AFROTC Inspection

Climaxing the Annual Federal Inspection of the N. C. State College AFROTC Unit Tuesday was an inspection of the Cadet Corp and a parade honoring the visiting officials from Headquarters, AFROTC, Montgomery, Alabama. Shown above, front row, left to right, are Lt. Col. Ivan M. McCall, Inspection team member, Colonel William J. Jowdy, Professor of Air Science and Commander of the State College AFROTC Unit, Cadet Colonel John D. Pearman, Goldsboro, N. C., Colonel Maynard W. Bell, Inspection Team Chief, and Lt. Col. Samuel J. Skousen, Inspection Team Member. In the background are shown the Cadet Wing Staff who accompanied the officials on their inspection of the Cadet Corp.

Aid To Cheerleader Will Have Four Girls

Bill Garrabrant, newly elected head cheerleader, said in an interview Monday night "There is much to be said for and against the job of head cheerleader. In the past he has lacked the support of the entire student body and as a consequence his job has been a tough one."

Garrabrant announced that there is to be an addition to the cheering squad next year. He said that in addition to the head cheerleader and four male cheerleaders, there will be four co-ed cheerleaders chosen from the student body. Tryouts for the cheerleading jobs will begin Monday at 4:00 in Riddick Stadium and all interested boys are asked to be there. Previous experience is an advantage but is not considered important. Garrabrant said, "The important thing is that there be a good group present, sincerely interested in bettering the spirit of the State College campus"

The plans for next fall include a big part for the cheerleaders in the orientation of the incoming freshmen.

Golden Chain

Golden Chain will accept nominations for new links through tomorrow. Nominations can be made by any student or faculty member and each should include a short outline of the nominee's campus activities and why he is considered as one of the top twelve leaders on campus.

Golden Chain will make the final selection and it will remain secret until the tapping ceremony which is scheduled for May 19 on the Track Field. The men will be considered on the basis of character and demonstrated leadership.

Student Government Annual Banquet Meet

The annual banquet meeting of the State College Student Government was held in the main ballroom of the College Union Building last night at 6:30 o'clock, with an attendance of 160.

President Gordon Gray of the University of North Carolina delivered the address. Awards were presented to leading students by Dr. Carey H. Bostian.

Formal installation of the newly-elected officers of the student body was made, with Lloyd M. (Doc) Cheek of Gibsonville, retiring president, in charge.

Students inducted into the major offices included James M. Nolan, president; Bob Gunn, vice president; Edwin L. Yancey, secretary; and Sidney E. Briley, treasurer.

Gamma Sigma Delta Established At State

A chapter of Gamma Sigma Delta, the national honorary society of agriculture, was formally established at State College during a banquet session in the College Union Building last Thursday at 6:30 o'clock.

Homer J. L'Hote of the University of Missouri, national treasurer of Gamma Sigma Delta, was in charge of the installation.

The State College Chapter is the 13th unit of its kind in the nation. A chapter is also being set up at the University of Florida this week.

Officers-elect of the N. C. State Chapter are Dr. Paul Harvey, president; Dr. T. E. Maki, vice president; and Prof. C. L. McCombs, secretary-treasurer.

Several top-ranking, undergraduate students and staff members of the college will be inducted as charter members at the installation.

S.G. NOTICE

The Technician does not carry L. C. Draughon's usual report of the Student Government this week since the S. G. failed to have a quorum present at Monday's meeting. The next time the S. G. has a quorum it will be reported.

Duke Men's Glee Club Concert Sunday Nite

The famous touring Men's Glee Club of Duke University, under direction of J. Foster Barnes, will give a concert here Sunday at College Union Ballroom under sponsorship of College Union.

Selected from more than 250 men who try out for the club each fall, the 40-voice traveling squad this year will sing 20 concerts in seven states and the District of Columbia.

Barnes, who has directed the nationally known ensemble for 28 years, will take his club on southern and northern tours this season.

The southern tour will include concerts throughout North Carolina, at Hunter Air Force Base in Savannah, Ga., and in Jacksonville, Jacksonville Beach, Ormond Beach, Palm Beach, Miami and Orlando, Fla.

The current program will feature the popular Triple Quartet in favorite songs and lighter selections. The student soloist will be a tenor from the Duke Chapel Choir, who is also student director of the club.

Reunions To Be Held '05 And '30 Classes

State College's Classes of 1905 and 1930 will hold golden and silver anniversaries, respectively, during the annual alumni weekend program at the college Friday and Saturday (May 6 and 7).

