the combined schools with a definite Greater University flavor, a Greater University emblem to be worn by each cheerleader, and band maneuvers denoting G. U. Day.

The Greater University Student Council is a newly formed group that has as its main aim the fostering of better feeling between the three units of the Greater University.

WANTED: Small apt. for summer.

Contact W. A. Cole, Room 226, Phone 9252, Owen.

New Vetville Council Makes Future Plans

BY ED ROBINSON

E. D. Stevens, newly elected mayor of Vetville, announced this week that he and his committee of ward aldermen are making extensive plans for the future of Vetville.

Mayor Stevens and his committee have been busy arranging for necessary improvement in the community. A large sign has been erected at the Vetville entrance for the benefit of visitors, and other directory signs are in the making.

E. H. Self, Harry McLeod, and Bob Foster, committeemen on this project, hope to eliminate the confusion which delivery services and taxis meet in not being able to locate the correct apartments.

Proposed Projects

A new directory of all Vetville residents will be published in July, and work is progressing on a much-needed directory for each ward telephone.

The Mayor also stated that general improvements in conditioning of streams bounding the Vetville area have been requested for health purposes and beautification.

War will soon be declared on the mosquitoes infesting the area. Earl Carter heads the committee in charge of distribution of poison.

Increased Recreation

Recreation funds have been voted by the council to sponsor building of outdoor fireplaces in each ward, and a picnic will be given for each ward during the term.

Stevens also stated that Sports Director Harry McLeod has obtained prices on equipment for some sports, and as soon as the costs are estimated, an appropriate sum will be donated.

Tennis court plans are being laid at the present for the benefit of the residents, and Vetville should soon have its first sport in which women can participate.

Improvements Made

Improvement of the railway crossing, installation of a street light, and general improvement of walks leading to the campus are the major projects agreed on by the council. The group also hopes to have some influence in the adoption of more equitable parking on the campus, since Vetville accounts for a large portion of the drivers who come home daily with parking tickets.

A request for bus service to Vetville and West Haven has been made, and with cooperation from the residents there is no need for failure.

Beautification

Fred Brown has been appointed Beautification Chairman, and the call for "clean-up" had already echoed through the little village. Brown states that it is the duty of every citizen to keep his grounds clean and the grass cut, so that the beautification program will be successful.

Don't forget that Secretary of State Thad Eure will make his talk at the Vetville Y tonight at 8.

Ag Club News

Attention Ag Students! Think up some new jokes and stories and come out to the Ag Club meeting this week.

According to John Hollowell, president of the club, the primary elections will be held on Tuesday night, May 24, and the final elections will be held the following week. There will be a short program on both nights.

Cameron Wins Award In Design Contest

Albert Barnes Cameron of Charlotte, a junior in the Department of Architecture of State College's School of Design, has been named one of four students to receive a mention award, the top citation, in a nation-wide competition, Dean Henry L. Kamphofner announced Wednesday.

The competition, Dean Kamphofner said, was sponsored by the Beaux-Arts Institute of Design of New York City. A total of 372 students from many of the leading schools of architecture in the United States competed in the contest.

Cameron received recognition by the institute for his design of a private seaplane base. His drawings will be published in the spring issue of the institute bulletin.

James W. Fitzgibbon, associate professor of architecture, supervised Cameron's work.

FRANKLY SPEAKING

By Frank Pettinelli

This September a premature Xmas gift will arrive at State College at the hands of our brethren from "Shapel Hills" in the form of one John Kenfield, Jr., the good-looking former tennis singles star whose monicker will be a welcome sight to all State tennis enthusiasts. Mr. Kenfield, the son of the famous Carolina coach will take over the position vacated by Walter Seegars come the new school year and football.

Although he looks like a rising junior, John is a rising father of three at the age of 27. At the present time he is working on his M. S. at the "Hill" and he is due to wind up the life of a student in August. John saw service in the AAF

where he received the Air Medal and the DFC as a sergeant. We would like to wish John the best of luck in his first assignment and extend a hearty welcome to him on behalf of the sports department of the TECHNICIAN.

