

Cadets Receive Awards During Ceremonies Here

Thirty-five top-ranking cadets in the State College ROTC Regiment were awarded special honors for meritorious military accomplishments at the institution during an awards day parade and review yesterday afternoon.

Cadet Cpl. Maxwell Reid Thurman of High Point, a freshman in ceramic engineering, was presented "the Major General William C. Lee Scholarship Award." The award, presented annually by the college in memory of the late General Lee, consists of a year's tuition and is valued at \$150.

Presentation of the Lee award was made to Thurman by Mrs. William C. Lee of Dunn, widow of the late General. The scholarship award was established at the college in 1948 as a permanent memorial to General Lee, a graduate of State College and a former military staff member.

Holder Honored
The American Legion Medal, awarded annually by the North Carolina Department of the American Legion, was presented to Cadet Capt. Louis Laird Holder of Raleigh, who was chosen as "the outstanding student in the entire ROTC Cadet Corps." This award was presented by Col. Wiley M. Pickens of Raleigh, vice-commander of the American Legion's North Carolina Department.

Cadet Second Lieutenant Charles Glenn Deese of Raleigh was presented the Air Force Association Medal, which is awarded annually to the leading Air Force Cadet. This presentation was made by Col. A. L. Monroe of Raleigh, who represented the Air Force Association.

Other Winners
Other winners of military hon-

ors announced during yesterday's ceremonies and the awards which they received are as follows:
Outstanding second year basic ROTC student—Cadet First Sgt. Billy Frank Petterson of Greensboro, a bronze medal; outstanding communications student—Cadet First Lt. Frederick O. Smetana of Concord, the Air Forces Communications Medal; best individual marksman of the combined Army ROTC and Air Force ROTC rifle teams—Cadet Second Lt. Robert G. Prongay of Winston-Salem, an engraved gold watch.

Outstanding members of the ROTC varsity rifle teams—Cadet Cpl. Vincent Vitale, Jr., of Burlington; Cadet Pvt. David Arthur Adams of Charlotte; Cadet Cpl. Clyde Franklin Connor of High Point; Cadet Pvt. Leon Ivan Rue of Raleigh; Cadet Sgt. Henry Madison Davis of Flat Rock; Cadet Sgt. First Class Walter Donald Baker of Four Oaks; Cadet Pvt. William Richard Wyatt of Winston-Salem; Cadet Master Sgt. Hugh Alexander Tate of Rose Hill; Cadet Pvt. William Elton Adams, Jr., of Raleigh; Cadet Pvt. Morrison McKenney Clements of Alexandria, Va.; Cadet Pvt. James Bradford Cook of Monroe; Cadet Second Lt. Hugh Monroe Duncan of Charlotte; Cadet Pvt. Charles Booth Hasbrouck of Bladenboro; Cadet Pvt. John Clarence Herther of Fayetteville; Cadet Pvt. Paul Harold Porter of Kelly; Cadet Pvt. Walter Raymond Weir, Jr., of Winston-Salem; and Cadet Pvt. Gordon Edward Wilkes of Wilmington.

Monogram Awards
Rifle team members received monograms.
Rifle team monogram winner for two successive years—Cadet Master

Sgt. Thomas H. Garner of Farmer; commander of "K" squadron, the honor squadron—Cadet Capt. Herbert Venable Carson, Jr., of Charlotte, a citation ribbon; commander of honor flight squadron—Cadet Second Lt. Robert Ray Matthews of Raleigh, citation ribbon.

Commander of honor company, company "B"—Cadet Capt. Louis Laird Holder of Raleigh, a citation ribbon; commander of honor platoon, company "B"—Cadet Second Lt. Dan Prince Woodard, Jr., of Laurel, a citation ribbon.

Outstanding senior quartermaster student—Cadet Major Thomas A. Wood of Gastonia, a scholarship key; outstanding junior quartermaster student—Cadet Second Lt. Edward A. Schirf of Winston-Salem, a gold medal; outstanding senior engineer student—Cadet Major Sam Lanier Calhoun of Waynesville, a gold medal and watch chain replica; outstanding junior engineer student—Cadet Second Lt. Roger Moore Crosby, II, of Petersburg, Va., a gold medal and watch chain replica.

Infantry
Outstanding senior infantry student—Cadet Capt. Louis Laird Holder of Raleigh, a field jacket; outstanding senior Signal Corps student—Cadet Col. Edwin B. Gentry of Greensboro and Raleigh, a field jacket; and outstanding ordnance student—Cadet Capt. James Neal Owens of Charlotte, a silver medal.

Winners of the various honors reviewed the cadets as they paraded in the stadium following the presentation of the awards. Col. Samuel A. Gibson, head of the College's Military Department, was in charge of the proceedings.

Noted Architect Urges South To Humanize Buildings

America's chief capitalistic crime is "urbanization," Frank Lloyd Wright, noted architect and author, told an audience of about 5,000 people in the William Neal Reynolds Coliseum at State College Wednesday night.

Wright, delivering an address under the sponsorship of the State College Society of Design, called for a "decentralization" of the nation's population centers and branded the big cities with towering skyscrapers as "vampires" incapable of survival without nourishment from the villages and rural areas.

Develop "Organic Architecture"
The South's agrarian background and its failure to build large cities, he said, give this region the distinction of having less "vampires" than the North—a factor, he stated, which will enable the Southern states to develop an "organic architecture" suited to its own needs.

"War," he continued, "is the clearing house for the civilization represented by the cities of the North."

He urged the South's leaders to work toward an "organic architecture" and "to humanize their buildings, making them richly human, warmly human with an affirmative approach."

Greatest of Arts
The 80-year-old architect described architecture as "the greatest of all the arts and mother of the arts—the very essence and soul of our culture" and said that "Organic architecture is founded upon the essential principles which we should call democracy."

"Organic architecture," he stated, "grows from within outward—a thing of the spirit."
The nation's schools, he asserted, should revamp their curricula "to educate a man to see himself as himself" and should forget their "reverence of the past."

Students, he explained, must choose between "hypocritical humility" and "honest arrogance." Turning to the hundreds of students attending the lecture, he said: "I urge you to choose honest arrogance as the path to becoming cultivated individuals capable of cultivating others, but I warn you that it will not be easy at first."

Believe in Yourselves
Appealing to the students "to believe in yourselves," Wright said that "nobody has any faith any more in anything or anybody, because we don't have faith in ourselves."

Such an attitude, he warned, is hampering progress.
He said that the corporate press "is selling the nation its ideas and its opinions and expressed the opinion that the public does little thinking of its own. Consequently, he said, America "desecrates the architecture which it has."

He concluded his message with a plea to the audience to do its part in developing "a great creative architecture."
"We don't have it now, but let's have it," he pleaded.

Wright, a prominent figure in American architecture for half a century, was given a rising ovation by the audience of about 5,000 as he entered the Coliseum. When he concluded his remarks, he received another loud ovation.

He was introduced by H. Th. Wijdeveld, a visiting professor of architecture in the State College School of Design and an associate of Wright for 30 years. Dean Henry L. Kamphoefner of the School of Design presided and acted as moderator during an open forum discussion following the address.

Announce Technician Staff Appointments
Staff appointments for the 1950-51 TECHNICIAN were announced today by editor-elect Bill Haas and Business-Manager elect Jack Bowers.

Ed Strickland from Goldsboro, a rising junior in the School of Design and this year's news editor will serve as managing editor. Paul Focht of Kenosha, Wis., a rising junior in Textiles is the new news editor. Focht was a member of the news staff during the past year.

Feature Editor
Bob Horn, of Adams, Mass., will take over the duties of feature editor. Bob was also a member of the news staff during the past year. Bob Curran of New York City will replace Jack Bowers as sports editor. During the past year Curran served on the sports staff as a columnist as well as a reporter.

Gerald Washburn of Shelby has been appointed assistant business manager, and Lindsay Spry of Winston-Salem will continue as circulation manager. All staff appointments take effect this week.

Golden Chain Taps Twelve New Links

By PAUL FOGHT
Golden Chain, honorary leadership fraternity, tapped 12 new links in ceremonies on Memorial Lawn in front of Holladay Hall 6:00 Wednesday evening.

Each year 12 rising seniors, chosen as the outstanding members of their class, are selected for membership. All members of the new senior class were invited to sit in the circle from which the new links were chosen.

Mims Opens Ceremony
The circle was formed around a red and white sundial placed in the center of the grassy expanse of Memorial Lawn. The ceremony was opened when Virgil Mims, Arch Regent of Golden Chain, entered the circle and placed the golden chain upon the sundial.

