Editorial On Athletic Council Chairman Brings Protest and Demand To 'Punish' Foght

Sixteen State alumni from Charlotte have demanded that Technician Editor-in-Chief Paul Foght be "punished" for the "scurrilous" editorial he wrote on H. A. Fisher, Athletic Council chairman. The demand was made in a petition to Chancellor Harrelson signed by 16 "Members of the Board of Directors of the Mecklenburg Chapter of the General Alumni Association."

The 16 men said that they wished to register a "vigorous protest against permitting a student to write such a scurrilous editorial about a respected member of (the) faculty."

Although the petition claimed that the editorial was "not only disrespectful, but false" no passage from the editorial was challenged. Foght's editorial was titled "Three Strikes And Out" and appeared in the January 25 Technician. The editorial called for Fisher's resignation if he could not "present a full explanation for his actions" in regard to the ouster of coach Beattie Feathers and the policies of the Athletic Council.

The petition expressed "surprise"

that State College officials would "tolerate" such action by a student. The 16 signees then stated that "We demand that you take appropriate action to see that the editor of The Technician is punished and that there shall be no such occurrence in the future."

Reliable sources in Holladay Hall reported only that the petition had been acknowledged and filed.

The Charlotte petitioners also requested to know whether The Technician staff received any "remuneration." (The Editor and the Business Manager receive 50 dollars monthly and five other staff members each receive \$13.89 monthly during the nine month school year.)

The names of nine students were included on the petition and petitioners demanded to know their hometown addresses. Two of the nine are no longer on the Technician staff and six of the remainder are out-of-state students. All nine have non-Anglo-Saxon names. The Student Directory lists Foght as a resident of Kenosha, Wisconsin.

Election Poll

Ike Eisenhower is a better than four to one favorite over Harry Truman for President among college students, according to the ACP National Poll of Student Opinion.

Robert Taft is also more popular than Truman, but about one-fourth of the college students haven't yet made up their minds about these two candidates.

Students from all sections of the country were asked: If Robert Taft and Harry Truman oppose each other in the 1952 presidential election, which one would you prefer to win? The answers:

Taft 46 per cent
Truman 29 per cent
No opinion 25 per cent
And for Eisenhower vs. Truman:

Eisenhower 71 per cent
Truman 16 per cent
No opinion 13 per cent

Every section of the country is overwhelmingly in favor of Eisenhower, as opposed to Truman, but Taft vs. Truman results indicate certain sectional differences.

The midwest, for example, is strongest for Taft. A school in Indiana and another in Iowa are 75 per cent Taft supporters, 14 per cent Truman.

Students in Taft's home state of Ohio are, on the average, somewhat less in favor of him than students in other parts of the country.

Truman is strongest, not in the south, where the vote between him and Taft is about even, but in the far west. The University of California, most pro-Truman of all schools polled, stacks up this way:

Truman 43 per cent
Taft 21 per cent
No opinion 36 per cent

Students still undecided are the most likely to comment. A junior coed in home economics says she doesn't favor Eisenhower because

Wells Explains WSSF's Frank Graham Fund

Said YMCA officer, Howard Wells in a Coliseum speech on Feb. 8, "Last year, the N. C. State College World Student Service Fund contributions were earmarked for the university students in Indonesia and were used to buy scientific laboratory equipment and to provide scholarship assistance to tubercular student. The University of Indonesia is very similar to our own in structure and in scope. Furthermore, our former president, Dr. Frank P. Graham, served on the United Nations Good Offices Commission which arbitrated the dispute between Indonesia and the Dutch and paved the way for independence."

"Therefore, the Greater University World Student Service Fund committee resolved that funds contributed by all three units of the university to WSSF be combined this year to form 'Frank P. Graham Fund for Indonesia.'"

Midwinter's Concert

The Saturday afternoon concert of Mid-Winter's Dances will be held in the Textile Building Auditorium from 3:30 to 5:00.

Mop-Up Petition To Be Presented Tuesday Night At Meeting

Petitions requesting that all net profits of the Student Supply Stores be spent for student activities will be presented to the student body at a mass meeting in the Coliseum Tuesday night, February 19, at 7 p.m.

Campus Government President George "Buck" Pruden made this announcement Wednesday after conferring with officials about the reservation for the Coliseum. The program for the meeting, he said, will be mainly an explanation of the situations which have suggested

the presentation of the petitions to the Board of Trustees at their February 29 meeting.

