"Wood Uses" Is Topic  
For Forestry Lecture

George W. Trayer, Chief Division of Forest Products of the United States Forest Service, will discuss the topic "New Wood Uses" in the Withers Hall auditorium on Thursday night, February 23, at 8 o'clock. The discussion of new uses for wood will also include their influence on forest land management as presently practiced.

Research Advances  
Mr. Trayer points out that most people connected with forestry, the forest industries, or even with forest research often feel that the most significant advances are made with materials other than wood, such as plastics, metals, chemicals, or ceramics. He takes the position that miracles have been performed with wood, and the purpose of his speech will be to point out these new, diversified uses.

Mr. Trayer is an expert in the forest products field, and has been an official in that division of the Forest Service for the past 30 years. He received his education at the University of Wisconsin in civil engineering, and after serving two years as an engineering officer in World War I, he entered the Forest Service in 1920.

Mr. Trayer is active in many honorary and professional organizations. He is a member of Tau Beta Pi, honorary engineering fraternity; Sigma Xi, honorary research fraternity; senior member of Society of American Foresters; and member of American Forestry Association.

Competition Is Keen  
For Team Positions

By JOHN THOMPSON

On Saturday, February 25, the North Carolina State Wolfpack opens its 1950 season against its toughest opponent—State College. That's right, the Wolfpack will be battling it out in Riddick stadium to decide the winner of the third annual Red and White Football Classic.

## Practicing for Six Weeks

For six weeks now the boys have been practicing and getting ready for the game. Competition for the first teams has run strong with the upcoming freshmen fighting it out with the veterans for those first-team positions. Coach Feathers reports that the boys are in tip-top condition. So, from all indications, this year's Red and White game promises to be one of the biggest and best inter-squad games ever to be played in Riddick Stadium.

## Monogram Club Is Sponsor

The North Carolina State College Monogram Club, the sponsor of the game, has invited several hundred high school seniors down to witness the preview of the 1950 Wolfpack in action. In addition to the game, these high school boys will be guests of the Monogram Club at a big dinner prior to the game.

Coach Beattie Feathers, with his staff of coaches including Al Rella, Charles Ramey, Walter Slater, and Richard Peacock, have been putting the squads through their paces. As yet, the captains for the teams have not been selected. The officials for the game are: Referee, W. H. Averette, Jr.; Umpire, G. Woodrow Jones; Linesman, D. L. Bledsoe; and Field Judge, William E. Smith.

## Low Price

The price of the game is fifty cents. Tickets may be purchased from any Monogram Club member. Tickets are also on sale at Johnson-Lambe, Lewis Sporting Goods, Village Restaurant, Third Ward Service Station, and the North Carolina State Athletic Office.

The probable starting lineup for the Red Team includes four more letters than the lineup for the Whites. However, the fighting spirit of the White Team should make up any difference in the experience of the two squads.

Organizations Present  
Concert On Sunday

These are busy times for the State College musical organizations. Sunday, February 19 at 3:00 p.m., the Men's Glee Club and the Little Symphony Orchestra of thirty players will present a free concert in Pullen Hall.

Next Friday, February 24, the Glee Club will present a concert in Raeford under the auspices of the Hoke-Raeford Parent-Teachers Association, and may give two additional concerts en route to Raeford. On Saturday, February 25th, the Band, the Orchestra and the Glee Club will be busy making recordings for the State College record album which will be made available at a reasonable cost to students, alumni and others in a few weeks through the cooperation of the State College Foundation.

Then if the Band completes its recording assignments time, they will be on hand to furnish some music at the Red-White Football "Classic" in the afternoon, and at the Villanova basketball game at night. On Sunday afternoon, February 26, at three o'clock, the Band will present a concert program in Pullen Hall.

## A.S.A.E.

This quarter has been one of the fullest of many for the Ag Engineers. The term projects are publishing the ASAE newsletter to the alumni and other schools along with plans for the National Journal of the Agricultural Engineers. The members of the club are also writing several articles for the Ag Engineering issue of the AGRICULTURIST. The club meets each Thursday night at 7:30 p.m. with guest speakers and film.

Annual Barnwarming  
Set For Friday

Farmerettes in gingham and Aggies in blue denim will dance to the music of Johnny Satterfield and his "Cacklers" at the Ag Club's annual Barnwarming tomorrow night. The barnyard motif will be used in transforming Frank Thompson gym into Squire Miller's barn for the event.

High spot of the evening will be the presentation and crowning of Barnwarming Queen Magdalene Gulley of Garner by Dr. E. T. York, Jr., Ag Club Advisor. Bernard Sutton, Raleigh, Barnwarming committee chairman, has promised that the ceremony will set a new high in Barnwarming history.

Overall Are Required  
For one night formal dress for the Aggies becomes blue bibbed overalls, red bandanas, and gay shirts. Straw hats, battered felt, and railroad caps add a farm touch to the dress. All this amid the usual harness, hay, corn, and bailing wire helps make the Barnwarming one of the gayest of State dances.

Queen Magdalene was selected from pictures submitted by Ag students in a contest sponsored by the AGRICULTURIST. The judges said that they had a hard time making a decision, wishing that the pretty girls were there in person. Judges were Dr. Jeter, Dr.

## Queen Magdalene Reigns

Mary's little lamb is not as lost as you think! The happy little fellow is nestling in the arms of Miss Magdalene Gulley, 1950 Barnwarming Queen. Queen Maggie will reign at the Ag Club dance tomorrow night in Frank Thompson Gym.

Clyde A. Erwin, Superintendent of Public Instruction, and Mr. Phil Ellis, Radio Station WPTF.

## Queen to be Crowned

Leon Holland, Statesville, will be master of ceremonies for the intermission program. Crowning of the Barnwarming Queen will be followed by square dancing and skits. Surprises galore are in store, according to Holland.

Leon Holland and Charles Daventport, Roper, are other members of the Barnwarming committee helping chairman Sutton.

Even the corsages for the sponsors will carry out the farm theme. Spring flowers usually found growing in farm flower gardens will be used for these corsages. The Queen will carry a corsage made up of spring flowers and other plants grown on the farm.