Professor E. Clinton Gardner of the Department of Ethics and Religion pronounced the invocation. Mims then stated the history and purposes of the Golden Chain. He then left the circle to return with the 11 other old links. Attired in red hooded white robes they formed a circle about the sundial.

Park Speaks
Dean E. L. Cloyd introduced the speaker for the program, Mr. John A. Park, Editor and Publisher of the RALEIGH TIMES and an alumnus of State College.

In his address Park spoke of the obligations of those to be tapped to their communities, to their alma mater, to North Carolina, to their fellow students, and to those who will follow them at State College. The true leader, Park stated, is one who will show others where to lead.

Tapping Ceremony
At the conclusion of Mr. Park's address the tapping ceremony began. A single link left the center circle and walked around the outer circle of new seniors. After making a complete circle he returned to the point where one of the men to be tapped was seated. The old link accompanied the new honoree to the center of the circle. The Arch Regent then questioned the old link as to why he had selected the man. Both the old and the new link then took positions in the inner circle.

The twelve men selected were: Charles G. Baile, Textiles, Blasco, N. C.; Henry S. Odom, I.E., Norfolk, Va.; William Scott Eubanks, Jr., M.E., Greensboro, N. C.; Charles A. LeGrand, I.E., Hamlet, N. C.; Victor H. Bubas, Ind. and Rural Rec., Gary, Ind.; John H. Beaman, For., Marion, N. C.; Julius Lanick, Tex., Morrisville, Tenn.; Harvey H. Scheviak, Tex., Kenosha, Wis.; Jack G. McCracken, M.E., Winston-Salem, N. C.; Samuel W. Furches, Ag., Ed., Mocksville, N. C.; Charles E. Pugh, Rural Soc., Asheboro, N. C.; and Linzy E. Boyles, Jr., C.E., High Point, N. C.

Three honorary members were tapped: Rudolph Pate, editor of the State College News Bureau; Professor F. W. Lancaster, noted scientist and member of the State College Physics Department; and Larry B. McDade, senior in the School of Engineering.

This process was continued until the 12 new links had been brought into the inner circle.

New Links
The twelve men selected were: Charles G. Baile, Textiles, Blasco, N. C.; Henry S. Odom, I.E., Norfolk, Va.; William Scott Eubanks, Jr., M.E., Greensboro, N. C.; Charles A. LeGrand, I.E., Hamlet, N. C.; Victor H. Bubas, Ind. and Rural Rec., Gary, Ind.; John H. Beaman, For., Marion, N. C.; Julius Lanick, Tex., Morrisville, Tenn.; Harvey H. Scheviak, Tex., Kenosha, Wis.; Jack G. McCracken, M.E., Winston-Salem, N. C.; Samuel W. Furches, Ag., Ed., Mocksville, N. C.; Charles E. Pugh, Rural Soc., Asheboro, N. C.; and Linzy E. Boyles, Jr., C.E., High Point, N. C.

Three honorary members were tapped: Rudolph Pate, editor of the State College News Bureau; Professor F. W. Lancaster, noted scientist and member of the State College Physics Department; and Larry B. McDade, senior in the School of Engineering.

IDC To Sponsor Dance For Students Next Week

The Inter-Dormitory Council will sponsor a free dance for all dormitory residents next Friday night, May 26th. It will be in honor of all newly-elected officers of the dormitory clubs, and is the first in an annual series of its kind.

Approximately twelve hundred single bids will be distributed with some unsecured ladies to be invited from town. Each dormitory will get its proportionate share of bids and it will be the responsibility of the club presidents to distribute them on as fair a basis as possible.

Sammy Cauble to Play
Sammy Cauble will play for the dance in Frank Thompson Gymnasium. The earlier dispute with the Musicians' Union has been ironed out to best advantage; Sammy's band will be furnished free of charge by the Union, and the Gym is removed from the "black list" it was on due to a non-union band's playing there. The former friction with the Union is dissolved, good will prevails, and the IDC, and all those going to the dance are grateful for the fine spirit.

To Be Informal
In order to include as many men as possible, it was decided that the dance would be informal. Along with free admission, this cuts the cost to a bare minimum. The IDC would like to invite everyone, but unfortunately the capacity must be limited.

Class Demonstrates To Aid Civic Groups

The fourth in a series of parliamentary practice demonstrations was conducted in Pullen Hall at 1 o'clock Wednesday afternoon.

Students in Prof. Edwin H. Page's classes in parliamentary practice sponsored the program. The demonstrations, Professor Page said, are designed to help Raleigh clubs and organizations master the rules of order.

An open forum discussion on parliamentary practices and strategy followed the demonstrations. The forum was led by representatives of the YMCA, the Canterbury Club and the Rotary, Kiwanis, Lions, Exchange, Civitan, Photographers, American Legion, and Raleigh Engineers' Clubs.

Other organizations participating included the American Legion Auxiliary, the Girl Scouts, the Raleigh Hairdressers' Association, and 17 State College organizations.

George Fayet of Ridgewood, N. J., a student in the School of Textiles, was chairman of the program committee. Bertie Parker of Clinton was the commentator, and Richard Duke of Potocasi was chairman of the invitations committee.

State Is Represented At Union Convention

Two delegates from State College, Jack McCormick and Jerry Erdahl, the College Union director, recently attended the 27th annual convention of the Association of College Unions at Swampscott, Mass. A well rounded program was planned to keep the State delegation busy from morning until evening.

Discussions
The delegates were particularly interested in discussions pertaining to the "Financial Outlook," "How to Get the Best Programs for your Union Dollar," and especially "What to Anticipate During Construction" and "Operating Problems of the First Year."

The second most interesting convention attraction was the consultation corner where union experts on all phases of operation from architecture to budgets gave sage advice. Some of the immediate problems facing the State union were solved by these experts.

Active
Both State delegates took an active part in all phases and activities of the convention. Jack McCormick managed to out-play the other 400 delegates in a billiard contest. A personally autographed cue was presented to McCormick by Charles Peterson, World's champion trickshot artist.

Alpha Zeta Initiates

Front row, left to right: Roy Briggs, Mars Hill; Eugene Younts, Lexington; Clifford Jones Jones, Philadelphia, Pa.; Charles Shackleton, Wayneville; Bill Carpenter, Lincolnton; Harry Simmons, Newport; Ray Cagle, Bloomsburg, Pa.; Davis Godwin, Cerro Gordo. Back row, Jack Sheets, Fairview; Charles Dobbins, Yadkinville; Robert B. Phelps, Windsor; John Graham, Etowah, Tennessee; Edward Hollowell, Woodland; George Spain, Henderson; Robert Scott, Haw River; John Lampe, Raleigh.

Alumni Award Goes To Senator Pate

The General Alumni Association of State College recently presented its "Meritorious Service Award 1950" to State Senator Edwin Pate of Laurinburg, a past president of the association.

Pate, a member of the College's Class of 1921, was awarded the honor during the association's annual luncheon in Leazer Dining Hall at the institution. The presentation was made by Chancellor J. W. Harrelson of State College, who praised Pate's record of service to the State.

Citation
The citation accompanying the award follows:
"Mr. Pate is an outstanding and successful businessman. He is president of Z. V. Pate, Inc. His business interests are many and varied. They cut across the fields of agriculture, textiles, manufacturing, and banking."

"Mr. Pate is actively interested in everything which affects the progress and general welfare of State College. He is a member of the Executive Committee of the Board of Trustees of the Consolidated University. As chairman of the State College Visiting Committee of the Board of Trustees he guided the planning of the program of permanent improvements, which is now under construction on the campus."

"Mr. Pate takes an active part in alumni affairs. He has served as president and as chairman of the Executive Committee of the General Alumni Association, as well as president of the Scotland County State College Club. He is a charter member, a director, and a member of the Executive Committee of the North Carolina State College Foundation, Inc."

"Mr. Pate is a member of the Board of Directors of the Agricultural Foundation. He has contributed of both his time and means in promoting the college through these foundations."

Installation Banquet
The new members of the Campus Government will be installed at a banquet at the Club Bon Air Tuesday night at 7:00. This is the annual banquet given to honor the incoming officers and representatives.

Hank Odom, chairman of the event, has announced that J. W. Shirley, Dean of the Basic Division, will be the speaker.

Textile Students See Machine Exhibition

Over one hundred Textile students left by bus and others by car Wednesday night, May 10, to witness The American Textile Machinery Exhibition held in the Atlantic City Auditorium, Atlantic City, N. J. This five day exposition was the largest and most general textile manufacturing show ever displayed anywhere. Very latest machines developed for the manufacture and processing of fabrics, many of them never shown before, were displayed and demonstrated.

