

Carmichael Opines Mop-Up Sales Legal

Consolidated University Controller W. D. Carmichael, Jr. denied Thursday afternoon that it is illegal for the Student Supply Stores to sell certain items of merchandise. This right was questioned by Raleigh merchants Thursday and the Raleigh Merchants Bureau announced that it would present the matter to the Board of Trustees of the Consolidated University today.

The merchants maintained that the sale of such items as jewelry, china and electric appliances in the Stores violates a law enacted by the 1951 General Assembly. The law states that the Consolidated University cannot enter into the sale of items which are not "articles of merchandise incident to classroom work, meals, books, or . . . articles of merchandise not exceeding 25 cents in value . . ."

In reply to the charge of illegal sales University Controller W. D. Carmichael, Jr., stated the law did not apply to the Supply Stores. He stated that the law excluded the Coliseum at State and the Carolina Inn at Chapel Hill by name, and

Further Details

The Technician regrets that it could not carry further details on the settlement of the Student Supply Stores petition and on today's meeting of the Board of Trustees. However, all details available up until noon today are printed in this edition.

Watch next week's Technician for final details.

alma mater

The keyword of 1952 so far is without a doubt, progress. Never before has the campus witnessed such a chain of events as are at present occurring. Most notable is of course, the Mop-Up story, but very close behind in importance ranks the revised constitution of the Greater University Student Council.

On Saturday, February 23, Greater University Day was held here at State College. In the morning, preceding the festivities, a group of students met and discussed and passed a revised constitution for the Greater University in reference to its students.

Simply stated, there has been a substitution of two words—instead of "greater university" it now reads "consolidated university" and herein lies the essence. For the word "consolidation" carries with it a true, firm bonding of parties, and this is the worthy aim of the GUSC. The aim of the organization has been raised from one primarily social, and static to one primarily political and dynamic.

This body is now empowered to decide upon legislation concerning all three campuses comprising the Consolidated University. However, it is of course natural that the final say on such legislation lies in the student governing body on the campus in question.

In the revision of the constitution, there has been an executive body provided for, and this group will maintain close contact with administrative officials and thus all students will be assured of a voice in affairs. This board will consist of two representatives from each campus, including the president of the student body or comparable position.

There can be little doubt that this new constitution will go a long way toward physical consolidation of the three campuses, and there can be little doubt that the closer we come to achieving this consolidation, the nearer the students will come to the success of self-government.

was not intended to include the Stores.

He quoted the law as stating that it "shall not apply to . . . the Greater University of North Carolina with regard to its utilities and other services now operated by it." Either this passage or the following would exclude the Stores, Carmichael said: The law "shall not prohibit . . . The business operation of endowment funds established for the purpose of producing income for educational purposes.

CG Opens Discussion On Two Constitutions

Campus Government members met on Thursday noon for their regular weekly session which had been moved to prevent a conflict with an address by Senator Clyde R. Hoey. Two new constitutions were brought before the student legislators. One for this institution, and one for the Consolidated University.

Waving parliamentary procedure, Campus Government President Buck Pruden read the entire new Constitution for the Consolidated University of North Carolina and then opened the floor for discussion. In the revision of the constitution, there has been an executive body provided for, and this group will maintain close contact with administrative officials and thus all students will be assured of a voice in affairs. This board will consist of two representatives from each campus, including the president of the student body or comparable position.

Textile man George Payette initiated a motion that action on the constitution be postponed until the beginning of the spring term. Because of protracted discussion on the Student Supply Stores petition the Campus Government constitution did not reach the floor.

CU Group Protests Clark Interference With Rights

A resolution unanimously adopted by the Student Council of the Consolidated University Saturday protested the suppression of free expression of student opinion and called for the publication of information concerning the use of student funds. The resolution was presented to the Board of Trustees of the Consolidated University today.

Howard Wells, vice-president of the YMCA, prepared the resolution for the Student Council and presented it to the Board of Trustees today. The resolution was allowed a place on the agenda for today's meeting after Wells presented it to Governor Kerr Scott on Monday.

The resolution reads: "Whereas: A. Certain alumni and/or Trustees of the Consolidated University of North Carolina, and others, have attempted to influence student opinion through outside pressure and by a direct request to college administrators, and

"Whereas: B. An atmosphere of secrecy has continuously surrounded the handling of certain college funds, therefore, be it resolved that the Student Council of the Consolidated University of North Carolina requests

"Article I: That the Board of Trustees of the Consolidated University of North Carolina take steps to prevent the recurrence of further attempts to suppress the free expression of student opinion, and

"Article II: That the Board of Trustees require the publication of all information concerning the disbursements of student funds, including the profits of all state-controlled businesses patronized by students."

The second article of the resolution refers to recent demands to open the books of the Student Supply Stores on the State campus to

BULLETIN

Board Of Trustees Censures John Clark

At a tense meeting of the 103-member Consolidated University Board of Trustees, held in the hall of the House today, a resolution was passed censuring John Clark. The resolution placed Clark in the position of acting only as an individual citizen in his recent battle with student publications and organizations at W.C. and U.N.C.

Clark, who was first to speak at today's session delivered an 18-point tirade objecting to "the rotten fringe" in and around the University. He referred to recent statements concerning segregation and racial matters.

Consolidated University President Gordon Gray replied with a calm statement four times interrupted by the irate Mr. Clark. Gray asserted his faith in the necessary freedoms of the Board of Trustees, the student bodies, the faculties, and the citizens regarding knowledge of University affairs. Making reference to the recent demand of

New Student Advisory Groups Created \$40,000 Set For Projects After Talks

University Controller W. D. Carmichael announced Thursday that he would ask the Board of Trustees to appoint a committee today to investigate all questions concerning supply stores owned by the Consolidated University. A special session of Campus Government Thursday night endorsed Carmichael's suggestion and allowed that the Student Supply Stores petition could be decided by the Trustees' committee.

