

WOLFPACK

CCNY Edges Ohio State; Plays Back Sat.

Beavers Pushed To Final Gun; State Probable Favorite in Finals

New York, March 23.—City College of New York tonight opened the Eastern NCAA playoffs with a spectacular 56-55 victory over Ohio State, Big Ten champions, in a game which had the capacity crowd of 18,419 yelling like mad men all of the way.

The National Invitation tournament winners thus eliminated the nation's second-ranking team and ended Saturday's finals. The Beavers of City College controlled the ball in the last hectic 15 seconds to get the decision in this spine-tingling thriller.

The two teams never were more than five points apart. They put on a sensational scoring duel in the first half, which ended in a 40-40 stalemate.

In the second period, however, the pattern of play was altered completely as City slowed down the action to pull the Buckeyes out of their zone defense. As a result, a total of only 31 points was scored in the second half.

With only 20 seconds to play and trailing by two points, Ohio State missed a chance to win when Bob Burkholder made a free throw and the Buckeyes got the ball out of bounds. They got a fairly good shot at the basket but missed, and their chances ended there as the Beavers controlled the ball the rest of the way.

In the hectic stretch both Dick Schnitker and Bob Donham, Ohio State's leading scorers, fouled out. Schnitker had scored 30 points and possibly could have broken George Glanack's record of 31 had he been able to go the route.

City College used some deadly marksmanship from long range to get the victory, with Norm Mager, a slender guard doing the most damage with his sets. The first 11 baskets made by the Beavers were from the outside.

Schnitker scored Ohio State's first nine points of the second half to put the Buckeyes in front, 51-47 after the Beavers had gone into a four-minute stall.

Floyd Payne and Mager then led an offensive which put the beavers ahead, 53-52, with five minutes and 20 seconds left to play. A free throw by Ted Jacobs of Ohio State tied the score at 53-53 with a hook less than five minutes to go, but a basket by Center Ed Roman gave City an advantage it was managing to hold with clever freezing tactics.

With a minute and 10 seconds left to play, the Beavers almost threw away the game. Ed Warner, the star of the invitation tourney, got the ball under the basket and gave opponent near him. He decided not to shoot, and while he was looking for a teammate to pass to, Referee Arnold Heft called him in for a three-second violation, which gave the ball to the Buckeyes. They couldn't find good on their shot and wasted that opportunity.

Half-time score: Ohio State 40; CCNY 40. Free throws missed: Ohio State—Schnitker 2, Donham 2, Taylor 2, CCNY—Dambrot 2, Roman 2, Mager, Warner, Payne.

Page Hurts Six Hit Game To Win. 13-4

With Right-hander Irvin Page twirling a six-hitter, North Carolina State's baseballers beat the Jacksonville Naval Air Station, 13-4, here last night.

While Page was holding Navy batsmen to three hits in the first five innings, State's own stick swung to work with Bill Wilhelm lacing out a home run with two men on in the fifth.

State's batters sent Navy's Bob Becker to the showers early in the fifth, then drew five walks and scored four runs off relief man Chuck Webb before Jake Duvall came in to halt the walk-away.

The State nine collected three more runs in the seventh on two doubles, a single and two free passes while the Navy squad scored three times in the fourth and once in the fifth.

Bill Fowler's work at the plate contributed heavily to State's triumph as he collected a double, two singles and a pair of walks in six trips.

Score by innings: 001 170 400-13 State; 000 010 000-4 Jacksonville.

1950 Red Cross Drive Begins On March 30

The 1950 Red Cross Fund Drive will swing into "high gear" March 30 with more than seventy volunteer workers, undertaking the tremendous task of contacting members of the college staff and student body. The quota assigned the college is 15 per cent above the 1949 quota, which presents a challenge to everyone to do their part.

Professors W. H. Pierce and B. A. Krantz, designated as co-major to head up the college campaign, have announced the following captains for major divisions of the college: School of Agriculture—H. F. Robinson and H. L. Lucas, co-captains; Basic Division—J. D. Clark; School of Education—K. L. Barkley; School of Forestry—W. D. Miles; School of Engineering—H. P. Williams; School of Design—L. F. Hodgden; School of Textiles—W. E. Shinn; Miscellaneous Departments, Clement Chambers.