Dr. Walter H. MacIntire of Knoxville, Tenn., is chairman of the Class of 1905, and R. S. Dunham of Cary is chairman of arrangements for the Class of 1930's observance.

Several other classes will hold reunions and special programs.

Hundreds of alumni from throughout the United States have indicated plans to attend the annual alumni assemblies, luncheons, class reunions, and other special events.

Dr. MacIntire, head of the Department of Chemistry at the University of Tennessee's Experiment Station, will make the principal address at the annual alumni luncheon in the main ballroom of the College Union Building Saturday at 12 noon.

Highlights of Friday's agenda will include registration in the College Union lobby from 10 a.m. until 6 p.m., class luncheons from 12:30 p.m. until 2:30 p.m., a baseball game between the University of Virginia and State at 3 p.m., a tea given by President and Mrs. Bradshaw in the College Union from 4 to 5:30 p.m., and a concert on the carillon bells of Memorial Tower from 5 to 5:30 p.m.

The Friday evening program will be featured by the anniversary banquets of the Classes of 1905 and 1939, informal class dinners by other reunion classes, and the annual Red and White basketball game in the William Neal Reynolds Coliseum at 8:15 p.m.

Senior Class Meet Agenda: Graduation

A meeting of the Senior Class has been called for Wednesday May 11 at 12:00 in room 242 of Riddick Hall. This meeting will be to discuss graduation, organizational structure of the Alumni Association, and any other pertinent information.

Graduation for the class of 1955 has been set for Sunday May 29. At the request of the Senior Class Officers and with their assistance, The Faculty and Administration have made new arrangements for Graduation. The new arrangements include exam exemptions; early graduation of May 29; morning exercise; individual diploma presentations; senior dance—informal—May 28, College Union, 8:00

P.M.; Chancellor's Reception, 5:00-7:00 P.M. in Chancellor's Garden, May 28th. Each graduating senior will receive a letter from the administration giving full details of the arrangements for Graduation.

The program this year is an experiment. Its continuance will depend upon this year's participation.

Previously graduation was set for June 5 but was moved up one week so that all students will be able to attend the graduation rites. Seniors with satisfactory academic records will be permitted exempt from final examinations.

Approximately 759 students are scheduled to graduate. Among the graduates will be 548 candidates for bachelor degrees, seven candidates for professional degrees in engineering, 165 candidates for master's degrees, and 39 candidates for Ph.D. degrees.

Also connected with graduation will be the commissioning of AF ROTC graduates as 2nd Lieutenants in a special service Saturday morning, May 28, at 10:00 o'clock. The commissioning will be held in the Coliseum

Pershing Rifle Meet State's Unit Second

The 4th Regiment of the American Society of Pershing Rifles held its annual drill meet on April 29 and 30 at Clemson College. Company L of North Carolina State College, the only unit from North Carolina, finished second in the event. The Company's results were as follows:

- Squad Drill 1st.
- Individual Basic 2nd.
- Platoon Drill 2nd
- Individual advanced 4th
- Individual advanced 4th

Other units participating in the event were: Clemson, Eastern Tennessee, University of Tennessee, and Georgia Tech.

L. L. Ivey Honored N.A.C.S. Membership

L. L. Ivey, manager of the Student Supply Stores of North Carolina State College, has been presented an honorary "Certificate of Life Membership" in the National Association of College Stores—the second such award ever granted.

A former president of the Raleigh Kiwanis Club and a civic leader in the Capital City for more than three decades, Ivey received the award at the association's annual convention at the Adolphus Hotel in Dallas, Texas. The first man to receive such recognition was George Cole, retired head of the Harvard University Co-Op who was accorded the honor in 1953.

A citation honoring Ivey for his achievements in the management of college stores and in his wide range of interests in civic and educational affairs was read at the convention by Ed Rather, general manager of the University of Texas Co-Op at Austin.

A native of Norwood, Stanly County, Ivey is a 1915 graduate of Duke University and is a veteran of World War I during which he was a first lieutenant in the U. S. Army. Prior to becoming general business manager of the Student Supply Stores at North Carolina State College in 1919, he was head bookkeeper of the Merchants National Bank in Winston-Salem.

He was married to the former Polly Heitman in Nov., 1925, and they have two sons—Ramon Heitman and Benjamin Carr. The Iveys reside at 202 East Park Drive, Raleigh.

S.A.E. Wins 8th Annual Interfraternity Sing

Sigma Alpha Epsilon won the annual, Pi Kappa Phi Interfraternity Sing which was held Friday evening. Four fraternities competed by presenting two songs each. The competing fraternities were Sigma Alpha Epsilon, Sigma Chi, Sigma Pi and Sigma Phi Epsilon.