Also approved by the Council were the results of three days of bargaining sessions between student leaders and University financial officials. Their agreement calls for at least \$40,000 to be spent immediately on "cultural, recreational and social" projects. It also gives students a voice in Student Supply Stores affairs and creates a student agency to determine future projects to be undertaken to benefit the student body.

The sessions between Consolidated University Comptroller W. D. Carmichael, Jr., Assistant Comptroller J. G. Vann and a group of students led by C. G. President George Pruden resulted from the student petition to gain all net profits of the Student Supply Stores. The sessions were characterized by the willingness of Administration officials and student leaders to work out their differences and to establish their common goals at the conference table. One participant stated that the meetings were more important because they represented actual "communication and free expression" between University heads and students than because they solved an immediate problem. The first meeting was called at the request of Comptroller Carmichael.

Projects totaling \$40,000 advocated by the students will all be in progress by July 1. These will be financed out of the surplus fund from the Supply Stores profits unless they can be financed from other sources. One basis of Wednesday's agreement was the concession of the students that some of the projects they advocated could con-

Hershey Gives New Dates For Draft Quiz

Major General Lewis B. Hershey, Director of Selective Service, today reminded the 100,000 college students expected to take the next draft quiz that applications for the April 24 Selective Service Qualification Test must be postmarked not later than midnight March 10.

The deadline is necessary to allow the administrators of the test time to process the applications and assign each applicant to the testing center requested by the student—or to the closest possible alternative center—also to make administration arrangements consistent with the number who will take the test. There are more than 1,000 testing centers throughout the United States and its Territories.

National Headquarters estimates that upward to 100,000 will make application to take the April 24 test. This will be the last test given during the current academic year.

Application blanks may be obtained by students from the nearest local board. They do not have to return home to the local board which has jurisdiction over them.

To be eligible to take the Selective Service Qualification Test, an applicant, on the testing date (1) must be a selective service registrant who intends to request deferment as a student; (2) must be satisfactorily pursuing a full-time college course—undergraduate or graduate—leading to a degree; (3) must not previously have taken the test.

National Headquarters said that recently completed statistics reveal that 61.3 per cent of the 19,571 students who took the December 13, 1951 test made a score of 70 or better. Of the approximately 340, (Continued on Page 2)

Carnival Assures Both Fun, Revenge on Profs

Your favorite professor may be manning one of the twenty or more booths to be set up in Frank Thompson Gymnasium on Carnival Night, Friday Feb. 29 from 7:30 to 10:30 p.m. The affair, sponsored by the college union social committee will feature a number of games and chances at which every student is invited to try his skill.

Thirty-two events manned by 30 faculty members with the assistance of students will make up the carnival attractions. Numbered among the faculty are such prominent people as Major R. Brake of the Military Department, W. K. "Red" Wynn, of the English Department, K. L. Barkley of the Psychology Department and J. W. Shirley, Dean of the Basic Division.

The revenue from the carnival will be turned over to the Campus Government to be used to buy books or help pay the tuition for students who need financial assistance.

The union social committee urges everyone to attend, with a date if possible.

MOP-UP SETTLEMENT—

(Continued from Page 1)

ceivably be financed as permanent college improvements.

Assurance that the program of projects benefiting the student body would be continued through the years was won in the agreement to create a "Student Development Council" similar to the group in charge of long range development for the college. The "Student Development Council" will determine necessary projects and will confer with University financial officials on methods of financing the projects.

The creation of a "Board of Advisors for the College Supply Stores" is intended to give students a voice in the operational policies of the Stores. Representatives on the board are to come from Campus Government, the Interfraternity Council, the Interdormitory Council, the Publications Board and the College Union.

On the basis of Tuesday's discussion the students presented Carmichael and Vann with six reports on Wednesday. These reports called for \$8,000 to renovate a room in the YMCA for use as a chapel, and annual grants for the following activities: musical organizations, \$2,000; student forums and dramatics, \$1,200; debate, \$600; library fund, \$750. A report from Dormitory Director J. J. Stewart called for \$29,000 to establish recreation and social rooms in the dormitories. Other projects were outlined in the recent "White Paper" and in the 1951 report of the "Committee on Use of College Facilities" which suggested the establishment of new intramural facilities. These projects will be begun according to a priority schedule to be determined by Campus Government.

Tuesday's meeting was attended by Carmichael, Vann and Assistant Dean Banks Talley representing the University. Students were represented by Pruden, Vince Outland, Dick Pitts, Bill Patterson, John Dinan, Dave Marrus and Paul Foght. The line-ups for the second day's sessions remained about the same except for the addition of Bill Friday, assistant to Gordon Gray, Jack McCormick and Monroe Brettlar.

63 per cent made a score of 70 or better.

The criteria for consideration for deferment as a student at the present time is either a score of 70 or better on the Selective Service College Qualification Test or class standing among the male members in the upper half of the freshman class, upper two-thirds of the sophomore class or upper three-fourths of the junior class. Seniors accepted for admission to a graduate school satisfy the criteria if they are among the upper half of the male members of their senior class, or they make a score of 75 or better.

Students already enrolled in graduate schools may be considered for deferment so long as they remain in good standing.

These criteria are guides for the local boards. The local boards are under no compulsion to follow them, but any local board classification is subject to appeal. The appeal must be filed in writing with the local board within 10 days of the date the local board mails the notice of classification.

Many students have been confused in differentiating between the I-S and II-S deferments. The II-S deferment is considered on the basis of class standing or qualification test and is discretionary on

the part of the local board. It may be granted by the local board each successive year, thus enabling students who continue to meet the criteria to complete their education.

HOEY ADDRESS—

(Continued from Page 1)

the consequent removal of all extravagance.