Since there will be only ten days after the mass meeting during which signatures can be collected, Pruden urged that all students attend. At the February 5 CG Pruden stated that Chancellor Harrelson had advised him that better than 85 per cent of the student body's signatures should appear on the petition. Campus Government, the IDC and the IFC will assist in obtaining signatures for the petition.

The petition, which has already been shown to Chancellor Harrelson and President Gray, reads as follows:

"We the undersigned students of North Carolina State College do hereby petition the Board of Trustees of the Consolidated University of North Carolina that the Administration of State College be authorized to expend the net profits from the Student Supply Stores for the development of cultural, recreational, and social facilities which will be available to all students; and that the allocation of these funds to student activity projects be made on the recommendation of the Student Council with the approval of the administration."

"This request is made in view of the dire need for additional facilities in the above three fields as indicated by student requirements, requests, and campus surveys during the 50-51 school year based on a comparison of similar schools and colleges."

Pruden Speaks On Student Problems At Faculty Lunch

The first luncheon for general faculty members in the series begun January 29 by members of the engineering faculty was held Tuesday noon. Over thirty faculty members, most of them younger men of instructor grade, were present.

Guest speaker was George Pruden, Campus Government president. Pruden spoke briefly on the organization of the campus government, its faults, its accomplishments, and its aims for the future. At the end of his talk Pruden answered questions about the campus government, and a general discussion was held over some of the major problems confronting them and the student body.

In his talk the CG head emphasized the fact that the campus government constitution and organization were drawn up on "one big college community" basis, an idea which we have drifted away from in recent years with the formation and separation of different

alma mater

This week brings, among other things, the observance of Brotherhood Week to this campus and to the rest of these United States. We find our thoughts well expressed in an editorial from the St. Louis Post-Dispatch on Brotherhood Week.

"It may sound futile to talk about brotherhood when half the world is doing its best to deny the meaning of the word. On the contrary, this is precisely the time to begin talking about brotherhood. That is, if we hope to retain a decent sanity in this country and later to serve as an effective healing agent for Europe.

The National Conference of Christians and Jews, founded by Charles Evans Hughes among others, is now engaged in the celebration of Brotherhood Week. It is an annual observance, built around Washington's birthday. Surely it is more meaningful this year than ever before.

The avowed purpose of the National Conference, which looks after religious, racial and cultural relationships among Protestants, Catholics and Jews, is to "make America safe for differences." Is it overstressing the importance of Brotherhood Week to say that America will be safe for democracy not one moment longer than it remains safe for differences?"

The Technician urges the students to consider Brotherhood, not as a hollow but high sounding word, but rather as an intelligent way of life. The way of life upon which a country was founded.

Look No Further---Girls, Girls

If you are lonesome, forlorn and dateless write your sad story in less than 300 words and send it to THE TECHNICIAN. The author of the cleverest tale of woe will win a date with a charming girl from the Women's College for the Greater University Day, February 23.

THE CAROLINIAN, W. C. newspaper, is sending the girl. Willis Casey has arranged to give the lucky couple the best seats in the Coliseum for the State-Carolina basketball game. THE TECHNICIAN and its advertisers, gifts, meals and entertainment.

This is no joke. Send no coupons, just your own miserable story. Entries must be postmarked before midnight, Tuesday, February 19. The address is Box 5698, State College Station, Raleigh.

Even if you don't win this date you'll want to escort one of the other 399 W. C. cousins who'll be here for the occasion, so here's what you do:

Approximately 400 girls from W. C. will arrive at 4:30 on the afternoon of Greater University Day, Saturday, Feb. 23, by bus from Greensboro.

Anyone from NCS desiring to take a girl to the pre-game dance to be held in Frank Thompson Gymnasium from 6-8 p.m., or to the subsequent Carolina game, can meet the bus caravan at the "Y." The entire area around the "Y" will be roped off for this occasion.

The College Union, in conjunction with the Pep Club, will welcome the visitors. These two organizations are in hopes that the girls will be matched, man for girl, and proceed to the cafeteria, through the line, for a Dutch treat supper. The Pep Club, however, has planned to instigate a cheer medley just before supper.

A block of Tickets has been set aside for the girls and those students wishing to escort them to the game. Any NCS student desirous of sitting with his new-found date at the game should ask specifically for a seat in the reserve section when he obtains his ticket at the Coliseum box office.

