NORTH CAROLINA STATE COLLEGE'S WEEKLY NEWSPAPER  
Vol. XL, No. 1 State College Station, Raleigh, N. C. Sept. 15, 1955

## Registering For Retreat

Above are members of the Y who are registering Freshmen for the three day retreat that started Tuesday afternoon.

## 150 Frosh Attending Three Day "Y" Retreat

Approximately 150 students arrived at North Carolina State College Tuesday afternoon to attend a three-day Freshman Retreat sponsored by the College YMCA.

The delegates to the retreat heard talks at an assembly period Tuesday night by William C. Friday, secretary of the University of North Carolina; James M. Stewart of Nolina, president of the State College YMCA; and James Nolan of Shannon, president of the student body at N. C. State.

A vespers program, conducted by the Rev. James H. Overton, Methodist chaplain at State College, was the concluding feature of the retreat's opening exercises.

A busy agenda awaited the delegates Wednesday. Beginning at 8:15 they attended a devotional program conducted by the Rev. Roberts C. Lasater, Baptist chaplain at the college.

Other speakers on the morning schedule yesterday included Prof. W. N. Hicks, head of the Department of Philosophy and Religion at State College; and the Rev. Gaylord B. Noyce, minister of Raleigh's United Church.

The afternoon program scheduled to begin at 1:30 o'clock featured a discussion on the work of the YMCA led by Oscar B. Wooldridge, executive of the College "Y"; Wilson Lee of Route 3, Marshville, "Y" vice president; and Stewart.

### NOTICE

All copy for the Technician must be in the Technician Office by 9 p. m. on Monday night. Any exceptions must be approved by the editor beforehand. This is necessary because of our close printing schedule.

The Technician office is located in Room 138 of the 1911 Building.

Dinner sessions were held at the Pullen-Memorial Baptist Church and at the West Raleigh Presbyterian Church last night at 5:30 p.m.

Today the retreat delegates,

along with other members are greeting the new freshmen as they arrive for an orientation program and are assisting the new students in finding their dormitory rooms.

## Risher Appointed New AFROTC Chief

Appointment of Col. James F. Risher, Jr., as professor of air science and commander of the Air Force ROTC Detachment at State College, was announced this summer by Chancellor Carey H. Bostian.

Colonel Risher replaced Lt. Col. Stanton Agnew, acting professor of air science, who had replaced Col. William J. Jowdy upon the completion of his tour of duty at the college last spring. Colonel Jowdy is now at the Army War College at Carlisle Barracks, Pa.

A native of Bamberg, S. C., Colonel Risher is a 1938 graduate of The Citadel, where he received his Bachelor of Arts Degree in English and commission as a Second Lieutenant in the U. S. Army Reserve. Subsequent to graduation and commissioning, Colonel Risher was ordered to active duty for one year. Upon release from active duty in June, 1939, he became an instructor at Carlisle Military School, Bamberg, S. C. During 1940-41, while on leave of absence from Carlisle, he completed graduate work for the Master of Arts Degree in English at the University of South Carolina.

Recalled to active duty in February, 1942, Colonel Risher was transferred to the Air Force in November, 1942, and was graduated from Flight Training at Ellington Field, Texas, in July, 1943, with a rating of Pilot.

Colonel Risher

During World War II, while assigned to the 401st Bomb Group of the 8th Air Force, Colonel Risher completed 32 combat missions as Pilot of a B-17 Bomber.

Following World War II, he drew various assignments in the United States and from 1948-51, he was stationed in Germany. His most recent assignment was with the Directorate of Manpower and Organization, Headquarters, U. S. Air Force, Washington, D. C., from June, 1951, to July, 1955.

Colonel Risher is married to the former Elizabeth Kahrs of Charleston, S. C., and they have two children—James F. III, age 9, and Joseph K., age 5 months.

Colonel Risher is a member of (See COL. RISHER Page 5)

## Record Freshman Class Expected for Fall Term

1524 New Fresh.  
237 New Trans.  
4561 Enrollment

State's new Freshman Class have already started reporting to the campus here for an orientation period, beginning today and Friday.

In reporting the completion of plans to register the new class today, Kenneth D. Raab, director of admissions and registration, said the college already has accepted the applications of 1,524 new freshmen and 237 new transfer students from other colleges and universities.

