

Athletic Petition Passes; Now Goes To Trustees

By PAUL FOGHT

According to latest tabulations, the fifty percent mark has been reached in the physical education petition campaign, it was revealed this week by Alex Vann, committee chairman. The committee on Physical Education announced that the 5,300 mark has been passed with several of the slowly moving petitions yet to come in.

This margin is sufficient to allow Alex Vann, to present the proposed plan for the improvement of the physical education department to the College Board of Trustees at their next meeting. He is the only student who will be present at the meeting which must be held this term.

Vann will present to the trustees a list of services which are offered by the physical education department at UNC, but which are not available at State College; a photographic comparison of the existing arrangements at these two schools; comparison of the financing of their athletic departments; and the petitions of the State College students who have asked for more adequate physical education facilities.

Vann will request the board's approval, as submitted, of the plan which he will submit.

The Plan

This plan states that a \$14.50 physical education fee will be collected from each student for each academic year. This fee will be collected for the exclusive use of the Department of Physical Education and no part of it will go into the general fund. The fee will be paid through the Business Office at the rate of \$7.00 for the fall quarter, \$5.00 for the winter quarter, and \$2.50 for the spring quarter.

This fund will be administered by the Physical Education Committee who will give final approval to a budget submitted by the Director of the Department of Physical Education. They will also originate and enact a long range program to provide more adequate physical education and intramural facilities and services.

This committee will be composed of two members from the staff of the Department of Physical Education and four students, one freshman, one sophomore, one junior, and one senior, with the dean of the office under which the Department of Physical Education is operating as an ex officio member. At present Dean Shirley, Dean of the Basic Division, will fill the position. He will preside at the meetings and will vote only in case of a tie.

Any student who is eligible, and who desires to serve on the Physical Education Committee may express his desire in writing to the chairman of the committee during the first two weeks of the winter term. The committee now active will not select less than twelve candidates to appear for personal interviews. Each candidate will be interviewed individually and a list of nominees will be forwarded to the Campus Government who will vote on the appointments by secret ballot. The four receiving the greatest number of votes will serve on the committee.

This process of election must be concluded four weeks previous to the end of the winter term.

ROTC Students Given Honor

Three Signal Corps ROTC Cadets have been notified by the Department of the Army that they have been selected to participate in the Military Amateur Radio System, Colonel Samuel A. Gibson, Head of the Military Department, announced this week.

Cadets Charles L. Britt, Albert S. Browning, and Jonathan W. Fulton have received official notification from the Office of the Chief Signal Officer that their applications for membership in the System have been approved.

The Military Amateur Radio System, more commonly known as MARS, is a nation wide association of selected amateur radio fans. MARS operates various radio nets throughout the nation in that portion of the frequency band that has been allocated for military use.

Colonel Gibson stated that MARS activities at State College will provide a valuable training ground for selected Cadets to become proficient in military radio operation.

Working under the close supervision of Lt.-Col. Howard E. Pries, Senior Signal Corps Instructor, the group will conduct MARS activities from the Signal Corps radio station KAWL. This is a completely equipped high powered radio station of the most modern type. Contained in a large shelter, which is mounted on the rear of a conventional Army vehicle, the unit can be operated either while stationary, or while traveling at high speed.

Chess Club

The Chess Club will hold its weekly meeting Friday, Nov. 11th in the Faculty Club Room of the YMCA at 7:30 p.m.

Carol Festival Being Planned

A huge community Christmas Carol Festival is being planned for presentation at the Raleigh Memorial Auditorium on Saturday night, December 10 under auspices of the Raleigh Recreation Commission, the Raleigh Times, and the choral groups of all the colleges in the Raleigh area.

Program

The program will consist of (a) special selections by each of the college glee clubs, (b) by the massed choruses led by Dr. Harry Cooper, music head of Meredith College, (c) familiar carols sung by the audience and massed chorus, accompanied by the brass choir from State College led by Christian Kutschinski, head of music at State College. Master of Ceremonies will be Norman Cordon, Metropolitan Opera's Bass-Baritone, now heading the Music Foundation of the Extension Division of the University of North Carolina. Mr. Cordon will also sing a number accompanied by the massed chorus and brass choir.

Band to Participate

Preceding the program indoors, the brass choir selected from the State College Band will play a thirty minute program of Christmas carols by a huge Christmas tree which will be placed in front of the Auditorium for the occasion. Great interest and enthusiasm for the project is being evidenced by the various participating groups, and the event promises to be a most enjoyable occasion for all participants and auditors. There will be no admission charges, and a capacity audience is anticipated.

Safety Program Big Success

Two weeks ago the Delta Sigs unanimously voted to launch a safety program in cooperation with the State of North Carolina and City of Raleigh.

Undaunted by a city ordinance prohibiting the suspension of banners across any streets in Raleigh, Brother Johnny Spencer conferred with the Mayor, City Manager, and Chief of Police and obtained special permission to place a safety slogan "DRIVE CAREFULLY—SAVE A LIFE," across Hillsboro Street.

Containing their safety program with the sanction of city and school officials, the Delta Sigs stenciled safety slogans at intersections of the streets in the vicinity of the campus.

Such favorable comment has been received, that the Delta Sigs plan to continue their safety program and encourage other fraternities to follow suit.

Club Dance

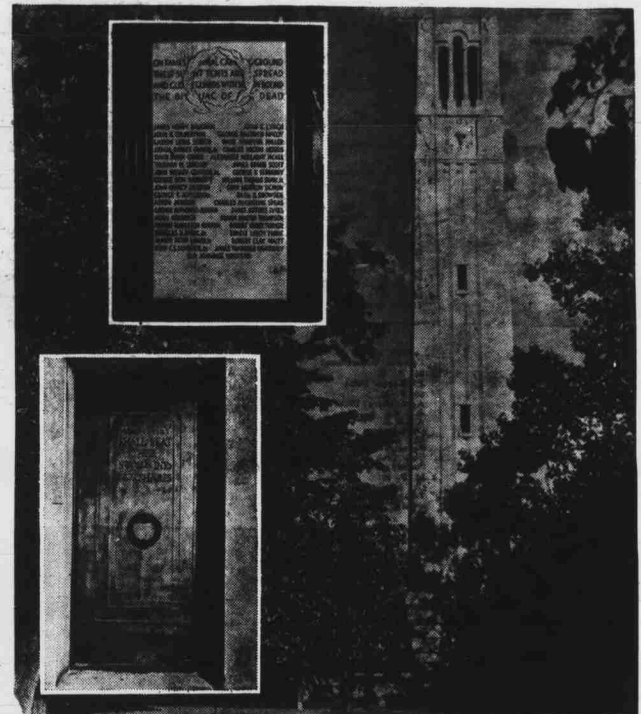

The Aquinas club of N. C. State College and their guests will dance and play cards on Saturday, November 12. Refreshments and prizes for everybody attending. Time: 8:00.