Dormitory Staff Appointments Made
Each new term brings many applications for dormitory staff positions to the office of Mr. J. J. Stewart, Director of Student Housing. Out of these many applications only four or five are chosen for each dormitory.

In order to qualify for the position of Building Manager, Athletic Director, Social Director, Social and Recreational Director, or Publicity Director a student must first have the recommendation of his dormitory president. The student must also have a good scholastic average before he is finally accepted by the college faculty.

New Appointments
The dormitory staff appointments for next term are as follows:
Alexander Dorm.—D. Sides, F. Richardson, C. Sotherby; Turlington—C. Shackleton, L. Cloning; D. Ham; Syme—R. Jones, H. Thompson, W. Ingram, L. Dameron; Welch—R. Huffman, J. Twyford, J. Lewis; Gold—P. Kochhar, B. Bridges; Berry—H. Daugherty, J. Rodgers; Bagwell—H. Nunnis, C. Moore, G. Knowles; Becton—D. Watters, R. Dobbins, E. Seaman, D. Knowles, R. Long, E. Hollowell; Owen—J. White, C. Bradford, G. Hawkins; Tucker—W. May, R. Brown, E. Morrow, P. Johnson, S. E. Younts.

Halber Will Head Outing Club
The State College OUTING CLUB recently held its annual elections, with the following members elected as officers: Max Halber, President; Hugh Alexander Tate, Vice-President; Tina Fillmore, Secretary; and Eloise Lancaster, Treasurer.

When a little over a year ago a handful of fresh air fiends banded together they started what is now a full fledged member of the Intercollegiate Outing Club Association with its own camping equipment, mess and outdoor gear, and even a 12-foot boat. When Sunday rolls around, these fellows and girls take off to the wide open spaces, to the mountains, and to the coast to enjoy what is free and healthful.

Preliminary Plans Set For Graduation
Preliminary plans for graduation were revealed this week by Dean W. Ned Wood.

The entire program will take place in the Coliseum on Sunday, June 11, with the baccalaureate service being held in the morning and the graduation ceremonies following in the afternoon. A student-faculty procession will precede events.

Good-wives diplomas will be awarded in mass by the Campus Government to the graduates' wives who will sit in a reserved section.

Dean Wood says that each Senior will receive a letter by the end of exam week giving them complete details on where and when the procession will form, and where their wives will sit.

Livestock Day

The above shot was taken during the Livestock Day program held at the College's Dairy Barn during the alumni weekend. Ninety-eight students showed 20 classes of livestock in the seventh annual show.

Our Congratulations

Our sincerest congratulations to Scott Stidham and Bev Ross for the fine work they and their staff have done in publishing a truly excellent AGROMECK.

Editing a college annual for a school the size of State College is no menial task. Work on the yearbook begins in the summer, and does not end until about six weeks before it is issued to the students in the spring.

The time that was spent has paid off in the form of what we consider the finest AGROMECK ever. Congratulations to all who had a hand in this fine publication!

Good Politics

We hereby extend a vote of thanks to the Athletic Department for their action in inviting the Campus Government to participate in formulation of a new policy for ticket distribution and seating at athletic events.

Whenever plans or decisions are to be made which effect the student body so extensively, we, the students, should be given a voice. Granted, this may not always be possible, but such exceptions need not be many.

It is good politics on the part of the Athletic Office, or any other administrative group, to invite the participation of the students or their representatives. If the new seating plans do not work the Campus Government will have to shoulder a portion of the responsibility.

The student body and the Campus Government are not afraid of such responsibility; they are only too anxious to accept a greater share, their rightful share, of the college's policy making duties.

P.R.F.

More Publicity

Announcement of student meetings and other routine student news in the Blue Bulletin has been discontinued. In announcing this change in policy, the administration suggested that all student news should be turned over to the TECHNICIAN for publication.

We welcome this suggestion. At the beginning of the school year we requested each organization to appoint a reporter to handle their news. Some of them have cooperated by turning in articles regularly. To those groups who have failed to receive this service, we strongly urge to appoint a reporter for next year so that they might get publicity through the campus newspaper.

Wright Was Here

In time past there has been quite a few complaints about students here at State failing to show interest in the lectures and lecturers brought here for their benefit.

This cannot be said of this week's public lecture by FRANK LLOYD WRIGHT. Yes, FRANK LLOYD WRIGHT was here. And the spirit of his "Organic Architecture" is still here.

Students in THE SCHOOL OF DESIGN felt the influence of this man long before he came here this week. After this week's visit, that influence will be even greater, both upon the Design students and the people of Raleigh who came out to hear what Wright had to say.

H. Th. Wijdeveld, Dutch Visiting Professor in the School of Design, called Wright a Prophet.

A woman in the audience called him a "Sweet Old Man."

A gentleman in the audience called him a "Screwball."

Prophet or Screwball, his influence is here to stay. The people of State College, of Raleigh, or North Carolina, would do well to take notice, to question, to reject at first, but finally to accept, the principles of Frank Lloyd Wright and Organic Architecture.

"This is Mr. Finist. He's a wine taster"

With The Greeks

By FRANK PERKINS

Delta Sigma Phi has elected their leaders for the year 1950-51 with Roy Moffitt elected to the office of president.

Other officers elected to assist Roy in making next year one of Delta Sigs best are Scotty Clark, Vice-President; Hubert McCain, Secretary; Guy D'annofio, Treasurer; Manard Shields, House Manager; John Rhea, Pledgema-

ster; Colin McKenzie, Steward; and Guy D'annofio, Corresponding Secretary. I feel sure that under the guidance of such capable men Delta Sigma Phi will have another very successful year.

Looks as though a large number of the fraternities are participating in "extra curricula" activities this week-end. To clear up this matter of "extra curricula" activities I don't mean active participation in organizations but a very active interest in parties.

The SAE's plan an Apache party at the Cabin by the Lake. Don't ask me what an Apache party is because you probably know more about it than I do. I will admit that I heard rumors that the girls are going to wear low peasant blouses and very tight skirts. At any rate I hope that none of the girls get scalped.

SAE's Win Sing

Incidentally the SAE's won the Loving Cup at the Interfraternity Sing held Friday, May 12. I think Major Kutschinski is trying to sign up their tenor for the glee club.

The PIKA's aren't at all pleased with just one big week-end term (namely their PIKA Ball) so they plan another week-end, shall we say equally as big, with a party at the house on Friday the night of this week just to start things. Saturday they really plan to put on the steam with a party at Crab-

Party at Crabtree

Pi Kappa Phi is still in the "partying" mood from last week-end and they plan a party and picnic at Crabtree on Saturday afternoon. They need to have a surplus of "partying" material so they plan to use it to an advantage this week-end. The party was planned for Sunset Lake but the place was booked until the end of school. This party will be the one for all the parties so "greeks" you are in college only once so let's make the most of it.

AROUND THE TOWER

By SANFORD GLUCK

The cause of most of the rumbblings and grumbings which have emanated from the students this year has certainly been the seating at basketball and football games. The Athletic Department has done its best—but that best has not been good enough.

As a result of the many complaints which came their way, the Athletic Department requested the Campus Government to form a committee which would meet with Willis Casey in order to formulate better policies for next year. The Athletic Department deserves to be congratulated and thanked for taking this step. Instead of taking it upon themselves to dictate to the student body they have come directly to the students for ideas.

Now, if there are any gripes we can take them upon ourselves and not blame anyone else. Under the leadership of Hal Brown, the newly-elected Campus Government Veep, an Athletic Policy Committee was formed and immediately met with Mr. Casey. Other members of the committee were: Virgil Mims, Al Parker, Harold Strawbridge, Hank Odum, Tom Ray, and Bob Scott. Ideas were introduced, gripes torn apart, and finally a whole new athletic seating and distribution policy was evolved.

The plan is not yet perfect, and may have to be slightly revised; however, most of the complaints have been done away with and it will definitely be a big improvement over the past. The students will be divided into four groups (according to athletic book numbers), and each group will have first preference on seats for one of the four home football games next year. The complete student body will be seated on the West side of the Stadium. One of the

most important problems brought up concerned date tickets. Beginning with next Fall all students who have dates will be seated in the section right next to the fifty yard line—a decision which should please everyone.

The situation in regards to basketball tickets has also been very much improved. The students will again be divided into four groups, each group to have preference for four of our home games (there are sixteen altogether). This system of rotation will give everyone an equal opportunity to get the best or the worst seats, depending upon which game is being played and which group he's in. The students will occupy all the downstairs seats in addition to some in the balcony if necessary. Also, the seats on the sides of the court have been changed, and a hundred more of them have been added.