 "he's a military man," but "I don't think we should put Truman in again."
 A South Dakota sophomore wants Eisenhower, but will not vote on Taft vs. Truman. "I don't agree with either of their policies," he says. And a freshman in liberal arts dismisses the Taft-Truman choice with, "Neither are worth a damn," but votes for Truman against Eisenhower.
 A medical freshman would vote for Taft "merely because anybody would be better than Truman." Equally firm is a junior taking economics in Iowa, who says, "Never in my life would I vote for Taft." But he supports Eisenhower.

the responsibilities delegated to them by the administration, but further stated, however, that there are many who spend a great deal of time in campus government work over and above that which it should normally take. Faculty members present were reminded by Mr. Pruden that they have the privilege of participating in campus government elections just as the students do, with a total of four faculty members serving actively with CG.

The speaker also presented a brief resume of the actions at recent meetings, and concluded his talk by stating some of the long range aims which they are promoting.

Be Happy- GO LUCKY!

LUCKIES TASTE BETTER!

The difference between "just smoking" and really *enjoying* your smoke is the *taste* of a cigarette. You can *taste* the difference in the smoother, mellower, more enjoyable taste of a Lucky ... for two important reasons. First, L.S./M.F.T.—Lucky Strike *means* fine tobacco ... fine, mild tobacco that tastes better. Second, Luckies are *made to taste better* ... proved best-made of all five principal brands. So reach for a Lucky! Enjoy the cigarette that *tastes better!* Be Happy—Go Lucky! Buy a carton today!

Professor Clyde Johnson of the Psychology Department is beginning a four-year study of the validity of certain criteria commonly used for predicting academic success in college. For the next four years standardized test data and biological data will be obtained from freshmen in the following departments of the School of Education, Industrial Education, and Math and Science Education. The relationships between these data and academic success will be determined. It is hoped that the results of the study will provide for

more effective student counseling in the School of Education.

Freshmen in the departments listed above having less than 45 hours credit when enrolling at State College in September, 1951 should be present for two test sessions: Tuesday, February 19, 1952 and Thursday, February 21, 1952. The time for each session will be 12 to 1:30 p.m. The place will be Tompkins Hall, Room 113.

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

POOR PAUL was having a fowl time. Even his best gal didn't give a hoot for him. "Wise she hate me so?" he asked his roommate. "Simple, you stuffy old bird—because your hair's always ruffled up! Better try Wildroot Cream-Oil hair tonic. It's non-alcoholic. Contains soothing Lanolin. And does tree things: Relieves annoying dryness. Removes loose, ugly dandruff. Grooms hair neatly and naturally all day long. (Even limb-ers up your scalp. And helps you pass the Finger-Nail Nest-er, Test!) Paul got Wildroot Cream-Oil and now he's a "owling success. So why don't you take a taxi-dermist to any drug or toilet goods counter to get a bottle or tube of Wildroot Cream-Oil. It's your hair's best friend! And ask for it at your barber shop. Then there's no talon how the chicks'll go for you.

With The Greeks

By FRANK GOODE

The fraternities will end their very successful "Greek Week," dancing to the music of Louie Prima and his Orchestra, tonight and tomorrow night. Big plans have been made by each of the fraternities in the way of parties and banquets.

On Friday evening a pre-dance party and supper will be held by Alpha Gamma Rho in honor of their guest and dates. The theme of the house decorations will be based on Valentine's Day. Kappa Sigma will have a small dance combo at their house, following the Friday evening Mid-Winter's Dance. On Saturday afternoon they will hold a party at

the Sir Walter featuring entertainment by a small dance band. To finish the big weekend off, the Kappa Sigma's will entertain their dates with a Sunday afternoon party at their house.

Lambda Chi Alpha will hold a banquet at the Sir Walter preceding the Saturday night dance. Following the dance the fraternity will adjourn to the house to continue the festivities to the music of a dance combo.

Sigma Alpha Epsilon will start the weekend off early with a "Pirate Party" on Thursday evening. Members and dates will dress appropriately in the costumes of ancient mariners and pirates. On Saturday, before the evening dance, they will entertain their dates at a banquet to be held at the Village Restaurant.

Sigma Pi and Sigma Nu will hold buffet suppers after the Saturday afternoon concert. Following the dance, they will entertain their dates with parties at the respective houses.

Following the Saturday night dance, Phi Epsilon Pi will hold a "French Quarter" party. The house will be decorated along the same theme, and members and their dates will dress in French Apache costumes. Pi Kappa Alpha will hold a costume party after the Friday evening dance. The house will be decorated along the theme of a Bowery cafe.