S.A.E.'s winning selections were "Send Forth Thy Spirit" and "Who Did?." Sigma Chi sang "Way Down Yonder in the Cornfield" and "Do Lord." "Blue Tail Fly" and "Oh, What a Beautiful Morning" were sung by Sigma Phi Epsilon and Sigma Pi sang "Battle Hymn of the Republic" and "Kentucky Babe." Pi Kappa Phi did not enter in the competition but sang "Come To Me In My Dreams" and "O! Arks A-Moverin'."

The winner of the Sing, which was held in the College Union, will have its name engraved on a plaque to be kept by the fraternity until next year. S.A.E. also won the Sing last year and Sigma Chi won the year before. The annual Sing was begun in 1947.

State Men Star In Bowen's Last Show

Tomorrow night David Bowen will direct his last play with the Raleigh Little Theater. "The Admirable Crichton" will begin a one week run tomorrow night.

Dr. Fred Jensen, who has played in many RLT plays, has the lead. He portrays Crichton the butler and gives a memorable performance.

Capt. Charles Dewey, an instructor in Military Science, plays the part of Lord Loam. He will be remembered as the German sergeant in "Staglag 17." However this time there has been quite a change as he has dropped his German accent and has picked up a British accent.

Webb Scurratt, of the social science department, plays the part of Ernest. He does an exceptional job.

EDITORIAL COMMENT:

Next Years Paper

The publication date of the *Technician* will remain unchanged next year. It will continue to be Thursday afternoon. Also, the same flag will be used and the layout of the paper will be on the same order as this year.

"Little Man on Campus" will be back next year portraying some of the humorous aspects of national college life. Furthermore, we are working on the idea of having a weekly comic strip done by a campus artist. The theme of these strips will, of course, be on events on campus. Whether the technical difficulties will prove more than we can overcome we cannot tell yet. We hope that we will be able to have a comic strip. Square Circle will be written by two coeds in the coming year.

The *Technician* will continue to work closely with the *Agromeck*, WVWP, and Student Government. We hope that this will result in a more well informed student body about happenings on campus that affect them.

Since the *Technician* is the spokesman for

the student body we will write from the students' viewpoint in editorials, but in news coverage we will present both sides. Although on the editorial page we will campaign for what we believe the student body wants and believes.

Editorially we will support a telephone system whereby students living in dormitories will be able to make local calls at a reasonable yearly fee. State needs a campus humor magazine and we will work toward reviving the *Wataugan* or some equivalent.

Whenever possible a number of feature stories concerning campus doings will also appear which will mean less news on things of little interest to the average student. Papers with state and national news are readily available at any news-stand.

Constructive criticism will be appreciated and letters to the editors will be welcomed and they will receive prompt attention. We will also welcome anyone who would like to work with us on the paper.

—L. C. D.

Campus Link Day

Golden Chain, one of State College's few traditions, will select twelve more links to add on to the chain already having well in the mid-300's in number and links. The Golden Chain was founded in 1926 to better citizenship and leadership on the campus. In May of each year it adds twelve new members who are considered the outstanding members of their class. The old Golden Chain links select the new members.

All too often some men become bitter because they don't make the Chain. This is true in almost any honor society which has a limit to its membership. It was true in high school with National Honor Society or any similar organization and it is true in college. There can only be twelve men and these men are the ones who the old members think are the best of a number nominated. It is disappointing not to be tapped into a top organization when you think you or one of your friends deserve it. Certainly any society is going to make mistakes when it selects new members but most use every means available to make its selection mean something to the campus. Remember that if someone that you were counting on isn't selected it may be because of several reasons. Many things are brought to mind and discussed during the meeting in which the links are picked.

When Golden Chain makes its selection it considers the activities in which the nominee has participated. It considers whether the organization is a service organization or whether it is merely social or just another key-toting club. It also considers how well the man has done the jobs that he has been responsible. Has he fallen down? It takes several good performances to erase a particularly bad job. More than one campus leader has had a hard time living down the time he let an organization fall flat because he was depended on to do some important job.

The Golden Chain has a particularly hard time in one aspect. It must select its members on past performance. It cannot select members who have done little simply because this person has just been elected to a top campus office for the coming year. Perhaps this person will do a good job but there is always the chance that this person will "goof". It is also true that a man's past suc-

cesses in no way guarantee the way he will perform during the coming year. At any rate recognizing men for their past accomplishments as campus leaders is the only way to select new members.