The willingness of the Athletic Department and the Campus Government Veep, to work together in this matter can well serve as a springboard for future relations. If more groups were to ask the opinion of the students before taking action we would really be on the road towards a truly unified State College.

FFA

The FFA held its semi-monthly meeting Thursday, May 11th in 114 Tompkins Hall. Most of the meeting was devoted to carrying on the business of the chapter. Following the business session an entertaining program was presented.

At the next meeting, to be held May 25th in 114 Tompkins, officers will be elected for next year. All members are urged to attend and support their candidates.

Job Outlook

Good Opportunities For Graduate Chemists

Employment opportunities are expected to be good for people with graduate training in chemistry both in the near future and over the long run, according to a study by the U. S. Department of Labor's Bureau of Labor Statistics. However, new graduates with only a bachelor's degree are likely to face a stiff competition for jobs in this profession in the next few years at least.

Chemist Shortage Since the war, there has been a shortage of chemists (particularly of those with advanced degrees) for basic and background research, developmental and applied research, and teaching. This shortage has been due chiefly to increased demand brought about by the backlog of research projects postponed during the war, and the increased enrollments in colleges and universities and the shifting of much basic research to this country from Europe. In industrial laboratories, where chemists represent nearly 40 percent of the total number of scientists and research engineers employed, opportunities have been good for those with advanced degrees or specialized experience.

Good Prospects Chemists with graduate training, particularly those with doctorates, should continue to have good prospects in the next few years. However, the number of advanced degrees granted has been increasing rapidly. In 1948-49, the number of doctorates granted in chemistry reached an all-time high of about 750, well above the previous high of 672 in 1940-41 and more than in any other field of study. Record numbers of master's degrees have also been awarded. Graduate enrollments will be large in the early 1950's, and the number of doctorates awarded should continue high for several years.

Less Promising Employment prospects for new entrants holding only the bachelor's degree are less promising, at least for the early 1950's, owing to the large numbers of young people completing training at this level in chemistry since the end of World War II. After reaching a new high of nearly 7,500 in the academic year 1947-48, the number of bachelors' degrees awarded in chemistry rose to over 9,000 in 1948-49 (more than double the number in 1941-42); the number of graduates is expected to be even higher in 1949-50. While many of these graduates will go into other fields, such as medicine and dentistry, it appears likely that competition for beginning positions as chemists will be great. Undergraduate enrollments in chemistry are expected to decline somewhat after the school year 1949-50, however.

Expanding Opportunities In the long run, there will be expanding opportunities in the profession, particularly for chemists with advanced degrees or successful experience—assuming that general business activity continues at a high level. Many industrial concerns have plans for further expansion of research facilities. Total expenditures for research and development by private industry and Government increased tremendously during the war and are expected to remain high indefinitely. Total employment in the chemical manufacturing industries is also expected to remain well above prewar levels over the long run. There will continue to be a considerable number of openings in teaching, particularly for those qualified to teach at the graduate level. In all fields there will be roughly 1,000 openings each year owing to deaths and retirements.

Sigma Chi Sweetheart

Dora Anne Cooper of Raleigh will reign as sweetheart of the State College chapter of Sigma Chi for the coming year. Each year the chapter selects a sweetheart and Miss Cooper is the recipient of the 7th annual award.

Open Forum

SIR: In the past several days since the election of officers for the rising Junior Class, there has been a very disagreeable cry of "MACHINE" passing among the ranks of Sophomores. The term "MACHINE" of course is directed toward the fraternity men who turned out in great numbers for the elections.

I would like to point out to those men who cry out at this so called injustice, that the number of non-fraternity men on this campus and in the Sophomore class is far in excess of the number of fraternity men. This being the case, and both factions being notified of pending elections, why in the name of the "INJUSTICE" that they suffer don't they run a few candidates and turn out their own machine and cease this constant bickering and crying.

E.E.S.

Language Fraternity Initiates Members

The Alpha, Theta, and Pi Chapters of Sigma Pi Alpha, National Honorary Language Fraternity, met at the YMCA at State College on Wednesday night to initiate new members into the respective Chapters.

The following members were initiated at the meeting: Alpha Chapter: V. R. Muse, W. N. Munn, R. P. Kerrier, Mrs. L. A. Wilson, Miss E. V. Lammes, B. A. Keigler, Jr., Miss Jeannette Simpson; Theta Chapter of Peace College: Misses Jacquelyn Owen, Ann Phillips, Gilda Renfrow, Sue Bullock, Louise Black, Ann Seawell; Joan Ferrell, Pane King; Pi Chapter of St. Mary's School: Misses Catherine Bickle, Katherine Boyette, Jann Bullard, Laura Chapman, Margaret Dunn, Janet Linker, Martha Taylor McGuirk, Ann Strickland, Mary Ragsdale Strickland, Mayme La Nello Edwards.

At the conclusion of the initiation, the Alpha Chapter of State College held a short business meeting to elect new officers for the next year. Paul Miller was elected President; Joseph Weaver Vice-President; and Miss Elga Lammes, Secretary.

Signoret Elected

Joseph A. Signoret was elected President of the Aquinas Club of State College. He will serve this Catholic club through the 1950-51 school year.

Other newly elected officers of the club are Marcel Martin, Vice-President, Max Thurman, Secretary and Otto Hoffmann, Treasurer.

Aquinas Club

The Aquinas Club of State College will have a Communion Breakfast after the nine o'clock Mass next Sunday morning, May 21. Rev. Thomas McGlynn, O. P. will be the speaker at the breakfast.

Supper Club Holds Initial Meeting

The State College Collegiate 4-H Supper Club held their first meeting in room A of the cafeteria Monday night, May 15. D. G. Harwood, Jr. was in charge of the program. Fred Wagoner, assistant state 4-H Club leader, gave a short talk on 4-H Club work.

The following were elected next year's officers: Johnnie Ljung, Stateville, pres., Charles Culp, Pineville, Vice-Pres., William A. Shaddock, Fremont, sec. and treas., Bobby Lee Cockerham, State Road, historian, Devers Martin, Unaka, reporter.

The aim of the club is to create closer fellowship with classmates and with men in agriculture. There were 37 members present, all of whom are former 4-H members. The next meeting will be held May 29 at 6:00 in room A of the cafeteria.

original certificate of eligibility. On his application he must give the name of school and course. With his application, he should include a photostatic copy of his discharge papers.

The VA emphasized that applications for supplemental and original certificates of eligibility may be submitted to the Regional Office by mail. There's no need for veterans to bring the applications to the VA in person.

As a final step to be taken as soon as possible, veterans should make certain that the school they wish to attend has room for them. Many summer classes will be overcrowded and are receiving more applications than they can handle.

Syme Dorm Officers

Syme Dorm-Club officers and representatives 1950-51. Left to right: seated—Louis Dameron, V.P.; Bill Simpson, Pres., Bill Carpenter, Sec. Standing—R. Davenport, W. Doggett, Bill Ingram, V. Miller, H. Thompson, Joe Hardee, J. Leggett, C. Ashworth, G. Holt.

Engineering Student To Study At Cambridge

By JOE HANCOCK

A chance invitation to Christmas dinner in the home of a British professor was a lucky break for Electrical Engineering Senior Ray E. Jones—it means three years study at Cambridge University for him.

While Ray was with the armed forces in England during the war, he was one of the many GI's who received invitations to spend Christmas dinner with English families. The home Ray visited was that of Professor R. G. W. Norrish, of the Physical Chemistry department at Cambridge. During his visit in Professor Norrish's home, Ray was shown around the University, and made many friends at the school.

Not All Academic

His interests in Cambridge were not all academic, however. In 1945, Ray married Miss Iris Fawcett, Burrows of Bedford, England, only 19 miles from the University. Ray says that returning to England will achieve a double purpose; a homecoming for his wife, and an education for himself.

While the opportunity to study abroad may sound exciting, Ray points out that he has three hard years ahead before he will receive his master's degree. His study will be at Emmanuel College branch of the University, and will require one year in the college's electrical engineering curriculum before assuming the title of research student for the final two years. Emmanuel College is noted for its work in the field of electronics. John Harvard, founder of Harvard University, is one of its famous graduates.

Applied for Scholarship

Ray plans to finance his education through the GI Bill and through a fellowship for which he applied. Every year over 100 American students attend the University, and Ray expects to have plenty of company.

Ray entered State College in 1947 after attending Purdue University as a freshman. State College is on the Cambridge University accredited list as an acceptable school for the transfer of credits, and this was one of the drawing points that brought him here.

Active on Campus

In Raleigh, Ray and his wife reside at 2101 Glenwood Ave. Mrs. Jones is employed as a secretary by the Aetna Insurance Company. Ray is active in several campus organizations, being a member of the American Institute of Electrical Engineers, on the publicity committee of the Institute of Radio Engineers, and a recent initiate of the Order of St. Patrick.