Hillel Men!

Come Sunday, a delegation of good-will ambassadors from W. C. numbering fifty delectable samples in all sizes and models, will be on hand to provide you-all with an afternoon of fun and frolic (mostly dancing). All this will take place in the social room of Temple Beth-Or, which has donated the room to us for the afternoon. For those who enjoy the aesthetic side of life, a buffet supper has also been provided, and you men now have the incomparable privilege of dancing and blowing salt-and-infused breath into your partner's hair at the same time. This gay time is available to all who hustle to their nearest Hillel Executive Committee Office and forth! Avert not a monthly subsistence check, nor a pawn ticket for their watch, but a paltry four bits.

Remember, lads, fifty cents in the hand of a Hillel Executive Committee officer and the pleasure-filled hours of two to six on Sunday are yours at Temple Beth-Or.

Memorial Services Today

Shown above are the finishing touches which have been made to Memorial Tower. The Shrine Room and Memorial Plaque, final additions to the tower, were officially dedicated at Armistice Day services today. The principal address will be given by former Governor R. Gregg Cherry, and Governor Scott will place a wreath on the plaque in honor of the State College men killed in World War I.

Fraternities Pledge Over Fifty Upperclassmen

By JOHN THOMSON

Much has been said concerning the freshmen that have recently pledged fraternities, but little is known about the group of upperclassmen that took the vows of pledgeship in twelve Greek-letter fraternities recently. This group of men numbering fifty-eight now proudly display the pledge pins of their respectful fraternities.

The Pi Kappa Phi's lead the Greeks in number of upperclassmen pledged with a total of sixteen. Four of the fraternities have not pledged any upperclassmen at all this fall term. Kappa Alpha, Phi Kappa Tau, Lambda Chi Alpha, and Pi Kappa Alpha fall into this group.

The new pledges are listed according to fraternities. The boy's name is listed first followed by his home-town, when it is known.

Alpha Gamma Rho — Louis C. Smith, New Hill, N. C.; Nick Hicks, Norris, Tennessee; D. G. Harwood; Bob Bradford, Harrisburg, Va.; and Alan Scroggs, Roaring River, N. C.

Delta Sigma Phi — William A. Coombs, Thomas Eugene Wallace, Charles Ray Ladd, and Henry J. Klein.

Kappa Sigma — John Ellis Nicholson, Raleigh, N. C.

Phi Epsilon Pi — Arthur Shein, White Plains, N. Y.

Sigma Nu — C. W. Mayo, Tarboro, N. C.; Anthony Romanovsky, Girard, Ohio; William Brown Cook, Whiteville, N. C.; Thomas C. Fite, Charlotte, N. C.; and Philip W. Adams, Merry Hill, N. C.

Sigma Pi Epsilon — Fred Nell, Greensboro, N. C.; Cliff Walton, Jr., Harrisburg, Pa.; Bill Talbert, Winston-Salem, N. C.; Leon Hobbs, Lumberton, N. C.; and Bruce Reid, Philadelphia, Pa.

Tau Kappa Epsilon — Ray Graves, Kernsville, N. C.; James Ricks, Jr., Rocky Mount, N. C.; Bill Cash, Charlotte, N. C.; Jimmy Caton, New Bedford, Mass.; Sam Hodges, Durham, N. C.; and James Shuping, Mongarnton, N. C.

Pi Kappa Phi — Frank Murphy, Charlotte, N. C.; John Norrell, Chicago, Ill.; Harry Reske, New Jersey; John Ross, Raleigh, N. C.; Hampton Rothwell, Wilmington; Fred Washburn, Marion, N. C.; Tony Thomason, Hickory, N. C.; Bill Joyner, Charlotte, N. C.; Ray Lane, Wilson, N. C.; Chick Ammons, Raleigh, N. C.; Maurice Atkins, Marion, N. C.; Dwight Baker, Wilmington, N. C.; Ed Chapman, Charlotte, N. C.; Bill Barnhardt, Charlotte, N. C.; John Holland, Massachusetts; and Jimmy McConnell, Boone, N. C.

Sigma Alpha Epsilon — Charles Alexander, Wilmington, N. C.

Sigma Alpha Mu — Dan Cohen, New York City, N. Y.; and Myron Silverstein, Winston-Salem, N. C.

Sigma Chi — Gray Broome, Nashville, N. C.; Jerry Filicetto, Pleasantville, N. Y.; Jerry Holt, Burling-

Preaches Here

Jack Fiesler, above, former editor of the TECHNICIAN, and leader in other campus activities, will preach at the worship services of the West Campus YMCA at 11 a.m. Sunday November 13.

Fiesler is now studying for the ministry at Union Theological Seminary in Richmond, Virginia. A native of Ivanhoe, he graduated at State College in 1947, receiving a B.S. degree in Field Crops.

Serving in the Army in World War II, Jack was among the first paratroops in the 11th Airborne to enter Tokyo.

Tower Addition Dedicated At Memorial Services

The Shrine Room and Memorial Plaque, final additions to Memorial Tower at State College were officially dedicated during a special Armistice Day program here today.

The principal address was given by former Governor R. Gregg Cherry, and Governor Scott placed a wreath on the memorial plaque in honor of the 35 State College students who died in the service of their country during World War I. Governor Scott's brother, John Edwin Scott, was one of the alumni who was killed during the war.