## Sponsors for Annual Engineers' Ball

Show here are the sponsors for the Engineers' Ball, which will be presented by the students in the School of Engineering at N. C. State College Friday and Saturday nights, February 17 and 18. The dance set, to be held in Memorial Auditorium, will include an informal dance on Friday night from 8 until 12 o'clock, a semi-formal dance Saturday night from 8 until 12 o'clock, and a concert in Pullen Hall at State College Saturday afternoon from 3 until 5 o'clock. Glen Gray and his orchestra will furnish the music for the ball and concert, which are considered as one of the social highlights of the school year for engineering students. The sponsors, with their escorts listed, are shown here. Top row, left to right: Mrs. Lewis M. Allen of Roxboro with Lewis M. Allen, president of the Engineers' Council; Miss Mary Wuthie Porter of Charlotte with David Linn of Landis, vice-president of the Engineers' Council and chairman of the dance committee; and Miss Lorna Weathers of Knightdale with David Lane of Bostie, secretary of the council. Bottom row, left to right: Mrs. J. C. Collier of Raleigh with J. C. Collier, dance committee member; Miss Gwen Wilson of Churchville, Va., with Harold McKnight of China Grove, dance committee member; and Mrs. Phillip Pearce of Raleigh with Phillip Pearce, dance committee member.

Tentative Schedule Is  
Released This Week

Director of Registration W. L. Mayer announced this week the formulation of a new tentative examination schedule. It was arranged by an independent faculty group under the chairmanship of Engineering Mechanics Professor J. S. Doolittle.

It is printed on page 4 of the TECHNICIAN so that the students may examine it with an eye to detecting and reporting any conflicts which might arise.

## Reason for Change

The whole idea of the new schedule separate exams for one course. The responsible faculty members maintain that the present arrangement is objectionable in that the different exams cannot all possibly be equal, and are therefore unfair to the student.

Theoretically, by arranging to hold all the exams for one course on the same day, or at the same time, the disagreeable situation is avoided. Furthermore, say the schedule's exponents, it reduces the circulation of exam information during exam week.

The new schedule will not be put into effect, however, until the registration office is certain that it is feasible and will positively end the business of making out similar exams for the same course.

## Act Now

All students are therefore urged by Mr. Mayer to fill out the printed form and start it on its way to the registration office as soon as possible. The success or failure of this entire venture depends upon the response shown by the students.

Mr. Mayer especially urges every student to fill out the form even if there are no conflicts. He says that the final decision to use or disregard the new schedule depends on whether or not there are more positive than negative forms turned in. Several hundred loose forms will also be printed and distributed throughout the college for the benefit of those who cannot avail themselves of a TECHNICIAN.

## Comments on Change

In commenting on the proposed change of schedule Professor Doolittle said:

"It is extremely difficult for us to make several fair, properly balanced, comprehensive exams which would require equal ability on the student's part to solve. One exam per student should be able to bring the instructors and students together in a manner which would eliminate deviations from the text by individual instructors and would encourage them to stick closer to the material. It is desirable to have a high degree of uniformity on the course material given by the various instructors in one course.

## May Be Confusion

We expect a great deal of confusion at first, but we are certain that it will work itself out when the exam and course schedules are coordinated. They are not at the present time. Even so we would like to see the new schedule go into effect during this term.

Mass meetings will not be necessary. In fact there is no place large enough for that purpose. The small groups will meet as before.

Our action was not prompted because the instructors were overburdened with making out several exams. We sincerely felt that the old arrangements were unsatisfactory and unfair from our own and from the student's point of view."

Discussion On "Faith"  
Next Institute Topic

"The Christian Faith in the World Civil War" will be discussed by Dr. D. E. Trueblood on February 20 at 8 p.m. This free lecture by the eminent theologian, philosopher, educator, and writer will be given in the United Church which is on the corner of Hillsboro and Dawson Streets.

## Students Invited

All State College students are invited to attend Dr. Trueblood's talk. This is the fifth in a series of six Institute of Religion lectures sponsored by the United Church. Dr. Trueblood was born in Iowa in 1900. He received his education at the following institutions: Penn College, Iowa; Brown University, Hartford Theological Seminary; Harvard University; and Johns Hopkins University; Washington and Lee University conferred upon him the honorary degree of Doctor of Literature.

## Educational Positions

His educational positions were at the following: Guilford College, Haverford College, Harvard University, Stanford University, Garrett Biblical Institute, and Earlham College. Dr. Trueblood was also associated with two British institutions: Woodbrooke and Swarthmore.

A few of Dr. Trueblood's well-known books are: "Essence of Spiritual Religion," 1936; "The Knowledge of God," 1939; "The Logic of Belief," 1942; "The Predicament of Modern Man," 1944; and "The Common Ventures of Life," 1949. Between 1935 and 1947 Dr. Trueblood was editor of "The Friend."

## B. S. U. Discussions

"The Struggle for the world." Is not this a timely subject? This is the general theme for the Baptist Student Union discussion groups.

The first of the two discussions for this term will be held tonight in room A of the college cafeteria. Professor William Poate, department of Philosophy, U. N. C., will be the leader and the subject will be "Communism and how it works."

The second discussion will be on March 3 and the subject for that night will be "Communism and Christianity."

Tickets for the meal can be purchased at the price of sixty cents (\$60) from any B. S. U. Council member or in the B. S. U. office, right balcony Pullen Hall.

## Ag Chemists Meet

The Society of Ag Chemists will meet next Monday night, Feb. 20, at 7 o'clock in room 117 Withers Hall. Two movies, "Food and Nutrition" and "The Story of Ether," will be shown. All members are urged to attend.

## With The Greeks

By JACK McQUINN

Midwinters weekend, though two weeks in the past, still brings back a lot of memories for most Greeks. Spivak sounded better than anything we've had around in about three years and most of us would really like to see him back soon. Charlie came around to the SAM House after the Friday night dance. There and elsewhere he gained the admiration of all with his friendliness and humor.

The Sammites held an initiation last Sunday and brought the following men into Sigma Omega Chapter of SAM: Morton Gluck, George Jacobs, Shelley Urowitz, Lee Greenberg, Myron Silverstein, Stuart Minter, Martin Kallman, and Stanley Cohen. The Sammites plan another initiation before the year is out.

