Offices: 10 and 11 Tompkins Hall

Union, School Reach Agreement

Distribution Of Agromecks Will Begin On Monday

Distribution of the 1950 Agromeck will begin Monday afternoon at the Agromeck office. It was announced today by Scott Stidham, Editor.

Stidham announced that distribution will be on a first come, first served basis, with three lines to be formed in front of the office to facilitate distribution. Nine hundred annuals will be distributed on Monday, and one thousand every four days thereafter until distribution is complete.

Dedicated to Jeter

The 448-page volume is dedicated to Dr. Frank H. Jeter, agricultural editor of the college for the past 33 years and director of the College's Board of Student Publications. The dedicatory page carries five pictures of Editor Jeter, showing him at work in his various capacities, and bears the following citation:

"To Dr. Frank H. Jeter—a wise counselor, a true friend, and an inspiration to all—this 1950 Agromeck is sincerely dedicated. His capable supervision of publications at North Carolina State College has placed our school in the galaxy of leaders in college publications. His sterling qualities of manhood, his diligent labor, and his love for State College have made him beloved by all members of the student body and faculty alike."

Six Sections

The binding of the huge book features a color photograph of Memorial Tower and its surroundings with gold lettering. The volume is divided into six sections—the college, fraternities, organizations, classes, athletics, and features.

Thousands of pictures of campus scenes, students, and faculty members appear in the volume, one of the largest to be published by the students of the college.

The book was printed by the Observer Printing House of Charlotte, and the engraving work was done by the Lynchburg Engraving Company of Lynchburg, Va.

Honored

F. H. JETER

copy writer; B. W. Batchelor of Nashville, R. M. Wooten of Hendersonville, R. P. Karriker of Mooresville, D. M. Lambert of High Point, and L. W. Bissette, photographers.

L. L. Holder of Raleigh, Bobbie Thompson of Raleigh, and J. W. Trolinger of Burlington, copy writers; R. W. Byrum of Edenton; F. M. Soling of Bronx, N. Y.; E. C. Burns of Moncure, and P. J. Harris of Raleigh, office assistants.

The business staff is composed of E. L. Mustian of Kittrell, associate business manager; E. P. Andrews, Jr., of Charlotte, assistant business manager; Ann Burnside of Washington, D. C., advertising layouts; K. W. Winston of Raleigh, local advertising; D. I. Spencer of Greensboro, local advertising; W. Z. Penland of Asheville, national advertising; and C. M. Bodwell of Boston, Mass., office manager.

Interfraternity Sing Tonight

The Annual Interfraternity Sing will be held tonight at 8 o'clock in Pullen Hall. Singing competition will be held between 10 fraternities and the fraternity adjudged the best by three impartial judges will be presented a large trophy immediately following the contest.

Many different types of songs will be heard—everything from barber shop melodies and novelty numbers to gleec club specialties.

Pi Kappa Phi, the sponsor, will keynote the sing with a special arrangement of the Whiffenpoof Song. The other fraternities to sing are: Alpha Gamma Rho, Tau Kappa Epsilon, Sigma Pi, Sigma Nu, Sigma Chi, Phi Kappa Tau, Sigma Alpha Epsilon, Lambda Chi Alpha, and Delta Sigma Phi.

Settlement Announced Following Conference Thursday Morning

By PAUL FOGHT

The problems arising between State College and the Musicians Union have been settled to the satisfaction of both parties.

Dean Wood and the officials of the local union were in conference for several hours Thursday morning. As a result of this meeting Dean Wood's office was able to announce that all student activities will continue as usual and all buildings on the campus may be used.

Continue Arrangement

The students will continue to work out their own programs, however, the local union will encourage the use of union talent. This has been the arrangement under which the college and the union have operated in the past.

Robert J. Sawyer, secretary and treasurer of AFM, Local 500, stated to the TECHNICIAN that the union was very happy that a harmonious relationship had been re-established. Sawyer said that he is looking forward to continued cooperation with State College groups.

Free Appearance

The local union has also announced that a union band will give a free performance at a dance for the Inter-Dormitory Council. The band will be paid out of the Music Performance Fund of the American Federation of Musicians. This fund was organized to provide free, union entertainment for certain civic functions and benefits.

The difficulties between the college and the union arose when union order prevented the appearance of an orchestra at the St. Patrick's dance in the Frank Thompson Gymnasium last Saturday.

Caulb Had Signed

Sumney Caulb's orchestra had signed a contract to appear for the dance when a letter was received from the local union stating that the national office of the AFM had placed the gym on the "unfair" list.

The national office took this action following the appearance of a non-union band at the freshman dance in the Frank Thompson Gym on April 29.

Golden Chain Taps

New Members

The annual initiation ceremony of Golden Chain, senior honorary society of State College, will be held on the Holiday lawn next Wednesday at 6 P.M.

Each year 12 rising seniors, considered the outstanding members of their class, are chosen members of this honorary leadership society. All rising seniors are requested to attend the colorful ceremony and to sit in the circle from which the new members are chosen. All members of the new senior class are considered in the choice of new members and no new links will be tagged except from the circle. All students and faculty members are invited to attend the ceremonies. The event is also open to the public.

John A. Park, editor of the Raleigh Times, will speak during the program. He will be introduced by Dean E. L. Clody. Following the ceremony, the members and other campus leaders, will be honored at a banquet by the retiring Golden Chain members. Music at the ceremony will be by members of the State College Band, directed by Christian D. Kutichinski, director of the college's music department.

Retiring members of the Golden Chain leadership society are Virgil Mims, Arch Regent; Wade Hobson, Regent; Ted Williamson, Scribe; Preston Andrews, Treasurer; Bill Barnhardt; Charlie Musser; Earl Dicks; Warren Cartier; Emmett Bringle; Scott Stidham; Lolo Dobson and Avery Bzdek.

Married Seniors

If you have NOT received a card from the Campus Government concerning a Goodwife Diploma for your wife, mail the following information, on a postcard, to the Dean's Office without delay: YOUR WIFE'S, given name, maiden name, married name; YOUR, name and curriculum.

C. E. Mangum, representing the Industrial Engineering department, is shown above receiving the first prize for having the best exhibit at the recent Exposition from Dean J. H. Lampe. The award was presented at the St. Patrick's Ball last Saturday night.

Industrial Engineers Win Honors At Exposition

Approximately 5,000 persons attended the 18th annual Engineers' Exposition held at State College last week by students in the School of Engineering, Lewis Allen of Raleigh, president of the Engineers' Council reported Wednesday.

Allen also announced that the exhibit of the Industrial Engineering Department took first prize of \$25 in competition with the other departments of the school.

Winning Exhibit The industrial exhibit featured a model plant layout, showing various production stages involved in the procession of raw materials into finished products. It also showed a time and motion study designed to increase industrial efficiency.