In announcing the names of the leaders for the drive, Pierce pointed out that raising \$222,000 through voluntary contributions is a big undertaking which requires the cooperation of everyone. The goal is a 100 per cent canvass of every individual on the campus. This requires a large number of workers. Officials of the drive urge that contributors be generous in their support of this worthy program.

Plans are underway to organize a students' division the leaders of which will be announced later. The drive must be completed by April 6. Pierce concluded that he was sure the college could surpass the fine record set in previous years' drives.

EE Seniors On Tour Of Northern Industries

Eighty-nine seniors and three faculty members from the Department of Electrical Engineering are now on a tour of several northern industrial and communications establishments.

The plant inspection trip was planned and organized by Prof. W. R. Willard of the College's Electrical Engineering Department. He accompanied the seniors along with two other faculty members, G. N. Webb and W. D. Blengy.

The itinerary includes visits through the New York Subway System; the National Broadcasting Company television studios; Westinghouse Meter Division, Newark, N. J.; Crocker-Wheeler Company, Amper, N. J.; American Transformer Company, Newark, N. J.; Network Calculator, Pennsylvania Railroad, New York City; Sewaren Generating Station Public Service of New Jersey; Allen B. DuMont Labs, Inc., Passaic, N. J.

They will also see the Federal Telecommunications Laboratories, Nutley, N. J.; Long Lines Headquarters, American Telephone and Telegraph Company, New York City; International Business Machines, New York; Westinghouse Lamp Division, Bloomfield, N. J.; R. C. A. Laboratories, Princeton, N. J.; Lawrenceville Transmitting Station, American Telephone and Telegraph Company, and Emerson Radio and Phonograph Corporation, New York.

Seniors who went on the tour are: L. T. Baker, Marion; M. R. Beard, Asheville; L. W. Bisette, Greensboro; B. K. Bowers, III, Henderson; A. T. Brown, III, Wilmington; I. T. Corbell, Jr., Knotts Island; R. W. Coward, Wilmington; W. W. Delaney, Charlotte; J. V. Eidson, Winston-Salem; M. L. Evans, Lexington; E. C. Grant, Charlotte; E. B. Hancock, Winston-Salem; J. E. Henderson, Jr., Raleigh; D. S. Hepler, Greensboro; C. N. Isenhour, ...

Officers of Pep Club

LEX BASINGER G. W. RAY

LAMBERT M. SUTTON SCOTT EUBANKS GEORGE M. BURGESS

Pictured above are the officers of the newly-created Pep Club at N. C. State College, an organization sponsored by the College's Campus Government. The club was designed to coordinate plans for pep rallies, decorate the campus for special events, and direct the presentation of stunts and parades in connection with athletic and special programs. Top row, left to right: Lex Basinger of Mooresville, president, and G. W. Ray of High Point, vice-president. Bottom row, left to right: Lambert M. Sutton of Faison, treasurer; Scott Eubanks of Greensboro, head cheerleader and one of the club's founders; and George M. Burgess of Norfolk, Va., secretary.

Well Known Lecturer To Speak In Coliseum

Dr. Norman Vincent Peale, well known preacher, author and commentator, will speak in the William Neal Reynolds Coliseum at State College on the evening of April 4 at 8 o'clock, Chancellor J. W. Harrison announced today.

As pastor of Marble Collegiate Church in New York City, Dr. Peale has attained a world-wide reputation as a thinker and speaker along both religious and secular lines. Dr. Peale takes his texts from both the Old and the New Testaments, although he interprets Christianity as a highly useful, scientific and modern commodity for modern people. Colleagues say he believes in dispensing human service with the same kind of skill that an astute corporation executive uses in selling various types of merchandise and services.