### Rush Party

Pi Kappa Alpha had a very successful rush party last night. Plans have been made for at least one more this week. With their Annual Bowers Ball a thing of the past, and also a terrific Midwinters behind, PiKas around Campus will probably spend the next few weeks taking a deep breath in preparation for their Easter Bowers Ball. Truly said, one hasn't been to a Ball until he has been to the Annual PiKa Ball.

Pi Kappa Phi has released tentative plans for their Interfraternity Sing. The Sing for all State College fraternities will be held May 12. We understand the Pi Kappas are

offering an engraved cup for first prize. Incidentally, IKK and AGE will be going together again this year for a Rose Ball in the month of May.

### Sigma Pi's

This week "With the Greeks" gives the pertinent scoop on Rho Chapter of Sigma Pi.

Sigma Pi, national social fraternity, was founded at Vincennes, Indiana, Feb. 25, 1897. The purpose of its founding was "to organize the most worthy activities, social, athletic, and scholarly, and to set a high standard of manliness and college loyalty." The fraternity now has forty-three active chapters located throughout the nation.

Rho Chapter, formerly the local Sigma Chi Gamma, was installed at State College in 1931. The chapter owns its own chapter house located at 2518 Clark Avenue, two blocks from the college campus. The event of the year for the fraternity is the annual Founder's Day Banquet and the Orchid Ball at which the Orchid Girl of Sigma Pi is crowned.

This year social chairman Ed Hines and his committee around 2518 Clark Avenue, two blocks from the college campus. The event of the year for the fraternity is the annual Founder's Day Banquet and the Orchid Ball at which the Orchid Girl of Sigma Pi is crowned.

## Dorm Doings - - -

Chi Epsilon, Civil Engineering Honor Fraternity, recently sent all the boys in the three dorms—Bagwell, Berry and Becton—a letter of thanks for letting the delegates stay in their rooms while here for the annual convocation.

The letter, as signed by R. E. Fadum, Head of the Department of Civil Engineering; J. H. Lampe, Dean of the School of Engineering; and Edward M. Hall, President of Chi Epsilon, is as follows:

"We wish to express our sincere appreciation for your school spirit and cooperation in offering the use of your room during the Chi Epsilon National Convocation. The delegates are expected to arrive Thursday, February 23 and depart Sunday, February 26.

We believe that the convocation offers N. C. State College an outstanding opportunity to enhance its national reputation. Your hospitality will mean a great deal in this endeavor."

For your information, not a single person refused the Committee when contacted. Does not this 100% cooperation show that the men in Bagwell, Berry and Becton have real school spirit?

### I. D. C. Banquet

The first annual banquet of the I. D. C. is being planned for Friday, February 24th. The plan is for the party to include all members of the Council, their dates, and a number of faculty guests.

At this time it is proposed that I. D. C. keys be awarded the Council members. Several designs were submitted by Design students and other students interested in the project. The final choice was submitted by Gil Slack. The key is in the shape of an "S" with "N. C." at the top and "I. D. C." across the bottom.

Eugene Jeffords, Weldon Cable, Edison Willis and Bruce Darden are in charge of planning arrangements for banquet.

### Bagwell Elections

The primary elections were held

in Bagwell this week. The candidates eligible for office are as follows: Rudolph Kirby, Charles Moore, Roland Paston, Homer Alyn, Hilton Carlton, Eugene Harris, G. E. Knowles, Lawrence Wall, Toni Edgerton, Paul Langley, Bill Lloyd and Bill Hon.

The final elections are now under way and the three men with the highest number of votes will be President, Vice President and Secretary.

### Syme Elections

Fifteen boys will be competing for office in the final elections in Syme this week. For the office of President, William Ingram, R. N. Jones, W. T. Simpson, J. E. Hardee, and J. H. Thompson will be placed on the ballot. J. C. Ashworth, L. D. Gaddy, L. W. Dameron, V. M. Miller and J. A. Holt are the leading candidates for the office of Vice President. In the race for Secretary we find W. D. Duggott, D. G. Boyette, C. R. Davenport, S. W. Thompson, W. L. Carpenter, and J. D. Leggett.

### Final Elections

In Welch, the final elections were held this week but for the office of Vice President there was a tie. Mercer Roy Huffman was elected to the position of Secretary, and for the big job, President of the Club, Ronald Green was the victor.

### Alexander Finals

Frank Diener was elected to the position of President of the Club last week. The other officers to serve with Diener are Marshall Vernon, Vice President and Robert Phelps, Secretary-Treasurer.

### Becton Finals

Bob Stott came out of a hot and heavy campaign as the victorious candidate for the office of President of the Becton Dorm Club. Bobby Dobbins and Doug Knowles are the boys to pile up the most votes for the office of Vice-President and Secretary in respective order.

## Sponsors for Barnwarming

Pictured above are the sponsors for the Barnwarming Dance, presented annually by the students in the School of Agriculture at N. C. State College. The dance, featuring overalls and gingham dresses as the "formal" attire, will be held in the Frank Thompson Gymnasium on Saturday night, February 18, from 9 until 12 o'clock. Johnny Satterfield and his orchestra will provide the music. Top row, left to right: Miss Elizabeth Kiser of Raleigh with Leon Holland of Statesville, a member of the dance committee; Miss Geneva Hilliard of Greensboro with Bernard S. Sutton of Raleigh, dance committee chairman; and Miss Corinne Davenport of Roper with Charles W. Davenport of Roper, dance committee member. Miss Magdalene Guley of Garner, queen of the Barnwarming, is shown in the center. She will be escorted by H. R. Caldwell of Waynesville. Bottom row, left to right: Miss Jean Johnson of Four Oaks with N. C. James of Statesville, president of the Agricultural Club; Mrs. Burwell Smith with Burwell Smith of Monroe, editor of The N. C. State Agriculturist; and Mrs. Lolo Debon with Lolo Debon of Statesville, chancellor of Alpha Zeta.

## Announce 3 Awards For Finance Students

Three awards to students of finance and economics have been announced by the Pierre A. DuVal Foundation to encourage investment studies by young men and women. The awards of five hundred, three hundred and two hundred dollars each as either tuition or cash will be made to students on the basis of their "investments."

Students may invest a theoretical \$25,000 each in stocks listed on the New York Stock and/or Curb Exchanges for the year starting March 15, 1950. Determining factors will be maximum dividends and appreciation—with consistent studies by young men and women. The awards of five hundred, three hundred and two hundred dollars each as either tuition or cash will be made to students on the basis of their "investments."