Lambda Chi Alpha lost not a brother, but rather gained a sister, as Tom J. Gills was united in marriage to the former Miss Jean

Bennett of Southport, N. C. The couple honeymooned at Myrtle Beach.

Pool Tourney

The actives and pledges of Delta Sigma Phi are in the midst of a two-week pool tournament to decide the champion pool sharks of the house. The members of Kappa Alpha enjoyed a Saturday afternoon frolic as they picnicked on the banks of the Neuse River, getting in shape for weekend stints at the beach.

Fifteen new brothers were welcomed into Sigma Alpha Epsilon last week. They include: Charles Buckhead, John Coble, Joe Hester, Harvey Heywood, Leo Roberson, Jack Ruder, Don Joyce, Bob Krook, Frank Matthews, Charles Murphy, Jim Quinn, George Wallace, Hap Welch, Ken Ratchford, and Dick Reed. Three new pledges were also welcomed into the fraternity: Dick Ferroe, Saunders Blalock, and Joe Keith. Newly initiated into Pi Kappa Phi are: Eddie Avent, Earnest Dobson, Jack Fisher, Charles Hasbuck, Jim Kirkman, and Clarence Wingate. Sigma Phi Epsilon welcomed Bernie Duplessis as a new pledge last week.

The following men were initiated into Sigma Alpha Mu during the last week: Steve Cooper, Arthur Maclaire, Allan Nishball, and Burt Haimes.

New Officers

On Monday evening the members of Sigma Pi elected their officers for the future year. The newly elected officers include: Donnell Bullock, President; Dick Kinet, Vice President Tom Johnson, Secretary; Layton Harris, Treasurer; and Doug IX, Herald.

Pi Kappa Phi will hold their "Rose Banquet" tomorrow evening at the Woman's Club. After the banquet the members and their dates will adjourn to the Saturday evening Mid-Winters Dance.

FALSEHOODS OR FEARS?

The Editor of this newspaper concedes the right of any alumnus, faculty member, student or citizen to disagree with his policies. However, this is a NEWSpaper and it is devoted to the communication of FACTS. The men who attacked the Editor in their petition unfortunately failed to base their case on a presentation of the falsehoods that he has printed.

The facts that they did not disprove are these: (1) The Chairman of the Athletic Council has indicated an attitude incompatible with his position. (2) The Chairman committed the Council to a course of action without its approval. (3) The Council, under his leadership, has promoted a policy at variance with that of the Consolidated University leaders.

Other statements that The Technician printed in headlines without refutation were

Transfusion

The Campus Government is developing upon the lines which a dynamic and functioning body should. But, it is not the intention of The Technician at least that CG be the only governing student organization. For in such a role, the scope would be enormously impossible.

With this in mind, The Technician wishes to call the attention of the students to the Inter Dormitory Council, an organization composed of representatives from all the dormitories on campus. At present, the IDC has as its prime function, the continuance of social order throughout the dorms, through dances, and recreational activities.

Why not likewise delegate to this organization the furtherance of the honor standards throughout the dormitories?

In the establishment of an IDC Honor Council, the Campus Government would both relieve itself of one of its many burdens and give needed vitality to a very important group.

Once again such a situation would delegate power to the source in which it could most wisely be used. For, the student in residence is the student most interested in maintaining proper conditions in the dormitories. He is the person who will interpret the standards most wisely.

these: "Athletics Out Of Control"—Chancellor Harrelson; "Committee Never Saw Scholarship Funds"—Dean Cloyd; "Basketball, Football Costs State College Over Quarter Million Dollars"—Athletic Council.

Can there be a connection between the problems of the intercollegiate athletic program and the attack on the Editor of this paper? The Technician serves as the voice of the student body and the student body is now petitioning to acquire the net profits of the Student Supply Stores. For years students have wanted to know where that money went. Many have said that it did not go into scholarships as stated in the contract under which the college bought the Stores.

Could this attack have as its purpose stilling The Technician as a voice of opinion so that the student body will abandon its ambitious petition?

No Blood Type?

There is much convenience which students will appreciate in the publication of the new student directory. Jointly sponsored by the YMCA, which contributed the lion's share, and the campus government, the directory enables all to have pertinent information of the whereabouts of students enrolled for the present term.

However, The Technician wishes to differ with the YMCA which assembled the lists in their differentiating between pertinent and non-pertinent material.