Committee Permits Student Observers

At a meeting of the Greater University Council here Sunday, Campus Government President Hoyle Adams and Preston Andrews, State College Council members, were appointed to sit in as observers at the next meeting of the Selection Committee of the University of North Carolina Board of Trustees. At this meeting the names and biographical sketches of the 12 people being considered for President of the Greater University will be discussed.

Other Greater University Council members appointed to attend the meeting were Nancy Porter and Neil Jones from WCUNC, and Bill Mackie and Jess Delmond from Carolina.

This committee meeting will mark the second time that the names of the presidential prospects have been divulged to anyone. Preceding the meeting with the students a similar meeting will be held with the Joint Faculty committee.

At the Sunday meeting the Council heard a report from O. Max Gardner, Jr., University law student and member of the Board of Trustees and the Selection Committee. Gardner briefly gave the council some background information on the members of the Selection Committee and they explained how the Committee went about screening the large number of candidates it had started with down to the present 12.

The action to allow students to sit as observers on the Committee was approved by a vote of the Council to Governor Kerr Scott. Governor Scott referred the request to the Committee by-way of Gardner asking for favorable action.

Gardner told the Council that at the first meeting of the Committee there were only 30 names. At the second meeting, however, the Committee received letters from members of the Board of Trustees naming candidates, and that they also had representatives from the Woman's College, both students and faculty. At this meeting the list grew to 69 names.

At the third meeting the Committee had interviews from interested people, saw State College and Carolina students, and had the Joint Faculty Committee present some 93 names, some which included duplication of names they already had. The list grew this time to 176 names, and was then broken down to 66 names.

By the time the fourth meeting rolled around the list had again grown to large proportions. A total of 225 names appeared. Here the Committee asked help in getting biographical abstracts of the Joint Faculty Committee of the complete list. During the course of this meeting 185 names were screened and laid aside. Not discarded, because at any time any name which has been up for consideration and has been laid aside can be re-nominated and brought up for further discussion. Forty names then remained.

The fifth meeting saw the list cut to 25 names and the sixth saw it take the tumble to the present 12.

It is this list that the representatives of the Council will hear, in an informal discussion.

The meeting, the third of the year for the Council, saw the Council take positive action on intramural sports between the three schools, the exchange of lecturers and faculty, radio round table discussions, and the exchange of student leaders during orientation.

Sophomore Class Meet

The sophomore class held its first meeting of the year in Pullen Hall on October 25.

Since there were only 60 members of the class present it has been deemed advisable to use the Technician as a means of informing those who were absent of the important business that was carried on.

A motion was made, seconded, and unanimously passed, to hold the Sophomore Hop in the spring term on such a date as may be found open. It was decided to hold the dance on a single night only.

It was also unanimously passed to set the class dues at three dollars. An attempt will be made to collect these dues during the winter and spring term registrations.

George Rogers, Vice President of the class, is Chairman of the class committee, and anyone who has any ideas or suggestions for decorations are urged to contact him.

Aero Meeting

The Aero society, IAS, will initiate new members at the meeting next Wednesday night. Also on the program will be a 20-minute movie on the Phantom, XF-1. The party, scheduled for December second, will be discussed at the meeting 7 p.m. in Page hall room 102 Wednesday.

Record Concerts

The weekly record concert will be held this Friday evening in the YMCA Conference Room from 7:30 to 9:00. This week's program will consist of Violin Concerto by Paganini and excerpts from "Madame Butterfly" by Puccini.

Turlington Dance

In their usual grand manner the leaders of the Turlington Dormitory Club will do the honors at a dance to be held from 8:30 to 11:30, Friday, November 11 in Frank Thompson Gymnasium. Besides the five-score females from Rex Hospital, Meredith and Peace, the next door Tuckerites whose proposed dance fiasco will be in attendance. Sonny Couble and his Statesmen, who comprise just about the oldest and most familiar musical group on the campus have been engaged for the occasion. Featured will be a vocal solo by vocalist Kitty Poole currently appearing at the Club Bon Aire, and mimicker Joyce Vessey who specializes in a take-off on perennial favorite Al Jolson.

Turlington President Bill Griffin, renowned for his enthusiasm concerning inter-dormitory athletics, Vice-President Swight Ham and Sec.-treasurer Leon Holland have joined forces with publicity chairman John Evans to insure the dance's success. The admission-50c stay or drag.

A.A.T.C.C. Speaker

Last Thursday night the members of the college chapter of A.A.T.C.C. gathered at the Textile School to hear Karl A. Bridges speak.

Mr. Bridges graduated from State College in 1934 and is now a technical service representative for General Dyestuffs Corp. That's just another name for a "trouble shooter" and the group was very much impressed by his knowledge of the subject.

A.I. Ch.E.

The American Institute of Chemical Engineers will meet Tuesday, Nov. 15th to hear an address by Dr. Beck, of the Physics Dept., on atomic power plants. All members are warned to pay their back dues and initiation fees or be remembered. The deadline for paying of these debts is the end of this term.

With The Greeks

By JACK McQUINN

"Why is it that a Meredith girl is free to pitch mad, spine tingling love in the S.A.E.'s backyard, or on the spacious lawn of H.K.E., when it is a 11th Commandment that she will not cross the threshold of a fraternity house for this or any other purpose?" This was the question put to us last week by a prominent Greek (S.A.E.).

Last spring I brought this question up myself and was referred to the Baptist Board of Trustees for Meredith. Rather than expose myself in lengthy oratory before this body, I continued to use the spacious lawn, or rather, lawn chairs of Pi Kappa Phi. However, the time has come when more freedom must be accorded these female Demon Deacons.

Fortunately, the Dean of Women at Meredith, with possibly a faint recollection of her youth and an open ear to the pleas of countless fair maidens who would rather have their "lovin' in the livin' room," has seen fit to "re-interpret" the Rules. Be it known, brother Greeks, that for chaperoned affairs, sanctioned by the Deans of both institutions, Meredith students may now enter our club houses with a happy heart and clear conscience. Who knows, in a hundred years they may be free to drop in just for the heck of it!

—this 'n' that—

Generally, Greek social activities will be restricted to the "old usual" this weekend as final plans are drawn up for the Pledge Dances. Phi Kappa Tau will have a "Roaring '20s" party this weekend. On the star bespangled program will be the Ink Spots (or a reasonable facsimile), Beatrice Kaye, and a first class magician. The recreation room will be decorated to create the illusion of a night club.