### Social

The A.S.A.E. will hold its quarterly gathering of fun-loving souls Saturday night, March 4, at the Club Bon Air, not too far distant to return after the event. Freshmen and others in Ag Engineering are ESPECIALLY welcome to this affair. Entertainment will be provided in a style not seen hereabout for some time. Check for details at the meeting Thursday night. Don't Miss It!!!

cators expressed interest and offered useful suggestions about the Awards. Many of their suggestions have been incorporated in the rules and applications which may be secured from the Pierre A. DuVal Foundation, 13 West 48th Street, New York 19, New York. There are no fees or other obligations and the Awards are open to students of finance and economics at educational institutions throughout the United States.

Names of students winning the first Pierre A. DuVal Awards in Finance will be announced in the Spring of 1951.

## Open Forum

To the Editor:

The forgotten students have been forgotten again.

Saturday, February 18th, is going to be a big day for N. C. State College. 3,500 students out of our total of 4,538 will be entitled to attend one of two major dances being held that night.

For the first time in several years two outstanding campus functions are being held on the same weekend. At first glance this may seem like nothing more than a remarkable coincidence, but there have been some intimations from some of the wheels running on the inside tracks of the organizations sponsoring the affairs that this is not the case. Certainly no large group seeking clearance for a social function from the Dean of Students' Office would remain unaware that there was already another function planned for that date. Be that as it may, it is already definite that the Ag Club Barnwarming and one of the two Engineers' Balls are to be held on Saturday, February 18th.

Of course, it is well known that in theory the Engineers are not supposed to go to the Ag Club's dance and vice versa, but in actual practice there is a great deal of intermixing of the two groups because there are naturally a lot of people in each group who do not go to their own dance, for various reasons. Therefore it is common practice for an Ag student, for instance, to get bids for the Ag dance for his Engineer buddies out of the surplus Barnwarming bids available, and of course this policy works both ways. Consequently it happens that some students attend both dances, which is entirely possible and workable because of the large number of people that voluntarily do not go to either dance. Since the Ag Club and the Engineers' Council are both student organizations, and since the surplus bids are not sold to the general public, it is reasonable to expect that they will not adopt the narrow-minded outlook concerning student admissions to College functions that is prevalent in Mr. Klagstone's department.

Of course, it is impossible to do anything about this conflict this year; however, we sincerely hope that in the future these two organizations, representing the great majority of the student body, will be able to schedule their annual dances on different weekends, so that they may be of maximum benefit to all the students of N. C. State.

Sincerely,  
Allan Cameron Brittle  
W. L. Ingold, Jr.

## It Does Count

Sponsored by the Interdormitory Council

### WHO'S A JERK?

Is your professor a jerk? . . . Or are you the jerk . . . ? If you think he is, maybe he is . . . maybe he isn't . . . But stop a moment and check yourself and your prof on these questions:

1. How much opportunity have you given him to show that he is a real person out of class?
2. Do you speak to him when you see him?
3. Have you ever stopped to talk with him about matters other than those of studies?
4. If you think he is unapproachable . . . do something about it . . .
5. Have you thought how easily he might have the wrong impression of you?

Now, stop and think a few moments about what you can do to better this student-faculty relationship. It's for our own good and we are certainly will to do our part.

So, speak to the pros whether they are your pros or not. Make an effort to get acquainted with your own teachers whenever you have a chance. After the first ice-breaking it will be easier. Those who have tried it have found new friends.

Your Interdormitory Council is promoting more friendly faculty-student relations. Your help and earnest cooperation is appreciated.

# Read This Schedule Carefully

## Proposed New Type of Examination Schedule Suggested for Winter Term 1949-50

This is not an official examination schedule. It is published for consideration and to secure information as to conflicts in the proposed schedule. The schedule has the examinations arranged by courses rather than by the hour at which classes meet. This arrangement will cause some conflicts in a student's schedule of examinations and we desire to know the extent of these conflicts. Students should examine the proposed schedule carefully and report all conflicts on the form below. It is imperative that all students report all conflicts. Students should turn in a report marked "none" if they have no conflicts.

### Student's Report on New Type Examination Schedule

Student's Name \_\_\_\_\_

Student's Classification \_\_\_\_\_ (As given on winter term registration card.)

(List below by groups the conflicts you have in the proposed schedule. If you have none, write the word none.)

Day \_\_\_\_\_ Day \_\_\_\_\_ Day \_\_\_\_\_

Hour \_\_\_\_\_ Hour \_\_\_\_\_ Hour \_\_\_\_\_

Conflicts \_\_\_\_\_ Conflicts \_\_\_\_\_ Conflicts \_\_\_\_\_

On how many days will you have three examinations? \_\_\_\_\_

Remarks—What is your opinion of this type of examination: \_\_\_\_\_

Note: This report should be folded, addressed to "Office of Registration, Campus" and dropped in any campus mailbox. Do not put in U. S. Government mail boxes. It can be delivered to the Registration Office.

## ROTC Applications Are Now Being Accepted Here

Applications are now being accepted for enrollment in the Advanced Course of the Air Force and Army Reserve Officer's Training Corps for the 1950-1951 academic year. It was announced today by Colonel Samuel A. Gibson, Head of the Military Department.

Colonel Gibson stated that applications should be submitted immediately. In order to merit first priority for consideration, they must be received by the Military Department prior to the tenth of March. Application forms are now available in Room 1, Holladay Hall. Officers of the Military Department will be available to confer with students desiring information on either the Army or the Air Force, ROTC courses.

**Eligible for Appointments**

Graduates of State College who successfully complete the Advanced Course are eligible for appointment as Second Lieutenants in the Officer's Reserve Corps. Those outstanding students who meet the requirements for designation as a

"Distinguished Military Student" are eligible to apply for a direct appointment in either the Regular Army or the Regular Air Force.

The ROTC offers instruction in many of the combat arms and services, and is specifically designed to develop the leadership qualities and the high moral integrity required of the officers of our Armed Forces. Such courses are presented in the Science and Tactics of the Infantry, Signal Corps, Corps of Engineers, Ordnance Department, the Quartermaster Corps, Air Force Aircraft Maintenance Engineering and Air Force Communications.