C. E. Mangum of Knightdale was the student chairman of the industrial exhibit.

Second prize of \$15 went to the students in the Civil Engineering Department, with E. A. Keiger, Jr., of Winston-Salem as the student chairman, and the third place award of \$10 was captured by the students in the Chemical Engineering Department, with J. Reid Clark of Salisbury as the student chairman.

Judges of the exhibits were George R. Ross, director of the State Department of Conservation and Development, and D. T. Daley of Norfolk, Va., industrial engineer for the Seaboard Railway Company. Both are alumni of the college.

A plea to the engineering students of N. C. State College that they remain in North Carolina after graduation was issued at the opening exercises by D. Hiden Ramsey, vice-president and general manager of The Asheville Citizen-Times.

Speaking on the topic, "The Sons of Martha," Ramsey lauded the role of technology in lifting the living standards of the nation and appealed to the seniors of the college to devote their talents toward building North Carolina into a greater industrial area.

He also directed a plea to the State's industrial leaders to provide the seniors with suitable employment opportunities in their plants.

Praises State College

The Asheville publisher also praised State College as "one of the truly first-class colleges of agriculture and engineering in the nation" and said that the institution's "growth in enrollment, in physical facility and in teaching experience is one of the miracles of our State."

Speaking directly to seniors in the College's famed School of Engineering, Ramsey said:

"When you graduate, you, of course, become the masters of your own geography. You will be free to seek employment and to set up residences where you will. Opportunity will tempt you to all points of the compass and there is no legal or moral compulsion upon you to remain in North Carolina. Young men, starting upon their careers, must go where chance calls with a bugle note that sometimes is sounded only once."

"May I venture nevertheless to express the earnest hope that most of you will find your life's great opening in North Carolina and will remain here to enrich and strengthen the state with your talents, with your training and with your inherited devotion to the Old North State?"

"First of all, North Carolina needs you. This state has grown much during the past half century. We have shared proportionately in the improved economic well-being of the nation. But North Carolina is not such a rich and economically stable state that it can afford to export its richest asset—its bright, properly trained young people.

James M. Kitchens of Winston-Salem, a senior in electrical engineering, was chairman of the exposition. Other committee chairmen were Nathan L. Evans, Jr., of Lexington, the high school committee; Coker D. Blue of Lakeview, arrangements committee; and Paul L. Lovington of Hempstead, N. Y., publicity committee.

Officers of the Engineers' Council are Lewis M. Allen of Raleigh, president; Duard C. Linn of Landis, vice-president; David Lane of Bostic, secretary; and Robert A. Shaw of Leaksville, treasurer.

Jordan Chosen Winner At Livestock Program

Norman Jordan of Siler City was chosen grand champion showman and fitter of the 7th annual Livestock Day program presented Saturday by the students of the School of Agriculture and held at the college dairy farm.

Over 350 persons saw Jordan compete with 98 students showing 20 classes of livestock. Champions in the other divisions were:

Frank Harris of Henderson, Frank Scarborough of Hookerton, first and second place winners in the beef cattle division; Joe Francis of Waynesville, Fielden Miller of Laurel Springs, first and second place winners in the sheep division; and Kelly Robinson of Statesville, William Bell of Horse Shoe, first and second place winners in the swine division.

Double Winner

In both the slaughtering and meat cutting contests, Leon Holland of Charles took top places. Second prize in the meat cutting contest went to Fielden Miller of Laurel Springs and John Collins of routman took second place in slaughtering.

Jordan, the grand champion, was also first place winner in the dairy showing. He will be awarded equipment to furnish a 10-cow dairy barn by the Standard Equipment Company of Bel Air, Md.

Dedicated to Professor

The show was dedicated to Prof. Fred M. Haig, who has been with the State College staff since October, 1919, and has served on the campus since that date. He received his B.S. degree from the University of Maryland in 1918 and was awarded his M.S. degree by State College in 1922. He now holds the rank of professor of dairying.

A veteran of World War I, Professor Haig has concentrated his efforts on teaching, but has also done extensive research in feeding dairy cattle and in measuring growth in dairy cattle.

Officers of the event were John Cooper of Dobson, chairman; Charles McGinnis of Charlotte, vice-chairman; Edgar Ingram of Forest City, reporter; and Joe Cash of Statesville, secretary-treasurer.

Judges

Dairy judges for the show were E. C. Berryhill, livestock specialist of Catawba County; Glenn Carter of Concord, manager of Clear Spring Farm; Robertson Freeman of High Point, field representative of Lindale Dairies; and J. McK. Jeter, field representative for the Guernsey Cattle Club.

Livestock judges were Bill Hall, beef cattle breeder of Elkin; Dama Tugman, county agent of Ashe County; Paul Church, assistant farm agent of Alleghany County; and Harper Van Hoy, beef cattle breeder of Winston-Salem.

Sponsors for Second Annual Rose Ball

Annual ATP-ΠΚΦ Rose Ball 1950

MRS. MARIE JONES
JULIA GRADY
MAGDALENE GULLEY
NANCY GRAY
FRANKIE MEADOWS
SUSAN DAVIS
ANNE BEAL
GAIL NANCE
PATSY DAVIS
RACHEL READE
NANCY BANKS

Pictured above are the sponsors of the second annual Rose Ball to be presented by Alpha Gamma Rho and Pi Kappa Phi Fraternities at N. C. State College Saturday night, May 13, from 9 until 12 o'clock. The dance is scheduled for the Virginia Dan Ballroom, with the Duke Ambassadors providing the music. The sponsors, with their escorts listed, are shown here. Top row, left to right: Miss Nancy Gray of Robersonville with Hank Winslow of Robersonville; Mrs. Marie Jones of Charlotte with her husband, Bobby Jones of Charlotte, president of Pi Kappa Phi; Miss Julia Grady of Goldsboro with Bernie McQueen of Ellerbe; and Miss Magdalene Gullely of Garner with H. R. Caldwell of Waynesville, president of Alpha Gamma Rho. Miss Frankie Meadows of Kernersville, left center next to the Pi Kappa Phi Crest, is the queen of Pi Kappa Phi. She will be escorted by John Fox of Bandman. Miss Nancy Banks of Garner, right center next to the Alpha Gamma Rho Crest, is queen of that fraternity and will be escorted by L. A. White of Youngsville. Bottom row, left to right: Miss Susan Davis of Wilson with Tab Williams of Greenville, co-chairman of the ball committee; Miss Anne Beal of Potocasi with Jack Jenkins of Potocasi; Miss Gail Nance of Charlotte with Ed Chapman of Charlotte; Miss Patsy Davis of Raleigh with Frank Perkins of Laurinburg; and Miss Rachel Reade of Burgaw with Bob Anderson of Raleigh, co-chairman of the ball committee.