The inclusion of religious beliefs along with the addresses and other miscellaneous information is not only completely unnecessary but is in poor judgment. Such information was supplied at the request of the Dean and individual chaplain, and not for publication.

The Technician hopes that the YMCA will not include this information next year.

Naturally CG will continue to deal with campus violations of the honor code but, it will delegate to the IDC all matters which pertain to the dormitories and their function. Such prestige which will be transfused to the dormitory group will certainly not diminish Campus Government, but it will enhance the Inter Dormitory Council.

Penned Opinions

Sympathy, Request

To the Editor:

I can certainly sympathize with your impatience at talk and more talk. The students have been talked to and about so much that they are probably fed up and want some action.

But you should remember that there is a very good reason why the faculty, at least, must continue to talk. We are, as you must know, without any administrative power or even any clear way of discussing or influencing administrative policy. This means, as far as I can see, that about all we can do as a group at this stage is to inform ourselves and be aware of the problems that do exist. But even if it is action that you are interested in, remember that there was a lot of talk about natural rights before any concrete effects were noticed. I would not want to say that the talk was simply a waste of time or avoiding the major issue.

KEITH F. MCKEAN.

To the Editor:

As you know, the *New York Times*, *Time Magazine*, and the *Harvard Crimson*, have recently published feature articles dealing with the problems of free expression on the campus. In order to provide continuing coverage of this situation, the *Chicago Maroon* plans to publish a series of comprehensive and detailed articles. To carry out this large assignment with accuracy and completeness, we need your help. We have prepared the enclosed questionnaire as a guide which we hope you will use to send us information about your campus.

In addition, if there are particular individuals or groups who are especially interested in matters of

this sort, we would appreciate your telling them of our undertaking.

These questionnaires have been sent to college newspapers throughout the country and as our file of information increases, we will be glad to furnish material for your use.

If your space permits, could you run the above letter and questionnaire in your Letters to the Editor page?

MARTIN GREENS,
Editor, *Chicago Maroon*

The following questions will outline the range of information we are seeking:

1. What political organizations exist on your campus?
2. What criteria must a student political organization meet in order to be recognized by your institution?
3. Can you give us an estimate of the growth or decline of total political activity on your campus?
4. Have any political organizations or students been suspended, or have any faculty members been discharged for political reasons? Please relate circumstances and describe the reaction of your student body.
5. To what extent is the status of students and faculty members affected by their political activity?
6. What is the procedure which must be followed by a student organization which desires to sponsor a guest speaker or performer?
7. Is the content of your newspaper reviewed before publication and, if so, by whom?

Say committeemen Jay Bryan and Sonny Hines, "Just one thing is needed to make the dance a complete success. That is for every Junior to pay his class dues."

The fact that the dance committee cannot afford to make long-range speculations about how many class members will pay their dues was also brought out. In order to complete the final plans, the dues must be paid immediately.

Colonel Pease to Speak Engineers' Week

Colonel J. Norman Pease, a prominent engineer from Charlotte, will speak to students of the School of Engineering at State College during Engineers' Week on a topic concerning the role of the engineering profession in modern society.

Sponsored by the Engineers' Council, the talk is scheduled for 11 a.m. on Tuesday, February 19, in the auditorium of the Riddick Engineering Laboratories Building. All engineering juniors and seniors will be required to attend; everyone else interested is also welcome.

Colonel Pease is president of the firm J. N. Pease and Company, Engineers-Architects, of Charlotte, which has a branch office in Columbus, Ga. For the past 12 years the members of the firm have been designing engineers and architects for large amounts of major construction throughout the Carolinas and Georgia. During World War II much of the emergency work was handled by this organization, including all of the engineering work in connection with Fort Bragg, North Carolina.

New Y Series Sunday

Dr. Sherwood Eddy, noted author, lecturer and world traveler will begin a new series of addresses at the "Y" on Feb. 17. In collaboration with his wife, Louise Gates Eddy, he will discuss current problems of interest to students concerned with national and international affairs.

Graduated from Yale in 1891, Dr. Eddy went to India, Japan, Korea, the Philippines, Pakistan and Turkey at his own expense. After fifteen years' work among the students of India, he was then called to be Secretary for Asia for the Y.M.C.A. and for many years was engaged in work for students throughout the Far East. Having spoken in several hundred colleges in all parts of the United States, Dr. Eddy is lecturing and speaking to students and before many types of audiences on the subject of a 1948-49 Far East tour.