**Requirements**

Students accepted for enrollment in the Advanced Course are required to attend three lectures per week, one two-hour laboratory period and one drill session. All uniforms, textbooks and other materials required by the student are furnished by the government and each student is paid the sum of 90 cents per day (Sundays and Holidays included) while pursuing the Advanced Course.

All students in the Advanced Course are required to attend ROTC summer camp for a period of six weeks, normally upon the completion of the first year in the Advanced Course. While at camp, all cadets receive the pay and allowances of the 1st enlisted pay grade (\$75.00 per month) and transportation cost is provided to and from camp.

**Different Categories**

There are several categories of students who are eligible for enrollment in the ROTC Advanced Course. First, are those students who have completed the basic ROTC course at either N. C. State College or another accredited institution. In the second category are those veterans with 12 or more months service who were exempted from attendance at the basic courses and in the third category are those students who have received credit for completion of the basic course at an accredited preparatory school or military school.

## Textile Foundation To Meet Here Soon

The North Carolina Textile Foundation will hold its annual meeting at the School of Textiles at State College on Saturday, February 25, Dean Malcolm E. Campbell announced today.

Plans to conduct the meeting at the college were made by the foundation's officers. The officers are W. J. (Nick) Carter of Greensboro, vice-president of J. P. Stevens and Company, president; Dr. A. G. Myers of Gastonia, president of Textiles, Inc., vice-president; David Clark of Charlotte, president of the Clark Publishing Company, secretary; and William Ruffin of Durham, president of the Erwin Cotton Mills, treasurer.

### Largest in the World

The foundation now has approximately \$1,200,000 in contributions, all of which are earmarked for the College's School of Textiles, largest institution of its kind in the world.

Dean Campbell said that all persons interested in the textile industry are invited to the meeting. He said that he expects representatives of textile firms from throughout North Carolina and from South Carolina, Virginia and other states to attend the gathering.

The meeting will be held in the new auditorium of the School of Textiles on February 25 beginning at 11 a.m. A buffet luncheon, to be served in the School of Textiles Building, will follow the meeting at 12:30 o'clock.

### To Tour School

Following the luncheon, guests will be taken on a tour of the School of Textiles and will be shown the new \$700,000 additions to the building and the new facilities recently acquired. Students in the school will serve as guides during the tour.

Guests will also be invited to attend the annual spring football practice at State College during the afternoon, the freshman basketball game in the William Neal Reynolds Coliseum at 6:30 p.m., and the varsity basketball game between N. C. State and Villanova in the Coliseum at 8:15 p.m.

# Louisville, Carolina Next For Wolfpack

## Mermen Cop Two Wins On Northern Trip

By JIM PLOTT

Coach Willis Casey's tankmen returned home Sunday with two hard earned victories after clashes with Loyola of Baltimore, and a Southern Conference meet with the Catholics of George Washington on Friday and Saturday nights. An intersectional battle with Catholic University was cancelled.

Loyola Undeclared

Victory in the 400-yard relay gave State a 40-35 triumph over Loyola. The Pack mermen also took the 300-yard medley relay, as the host team scored most of its points in the individual events, winning five of the seven stakes. Matt Lojko still remained undefeated by copping the 150-yard back stroke and Bicky Morris splashed home with the 440-yard freestyle event for the Wolfpack. Loyola's Jerry Rooney was the only double winner in the meet. He scored victories in the 50 and 100-yard freestyle races.

Moving over to Washington, the Wolfpack edged George Washington 41-34 in a hard fought clash. In the last event, State copped the 400-yard medley relay to break a 34-34 tie and to win the meet.

Ward Outstanding

The Wolfpack will meet Davidson here Saturday, in a Southern Conference battle and the University of Virginia on Monday.

The Wolfpack will rely on three top sprinters, Bill Ward of Raleigh and Bill Despres and Lojko, both of Providence, R. I. Ward, a specialist in the 50 and 100-year freestyles, hasn't been beaten this year. Despres can work in both the breast stroke and 400-yard medley relay. Lojko, a star in the 150-yard back stroke, are also undefeated this season. Bicky Morris is the hopeful in the distance freestyle events.

Snookie Nunis of Charlotte, and Harry Cramer will cut the capers from the low board in the diving competition. Both have been victorious in five meets this season. The Pack has a record of seven wins out of nine meets this season.

## Swimming Finals

25 Yard Free Style Event

1st. D. S. Gooden, No. 1 Syme (12.2)  
2nd. D. McE. Gold, No. 1 Alexander  
3rd. D. W. Pippinger, No. 2 Turlington  
4th. J. D. Carroll, No. 1 Syme

50 Yard Breast Event

1st. R. B. Deal, Jr., No. 2 Turlington (36.6)  
2nd. Duncan, Gold  
3rd. M. Nemazi, Welch  
4th. Cohen, No. 1 Owen

50 Yard Back Stroke Event

1st. R. B. Deal, Jr., No. 2 Turlington (38.0)  
2nd. D. S. Gooden, No. 1 Syme  
3rd. G. M. Burgess, No. 1 Syme  
4th. R. L. Whitehead, No. 2 Syme

100 Yard Free Style Event

1st. D. McE. Gold, No. 1 Alexander (1:08.6)  
2nd. C. H. Nintzel, No. 1 Bagwell  
3rd. W. F. Lewis, No. 2 Syme

200 Yard Relay Event

1st. No. 1 Syme (G. M. Burgess, D. S. Gooden, J. D. Carroll, and H. W. Burroughs) (2:18.9)  
2nd. No. 2 Syme (W. F. Lewis, B. A. Barrosse, Jr., R. L. Whitehead, Guggor.)

Diving Event

1st. D. W. Pippinger, No. 2 Turlington  
2nd. Frank Morgan, Berry  
3rd. M. D. Watkins, Jr., No. 2 Turlington

## Leads Scoring

Pictured above is All-American candidate Sam Ranzino, who is currently leading the Pack with 397 points to his credit.

## Cardinals Undefeated On Home Court

By LLOYD V. CAPPS

Coach Everett Case's State Wolfpack will meet two more tough opponents when they play Louisville there, Saturday and Carolina here, Tuesday.

As a result of defeating Duke 68-50, Tuesday, State now has a won-loss record of 19-4. They are also on top in the Southern Conference with eleven victories and two defeats.

