Roger Hill, Senior Class President, has said, "This should be the biggest and best Junior-Senior Dance yet." He urged that all Seniors take advantage of the dance and concert.

This is the first time in the history of State College that there has been a big name band playing for the Junior-Senior Ring Dance. There will be the traditional ceremony for the Juniors in honor of their receiving their class rings.

George Cochran, President of the Junior Class, urged all Juniors and Seniors to get their best

girl and join in the festivities of the week-end. Cochran was quoted, as saying, "We have put a lot of work, sweat, and money on the Junior-Senior, and I'm sure it will be great. I wish to thank Bobby Deans, the Dance Chairman, and Neal Birch, who is working on the traditional figure at intermission, for their hard work."

First Floor Apartments To Be Used

Second Story Verville Areas To Be Vacated

Five Trials Held By Judicial Board

In the past two weeks there have been 5 trials by the Judicial Board.

Six students were found not guilty of ungentlemanly conduct.

A student was placed on probation for the remainder of the semester for ungentlemanly conduct.

For throwing a firecracker in the dorm., a student was given a reprimand by the Board and warned that another offense would be dealt with more severely.

A student used a false name in trying to sell a book he had found. He was placed on probation and a letter was sent to his parents explaining the incident.

Another student had checked several books out of the library under an assumed name. He was placed on probation and a letter was sent to his parents.

Friday Is Last Day To Rent CU Space

Friday is the last day to arrange for office space in the College Union Organizations Office for the coming school year.

Student organizations requesting office space should pick up their contracts in the C. U. Activities Office as soon as possible. These contracts are to be returned to the House Committee box in the office by May 3.

Office space will be assigned on the first come-first served basis.

All second-story apartments in Verville are being vacated. Because of the fire hazard and the condition of the buildings, only the first floor apartments will be used in the future.

Present occupants of second-story apartments will be relocated in first floor apartments as they become vacant. No new occupants will be assigned apartments in Verville until all second-story apartments are vacated. All vacancies occurring in Verville will be offered on a first come, first serve basis to the present occupants of second-story apartments.

When all of the second-story occupants have been relocated, additional vacancies will be made available to new occupants by the presently established procedure.

In a letter from J. G. Vann to H. H. Hutchinson, Manager of Verville, Mr. Vann said: "This action, I am sure you and the students will understand, is necessary on the part of the

College because of the fire hazard, the condition of these buildings and the action of the office of the Insurance Commissioner in recommending the immediate discontinuance of their use."

Second-story apartments in Buildings No. 28, 29, 30, 31, 32, 33, 34, 35, 36, and 37 will be the ones vacated. As seniors who are now in these places graduate, the apartments will not be reoccupied or used in any manner.

Scheduled to graduate in June are 14 seniors who are now in second floor apartments, 8 seniors in first floor apartments, 41 in one-story buildings, and 10 in UK's—a total of 73. The total families now living in two-story Barracks is 80. Of these, 40 live in second floor apartments. Thus, these who are now living in second-story apartments will be relocated in first floor apartments after the seniors graduate and there will be additional vacancies for new occupants.

Changes In Room Rentals Announced

Director of Student Housing, N. B. Watts, has announced three major changes in dormitory rental policies for the year 1957-1958. The policies are made in view of the shortage of housing anticipated in September.

Following are the policy changes and explanations:

1. Room Cancellation: All rooms reserved but not occupied by the first day of registration

by former students will be cancelled and the space made available to other students unless the Dormitory Rental Office has received prior notice in writing that the student will be delayed in registering. This change is necessary in order to provide rooms for those students who will be present on the campus and will need a place to sleep.

2. Reservation Fee: Any student reserving a room but not occupying it for the semester will be charged a \$10 reservation fee. This is put into effect to prevent those from reserving rooms who do not plan to live in the dormitories. A similar admission fee is charged a student who fails to register.

3. Payment: Due on or before July 1.

Outstanding Senior Award

Shown above is the cup which will be presented to State College's outstanding Senior by Blue Key.

CU To Be Scene For Jazz Concert

An informal jazz concert will be presented Tuesday at the College Union in the lounge and on the terrace beginning at 8 p.m.