The record-breaking 1,761 new students, including freshmen and transfer students, plus an expected 2,800 students who have previously attended State College, will swell the estimated enrollment for the fall semester to 4,561. Last year's fall semester student body stood at about 4,300 including 1,306 freshmen.

Freshmen who have not taken the English and mathematics placement tests arrived today between 1 and 5 p.m. Those who have taken the tests will report Friday between 1 and 5 p.m.

The new class will hold its first assembly in the William Neal Reynolds Coliseum Friday at 7:15 p.m. Brief talks will be made by Dr. Carey H. Bostian, chancellor of State College; and Jim Nolan, newly-elected president of the student government. The invocation will be spoken by Dean of Students E. L. Cloyd, and announcements relating to the orientation program will be made by Dr. Roy N. Anderson, director of student personnel.

Following the assembly, the State College Woman's Club will serve refreshments.

Major Christian D. Kutschinski, director of music at the college, will present a concert on the carillon bells of Memorial Tower Friday at 6:45 p.m.

The freshmen registration program will continue through Tuesday, September 20. During the period, the new students will be given a review of the college's academic and extra-curricular programs and will meet with administrative and student leaders.

Upperclassmen will register

## J. J. Stewart Attends Seminar

Dean of Student Affairs J. J. Stewart, Jr., State College was one of 82 college administrators from 33 states, the District of Columbia, and Puerto Rico who attended a one-week seminar studying student personnel techniques and procedures at Harvard University in August.

The program was sponsored by the National Association of Student Personnel Administrators with a grant from the Carnegie Corporation of New York.

Presidents of some 250 colleges and universities throughout the country were invited to nominate deans, assistant deans, counselors, and other student personnel workers to attend the seminar. Selection of the eighty-two participants from among those nominated was made by a committee headed by John E. Hocutt, dean of students at the University of Delaware and president of NASPA.

Tuesday, September 20. Class-work for all students will begin Wednesday, September 21.

The college's growing student body has placed a heavy load on the dormitory housing facilities, making it necessary to assign three students to a room in many of the dormitories. The college also is in search of scores of rooms and apartments in the City of Raleigh for the use of both its single and married students and has issued an appeal to Raleigh property owners to list suitable living accommodations with the college authorities.

## ATTENTION

Below is our Alma Mater. Clip it out and put it in your billfold so that when a group is singing it you will not be at a complete loss for words. All you will have to do is just pull this copy from your billfold. After you've finished put it back so that you will have it again. Soon you'll know it by memory (a feat, we regret to report, that many an upperclassman cannot do). Elsewhere in the paper is the fight song. If you're extra ambitious and really want to get ahead clip it also.

N. C. STATE'S ALMA MATER

By A. M. Fountain '23 and B. F. Norris '23

Where the winds of Dixie softly blow  
O're the fields of Caroline;  
Where the tall pine tree sentinels stand  
As a guardian of thy shrine;  
Where the bravest hearts of men are found that are loyal through and through,  
There stands ever cherished,  
N. C. State  
Firmly, Strong and true.

Chorus

Then lift your voices! Loudly sing  
Our Alma Mater's praise!  
Over all the earth her song shall ring,  
Whose notes we proudly raise;  
Her glories we shall sound afar  
From hill to ocean side;  
Our hearts ever hold you, N. C. State.  
In the folds of their love and pride.  
Shout afar our tribute loud and strong,  
That the whole wide world may hear,  
Tell the story to all the land, ye Her sons, and have no fear.  
As she grows the greater ev'ry hour,  
As she scales the topmost height,  
Our voices will blend in triumph songs  
For the Red and White.  
Though the years come and go their way  
Down the path where the ages tread;  
Though the workings of men may lead,  
As we leave our native sod;  
Yet no time or clime can ever dispel  
Any love that holds thee near.  
Nor keep from our hearts thy memory,  
Alma Mater, dear.

## Oscar Wooldridge New "Y" Secretary

Edward S. King, who headed State College's YMCA for more than 35 years, retired July 1 and has been succeeded by Oscar B. Wooldridge, Jr., former "Y" secretary at the University of Virginia and now associate secretary of the Central Atlantic YMCA Area in Newark, N. J.

Wooldridge, 39-year-old native of Norfolk, Va., holds the title of general "Y" secretary and coordinator of religious activities. Until this fall he has been in charge of student "Y" activities for the Central Atlantic Area serving 52 colleges and universities in New Jersey, Maryland, Delaware, and the District of Columbia.