Irvin Page, the formidable right handed youngster from Wilson, N. C., who lowered the boom on Wake Forest last Saturday evening with a curve that rippled like Sadie's biceps, was not even listed on the varsity baseball roster at the beginning of the season. No doubt everyone is glad that his name finally found its way around to that varsity roster, and we all would like to see it on that sometimes lacking list, for the next three years.

Coach Sorrell was impressed with the hustle-bustle the team showed against the Deacs, and he sincerely believes the Pack just had their number that night. He also was very impressed with the dunking he received (while in class "B" uniform) in the State pool after the game by the somewhat jubilant horsehiders. Anyway, our slightly damp baseball mentor is looking forward to the return engagement tomorrow and we all hope Frank Thompson pool will still be full of that famous shock-absorbent chlorine water.

Leo Katkavek, former State basketball and baseball star, is burning up the not so combustible Coastal Plains League. Besides having a batting average that hovers around the coveted .300 circle, Leo set a new league record this Tuesday by blasting nine runs across the plate, while getting a home run and a triple for Goldsboro. Wonder if coach Sorrell would mind having the Connecticut "Kat" playing the infield once again for State.

Leo's former teammate on the Washington Capitals, of the BAA loop, Bones McKinney is scratching his head these warm days wondering whether or not he will be packing his suitcase come the first dribbles of pro basketball, since his name has been mentioned as a possible candidate for head coach of the Caps. Prediction: Bones will be packing, and Leo will probably meet him at the station headed for the home of Harry Truman.

Many people were sorry to hear that Raleigh will not be the site of next year's NCAA basketball playoffs. I myself was slightly disappointed at first, but it seems as if the Dixie Bowl classic will suffice for the opening of the coliseum and the incipient stage of a new and great era of basketball in the Southern Conference. However, the people of North Carolina who are interested in the possibilities of having the NCAA playoffs held here in Raleigh during '51 should write to their local papers and really express their desire to see the gala hoop event migrate to the campuses where it really belongs. This is more than a State College problem; it is the concern of every individual connected with or interested in the development of basketball in Dixie.

State's track team have wound up the season with a so-so record of 3 wins and 2 losses. They have not had the "umph" for a long while. It seems as if one or two boys are outstanding, but the majority of the young gentlemen who caper around the cinder trail find the tape a difficult piece of ribbon to break. In the past it was Mike Andrews the one man show who carried the ball for Tom Hines. Last year it was Chambers; this year Goldberg. We hope that promising Tyler Wadsworth the freshman flash will receive some support next year.

Football season is still a long way off but as Pierre the hair dresser says "Tempus Fugit." We were over at Carolina watching State's intramural squads come in second behind U.N.C. when an industrious boy in the school of commerce, with reflections of

(Continued on page 11)

Hank Utley

Three hits by Hank helped State's diamond dabblers to beat Wake Forest last Saturday night under the arcs at Devereux Meadow. He will be covering the hot corner again this Saturday night against the Deacs with hopes of knocking out a few more damaging blows.

Track Meet Held At Carolina Today

State College will journey to Chapel Hill this afternoon to participate in the finals events of the Annual Southern Conference Track Championship meet.

All of the teams in the conference will probably take part, except for George Washington which is not expected to send any representatives. The favorites to cop the team title are the University of North Carolina, University of Maryland, Duke, and V.P.I. in that order.

Coach Willis Casey has most of his track squad entered in the track and field events, but is relying on three key men to rack up the points for the Red and White. Jim Byler in the shotput, Herb Goldberg in the dash, and George Pickett in the high jump are the State standouts.

In the shotput, Byler will be backed up by Dusty Dostanko, while in the dashes, Sanford and Orrmins will be close behind Goldberg.

In the distance events, Coach Casey has a number of men who may show up well in the running contests. Hunter, Davenport, and Vernon are all able runners who excell in the one and two mile events.

Joe Davis, the man who personally collected 13 points against South Carolina will be the trackster to watch in the broad jump, javelin, and the low hurdles. Against the gamecocks of S.C. he collected first in the broad jump and the 120 low hurdles and also was second in the javelin throw.