Nationally Known

From such realistic tactics Dr. Peale has built the Marble Collegiate Church into a nationally known institution, and he has become one of the most popular Protestant ministers in the United States. In addition to the two congregations which usually pack his church on Sunday, it is estimated that there are three million radio listeners who hear him regularly. Another 75,000 followers request copies of his sermons every month. His magazine articles and current best seller, "Guide to Confident Living," are read by millions.

Not a Sensationalist

Critics say that Dr. Peale does not resort to sensationalism. He does not go in for emotional evangelism or other ism. He does not provide ecclesiastical thrills for the gilded rich, nor does he espouse radical socialist causes for plain people. The real secret of his success is said to lie in his practical application of religion, and his keen understanding of human psychology.

Open to Public

Dr. Peale's State College address will be open to the public. All the 12,000 seats of the new Coliseum are to be available according to Coliseum Manager W. Z. Betts.

Mechanical Engrs. On Senior Inspection Trip

One hundred and eighteen mechanical engineering seniors and three faculty members from State College will make a plant inspection trip of several large industrial concerns from Sunday, March 19, through Thursday, March 23.

The plant inspection trip was planned and organized by Professor F. S. Roop, Jr., of the College's Mechanical Engineering Department. He will accompany the seniors on the trip along with two other faculty members, Professors J. G. Bourne and R. W. Truitt.

Seniors comprising the group include: J. W. Aderholt, Cherryville; G. C. Almond, Albemarle; J. C. Barker, Jr., New Bern; J. C. Barr, Lansing; R. A. Berryhill, Charlotte; H. D. Black, Jr., Concord; L. R. Boggs, Green Sulphur Springs, West Virginia; B. C. Bowen, Durham; W. S. Bull, Jr., Raleigh; E. C. Burns, Moncure; W. McK. Clark, Greensboro; F. J. Clendenning, Boonville; P. A. F. H. Cooper, Henderson; C. M. Day, Jr., Chattanooga, Tenn.; H. F. Deese, Jr., Albemarle; L. C. Dixon.

(Continued on Page 2)

Head Forestry Publication

ACIE EDWARDS JOHN LAMPE

Acie Edwards of Scotland Neck, left, and John Lampe of Raleigh are the editor and business manager, respectively, of The Pinetum, official publication of students in the Division of Forestry at State College. Both Edwards and Lampe are members of the College's Board of Student Publications, the Forestry Club, and the North Carolina Collegiate Press Association. Lampe has served as assistant sports editor of The Technician, campus newspaper, and Edwards is a member of Alpha Zeta and Xi Sigma Phi, honorary organizations.

Ranzino Breaks Garden Scoring Record As He Drops In 32 Points; Dickey, Terrill Defensive Aces For Pack. Bubas Stars Until Injured.

New York, March 23.—Battling State College tonight entered the Eastern finals of the NCAA playoffs on a record breaking 32 points by ace Sammy Ranzino, 25 by Captain Dick Dickey, plus a brilliant all-around performance by the entire squad which gave the Wolfpack an 87-74 victory over Holy Cross.

Playing without Vic Bubas, who suffered an ankle sprain in the first half and was carried from the floor, the Wolfpack got great work from its reserves to stave off a Holy Cross rally at the start of the second half.

Four Candidates File In Campus Primary

Less than two weeks remain before the campus election primary April 13, and up until late Wednesday only four names had been filed with Assistant Dean of Students Ned Wood.

Although no candidate has filed for the office of president of the Campus Government, politics is expected to get into full swing next week. Rumor has it that a hot race is brewing between Jack McCracken, a rising senior in mechanical engineering from Kernersville, and Hank Odum, a rising senior in industrial engineering from Norfolk, Va., for the top campus office. Campaign talks have been flying thick and fast, and an interesting race may be in the offing.

Haas First to File

The first man to file with Dean Wood was Bill Haas of Wilmington, a candidate for Editor-in-Chief of the TECHNICIAN. Haas was elected to the post last year, but did not return to school in the fall term. He has served on the paper for three years, having held positions as sports editor and managing editor. Haas also served as sports editor of the 1949 Agromeck and was a contributor to Harvest 1948, an anthology of student short stories.