Open House

The public is cordially invited to the first Annual Open House of the Industrial Arts Education Department of State College. The open house will be held Sunday, May 21, from 2-5 p.m. in the departments' facilities on the ground floor of Tompkins Hall. Instructional areas in drafting, woodworking, wood finishing, sheet metal, foundry, forging, machine shop, graphic arts, ceramics, textiles, plastics, radio, and electricity will be open for inspection. Demonstrations will be given in each of these areas. Student guides will show guests through the shop. A variety of projects made by students will be displayed. Souvenir booklets printed by the Graphic Arts classes will be distributed.

The departmental staff consists of Dr. Ivan Hostetler, Mr. Marshall Schmitt, Mr. R. L. Brown, and Mr. Warren Cartier.

Freshman Class Meeting

There will be a Freshman Class meeting at 12 o'clock on Tuesday, May 23, in Pullen Hall. This meeting is for the purpose of electing officers for the rising Sophomore class. Every freshman should have a vital interest in his leaders and should be present.

Air Force Interviewers Here Next Week

Young men and women interested in a career as an officer in the United States Air Force will have an opportunity to be interviewed and completely processed by Air Force pilots here May 26th and 27th. Major McLaurin, veteran B-29 pilot in the Pacific, from Shaw Base announced that Capt. Burns, Jet pilot with a long combat record at Guadalcanal and Christmas Islands, and another Jet pilot will be on hand to answer all questions concerning Pilot, Navigator, and OCS Training, and tell how it feels to fly those fast jet fighters and bombers. They will tell also, surprisingly, that the jets are easier to fly in most respects than the conventional type.

Examinations Given

The Interviewing Board is especially equipped to give a complete vision and hearing examination and, along with the written test, can advise immediately whether the applicant is qualified. This enables the applicant to get an on-the-spot exam and eliminate delay and uncertainty.

The three types of training have the same educational requirement and that is two years of college accomplished by the end of this term. The OCS applicant may be a high school graduate and have the ability to pass an equivalent examination for those two years. The physical requirements vary with each of the three programs, the pilot and navigator having more stringent vision standards than those of the OCS, the navigator less than the pilot.

Major McLaurin announced that with the recent Armed Forces Pay Bill the Cadet, while in training, receives \$105 a month, plus all expenses; and the flying lieutenant receives more than \$4,200 single and more than \$5,000 a year, married.

Major McLaurin explained a very important point that anyone trying for one of these three careers who may find himself or be found unsuitable for the training and is eliminated, does not have to remain in the service. He may withdraw and seek some other profession in which he may be interested.

Initiation

The Alpha Sigma Chapter of Kappa Phi Kappa, National Honorary Educational Fraternity, formally initiated eighteen new men into its ranks Thursday night May 4. The men were selected from the Agriculture Education, Industrial and Rural Recreation, Industrial Education and Industrial Arts departments.

The new initiates were: Paul T. Blizzard, Deep Run; Arthur H. Boyer, Indianapolis, Indiana; Johnnie Wilton Evans, Boardman; J. W. Francis, Waynesville; Samuel W. Furches, Mocksville;

Student Center, Tulane University, New Orleans, La.

Eta Kappa Nu Initiates Twenty

In recent ceremonies held in Daniels Hall, twenty new members were initiated in the North Carolina State College, Beta Eta chapter of Eta Kappa Nu. The new members are: M. R. Beard, Asheville, N. C.; A. T. Brown, Wilmington, N. C.; H. C. Craddock, Reidsville, N. C.; J. H. Davis, Andrews, N. C.; K. K. Denson, Rocky Mount, N. C.; G. W. Drew, Willard, N. C.; J. R. Goble, Hixson, N. C.; A. W. Jenkins, Raleigh, N. C.; G. O. Johnson, Bloomfield, Conn.; Robert Lohman, Cranford, N. J.; W. C. McLean, Addor, N. C.; G. W. McManaway, Asheville, N. C.; Harold Mott, Caroleen, N. C.; E. S. Price, Sullivan's Island, S. C.; R. H. Rountree, Gates, N. C.; C. M. Shaw, Florence, S. C.; J. B. Stewart, Fayetteville, N. C.; G. N. Webb, Raleigh, N. C.; D. H. Winchester, Mocksville, N. C.; D. P. Woodard, Laurd Hill, N. C.

Requirements

These men have proven that they possess the qualities desirable of an electrical engineer by attaining scholastic records which place them in the upper quartet of their class. In addition to their scholastic achievements, these men have the character and personality requirements needed to insure their future success in their profession.

In recognizing these new men, Eta Kappa Nu has presented them with the challenge of continued and greater success. As a national honorary fraternity, Eta Kappa Nu is not satisfied with mere recognition of past achievements. Each year the national organization presents a reward to what it considers the most outstanding young engineer in the United States. With this reward they hope to incite the desire of continued advancement in all young engineers.

Chapter Active

The local chapter of Eta Kappa Nu, like the national organization, refuses to exist in name only. Each year the local chapter adopts some project which it believes will benefit the Electrical Engineering department and the school as a whole. In 1948, with the aid of the student government, speakers were placed in the school cafeteria so music could be heard during the lunch and dinner hours. Last year a directory was created at the entrance of Daniels Hall to aid the students of other departments in locating their advisors and instructors. This year the local chapter has undertaken a continuation project by starting a library for all electrical engineering students. Text-books, hand-books, pamphlets, and periodicals of all types have been solicited from all known sources. As soon as a room can be found, the electrical engineering students will have their own private library and a place to study without returning to their rooms.

Paul C. Horvath, Chicago, Ill.; Edward W. Mooney, Draper; Don McCormick, Greensboro; Jere E. Morton, Raleigh; Clyde R. Perdue, Louisville; K. V. Perkins, Goldsboro; William H. Perry, Jamesville; George E. Pickett, Fort Belvoir, Va.; Dudley B. Stallings, Zebulon; Elmer F. Strickland, Tabor City; Clyde H. Swann, Statesville; Walter N. Watt, Charlotte; James R. Whitely, Stantonburg.

New Members

Shown above are the new initiates of Eta Kappa Nu. Shown from left to right first row—D. P. Woodard, Laurd Hill, N. C.; A. T. Brown, Wilmington, N. C.; G. W. McManaway, Asheville, N. C.; Harold Mott, Caroleen, N. C.; W. C. McLean, Addor, N. C.; M. R. Beard, Asheville, N. C.; C. M. Shaw, Florence, S. C.; H. C. Craddock, Reidsville, N. C.; D. H. Winchester, Mocksville, N. C. Second row—Robert Lohman, Cranford, N. J.; G. N. Webb, Raleigh, N. C.; A. W. Jenkins, Raleigh, N. C.; J. B. Stewart, Fayetteville, N. C.; K. K. Denson, Rocky Mount, N. C.; E. S. Price, Sullivan's Island, S. C.; R. H. Rountree, Gates, N. C.; G. W. Drew, Willard, N. C.; J. R. Goble, Hixson, N. C.; G. O. Johnson, Bloomfield, Conn.; J. H. Davis, Andrews, N. C. (Photo by Maynard Horne)

Need A Job?

Anyone who would be interested in working this summer, measuring cotton, tobacco, and peanut acreages, should attend a meeting at 7:30 p.m., Thursday, May 23, 1950, which will be held in the Production and Marketing Administration Building located on the West End of the campus, directly behind the Textiles Building.

Mr. Wayland Jones, from the State Office of the Production and Marketing Administration will be present at the meeting to explain the type of work, enumeration, etc.

This work will be carried on in every county in the State.

FOOD LOCKER COURSE TO BE CONDUCTED HERE

The School of Agriculture at State College, in cooperation with the College's Extension Division, will offer a frozen food locker short course June 5-17, officials reported today.

The course is designed primarily for the training of managers and employees and prospective employees of the freezer locker industry. Students will receive instruction in meat processing, slaughtering, lard rendering, handling of fish and seafoods, and poultry dressing.

Other topics include fruit and vegetable processing and freezing, preparation of dairy products, freezer plant machinery, and patron relations.

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY

The Capital Coca-Cola Bottling Co., Inc.

In New Orleans, Louisiana, a favorite gathering spot of students at Tulane University is the Student Center because it's a cheerful place—full of friendly collegiate atmosphere. And when the gang gathers around, ice-cold Coca-Cola gets the call. For here, as in university haunts everywhere—Coke belongs.