Merit Rating

Beginning next Monday, May 15, State College students once again will have the privilege of rating their instructors. We are printing a copy of the rating sheet below with the hope that each student will read it carefully and consider each point seriously so that he may be able to render just answers when he rates his professor. This is a rare privilege. Let's not abuse it!

Instructor..... Department.....
Course No..... Class.....

Please make this rating as conscientiously as possible. Be fair. Otherwise the rating will be worthless. The rating is designed to help the instructor help himself, not for you to "get even with him."

- I. Knowledge of Subject: Well versed in subject and its application; Knows subject but not practical applications; Knows only what is in textbook; Poor knowledge of subject and its applications.
- II. Organization of the Course: Excellent; Good; Fair; Poor.
- III. Presentation of the Course: Poor; Fair; Good; Excellent.
- IV. Teacher's Interest and Enthusiasm in Subject: Very seldom shows interest; Only mildly interested; Frequently shows enthusiasm; Very enthusiastic and interested.
- V. Ability to Arouse Interest in Subject: Interest usually runs high; Students frequently show interest; Students occasionally show interest; Students seldom interested.
- VI. Discipline in Class: Class often noisy and disrupted; Class sometimes noisy; Class usually quiet; Class always quiet.
- VII. Tolerance and Liberty: Welcomes differences of opinion; Shows no personal reaction to opposition; Sometimes impatient when students oppose his views; Easily aroused to temper by opposition.
- VIII. Feeling Between Instructor and Students: Feeling of goodwill prevails; Neither goodwill nor antagonism seems to prevail; Students sometimes antagonized; Instructor tends to antagonize class.
- IX. Assignments: Always indefinite; Usually indefinite; Usually definite; Always definite.
- X. Quizzes: Cover insignificant material and are too long; Cover insignificant material but fair in length; Cover important material but too long; Cover important material and of correct length.
- XI. Grading: Always fair; Usually fair; Usually unfair; Always unfair.
- XII. Approachability Outside Class: Refuses to give outside help; Avoids outside consultation; Will make appointment if asked; Encourages students to seek outside help.
- XIII. Does the Instructor Discuss Other Subjects of Cultural Interest to Students? Frequently; Occasionally; Seldom; Never.
- XIV. In Your Opinion This Teacher Is: Poor; Fair; Good; Excellent.
- XV. List Any Distracting Mannerisms:
- XVI. Remarks: List the good points as well as bad ones on the back of this sheet.

AROUND The TOWER

By SANFORD GLUCK

There is no doubt that the students on our campus are extremely well organized. Among the nearly ninety organizations approved by the Dean of Students are many which attempt to coordinate different groups of men and women who are, for one reason or another, joined together by a common bond. The newest, the most inclusive, and certainly the most needed of these organizations is the Inter-Dormitory Council. This group was established a little over a year ago primarily through the efforts of J. J. Stewart, Director of Student Housing. Held up to a criteria of what has actually been "done," the I.D.C. comes through with flying colors. Last year it helped set up the Intramural Athletic Board, which settles intramural disputes and makes working rules by which dormitory and fraternity athletic teams can abide. Other past activities include helping with Freshman Orientation, organizing socials and dances, providing sleeping quarters for delegates to the Chi Epsilon Conclave, and establishing recreation rooms in Tucker and Alexander dormitories.

Every dormitory on our campus has formed its own Dorm Club, the leaders of which are officers elected by those in the dorm. The President and Vice-President of each dormitory automatically become members of the I.D.C. These men vote among themselves for a President, Vice-President, Secre-

tary and Treasurer, and in addition there are two other appointed officers. One of them, the Executive Secretary, is the Social Coordinator for all dormitories, and it is he who plans the many dorm dances. The Assistant Executive Secretary writes a weekly column for the Technician to keep the student body informed of activities within the dorms. Meetings of the I.D.C. are held about once a month, with all important business being taken care of by the Executive Secretary. This procedure facilitates the workings of the Council and does not burden its members with superfluous meetings.

The aims of the I.D.C. are many, but they can all be summed up in a statement made by Gene Jeffords, newly-elected President: "Group living is an art, and the I.D.C. hopes to teach this art to all dormitory students at State College." Working with this idea as a basis, the members of the I.D.C. have brought forth many ideas which they hope to carry out during the coming year. Foremost among them is the idea of improved relations between the students and the faculty, with an eye towards a possible Student-Faculty Day in the future. Another project is to put signs on all the dormitory buildings—an idea which has been worked on before but never actually accomplished. Plans are also underway for an expanded Freshman Orientation Program to work in cooperation with the Campus Government.

With The Greeks

By FRANK PERKINS

Pi Kappa Phi was founded at the College of Charleston in South Carolina, Dec. 10, 1904. It was a concrete and permanent result of a friendship that had flourished since the elementary school days in the environs of one of the South's oldest towns.

With the definite purpose of extending the influence of the organization, the incorporation as a national fraternity took place in 1907. The purpose of the fraternity is "to promote fellowship and mutual trust among its members, to uphold the ideals and traditions of the college where its chapters are located, to encourage excellence in scholarship and to inculcate in its members the highest ideals of Christian manhood and good fellowship."

This year Pi Kappa Phi will institute its second Annual Inter-Fraternity Sing to promote cultural interest and competition among the fraternities on the campus.

Alpha Gamma Rho is a national social fraternity, and was founded in 1908 at Oberlin University for the purpose of developing the best social, mental, moral, and physical qualities in each fraternity brother, and to promote a wider acquaintance and a broader outlook on the part of agricultural men through fellowship in a national organization. There are now 31 active chapters of Alpha Gamma Rho. Nu Chapter, before coming national in 1919, was the local fraternity Theta Beta.

One of the highest aims of Nu Chapter is outstanding scholarship, and all members are expected to develop a high scholastic standing.

The national organization awards annually to the chapter with the highest scholastic average a plaque, which has been won by Nu Chapter four times. Nu Chapter has also won the Interfraternity Scholarship Cup seven times in the thirteen years it was awarded.

Rose Ball

Pi Kappa Phi and Alpha Gamma Rho will sponsor their Annual Rose Ball this week-end at Frank Thompson Gymnasium, with the Duke Ambassadors furnishing the music. The dance will be open to all "greeks" so if any of you that would like to go haven't been able to secure a bid then contact in one of the above fraternities.

As the flower of both the fraternities is the Rose each year Pi Kappa Phi and Alpha Gamma Rho elect their Rose. They will be crowned at the dance and also will receive a gift from each of the respective fraternities. Chosen as the Rose of Pi Kappa Phi is Miss Frankie Meadows of Kernersville sponsored by John Fox of Randleman, N. C. Frankie attends Meredith College where she is active in sports and other extra curricula activities on the campus. Also chosen as the Rose of Alpha Gamma Rho is Miss Nancy Banks of Garner sponsored by L. A. White of Youngville, N. C. Nancy works in Polk Hall in the Dairy Extension Department.