Jack Bowers, a rising senior in textiles from Shelby, and Gilbert Maxwell, a rising junior in furniture manufacturing from Seven Springs, are the other possible candidates for the TECHNICIAN post.

Bowers, now the TECHNICIAN's sports editor, has served on the paper for two years. He is also sports editor of the 1950 AGROMECK. Maxwell has served two years on the news staff of the Technician as both feature and news writer. He was also a staff member of the student handbook.

Other Candidates

Other candidates who have filed with Dean Wood's office are Scott Eubanks of Greensboro, a rising senior in mechanical engineering, who is campaigning for vice-president of the Campus Government, Jerry Filicetto of Thornwood, N. J., campaigning for head cheerleader, and J. M. Heim of New York City, who is seeking the Business Manager's post of the campus radio station, WVWP.

Civil Seniors Study Plants In Va., Md.

Eighty-eight seniors and three faculty members from the Department of Civil Engineering at N. C. State College are scheduled to return to the campus today following a six-day tour of industrial plants in Virginia and the District of Columbia.

The group's itinerary included visits to the Buggs Island Dam Project, Va.; Bureau of Public Roads Projects in the Washington, D. C. area; construction projects in the Washington area under the guidance of the Associated General Contractors; Bureau of Standards; and the water treatment and sewer treatment plants of the District of Columbia.

The inspection trip was planned and organized by Prof. C. R. Bramer of the College's Civil Engineering Department. He accompanied the seniors on the trip along with two other faculty members, Prof. H. E. Griset and J. H. Appleton.

Seniors comprising the group include:

W. C. Bandy, Fayetteville; J. G. Bané, Denton; W. F. Beal, Jr., Nashville; W. W. Blanchard, Wallace; C. D. Blue, Lakeview; J. F. Foley, Mass.; F. S. Burge, Jr., Winston-Salem; E. J. Butler, Windsor; K. R. Butler, Lumberton; J. S. Caldwell, Asheville; S. L. Calhoun, Waynesville; R. P. Carr, Greensboro; J. C. Cato, New Bedford, Mass.; B. W. Chesson, Yancey; M. R. Cochran, Newton; S. V. Credle, Durham.

D. D. Daniels, New Bern; G. T. Davis, Shelby; C. L. Edwards, Raleigh; M. S. Edwards, Tryon; F. B. Eller, China Grove; H. C. Elliott, Charlotte; L. L. Ellis, Stantonsburg; R. H. Ellis, Emporia, Va.; R. F. Filer, Jr., Raleigh; J. E. Freeman, Bat Cave; R. E. Fuller, Jr., Raleigh; J. H. Leonard, Statesville; R. Haslop, Greensboro; W. S. Hamilton, Fayetteville; J. M. Harrell, Suffolk, Va.; R. M. Hepler, Greensboro; J. D. Hill, Jr., Wilmington; J. D. Holland, High Point; E. F. Hoover, Lenoir; B. M. Johnson, Lakewood, N. J.

R. C. Jones, Charlotte; C. Y. Jordan, Cary; J. H. Kayler, Gastonia; L. L. Key, Hickory; R. J. Kimley, New Bern; J. W. Klutz, China Grove; W. A. Knott, Sanford; E. S. Leinbach, New Bern; J. L. Leonard, Durham; J. E. Long, Greensboro; J. L. MacNeill, Maxton; J. R. McNulty, Raeford; W. H. McCord, Huntersville; M. G. McCoy, Snow Hill; L. B. McDade, Hillsboro; W. B. McIntyre, Red Oak; J. A. McNeill, Rockingham; A. S. McRimmon, Rowland; N. S. Martin, Winston-Salem; K. E. Mauney, Cherryville; W. G. Merritt, Robbins.

G. J. Moore, Myrtle Beach, S. C.; P. E. Moore, Morehead City; W. H. Moore, Baltimore, Md.; H. B. Oliver, Conway, S. C.; C. B. Pakton, Jr., Sanford; E. B. Payne, Boone; E. C. Powell, Rocky Mount; G. S. Quinn, Jr., Warsaw; H. C. Rhudy, Greensboro; H. E. Richardson, Wendell; C. W. Rummus, Fuquay Springs; R. A. Sapp, Washington; R. A. Shaw, Leaksville; N. H. Simmons, Mooresboro.