Cardinals Out for Win

When the Pack travels to Louisville, they will face a team who has been anxiously awaiting their arrival. In order to climb back among the top twenty and get a bid to either the NCAA or NIT, Louisville must defeat State.

Coach Peck Hickman's Cardinals are known for their unusually good play on the home court. They haven't lost a game there this season. Their latest was a 74-66 victory against Marshall College in Louisville, Monday night.

State gave Louisville a 79-53 licking in the Coliseum, January 25. In that game Sam Ranzino scored 23 points while Dick Dickey was getting 21.

Co-captain guards Kenny Reeves and Roy Combs continue to lead the Louisville scoring attack and will probably get the starting nod. Other likely starters are center 6'6" Harland Williams and forwards 6'6" Bob Lockmueler and Glenn Combs. Combs scored 17 points against State in the Coliseum before fouling out in the last four minutes.

The game with Carolina will close State's season with scheduled Southern Conference rivals. Both teams will be battling to improve their loop records.

State's cagers had to come from behind to top the White Phantoms, 61-57 at Chapel Hill earlier in the season. Carolina was leading at halftime by a 36-32 margin and it wasn't until the last five minutes that the Wolfpack pulled ahead.

Coach Tom Scott's outfit did State a big favor by winning over the favored William and Mary team 62-46, at Williamsburg, Monday.

Prior to the game William and Mary stood a fine chance of winning the regular season title in the Southern loop. The Indians play two more league games than do the Wolfpack and could have copped the title with victories in all their remaining contests.

Forward Hugo Kappler will be back in the lineup to boost Carolina's chances against the Pack. He scored 18 points in the William and Mary game.

At present the Phantoms have a 11-5 record in loop play. Other than State, Carolina must face Duke twice before the tournament in early March.

## VIEWS ON SPORTS

By BOB CURRAN

It certainly was a pleasure to sit in the Coliseum Tuesday night, and watch the Wolfpack lower the boom on Dook. When State held the ball towards the end of the game and made the Blue Devils come out after them, the Devils got a little taste of their own medicine. Revenge certainly is sweet!

Of course the cake would have been a bit sweeter if Dick Groat had played, and at the same time the people from the shores of Durham's ditches wouldn't have any excuses. I can imagine the "if" stories that will circulate now—and if the dog hadn't stopped, etc, etc. The only thing that wasn't easy to stomach was the action of the State students every time a Duke man took a foul shot. For awhile I thought I was at Gore Gymnasium in Wake Forest. We're certainly going to have a great reputation if we keep that up.

I would like to know if the Durham papers still think State's team is over-rated. I do know that William and Mary doesn't think that their victory over State was an upset. They claim they can beat State again. I don't doubt that they can beat the Pack, but I wonder when? It took them four years to beat the Wolfpack this time, and they'd best sleep on it for awhile.

I'm not going on a Carolina kick this week, so I won't say anything about the name they have for our Coliseum, but it's a beauty. I can say this, when they step on the court next Tuesday night, I'll be able to understand why they call it the Cowiseum. Maybe even Nemo will make like a cow for us and moo once or twice.

When State plays Louisville tomorrow night, they will be gunning for victory number 100 for Everett Case. Their work will be cut out for them, because Louisville is undefeated on their home court, and they'll be looking to revenge the earlier defeat that the Wolfpack laid on them. Since coming to West Raleigh, Coach Case's record is 99 and 20, including nine consecutive wins over Carolina.

Of the 20 defeats suffered by the Wolfpack, the only ones to go unanswered were the U. of Kentucky in the 1947 N.I.T., DePaul in the 1948 N.I.T., the University of Wyoming in the 1949 Los Angeles Invitational Tournament, and Villanova last year. With Villanova coming here the 25th of February, that one can be evened up. Only time will tell with the rest.

## Grapplers Meet PC Tonight

Coach Al Crawford's wrestling team will meet the grapplers from Presbyterian College tonight at 8 o'clock in the coliseum.

Victorious in their last two outings, the "grunt and groan" men will be looking for another victory.

Mainstay

In the 121 lb. class Coach Crawford will use Robert Jenkins, one of the mainstays this season, and in the heavyweight division will be Captain Chuck Musser, who has lost only one match in three years of varsity competition.

Martin Undeclared

In the 145 lb. class, Doug Martin, 1948 Southern Conference champ, will wrestle for the Pack. He is undefeated in Conference competition this year. Martin and Musser are being readied for the Conference Championships which will be held on the sixth and seventh of March at the University of Maryland.

The lineup:

121	Jenkins
128	Buie
136	Rudolph
145	Martin
155	Thompson
165	Troxler
175	Rucker
Hwt.	Musser

PROVE TO YOURSELF

# NO CIGARETTE HANGOVER

when you smoke PHILIP MORRIS!

HERE'S ALL YOU DO!

In just a few seconds you can prove

## PHILIP MORRIS

IS DEFINITELY LESS IRRITATING than the brand you're now smoking!

1...light up a PHILIP MORRIS

THEN, just take a puff—DON'T INHALE—and let the smoke come through your nose. Easy, isn't it? And NOW...

2...light up your present brand

Do exactly the same thing—DON'T INHALE. Notice that bite, that sting? Quite a difference from PHILIP MORRIS!

NOW YOU KNOW WHY YOU SHOULD BE SMOKING PHILIP MORRIS!

Everybody talks about PLEASURE, but only ONE cigarette has really done something about it. That cigarette is PHILIP MORRIS!

Remember: less irritation means more pleasure. And PHILIP MORRIS is the ONE cigarette proved definitely less irritating, definitely milder, than any other leading brand.

NO OTHER CIGARETTE CAN MAKE THAT STATEMENT.

YOU'LL BE GLAD TOMORROW—YOU SMOKED PHILIP MORRIS TODAY!

## DORMITORY INTRAMURALS

By NEILL POSEY

No. 2 Turlington won the dormitory swimming finals 19-18 over No. 1 Syme. However, No. 1 Syme may win the first place 40 points toward their year end total.

No. 1 Syme will do just that if they were able to out score No. 2 Turlington in the individual entrance column. Three points are given for each man entering the prelims. Those totals have not been released yet by the league.