Brackett Cops CGA

Maurice Brackett, one of State's star golfers, won top honors in the Carolina Golf Association's one day tourney held Wednesday at the Raleigh Golf Association with the low round of 33-35-68.

Brackett competed against fifty-one golfers in the ninth of a series of 24 being conducted by the CGA. George Pressinger, also a member of the State squad, shot a 35-36-71 to attain the best low gross score of the day.

Pack Downed By Duke At Durham, 3-2 Meet W. F. Saturday In Meadow

Ayers Wins Own Game With 2-Bagger In 7th

Duke University's lanky right-hander, Bud Ayers, won his own ball game Wednesday afternoon when he lashed out a two run double into leftfield in the seventh inning to defeat State College by a score of 3-2. The game had been tied up in the second inning on singles by Fowler and Cheek, and remained deadlocked until Ayers drove across the winning run in the seventh, giving him credit for both of Duke's victories over State.

Fowler and Cheek led the batting for State with two safeties each and Ernie Johnson went the distance, being charged with the defeat. Johnson was touched for a total of nine hits while Ayers gave up seven. Both teams played errorless ball throughout the game. A fourth Duke tally was prevented by a rifle-like peg from Bill Mussack in rightfield to Bill Fowler at the plate, catching Stu Erickson attempting to score after a fly out. This loss gave the Pack an even break in the four games series with the Methodists.

Frosh Continue Streak

The red hot State College freshman team won their eighth consecutive victory in Big Four competition Wednesday afternoon by defeating the Duke University Blue Imps by a score of 7-3. This winning streak started after the Cubs had dropped their first three encounters to Big Four competition. Tom Garner went the route for the Wolflets, chalking up his second victory of the season while scattering seven hits. Meanwhile, the Pack was blasting out eleven bingles off the slants of three Duke hurlers. Each team made two errors.

Burkhart and Smith led the hitting attack for State with three hits each, while grid stars Paul Dinan and Walt Ferrell got four baggers, both with the sacks empty.

Here is the box score:

| State | Ab. | R. | H. | O. | A. | E. |
|-------------------|-----|----|----|----|----|----|
| Evans, cf | 3 | 0 | 0 | 5 | 0 | 0 |

Statemen Out For 2nd Win Under Arcs

In what is expected to draw the largest crowd in the history of local collegiate baseball, the State College Wolfpack and the Deacons of Wake Forest will meet tomorrow night at Devereux Meadow in the final game between the Wake County rivals. Game time is set for 8 o'clock.

The Deacons will be out to avenge the 7-5 licking handed them by the locals last Saturday. Coach Lee Gooch is expected to call on his ace left-hander Moe Bauer who holds three victories over the Pack this season. Irvin Page is expected to get the nod from Coach Vic Sorrell.

A win for the Pack would virtually assure them of a second place in the Big Four race. The Deacs have already clinched the Big Four pennant.

Thirdbaseman Hank Utley, centerfielder Bill Evans, and leftfielder Don Cheek, who have supplied the punch in the Pack's last two wins, will be out to make the evening miserable for the visitors.

This will be the last home appearance for Capt. Bill Evans, Hank Utley, Bill Mussack, Pinky Gardner, and Ernie Johnson.

Next Wednesday the Pack journeys to Elkin, N. C., where they will close the season with a game against the semi-pro nine from Chatham Mills.

The frosh will meet Carolina Tuesday night at Devereux Meadow in a game that can well decide the frosh championship in Big Four competition. Dave Baxter's young charges have a record up to date of 9 wins and 3 losses. The Tar Heel frosh have an 8-2 record with one game scheduled against the Baby Deacs before they meet the high-flying State frosh.

Shoestring Catches

BY BOB CURRAN
JOHN NORRELL

If any of you three faithful readers are fortunate enough to get the "sheepskin" from State, you'll probably return here in future years as alumni. If per chance you return during a baseball season in 15 years or so, and a young lefthander is pitching for State; check and see if the name is Norrell. John Norrell, our tall shortstop, is spending his spare time grooming his young son to be a southpaw hurler.

After spending two years in the Wolfpack infield, John has definitely decided that his young'un isn't going to follow in his footsteps. John played first base for State last year, and this year he played shortstop till a hand injury caused him to be benched. Next year "Long John" plans to do some hurling himself.