G. E. Smith, Jr., Cornelius; W. B. Stackhouse, Wilmington; J. M. Stephens, Leasburg; W. H. Tazooz, Jr., Charlotte; W. R. Taylor, Wilson; L. S. Thompson, Smithfield; J. J. Vereen, Jr., Raleigh; J. W. Vick, Nashville; F. T. Wagner, Taylorsville; R. L. Whitehead, Hobbard; R. H. Wiggins, Jr., Raleigh; N. L. Williams, Greensboro; W. E. Williams, Winston-Salem; W. A. Wilson, Jr., Roxboro; and W. C. Winkler, Boone.

The 32 points by Ranzino, 22 of which came in the second half, broke the record of 31 set by George Glanack of Carolina back in 1941.

First reports about Bubas said he probably wouldn't be able to play any more this year, but a later view by Trainer Tom Fitzgibbons was to the effect that he might be ready Saturday night when the Wolfpack meets City College of New York for the Eastern title, CCNY, champion of the National Invitation tourney, defeated Ohio State, 56-55 in the opening of this sensational double-header.

This was a wild, fast game which got extremely rough in the second half as the Crusaders tried to get possession of the ball. Players were knocked all over the court in the terrific battle under the boards.

The Wolfpack got a 15-6 point lead in the first half, which ended, 44-29. The Crusaders, led by Bob Cousy started the second half with a rush and threatened to go ahead after moving up to 51-49. But then State recovered its poise and steadily pulled away to win with safety in the closing minutes.

Ranzino's performance was remarkable in view of the fact he had four personal fouls on him and the first 15 minutes of play and did not start the second half. He had 10 points in the first half and 22 in the second.

Dickey, who played a tremendous all-around game, scored 13 in the first half and the crowd of 18,410 in front of 25,000 fans and Dickey outscored Cousy, rated as the nation's No. 1 player. The clever Frenchman was cold in the first half, during which he made two baskets but was terrific in the second.

The Wolfpack proved itself tonight when it refused to allow Holy Cross to make what would have been a sensational come-back. The Crusaders were charged up in the first half and the crowd of 18,410 sensed the makings of a great rally. But when the score became 51-49 Dickey, the clutch man, and Carter, the reliable trouble-shooter, came through with baskets to put State in front, 57-51. Dickey got two of the important goals.

Reserves Shine, Too

Bus Shrey, the Holy Cross coach, kept shifting his line up with a steady stream of substitutes, but at the end the Wolfpack was the stronger. This was despite the fact that Sophomore Lee Terrill had to play the entire game after Bubas got hurt and Dickey and Harand each played every second of the bruising and fast encounter.

Terrill came through like a champion. He had to take over the chore of trying to keep up with Cousy. He did this just about as well as anyone could, for there's no stopping the one handed tosses of the Holy Cross ace.

Carter also played most of the game in the place of regular Paul Horvath, who couldn't get going. The Swede did a sensational job. The 87 points set a season high for the Wolfpack, which came through when the chips were down. State's well-rouned attack often broke Ranzino and Dickey loose under the basket for easy layups. Most of Ranzino's points in the second half came on goals from close in.

Ranzino was kept on the bench at the start of the second half but when Holy Cross started to press in the back court, it became apparent he was needed to help get the ball down the floor. His return after four minutes was a big factor in enabling the Wolfpack to stifle the Crusader's rally.

The game delighted the big crowd with its fast action and rough tactics. The audience had worked up to a high pitch of excitement by the opener of the doubleheader, but that was soon forgotten as State won its rubber game over the three-contests with the Worcester, Mass. outfit.

Wolfpack Diamond Squad Tours Florida College Training Camps

T Formation In 1951?