The S.A.E.'s promise a "quiet party" after we beat the DEACS Saturday.

F.E.P. is going all out on a big party. They will be host to returning Alumni this weekend.

AKA will hold open houses after the game for visiting Deacons from Wake Forest. Also, over the weekend Lambda Chi will initiate four new brothers into the fraternity.

Kappa Sigma, too, will hold open house for Wake Forest brothers. Refreshments will be served at both functions.

Fraternity Has Halloween Party

On Saturday, October 29, Kappa Sigma social fraternity at State College held its annual Halloween Party. The costume affair is given each fall by the chapter in honor of its new pledges.

Members, pledges, invited guests, and their dates began to assemble at the Kappa Sig house at eight-thirty. Organized activities began at nine-thirty and included bobbing for apples in water and on strings, and marshmallow and string games. Informal dancing followed this program.

Prizes Awarded
Carolyn Short of Raleigh and Bob Rankin of Gastonia won the prize given for a girl and for a boy. Miss Short was dressed as "a gal from the hills." She wore a checked blue and white gingham dress with matching sun-bonnet, sunflower glasses, artificial pig-tails, and large paper-mache bare feet. It could not be determined whether Mr. Rankin was supposed to represent Charlie Chaplin or Hitler.

The judging committee which made the awards for the best costumes was composed of Mrs. W. D. Powell and Mrs. Harvey Mann, both of Raleigh.

Apple Bobbing
A contest to determine the person most proficient in the art of apple bobbing was won by Bob Shepard of Griffin, Georgia. Mr. Shepard retrieved ten apples from the tub in approximately ten seconds.

The Kappa Sig house on Clark Avenue in Raleigh, N. C., was appropriately decorated for the Halloween season. Orange and black figures of cats and witches, lighted jack-o-lanterns and cats, pumpkin cut-outs, and corn stalks were placed in various places. Refreshments included apple cider, corn candy, orange and black gum drops and jelly beans, and cookies with raisin faces.

New Pledges
The new pledges in whose honor the party was given are: Norwood Bizale and Bobby McLamb of Goldsboro, N. C.; Alan Dickson and Alex Guion of Charlotte, N. C.; Steve Novell of Hickory, N. C.; David Rose of Rocky Mount, N. C.; Bob Shepard of Griffin, Ga.; Bill Withers of Gastonia, N. C.; and John Nicholson of Raleigh, N. C.

Statistics Conference

The "taste testing" conference, sponsored by the Greater University's Institute of Statistics, continued at State College Tuesday with the presentation of a wide range of technical papers.

More than 30 top-ranking statisticians from throughout the United States are attending the conference which will continue through Thursday.

Principal speakers on Tuesday's program were W. F. Dove of Chicago, Ill., a well-known statistician; Robert J. Monroe of State College; and Amihud Kramer of College Park, Md., a professor of horticulture at the University of Maryland.

Prof. J. A. Rigney, head of the State College Department of Experimental Statistics, and Lyle Calvin, a graduate student in the department, are directing the conference.

Preston Speaks To Science Society

"No state has greater need to develop the forest resource than has North Carolina, and no state has greater opportunity to benefit by such development," Dr. Richard J. Preston, Jr., director of the Division of Forestry at State College, told the college chapter of the Society of the Sigma Xi Wednesday night.

"Few realize," he said, "the importance of the role forests now play in North Carolina's economy and can play in the future if properly managed."

North Carolina, he continued, has the largest acreage—9,093,000 acres—of farm woodlands in the United States and ranks seventh among the states in lumber production with a cut of 1.7 billion board feet.

The State, he said, leads the nation in furniture manufacture and ranks third in the production of veneer for plywood. It has the largest number of sawmills—4,400—of any state in the nation and has 3,000 primary wood-using plants.

The value of forest products produced in the State, Dr. Preston said, runs well over \$100,000,000 a year.

Following his review of the State's forest resources, Dr. Preston told of the types of academic training offered in forestry at State College.

Romantic Carolina Moon Mysteries Are Told

The romantic qualities of the Carolina moon have finally been explained by science. Physicist Jack Wilson, speaking last Friday at the AIEE sectional meeting, told how his studies of solar radiation furnished the explanation for a beautiful Carolina moon.

North Carolina has an even layer of water vapor in its atmosphere. The absorption of certain colors by this layer gives Carolina moonlight a special color which tradition has romanticized.

Dr. Wilson is chief physicist for Allis-Chalmers Manufacturing Company. He spoke to an audience of around 250 delegates at the annual fall meeting of the North Carolina section of the American Institute of Electrical Engineers. He gave the results of a study of solar radiation made during the solar eclipse of 1945.

He organized and directed an expedition to the North Pole in 1945 to make the study and described his trip and some of the results during his talk. Most of the material in his lecture, which was illustrated, was technical in nature.

Dr. Wilson was introduced by Dean J. H. Lampe of the State College School of Engineering, who presided over the program. Dean Lampe was also toastmaster at a dinner which preceded the lecture.

State Meeting
Electrical engineers from throughout the State as well as electrical engineering students from Duke University and State College attended the meeting.

Chancellor J. W. Harrelson of State College, speaking at the dinner session, said that the South's economy has lagged because the region was slow to develop its Land-Grant Colleges and utilize the latest technological data and devices.

He said this area of the nation needs more processing plants for the creation of wealth and the maintenance of prosperity. Production of raw materials alone, he stated, will not lead to a well-balanced economy.

Chancellor Harrelson welcomed the delegates to the campus in a brief address. He was introduced by G. G. Mattison of Charlotte, president of the North Carolina Section of the AIEE.

Other Speakers
Other speakers on the afternoon program included Prof. W. J. Seeley of Duke University, who discussed a resolution involving a change in the national organization; G. L. Moses of Pittsburgh, Pa., an engineer of the Westinghouse Electric Corporation, who talked on "The Characteristics of Electrical Apparatus Equipped with High temperature insulation;" and Albert L. Stone of Duke University, who spoke on "The Magnetic Fluid Clutch."