Since Jack McComas has left the team, John has the sole honor of being the only Yankee (not the carpet bagging type Senator) on the squad. John calls Chicago, Illinois his home, but at the present time he's a native of State's ever increasing Vetville.

While not playing baseball, John spends considerable time at the "Mill" studying Textiles, where he is quite a wheel. He was recently elected president of Sigma Tau Sigma, honorary textile fraternity. Before John matriculated (enrolled, that is) at State, he spent 4 years in the Marines looking for old Monty's halls. Three of the years were spent in the South Pacific swatting mosquitoes, plus the four he'll spend here at State; make a total of seven years overseas.

FRANK PAYNE

The name of Frank Payne may be new to a lot of you State men, but to Vic Sorrell it's the name of his number one pinch hitter. Frank is also the number one replacement in the outfield, and since "Buster" over at Little Moores has been giving a free meal to each State man that hits a home run, he is anxious to get back in the ball game and start eating.

Frank comes from Charlotte, North Carolina where he played for Harding High School and last year he played on Curt Ramsey's B team. Next year he is going to be one of Vic's regulars in the outfield.

During the off season, Frank ardently participates in whatever sport is in season. He also spends much of his spare time taking an active interest in the newly formed American Society of Kitty Hawkers which doesn't pertain to airplanes bub. I hear tell it's got quite a membership.

Sorrellmen Score Wins Over W. F. And Clemson, 7-5; 6-1 As Utley Shines

BY HARVEY JACKSON

State's hefty Irving Page handcuffed the Wake Forest Demon Deacons Saturday, tossing a nifty eight hitter while his teammates were cracking out an equal number of hits in winning, 7-5. Page was master of the Deacons who were previously undefeated in Southern Conference play. He gave up two runs in a wobbly first frame, but settled down to pitch five hit ball until the ninth, when the Baptists collected three more.

Third sacker Hank Utley was the big noise at the plate, getting three for five. He banged out a single and a double off lefty Moe Bauer, Deac starter, and then chalked up another bingle off reliever Vander Clute.

Wake Forest started the game with a bang, taking a 2-0 lead in the very first inning. The Pack battled from behind with single runs in the second and third, and after the Deacs went ahead, 3-2, in the seventh, State again knotted the count with a single marker in the home half of the seventh frame.

At this point the Demon Deacons dropped behind for good.

Bill Fowler led off for State in the eighth with a walk and Wily Warren bobbled Ben Cathey's grounder. This put two men on with no outs. Buck Livingston singled to load the sacks and Vander Clute then uncorked a wild pitch to let Fowler romp home with the tie-breaker. Cheek scored Cathey and Livingston with a double into right, and stole third on a full wind-up by Vander Clute. Mussack then drove out a sharp double to score Cheek and put the game on ice for the Wolfpack. Wake Forest tallied a couple of

runs in the ninth but could never catch up with the determined West Raleigh boys.

Tigers Beaten

State made it tough for the number two team in the Southern Conference Monday when they dumped the Clemson Tigers, 6-1. This almost killed any hopes the Tigers had of overtaking the pace-setting Demon Deacons.

Sophomore Bob Smith performed like a veteran on the hill as he scattered eight Clemson hits, all singles. Willie Evans and Don Cheek led the boys at the plate, each hitting safely twice. One of Evans' hits went for a double.

State gave Smith an early lead, scoring two runs in the first inning on one hit and three Tiger errors. They tallied again in the second frame when Hank Utley doubled home Bob Smith who had drawn a ball on balls. Evans added insult to injury in the eighth, driving home Cheek, Buck Livingston, and John Norrell, all who had singled ahead of him.

Cindermen Bow To Duke In Last Meet

Winning only one first and five seconds out of the twenty-eight first and second positions, the State College track team dropped its final meet of the season Saturday to a potent Duke team.

The Blue Devils, led by Tommy Reeves and Jim O'Leary, amassed 100 points to 26 for the Wolfpack. Herb Goldberg, the fast State sprint man, was the only man on the team to capture a first place. Goldberg's first came in the 220 yard dash. He broke the tape in the excellent time of 21.9 seconds.