Alpha Gamma Rho will be hosts to the Pi Kappas and their dates at an old fashioned Barbecue at the Alpha Gamma house on Saturday preceding the dance. The supper will start at 5 and I feel sure that everyone is looking forward to a real treat.

the secret of the CENTURY!

its soft collar won't wrinkle... ever!

New and revolutionary! Luxuriously soft collar on the new Van Heusen Century shirt stays neat all 24 hours of the day... without starch! It's woven in one piece... has no lining... no fused layers to wrinkle. Even fold line is woven in... it can't fold wrong... it feels handkerchief-soft on your neck. In regular collar or wide-spread, both in two qualities of broadcloth \$3.95 and \$4.95.

A new shirt free if your Van Heusen shrinks out of size!

Van Heusen shirts

"the world's smartest" shirts

Dorm Doings..

Signs for Dorms

A great stride forward is about to be taken: Dormitories on this campus will be labeled before long. Ray Gilbert, C. B. Edwards and Bill Martin of the Industrial Arts Club are credited with spark-plugging the idea, and will do most of the sign-making and painting. Strangers will no longer need to rely on the precariousness of finding a student who may not know the location of a particular dormitory. Too, a sign—and these are going to be pretty—adds distinction of a kind not even attainable with sidewalks.

Bagwell Picnic

Sunset Lake and like spots are becoming favorites for those happy little dorm busts of late. It may be added to the books that a complete success was had by all at Bagwell's party last Friday—lots of food and (things) to drink and the danceable records. There was no moonlight but there was a lack of it. Bagwell's boys thank Wiley Corbett and his staff for a really great party.

Syme Plans

Now we have the boys in Syme eager to gambol in the open spaces, and they're going to do just that tonight at Stewart's Lake. We don't know how he's going to do it, but Social Chairman Tom Macon is keeping the price down to 50 cents a couple.

Tucker Loses Lloyd

Report from Tucker has it that Ben Lloyd is moving to another dorm, and has vacated his position of floor representative to be filled by Paul E. Dunn, a sophomore in Ag. Education from Selma.

Alexander-Turlington Dance

Alexander and Turlington Clubs are planning a dance to be held Friday, May 19th. As yet its location is not determined due to a dispute arising with the Musicians' Union. It seems that one of the Union's rules is that they cannot play in a location where a non-union band has been hired. Such is the case with Erank Thompson Gymnasium. If a reconciliation is made, Sammy Gaubert will play there; if it is not possible, then he will probably play in the Armory.

Gold Dorm Officers

Gold Dormitory Club Officers—1950-51. Left to right: Abdulridha Mahdawi, V. P.; John McLeod, Pres.; George Fields, Sec.

Observe "Greek Week"

Some seven hundred State College fraternity men will push individual chapter competition into the background next week and unite in observance of the second annual Greek Week's activities. A product of the National Interfraternity Conference, Greek Week is used on campuses throughout the nation as a device for bringing men of all fraternities closer together as a group.

Plans are taking shape at present under the able guidance of Chairman Jim Holloway of Sigma Phi Epsilon Fraternity which will provide a full three days of interfraternity activity on Tuesday through Thursday, May 16, 17, and 18.

Entertain Alumni Monday evening will find individual chapters entertaining alumni speakers on the subject of interfraternity friendship as preparation for the activities ahead. Tuesday will inaugurate a series of exchange

Dinner Thursday Climax of the Greek Week program will come on Thursday night at 7:00 p.m. A dinner, given by the Interfraternity Council, will be held in the west side of the College Cafeteria. Tentative plans call for an interesting speaker on the subject of fraternity life in a college community.

Frank Lloyd Wright To Speak In Coliseum

Frank Lloyd Wright, under the sponsorship of the School of Design, will deliver an extemporaneous lecture Tuesday, May 16, at 8 p.m. in the Coliseum. Mr. Wright comes to the college in answer to a special request made by the Dean of the School of Design, Henry L. Kampfoefner.

A special section in the Coliseum has been reserved for design students and architects. These reservations may be obtained free of charge in the Dean's office. There will be no admission charge for the general public.

Style Defined

In attempting to define Wright's architecture as organic, writer Bruno Zevi pointed out two essential things. First, that his buildings are entities like living organisms, and secondly that they are functional in relation to mankind. Actually the Wright architecture defies analysis or comparison. It is more than merely unique or daring. It revolutionized the architecture of his own time and time to come. For more than fifty years he has been, and is still a pioneer in waging the struggle against imitation, sham and eclecticism to revitalize architecture into again being a timeless art, expressive of man's creative imagination and poetic vision, expressive of man's divine potential in exploiting to the highest degree man's talents, capacities and senses towards achieving a vital, full and rich life.

The career of Frank Lloyd Wright has seen a radical departure in the 1890's from the prevailing neo-Classicism of the time into his own revolutionary "Prairie Style," and the spread of his influence in Europe and Asia. Through the twenties there was a continual personal development and struggle in face of rejection in his own country.

Receives Acclaim

With the growing acceptance of the thirties, Wright's genius was expressed in the outpouring of brilliantly creative work, the full development of what he terms "organic" architecture. Finally at the age of 80, Wright received the belated acclaim of his own country when awarded the Gold Medal of the American Institute of Architects at the 1949 Convention in Houston. This citation truly said: "Frank Lloyd Wright has moved men's minds . . . has kindled men's hearts . . . he was and is a titan force . . ."

While at the college, Mr. Wright will be a guest of Dean and Mrs. Kampfoefner at their newly-completed residence in the Country Club Hills neighborhood.

ASME

There will be an important meeting of A.S.M.E. Tuesday night, May 16, in room 100 Page Hall at 8:00 p.m. This is the last meeting of the year and there is much business to complete. A faculty adviser must be elected, final plans for the party will be made, and information will be available on how to transfer your student membership to Junior ASME membership. Also, a few members owe dues which must be collected before graduation.

Mr. Ramon S. Talton, Manager of Production and Maintenance of Hydro-electric and Steam-electric Plants for Carolina Power and Light Company, will speak on "Outdoor High-pressure and High-temperature Steam-electric Units."

Textile Group Meets

The student chapter of the A. A. T. C. C. (The American Association of Textile Chemists and Colorists) was the host for Mr. Robert A. Gilliam, Vice-President and Manager of the Finishing Division of Burlington Mills. Mr. Gilliam spoke on "The Newest Synthetic Fibers and Problems Arising in the Dyeing and Finishing of Them." Mr. Butler French, also of Burlington Mills, presented a movie entitled "Fabric of our Lives," showing the entire scope and operation of the Burlington Mills Corporation.

The meeting was held in the auditorium of the Textile School and was the first to be presided over by the newly elected officers of the organization. The new officers are Robert E. Crowell, Chairman; C. Franklin Donyes, Secretary; Edwin B. Armstrong, Treasurer; and John L. Russer, Social Chairman. Those attending were Professors Henry A. Rutherford, Kenneth Campbell, W. E. Shinn, and Mr. Richard Dugg of the faculty and about thirty-five members from the Chemistry and Dyeing Department.