Darrell Royal, Famous T-Quarterback, Added To Pack Football Coaching Staff

Sooner Star Will Report In Few Days

Darrell Royal, star quarterback of Oklahoma University's 1950 Sugar Bowl champs, yesterday was named backfield coach at State. The announcement was made jointly by Athletic Director Roy Clogston and Dr. H. A. Fisher, chairman of the State College Athletic Council.

Royal, 25, comes to State as successor to Walter Slater, whose resignation as a member of the Wolfpack football staff was accepted yesterday by the State Athletic Council. Slater is reported in line for an out-of-state coaching position, but he had no announcement on his future plans.

Highly Recommended

The appointment of Royal followed a trip to Oklahoma by Athletic Director Clogston and Head Coach Beattie Feathers where the former star for Coach Bud Wilkinson's Sooners was highly recommended for the backfield post at State.

Royal graduated from the University of Oklahoma in January and was immediately named a member of the El Reno (Okla.) High School physical education department and head football coach. Royal resigned his post as football coach at El Reno on March 14, which set off rumors that he was headed for State.

The new State backfield coach earned four football letters at Oklahoma, under Coach Jim Tatum in 1946 and under Bud Wilkinson, who succeeded Tatum in 1947. Royal stepped into the quarterback position on the Sooner eleven last year, filling the shoes of All-America Jack Mitchell. His play during the year was credited by Coach Wilkinson for the success of the Oklahoma team.

Reports Soon

Royal, a native of El Reno, expects to report for duty to Coach Feathers within the next week. He is married and is the father of two boys. The Royals will make their home in Raleigh as soon as suitable housing can be secured.

Fowler, Westbrook Heavy Hitters

By BILL HAAS

*State's veteran diamond star, Bill Fowler, has wielded a heavy stick in the Wolfpack jaunt into the sometimes sunny, sometimes rainy baseball camps of Florida's colleges.

Fowler hit two for five and drove in two runs in the Rollins game and knocked out a homer and two 2-baggers in the Florida Southern contest to lead the State batters.

On Southern Trip

Coach Vic Sorrell followed the example of the big leaguers when he took his 1950 nine to Florida for a little pre-season warmup.

The team left town after exams last Wednesday afternoon for Jacksonville, where the boys rested from the long trip. One scheduled game with the Rollins College club was played Friday afternoon, but a scheduled Saturday contest was rained out.

On Monday, the Wolfpack moved into Lakeland for a meeting with Florida Southern University, Wednesday's schedule showed a game with J. B. Stetson University in Deland, and the final game of that such a service would result in having letters written in the evening dispatched more promptly than is now the case. However, it was learned that such a pick-up would not be of much help because the last dispatch from the main post office is at about nine P.M.

Rollins Pitcher Relieved

Stevens was replaced by Corello, who walked Lunford Lewis, forcing Wilhelm home for a score. John Norrell forced Council at the plate, Charlie Westbrook fanned, and then Fowler caught up with his two run single to no-man's land.

Rollins only big inning was the first when the Floridians scored three runs off three hits, and three walks off Irv Page. The fourth Rollins run came in the third on a walk, a single and a wild throw to the plate by 2nd baseman Paul Dinan.

Lewis Hurling Star

Lunford Lewis was easily the star pitcher of the afternoon. Lewis came in to relieve Page in the fourth and left seven men on base in a five inning shutout. He retired three men in a row in the ninth with runners on first and second.

Pack Loses 9-8

With the State nine leading 6-2 after their half of the sixth, Florida Southern came back strong in the bottom half of the inning to knock out a seven run rally to sew up the ball game.

Pack pitcher Irv Page set up the Florida Southern rally with five walks, a hit batsman, and a hit batter. The State club scored twice in the eighth to close the gap to a one run deficit, but could not pull the game out of the fire.

Bill Fowler scored one homer and two two-baggers to lead the Pack hitting.