The loss left State with a sea-

son's record of three wins and two defeats.

Summaries:

Mile run—Marshall (D), Ellsworth (D), Hunter (S). Time—4:40.
Shot put—O'Leary (D), Byler (S), Friedlund (D), 50.2 seconds.
440—Young (D), Bullock (D), Orrmins (S), 50.2 seconds.
High jump—Colvin (D), tie for second between Pickett and Sanford (S), 6 feet, 1½ inches.
Discus—O'Leary (D), James (D), Jackson (D), 143 feet, 2 inches.
100—Davis (D), Reeves (D), Goldberg (S), 10.1.
High hurdles—Reeves (D), Watt (S), Colvin (D), 15.4.
Pole vault—Bowles (D), Connor (D), Colvin (D), 12 feet, 6 inches.
880—Bullock (D), Miller (D), Raspberry (S), 2:03.2.
Javelin—Cheek (D), McKeown (D), Dunham (D), 169 feet.
220—Goldberg (S), Young (D), Davis (D), 21.9 seconds.
Broad jump—Bridge (D), Davis (S), Reeves (D), 22 feet, 1¼ inch.
Two mile run—Spach (D), Hunter (S), Griffith (D), 10:30.0.
Low hurdles—Reeves (D), Davis (D), Davis (S), 24.3 seconds.

Racket Men Bow In Tourney At U.N.C.

The Southern Conference Net Tourney held in Chapel Hill on May 12 through May 14, proved to be shortlived for the members of the State College Tennis team.

Bill Weathers, No. 7 in the tournament, fared the best for the Pack. Weathers received a bye in the first round, defeated Charlie Rice, number four, of the Carolina team, in the second round; but was finally stopped by Galloway of William and Mary in the third round by the score of 7-5, 7-5.

"Cubby" Culbertson followed Weathers in scoring major triumphs in the tourney. Cubby was victorious over Ozenberger of William and Mary in the first round, but was dropped in the second by Lew McMasters, initial man of the Blue Devil squad.

The other men entered in the singles did not survive their first match. Monty Montessanti was defeated by Galloway of the Indians; Bob Burns dropped his contest to Clark Taylor of Carolina, and Bob Hurt was bowled over by Jim Robertson of the University of Maryland. Caldwell Ragan did, however, receive a bye in the first but lost to Jim Wesley of Duke in the second round.

The doubles entries of the Pack did not do much better. Weathers and Ragan received a default in the first, but were stopped by Duke's McMasters and Hicks in the second stanza. Montessanti and Burns drew perhaps one of the most difficult assignments of the whole tourney when they met the number one seeded doubles team composed of Vic Sexias and Clark Taylor in the first round and were defeated before they ever got started.

Booters Upset U.N.C. 1-0, In Practice Game

Last Saturday at Chapel Hill, State's new varsity soccer club defeated the experienced Carolina squad 1-0 in a practice game. Three weeks prior the same teams met with the Tar Heels victorious by a 3-1 count.

The Wolfpack coach, Eric DeGroat is well pleased with the improved play and teamwork which led to the victory.

The soccer team's first full season will begin next September with daily workouts. Eight games have already been booked. Two each with Carolina, Duke, and High Point, and single games with Washington and Lee and Richmond Professional Institute make up the card for next season. There are also plans for a freshman team and six games have been arranged for them.

Saturday's lone score came early in the second half when "Ruly" Rivadeneyra booted the ball past the Tar Heel goal keeper. The play was on a ball that had bounced off a Carolina fullback after an attempted shot by Pete Mavaromatis.

Standouts on the State squad included Jerry Thompkins, former Princeton fullback, "Keko" Zuniga, a very able goalkeeper, Carlos Palazuelas, Jorge Echavaria, Arthur Kalfopulos, Kenny Gottlieb, and Hugh Conner.

The team contains players from Mexico, Columbia, Turkey, Norway, Greece, and Syria, in addition to the boys from the U.S.A.