Oddly enough the diving event in which 3 men automatically qualified in the prelims allowed No. 2 Turlington to win the meet. The event was the last of the night.

**Close Race**  
C. W. Pippinger's first place moved the Turlington team to within 1 point of No. 1 Syme. Berry's Frank Morgan placed second thus depriving No. 2 Turlington of 3 points. However, M. D. Watkins automatic third place gave No. 2 Turlington 2 points and their one point margin meet win.

Only 3 out of 11 registered men showed up for the prelims. Those three automatically qualified. A fourth man in the prelims would have qualified had there been a fourth man there at the prelims. No. 1 Syme did not have a man entered.

**Stars**  
There were four individual stars at the meet. They were R. B. Deal, Jr., No. 2 Turlington; D. J. Dooden, No. 1 Syme; D. W. Pippinger, No. 2 Turlington; and D. M. E. Gold, No. 1 Alexander.

Deal won 10 points, 5 for a first place in the 50 yard back stroke event and 5 for a first place in the 50 yard breast stroke event.

Gooden won 8 points and swam for the winning relay team. He received 5 points for a first place in the 25 yard free style event and 3 points for a second place in the 50 yard back stroke event.

Pippinger won 7 points, 5 for a first place in the diving event and 2 for a third place in the 25 yard free style event.

Gold won 8 points, 5 for a first place in the 100 yard free style event and 3 for a second place in the 25 yard free style event. He single handedly placed No. 1 Alexander into a meet third place tie with No. 2 Syme who had 8 points also.

**Big Rivalry**  
The rivalry between Becton and Turlington dorms for league leadership in all intramural sports has been extremely keen.

Their rivalry has developed to such a point that each considers it of prime importance to "wip the day lights" out of the other in any or all intramural sports.

Leadership like W. V. Griffin gives his Turlington teams and R. S. Dobbins gives his Becton teams is largely responsible for the two dorms fielding top teams in almost all intramural sports. Last term the two Turlington teams racked up 567 points for Athletic Director Griffin. The two Becton teams, however, produced 790 points for Athletic Director Dobbins.

Although each man watches over two teams, each has his own favorite. For Dobbins it's No. 1 Becton, for Griffin it's No. 2 Turlington.

**Friendly Feud**  
The Dobbins-Griffin friendly feud (so called by this writer) perhaps started two years ago in a tough football game. No. 2 Turlington beat No. 1 Becton. However No. 1 Becton protested the game. It was replayed. No. 1 Becton won the game and the section championship. Back then, however, neither team ranked particularly high in the league. The ten third Bagwell was the leading team in most intramural sports. They beat everybody and badly.

Joe Watts, brother of No. 1 Becton's Doug Watts, placed the Becton dorm on the intramural dormitory sports map. He was manager of that Becton team while Dobbins played for him.

## Joe Harand Turns In Good Performance

By BILL THRONEBURG

Another sellout crowd of 12,000 saw State's Wolfpack pull off a favorite trick last Saturday night in William Neal Reynold's Coliseum. Hounded stubbornly by a determined band of Deacons in the previous game, the Pack reared back in this second meeting to literally run the Deacons into the floor by a score of 73-35.

The Wolfpack spun a web around the Deacon ball-handlers with a full-court press from the opening whistle and it took the Deacons ten minutes of frustrated play before they were able to sink a field goal. Hounded from all sides, they were forced into hurried shots and had passes that did much to ruin their chances.

Dickey Leads Pack

However, it was the fine team play by the Wolfpack that spelled victory long before the final whistle sounded. It was a night for everybody to get into the act and the scoring showed the results. Captain Dick Dickey led both teams in scoring with 13 points, but he was trailed closely by Sam Ranzino with 12, and Cartier and Harand with 11 points each.

Harand Hot

For Joe Harand, it was something of a red-letter day, for his 11 points represented his highest scoring of the year. More important, however, his improved set shooting may prove to be the outside scoring punch that State has been short of all season.

The Deacons were never able to recover from their befuddlement of the first half and with their blossoming center Al McCotter, a fine performer in the first meeting of the clubs, tied hand and foot for a scoreless evening by Horvath and Cartier, could scrape together only six goals in the last half. Stan Najeway squeezed eight points from the miserly Wolfpack and Charlie Kersh managed six.

In contrast to the Deacons' skimpy scoring efforts, the Wolfpack waxed all the hotter as the second half wore along. With Harand and Cartier contributing 12 points between them inside the space of two minutes, the half-time score of 29-16 bounced to 47-17 and from there on out it was simply a matter of time and proficiency of the State reserves.

The last five minutes found an all-reserve State team on the floor and when the game ended, they had tacked seven points of their making to the mounting score.

## FRATERNITY INTRAMURALS

By PETER KOCH

The boxing and swimming championships were decided last week, so let's take a look at the results, and see who came out on top after the last punch was thrown, and the last lap was finished. PIKA led the boxers with 3 winners, the other four champs coming from four different houses.

Division Winner

125 lb.—Ramsey (KA)  
135 lb.—Walton (SPE)  
145 lb.—Sawrey (Sig Chi)  
155 lb.—Hornung (PIKA)  
165 lb.—Cook (Sig Nu)  
175 lb.—De Witt (PIKA)  
Unlimited—Wingfield (PIKA)

That winds up boxing for another year; Congrats to the champs.

Kappa Sig captured the team laurels in swimming, beating out the KA's and PIKA's who tied for second place. Heyward and Shephard were the individual winners for Kappa Sig in the 50 yd. breast stroke and the 50 backstroke respectively. Winston of PIKA was a double winner, coming home first in the 25 and 100 yard freestyle.

Sigma Chi took the 200 yard relay and, Ramsey of KA, led the divers. The following are the results:  
25 yd. freestyle: 1—Winston (PIKA); 2—Guion (Kappa Sig); 3—Winstead (Sig Chi); 4—Pender (KA) 12 sec.

50 yd. breast: 1—Heyward (Kappa Sig); 2—Orr (KA); 3—Hardaway (KA); 4—Moore (Sig Pi); 34.1 sec.