Pack Scores 11-6 Over Hatters

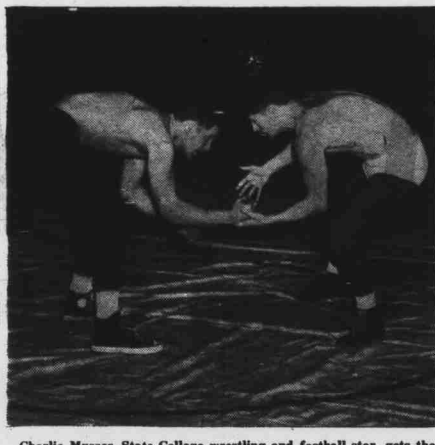

North Carolina State's Wolfpack combined 13 hits with head-up ball Wednesday night to defeat the Stetson University Hatters, 11-6. The visitors grabbed the lead with a five-run barrage in the fourth inning and the Hatters never could catch them.

A double by Charley Westbrook and singles by Don Cheek, Roland Brinson, and Bill Fowler turned the trick with assistance from three free passes and a Stetson error.

Sam Delah and Bernard Bean shared mound chores and kept 11 Stetson hits spaced effectively, with the latter being tagged for seven of the Stetson safeties.

Westbrook was State's big man at bat, rapping out a double and two singles in five trips and driving in three runs. Charley Broadway paced the Hatters with two doubles and a single in five official attempts.

State College Meat Grinder

Charlie Musser, State College wrestling and football star, gets the feel of his opponent in the final match of the season against Davidson. Musser was captain of the 1949-50 wrestling team and has been defeated only once in three years of varsity competition.

Civil Service

The United States Civil Service Commission has announced an examination to fill scientific aid (cotton) positions in the fields of fiber technology and textile technology, paying from \$2,480 to \$3,600 a year, in various Federal agencies in Washington, D. C., and vicinity.

To qualify for these positions, applicants must pass a written test and, in addition, must have had from 1 to 4 years of appropriate experience, the amount required depending on the grade level for which they wish to be considered. A part of this experience must have been in the specialized fields of fiber technology or textile technology. Provision is made for the substitution of appropriate education for the required experience.

Full information and application forms may be obtained from most first- and second-class post offices, civil service regional offices, or from the U. S. Civil Service Commission, Washington 25, D. C. Applications must be received in the Commission's Washington office not later than April 18, 1950.

ROTC Appointments

Three State College students have been appointed as second lieutenants in the Officer's Reserve Corps of the U. S. Army, Col. Samuel A. Gibson, head of the College's Military Department, announced yesterday.

Claud H. Powell of Warsaw was commissioned in the Infantry, and Marvin R. Godfrey of Elizabeth City and Wade M. Hobson of Booneville were tendered commissions in the Quartermaster Corps.

All three men recently completed the advanced course of the Army's ROTC Regiment at the college. Students successfully completing this program are eligible for appointment as second lieutenants.

The Army ROTC at State College offers courses of instruction leading to commissions in either the Infantry, Signal Corps, Quartermaster Corps, Corps of Engineers, or the Ordnance Department.

Campus Government

Mail Pick-Up Schedule

During the Winter Term the Council of Campus Government investigated the possibility of securing for the students, a mail pick-up at the dormitory boxes at about midnight. It was thought that such a service would result in having letters written in the evening dispatched more promptly than is now the case. However, it was learned that such a pick-up would not be of much help because the last dispatch from the main post office is at about nine P.M.

Due to the schedule and cost of such service it is impossible to have a collection in the individual dormitories to make this dispatch. Mr. Insoe, Raleigh's Postmaster told the committee that the collection made in the morning is taken directly to the Fayetteville Street building and gets prompt attention. He also reminded them of the mail box located on the Cafeteria side of the College Y.M.C.A. This box is "pulled" every night at 7:55 and the contents are taken to the main office also.

In cooperation with the Post Office Department, the Campus Government presents the schedule of closing time for collection at the various mail boxes around the campus.

State College Sta. P.O.	Y.M.C.A. Campus Box	Dorm. Boxes
6:30 AM		
9:40 AM	9:50 AM	9:50 AM
12:00 Noon		
2:00 PM	1:30 PM	1:30 PM
6:00 PM		
8:10 PM	7:55 PM	

Sunday and Holiday collections are made at the College Station and Y.M.C.A. box at 4:00 P.M.