The engineers also witnessed a showing of an industrial film on automatic loom operations and made a tour of the Carolina Power and Light Company's sub-station at Method here.

Informal Dinner
Following the tour, the delegates held an informal dinner in the State College dining hall. Dean J. H.

With smokers who know...it's

Camels for Mildness!

Yes, Camels are SO MILD that in a coast-to-coast test of hundreds of men and women who smoked Camels—and only Camels—for 30 consecutive days, noted throat specialists, making weekly examinations, reported

NOT ONE SINGLE CASE OF THROAT IRRITATION due to smoking CAMELS!

Industrial Engineers Hear Address

By AUDREY BRYSON
 "Multiple management is the utilization of the thinking power of all the employees in an organization," said Al Bechtold, Personnel and Public Relations Director for the House of Lances in Charlotte, in an address Tuesday to Industrial Engineering seniors.

Work Explained
 In explaining why people work, Mr. Bechtold asserted that most people want to get something out of their jobs. "First of all," he stated, "they like to be treated as individuals and called by names, not by numbers on a time clock."

Continuing, the Lance official declared that in the second place, people like to know what is going on in their organization and feel that they are a part of it. "In the third place," he said, "all of us like to receive credit for a job well done, and if a person does a good job, he should be given credit for it."

"The fourth thing people look for from their job is security," Mr. Bechtold asserted. "We all like to feel that our company has respect for us," he continued, "and want to know when our job is temporary an when it is permanent."

Speaking for multiple management, Mr. Bechtold stated that this form of management can give its employees these four things which they desire from their jobs.

Flexible Management
 Defining multiple management as "management by many," the speaker explained that this form of management is so flexible that it can work in any type of organization. He spotted examples of its working in a department store, a dairy, a church, a steel foundry, and a police department. He stated that certain applications must be made for the organization according to its size, but that it can only work when the top management is unselfish, and is willing to give credit where credit is due.

Mr. Bechtold then explained the physical structure of the multiple management system. For the Lance company, he stated that there is a Senior Board of Directors composed of the men who hold the purse strings of the company, a Junior Board of Directors composed of junior executives, a Plant Board of Directors composed of people out in the plant, and a Sales Strategy Board composed of salesmen and branch managers, etc.

"Through these boards," he asserted, "we get the thinking power out of the company." He explained how new blood is brought into the boards every six months by a merit rating system, thus encouraging all employees to work for membership on one of these boards.

Initiation
 In a formal ceremony Friday night, November 4, the only educational fraternity on the campus, Kappa Phi Kappa, initiated 19 new members.

They are: Hosmer P. Allen, Roy E. Briggs, William Cole, Garland Denning, Lewis Dunn, Claude Edwards, John Hamby, Don Hancock, Joseph Hawley, Richard Loy, Daniel McInnis, William Martin, John Price, Clarence Russ, Blundy Scott, Charles Sell Robert Warren, Gilbert Watkins, and Daniel Wise.

Forestry Club Officers

CURTIS FURR CLIFFORD NOLAN NOEL SHARPE

JOHN GRAHAM JOHN G. LAMPE HARRY LOCKEMER

Pictured above are the officers of the Forestry Club, official organization for students in the Division of Forestry at N. C. State College. Top row, left to right: Curtis Furr of Concord, vice-president; Clifford Nolan of Dallas, Texas, program chairman; and Noel Sharpe of Canton, president. Bottom row, left to right: John Graham of Etowah, Tenn., treasurer; John Lampe of Raleigh, reporter; and Harry Lockemer of Cleveland, Ohio, secretary.

Examination

The U. S. Civil Service Commission has announced an examination for filling Patent Adviser positions in Washington, D. C., and vicinity.

The positions to be filled pay yearly salaries ranging from \$3,825 to \$6,400. (The salaries given in the printed announcement (\$3,727 to \$6,235) have been increased by the recently approved Classification Act of 1949. A general amendment to the Commission's open announcements, showing the changes made by this Act, will be issued shortly.)

To qualify, applicants must have had either college study or scientific or technical experience in a field of physical science or in engineering, or a combination of such study and experience. In addition, they must have had appropriate professional experience. No written test will be required. Further information and application forms may be obtained at most first- and second-class post offices, from Civil Service regional offices, or from the U. S. Civil Service Commission, Washington, 25, D. C. Applications should be sent to the Commission's Washington office and must be received not later than November 23, 1949.

Williams (Kappa Sig).
 145-lb.—Hinchaw (AGR) vs. Chamberlain (PKA), Armstrong (Sigma Nu) vs. Boltz (SPE).
 165-lb.—Thompson (PKA) vs. Segal (PEP), Rochelle (KA) vs. Jenkins (AGR).
 Unlimited—Weeks (KA) vs. McLeod (Kappa Sig).

Touch Football
 Let's take a look at last week's touch football games. The Pika's remained undefeated and unscathed upon as they rolled to their fourth straight triumph. They beat SAE by a 27-0 score. Batson was outstanding for the boys from PKA. Sigma Nu went on a scoring spree to swamp PKT 41-0. They surpassed the forty point total of the Pika's. Pickett and McKim stood out for Sigma Nu. Sigma Chi and Kappa Sig played a 6-6 tie, but Sigma Chi won on first downs, 5 to 3. Ammons and F. Wincoff were outstanding for Sigma Chi and "Cubby" Culbertson stood out for Kappa Sig. Two other games were won by forfeit. KA over Lambda Chi and AGR over Delta Sig.

In volleyball, all sixteen teams played. SPE beat PKP. PKA was victorious over PKT. KA took SAE into camp, and PEP won from SAM. Sigma Pi vanquished Delta Sig, Sigma Chi won over Lambda Chi, AGR edged TKE, and Eigma Nu conquered Kappa Sig.

Mooney Stars As Wolfpack Post Win Over Richmond

Pack Attack Rolls In 20-6 Victory

By JOHN LAMPE
Showing off before a home crowd of 8,000 shivering fans, State's Wolfpack notched its second win of the season with a 20-6 victory over Richmond here Saturday night. The Wolfpack attack rolled for the last three fourths of the ball game, racking up scores in the second, third and fourth periods, while the stymied Richmond offense could only get a belated T.D. in the fourth quarter.