100 free: 1—Winston (PIKA); 2—Spencer (PIKA); 3—Ramsey (KA); 4—Walsh (Sig Nu) 1:04 sec.  
50 back: 1—Shapard (Kap. Sig); 2—Nardiello (TKE); 3—Cramer (PIKA); 4—Smith (KA) 34.7 sec.  
200 yd. relay: 1—Sig Chi; 2—Kappa Sig; 3—KA; 4—PIKA 1:53.8.

Diving: 1—Ramsey (KA); 2—Walsh (Sig Nu); 3—Winecoff (Sig Chi); 4—Hayward (Kappa Sig) 133.2 pts.

Team Totals

Kappa Sig ..... 19 pts.  
KA and PIKA ..... 17 pts.  
Sig Chi ..... 11 pts.

Six games were played last week as the hoopsters fight it out for the Section Championships—The only section that has definitely been decided as this issue goes to press is Section 4, where Sigma Nu leads with 4 victories and 0 defeats. Sigma Chi, undefeated in 5 games, leads Section 1. They play PEP this week, and the Championship is theirs if they win this one. PIKA will win in Section 2 if they beat an up and coming Kappa Sig quintet this week. Section 3 is yet undecided at TKE and SPE fight it out for top honors. Here are last week's scores and summaries:

Sigma Chi went on a scoring rampage to wallop PKT by a 46-9 score. Davis scored 13 and Throver 11 for the victors. Phi Ep edged SAE by a 23-16 score. Brooks hit for 9 for PEP, and Avery got 7 for the losers. SPE got back on the right side of the ledger, handing AGR a 28-10 setback. Prongay and Ridwell scored 7 each for the SPE's—Culp got 5 for the "Ag" men. PIKA won their fourth game of the season smashing Lambda Chi 38-11. The PIKA's were led by Ward who scored 12, and L. Cramer who got 8. Kappa Sig upset the Sammy's by a 32-24 count. Long scored 13 for Kappa Sig, and Kahan hit for 9 for SAM. Pi Kappa Phi won their third game of the year, as they were the victors over KA, 20-13. Smith of KA led the scorers with 7 points. G. Fox and J. Fox scored 6 each for FKX.

## Wolfpack Rated Eighth By Latest A.P. Poll

Although the State College Wolfpack scored a 54-50 upset at the hands of William and Mary last week, they managed to hold on to eighth position in the weekly A.P. poll of the nation's top basketball teams.

For the fifth straight week, the Crusaders from Holy Cross held on to first place in the poll closely followed by the Braves of Bradley University.

Holy Cross drew 56 first place votes from the 140 ballots cast by sports writers and broadcasters throughout the nation to only 16 for Bradley. The latter, however, commanded enough second, third, and fourth and fifth place votes to give the all-conquering Worcester Mass., five a scare. The point total read Holy Cross 986 to Bradley's 949.

Ohio State (15-3), Big Ten leader, continued to make progress, advancing to third place, the highest position the Buckeyes have attained this season. They attracted eight first place votes to wind up with 784 votes. That was enough to beat out St. John's (20-2) of Brooklyn. The Redmen also drew eight first place votes but received only 631 points to finish fourth.

Kentucky Fifth  
Kentucky (17-4) climbed from seventh to fifth with 485 points while Long Island University (17-2) retained its sixth position as Duquesne dropped from third to seventh. The Dukes (18-1) picked up only one first place ballot to six for Kentucky and five for LIU, and finished with 451 points to 458 for the Blackbirds.

North Carolina State (18-4), Western Kentucky (19-4) and UCLA (17-4) rounded out the top ten in that order. The Wolfpack got seven first place votes to five for Western Kentucky and three for the Uclans. They also led in points, 365 to 323 for the Hilltoppers and 322 for the Pacific Coast five.

### A. I. Club

The A. I. Club met Thursday, February 9 and elected officers for the remainder of the winter and spring terms.

## Pack Gets Revenge In Defeating Duke

By JACK BOWERS

It was Dick Dickey and Sam Ranzino night when Duke's Blue Devils played a return game in the Coliseum last Tuesday night. The All-American pair dropped in a total of 44 points to put the alids under the Duke lads who had defeated the Pack earlier in the year. State, winning 68-50, virtually assured themselves of the top seeded position for the Southern Conference tournament.

Although the game was ragged in places and the refereeing was questionable, the two clubs put on a good performance. The game was nip and tuck until the waning minutes of the second half. Then with Ranzino getting eight points in the last three minutes, the Pack racked up its 18 point margin.

Ranzino High with 24

The Pack, always at its best in a revenge game, turned in a god per-

formance except for several lapses on defense. Dick Dickey, who played only briefly in the second half, poured 16 points through the hoops in the first half to help the State team get its halftime lead. Dickey's brief stay in the last half was due to four personal fouls. Although outscored by Dickey in the first half, Sam Ranzino took top-scoring honors for the night with 24. Dickey finished with 20.

Ranzino eclipsed his last year's scoring mark of 381 with his 24 point total. His seasons' mark is now 397. Dickey currently has 314 points, and Paul Horvath, 275.

The win enabled the Pack to stay in the running for a post season bid to either the NIT or the NCAA tournaments. State now has a record of 19 wins and four defeats, with only three regular scheduled games remaining.

### Dorm Intramurals (Continued from Page 5)

ners and State and Carolina Dormitory winners. If this is successful, the games would be played during the week following registration. This series would fit in fine with our all-campus game, which should provide a good practice before encountering our "Sister Institution." Are you in favor of this if it can be arranged?

### Close Games

No. 1 Bagwell believes in winning or losing them close—makes the game interesting. The team lost one game by 1 point and won two games by 2 point margins.

Two new Athletic Directors have been directing a league team this quarter. They are C. R. Bradford for Owen and F. R. Richardson for Alexander. Both have done good jobs so far—Bradford especially.

More about them next week.  
Basketball officials have been receiving profane remarks from on-lookers. This is terrible. An official can call a technical foul on a player but is hard pressed when a member of the crowd uses profane language. Profanity is not a sportsman language.

Boxing points have been released. They are:  
No. 1 Becton ..... 99.0  
No. 1 Alexander ..... 42.5  
No. 2 Owen ..... 35.0  
No. 2 Tucker ..... 32.5  
No. 2 Syme ..... 32.5  
No. 1 Owen ..... 27.5  
No. 2 Burlington ..... 10.0  
No. 2 Bagwell ..... 10.0  
Gold-Watanga ..... 5.0