YMCA Officers

Pictured here are the newly-elected officers of the Young Men's Mens Christian Association at State College. These officials will head the "Y" during the 1950-51 academic year and will supervise a wide range of social and religious programs for students attending the college. Top row, left to right: Sam Furches of Mocksville, treasurer; and Gerald Mann of Newport, secretary. Bottom row, left to right: Hugh Shepherd of Salisbury, vice-president; and Charles Fugh of Asheboro, president.

New Seating Arrangement For Athletic Events

By JOHN THOMPSON
A committee headed by Hal Brown of the Campus Government has drawn up a list of recommendations regarding the fasting of football and basketball tickets to students.
This tentative arrangement is the result of long hours of work on the part of the Campus Government and the Athletic Office. However, before the proposed plan is approved or rejected, the Campus Government wishes to know the student's view.

If you have any suggestion, criticism, or question concerning the proposed change in the student seating, contact a member of the Campus Government Council or leave a note at the Campus Government Office located in the Publications Building. It is extremely important that you express your view. The proposed plan is for your benefit, and there is no way of knowing the general opinion without your help.

The recommendations of the Student Committee on Tickets are as follows:

- Football**
- (A) Tickets in Sections 20 and 21 will be given out first, then Section 18, then Section 17, followed by Bleachers in front of student sections if needed.
 - (B) Dates' tickets will be issued from Section 19 until used up and then from Section 24.
 - (C) In case of groups wanting to pick up tickets together, the top of Section 17 will be used and work down.
 - (D) Each student will be limited to two guest tickets in student section.
 - (E) The students shall be divided into four groups as follows:
 - Group One: Those whose Athletic Books are numbered from 1 to 1100.
 - Group Two: Those whose Athletic Books are numbered from 1101 to 2200.
 - Group Three: Those whose Athletic Books are numbered from 2201 to 3300.
 - Group Four: Those whose Athletic Books are numbered from 3301 to 4400.

Tickets will be picked up as follows the week preceding the ball game:

	1st game	2nd game	3rd game	4th game
Mon.	Gp. 1	Gp. 2	Gp. 3	Gp. 4
Tues.	Gp. 2	Gp. 3	Gp. 4	Gp. 1
Wed.	Gp. 3	Gp. 4	Gp. 1	Gp. 2
Thurs.	Gp. 4	Gp. 1	Gp. 2	Gp. 3
Fri.	Everybody			

A student will only be allowed to pick up his ticket on the day his group falls in or on Friday.

Ticket issue will start at 8:30 A.M. and close at 5 P.M. No student may pick up a ticket after 5 P.M., Friday preceding a game.

Basketball

The students will receive all seats downstairs except those used by radio, press and officials. In addition, the bottom half of Sections 1, 2, and 21 and 22 will be used for students if needed. Students will be allowed to buy date, or guest, tickets next to their regular seats, except for the side seats. The side seats downstairs will all go to students who do not bring dates. Students will pick up tickets much the same as in football on a rotating system with the groups the same as in football, namely Group One: Books 1101 to 1100, Group Two: Books 1101 to 2200, Group Three: Books 2201 to 3300, Group Four: Books 3301 to 4400. Each group will receive preference on at least four home Basketball games which have been divided as follows:

- Group One: Duke, Loyola of L. A., Davidson, Wm. & Mary.
- Group Two: Carolina, Michigan, Geo. Washington, Furman.
- Group Three: Wake Forest, Louisville, Temple, V. P. I.
- Group Four: Villanova, LaSalle, Georgetown, Open Date.

The time schedule on Basketball issue will be worked out and published at least one month in advance of first game.

LOST—One sterling silver carrying with green stone setting. Lost in front of Bureau of Mine Bld. Sentimental value—anniversary gift. Reward. Mrs. V. J. Lynch, Phone 3-9794.

Finalists For 'Miss Raleigh On Wheels'

Here are the seven finalists in the "Miss Raleigh on Wheels" beauty contest at Brooks Recreation Center. The seven will be voted on by skaters at the center during May, and the winner will be named "Miss Raleigh on Wheels" and sent to Denver, Colo., in July to compete in the "Miss America on Wheels" contest. The winners were selected on the basis of appearance and personality. Left to right, they are: Betty Lou Beckwith, Norman Jean Chambers, Peggy Haley, Frances Lancaster, Judy Smith, of Millbrook, Margaret Thornton of Durham, and Sara Lawrence.

Morehead City Institute Expands

Expanded facilities for technical training at the Morehead City Technical Institute, a branch of State College, are described in detail in a recent catalog issued by the College's Extension Division.

The Institute, now in its fourth year of operation, offers one-year technical courses in building construction technology, drafting and mechanical technology, electrical technology, and internal combustion engines.

Basic Theory
Students receive training in basic engineering theory, actual shop experience leading to technical skills, plus general liberal arts instruction.

Director Edward W. Ruggles of the College's Extension Division said that the instruction is on the same level as that which is offered at State College and that graduates of the courses have experienced no difficulty obtaining jobs.

In addition to its technical training, the Institute offers a wide range of recreational facilities to

students. Motor boating, sailing, fishing, and bathing can be done in Bogue Sound at the very door of the Institute. Nearby Atlantic Beach also offers excellent facilities for surf bathing.

Baseball and basketball teams play regularly scheduled games during the school year, and an expanded athletic program is now under way.

Fills Need
Institute authorities feel the school fills a need for technical training to high school graduates

unable to attend four-year colleges. In its efforts to acquaint these students with opportunities available, the institute has issued an invitation to interested high school graduates to spend a day or a weekend at the Institute free of charge. Dormitories and a dining hall are available on the campus.

Additional Institute information can be obtained free of charge by writing Director Edward W. Ruggles, Extension Division, N. C. State College, Raleigh.

Bus Schedule

For the past month the White Transportation Co. has been operating a bus service from Verville to the city. This service is a convenience not only to the residents of Verville, but also to all students living on the west end of the campus. The first stop is at the Verville Washerette and the bus may be flagged down at points along Dunn Ave. to Hillsboro St.

The schedule of buses is as follows:
A.M.—7:00, 7:30, 8:00, 8:30, 9:00, 10:00, 11:00, 12:00 noon.
P.M.—1:00, 2:00, 3:00, 4:00, 4:30, 5:00, 5:30, 6:00, 7:00, 8:00, 9:00, 10:00, 11:00.
There is no Sunday bus.

Agromeck Meeting

There are openings on the Editorial and Business staffs for the 1951 AGROMECK. If you are interested in working on either of these staffs, there will be a meeting at the AGROMECK office in the Publications Building on Thursday, May 25 at 6:30 p.m.

Plan to send the Technician home next year. Subscription price for the school year is \$1.50. The Technician offices are in the Basement of Tompkins Hall.

FOR RENT—Room for two or three students. One block from college. Phone 3-5248.

FOR SALE—One pair of baseball spikes. Size 9½. In excellent condition, for sale cheap. See Bill Herrmann, 343 Tucker Dorm.

FRATERNITY INTRAMURALS

By PETER MOCH

With the regularly scheduled season already over, the first football men are pointing towards the Championship series. SIGMA will represent Section 1, SIGMA CHI will be in from Section 2, PI KAPPA PHI represents Section 3, and TEEB will be Section 4's representative.

Results

Let's take a look at last week's results—in Section 1 the PIKA's won 2 games. They outplayed Delta Sig 13-8, and edged Sigma Pi 6-7. Barnett homered for Sigma Pi in a losing cause. Sigma Chi remained undefeated in Section 2 play with a 9-0 victory over SFE, and an 11-2 win over Lambda Chi. PI Kappa Phi and Sigma Nu both finished with 4-2 records, and a playoff was necessary to determine the representative from Section 3. The PI Kappa came out on top, and they will go into the playoffs. PKF topped PKT 11-2, and they also won by a forfeit over Kappa Sig.

Sigma Nu won by forfeit when PKT failed to show up for their game. TKE finished their season undefeated with an 8-1 triumph over KA. The boys from KA handed Phi Ep a 6-2 defeat earlier in the week. That's all there is on softball as this issue goes to press. The results of the playoffs will be reported next week.

Tennis, Handball Finals

The finals in both tennis and handball were postponed because of rain. The matches have been rescheduled for this week.

The track finals will be held to night at 7 o'clock. Here is a list of the qualifiers in each event. The track prelims were held on May 9th.

100 yd. dash—Evans (Sig Chi), Thompson (Sig Pi), Guion (Kappa Sig), Chestnut (SAE), Lassiter (PKA), Upchurch (SFE).

440 yd. run—Davis (Sig Chi), Stoll (Sig Nu), Fleming (PKA).

Shoggett (Sig Chi), Stallings (AGH), Mitchell (SFB), DeWitt (PKA).