Retirement of King, widely known for his work at State College, and the appointment of Wooldridge as his successor were announced late in June by Dr. Carey H. Bostian, chancellor of the college, and Dean of Student Affairs J. J. Stewart, Jr.

Since his retirement, King has been associated with the First Presbyterian Church of Raleigh.

Wooldridge, who is well known for his "Y" and other religious work, was highly endorsed for the State College post. He is a 1934 graduate of Norfolk's Mary High School,

received his B.A. degree at Randolph-Macon College in 1938, spent 1938-39 at New York's Union Theological Seminary, and earned his Bachelor of Divinity degree from Yale University in 1941.

During World War II, he was chaplain in the U. S. Marine Corps and was the chaplain on the USS Aniso from 1944-46.

Wooldridge was pastor of the Congregational Church, Wauregan, Conn., 1939-42; pastor of (See "Y" Page 3)

## STATE COLLEGE KEEP FIGHTING ALONG

Words by H. M. Ray  
Music "Caisson Song"  
By Col. E. L. Gruber

Play the game, fight like men,  
We're behind you lose or win—  
State College keep fighting along!

Scrap 'em men; hold 'em fast;  
You'll reach victory at last—  
State College keep fighting along!

Rise, me, to the fray, and let your banners wave,  
Shout out our chorus loud and strong;

And where'er we go we'll let the whole wide world know,  
Old State College keeps fighting along.

EDITORIAL COMMENT:

Welcome!!

Welcome to State College!!

You are the new blood of life to our school, and you have come to fill a gap that was left by the seniors who graduated in June. Will you merely fill the gap inanimately, or will you do more?

There are several distinct types of students who leave state after so long a stay here. First, there are the ones who graduate, and then, there are the nearly 50% of a freshman class who will never graduate. Which group will you be in?

Of the ones in your class who graduate in 1959, will you be one of the 25% or 15% or less who took the time to participate in extra-curricular activities. Or to put it another way, will you be one of the minority who graduates with a truly well rounded education?

But, don't let us discourage you. To paraphrase an old expression, You only get out of anything what you put into it.

The same is true of college.

Your first responsibility both to your parents and to the school, of course, is your academic work. It is not possible for every one to keep his school work up and at the same time to participate in extra-curricular activities, but these students are few. We would like to see this freshman class, the largest in years, to be the most outstanding one in a long time. To do this though you must really "get up and go."

The College Union, publications, professional societies, Student Government, and the other campus organizations welcome you to their first meeting. By joining and working in one or more of these organizations you will not only be boosting school spirit and adding new strength to campus organizations, but most important you will benefit by the friends that you will make and the experience that you will gain.

SCHOLARSHIPS

The 15 North Carolina high school graduates (pictured above) are winners of "Talent for Service" Scholarships at State College and will enroll as freshmen at the college this fall. The scholarships, valued at \$2,000 each, are sponsored by the college's Development Council and are awarded on a competitive basis among a group of the State's highest ranking high school seniors. Top row, left to right: Robert Thomas Seay, Bryson City; Bruce Hilton Webb, Route 1, Fountain; William Ernest Evans, Murfreesboro; Lloyd Burton Worthington, Jr., Winterville; and Willett Boyd Bennett, Jr., Hendersonville. Middle row, left to right: Carlton Walker Duke, Jr., Norlina; Ambrose Schenck Cline, Route 2, Raleigh; Billy Newcomb Ayscue, Route 2, Henderson; James D. McNatt, High Point; and John Douglas Inman, Route 2, Pilot Mountain. Bottom row, left to right: Critz Horton George, Raleigh; Wallace Reece Spivey, Route 2, Seagrove; Kenneth Eugene Elliott, Black Mountain; Charles Aubrey Jenkins, Raleigh; and Rodney McSwain Dixon, Statesville.

Have You Heard?

That the school laundry is going to provide pick-up service for the first time in history this year?

That the Alumni Building is scheduled for a rebuilding and enlarging job and that rumor hath it that it is to be air-conditioned?

That the TECHNICIAN is sorely in need of young blood to fill out its staff?

Bids Opened For Alumni Project

Low bids which were opened at a public meeting at the college last week for the construction of an Alumni Memorial Building here, amount to a total of \$130,547.