You are invited to nominate any junior you think deserves the honor and as was stated in last week's paper tomorrow will be the last chance you'll have to do this. If you fail to nominate the person you think is among the top twelve leaders in the junior class and these men don't make the Chain it may be your fault. When you turn in a nomination you should tell why you think this person deserves the honor for there may be something the old links aren't aware.

May 19 is certainly a day of interest to the campus. You owe it to the twelve top men in the junior class to nominate your choice. These nominations will be given careful consideration and from these nominations the men apparently deserve the honor most will be tapped as the new Golden Chain links.

This past Saturday, the Greeks were entertained at the Phi Ep house. From all reports, (personal too), everyone had a great time. The Phi Eps are to be congratulated for the fine inter-fraternity relations they are helping to build. Also to be congratulated are the Kappa Sigs for their participation toward making the IFC concert an even greater one.

The Sigma Chi's had a party at Truby's last Friday night. Saturday afternoon, a fiancé of one of the Sigs entertained the group at a lawn party at her house. This Sunday they are having their annual Parents Day which will begin with group attendance at Church followed by an afternoon of fun at Crabtree. The Sigma Nu's are having a house party at Lake Waccamaw this weekend.

The Sigma Pi's went to Greshams last Saturday night for a weiner roast. This weekend they plan to have their regular party at the house. The TKE's are sending several delegates to Hickory this weekend for their annual Officers Conclave. After the open house for all the Greeks last weekend, the Phi Ep's had a "hard-times" costume party at the house. This Sunday they have plans for a beach party.

The Phi Tau's had a picnic last Saturday afternoon at Crabtree with a square dance following on the same night. The SAM'S had a party at the house last weekend, but have bigger plans for this weekend, when they will take off for the beach. The AGR's attended the Ag School festivities this past weekend. This afternoon they gave a weiner roast and hamburger fry for their neighbors. Boosting neighborly spirit!

Several of the KA's took off for Charlotte with their local Rose to attend the annual Rose Ball given by the Charlotte Alumni for all local chapters in honor of their Roses. This weekend they plan to attend the May Day festivities at St. Mary's. The Kappa Sigs had their annual Parents Day last Sunday with much entertainment for everyone attending.

The Lambda Chi's joined forces with their chapters at Carolina, High Point, Wake Forest, and Duke for the annual Inter-Zeta weekend. The State, High Point, and Wake Forest chapters journeyed to the beach later.

Last Friday night the Pi Kappas presented their annual Inter-Fraternity Sing. Only four fraternities entered the competition this year, but they all presented very fine numbers. After much deliberation from the judges, the SAE's were presented the plaque. There was a

Why do more college men and women smoke VICEROYS than any other filter cigarette?

BECAUSE ONLY VICEROY GIVES YOU A PURE, NON-MINERAL, NON-TOXIC FILTER WITH 20,000 FILTER TRAPS IN EVERY FILTER TIP!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in *any other cigarette*.
2. Besides being non-mineral and non-toxic, this cellulose-acetate filter never shreds or crumbles.
3. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research *more than 20 years ago* to create the *pure* and perfect filter.
4. Smokers en masse report that filtered Viceroy's have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
5. Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip . . . and Viceroy's cost only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROYS than any other filter cigarette . . . that's why VICEROY is the largest-selling filter cigarette in the world!

YMCA Plans Dinner With Noted Guest

Dr. Kirtley F. Mather, a noted Geologist and Harvard Professor, will visit State College on Monday, May 9th, and will be the speaker at a student dinner in the College Cafeteria at 6:30 p.m. The subject of Dr. Mather's talk will be "Pathways to Responsible Citizenship."

Dr. Mather is one of the nation's outstanding scientists, a champion of civil rights and an honored leader in the Y.M.C.A. movement, both in American and abroad.

As this goes to press the list of sponsors is not complete. Student Government has accepted an invitation to be a sponsor along with campus religious groups.

The dinner is open to all State College students. Tickets may be secured at the Y.M.C.A. desk. The deadline is the morning of Monday, the 9th.

Airmen Closing Out Fourth Year At Top

"The Marching Airmen" are closing out another successful year. This outfit is the campus AF ROTC crack drill unit and has been representing the cadet corps in public performances since it was formed four years ago.

"The Marching Airmen" are composed of Freshmen and Sophomore cadets in the Air Force program who have demonstrated outstanding proficiency in drill ability. Many additional hours of drill are required in practice and performance and all members are volunteers. The unit is under the command of Cadet Master Sergeant Burdick and his assistant Cadet Master Sergeant Huskey, both of whom are cadets in the Advance Division of the Air Force ROTC training program studying for a commission in the Air Force Pilot Training program. The Drill Advisor is Technical Sergeant Jack Russell who has developed the drill unit from its beginning.