The Congress, he explained, made a sharpe cut in the number of Federal employees from the end of World War II when there were 3,655,000 on the government payroll to the beginning of the Korea conflict in June, 1950, when the number had been slashed to slightly less than 2,000,000. Since the

Korean outbreak, he said, the number of Federal employees has increased to 2,500,000.

Adoption of 32 recommendations of the Hoover Commission, the Senator said, has meant a saving of about \$30,000,000.

Senator Hoey, who currently has attracted national attention as chairman of the Senate Investigations Subcommittee, said the nation "must correct and clean-up all

wrongdoing but must not get the idea that everything in government is corrupt."

He expressed the conviction that the people of the nation will get "a disjointed idea of Washington" from reading the papers and said some Americans already believe that Washington is "a regular Sodom and Gomorrah." Such "a disjointed" label, he said, is misleading for the national capital.

Be Happy-Go LUCKY!

In a cigarette, taste
makes the difference—
and Luckies taste better!

The difference between "just smoking" and really enjoying your smoke is the *taste* of a cigarette. You can *taste* the difference in the smoother, mellower, more enjoyable taste of a Lucky . . . for two important reasons. First, L.S./M.F.T.—Lucky Strike means fine tobacco . . . fine, mild tobacco that tastes better. Second, Luckies are made to taste better . . . proved best-made of all five principal brands. So reach for a Lucky. Enjoy the cigarette that *tastes better!* Be Happy—Go Lucky! Buy a carton today!

L.S./M.F.T.-Lucky Strike
Means Fine Tobacco

Though cigarettes may look alike,
They're really not the same.
There's all the rest—but one that's best,
And Lucky Strike's its name!

George W. Martin, Jr.
University of Virginia.

I've started smoking Lucky Strikes—
They are undoubtedly
The world's best-tasting cigarettes.
Just try one and you'll see!

Dorms Hold Party

Students of Syme, Gold, Welch and Fourth attended a party Thursday night, February 21, 1952 in the Y.M.C.A. Auditorium. Master of ceremonies was Donal Regan, social director of the named dorms.

To begin the party, Jim Smith showed a movie of the basketball game between N. C. State and Eastern Kentucky which was played on December 15, 1951. Following

the movie, a musical program was presented by Bill Covington, Donnie Dutton, Don Regan, and Johnny Reeves. Refreshments were served by Mrs. Paul Derr of Raleigh. Attending were 58 students and Mr. Jerry Erdahl, director of Student Union.

Clemson College was able to score only 21 points against the Wolfpack in a game played during the 1946-47 season. The game score was State 69-Clemson 21.

Navy, Air Force Seek New Brass

Both the Air Force and the Navy are now looking for college graduates interested in becoming commissioned officers. The Navy is seeking 1,300 college graduates for its officer training program while the Air Force seeks an unspecified number of seniors and graduates for its Air Weather Service.

College graduates and second-semester seniors with credit for one year of college physics and mathematics through integral calculus are now eligible to apply for USAF commissions and government-expense training to become weather officers with the USAF Air Weather Service.

Successful applicants will be commissioned as second lieutenants in the Air Force Reserve and ordered to active duty by mid-August 1952 to begin a 12-month meteorology course at one of seven participating U. S. colleges and universities.

Interested young men and women who will graduate before August of this year are urged to write immediately to the Chief, Air Weather Service, Andrews Air Force Base, Washington 25, D. C., for application forms and detailed instructions for applying for a USAF commission and meteorology training.

Selection will be made on a best-qualified basis and, since several months will be required to process

applications for the 1952-53 program, interested men and women are advised to apply at once.

Graduates who are accepted for the USAF-sponsored training program will be commissioned immediately and will attend the weather course as second lieutenants in a full pay status, including allowances for quarters and subsistence.

During their initial tour after training, new weather officers will be assigned as forecasters in Air Weather Service weather stations. The Air Weather Service is a global meteorological system in 26 countries which provides specialized weather service for the Air Force and Army wherever USAF and Army units may be found.

Thirteen hundred college graduates alert for a good use for their special training and abilities are going through an intensive Navy officer training program at Newport, R. I. this winter.

Two courses of instruction are offered at the school. One, for graduates with higher training in electronics, economics, architecture, and the various fields of engineering, takes only two months to indoctrinate students for commissions as specialists. After graduation, the new officers fan out to bases all over the country for at least two more months' additional training in their specialties.

The great majority of officer candidates, however, train four months for commissions as ensigns in the "general line," receiving instruction in all the basic sea-going skills; navigation, seamanship, gunnery, communications, marine engineering and damage control. Nearly all the graduates of the longer course are given sea duty assignments following graduation and a ten day leave.

To date, the school has been able to grant over 90 per cent of the

Service Fraternity Begins Erection Of Bulletin Boards

The local chapter of Alpha Phi Omega, national service fraternity, will begin putting up special bulletin boards in all classroom buildings today. This announcement was made by Willis Overby, president, who said that the boards would have standard appearance though vary in size according to the different space limitations in the various buildings.

The bulletin boards will be used only to display official college announcements such as the Blue Bulletins, rent notices, and College Union announcements such as the official calendar.

The need for this standard method of supplying information had been pointed up earlier in the "White Paper" which made a survey of various college shortcomings. The boards, to bear the title "College Community Events," will be taken care of by volunteers in all the affected buildings.

general line officers duty aboard the type ship of their choice. So far, destroyers have been by far the most popular selection.

A firm grasp of the fundamentals of mathematics is helpful at the Newport school, but an easy familiarity with higher mathematics is far from necessary. Only recently the Navy abandoned a policy requiring high school or college trigonometry courses of all applicants.

While undergoing training, all officer candidates are in an enlisted status. Those coming straight from civilian life, as two-thirds of them do, receive the rate OCSR (Officer Candidate, Seaman Recruit).