Exhibit

A triolor was awarded the exhibit constructed and decorated by students of the landscape architecture department for the Raleigh Garden Club show held last Thursday, Friday and Saturday in the State College Armory. The exhibit, built under the supervision of Professor Edwin G. Thurlow, was the object of many favorable comments. It consisted of a series of free-standing fences trimmed with white rope on a yellow background, a small blue pool containing some goldfish, and arcade and a brick terrace with a grass plot in the center. Shrubs and plants furnished for the occasion by local florist, and furniture from another merchant completed the decor.

No Concert

There will be no concert Sunday afternoon, May 14, on account of the desire of many of the musicians, as well as students who might otherwise attend the concert, to visit their homes, it being "Mother's Day."

On the following Sunday, May 21, the B&ND will, weather permitting, play an outdoor concert at the Memorial Tower—otherwise in Pullen Hall. On Monday, May 22, the "REDCOAT" BAND will leave at two o'clock for Nashville, to play a concert and participate in a ceremony of great significance to State College and the State of North Carolina.

After successful concerts in Pullen Hall and at Shaw University last week, the GLEE CLUB concluded its activities of the year with a supper meeting and election of officers for the coming year on Wednesday night. Officers elected were: President . . . J. A. Shuping; Vice President . . . J. K. McArthur; Secretary-Treas. . . R. C. Compton; Librarian . . . W. P. Brown.

4-H Meeting

The organization meeting of the State College 4-H Club is to be held Monday night at 6:00 in dining room A of the cafeteria. All former 4-H members are requested to attend. Each member will purchase his own meal. The election of officers and the appointment of committees is the business to come before the group.

St. Patrick's Ritual Honors Engineers

The colorful ritual of Saint Patrick in which top-notch students were honored for academic accomplishments was the concluding feature of the 18th annual Engineers' Exposition at N. C. State College tonight.

Eight-five seniors in the College's School of Engineering were knighted into the Order of Saint Patrick during the ceremonies and 14 freshmen, chosen for scholastic achievements, were dubbed as Companions of Saint Patrick.

The Order of St. Patrick was named for the legendary saint, who in chasing the snakes from Ireland, "invented the first worm drive" and thus became the patron of engineers the world over.

The tapping exercises were conducted during a dance held in the Frank Thompson Gymnasium on the college campus. High school students from all sections of North Carolina, who were guests of the college during the exposition, attended the ritual.

Seniors Inducted

Seniors inducted into the Order of St. Patrick were: Junius J. Andrews, Raleigh; Tuck K. Atkinson, Hampstead; Woodrow P. Bass, Durham; LeRoy R. Boggs, Green Sulphur Springs, W. Va.; Haywood P. Bessie, Albemarle; Royal R. Eudaly, Wilkesboro; Max J. Fowler, Shelby; Lucian W. Pritts, Lexington; Thomas A. Harrington, Jr., Raleigh; David Lane, Bostic; Paul L. Lovington, Hempstead, N. Y.; Harold P. McKnight, China Grove;

Lawrence E. Poteat, Bakerville; Herman E. Seibel, Norfolk, Va.; Smetana, Baltimore, Md.; John A. Stokes, Gladewater, Texas; Hugh B. Stokes, Charlotte; Ezra A. Stroupe, Jr., Raleigh; David K. Tillson, High Point; Joseph W. Westbrook, Greensboro; Lester F. Whicker, Walkertown.

Robert H. Becker, Arlington, Va.; James R. Clark, Jr., Salisbury; Jack M. Davis, Charlotte; James Flores, Charlotte; Richard Gustafson, Biltmore; Carl J. Howell, Jr., Concord; Roy S. Thomas, Jr., Raleigh; George L. Berson, Dorchester, Mass.; Coker D. Blue, Lakeview; John H. Brinkley, Thomasville; Floyd S. Burge, Jr., Winston-Salem; Bryan W. Chesson, Vanceboro; John S. Collins, Goldsboro; Robert H. Ellis, Emma, Va.; Rowland F. Filer, Jr., Raleigh; Edward M. Hall, Raleigh; Lester L. Key, Hickory; James W. Klutz, China Grove; John L. Leonard, Durham; Paul E. Moore, Morehead City; Joseph E. McNulty, Beaufort.

Larry B. McDade, Hillsboro; Horace E. Richardson, Wendell; Robert A. Shaw, Leaksville; John M. Stephens, Leasburg; Leon S. Thompson, Smithfield; Ralph L. Whitehead, Hobgood; William C. Sullock, Rocky Mount; Isaac T. Corbell, Jr., Knotts Island; Bobbitt V. Correll, Mebane; Roderick W. Coward, Wilmington; James L. Diehl, Winston-Salem; Nathan L. (Continued on Page 6)

Ag Club Hears Jeter

Mr. Frank H. Jeter of the State College News Service was the speaker at a regular Ag Club meeting held May 9, 1950. He spoke of the rapid growth that agriculture has made during the past few decades in North Carolina, and he enumerated the many possibilities for expansion to continue in agriculture.

Next week, the Ag Club program will consist of a "Smoker" and a debate between two teams selected from members. This meeting is guest night, and everyone is urged to bring their friends out for a wonderful evening of entertainment. The meeting is to be held in room 118 Withers Hall.

The Ag Club picnic will be held May 26, 1950.

Square Dance

The Skunk Hollow Boys, State College's leading hillbilly band, will play for a square dance sponsored by the Wesley Foundation Saturday night May 13th in the Naval Armory. Long a favorite at State the Skunk Hollow Boys feature George Martin, Greensboro hillbilly, on the fiddle and Rawley Amburn, Mt. Airy musician, on the guitar plus others.

Die Hill nurses and Peace College girls will be on hand as special guests to reduce the stag line. John Brendle mountain expert will call. So grab your girl or come stak to the Naval Armory Saturday night May 13th from 8 to 11 p.m.

Major Nathan Adams, Auburn '40 Personnel Manager, U.S. Air Force

A top scholar and ROTC Honor Graduate, Cadet Lt. Col. Nathan Adams enjoyed his final military ball in 1940, soon left for Fort Sill's Field Artillery School.

Following a three month course, Lt. Adams decided the Air Force was the place for him. He applied for pilot training, was accepted, proceeded to Maxwell Field.

He won his wings and reported to the 36th Fighter Group in Puerto Rico. The group soon returned to the States, giving Adams a chance to marry his college sweetheart.

Within months Adams was overseas, flying "rhubarbs" (missions against enemy transports). He flew 63 P-47 missions within seven months, returned to the States late in 1944 for rest and recuperation.