Low bidders on the building project, which includes 3,600 square feet of new construction and 7,000 feet of remodeling, were J. M. Thompson Company of Raleigh, \$94,985 for the general construction; Page Electric Service of Raleigh, \$11,895 for the electrical work; Bolton Air Conditioning and Heating Company, \$16,085 for the heating and air conditioning; and Wake Plumbing Company, also of Raleigh, \$5,582 for the plumbing.

Frank B. Turner of Raleigh, a past president of the State College Alumni Association and chairman of the Alumni Memorial Building Committee, said the bids are now under study and will either be awarded or rejected within 30 days.

A portion of the funds for the construction of the building—to be erected as a memorial to approximately 300 State College alumni who lost their lives in World War II—already have been contributed by alumni and friends of the college.

The present Alumni Building, which was constructed in 1897 during the administration of the college's first president, Col.

Alexander Q. Holladay, will be remodeled and will become a part of the expanded structure.

The work will consist of a masonry structure, with brick exterior.

Plans for the building were drawn by Holloway-Reaves, architects of Raleigh.

The old Alumni Building was

used for many years as the college infirmary, which was moved several years ago to a building south of the Frank Thompson Gymnasium. In 1947, the old infirmary building was assigned to the Alumni Association. The old building was enlarged and remodeled during the administration of...

## Wolfpack Backfield Small in Size—But Ranks As Fastest Combination In ACC

North Carolina State may not have many "horses" this year, but the Wolfpack has a corral full of "ponies" which could make any football coach envious.

In football lingo, a pony is a small player. And the Wolfpack has a flock of miniature backs which should be hard to lasso this year.

Earle Edwards is optimistic about his little men, most of whom are sophomores.

"I'm sure that most of our sophomores will play a lot, and I think they will aid us considerably," he said. "Of course they have no game experience and will make mistakes but we have to take that chance. We have some good players among the rookies and they'll have a chance to prove themselves this year."

The second team backfield is composed of sophomores Dick Hunter and Dick Christy at halfback and Tony Guerrieri at fullback. The quarterback is Colbert Micklem, a junior.

Hunter and Guerrieri are little men at 5-7 and 5-6 respectively, while Christy and Micklem are 5-10. Hunter, who weighs only 150, is a breakaway runner capable of going all the way with a block or two.

Guerrieri carries 175 pounds on his small frame but resembles a miniature Charles Atlas with bulging biceps and thick legs and shoulders. Strong and powerful, he blasts through the line like a dynamite-charged elephant.

Christy is a 183-pounder who likes to go for the distance with a shake of the hip and a burst of speed in the open field. He was a regular on last year's strong freshman team along with Hunter and Guerrieri.

Just in case Coach Edwards wants to substitute and put in another pint-sized halfback, he has Mike Miller, a 5-9, 150-pounder, and Ken Trowbridge, who stands 5-8 and weighs 167. Both are expected to see action this year in a reserve capacity.

## '55 Football Season Looks Bright For Wolfpack Twenty Lettermen and Host of Sophomores Could Give State Best Team in Years!

With 75 points scored in the off-season game (White 40 Reds 35) indications point to the 1955 North Carolina State Wolfpack fielding a vastly improved team over last year. Even the usually pessimistic coaching staff has admitted that the upcoming team should be 50% better than its immediate predecessor.

For the first time in 5 years the Wolfpack had a 55-man squad when practice began Sept. 1. Numerically this affords good depth at each position and experience-wise there are twenty veterans on hand to afford at least one monogram winner at each position.

Perhaps one major reason for optimism also is the showing of approximately 30 rising sophomores who're certain to have a major role in the success or failure of the 1955 team. They represent the key men from last year's freshman team which posted a 4-1 mark for the most impressive yearling season in a decade at N. C. State. Several of these are already pressing seasoned veterans for top jobs on the '55 team.

Most improvement in drills is noted in offensive line play, a department that lacked spark last season. More speed from linemen and better blocking indicates a better balanced offensive punch. Pass receivers shows marked improvement and passers are more accurate.

Defense appears to still be a question mark for '55, but the wealth of talent at several positions points toward improve-

ment. Sophomores particularly are hustling and veterans have advanced with the competition. Most of the spring work was concentrated on offense, but the defense will be better than last year when the key men are on a single team and not divided as they were for the off-season practice game.

A look at the personnel shows the main problem at end where two lettermen, Ronnie Gall, and John Lowe are the only experienced performers. Reserve strength here is questionable, but Sophomores John Collar, Bob Turner, and Bob Kennel and Jay Beacon are all rated as promising with Bob Becker, a senior reserve, also on the upgrade.