He and his wife will lecture alternately until Feb. 20 under the "Y's" sponsorship.

How To Get A Job

Mr. R. G. Alleman of E. I. du Pont de Nemours & Co., and Mr. Billy D. Low with the Overseas Personnel Office of the Standard Oil Co., will present talks on "What an Interviewer Expects from a Candidate," and "Evaluation of Employment Offers," on February 19th at 7:30 p.m. in 242 Riddick. All engineering students are cordially invited to attend as these subjects are of importance to every future graduate.

C. F. Raper Wins Forestry Award

Charles Franklin Raper of Vienna, Va., has been awarded the Hilda Johnston Cox Scholarship in the School of Forestry for the current academic year, Dean Richard J. Preston has announced.

The \$500 award is presented annually to the leading member of the junior class in the School of Forestry. It was established at the college by the Ralph K. Cox Paper Company, Inc., of Dover, N. C., and Wellsburg, W. Va.

The company created the scholarship at State as "a living tribute to Mrs. Cox's capacity as a guiding counselor and outstanding woman." She is the widow of the company's founder.

Don't sell the little one short

THEY'RE both good basketball players. But if we were to judge them the way we judge telephone equipment, we'd take the small one.

You see, telephone equipment occupies valuable space, uses costly materials. Paring down its size helps keep down the cost of telephone service.

Take voice amplifiers, for example. Telephone engineers put the squeeze

on size, came up with a new small type. When 600 of these new amplifiers are mounted on a frame two feet wide and eleven feet high, they do a job which once required a roomful of equipment. Size was cut—but not performance!

This is one of many cases where the Bell System has made big things small to help keep the cost of telephone service low.

Pack Overpowers Cats; Downed By Blue Devils

Case Suffers First Conference Loss On Home Court

By BOB PHELPS

On Tuesday night the Wolfpack absorbed the first defeat ever administered to an Everett Case coached team on a Raleigh basketball court by a Southern Conference team.

The loss, which was to the Duke Blue Devils by the score of 71-58, dropped State out of the Southern Conference leadership. West Virginia with a record of nine wins in ten contests rules the roost, with State second at nine wins in eleven games.

State led 2-1 after two minutes of play on the strength of Bobby Speight's tap in, but after that Duke led all the way. The score at the end of the first quarter was 24-19. In the second quarter State scored only 13 points while the Blue Devils were getting 18 to make the score 42-34. By the end of the third quarter Duke had increased the spread to 17 points at 64-47.

Duke took a total of 81 shots from the floor and hit on 30 for 37.4 per cent. State made 23 in 74 tries for 31.1 per cent. From the free throw line the Wolfpack got 12 points in twenty tries while Duke sank 11 in 21 attempts.

Bobby Speight was high man for State with 18 points and Mel Thompson was second with a total of 15.

The State scoring:

G	F	Pf	Tp
Jackowski	1	1	3
Brandenburg	0	0	0
Tyler	0	0	0
Terrill	4	1	5
Buchanan	0	0	1
Kukoy	2	3	7
Speight	2	1	15
Cook	2	1	5
Yurin	0	1	3
Thompson	5	5	15
Morris	0	0	0
Totals	23	12	68

State free throws missed: Speight 3, Kukoy 2, Thompson 2, Tyler 1.

'Pack Assured Tournament

State's Wolfpack overpowered Davidson's Wildcats, 72-49, in a Southern Conference game last Saturday.

State now is assured of a berth in the conference tournament next month. The loop's defending champions have only three conference games to play.

Captain Lee Terrill led the State scoring with 17 points with Mel Thompson right behind with 14. Bill Brooks was high for Davidson with 18 points.

State jumped into a quick 4-1 lead and was never headed or tied. The Wildcats trailed 21-11 at the end of the first quarter and 36-30 at the half.

In the second half, the Wolfpack switched from a zone defense to a man-to-man and held the Wildcats without a field goal from late in the second period until the fourth quarter—a playing time of 12 minutes and 42 seconds.

The Wildcats got only five free throws in seven attempts for all their scoring in the third period, while State was running up a commanding lead of 54-35.

Bobby Speight, State's leading scorer and starting center did not dress for the game because of a high temperature. His rebounding was missed greatly under the boards.