V-J Day came, and Adams decided to make the service a career. He chose personnel work as his career field, was assigned for training to the Adjutant General's School at Fort Oglethorpe, Georgia.

Now a regular Air Force Major, he heads a 32-man section at Bolling Air Force Base. He advises his Commanding Officer on selection, assignment and promotion of all officers and airmen in the command.

If you are single, between the ages of 20 and 26½, with at least two years of college, consider the many career opportunities as a pilot or navigator in the U. S. Air Force. Procurement Teams are visiting many colleges and universities to explain these career opportunities. Watch for them. You may also get full details at your nearest Air Force Base or U. S. Army and U. S. Air Force Recruiting Station, or by writing to the Chief of Staff, U. S. Air Force, Attn: Aviation Cadet Branch, Washington 25, D. C.

Wolfpack To Meet Tar Heels Under Lights Here Saturday

The State Wolfpack, bounced from the Conference leadership by Carolina's Tar Heels Tuesday, will be fighting to regain face Saturday at Devereux Meadow in a return match.

Victims in a 6-5 win on three Carolina hits, the Pack will be working for more than the six hits it garnered from the Tar Heels.

The powerful hitting attack evidenced by the State nine, only in glimpses, has yet to reach the potentiality expected by coaches. And a revised batting order in the Carolina game did little to alter the stickwork of Wolfpack hitters.

Leading hitters in Big Four play for the Wolfpack are Brinson, sophomore shortstop who has recently starting meeting the ball after a slow start, centerfielder Bill Fowler, and Charlie Westbrook in rightfield.

Carolina, no powerhouse in play this season, has been a giant in the eye of the other Big Four teams, however. The Tar Heels clipped Wake Forest earlier in the season to begin its giant-killing act, then of course smeared efforts of the

Wolfpack to pull into a substantial lead in loop play.

Dean Cassell, a thin right hander, has been the mainstay in Tar Heel pitching. It was he who took both the Wake Forest game and Tuesday's affair from State. He will probably twirl again Saturday.

Dewey Hobbs, string-bean first baseman for the Tar Heels and third baseman John Senter lead the hitting for the Carolina team.

The Duke Blue Devils come to Raleigh for their last season's engagement with the Wolfpack next Wednesday, May 17. The Blue Devils are currently leading team hitting in the Big Four.

In addition to hitting honors, the Duke team seems to be the runniest outfit in the loop. Basemen's stole nine sacks in an early game with the University of South Carolina, and swiped six in a more recent conference game.

The Blue Devils boast the leading Big Four hitter in catcher LeRoy Sires, currently clipping the ball above the .350 mark. Two more hitters, Bill Bergeron, second baseman, and centerfielder Brandon Davis also carry averages above the .300 figure.

Monogram Club Elects Officers

George Pickett, track high-jumper from Fort Belvoir, Va., was elected president of the Monogram Club at its last meeting. Pickett, a rising senior in Ind. Rec., takes over from retiring president, Bill Thompson.

Otis G. Rucker, wrestler from Kinston, N. C., takes over vice-president from Vic Bunas. Rucker is also a rising senior in Ind. Rec. John Tencick, Ind. Rec. major from New York and Edwardville, Illinois, is to serve as secretary, replacing Don McCormick.

John Everette Hunter, Jr., cross-country captain and track miler, replaces Jim Byler as treasurer. Hunter is a Chem. E. major from Raleigh. Vitus Kaiser has the important job of membership chairman. Kaiser is a football back from Erie, Pa. Chris Davenport of Alexandria, Va. was elected reporter replacing Harold (Smo) Saunders.

DORMITORY INTRAMURALS

By NEILL POSEY Remember the Big Four Sports Day in May 18. There will be an important Intramural Athletic Board meeting on Tuesday, May 16 at 7:00 p.m. in connection with the event.

Three dormitories and league officials will be watching the No. 1 Syme vs. No. 1 Tucker softball game today. Should No. 1 Tucker win, the Section Four championship would be in a three way tie. The section winner will play in the four 3 a.m. double elimination championship tournament on the following Monday.

Since games are not normally played on Saturday or Sunday in this league another scheme has been proposed should the three way tie develop. On the same day and following the first game No. 1 Tucker and No. 1 Syme will play again. The winner playing Berry (the other team that would be involved) on Monday. The Berry game winner would be the Section Four Winner and would play etville, the Section Three winner on the same day.

No Postponed The Monday games cannot be postponed since champions must be known by May 30 for the award day. This writer predicts that no tie will develop.

However, Bobby Brown, Athletic Director of Tucker, calculates that his team has a good chance of winning. Earlier in the season the team lost to Berry. Brown believes that that loss was due to his rookie squad having opening day jitters. He also states that the team has been practicing against No. 2 Tucker in preparation for the No. 1 Syme game.

In Playoffs Vetville and No. 1 Becton have already landed spots in the four team playoffs. Vetville became the Section Three champion last May 3 when she beat No. 2 Becton 8-3. No. 1 Becton, Section One, did the trick last Tuesday when she beat No. 2 Bagwell 5-0. Both teams were undefeated in their sections.

Probably today No. 2 Turlington and Trailwood will play off their tie for Section Two championship. After their last Tuesday game which No. 2 Turlington won 6-5 both teams sported a 3-1 record.

Thirteen out of the twenty dormitory units entered teams in the track prelims on Tuesday, May 8. Only two of those entering units failed to qualify a man for the finals.

Statistics Unofficial statistics: No. 2 Turlington entered seven events and had four men qualify for a total of six events in the finals. Berry entered five events and had three men qualify for a total of five events. No. 1 Becton was close behind as she entered eight men and had three men to qualify for four events.

Individual running start of the day was Knowles of No. 1 Becton whose time was best of all heats in the 100 yd. dash and the 440 yd. run. Runner up in both events was Al Skaarup of Berry.

Cahoon Wins Easily The high jump was completed that day: Cahoon, No. 2 Turlington, (Continued on Page 5)

FRATERNITY INTRAMURALS

By PETER KOCH

Only six games were played in the softball sections last week. The highlight of the week was Lumley's pitching for TKE. On Tuesday he pitched a no-run no-hit game against PEP, as his team mates ran up 14 runs for a smashing victory. On Friday, Lumley came back and pitched a 3 hitter against AGR. This was TKE's 5th straight victory. The score was 16-1.

The Sammy's won their 4th straight game with a 10-7 victory over Delta Sig. Golenzpaul homered for the winners. In a Section 3 game, Lambda Chi and SAE staged a slugfest, and Lambda Chi came out on top by a 15-10 score. Bullock and Davis hit round trippers for the victors. PKT scored 7 runs in the third inning to edge Kappa Sig 12-10. Jones of PKP tossed a one-hitter as the PIKapps routed PKT 11-1. Here are the won and lost records as of May 5th.