"The Marching Airmen" have been featured at many state and local events in the Raleigh area, and have performed during half-time periods of State football and

basketball games. The unit has gained a wide reputation for their ability, showmanship and military bearing.

Red-White Basketball Game

The old master, Everett Case, will display his 1955-56 State College basketball team Friday in the coliseum. . . . The Pack will be out to try and improve their great 28-4 record of last fall good for fourth in the nation. **STUDENT ADMISSION** . . . State students will be admitted to the game Friday night for the charge of fifty cents (.50) plus their student athletic books. . . . Game time is 8:15. . . .

From the looks of the local papers our friends over at Chapel Hill seem to be hauling in the basketball timber for the future. . . . A 6-11 freshman will be on hand next year for the Tar Heels . . . but its who scores the most points that counts in the end !!!

State's basketball squad was taken off the NCAA's bad boys list last week as they lifted their one-year probation against the Wolfpack. . . . Thus State can participate in the NCAA tournaments next year. **BASKETBALL COACH**—As yet a replacement has not been announced by the Athletic Council for the vacancy created by Coach Anderson's resignation. A decision is expected sometime in June.

Frazier To Head 55-56 Monogram Club

Jim Frazier, a rising Senior in Industrial Engineering and right guard on State's football team, was elected president of State College's Monogram Club for the 1955-56 school year.

Other officers include John Sheril, vice-president; Clyde Gaddy, treasurer; Larry Bostian, secretary; Ted Kilyk, publicity; Bob Becker, membership chairman; and C. M. Price, sergeant-at-arms.

The club also re-elected Dr. John W. Morgan, chemistry professor, as advisor to the Monogram Club. Dr. Morgan has served as advisor since 1940. Coach Carey Brewbaker was also named as an advisor.

Plans are underway to have a picnic outing for a local orphanage. The clubs two main projects each year are the annual Homecoming Dance in the fall and the Red-White football game in the spring.

Red-White Basketball Game Friday Night

Coach Everbett Case will display his 1955-56 North Carolina basketball team Friday night at 8:15 p.m. in the Reynolds Coliseum as the Wolfpack winds up three weeks of off-season practice with the annual Red-White intra-squad game.

Eight lettermen will return to defend State's Atlantic Coast Conference title next season and they have been divided evenly between the Red and White teams to provide two well-balanced squads that are expected to offer an interesting scrap.

Six newcomers, including two transfer students and four sophomores from last year's freshman team, will be on the two teams with three on each outfit.

The White team will be led by All-America Center Ronnie Shavlik. With Shavlik are three other veteran lettermen, Lou Dickman, Nick Pond, and John Maglio. The newcomers on the White group are Forward Tom Hopper, 6-4 transfer from Colgate, and Forward George Stepanovich and Guard Bucky Waters, two members of last year's freshman five.

The Red team will have Guard Vic Molodet and Forward Phil DiNardo. Two other lettermen on the Red team will be 6-11 Center Bob Seitz and 6-5 Forward Cliff Hafer. The newcomers in Red uniforms will be Guard Marvin Kessler, a 5-11 transfer from Potomac State junior college, who hails from Brooklyn, N. Y. and Center Mike Miles and Forward Gerald Price off last year's freshman club.

Pack's Varsity Baseball Team Setback By Clemson 12-10; Duke 4-1; Drop To 2nd In ACC; Meet Va. and Maryland

N. C. State's baseball team saw its championship hopes dimmed somewhat last week as the local boys suffered two ACC setbacks in as many starts—a 12-10 loss to Clemson College and a 4-1 defeat at the hands of Duke's Blue Devils.

The Wolfpack will be out to try and regain their first place position this week-end when they play host to Virginia and Maryland in the final conference games of the season.

Clemson-12, State-10

State's varsity baseball squad fell to Clemson College last week 12-10 in a game that lasted over three hours and saw State's three pitchers give up a total of 15 bases on balls.

The loss dropped State into second place behind Wake Forest in the ACC standings.

Tommy Hargrove suffered his first loss of the season as he was credited with the loss.

Barringer with 3 for 5 and Cassen with 2 for 4 led the Pack at the plate.

Duke-4, State-1

Duke's Blue Devils handed State College its second straight ACC loss of the year last week 4-1 in Durham. The loss gave the Pack a 7-3 conference record and left them still in second place.