The Tackle spots have been

strengthened by the switch of John Szuchan, a 200-pound guard, to the position to help out lettermen Bob Dunnigan, Henry Spivey, John Bagonis and C. M. Price. Sophomores Fran-

### —NOTICE—

There are several openings on the sports staff of the Technician to any freshman, with or without experience. Any one who thinks they might be interested in working on paper during the year can call the sports editor at 9531 or drop by the Technician office any Tuesday night. The office is in Rooms 137-139 of the 1911 building.

### WWWP On Air

Sam Harrell, manager of radio station WWWP (580 kc), announced today that WWWP started operations for the new school year last night.

"During orientation week the broadcasts will be beamed to the freshmen to keep them posted on activities," said Sam. In addition there will be plenty of music for entertainment he said.

WWWP will broadcast from six until twelve every evening from their Studios located on the third floor of the 1911 Building. Sam issued an open invitation to all freshmen to drop by the studios.

### NIGHTOWLS

At least one North Carolina State football player thinks the College's nickname should be changed from Wolfpack to Nightowls.

"With six out of 10 games on the schedule," he remarked, "we should be named appropriately."

The Wolfpack has been practicing nightly under the lights in Riddick Stadium in preparation for the season's opener Sept. 17 with Florida State in Tallahassee. The kickoff is at 8 o'clock.

Other night games are with Duke, Wake Forest, Villanova, William and Mary and West Virginia.

# State Opens '55 Season Against Florida State

Coach Earle Edwards begins his second season at North Carolina State Saturday night in Tallahassee, Fla., when the Wolfpack meets Florida State in the 1955 curtain raiser for both teams.

**EARLE EDWARDS**  
Head Coach—N. C. State

And Edwards, the gentlemanly mentor who came from Michigan State, believes the opener against the Seminoles might go a long way toward determining the success of the 'Pack.

"People don't realize that Florida State has a strong team," he said, "and they expect us to win in a breeze. Tom Nugent is building a powerhouse down there and beating him is a tough assignment. We've got to win the opener to keep our players from getting a defeatist attitude and to keep the fans from thinking we have another loser."

Edwards continued: "We definitely will be better this year. We know the players and the players know what we expect of them. The spirit is unusually high because the boys want to win. They're not pleased with

having a losing team, and I think State is going to be a surprise team."

The 38-man traveling squad will leave Raleigh Friday at 4 o'clock by chartered plane for Tallahassee.

Edwards announced that he would start John Lowe and Ronnie Gall at ends, John Szuchan and John Bagonis at tackles, Al D'Angelo and either Mike Nardone or Hugh Pierce at guards, and Dick Tonn at center.

In the backfield, State will have Eddie West at quarterback, George Marinkov and John Zubaty at halfbacks and Harrison Makeever at fullback.

Several sophomore's will make their varsity debuts against the Seminoles, Edwards reported. He named ends John Collar, Jay Beacon and Don Miketa, tackles Tom Guerrieri and Dick DeAngelis, guards Francis Tokar, Joe Monahan and Julius Compton, center Jim Oddo and backs Dick Hunter, Dick Christy and Tony Guerrieri as the rookies who probably will play.

State will make headquarters at the Cherokee Hotel and will return to Raleigh Sunday morning by plane. The Wolfpack opens their home season Sept. 24 against Duke.

Advanced season and individual ticket orders for N. C. State's 1955 home football card are the heaviest in the history of the school according to an announcement made today by the college's athletic department.

The record number of orders attributed largely to the finest home schedule in years at the West Raleigh campus. Coach Edwards' Wolfpack will meet all of the Big Four, Duke University, University of North Carolina, and Wake Forest College, on home soil. The Pack will also play host to West Virginia, defending Southern Conference champions, and the Indians of William and Mary College.

State will open its home grid schedule on Saturday September 24 against Duke University's Orange Bowl champions in a night affair. The following week

on October 1st, the Wolfpack entertains the Tar Heels of North Carolina in their only daylight contest of the season. It will mark the first time since the war that Carolina has met State in Raleigh.

On October 15th Wake Forest will provide the opposition under the lights. State's annual Homecoming affair is slated for November 19th with William & Mary College. The game will follow the usual Homecoming parade and alumni gatherings scheduled for that afternoon. The Pack will close out its season on the following week-end when the host West Virginia's Southern Conference champs also under the lights.