Section 1:	W.	L.
SAM	4	1
Delta Sig	3	2
PIKA	1	3
Sig Pi	1	3

Section 2:

	W.	L.
Sig Chi	4	0
SPE	3	1
Lambda Chi	2	3
SAE	0	5

Section 3:

	W.	L.
PKP	3	2
Sig Nu	2	2
Kap Sig	2	2
PKT	2	3

Section 4:

	W.	L.
TKE	5	0
KA	3	1
AGR	1	4
PEP	0	4

The semi-finals were played last week in tennis. Sigma Chi and SPE will meet in the finals by virtue of their victories over SAM and PEP respectively. The finals were scheduled for May 11th. The horseshoe finals were scheduled for May 12th. PKP, Lambda Chi, Sigma Chi, and Sigma Nu were the four teams who entered the semi-finals.

The softball championship play will start on May 15th, with the champs in each section meeting for the championship. The track finals will be held May 19th at 4 o'clock.

Dormitory Intramurals

(Continued from Page 4)

without exerting himself, easily won with a five foot two inch jump. White, No. 1 Turlington, James, No. 1 Beeton, and Word, No. 2 Alexander tied for second place. Cahoon's 18' 3/4" broad jump was second to Smith (No. 2 Turlington) 18' 11 1/2".

Both Credle, Welch; and Martin, Berry qualified for the finals in the 12 lb. shot and discus events. However, Pippinger, No. 2 Turlington, was first in the 12 lb. shot event with a toss of 38' 4 1/2", while Credle was first in the discus event with a throw of 88' 8".

Six men entered two events, the maximum allowed, and qualified. They were Knowles, No. 1 Beeton, 100 yd. dash and 440 yd. run; Skaarup, Berry, 100 yd. dash and 440 yd. run; Paterson, No. 2 Bagwell, 440 yd. run and broad jump; Smith, No. 2 Turlington, 440 yd. run and broad jump; Credle, Welch, 12 lb. shot and discus; and Martin, Berry, 12 lb. shot and discus.

The finals are May 19 at 7:00 p.m. under the lights except that the discus event will be held at 5:00 p.m. that day.

State Plays Host To Big Four For Annual Sports Day Meet

By NEILL POSEY

State College is host school for the Big Four Sports Day to be held Thursday, May 18, 1950.

The day is the climax for the intramural programs of Carolina, Duke, Wake Forest and State.

This year for the first time the schools will be competing for a Big Four Sports Day trophy. Heretofore only the softball winner carried home a trophy. Trophy presentations will be made at 5:15 on the south end of Freshman Field. Competition will be in football, volleyball, table tennis, tennis, horseshoes and golf.

All events except golf start at Frank Thompson gym. Officials meet there at 1:45 while participants meet there at 2:00. Golfers and golf officials are to go directly to the Carolina Country Club at 12:45.

The trophy will be awarded to the school accumulating the most points on the basis of five points for a first place in any sport, three for second, two for third and one for fourth.

As in the past a trophy will be presented to the softball winner. This trophy will be retired when one school has won it three times in succession. Carolina has won it for the past two seasons.

A single elimination consolation tournament will be played in all sports except golf. The first round winners will be paired and play for first and second places, while the first round losers are playing for third and fourth place.

Carolina Against Duke

The luck of the draw paired Carolina against Duke and Wake Forest against State in the two softball games beginning at 2:20.

Winners and losers play again at 3:30.

On the same time schedule as softball will be volleyball, table tennis, tennis and horseshoes. Pairings in volleyball are Wake Forest vs. Carolina and Duke vs. State; in table tennis, Duke vs. Wake Forest and Carolina vs. State; in horseshoes, Duke vs. Carolina and Wake Forest vs. State; and in tennis, Wake Forest vs. Carolina and Duke vs. State.

Use PGA Rules

In golf PGA rules will govern play with any modifications that Carolina Country Club officials might explain. Nassau type tournament scoring will be used for the 18 hole affair. Teams will consist of four men who will be placed in flights.

In softball official softball rules will be followed except that no spiked shoes will be allowed and any necessary ground rules will be explained. Officials will be designated by Mr. Doak of State at the officials and directors meeting.

In volleyball, table tennis, tennis and horseshoes official rules will govern play. Volleyball teams will consist of six men. Table tennis teams will consist of four men, two singles and one doubles while tennis and horseshoe teams will consist of five men, two doubles and one singles.

A man may not play both singles and doubles. A team match will consist of the best two out of three games or sets.

Members of the Intramural Athletic Board of State College will be supervisors and greeters at each event. Officials, however, will handle all contests.

Dormitory Softball Schedule

May 12
No. 1 Tucker vs. No. 1 Syme, TF, 4:00 p.m.
No. 2 Beeton vs. No. 2 Tucker, RD, 4:00 p.m.
No. 2 Alexander vs. No. 1 Bagwell, FF, 4:00 p.m.
No. 1 Owen vs. West Haven, FF, 5:15 p.m.

Monogram Club Selects Members

At the Monogram Club banquet held recently at Club Bon Aire sixteen new members were admitted to the group. These included: Football Players—Vitus Kaiser, Eric, Pa.; George McArthur, Paterson, N. J.

Basketball—Robert Cook, Columbus, Ind.; Lee Terrill, South Orange, N. J.; Gene Tatum, manager, Newark, Va.

Cross-country—Bobby Leonard, Raleigh; Tyler Wadsworth, Raleigh.

Track—John Sexton, Raleigh; Ray Karkner, Mooresville; Clyde Erwin, manager, Raleigh.

Wrestling—Otis Rucker, Kingston; Robert Jenkins, Jeanette, Pa.; Reginald Buie, Pennsylvania, Fla.; Chuck Sharp, Elkin, manager.

Swimming—Adger Wilson, Raleigh.

Cheer leader—Scott Eubanks, Greensboro.

The speaker for the banquet was City Manager Roy Braden who gave a short talk on future citizenship. Professors J. W. Morgan and G. H. Dunlap were presented Monogram keys by retiring president Bill Thompson. Fried chicken was enjoyed by coaches and members.

SPORTS PERSONALITIES

By JIM TWYFORD

Charlie Gibson is one of the most poised and adept athletes seen on the fields and courts of the intramural front. He is one of the leading candidates for the annual best player award for this year.

He made it the first time as a member of the Gold Dormitory Championship team of 1946.

The second and third times he made it was a member of the Welch teams of 1948 and 1949.

Besides football, he has been a regular on the basketball team for four years. He is also a member of the Welch tennis team which is in the play-off for the championship.

His great play as a table tennis player enabled Welch to place third in that event.

Last year he was a member of the Welch softball team that won the championship of that sport, and he was one of the team's leading batters and fielders of this year's softball team.

Charlie is also going to run in the finals for the 100 yard dash and is the anchor man for the 440 yard relay.

