To Chancellor

Nolan Presents Tickets Proposal

Jim Nolan, President of Student Government, presented the proposal of the Investigations Committee of Student Government concerning student tickets to Chancellor Carey H. Bostian at the Liaison Committee meeting last Friday.

The proposal read as follows: Whereas, the students of North Carolina State College feel that \$3.50 for date tickets for the remaining football games is not satisfactory; be it resolved,

that the Student Government ask the Administration and Athletic Department for a reduction of date tickets to \$2.00 for the remaining two home football games.

Be it further resolved; that a stringent check be made of all student books and registration cards at these games and when proper identification is not presented, books be confiscated, and that all students be thoroughly informed of this procedure.

Nolan stated that he was aware that this was not an answer to all problems, but was intended only as an interim measure until the close of football season. He said, "We have begun preparation of another, permanent suggestion, but we hope this will ease the situation this season. It should be in effect before Homecoming."

Dean Banks C. Talley explained, when asked about the pro-

(See TICKETS, page 8)

Covering Campus . . .

Agromeck

It is necessary and very important that all Fraternities and Organizations wishing to reserve a space in the 1957 AGROMECK have their space contracts in to the AGROMECK office on or before November 10.

Homecoming Dance

Climaxing the events of Homecoming Day on November 10 will be a Homecoming Dance sponsored by the Monogram Club. The dance will be held from 8:30 to 12 in the College Union Ballroom.

Buddy Klein and his Orchestra will furnish music for the informal dance. Admission will be \$1.50 per couple.

Fox Memorial

A cypress tree was planted by the Forestry Club last spring in front of Kilgore Hall as a memorial to the late Dr. William B. Fox, who met his untimely death in 1952. A plaque, set on a stone and bearing the inscription "This Tree Planted in Memory of Dr. William B. Fox, 1915-1952, Professor of Botany, Friend, Teacher, and Scholar," was also set in the ground last week to designate the memorial.

Pershing Rifles

The N. C. State College Chapter of the National Society of Pershing Rifles participated in the Shriners Parade held on October 20th in Raleigh. The members, all of Headquarters Company, Army ROTC Cadet Regiment, entered a 28 man drill platoon commanded by Cadet Major Richard C. White of Danville, Virginia.

Finance Committee Discusses Proposed Loan For Fraternities

The Finance Committee of the Board of Trustees of the Consolidated University met with representatives from State College last Saturday morning to discuss the proposed loan from the University Escheats Fund for the purpose of preliminary financing the new Fraternity Row.

Seniors Vote to Change Diplomas

Roger P. Hill, President of the Senior Class, expressed delight Monday with the size of the crowd present at the Senior Class meeting last Friday. He said, "It's the largest crowd we've had out for a meeting in a number of years. There must

(See DIPLOMAS, page 8)

Chancellor Carey H. Bostian, Dean of Student Affairs J. J. Stewart, and Assistant Comptroller for State, J. G. Vann, met with the Committee and Mr. William Carmichael, Comptroller of the Greater University. Representatives for the Committee were Mr. H. P. Taylor of Taylorsville and Mr. C. Lacy Tate of Chadbourne.

The group from State presented a revised plan, greatly similar to previous proposals, for the consideration of the Committee. Taylor and Tate expressed the wishes of the Committee, asking that a more concrete proposal be drawn up and presented to the Committee at a later date. Officials from State expressed the idea that they were satisfied and somewhat encouraged by the meeting and

(See FRATERNITIES, page 8)

By Terry Lathrop

William C. Friday, State College graduate and Acting President of the Greater University of North Carolina, will in all probability become the youngest President of the University ever appointed, tomorrow at the special session of the Board of Trustees.

The Board, meeting at 2:00 p.m. tomorrow, will act on the recommendation of the special committee appointed to choose the new President. The recommendation of Friday was passed by the Executive Committee of the Board last Thursday, and is practically assured of passage tomorrow.

The Committee which had the responsibility of choosing the new President was composed of Victor Bryant of Durham, Kemp D. Battle, Rocky Mount; Horton Doughton, Statesville; Dr. Harvey Mann, Lake Landing; Rudolph Mintz, Wilmington; Mrs. Albert H. Lathrop, Asheville; Dr. Shahane Taylor, Greensboro; W. Frank Taylor, Goldsboro and Mrs. C. W. Tillett, Charlotte.

The Consolidated University, made up of three units, State in Raleigh, UNC in Chapel Hill, and the Woman's College at Greensboro, has been without a permanent President since Gordon Gray resigned in June, 1955. Dr. J. Harris Purks served as Acting President until his appointment as director of the State Board of Higher Education. Friday was appointed last March 1 to succeed Purks.

Friday is an alumnus of both State and Chapel Hill, having received a Textiles degree at State and a Law degree at Chapel Hill. He was a member of Golden Chain at State, and also served on the staff of *The Technician*. He was President of the Senior Class in 1941 and was elected permanent President of the class upon graduation.