Mooney Stars
Sparked by Mooney, Fullbacks Johnson and O'Rourke, the Pack's offensive hit paydirt in the second period. The Big Red carried the ball on an 80-yard drive, climaxed by Mooney's 26-yard jaunt to the Spider 4 where Johnson plunged over for the touchdown. Charles Westbrook's kick was perfect and the Pack led 7-0.

The running of Mooney which was one of the highlights of the game reached its eighth when he scampered 68 yards in the third quarter for the second State score. On his own 32, Mooney sailed through the Spider line and outran the Richmond secondary to the goal. Westbrook's conversion was good and the Red and White held a sizeable margin of 14 points.

Last Score
The last score of the evening came early in the fourth period as the result of a pass interception. The Wolfpack line had the Spiders bottled up deep in their own territory and Richmond, trying desperately to get back in the ball game threw an aerial down the center, but O'Rourke made a spectacular interception and galloped untouched over the Richmond goal line. Westbrook's attempt for the extra point was wide, and State ended its scoring for the evening.

Spider Drive
After the third Pack score, the Spiders put on a determined drive to State's goal. From their own 28, a screen pass from Richmond's Billingsley to Art Wolan, surprised the hard charging Wolfpack line, and Wolan sped to the Pack 46. Then with the running of Farris and Hensley plus the passing of Billingsley, the Spiders advanced the ball to the State 4. From this point Farris fired a bullet pass to Hensley for the only Richmond score. The attempted conversion was wide, and the final tally read 20-6.

Wrestling Results

November 4
135-lb. class—Savage, No. 1 Becton, over Cavage, No. 2 Bagwell; Wright, No. 2 Turlington over Drake, No. 1 Turlington; 145-lb. class—Hancock, No. 2 Turlington over Davenport, No. 2 Syme; Swagnigan, No. 1 Becton over Bunn, No. 2 Bagwell. 165-lb. class—Holloman, No. 1 Owen over Long, No. 1 Tucker. Unlimited class—Hollbrook, No. 2 Turlington over Lloyd, No. 2 Bagwell.

West Haven Racks Up Third Straight Win

West Haven pushed across two touchdowns early in the first half to defeat No. 2 Alexander 12-0 on a rain soaked field that slowed down both offenses. Game date: October 31.

In the first quarter Staton blocked a No. 2 Alexander kick deep in No. 2 Alexander's territory. West Haven moved on down the field with Currier finally catching a pass on the 4 yard line and going over.

Early in the second period Meeker intercepted a No. 2 Alexander pass and went 30 yards for the score. This ended the scoring as the No. 2 Alexander defense tightened and held off all other scoring threats.

Lail Good Defensively
No. 2 Alexander scored on a long pass in the final minute of play but the score was nullified because of a penalty.

The West Haven line composed of Staton, Roberts, Keeter and Shaver held No. 2 Alexander to 1 first down. Everette Lail, a small but effective blocking back, assisted the line.

On November 14 West Haven will meet the powerful No. 2 Turlington team, while on the 16th No. 2 Alexander will meet twice beaten No. 2 Tucker.

Harriers Post Seventh Win

The Wolfpack harriers continued their domination over Southern Conference opponents by whipping the Richmond Spiders, 17-43, last Saturday morning here. This was victory number seven for Coach Fitzgibbons' cross country team. A tie with William and Mary accounts for the only blot on their record for the season.

Dave Dubow, a senior from Hillside, N. J., with his swift-footed running set the pace for the State team and set a new record for the four mile course in a winning time of 21 minutes and 34 seconds. Dubow broke his own mark of 22 minutes, 18 seconds set in 1948.

Bobby Leonard of Raleigh and Wilfred Keenan of Clinton finished in a tie for second for the Pack. They also broke the existing record with times of 22 minutes and 11 seconds.

State captured six of the first nine places to win. Marshall Vernon and John Hunter, both of Raleigh, finished fifth and sixth. In winning, the Wolfpack made up for their 30-30 deadlock with William and Mary, since the Richmond Spiders had previously tied the Indians, 28-28.

Coach Fitzgibbons plans to enter his squad in both the Southern Conference meet at College Park, Md., on November 14th and the North Carolina championships to be held here November 21st.

Turlington Defeats Stubborn Owenmen

Retaining their hopes for winning the dormitory touch football championship, the lads from No. 2 Turlington defeated a stubborn No. 2 Owen team by a score of 9-0. Game date: November 7.

No. 2 Turlington's touchdown came when Bill "Wild Wool" Griffin blocked a No. 2 Owen kick and end Bobby Wright fell on the ball in the endzone for the score. Earlier No. 2 Turlington scored 2 points when end Joe Brown broke through the No. 2 Owen line to tag the ball carrier in his own end zone.

No. 2 Turlington monopolized the ball for the majority of the game but had trouble pushing the ball over into pay dirt.

Nemazi Leads Welch In Volleyball League

Welch's volleyball team, sparked by "Max" Nemazi defeated a hard fighting No. 2 Bagwell sextet 7-15, 15-6, 15-13. Ironically enough the man who proved to be the spark Welch needed to clinch the victory did not start.

In the initial game No. 2 Bagwell with Bob Chadwick, Bill Hon and Bill Patterson leading the way buried Welch under an avalanche of points 15-7. For the second game No. 2 Bagwell sent in their second team while Welch substituted Nemazi into their line up. Nemazi with capable assistance of "Glue-fingered" Turner and "Nic" Hicks defeated No. 2 Bagwell's subs, 15-6.

The rubber game of the series proved to be a thriller. "Doak" Walker, "Silent Slim" Bryant and "Heavenly" Angell built up a small lead for Welch but the lead vanished under the repeatedly set-up smashes of Bob Morrison and Bill Loyd. With the score tied at 13-13 Nemazi took charge personally for Welch and drove home the final two points for the victory.

INTRAMURAL FRONT

This writer has delayed predicting the winners in the dormitory football league to report more efficacious news about the league. Such an item is the proposed 25 cent intramural fee.

The committee for the Allocation of Student Activity Fee met last Monday. At this writing no report has been released by the committee concerning the proposed fee. However, the committee's report has been submitted to Chancellor Harrison for approval.