From Greenville, S. C. Charlie is a product of the Greenville, S. C. high school, but he gained most of his experience during his three year hitch in the Army. For three years he was a mainstay on his regimental and divisional teams as their regular third baseman. While he was in Europe he played against some of the best major league players.

He entered State in the spring of 1946 and expects to graduate this spring in Dairy Manufacturing. He immediately made the State golf team and was a member for four years.

He set some records and was top medalist many times. He defeated many of the best golf players in this section and was one of the reasons that State had a good team for four years.

All-Around Athlete Charlie is in the fullest sense of the word an all-around athlete. He loves competition and plays his best game when the chips are down. He never gets flustered or excited and always displays his sportsmanship qualities.

WE DARE THEM ALL!

PHILIP MORRIS challenges any other leading brand to suggest this test!

In Just ONE MINUTE... you can prove to yourself PHILIP MORRIS is definitely less irritating—therefore more enjoyable—than the brand you're now smoking!

1... light up a PHILIP MORRIS THEN, just take a puff—DON'T INHALE—and s-l-o-w-l-y let the smoke come through your nose. Easy, isn't it?

2... light up your present brand Do exactly the same thing—DON'T INHALE. Notice that bite, that sting? Quite a difference from PHILIP MORRIS!

Thousands and thousands of smokers—who tried this test—report in signed statements that PHILIP MORRIS is definitely less irritating, definitely milder than their own brand.

See for yourself what a difference it makes, what a pleasure it is, to smoke America's FINEST Cigarette. Try PHILIP MORRIS today!

Rising Junior Officers

Elected to serve the rising junior class for next year were: President, Hank Loffin; Vice President, Hank Smith; Secretary, Buck Pruden; Treasurer, Joe Stoll.

After president Eugene Jeffords declared last week's election of officers void, the Sophomore class turned out in great numbers today for new elections.

Prof, Student Enter State Primary Races

By PAUL FOGIT

DR. PRESTON W. EDSALL

Although the furor of the recent campus elections has now died away, for two campus personalities the struggle is just beginning.

Dr. Preston W. Edsall, head of the Department of History and Political Science, and Robert M.D. Bobbit, graduate student, are seeking nomination to seats in the State House of Representatives. Both men have entered the May 27 Democratic primary; Edsall in Wake County and Bobbit in Warren County.

Here in 1923

Dr. Edsall's connection with North Carolina goes back to 1923, when he first came to State College as an English instructor. In 1928 he married Miss Katherine C. Alston of Raleigh and Warrenton. He now teaches national, state, and municipal government, public administration and other political science courses.

Robert Bobbit

In making his announcement, the candidate issued the following statement: "Wake County is fortunate in the number and quality of her candidate for the next General Assembly. My own qualifications result from many years devoted to the study, teaching, and practice of government. Before returning to Raleigh in 1943, I had received a doctor's degree from Princeton University, had taught government in a number of leading universities, including Emory and Princeton, and, from 1935 to 1943, had served successively in the Justice Department, the National Archives, and the Civil Service Commission in Washington, D. C.

Has Studied Problems

"Many of the problems certain to come before the next General Assembly have been subjects of my professional study for many years. If elected, I shall support measures designed to carry forward the progressive policies of the Democratic party, to advance the cause of education, and to safeguard the essential interests of businessmen, farmers, and wage-earners in city, county, and state. I am proud of the agriculture, conservation, labor, health, and welfare programs of our State agencies and will support legislation to increase their efficiency and adequacy.

Officers directing the business sessions were W. Bernard Jones, national executive secretary; Joe W. Guthridge, district Archon of Virginia; and Judge A. H. Borland, district Archon of North Carolina.

employees. I shall oppose efforts to undermine civil service systems now operating successfully and shall favor legislation designed to protect and improve existing retirement systems. In meeting problems pertaining to Wake County, I shall invite and consider most earnestly the advice and opinions of all individuals and groups, for we must go forward together if progress is to be real.

Bobbit

Bobbit, a 33 year old ex-GI, is a graduate student in Rural Sociology from Littleton. He is entered in a three way fight for the House seat from Warren County. The campaign has kept him away from the campus for several days and the TECHNICIAN has been unable to obtain a statement from him.

Pi Kappa Phi's Hold Conference at U. N. C.

Approximately 50 representatives of six Pi Kappa Phi fraternity chapters in North Carolina and Virginia attended a two day convocation at the University of North Carolina last weekend.

Conducted as an "Officers Training Program," the meeting under the direction of the national fraternity's central office provided instruction to officers and members designed to stimulate greater efficiency in all phases of chapter operation.

Tau chapter of North Carolina State sponsored two delegates to the assembly, George Fox, Randleman, N. C. and Jack McQuinn, Lincolnton, N. C. At the first business session, Mr. Fox was named chairman of the committee on resolutions. Only one resolution was brought before the assembly successfully, that one being moved by delegate McQuinn of the State representation.

Social entertainment was planned on a large scale by Kappa chapter of UNC who were hosts to the meeting. Included in the social cycle was the annual Blue-White game featuring "Choo" Justice and the Sam Donahue dance at Woolen Gym.

Officers directing the business sessions were W. Bernard Jones, national executive secretary; Joe W. Guthridge, district Archon of Virginia; and Judge A. H. Borland, district Archon of North Carolina.

Psychology Seminar

There are to be two more Psychology Seminars held during the remainder of the Spring Quarter. Due to the fact that the speakers for the two occasions were available on the dates set, these Seminars must be held on two successive Monday afternoons.

Dr. Edward N. Pleasants, Superintendent of the State Hospital in Raleigh, is to be the speaker at the second Seminar to be held on Monday, May 15. Dr. Pleasants has had broad experience in the study and treatment of the mentally ill in both civilian and military centers. He is especially interested in the research work being done to discover better means of diagnosing and treating mental illnesses. The topic chosen for the Seminar is "Experimental Psychiatry."

The Seminar meetings are held at four o'clock in the afternoon in Room 114, Tompkins Hall on the State College campus. A cordial invitation to attend the Seminars is extended to all interested persons.

Ray Appointed Foundation Head

Appointment of Lexis L. Ray of Raleigh and Haw River as director of foundations at State College was announced yesterday by Chancellor J. W. Harrelson.

Ray, a native of Alamance County and a 1932 graduate of the college, has tendered his resignation as executive vice-president of the North Carolina Dairy Products Association to accept the State College post.

He will succeed R. D. Beam of Raleigh, who resigned his position with the foundations to become executive vice-president and secretary-treasurer of the First Federal Savings and Loan Association of Raleigh.

In his capacity as Beam's successor, Ray will serve as executive secretary of the N. C. State College Foundation, the Engineering Foundation, the Agricultural Foundation, the Dairy Foundation, the Architectural Foundation, and the Forestry Foundation.

As a student at State College, Ray was active in extra-curricula affairs and was affiliated as a member of the Agricultural Club, the Animal Industry Club, and the collegiate chapter of the National Grange.