### FOOTBALL

(Cont. from Col. 6 Page 4)

DeAngelis and Tom Guerrieri will provide the depth.

At guard the Wolfpack will be strongest in the line with All-State Al D'Angelo and regular Mike Nardone returning along with Hugh Pierce, a 200-pounder back from the service and terrific sophomore Francis Tokar, as the top four performers. They'll be backed up by Sophomores Joe Monahan and Julius Compton, both of whom look good enough to see plenty of action.

The center job finds hot contention between Sophomore Jim Oddo and veteran Dick Tonn with Alan Henry and Dick Goudie backing them up.

In the backfield All-Conference George Marinkov and veteran John Zubaty look like the half-back starters with a lot of help coming from sophomore standouts Dick Hunter and Dick Christy and lettermen Ted Kilyk. Quarterback will be in the capable hands of improving Eddie West with Colbert Micklem and Billy Franklin as understudies

### COL. RISHER

(Cont. from Page 1)

the Methodist Church, and Mrs. Risher a member of the Lutheran Church. Colonel Risher is also a member of the Masonic Order. He and his family are residing at 219 Dry Avenue, Cary.

while fullback might be the weakest backfield position with only Harrison Makeever with any experience. However Tony Guerrieri, an improved sophomore is good and Wallace Prince a definite prospect.

### Bachelors Only

The current issue of SAGA magazine contains a Field Guide for Bachelor Entertainment. By "entertainment" the magazine means the favorite pastime of most bachelors—having a lady to the apartment.

SAGA has put together a number of rules which the editors feel ought to ensure a reasonable amount of success for the bachelor intent on spending a quiet evening in the confines of his own four walls with the young lady of his choice at the moment.

The first step, says SAGA sagely, is coaxing the lady to look favorably on the idea of being entertained in a bachelor's apartment. This requires tact. "How about coming up for dinner?" is as clumsy as the old invitation to inspect your etchings; warns SAGA.

The recommended procedure: Take the lady to a good restaurant. No matter how fine the food, disparage the chef's ability. Lady will ask, sarcastically, if you can do any better. Imply in the affirmative. Before lady realizes what she is saying, she will exclaim that she can't wait to see what atrocity you'll concoct when you have her to dinner. Now she can't back out; she has invited herself.

On the day of the big event, clean apartment not too scrupulously; idea is to have everything looking disarmingly natural.

Set the table beforehand and consult Amy Vanderbilt for proper placement of eating utensils.

As to attire, don't wear a smoking jacket. This will make her think of the last Cesar

### NEW OFFICERS OF THE CU

Newly-elected officers and committee chairmen of the College Union, who are now engaged in preparing a wide range of extra-curricular activities for the college's more than 4,000 students during the next school year, are pictured above. Top row, left to right: Sam Beddingfield of Clayton, president; Fred Rawicz of Rego Park, Long Island, N. Y., vice president; Nancy Ann Moody of Raleigh, secretary; William Chreston Holoman of Raleigh, film committee chairman; and Bobby Strother of Route 1, Cary, social committee chairman. Middle row, left to right: David Hostetler of Raleigh, music committee chairman; James B. Smathers of Deland, Fla., photography committee chairman; George Cline of Chapel Hill, forum committee chairman; Marilyn Collins of Raleigh, hospitality committee chairman; and John Buckner of Black Mountain, outing committee chairman. Bottom row, left to right: Daniel D. Yager of Leaksville, house committee chairman; James Newman of Leaksville, dance committee chairman; Bobby Smith of Belvidere, activities committee chairman; Herbert Adin Justice of Route 2, Forest City, library committee chairman; James W. Gahan of Union, N. J., publicity committee chairman; Harry L. Neely, Jr., of Charlotte, hobby committee chairman; and Bobby J. Ellis of Asheville, games committee chairman. John Peterson of Raleigh, gallery committee chairman, is not pictured.

Romero movie she saw and she will become suspicious of your intent. A sport jacket will do nicely.

So that she will be completely relaxed, SAGA recommends you have an unattached male present. The third party should be amusing (but not too amusing), friendly (but with a certain reserve), and above all, on his

way somewhere. Under no condition should he be anyone who is likely to stay longer than the instant the last drop of his drink has slid down his gullet.

Speaking of drinks, SAGA suggests a Compari Cocktail; it's about twice the size of an ordinary Martini.