State had the bases loaded in both the 7th and 8th innings but just couldn't get them home. Dickman's 2 for 2 was tops for the Pack while Hargrove (5-2) was the losing pitcher.

Vetville Wins Two Hard Games—Owen No. 2 led at the end of the second inning after Cochran hit a triple and earlier Maloni had a home run. But in the third Vetville let loose with everything it had. Everyone on the team got on base either on a single or by being walked. Grathwel hit a home run and Crowley a double. The final score was 14 to 8. Bagwell No. 1 also had a game with the "Vets" but they had the same trouble Owen did. Barbour hit two triples for Bagwell but that wasn't enough. Crowley scored twice, once off a single and the other a home run, and Vetville went ahead to win 9 to 4.

Miss Saralyn Prickett of Raleigh was chosen sweetheart of Chi Chapter of Phi Kappa Tau for 1955.

She was presented a loving cup at a banquet preceding the Interfraternity Council Spring Finals.

The presentation of a loving cup to the sweetheart and her name engraved upon a plaque to remain in the house was begun in 1954. Last year's sweetheart was Miss Alice Ann Liles of Raleigh. This is an annual presentation of the fraternity.

HORSE SHOES

The finals have already started in horseshoe pitching with Tucker No. 2 beating Syme No. 1 by forfeit and Bagwell No. 1 beating Syme No. 2. The preliminaries were: Syme No. 1 over Becton No. 1, Tucker No. 2 over Tucker No. 1, Syme No. 2 over Turlington No. 2 and Bagwell No. 1 over Becton No. 2.

Syme No. 2 Also Wins Two— Bagwell No. 1 was unable to keep Syme from scoring in the second and third innings and a total of nine runs came in. Medford hit a double while McCarter and Sherrill both hit singles. The Bagwell team rallied in the fourth but it wasn't successful. The final score was 9 to 3. The Syme No. 2 team also won over Owen No. 2 by virtue of a forfeit.

Tucker No. 2 Wins Two— Turlington No. 2 took the lead in the third when Wyant singled and after an error and two players being walked, Gaddy hit a double. The score at the end of the third was 7 to 6 in favor of Turl., but in the fourth, after a few walks, Zubaty, Vargo, and Micklem hit singles and the game was practically over. Earlier Vargo hit two home runs while Katich had one. The final score was 14 to 7. Tucker No. 2 also beat Alexander No. 2 by forfeit.

Becton No. 1 Beat Alexander No. 1— Becton swept to a ten point lead in the first inning with two home runs by Gentry, a home run and single by Overton, a triple and single by Bagonis and a single and walk for Thrower; each scored twice. Winchester and Keels scored off singles in the first inning. The final score was 13 to 3.

Tucker No. 1 Beat Syme No. 2— Tucker took a three point lead in the second inning off a home run by Reid and singles by Henry, Dascal and Razicka. In the top of the fifth Syme No. 2 when Humphrey walked and Mangrum singled and later they scored. In the bottom of the fifth the lead switched for the last time as Seahorn doubled then Henry walked, Reid singled, and finally Dascal hit in the final run. The score was 6 to 5.

Welch Beat Berry— In the first inning Troutman's home run drove in Bass and Harrington. Later in the fourth McSwain and Whitlock both scored twice off singles. The Berry team scored in the first when Berry doubled to send Harrell and Hartis home. The final score was 13 to 3.

SOFTBALL

April 19-25

SAE-19, T. Chi-4— The SAE's came a game closer to their division crown as they walloped T. Chi 19-4. Chambers, Biggs, Stuart, Briley, and Garrabrant all homered.

SAM-18, SPE-7— With Levine clotting a four-bagger and Giddens collecting 3-3 the SAM's swept past the SPE's 18-7. Goslee homered for the loser's while getting 2-2.

PKT-16, Sigma Pi-13— The PKT's edged past the Sigma Pi's 16-13 in a slug-fest game with Culp's 3-3 and Holmes's 4-4, including a four-bagger, leading the way Thompson had 2-3 for the Pi's.

PKA-11, Farm House-9— The Farm House almost pulled an upset before falling to the PKA's 11-9. Woolard's 2-3 led the victors with Brown and Seats homered for the Farm House.

Sigma Chi-21, Kappa Sig-2— The Sigma Chi really unleashed a hit-

Pi Kappa Phi Rose Ball

Tau Chapter of Pi Kappa Phi will celebrate its thirty-fifth year at State College with the annual Rose Ball Saturday night. The formal dance will be held at the Tau Heel Club and will be preceded by a banquet. A highlight of the night will be the presentation of the Rose of Pi Kappa Phi who will remain unknown until her identity is revealed by the dance committee chairman. She was selected by secret ballot.