5/8 mile—Jones (Sig Chi), Cloud (Kap Sig), Carlson (PKA), Armstrong (Sig Nu), Le Grande (Sig Pi), Johnson (PKT), Welch (Sig Chi), 440 yd. relay—SFE, Sig Nu, Sig Chi, PKA, TEEB, and PKF.

High Jump—Bissel (Kap Sig), Davis (Sig Chi), Dalton (KA), Rucker (SFB), Winston (PKA), Shaphard (Kappa Sig).

Broad Jump—Evans (Sig Chi), Sieder (PKP), Guion (Kap Sig), Munn (Sig Chi), H. Cramer (PKA).

12 lb. shot—Romanowsky (Sig Nu), Steen (PKA), Ligon (Sig Chi), Fleming (SFE), Day (KA).

Discus—Fleming (SFE), Cantas (Sig Chi), Steen (PKA), Ligon (Sig Chi), Cramer (PKA).

State Cindermen Post Win Over VPI

State's track team, paced by Chuck Chambers, defeated Virginia Tech, 68½ to 64½ in Blacksburg Saturday.

Chambers won three first places and accumulated 15 points to lead all scorers.

Chambers nipped Stu Johnson in the 440-yard run with 48.6 performance. He also won both hurdle races.

It was in the running events, Tech's usual strong point, that wrapped up the fourth win for the Wolfpack. State captured first place in eight of the nine running events.

The summaries:

Mile—Duhov (NCS); Hunte (NCS); Heirholzer (VPI) Time: 4:59.

100-yard dash—Goldberg (NCS); Wingo (VPI); Cole (VPI) Time 9.7.

880-yard run—Duhov (NCS); Motley (VPI); Peasley (VPI) Time 2:00.0.

220-yard dash—Goldberg (NCS); Merriwether (VPI); Wadsworth (NCS) Time: 21.6.

320 low hurdles—Chambers (NCS); Wadsworth (NCS); Monroe (VPI) Time: 25 seconds.

120 high hurdles—Chambers (NCS); Monroe (VPI); Sexton (NCS) Time: 15.6.

High jump—Monroe (VPI); Pickett (NCS); Dance (VPI) Height: 6 feet ¼ inch.

Pole vault—Carnegie (VPI); Bell (VPI); Carter (NCS) and Sexton (NCS) tied. Height: 11 feet.

Shot put—Dostanko (NCS); Bradley (VPI); Mased (NCS) Distance: 45 feet six inches.

Discus—Ruffig (VPI); Bills (VPI); Dostanko (NCS) Distance: 135 feet seven inches.

Broad jump—Splam (NCS); Johnson (VPI); Bubas (NCS) Distance—21 feet, 10 inches.

Two mile run—Leonard (NCS); Heirholzer (VPI); Vernon (NCS) Time: 19:23.

Javelin—Cochran (VPI); Starky (VPI); Westing (VPI) Distance: 187 feet, one inch.

Mile relay—VPI (Ford, Peasley, Merriwether, Johnson) Time: 3:27.2.

Wolfpack Closes Season Tuesday

SPORTS PERSONALITIES

By JIM TWYFORD

Julius Siler is another man in the Intramural Athletic Organization who has gained very little recognition for the good work that he is doing. He is Athletic Director of Verville and has a very difficult job. He began the directorship in the fall of 1949 and has had fair teams in all of the sports of this year.

Julius finished Lee H. Edwards High School of Asheville in 1941. While he was there he excelled in football. Soon after he graduated he joined the Navy and did a hitch of two and one-half years. He played a lot of softball and basketball in the service.

Julius' hardest job is to get enough men to play in the different games. Some of the men work in the afternoons and Julius usually has to change his entire lineup for each game. His teams don't get much practice and many times he has fielded a team in which he had never seen some of the players play before. However, in spite of all these difficulties, Verville has not forfeited many games and the softball team is currently playing in the playoffs for the championship.

Graduates in June

Julius is married and has one little girl. He plans to graduate this spring in Mechanical Engineering. He will be missed on the sports front next year because of the enthusiasm he puts into the game. It will take a good man to fill his shoes.

To Meet Carolina Nine In Season Finale

By BILL THORNBURG

The State Wolfpack completes its Big Four and Southern Conference schedule with games Saturday against Wake Forest and Tuesday opposing Carolina.

The last meeting this season of the Wolfpack and the Deacons, scheduled at this writing for Saturday, at Devereux Meadow may be the time of reading have been played on Thursday to permit North and South Carolina teams of the southern conference division to determine a division leader.

Wake Forest has come off winner in three of the past four contests with State, the Pack taking the second game in one of its better games of the season.

Big Guns

Leftfielder Joe Fulghum and Gene Hooks at third base are big guns in the Deacon attack. Fulghum accounted for three of five Wake Forest hits in its last win over Duke. In addition, Fulghum has been sparkling in defensive play. In the last Raleigh meeting of the clubs, he made two running catches of drives that would have meant much had they fallen for hits.

The Pack moves to Chapel Hill Tuesday for its last college game of the season against a Tar Heel squad that was responsible for knocking the State nine from Big Four leadership.

Casual to Start

Righthander Dean Cassell, backbone of Tar Heel pitching, has taken on a hint of the mastery over the Pack usually reserved for Deacon Moe Bauer. Cassell took the last two games between the clubs, yielding but three hits in last Tuesday's affair. Seven bunts by the Wolfpack made his Tuesday job even easier.

Tuesday's game may decide second and third place in Big Four standings. Wake Forest has grabbed top spot and Duke's hapless Blue Devils are firmly implanted in the last slot.

The State nine, at midseason riding atop both Big Four and southern division conference standings by virtue of 10 straight wins, has lost its last four starts and now finds itself fighting to remain in second place in the Big Four.

Power Lacking

Pitching, backed by timely hits, although few in number, has been the crutch carrying the Pack in the struggle to dethrone the Wake Forest Deacons. But the oft predicted power hitting has never developed, leaving the pitchers much on their own in recent games.

Righthander Bob Smith in dropping last Saturday's game to Carolina gave up only five hits, while Pack hitters could garner but three safeties.

Leading Hitters

First baseman Bill Smith and Bill Fowler in center field have been Pack leading hitters in recent games. Smith pounded out two of the three State hits in the Carolina loss.

The Wake Forest game, if played on Saturday will begin at 3:30.

no wallflower ... you

in these formal favorites!

You're the guy the gals love to have cut in... when you're in Van Heusen's famous dress-up shirts. Van Tux (with black tie) has snowy white piping front. French cuffs... and attached collar in two low-setting models—popular near wide-spread and regular. And Van Dress (for white tie affairs) is neckband only (but of course!) and still bosom (naturally). Van Tux, Van Dress \$5.95.

State Teams Take Honors in Big Four Sports Day Events

Wolfpack Beats Duke in Close Contest, 5-4

A double by Rightfielder Charlie Westbrook in the ninth inning sent home Pitcher Lunford Lewis and enabled the Pack to defeat Duke 5-4 here Thursday.

The win over Duke was the fifth over the Duke nine, and enabled Coach Vic Sorrell's boys to boost their Big Four record to eight wins as against five defeats. The win assured Duke of second place in the circuit standings.

Early Lead

Duke got two runs in the sixth on a State error, a single, and a long fly to take the lead. The Pack bounced back with four runs in the seventh on a walk, single and two doubles to go out in front, 4-2. Duke then countered to tie the score in the eighth, only to be beaten by Westbrook's blow in the ninth frame.

Conference Meet

State College's varsity tracksters travel to Chapel Hill today to compete in the annual Southern outdoor track meet. The locals have enjoyed a successful season this year, with a record of five wins and two losses. State will depend on veterans Chuck Chambers and Captain Herb Goldberg to lead the way in the dash events, with Dave Dubow and John Hunter the dependables in the distance runs. Tyler Wadsworth, star on last year's freshman club, is expected to take honors in the 440.

State Frosh Defeat Duke Blue Imps, 8-3

The State freshman baseball team had two big scoring innings here Thursday to brush aside Duke, 8-3. Buckey Seif went the route on the mound for the Wolfpack, holding the Blue Imps to three hits.

Duke Takes Honors in Frosh Track Meet

State College's freshmen middle-distance stars, Bobby Jones and Clyde Garrison, set three meet records Tuesday night at the annual State Track and Field Championships.

The Wolfpack duo took honors in the mile, two miles and 880 yards. Jones set records in the mile and 880, winning the half in 1:59 and the mile in 4:23.2. Garrison set the new mark in the two mile with a winning time of 9:56.2.