The meal to follow the drink is graphically described and rec-

iped by SAGA. Some of the more important things to remember are the sherry in the soup, the Cointreau in the roast, the bourbon in the carrots, the champagne or white wine with the dinner and the brandy with the coffee.

With appropriate music in the background, you've got the situation made.

### School of Engineering Sponsors Course Here

A five-day Sewage and Waste Operators School opened in the School of Engineering this week. In an address of welcome, Dean J. H. Lampe of the college's School of Engineering told the delegates that they "have a great challenge and a great opportunity for service." The school is being sponsored by the N. C. Sewage and Industrial Waste Association in cooperation with the School of Engineering and the Extension Division at State College. Its purpose is to offer the latest information and developments in waste disposal required by municipal and industrial personnel. In addition to waste disposal

operators, the school has enrolled city and industrial engineers for its courses. Instruction is being given by members of the civil engineering faculty and lecturers from industries and city governments throughout North Carolina.

At the close of the school on Friday, students will take examinations to determine their proficiency in waste disposal techniques. On the basis of these

tests, they will qualify for A, B, C or D certificates. These will be presented by the Sewage and Industrial Wastes Association. Dr. Nelson L. Nemerow of the college's Civil Engineering Department was chairman of the program committee which planned the school.

# Personnel Changes Made In Air ROTC

Assignment of a new Assistant Professor of Air Science and three administrative assistants were announced by Colonel James F. Risher commandant of State's Air Force ROTC Detachment.

The new Assistant PAS is Major Hilliard B. McCullough, a veteran of World War II.

A native of Fort Pierce, Fla., Major McCullough is a 1936 graduate of Oglethorpe University, where he received his B.A. degree in physical education. While a student at Oglethorpe, he was a four-letter athlete, starring in football, basketball, baseball, and golf.

Beginning his military career

as a volunteer in 1939, Major McCullough was graduated from Glider Pilot School at Delhart, Texas, in 1942. He was then assigned to the 316th Troop Carrier Group, flying support missions in Europe and providing close support to the British 8th Army, well known as the "Desert Rats," in their campaign against the German General Rommel, in the African Desert.

Returning to the United States in 1945, he drew various duty assignments and in 1952 was assigned to England, where he served with the 20th Fighter Bomber Wing until his assignment to State College.

Major McCullough is married

to the former Marjorie Bracken of Chicago, Ill. Mrs. McCullough is the daughter of Stanley Bracken, Sr., who has recently retired as president of Western Electric.

Major McCullough is a Baptist, and his wife is a Presbyterian. They are the parents of two children—a daughter, Noni E., age 13; and a son, Thomas B., 6, and reside at 129 Forest Road, Raleigh.

Mrs. McCullough and their children are vacationing in Laddu-Flambeau, Wis., pending the arrival of their furniture from England.

The new staff members are Master Sgt. Norman Dail, Technical Sgt. Willie M. Whittington, and Staff Sgt. Gilbert E. Winecoff, all of whom have assumed their duties at State College.

Sergeant Dail, a veteran of 18 years of military service, has replaced Master Sgt. Clifton Roger Morgan as Sergeant Major. Subsequent to his assignment to State College, Dail was stationed in Japan with Headquarters, Fifth Air Force. He is married to the former Sallie L. Hunter of Beulaville. Sergeant and Mrs. Dail are residing on Wade Avenue in Garner along with their three

children—John, age 16; Delinda, 9; and Mira Jerito, 2.

Sergeant Whittington, a native of McComb, Miss., has had 14 years of active duty. Enlisting in August, 1940, Whittington has seen over-sea service in the European Theatre and Newfoundland, and for four years was assigned to the U. S. Air Force Recruiting Service in New York City.

His most recent assignment was with the 3320th Technical Training Wing, Amarillo AFB, Texas. He is married to the former Mary Rebecca Maynor of Hillsboro. Sergeant Whittington and Mrs. Whittington are residing at 814 Demerius Street, Durham. They have two children—Sandra, 8; and Lois, 4.

Sergeant Winecoff, a native of Concord, has been assigned to the Adjutant's Section of the Air Force ROTC. Prior to this assignment, Winecoff was on duty with the Headquarters Section of the Air University at Maxwell Air Force Base, Ala. Sergeant Winecoff enlisted in the Air Force in June, 1951, and since that time has risen to his present rank. His overseas duty was with the 39th Air Rescue Squadron of the 3rd Air Rescue Group stationed in Japan and Korea.