College Men! CHOOSE A CAREER in the U.S. Air Force

Aviation Cadet Program Offers Special Opportunities for Collegians Now Preparing for Military Service

Here is a real man-size opportunity! You can choose—immediately—between being a Pilot or Aircraft Observer in America's swiftly-expanding Air Force. The Air Force encourages candidates to stay in school and graduate. However, seniors and students with two years or more of college who anticipate early entrance into military service can insure their future and serve their country best by applying for Aviation Cadet Training today. You receive the finest training and experience when you fly with the U. S. Air Force—experience that pays off in later years.

WHO MAY APPLY

- AGE—Between 19 and 26½ years.
- EDUCATION—At least two years of college.
- MARITAL STATUS—Single.
- PHYSICAL CONDITION—Good, especially eyes, ears, heart, and teeth.

HOW TO QUALIFY

1. Take transcript of college credits and copy of birth certificate to your nearest Air Force Base or Recruiting Station.

2. Appear for physical examination at your nearest Air Base at Government expense.

3. Accomplish Flying Aptitude Tests and enlist for two years only!

4. The Selective Service Act awards you a four-month deferment while awaiting class assignment.

5. Immediate assignment to Aviation Cadet Training Classes starting May 27, July 19, August 19 and October 2, 1952.

6. Attend Aviation Cadet Training School for one year—either as Pilot or Aircraft Observer. Get \$105 monthly plus food, housing, uniforms, and other benefits.

7. Graduate and win your wings! Commissioned as a second lieutenant, you begin earning \$5,000 a year. In addition, you receive \$250 uniform allowance and a 30-day leave with pay.

WHERE To Get More Details

Visit your nearest U. S. Air Force Base or U. S. Army—U. S. Air Force Recruiting Station or write direct to Aviation Cadet, Headquarters, U. S. Air Force, Washington 25, D. C.

PHILLIPS-JONES CORP., NEW YORK 1, N. Y.

A Guiding Hand

Sticks And Stones

As far back as the case of Peter Zenger in 1735, the right of free speech has been a vital issue in the development of our country. And yet, as civilized as we are today, a very real and great threat to this freedom of speech still exists.

Just a scant year ago this threat became ugly reality in the silencing of the presses of La Prensa in Argentina. But, this "silencing" by Dictator Peron went a long way in proving that there is not a man today, nor a political group or organization, who by the simple process of banning a newspaper could ever hope to halt the flow of free speech no less bend it to conform with his ideologies.

Just a scant three weeks ago, this threat again became ugly reality in the presentation of a petition to the Chancellor of this college, requesting the castigation of the editor and several members of the staff of this newspaper. Like Juan Peron, the group which signed the petition, feel that free speech is a fine thing as long as there is some restraint placed on it.

IDC Progress

Last Wednesday a young freshman left the campus at the request of the Faculty Council and his dormitory mates when he admitted to owning firecrackers.

The sound of exploding firecrackers is, unfortunately, just about as common as the sound of the bells in Memorial Tower. Unfortunately too, is the fact that such explosions are not only disturbing but illegal.

Suspension from school may seem severe punishment for merely possessing a firecracker, but in this instance the punishment was demanded by the dormitory residents whose eardrums had recently suffered from innumerable explosions.

This incident brings to light the need of the Inter-Dormitory Council for powers which will enable it to maintain a code of decent living in the dormitories. Dormitory

residents should have an authority of their own to control their dormitory society. Such authority could be given to the IDC in the present rewriting of the Campus Government constitution. The By-Laws of the Campus Government could be altered to create an Honor Court of the Inter-Dormitory Council with the authority to maintain order and to promote considerate manners in the dormitories.

However, in the case of Peron, there exists a rather complete state of dictatorship and so the choice was made for La Prensa. But in the case of The Technician, there is no such existing state, and so it will remain the policies and aims of this newspaper to say what it wishes within the bounds of decency and responsibility.

The members of this staff refuse to be intimidated by a group of men who, in making charges, do not even attempt to refute the charges made by this newspaper about Dr. Fisher. This void leads us to believe that the group realizes that there can be no compromise with truth.

The Technician stands ready to make available reasonable space so that the Charlotte group may present its side of the picture through the same medium that the students used. The Technician feels that in such action it will be upholding the truest traditions of free speech. There can be no defense against hollow charges. And indeed, there need be no defense.

The Inter-Dormitory Council is now ready to take on such authority. At the start the IDC was established only to give students a voice in the administration of the dorms, then it took over portions of the college intramural and social program. It has grown in stature until it now stands ready to represent the administration of campus justice in the dormitories.

PENNED OPINIONS—

Student and Alumnus

The following letter was written to the authors of the recent petition against the Technician Editor. The author, a junior in Textiles, sent a copy to the Technician.

Dear Friend,

I just wonder what you "high and mighty" men from Mecklenburg County mean by the petition you wrote? Just how do you want the editor of the Technician punished? Do you want us to "tar and feather" him, or just what?

When a person stands up for his rights and really believes something, I see no wrong in his preaching it, although he might be wrong. I think this is still a free country, even at State College, and I see no reason for you trying to change it. Maybe Foght is wrong, but he has not committed a crime for stating his beliefs—especially when he does so with intentions of helping others. If Foght is wrong, I'm sure he would admit it after viewing convincing facts showing him of his mistakes. Why don't you send these facts to Chancellor Harrelson instead of a petition demanding punishment? Maybe Foght shouldn't be the editor, but he was elected by the students, and I believe the students and only the students should be the ones to remove him, if they see fit.

The members of the faculty are here to help educate the students. If it is believed that one of these faculty members falls down on his job, why shouldn't the students say something about it? Of course you said that the students at State College are going through school helped by charity, so I suppose that makes us peasants. Well, my Father is having to pay a few dollars here and there to help me along, as are the other student's parents, and I believe we should have some say in matters like this. I also believe that most of our parents are required to pay State taxes that might be considered part of our charity. Does that still make us such lowly peasants?