Duke Wins
 Duke's Blue Imps, winners of last year's event, took top honors again by amassing 74 1/2 points. In taking the crown, the Duke frosh set five meet records, taking wins in the javelin, pole vault, shot put, 320 low hurdles, and the mile relay.

Although they set only one of the nine new records, Carolina's Tar Babies took runner-up honors with 56 points. The Baby Pack was third with 25 1/2 points, and the Baby Deacs of Wake Forest were fourth with 8 1/2 points.

Summary
 Discus: 1. Risso (Carolina) 2. Fitzgibbon (W.F.) 3. Byrd (Carolina) 4. Lewis (W.F.), 124 ft. 11 inches.
 Javelin: 1. Adams (Duke) 2. Smithman (Carolina) 3. Joyner (Duke) 4. Cornell (Carolina), 171 ft. 6 in. New record. Old Record: 142 ft. held by Maynard of Wake Forest set in 1949.
 High Jump: 1. Jordan (Carolina) 2. Cockrell (W.F.) and Cornell (Carolina), 5 ft. 4 in. (New Record) and Gates (Duke), 5 ft. 11 inches set in 1949.

 2-Mile: 1. Garrison (State) 2. Sanders (Duke) 3. Healey (Carolina) 4. Johnson (Carolina) 5:52. (New record. Old record 10:3 seconds held by Tomlinson of Duke set in 1949.)
 800: 1. Jones (State) 2. Byrd (Carolina) 3. Bennett (Carolina) 4. Webb (Carolina), 1:59. (New record. Old record 2:02 held by Fulmer of Duke set in 1949.)
 100: 1. Fields (Duke) 2. Sykes (Duke) 3. Walton (State) 4. Santa Marie (Duke), 1:20.
 200 Hurdles: 1. Tate (Duke) 2. Bell (Carolina) 3. Cornell (Carolina) 4. Cates (Duke) 3:16.
 Pole Vault: 1. Cates (Duke) 2. Whitefield and Bundon (Duke) 3. 4. Riggs (State) and Willett (Carolina) tie. Height, 12 ft. (New record. Old record 10 ft. 8 inches set by Wiselich of Duke in 1949).
 800: 1. Jones (State) 2. Byrd (Carolina) 3. Bennett (Carolina) 4. Webb (Carolina), 1:59. (New record. Old record 2:02 held by Fulmer of Duke set in 1949.)
 2-Mile: 1. Garrison (State) 2. Sanders (Duke) 3. Healey (Carolina) 4. Johnson (Carolina) 5:52. (New record. Old record 10:3 seconds held by Tomlinson of Duke set in 1949.)
 200 Hurdles: 1. Tate (Duke) 2. Bell (Carolina) 3. Bunn (Duke) 4. Jordan (Carolina) 3:16. (New record. Old record 3:25 seconds set by McDonald of Duke in 1949.)

DORM INTRAMURALS

By NEILL POSEY
 This column this week takes the form of an open letter to Mr. J. J. Stewart, Director of Student Housing, Peels Hall, N. C. State College, Raleigh, N. C.

Dear Mr. Stewart:
 There has been one man back of almost every advance made in dormitory life in the past year. So many and so successful have been these advancements that this year is considered to be the top year for dormitory life from past years to the present one.

That man has been responsible in some way or another for the formation and activeness of the dormitory clubs, the establishment and equipping of a large number of dormitory recreational rooms, the greatest number of dormitory social events ever held in one year, the largest amount of dormitory publicity ever obtained in one year, and the greatest support ever given to the intramural Athletic Board.

That man is you, Mr. Stewart. Through your efforts intramural sports and in particular dormitory intramural sports have received more publicity than in any other previous year. An average of over 40 inches per issue has been printed in Technician columns on dormitory sports alone.

At the first of the year the Intramural Athletic Board saw a dormitory sports publicity sub-committee organized under itself. You supported that committee as well as the board itself.

You appointed as dormitory assistants (paying jobs) those men recommended by dormitory club presidents for athletic director or publicity director. You saw, often personally, that athletic directors attended meetings as required by the intramural league. You saw, again often personally, that publicity directors turned in copy to the afore mentioned publicity committee.

The intramural league has had its most successful year this year as judged by its director Mr. J. F. Miller. Yes, you have had your hand in this success.

You have become that necessary bridge between faculty and students. Often times what normally would have taken six months to accomplish you obtained in say a week.

Your methods have been those of attack. You have an office. You could sit in that office and never do anything unless the situation absolutely required it. Instead, you have each day made a round trip through the dormitories checking this, suggesting this one, helping here, badgering this one, advising that one, questioning this one, notifying that one, etc. At least once a week you have returned at night to attend some dormitory function.

A student knows that your yes to his scheme means that your yes to his scheme means that you will go out of your way to vigorously support him in any and every way you can. That support may mean advising him, gaining faculty support, obtaining funds, running errands, etc. No matter what the support calls for you do it and more joyfully.

Yours Truly,
 Watts, Dobbins and Doug Watts and Bob Dobbins of No. 1 Becton have done it again. Last Friday they walked away with the horseshoe crown. Last year these two did the same thing.

Watts and Dobbins kept the matches from going into the doubles. Watts defeated J. P. Wheelers, Berry, 2-0 and Dobbins defeated Lofko, Berry, 2-1.

Through a series of forfeits No. 2 Becton reached the semifinals in tennis having played and won only one match. She then forfeited her semifinal game against Welch and

Star Two Miller

Charles Garrison of N. C. State is shown winning the two mile run in a night track meet held between State and Wake Forest. Garrison, a Freshman from High Point, set a new State College record for the 2 mile run by winning in the time of 9:46.2. This was two seconds better than the old North Carolina Record set by Len Gregory, former Olympic star, in 1944 when he ran for the University of North Carolina Pre-Flight School.

her consolation game against Berry. She wound up fourth place anyway. However, under the intramural point system she will wind up with minus points in tennis.

Green is Leader
 Jim Green, the best dormitory tennis player in this writer's opinion, led his No. 1 Bagwell team to a 2-1 victory over Welch in tennis to capture that dormitory league championship. Green defeated Hugh Conner of Welch.

Credle of Welch defeated Travis of No. 1 Bagwell. No. 1 Bagwell's team of Corbette and Tompson defeated Welch's doubles team of Mynard and blank.

A quick check by this writer indicated that No. 1 Becton will be tops in intramural points. No. 2 Turlington will be second and No. 1 Syme will be third. No. 2 Becton's complete flop this term has just about knocked her out of third place. Welch may edge by No. 1 Syme but this is doubtful.

Failed to Win
 Carolina failed to win an event. In golf, tennis and horseshoes she was second, in softball and table tennis, third and in volleyball, fourth.

Approximately 180 students from the four colleges took part in this intramural event.

Softball: Charlie Harrell struck out 13 and allowed two hits in State's 2-0 win over Wake Forest in the opening game. State later beat Duke (who beat Carolina) 16-0.

Tennis: Duke's Underwood and Silkett, the doubles team, led in the defeat of both State and Carolina. They beat State's J. Green and T. Jones, 6-3, 6-2, and Carolina's Welborn and West, 7-5, 6-2.

Table Tennis: Henry Shek and Peter Pan of State won their respective singles matches to beat Carolina and Duke. Shek beat Bob Grubbs of Carolina 21-15 and 23-21. Pan lost his first game to V. A. Hoyle of Carolina 19-21 but came back to win the next two 21-10 and 21-16. Pan again lost his first game 11-21 to Fred Tybout of Duke but managed to edge by Tybout in the next two games at identical scores of 21-18. Wake Forest was last.

Horseshoes: E. M. Carson and F. M. Edens of Wake Forest were no match for D. T. Watts and R. S. Dobbins of State stomped them 21-9 and 21-0. Carolina's J. H. Moses and R. D. Whiteheart could do but little better against Watts and Dobbins. They lost 7-21 and 12-21. Duke did not play State and came in second.

Volleyball: Wake Forest beat Carolina 15-18, 15-8 and Duke 15-17, 15-12 to win volleyball. Members of the squad were John Kotech, Stan Najeway, Bill Powell, Al Depert, Bill Mason, Al Black, Herman Shendell, Addison Howard, Bob Williford and Jim Settle.

Golf: Wake Forest, first; Carolina, second; Duke, third, and State, fourth.

Charles Garrison of N. C. State is shown winning the two mile run in a night track meet held between State and Wake Forest. Garrison, a Freshman from High Point, set a new State College record for the 2 mile run by winning in the time of 9:46.2. This was two seconds better than the old North Carolina Record set by Len Gregory, former Olympic star, in 1944 when he ran for the University of North Carolina Pre-Flight School.