Report That report may contain one of three items. They are: (1) that the committee rejected the proposed intramural fee; (2) that the committee approved the proposed intramural fee; or (3) that, instead, the committee allocated part of the intramural fee to the P.E. fee which if approved would include a fee for intramurals. In any event the committee should be congratulated for their business like disposal of items on their agenda. Committees of this type are generally entirely too slow to act and frequently put off making decisions for no apparent reason. This committee is definitely not of that type.

Here are my predictions and my reasons. 1st Place—No. 1 Becton 2nd Place—No. 2 Turlington 3rd Place—Welch 4th Place—No. 1 Alexander Past and present record puts No. 1 Becton in first place. Last year No. 1 Becton was runner up to Trailwood, the winner, while No. 2 Turlington took third place. Trailwood, a much weaker team this year, was eliminated by underdog No. 1 Alexander in a game which No. 1 Alexander won (6-6 score) 4-3 on first downs.

Excellent Backfield Both No. 1 Becton and No. 2 Turlington have excellent backfields, however No. 1 Becton is slightly stronger in that department. Furthermore No. 1 Becton's forward wall and reserve strength slightly tops No. 2 Turlington.

No. 1 Becton, allergic to publicity, has quietly been defeating their opponents in Section III. Only No. 1 Bagwell, a cellar team remains. No. 1 Becton should remain in the heated and comfortable living room while No. 1 Bagwell remains in a dark cold part of the sub cellar.

Manager Bob Dobbins thoroughly believes his passer, Hank Fraier to be the best in the league. Manager Dobbins will probably get no argument from No. 1 Syme or Vetville who played No. 1 Becton. Fraier is tops. He is a two time all dormitory athlete and should repeat this year. Ray Hepler, half back, and Doug Watts, end, complete the stars for No. 1 Becton. Incidentally, Dobbins plays a good game at blocking back.

Triple-threat Bob Smith, triple threat back and last year's intramural all campus athlete, along with Bill "Wild Wool" Griffin, blocking back, will lead No. 2 Turlington's attack. Capable ends Bob Oliver and Dave Pippinger will be on the receiving end of Smith's passes. The defense will be built around John Hancock who manager Griffin has repeatedly

commended for his defensive play and leadership.

No. 2 Turlington may have trouble making the playoffs. They must first beat unbeaten West Haven to win in Section II. That game is on November 14 and should be a thriller. West Haven believes No. 2 Turlington to be overrated. That may be so, but should West Haven beat No. 2 Turlington it definitely would be classed as an upset.

Welch's team, last year fourth place, will rely on a "Choo Choo" (Gibson to "Glue Fingers" Turner combination for its touchdown punch. Eloweyce, "Flash", Twyford, "Heavenly" Angell, "Nic" Hicks and "Crazy Legs" Hoffman will get their share of points. Unfortunately, I have heard reports of tension between squad members. Sidney Cramer, capable manager of Welch, will have to be a psychologist in order to get his team together for practice and in games of the playoff.

Welch, in order to win Section IV, must get by Berry. That should not be hard to do even with defense on Welch's team. Berry is mainly a defensive team lead by center Angus Mercer and guards Gene Johnson, Ed Bond, and Jerry Wheelers. An upset here is unlikely, however, if it does happen No. 2 Becton, a powerful team, will get another chance at Welch who defeated them on first downs in their game.

Trailwood, playing without the services of last years all campus men Kelly and Dillinger, was eliminated by No. 1 Alexander. At this time No. 1 Alexander, winner of Section I, is the only team to definitely be in the playoffs.

Trailwood Strong Trailwood is the only team of any strength that No. 1 Alexander has played. No. 1 Owen, No. 1 Alexander and No. 1 Tucker are all weak teams. Because of the relative weak strength of No. 1 Alexander's opponents, a true picture of their power cannot be obtained until the playoffs. I predict them to end up in fourth place.

Their strength shown thus far lies in their line. Manager George Feldman cites guards Elven Engel and Ernie Welch for their fine play. He believes John Emerson to be the best blocking back in the league. Emerson has made possible a running attack for his team. He has given his passers excellent pass protection.

The numerous forfeits by Owen's team prompted me to make an investigation of the situation. I asked several residents of that dormitory for the reason. They said that they were not notified of game dates. This indicated that perhaps Ben Boney, Athletic Director for Owen, is not doing his job. I have not talked to Boney yet. It may not be entirely his fault. However, I hope he will solve the situation soon.

No. 1 Bagwell, a team which almost decided not to enter the handball league because of lack of experienced players, now lies only two games away from the championship. Vestal Fulp, Charles Mintzel, Frank Mandel and Harry Stone astonished themselves with their wins. Good luck to you.

Wolfpack Meets Deacons In Final Home Clash

Plenty Of Action Expected Tomorrow

By JACK BOWERS

With a two game winning streak under their belts, the State Wolfpack has hopes of upsetting the favored Wake Forest Deacons Deacons here tomorrow afternoon in the traditional clash for the mythical Wake County championship.

After a rather shaky start with successive losses to SMU, Boston College, Georgetown, and North Carolina, the Deacons have finally found the power that presserson dope gave them, and have rather rudely dumped William and Mary 55-23, Clemson 28-14, and Duke 27-7 in their last three outings. Thus, on the basis of comparative ratings, the Deacs will be from one to three touchdown favorites.

However, in this ancient rivalry, in which the Pack holds a 24-14 edge, pregame form does not always hold true. Even the past two games between State and Wake Forest ended in upsets. The Deacs upsetting the Pack last year 34-13, and the Pack dumping the Deacons the year before 20-0.

The Wake Forest club has an excellent line, both offensively and defensively. Letterman abound with Coach Walker being able to call upon at least two for every position except left tackle. Men like Duncan, Butler, O'Quinn, and Bradley at ends; George, Palmer, and Sniecak at tackles; Giea, Garry, Pambianchi, Auffarth, Dye, and Reinhard at guards; and Dawson and Baublis at center would make any coach happy. This rugged forward wall held the supposedly strong offense of Duke to a measly 17 net yards rushing.