I'm glad to know that you men are interested in State College, because it is your school as much as anybody's, but I'm afraid that your ideas of how the school should be run are not quite up to date or democratic. What kind of country would this be if the students took

orders and never had a chance to offer their voice in anything? The students are to be helped in college, not told. Why isn't the faculty a concern of the students??? It's more of the students' concern than anybody.

It's very amusing how you asked for the home addresses of the staff members of the Technician. I suppose you will write their parents and tell them what bad boys they are, and how they should be horse whipped and put in jail. Well, I'm just glad that you don't run the school, because there aren't many people who want that kind of charity.

Frank H. Dunagan

To the Editor,

I wish to take this opportunity to commend and congratulate you and the President of the student body, Mr. Pruden, in your efforts to successfully bring to light the way in which the profits from the "Mop-Up" are being handled.

I took my degree from N. C. State in two parts. I was there in '36 and '37 and went back and finished under the "G.I." Bill in '49 and '50. During both stays at State the students did not feel that the Student Supply Store was being operated in the best interest of the students.

I think the fact that the audits in connection with the operation of the store and the contract under which it is operated were brought to light is considerable reward for the effort which you have put forth. I hope you will be able to obtain more of the profits from the operation of the Student Supply Store for projects on the campus which will benefit all the students.

J. B. McLeod
Class 1950

In the shower world it's curtains for everybody except the occupants of third floor Berry. The day after registration the newly erected curtain disappeared from the shower room, much to the agitation of the Berrymen. Its return would be greatly appreciated by those users of the other bathroom facilities who risk a drenching every time someone attempts to take a shower.

SHARPS and FLATS

Jimmie Capps, known to most college students in the Carolinas and Virginia as host for the popular evening record program, "Our Best To You," has scored a unique triumph in the disc-jockey-record world.

The WPTF record authority has created such a demand for a classical recording by Benimino Gigli, "Nessun Dorma" (None Shall Sleep), that RCA Victor transferred the selection from a London recording to a domestic Victor Label.

It started one evening when Capps played the piece on his "Our Best To You" program. He had seen the record in a Raleigh record shop—the only shop in this area to carry it—played it, liked it, and scheduled it for his program. The

record dealer, with just a sample supply on hand, quickly sold out. He re-ordered the expensive London recording, once again he sold out.

Regional RCA distributors heard about the sales and on the basis of the job done by Capps, persuaded RCA Victor to cut the selection on a domestic label. Now "Nessun Dorma" is scheduled for release late this month.

Capps reports that the recording is in demand among a universal audience, not solely among the usual classic lovers. Those that go for jazz and popular music are buying this classical piece as fast as any other group.

So Jimmie Capps and "Our Best To You" have proved that opera and classical selections have their place on the disc jockey program.

Schedule of Final Examinations, Winter Term, 1951-52

Classes having their first weekly recitation on:

Monday	8 o'clock	8 to 11 o'clock—Tuesday, March 11
Monday	3 o'clock	12 to 3 o'clock—Tuesday, March 11
Monday	9 o'clock	3 to 6 o'clock—Tuesday, March 11
Tuesday	11 o'clock	8 to 11 o'clock—Wednesday, March 12
Monday	2 o'clock	12 to 3 o'clock—Wednesday, March 12
Monday	11 o'clock	3 to 6 o'clock—Wednesday, March 12
Tuesday	8 o'clock	8 to 11 o'clock—Thursday, March 13
Monday	1 o'clock	12 to 3 o'clock—Thursday, March 13
Monday	10 o'clock	3 to 6 o'clock—Thursday, March 13
Tuesday	9 o'clock	8 to 11 o'clock—Friday, March 14
Tuesday	2 o'clock	12 to 3 o'clock—Friday, March 14
Tuesday	10 o'clock	3 to 6 o'clock—Friday, March 14
Tuesday	3 o'clock	8 to 11 o'clock—Saturday, March 15

Will take examinations on:

Arranged Examinations	12 to 3 o'clock—Saturday, March 15
Arranged Examinations	3 to 6 o'clock—Saturday, March 15

- Examinations will begin Tuesday morning, March 11, at 8:00 a.m.
- No examination will be scheduled or held by any member of the faculty before Tuesday morning, March 11.
- Examinations will be held only between the hours indicated.
- The examinations will be held in the rooms where classes recite.
- Courses having both recitation and laboratory hours should use the class hours for determining when the examination will be given.
- In the schedule the term "Monday" applies to classes having their first meeting of the week on Monday, Wednesday, or Friday; the term "Tuesday" applies to classes having their first meeting of the week on Tuesday, Thursday, or Saturday (i.e., a class holding its first meeting of the week on Wednesday at 10 o'clock will take the examination as a Monday 10 o'clock class provided no student in the group has a regular class on Monday at that hour. If so, the examination will be an "arranged" examination).
- The examination for any class not covered by this examination schedule may be arranged at the convenience of the teacher and students sometime during the examination week.
- Final examinations must be given on all courses. Any exceptions must be approved by the Dean or Director of Instruction.
- All examinations will be given in accordance with this schedule.

Reunions In May

The annual meetings of the North Carolina State College General Alumni Association will be held on the college campus Friday and Saturday, May 1 and 2.

G. Sam Rowe of Newton, president of the association, and H. W. (Pop) Taylor of Raleigh, the association's executive director, said here today that a wide range of programs will be presented during the two-day period.

The Class of 1902 will observe its golden anniversary, and the Class of 1927 will hold its silver anniversary. The Old-Timers from the Class of 1893 through the Class of 1901 meet each year.

All departments of the college will hold "open house" for the alumni on Saturday, May 2. There will also be a special program for the ladies, the annual Livestock Day exercises at the college farm, the annual alumni luncheon in the

W. C. Deputation

The State College Baptist Student Union will be host to the W.C. B.S.U. on Saturday, March 8. The boys will assemble in front of Pullen Hall at 2:30 p.m. Saturday afternoon to welcome the girls. Later the group will go to the State College B.S.U. camp for supper. The evening's activities will include a worship service and a party.