The sponsors for the dance are pictured above. They are left to right, top row: Miss Pat Selph for Alex Anthony, Archon; Miss Lota Brian for Mitchell Jenkins, Treasurer; Miss Alice Cooper for Bob Potter, Secretary. Bottom Row: Miss Sylvia Hammond for Ron MacLain, Warden; Miss Frances Johnson for John Parker, Historian; Miss Janet Fulcher for Eddie Avent, dance committee chairman; and Miss Barbara Harmon for Richard Bisanar, Chaplain.

ting attack that gave them a 21-2 victory over the Kappa Sig's. Cocke and Deans with 3-3 and a round-tripper by Johnson led the Chi's while Teer homered for the Kappa Sig's.

Lambda Chi-12, KA-11— The closest game of the week saw the L. Chi's sneak past the KA's 12-11. Dunn, Herman, and Hayworth hit round-trippers for the winners while Hall had 2-2 at the plate for the KA's.

April 26-May 3

Sigma Nu-18, T. Chi-6— The Sigma Nu's pushed 14 runs across the plate in the first innings to go on and crush T. Chi 18-6. Loy with 3 for 3 and West and Reed with 2-2 led the winners while Lucas's 1-1 was top for the losers.

Sigma Chi-16, KA-1— The Sigma Chi's had little trouble downing the KA's 16-1 with McCirmic, Cocke, Hubbard, and Johnson hitting homers. Cocke also tripled.

SAE-4, AGR-1— Defending champions SAE's sewed up their division crown as they edged past the AGR's 4-1. Garrabrant collected 3-3 for the SAE's while Allen and Warren had 2-3 for the AGR's.

L. Chi-10, Kappa Sig-2— With Reagan and Dunn hitting 2-3 at the plate, the Lambda Chi's swept to a 10-2 win over the Kappa Sig's. Peirson had 3-3 for the losers, all two-baggers.

PKA-17, Sigma Pi-1— PKA clinched its division crown in a big way as they walloped the Sigma Pi's 17-1. Copeland and Perry with 3-3 led the hitting parade with Perry and Woolard blasting homers.

SPE-12, PEP-2— Gragg, Goslee, and Parker led the SPE's to a sound 12-2 win over the PEP's each collecting 2-3.

TENNIS

N. C. State's tennis squad faced three foes last week and came out on top in only one of them. The local boys crushed East Carolina 8-1 but dropped matches to Duke by the same score and Wake Forest 7-2.

State has a 4-11 season record to date.

GOLF

The Wolfpack's golf team met two undefeated teams last week as they dropped matches to Carolina 15½-11½ and Wake Forest 14½-11½. Both squads have perfect records, while State now stands at 5-6.

They completed their regular season Tuesday against Davidson.

Correction: Bill Wellons and Jim Wellons are one and the same person. His real name is PHIL Wellons.

Baseball: It happened down on freshman field during a Ration League game between State College and Carolina Pre-flight back during World War II. Pre-flight runner was called out on a close play at second. Pre-flight team exploded from their bench yelling, "robber!" After a vigorous two-minute debate with the umpire, the Pre-flight coach gave up the argument and walked slowly toward the sidelines with the baserunner reluctantly following. Insistent upon getting in last licks, the younger player yelled to the graying ump who was still standing in the infield, "I still don't think I was out Mr. Ump!" To which the man in charge replied with equal force, "Well, if you don't believe me, young fella, just look in tomorrow's News and Observer and see if you were out or not!"

CAMPUS HEADLINES

From the University of Virginia's *Cavalier Daily* comes the news that their: "Student Union collects clothes." *They really must put on some knockdown, drag out, balls.*

The Carolinian up at Woman's College says: "Bill proposes exam on Robert's rules for legislature members." *If the WC student legislators are like some we know around State College, they'll tell Bill and Bob both to take that long walk on a short pier.*

A few weeks ago *The Hornet* down at Furman University announced that the first annual Western South Carolina: "Science Fair set for textile hall because of size." *Evidently they expect everyone to be board stiff.*

Spread across eight columns of Chapel Hill's *Daily Tar Heel* just a couple of days ago was this question of quote: "What do the students expect from their university?" *Red hiding hoods and pantie raids, that's what they expect from the university.*

Last issue of *The Duke Chronicle* carried a three-column editorial page head like this: "No place to go but down." *For a Dook student, yes.*

Saturday morning and afternoon will be filled with a softball game and other "team" sports at Crabtree, and then they will go to the Tar Heel Club for a banquet and dance.