State's scoring:

G	F	Pf	Tp
Kukoy, f	5	0	3
Thompson, f	5	4	14
Tyler, f	1	0	2
Buchanan, f	1	0	2
Brandenburg, f	1	0	2

Cook, c	4	2	10
Morris, g	1	0	1
Jackowski, f	0	0	0
Terrill, g	5	5	3
Yurin, g	2	1	5
Totals	28	16	20

Score by quarters: Davidson 11 19 5 14—49; State 21 15 18 18—72. Free throws missed: Davidson—McLean 2, King 2, Glidwell, Melton, Dudley, Fitzgerald, State—Terrill 3, Thompson 3, Morris, Goss, Brandenburg.

Tankers Undefeated As 4 Loop Records Fall To Pack

By CHARLIE MOORE

State's vaunted swimmers handed a good University of Georgia team a defeat in the State pool on February 8. This win extends coach Willis Casey's season record to 8 and 0.

On Thursday February 14, Casey sends his men against their most difficult opponent of the season, Carolina's Blue Dolphins. Carolina is the Southern Conference defending Champion and, as State, is undefeated this season. They have wins over most of the teams that State has defeated this year. In comparing statistics, the two teams seem evenly matched. State is going to have their hands full if they expect to catch the Dolphins. Carolina is a hard team to beat in their home pool and they are an exceptionally hard team to beat when playing State College. In counting up State's points, its hard not to concede a five marker for such men as State's Sonia, Churn, Arata, Mattson and Lynes. State has a strong squad and they definitely will be gunning for U.N.C. Coach Casey would like nothing more than to take a win over his alma mater where he coached swimming before coming to State.

Four Southern Conference records have fallen before the Wolfpack this season. In the 220 yard freestyle, Bob Mattson has clipped 2 and 6 tenths seconds off the old record of 2:14.1. The old record was set by U.N.C.'s Jimmy Thomas. The 150 yard Individual Medley also has fallen to Mattson. The old record was 1:38.5 set by Buddy Burke of U.N.C. Mattson cut it down to 1:33.2. Don Sonia trimmed the 50 yard freestyle from 23.9 to 23.7. U.N.C. also held this old record. The 440 yard free style was cut down considerably by Bob Mattson and Frank Naus. The old record was 4:57.6. Mattson made it in 4:50.8. Naus did it in 4:50.9.

With these records, State shows that it does have a title contender this year.

Berry Takes Table Tennis Championship

Berry defeated Becton No. 1 in the semi-finals of the table tennis tournament 39-0, and then defeated Tucker No. 1 in two out of three matches to gain the dormitory championship. Leading the way for Berry was Thomas, who was number 1 man. He was undefeated in the tournament. Billings was the second man, and the doubles team was composed of Morton and Zol-fagari, which was also undefeated in dorm competition.

Loop Too Unbalanced Tatum Says At Albany

ALBANY Ga.—College officials ought to "let football alone," Maryland Coach Jim Tatum told the Albany Touchdown Club.

The young boss of the terrible Terrapins who conquered mighty Tennessee in the Sugar Bowl deplored the number of football development proposals which have cropped up recently by saying: "It looks like they're trying to pass as many rules and regulations for football as they have in the government."

Tatum declared the present Southern Conference (17 colleges) is too unbalanced and said something should be done about it. But he said he knew nothing of reports that Maryland or Clemson would try to join the Southeastern Conference or join with other schools in forming a new South Atlantic Conference.

Fraternity Intramurals

By FRANK GOODE

Because of the IFC dances this weekend, wrestling has once more been postponed. The preliminaries will be held in the Coliseum on Monday, Feb. 18, at 7:00 p.m. All fraternity wrestlers must weigh in on Monday, Feb. 18, from 8-12 or 2-5. Physicals for all the participants will be given by Dr. Combs at the Infirmary during regular sick-call hours.

Triple Overtime

In the fraternity basketball spotlight for the week is the game which featured Kappa Alpha vs. Phi Epsilon Pi. The regulation game ended at a tie score of 19 all. In the first overtime both teams failed to score. In the second overtime, both Kappa Alpha and Phi Epsilon Pi hit the nets for two points, pushing the exciting game into three overtimes. In the third and final overtime, PEP succeeded in netting the winning two points. The final score 23-21. Greenberg, Epstein, and Cvaniga were the top scorers for PEP, and Cheek and Hines with six points

apiece led the KA's scoring bracket.

SAM Wins

In a hard fought game which found Delta Sigma Phi way on top at the end of the first half, Sigma Alpha Mu battled their way out of a tight one to win by a score of 30-20. Delta Sigma Phi provided the high scorer of the game in Saville, who cut the nets for ten points, followed closely by Rhea, with eight. SAM was led by Soling, Sontag, and Maclaire.