Those who are interested in attending may do so by contacting any B.S.U. Council member, or Bob Dasater in the B.S.U. office in the balcony of Pullen Hall before March 6. There will be a charge of 50c for supper.

college dining hall, and a baseball game between State College and another member of the Big Four.

Thousands of the former students of the institution are expected to attend the various events in the program, according to Rowe and Taylor.

With The Greeks

The Kappa Sig's are finding it extremely cool this week as they struggle with a pot bellied stove in their living room. Their furnace succumbed last week with an acute case of something and passed into the realm where all good, old furnaces go. A substitute was quickly found, but the small amount of heat that it generates fails to bring the Kappa Sig house out of the freezer locker class. Latest reports, indicate many frost-bite cases.

Three fraternities held their yearly elections this week and their new slates of officers have been completed. Lambda Chi Alpha reports, Guy Carrow, President; McDuffie Clark, Vice President; Grayden Moulthrop, Secretary; Quentin Malmquist, Treasurer; Joe Derroe, Rushing Chairman; Charles R. Reed, Steward; James Brake, Athletic Manager; and Dr. R. C. Bullock, Faculty Advisor.

The new officers for Sigma Alpha Mu include: Stewart Mintzer, President; Frank Soling, Secretary; Marty Kallman, Treasurer; and Jules Lavner, Steward. Sigma Alpha Mu is planning ahead for the Junior-Senior Dance. Preparations are underway for a large New York Party for that weekend, with the house and furnishings decorated along that theme.

Theta Chi Officers

The new slate of officers for

Theta Chi will consist of: Jim Thompson, President; John Porter, Vice President; Boyd Sharp, Treasurer; Joe Moore, Secretary; and Louis Hales, Marshal. Phi Kappa Tau and Theta Chi are both planning after the game parties following the State game tomorrow night.

Sigma Phi is proudly displaying a new television set in their house. The new addition arrived last week and rumors have it that it hasn't been turned off since its arrival. There are now three or four fraternities on the campus which sport TV sets.

Sigma Phi Epsilon will hold an afternoon "Open House" tomorrow for the parents of the brothers and pledges. A buffet supper will follow, after which the group will adjourn to the Saturday night basketball game with the University of Cincinnati.

Sigma Alpha Epsilon reports that Walt Schacht, president of the Monogram Club, has been named to the SAE All-American Football Team. He was selected on the first team offensive and defensive. Honorable Mention was awarded to Ted Potts.

The Sigma Alpha Epsilon Pledge Class presented the chapter with a new trophy case. The Outstanding Pledge Award was presented to Joe Hester.

Views and Previews

By JOE BENNETT, Sports Editor

The Wolfpack made it fifteen in a row over Carolina's "basketball team" last Saturday night. The game was close for a little over a quarter, but then the men took over, and the boys just didn't have it.

Fifteen in a row. Tom Scott must have had a lot of sleepless nights in the past six years thinking about them. Of course the first couple years weren't so bad, but fifteen in a row!

Case and Scott both took over the job as head basketball coach at their respective institutions in 1946. Scott moved into the spot just vacated by Ben Carnevale, present Navy coach, who had left him the NCAA runner-ups; while Case moved into West Raleigh to a condemned gymnasium and nothing much else.

It was quite an upset at Chapel Hill on February 2, 1947, when State beat the White Phantoms 48-46 in an overtime, but everybody thought it was a mistake and next time would find Carolina romping over State as usual. But that was only the beginning.

State, with such stars as Pete Negley, Dick Dickey, Paul Horvath, Vic Bubas, Leo Katkaveck, Sam Ranzino, and others, kept the string going.

There have been several times when it was almost ended. On January 23, 1950, Carolina held a 50-41 lead with 10 minutes to play, only to lose 61-57 as State's press stopped the Tar Heels. The closest call came just last month at Chapel Hill as the Tar Heels held an 11 point lead early in the fourth period, but Case came up with the right combination from the State bench, and the Pack rallied to tie the score at 53-53 at the end of the game and went on to win 58-53 in the overtime period as Carolina failed to score.

Up until this game the Tar Heels were very much in contention for a berth in the Southern Conference Tournament, but after this loss they seemed to lose something else too, for they went on a losing streak that knocked them out of the tournament for the second year in a row. Scott explained the Tar Heels' situation by stating that may be "basketball happy" and "mentally and physically stale." These were the understatements of the month.

The latest win came on Saturday night. Fifteen in a row! I don't see any relief in the future. Buck up, Coach. They always say the first fifteen are the hardest.

The Daily Tar Heel has chosen Carolina's 300-yard medley relay team as the Athlete of the Week for its position in "defeating" State in the swimming meet held recently at Chapel Hill. Coach Dick Jamerson says, in the Daily Tar Heel, "They had more to do with winning the State meet than anything else."

What, even more than the judges, coach?

Pack Takes 15th Straight From Carolina Grabs Second Win Over Wake Forest

Indoor Games Begin At Carolina Tomorrow Pack Enters Full Team

By CHARLIE MOORE

The 1952 edition of the Southern Conference Indoor Track Meet will get underway Saturday, March 1, in Carolina's Woollen Gymnasium. Along with the conference meet will be a freshman division, a non-conference division and a scholastic division.

Heading the conference aggregation will be host North Carolina and U. of Maryland. The Tar Heels are last year's champions, but illness of ace Frank Scott will give the edge to Maryland. Duke, who finished second last year, will be a strong contender again this year. Other entrants in the conference division are North Carolina State, V.M.I., Richmond, V.P.L., and Davidson. In the non-conference division, one of the best high jumpers to compete in the indoor games and defending his last year's title, will be J. (Papa) Hall of the University of Florida. Last week Hall won the national AAU title in New York by going up six feet six inches.