Art Blakey and the Jazz Messengers, leaders in progressive jazz, will demonstrate the style that has made them so well known in their field. Blakey and his group have recorded for Columbia and Blue Note records.

Students, their dates and other College Union members will be admitted free.

\$1 Date Tickets

For the past several years there has been much controversy each fall about tickets to football games. Each year a hasty plan is drawn up and announced to the students about mid-season. It seems that this is a very fine example of very poor planning.

There is one month left in the present school year. The problem of date tickets and tickets in general should be ironed out now, rather than next year. The students have a right to know before next year at registration whether they are going to have tickets, ticket books, or identification cards to get into the State-Carolina game—which is the very next day after registration.

The Student Government in the past several weeks has recommended both that students have identification cards (instead of ticket books) next year and that date tickets be available for \$1.00.

The Athletic Council must now make a decision on these recommendations. It seems that it is the duty of the Athletic Council to meet immediately and make some decision on both of these matters. Of course, the Council could wait and hold its next meeting after school is out and leave the students uninformed on any decisions until next year. We hope, however, that they will not follow such a course.

Many students now have the opinion that \$1.00 date tickets are definite and that they are a "sure thing" for next year. This is not the case, however. One dollar date tickets are not definite . . . in fact, we have heard that the Chancellor has said that there is very little chance, if any at all, that we will have them. (And if the William & Mary game is sold to the Shriners, how much chance is there of getting a ticket for one dollar to that game?)

Those who are opposed to the \$1.00 date tickets say it is financially impossible. They point to the fact that nearly one-half the Stadium would be filled with people who were paying less than a third of what the tickets could be sold for to others, and say that just last year the football team went \$18,000 in debt.

As for the identification cards, there is the problem of getting them ready—with photographs—while the student is registering . . . or at least by the football game the next day.

Admittedly, the Athletic Council has two problems here. Not in spite of these problems, but because of them do we request that the Council meet as soon as possible. The problems should be resolved and the student body should be informed before school is out of any decisions made.

Letters will be printed and the name withheld if it is requested that the name be withheld for a good reason, the letter unless they are signed.

TO THE EDITOR

I composed this little ditty after one particularly hair-raising class change and pass it on to you to publish if you wish. It should find many a sympathetic reader and perhaps a chuckle or two.

A PEDESTRIAN'S PLEA

Almost any morning, just on the hour,
 Down by the Textile Building or up by the Tower,
 When throngs of Pedestrians making for class
 Are tracked down by Autos with frightening mass.
 The scream of the brakes mingles with that of the Grazed,
 And those narrowly missed murmur, "Allah be Praised".
 But in ten short minutes the battle is past,
 And the Second Bell tolls for those not so fast.
 Oh, All Powerful Autoist, controlling glittering steel,
 To us Poor Pedestrians Thy mercy do yield
 And grant that we may, from Williams to Peele
 Have ten minutes between classes without bumpers to feel.

W. L. Clarke

To the Editor:

I have just finished reading the woeful plight of one of our fine ROTC students. His sad story touches me deeply.
 This young man is going to be deprived of an early getaway toward home because the Army ROTC has scheduled a meeting at Wednesday noon, April 17.
 What in the world is the ROTC doing to the boys these days? They are compelled to drill two days a week if the weather isn't a bit chilly or slightly warm. If the weather is bad they must make up this time by attending a classroom lecture that lasts for one whole hour. Beats me as to what ROTC is trying to do to

students these days. It wouldn't surprise me if this particular young man's mother or dad didn't write their congressman a letter.
 To whomever this young nitwit may be a word of reminder. Don't you forget why America is enjoying the peace and prosperity that prevails today. It wasn't given to us.
 My regret is that I shall never enjoy the privilege of serving as your field first sergeant in the REAL army. I can think of no greater satisfaction than teaching a punk like you the basic principles of life.

Girl (In) Dorm

To the Editor:

I have heard that there is some talk around campus that a dormitory for co-eds is needed at State. I definitely agree. Not because coeds will improve school spirit, not because they somehow make one take more pride in his school, not because morale is better at co-ed schools, and not because, in general, the boys take more pains about having their shirts washed at least once a week, but simply because I think boys should be able to have dormitories which are not occupied at times with females.