The backfield is just as well supplied with talent. Carroll Blackerby

at quarterback, Jones and Pollacci at left halfback, Gregus at right half, and Karpus at fullback are all lettermen. Freshman backs of last year include Nub Smith and Francis Scarton at left half, Dickie Davis and Ed Kissell, quarterbacks, John Solek, and Boo Roberson at right halfback, and Bill Miller and Bobby Stutz at fullback.

Probably the biggest difference in this year's club and that of last season is the factor of speed. The 1948 club lacked a really fast, breakaway runner. This year's eleven has several fleet-footed and elusive runners, the best of whom are Smith, Scarton, Solek, and Roberson.

State was definitely an improved ball club against Richmond. Their blocking was sharp, Mooney's running was superlative, and the defense, both against rushing and passing was improved.

However, the Pack's chances for an upset depend largely upon the little word "if"—if State's injured and sick men are able to play, if Wake Forest has a bad day, and if State plays the brand of ball they are capable of playing, the Deacons could be in for an awfully bad day.

Touch Football Dates

November 14 West Haven vs. No. 2 Turlington—Field No. 1; No. 1 Becton vs. No. 1 Bagwell—Field No. 2; Welch vs. Berry—Field No. 3.

November 16 No. 1 Owen vs. No. 1 Turlington—Field No. 1; No. 2 Tucker vs. No. 2 Alexander—Field No. 2; Vetville vs. No. 1 Syme—Field No. 3.

Cross Country Team Finishes Undefeated

By JIM PLOTT

Dave Dubow and Bobby Leonard sparked the Wolfpack Harriers to their final victory of the season here Wednesday afternoon defeating Wake Forest 17-50. Thus, the State boys finished the season undefeated.

The Pack harriers copped eight of the first nine spots with Dave Dubow and Bobby Leonard tying for first in the time of 21:56. Wilfred Kenan placed third in 22:13 with Pruitt of Wake Forest on his heels. The other harriers to place were Vernon, Hunter, Hudson, Wadsworth, and Townsend in the order named to take the remaining places for the Wolfpack.

The Frosh defeated the Wake Forest Freshmen in their meet 15-51. Six State harriers tied for first with Hayes and Gibson of Wake Forest taking the seventh and eighth spots. The Wolflets to tie were Jones, Garrison, Miller, Cle-

ments, Smith, and Hughes. Their time for the rocky course was 13:29.

Carolina's Frosh bowed to the Wolflets in a meet Tuesday afternoon 21-38. Garrison and Jones tied for the first spot and set a new record of 12:12 for the two-mile Frosh course. The old record for the course was 12:22.

J. Paul Shеды* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

FOR A WHILE, Shеды's life story was a pretty sad tale. People rode him about his wild, unruly hair. And it wasn't until his favorite filly gave him the goat that he decided to do something about it. He trotted down to the corner drug store and bought a bottle of Wildroot Cream-Oil hair tonic. You should see him now! Non-alcoholic Wildroot containing Lanolin keeps his hair neat and well-groomed all day long. No more annoying dryness, no more loose, ugly dandruff. Take a tip from Shеды. If your sugar balks when you ask for a date, you need Wildroot Cream-Oil right away. Get it in bottles or tubes at your local drug or toilet goods counter. And ask your barber for professional applications. You'll be a winner every time!

Frosh Footballers Take On Deadets

By BILL THRONBURG
The State freshman football team, sporting a record of two wins in three starts for the season, is faced this week with what may prove to be its toughest assignment of the year. Friday afternoon the Wolflets invade Wake Forest for a tussle with the Baby Deacons, a team fresh from a 19-12 win over the Carolina Tar Babies last week. That win gave the Baby Deacs a 1-1 record and brought to light a passing attack of no mean proportions.

Aerial Artist

The Wolflets will find in Quarterback George Sprock an aerial artist who completed five of nine passes against the Tar Babies and who scored one touchdown himself on a sneak thru the line. The slippery end-running of Halfback Rene Luter has also been a big factor in Deaclet play this season, especially when alternated with the line-backs of Fullback Joe Kock. Baby Deacon line play is led by Center Bob Ganna who blocked a punt and generally made a nuisance of himself to the Tar Babies last week.

Deaclets Strong

But the Baby Wolves have come a long way since the opening loss to Duke and stand ready to make their presence very much felt in Wake Forest this week. The State line has been playing great ball, sparked by a tackle combination of Jim Hillman and Bill Busa that is unsurpassed in the Conference.

J. C. Britt and Bill Cox handle the guard duties in smooth fashion, and Ends Dave Butler and Art Lemoine cover the flanks like the dew covers Dixie. Butler has been

Symphony Orchestra

Pictured above is the North Carolina Symphony of 65 musicians which will appear in Raleigh next spring. A special drive to get State College students into the Symphony Society is now in progress. Memberships for them is one dollar while the regular mem-

berships are two dollars. Admission to the concert by presenting membership card is one of the chief advantages of joining the Society. Students and faculty members interested should get in touch with I. L. Baker, Pullen Hall, or Mrs. A. C. Hall, Peele Hall.

particularly impressive in the past two games, and especially so against the Davidson Wildkittens two weeks ago.

Passing Offense

The Wolflet offense will hinge on the passing of 165-pound Tailback Ted Potts who tossed for one touchdown against Davidson and set up another with a 50-yard heave. Potts will alternate with Alex Webster, a 195-pounder who hits the line like a fullback but scampers in the open like the tailback he is. He too enjoyed himself against Davidson by virtue of two touchdowns scored.

Fullbacking chores will probably be handled by Dick Sprit who is proving to be quite adept at plowing thru enemy lines. Marshall Long should start at wingback against the Deaclets.

ASME

The ASME will meet in Room 100 Page Hall, Tuesday night, November 15, at 7:00 p.m. There will be a short business meeting, and then the principal speaker, Mr. Ira T. Hook, will speak on "Copper Processing." Mr. Hook is thoroughly versed in this subject having been associated with the Anaconda Copper Co. for a number of years. Movies will be shown.

For Sale

1934 Standard Chevrolet, runs good, new tires. Priced—FOR QUICK SALE—\$100.00 See Ed Strickland at 293 Groveland Ave. (behind College Court Drug Store) after 6 p.m.