North Carolina State will be entering a full team this year with some forty men listed on the program. Defending champion Clyde Garrison will not be running the 2 mile event this year. Instead he will be taking a crack at the mile.

Dick Parker who is last year's 3rd place man in the 60 yard dash, will be out to better his record. In the hurdles, Charlie Moore will be trying for a place in the highs and lows. Broad jumper and high jumper Jerry Splawn will be back along with pole vaulter Dick Feroe. Dick is expected to show up well this season as a sophomore vaulter. Shot putter Sheppard Griswald and distant men Joe Shockley, Eddie Beall, William Sawyer, John Smith and Darrell Winslow will enable the State squad to pick up a few more points than usual.

Coach Tom Fitzgibbon has entered the following men in the indoor meet: 60 yard dash; Dick Parker, George Huffines, Harry James. 70 yard low hurdles; Charlie Moore, John Kennedy, Harold Kendrick, Ludlow Clements. 70 yard high hurdles; Charlie Moore, Richard Feroe, John Kennedy, Harold Kendrick. 440 yard run; Swanger, Joe Gunter, Seahorn, Hargrove. 880 yard run; Garrison, M. Clements, Smith, Miller. 1 mile run; Garrison, Sawyer, Smith, Winslow. 2 mile run; Shockley, Beall, Sawyer. Shot put; Griswald, Gates, Bell, Parolle. High jump; Splawn, Gunter, Evans, Kennedy. Broad jump; Splawn, Gunter, James, Kennedy. Pole Vault; Feroe, Blackard, Evans. 1 mile relay; Seahorn, Gunter, Hargrove, Bondurant.

State Jayvees Defeat High School Tankmen

The State junior varsity swimming team yesterday defeated the Raleigh high school outfit, 41-34. The high schoolers took three firsts. They won the 200-yard relay when State was disqualified because of an illegal start. Larry Ellis finished first in the 100 backstroke and Pat Eldridge won the 100.

The summary:
50: 1, Cost (S); 2, Eldridge (R); 3, Hill (R). 25.7.
100 breaststroke: 1, Deyton (S); 2, Newkirk (S); 3, Eubanks (R). 1:08.9.
200: 1, Veneault (C); 2, Veasey (R); 3, Smith (C). 2:23.5.
100 backstroke: 1, Ellis (R); 2, Sweet (S); 3, Cooper (S). 1:12.3.
100: 1, Eldridge (R); 2, Tweed (S); 3, Peterson (R). 60.9.
150 individual medley: 1, Hull (S); 2, Eubanks (R); 3, Lynch (R). 1:47.5.
Divint: 1, Stenberg (S); 2, Meekins (R); 3, Chambers (R).
150 medley relay: 1, State (Hull, Newkirk, Tweed); 1:30.6.
200 relay: 1, Raleigh (Hill, Bray, Stevenson, Johnson); State disqualified on start.

Cultured Cousins Lose Again 71-52

By BOB PHELPS

For the fifteenth consecutive time the Wolfpack of Coach Everett Case sent Carolina's Tar Heels down to defeat last Saturday night by the score of 71-52.

Close First Quarter

State jumped into a 7-2 lead, but Carolina came back to tie the score at 8-8 with about seven minutes left in the quarter. Then the Tar Heels scored five to run the score to 13-8, but State came back to tie it at 13 all, with 1:30 remaining. Carolina led 18-15 at the end of the quarter.

In the second quarter the score was tied twice, 19-19 and 21-21, but after that it was all State. The score at the end of the half was 34-31 in State's favor.

State had a 31.2 percentage from the floor and 57.6 from the foul line. The Wolfpack led Carolina in rebounds 59 to 34.

Speight Leads

Bobby Speight led the State attack with 20 points, and Mel Thompson was second with 12.

The victory gave State an over all record of 18 and 9 and a southern Conference record of 11 wins in 13 games.

Dave Gotkin got into his first game after being out all season with a broken wrist, and did well considering the short time he has had to practice.

The State scoring:

	G	F	Pf	Tp
Thompson, f	5	2	5	12
Kukov, f	4	0	5	8
Tyler, f	2	3	3	7
Cook, f	0	2	2	2
Speight, c	7	6	5	20
Knapp, c	2	2	3	6
Brandenburg, s	1	1	1	3
Gotkin, g	2	2	6	6
Morris, s	1	0	0	2
Yurin, s	0	0	1	0
Terrill, s	2	1	3	5
Jackmowski, s	0	0	0	0
Totals	26	19	30	71

Score by periods: Carolina 18 13 16 5-52 State 15 19 19 16-71 Free throws missed: Knapp 2, Terrill 2, Gotkin 2, Brandenburg 2, Speight 2, Kukov, Thompson, Tyler.

Deacons Stopped In Last Conference Tilt

The Wolfpack scored their second win of the season over the Demot Deacons of Wake Forest last Tuesday night in the Coliseum. The score this time was 65-51.

Hemrick Stopped

Wake Forest's freshman sensation, Dickie Hemrick, was bottled up so effectively by the State zone that he scored only two field goals and six free throws for a total of 10 points before he fouled out with 8 minutes and 41 seconds left in the game. His first field goal came after four minutes were gone in the second half.

The Deacons managed to tie the score at 45-45 just after the start of the last quarter, but a basket by Bernie Yurin, a free throw by Danny Knapp, and two baskets and two free throws by Captain Lee Terrill showed the score to 54-45 and put the Wolfpack out of danger. This happened in the space of three and a half minutes.

Bench Strong

The State bench proved to be as strong as usual, with Danny Knapp coming in to help hold down one corner of the blanket that was thrown over Hemrick.

High man in the scoring column for the Wolfpack was Lee Terrill with 16 points. Freshman Danny Knapp was a close second with 15.