The Sig Ep's held their annual Parents Day last Saturday. There was an open house for parents during the afternoon with a family style supper and singing later in the evening.

From the IFC

In the very near future, there will be an open discussion on the proposed fraternity row. Final plans will be announced later. It is hoped that all fraternity men will plan to participate.

"IT'S TOASTED"
to taste better!

YOU GET MORE deep-down smoking enjoyment from Luckies than any other brand. The reason, plain and simple, is that Luckies taste better. They taste better, first of all, because Lucky Strike means fine tobacco. Then that tobacco is *toasted* to taste better. "*It's Toasted*"—the famous Lucky Strike process—tones up Luckies' light, good-tasting tobacco to make it taste even better . . . cleaner, fresher, smoother. You'll enjoy the Droodle above, too; it's titled: Three on a match—Luckies, of course. Whenever smokers put their heads together, they agree you can't *match* a Lucky for flavor. Come light-up time, enjoy a better-tasting Lucky yourself!

Campus Traffic No. 3: Some Solutions

CAMPUS EYESORES such as the student parking area behind Tompkins Hall, shown above, will soon disappear. The area shown here will soon return to control of buildings and grounds committee and off-campus student drivers will have to find other places for parking. (Staff Photo by Wall.)

Most Colleges Apply Peripheral Parking, Restricted Movement

Peripheral parking and restricted movement of automobiles about the campus are the most popular approaches to solving college traffic conditions, according to a recent nation wide survey made among more than 20 colleges and universities.

Thirty per cent of the schools reporting have limited restriction of student possession of cars on campus, 70 per cent require vehicle registration, and one school has neither restriction nor registration.

Peripheral parking, as applied at most colleges, consists of putting parking lots around the perimeter of principal campus areas and permitting no parking for anyone within that circle.

The approach to traffic control through restricted movement has been accomplished by various methods.

The University of Georgia has constructed "washboard" streets over its campus and eliminated the problem of speeding.

Using a more down-to-earth approach to solving both the parking and traffic movement problems, the University of Alabama simply put a \$25 fee on all vehicles kept on

school grounds. Traffic is no longer a major problem at this institution.

A "no driving" ban during class time went a long way in helping officials at the University of Florida to control traffic on campus.

Strict enforcement has been found the most practical form of control at the University of Missouri. Students must register vehicle. First violations cost the right to drive and bring probation. Violation of terms of probation result in dismissal from school.

Student automobile owners at Utah's Brigham Young University must pay a \$5 parking fee each year. Funds collected this way are spent in constructing permanent peripheral parking areas.

The University of Oregon provides special parking facilities only for those persons who need special parking spaces to carry on their official duties with the university. Under this setup a business clerk or messenger may have special parking privileges, whereas, a full

professor or dean may not. Faculty, students and the general public are on the same basis; that is, "first come, first served."

Pennsylvania State University has found a unique and effective of enforcing parking regulations on the campus. Vehicles found illegally parked are towed away to some remote area around the college and (Continued on page 8)

TODAY'S FRESHMAN may be around to see the time come when bicycles present a traffic problem almost equal to the present situation brought on by too many automobiles. The fact remains that college enrollment and faculty will continue to increase, while the main campus area will not. More people require more space, so even the bike may get it in the neck. AF-Army Men Attend**

Last Friday was ROTC Day at Fort Bragg, and cadets from State, V.P.I., East Tennessee, Wake Forest, Davidson, and North Carolina A & T went down for lectures and demonstrations presented by the XVIII Airborne Corps and 82nd Airborne Division.

Sixty-four State College Army ROTC MS III's and IV's and officers and two Air Force cadets heard a lecture and saw demonstrations of Psychological Warfare, watched preparations for an air drop, and then saw 600 paratroopers jump followed up by a drop of heavy equipment.

After lunching at the 504 Regiments mess hall, the cadets attended demonstrations by Army Aviation of light aircraft helicopters and firing demonstrations of artillery pieces from the 82nd Airborne Division Artillery and the XVIII Airborne Corps Artillery including the 280mm atomic cannon (without thermonuclear ammunition of course).

the driver's punishment is the inconvenience of finding his car.

The only school indicating no traffic problem, according to the survey, is Montana State University.

Neither registration nor driving restrictions are applied at this school.

The only action taken to control traffic at Montana State was to cut out cross campus streets, develop a periperal way around the campus and supply plenty of outside parking space.