Mural Memos

BY PAUL HODUL

Once again your eager reporter has returned to the upper right-hand corner of this rough edged tabloid. After a one week leave of absence was granted to yours truly by my generous boss for participation in Big Four Day activities at Chapel Hill, I submit to your desires smiling like a soldier returning from a furlough. All kidding aside gang—it's great to be back giving you the latest dope on intramurals. We have a lot of ground to cover sooooo hold your grits steady and keep on reading. First let us indulge in the latest softball results and standings. The league in general followed its expected predictions. The powerhouses continued on in their usual winning manner. The game of the week however, was T.K.E.'s drubbing (or routing) of a helpless S.A.E. outfit 25-0. Gene Pettinelli the cannon-armed outfielder of the T.K.E.'s blasted 3 home runs to cop batting honors for the day. T.K.E. is a cinch to take Section 3 in the Fraternity standings. In Section 2 P.K.A. is leading the pack. Section 1 probably has one of the best looking nines on the campus in Sigma Chi. With Thrower chucking his fireball past all opposition Sigma Chi looks like the team to beat. The Fraternity play-offs will probably see all these teams compete for championship honors come next week. In the Dormitory League six sections are represented. Here are the sections and teams.

Section 1.....2nd Turlington
Section 2.....1st Becton, Basement
Syme, West Haven (3 way tie)
Section 3.....3rd Bagwell
Section 4.....Welch

Section 5.....Trailwood
Section 6.....3rd Syme
Here are some softball results from away back (remember two weeks ago). Gay of Trailwood led an eight hit attack off Robinson of Verville with 3 for 3, as his team sunk Verville 4-1. Kearney aided the losers cause by getting two bingles. Other scores were as follows:

Pi Kappa Phi 2; Phi Kappa Tau 1.
K.A. 5; S.P.E. 2.
2nd Turlington 5; 3rd Becton 0 (forfeit).
Basement Syme 5; 1st Becton 0 (forfeit).
3rd Syme 10; 1st Alexander 9.
Off-Campus 7; 1st Turlington 1.

2nd Bagwell 5; Basement Tucker 0 (forfeit).
1st Syme 7; 2nd Tucker 5.
West Haven 5; 2nd Alexander 0 (forfeit).
1st Owen 5; 1st Bagwell 0 (forfeit).
2nd Syme 7; 3rd Alexander 3.
Sigma Chi 4; P.E.T. 0.

The Final Track Meet between Fraternities and Dormitories will be run off on Monday night (May 23) at 7 o'clock. If you want to spend a cool enjoyable evening come down to the track and cheer your favorites. The meet was arranged this way purposely so that everyone would have an opportunity to witness these barrel-chested he-men in action.

The curtain must now fall on another chapter of Mural Memos. You probably don't realize it but my article is measured to the ¼ of an inch, and besides I'm getting sleepy.

P. S. Boxing results will be in next week's issue.

Frankly Speaking

(Continued from page 9)

Charlie Justice showing clearly in his blood-shot retinas, stumbled up to us and began praising the blue and white footballers. We happened to mention that the first game on our respective schedules pitted the two institutions together.

At this point of his oration, the young man gave a subtle hint that this game would be considered a tea party by Justice and Co. Without any further ado we remarked that we brought some of our own brew over last year during the first half, and concluded the discussion by mentioning that we hoped this year's party would be as big a success as the Boston Tea Party, at which affair was served some delicious humble pie.

Golfmen Take Fourth In Conference Meet

BY CHARLIE LEGRAND

N. C. State's golf team won fourth place in the Southern Conference tournament Saturday at Winston-Salem. The Wolfpack's total of 594 strokes for the four-man team placed them behind Duke, Wake Forest, and Carolina.

Duke posted a team score of 580 strokes to retain its team title it won last year. Wake Forest, led by Arnold Palmer who won the individual Championship for the second straight year, finished second

with a team score of 581, while Carolina had a team score of 584.

The State team and their scores for 36 holes are as follows: Brackett 144; Turnbull 147; Gibson 148; Isenhour 155; Preisinger 161, and Wood 171. Of these six, the team consisted of the four with the lowest scores, which gave State the fourth place with a grand total of 594 strokes.