Bearcats Tomorrow

Tomorrow night the Wolfpack takes on the University of Cincinnati in the Coliseum. Cincinnati edged State for the highest average number of points per game scored last season. The Bearcats had an average of 77.1 and State had a 76.9 average. This was a new national scoring record.

Both teams have had their ups and downs this year, but the game should be an interesting one never the less. The leader in the Bearcat attack is Jim Holstein.

Frat Intramurals

By FRANK GOODE
In the last week of basketball before the beginning of the fraternity finals, eleven hard fought games were played to decide the final four teams to enter the finals. Sigma Alpha Epsilon took both of their games for the week. In the first, they defeated Sigma Phi Epsilon by 26 to 18. The SPE's were led by Rogers with six points. In

the second game the Delta Sig's fell before them by a score of 33 to 17. Saville piloted Delta Sigma Phi, while starring in both of Sigma Alpha Epsilon's games were Harvin and Ferroe.

Alpha Gamma Rho squeezed by the first of their two wins of the week by a score of 20 to 19, as Pi Kappa Alpha dropped a close one to them. Ward and Scull vied for the PIKA's scoring honors while the AGR's were led by James and Haddock. Garman and James led Alpha Gamma Rho to their second win of the week as they defeated Kappa Sigma by 19 to 13. The Kappa Sig's were aided by Casler, with eight points, and Long, with five.

In Pi Kappa Phi's only game of the week they defeated Sigma Pi in a low scoring game that found the score at 14 to 12. Rihelis and Goldner cut the nets for six points apiece for Pi Kappa Phi, and hitting six for the Sigma Pi's was Fuscoe.

Dorm Intramurals

Bagwell Beats Tucker

In the last game of the season for Bagwell No. 1, the boys played their best brand of ball to beat Tucker No. 2, 27-23. Bagwell overcame a lead in the second period, and played deliberate ball throughout the rest of the game to gain their second victory of the season. Fleming was high scorer for Bagwell, and Blackarda and Barnhardt were the defensive leaders.

Bagwell Rumps Over Turlington

In Bagwell No. 2 last game, they completely outclassed the boys from Turlington No. 1, 42-29. Bagwell controlled both backboards and led throughout the game, and the bench was completely cleared. Campbell was high scorer, and Patterson led in defense. This gave Bagwell a record of 2 wins and 4 losses.

Becton Stomps Owen

By jumping into a quick lead, Becton No. 2 outran the Owen No. 2 boys to win their six game in a row, 36-15. White and Johnson of Becton led in the defensive playing and getting most of the rebounds. Johnson led the scoring with 8 points, White had 7, and Dobbins collected 6. This win gave Becton the chance to play in the championship playoffs.

Turlington Edges Berry

Turlington No. 2 froze the ball the last few seconds of the game to edge Berry 22-21, and win their fifth game of the season. Smith and Parker were high scorers for Turlington.

Conference In Final Week Mountaineers Clinch First

The Southern Conference enters its final week of regular season basketball play with five tournament berths sewed up and a wild scramble between four clubs for the three remaining invitations.

Certain entries in the dribble derby at Raleigh, March 6, 7, and 8 are West Virginia, State, Duke, Clemson, and Furman. Teams in the scrap for the other three slots are Maryland, George Washington, William and Mary, and South Carolina.

William and Mary has completed its conference schedule and will sit back this week to see if the other three quintets can finish with a percentage better than its .625. W&M had a golden chance to gain a berth Saturday night but was surprised by the University of Richmond, 80-61. Richmond's triumph assured a berth for Furman, which has also wound up its campaign.

Conference records of the four teams in the running for the three remaining tourney sports:

	W	L	Pct.	Left
Maryland	7	4	.636	3
G. Washington	10	6	.626	2
W. & M.	10	6	.626	0
South Carolina	8	5	.615	2

Two victories each this week by Maryland, George Washington, and South Carolina would knock William and Mary out of next week's tournament which determines the official conference champion.

South Carolina's Gamecocks apparently are in the most dangerous position. In previous meetings with the two teams, the Gamecocks bowed to Wake Forest, 67-58, and whipped the fourth-place Tigers, 71-65.

West Virginia's Mountaineers clinched first place for the regular season Saturday night by tripping Clemson, 80-69. The Mountaineers succeed State's Wolfpack, for five straight years winner of both the regular season's campaign and the tourney title. Playing without 6-foot, 9-inch Mark Workman, the Mountaineers downed the Tigers as Eddie Becker stepped into a starring role and contributed 32 points.

Duke's Blue Devils, with Dick Groat making 40 points, outscored South Carolina, 96-82. Duke's victory, coupled with Clemson's defeat, elevated the Blue Devils into third place in the standings.

True Sportsman

ALLENTOWN, N. Y., Feb. 23—There were only four players on the court in the last 2½ minutes of last night's basketball game between Allentown and Canaseraga High Schools.

Four members of Allentown's six-man squad were called out on personal fouls. Each time the Allentown squad was reduced, Canaseraga Coach Wally McNabb removed one of his players.

Canaseraga won the Allegheny County League contest, 93-72.

'Cats Leading Coaches' Poll

NEW YORK, Feb. 25—Kentucky, which closed out its regular season with 24 victories in 26 games, led the United Press college basketball ratings for the fourth week in a row today in its quest for a second straight national championship.

With only two more weekly ratings coming up, the Wildcats appeared a cinch for the mythical title if they can win the Southeastern Conference Tournament championship this week.

By attracting 28 first place votes and a total of 333 out of a possible 350 points from the 35 leading coaches who comprise the United Press Board, Kentucky made the second best showing of the season in the weekly ratings.

Team standings with points in poll.

1. Kentucky	333
2. Illinois	289
3. Kansas State	215
4. Duquesne	174
5. Kansas	168
6. St. Louis	149
7. Washington	132
8. St. John's	124
9. Iowa	117