In recent weeks, and undoubtedly before that, there have been females in our dormitories at night. What I'm getting at is this: There is a rule that females are not supposed to be in the dormitories at State. And recently this rule has been abused, if not mutilated. Boys have had girls in their rooms late at night. Without mentioning dorms or persons, I will say that there is photographic proof of this. One person took pictures of a girl in his room . . . State's baseball team has taken the lead in the ACC race and now sport a 9-2-1 record.

hold of these without paying a pretty penny.

This situation, to say the least, is outrageous. It is not widespread, but it is existent. Somebody should see that it is stopped.

"Finest Tennis In The World" On Display at Coliseum Tomorrow

It is safe to say that Pancho Gonzales and Ken Rosewall are two best tennis players in the world today. The fact that they are opposing each other in the "finest tennis in the world" match at the Coliseum tomorrow night at 8 o'clock makes the match even more interesting.

Pancho, a fun-loving, serving netter has ruled the professional roost since 1954 when he won the last four World Professional Championships. He is now ranked number one in the world.

Rosewall, a 5-6, 140-pounder from Sydney, Australia, turned professional in 1956 after beating fellow countryman Lew Hoad to become the undisputed king of the amateurs. He won singles titles in the United States, Australia and France and held a double-hold on the major international doubles crowns.

Students will be admitted for the match. Tickets are on sale at the Coliseum Box Office.

Editor's Note: Coach John Kenfield, Pancho's tennis coach, has personally urged all students to attend this match to see the "finest tennis in the world." The match will be a double feature with Ken Rosewall and Pancho Gonzales.

Baseball Squad Has 4 Games This Week

North Carolina State's baseball team has four games scheduled for next week, including three with Atlantic Coast Conference teams.

The Wolfpack takes to the road for games with Virginia Monday afternoon, Maryland Tuesday and East Carolina, a non-league foe, Friday. State returns home Saturday for a clash with arch-rival Wake Forest.

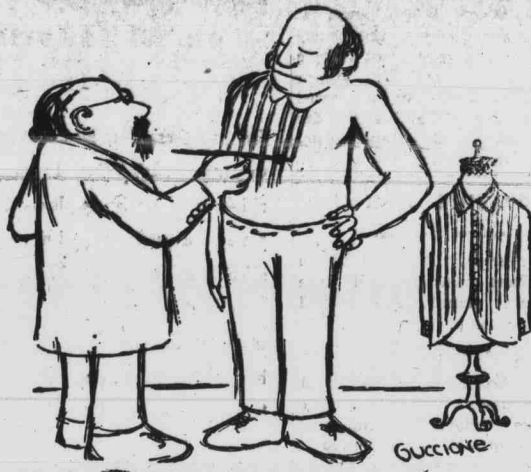

Coach Vic Sorrell's nine will be meeting each of the conference teams for the second time this season. The Pack beat Virginia 4-3 and Wake Forest 9-4 but lost to Maryland 3-1 and Duke 9-2.

A sweep of the three games would keep the Wolfpack high among the contenders for conference laurels.

"I think we will have a good chance of staying in the conference race if our pitching con-

GO, VAN, GOGH!

Once upon a time, when the world was really evil, and a thief lurked behind every bush, cautious men had their shirts painted on! The reason for this is explained by a perceptive saying of those days:

"Forsooth, nothing deters those rascallions about town. They'll steal anything that isn't buttoned down."

Rough days — particularly for the shirt business, what with painters picking up all the profits. Until, suddenly, an idea of genius appeared. The button-down shirt! This shirt was actually buttoned on to the chest of the wearer, making it absolutely steal-proof!

Today, in these honest times, it still feels its influence. It is

the true ancestor of that glorious style—the shirt with the button down collar! Isn't history interesting?

Van Heusen—because they know so much about the button-down — has done more with it than anybody else. Take our new line called the Van Ivy, for instance. Here are button-downs in tartan checks and stripes. Van Ivys look marvelous with suits and sport coats, and worn open at the neck give you a roguish look. They also have a button on the back of the collar, for authenticity's sake. See them. \$4.00 in short sleeve, \$5.00 long sleeves.