Sigma Nu copped both of their games this week. Winning by 43-19, they defeated their first opponent of the week. Buckman, Sigma Nu's scoring ace, hit for 13 points. He was closely supported by Cotten and Joyner, who hit for five points apiece. Moffitt led the opposing team, Delta Sigma Phi, with a total of ten.

In the Sigma Nu's second game, Sigma Alpha Epsilon fell by a score of 29-12. Thurman and Webster piloted the SAE team, while Buckman, Croxson, and Cotten vied for scoring honors for Sigma Nu.

Owen Downs Bagwell
Overcoming a deficit in the first quarter, Owen No. 2 downed Bagwell No. 2 29-21. Bagwell led after the first quarter, but Owen outscored them the rest of the game to win by 8 points. Campbell led the Bagwell forces with ten points.

Becton Stomps Turlington
Becton No. 1 continues to be one of the hottest teams in the league by handing Turlington No. 1 a decisive defeat 32-16. Becton jumped off to a fast start and never gave it up, pouring on all the time. The scoring was divided among White with 8 points, Harrell 7, and Floyd 6. Becton is undefeated so far in their section and looks like a good bet to be in the playoffs from their section.

Sigma Phi Epsilon downed Sigma Alpha Mu by 20-13, in SAE's second game of the week. Rogers with seven and James with five, provided SPE with the scoring punch for the game, while SAM was led by Soling.

Tau Kappa Epsilon rolled over Pi Kappa Phi by a score of 38-9. Leading the TKE's were Phelps and Mills with nine points apiece. Goldner sparked the Pi Kappa Phi team with four points.

Lambda Chi fell before Pi Kappa Alpha early in the week. The big contributors for the PIKA's 25 points were Lassitter with ten and Ward with five. Holmwood cut the nets for 6 of Lambda Chi's 12 points.

Cocke, Keeley, and Loflin led Sigma Chi to a 40-13 victory over Theta Chi. Sharpe led the Theta Chi's with a total of six points.

Kappa Sigma dropped before the onslaught of Alpha Gamma Rho by a score of 29-23. Casler, Thackston, and Mann starred for Kappa Sigma, while Garmon led the games scoring column with nine points for AGR.

State Musical Groups To Observe Holiday

The State College Glee Club, Symphony Orchestra and Bands have accepted an invitation to participate in a Choir Festival with other college glee clubs and church choirs as an opening feature of Raleigh's observance of National Music Week under the sponsorship of the Raleigh Music Club in celebration of its twenty-fifth anniversary. Christian Kutschinski, director of the State College musical organizations has been informed that initial response from the other college groups and church choirs in Raleigh and other communities is most enthusiastic and forecasts a tremendous experience for all who will participate, and for the audience which is expected to fill the Memorial Auditorium.

There will be only one brief rehearsal of the massed choirs and instrumental groups preceding the concert, so the music will have to be well rehearsed by the individual groups for several weeks.

All State College students who wish to participate in the chorus are to report to Glee Club practice

Monday and Wednesday night at 7 o'clock in Pullen Hall, when further details will be announced, and a check-up made on the amount of additional music to be ordered without delay.

There will be no Glee Club or orchestra rehearsal next Tuesday. The Glee Club will meet Monday and Wednesday at 7:00 in Pullen Hall, the Orchestra Wednesday at 8:00 p.m. in Pullen Hall, and the Band Monday at 4:15 and Thursday at 7:00 p.m. (in gymnasium) when details for these organizations will be announced.

Education Seniors

There will be a meeting of all seniors in the School of Education at noon on Thursday, February 21, to appoint a class representative to the Campus Government.

The meeting will be held in Room 114 Tompkins Hall and all seniors are requested to attend.

WC Sponsors Dance

The annual Square Dance Festival sponsored by the Promenaders Club will be held at the Woman's College in Greensboro on Feb. 16, at 8:00 p.m. This will be the first event to take place in the new Colemaw Gymnasium.

The program will include demonstrations presented by dance groups from Meredith College, Appalachian State Teachers College, Duke University, and the Woman's College. There will also be representatives from Coker and Wofford Colleges, South Carolina, Catawba College, North Carolina and probably the University of North Carolina.

The public is cordially invited.

The highest point on the North American continent is Mt. McKinley, Alaska, at 20,300 feet.