Friday is a native of Dallas, N. C., and is married to the former Ida Willa Howell of Lumberton. They have two daughters, Frances, age four, and Mary Howell, age eight weeks.

S. G. Hears Proposal for Making Film

By Waring Boys

This year's third Student Government meeting was called to order last Thursday night by Vice-president John Lane. New items included a request for replacement of worn-out equipment of the Drum and Bugle Corps, the making of a film to show campus improvements, a report on freshman elections, and an announcement of progress made on date tickets and the athletic book problem.

The meeting began with the swearing in of Don Memory to fill the vacancy created by Tom Coleman. Jim Peden, Regional Chairman of National Student Association, gave the report of the Ninth National Congress. The Budget and Finance Committee report was given by Joel

Judicial Board

At a trial on October 18, 1956, the Student Judicial Board found a student guilty of having cheated on an examination. This student was suspended from school for the remainder of the semester.

Parker. The Drum and Bugle Corp, represented by Ernest L. Ross, came before the Legislature with a request for \$600.00 to replace equipment that has worn out. A motion was made to this effect and passed.

The Welfare Committee put a motion on the floor concerning the making of a film to inform students of the progress made in areas of improvement on campus projects. It was resolved that the Welfare Committee undertake a project of making a film of these activities and achievements and also of the improvements undertaken by the college.

Al Potts, chairman of the Welfare Committee, reported on the conflict of coaching classes and freshman class meetings. The coaching classes on Wednesday night were cancelled. The elections committee reported that progress on freshman elections was being made and the elections will be held on the second Tuesday in November with the polls being open all day.

The Investigations Committee reported on progress made on date tickets and the athletic book problem. The students of

THE FAIR

Friday's Friday

We assume, as have the majority of the rest of the people in North Carolina, that tomorrow will be a notable day in the history of North Carolina's Consolidated University. It's Friday's Friday! The Board of Trustees of the University will, in all probability, name William C. Friday President of the system of three educational units at Raleigh, Chapel Hill and Greensboro.

Friday, who has served as Acting President for several months, was the recommendation of the committee appointed to find a new President after Gordon Gray's resignation and has successfully hurdled the barrier of approval of the Board's Executive Committee. The passage by the full board is practically only a formality.

We are pleased with the choice, as are all the students and faculty members of the three colleges. Friday hasn't been around the University long, and he is the youngest man ever nominated for the position, but there is no doubt about the place he has made for himself in the last few years.

There has been a static feeling emanating from the President's office for the past several months. We can't condemn that . . . a man in an acting position is not supposed to make sweeping decisions and he always has an uncertain feeling about long-range actions. But Bill Friday should be in for good tomorrow. We have faith in him, based on his past actions, that a lot that has necessarily been left undone for the last months will feel a firm hand at the helm.

We welcome the appointment of a permanent President, and we are doubly happy that Bill Friday, both a State and a Carolina graduate, and native North Carolinian has been chosen for the position.

Fraternity Housing

The fraternities at State finally met with a measure of success this past Saturday in their campaign to borrow funds from the Escheats Fund of the University for the proposed fraternity housing project.

The Finance Committee of the Board of Trustees held a meeting Saturday with Chancellor Bostian, Dean Stewart, J. G. Vann of the State Business Office and Billy Carmichael, Comptroller of the Greater University. Two of the members of the Finance Committee were present to act for the entire Committee. They asked that a more concrete proposal be prepared, assumedly more concrete in the financial light. We have been told that Mr. Stewart and Mr. Carmichael will meet this week to prepare the proposal.

We hope that the Committee will move rapidly now that the ice has been broken with the first meeting. After the Finance Committee approves a plan it must go

COTTON PICKING!!
I'VE GOT 5 QUIZES TOMORROW AND I'VE BEEN CALLING MY GIRL NOW FOR 3 HOURS AND 15 MINUTES! WHY DON'T THEY INSTALL MORE PHONES AT THOSE GIRLS' SCHOOLS? GADS!

to the Executive Committee of the Board and then to the full Board for approval. This will at best be a time-consuming process and the project is now well into its second year. The need is increasing as the fraternity houses go from bad to worse in many respects. Several of the chapters have let their houses ride without major repairs for some time, trying to avoid over-costly expenses with an eye toward saving toward a new house.

Everyone seems to accept the idea that the houses will help alleviate the desperate housing problem for State students. They will increase the campus rooms and will vacate numbers of off-campus rooms now occupied by fraternity men.

We cannot urge the Finance Committee too directly to hurry. And we hope that the other bodies who will have to act on the proposal will move quickly too. State's fraternity project is getting well overdue.

Y's Words

"Y" members, you still have a chance to participate more actively in "Y" activities. The "Y" Cabinet meeting is always open to any "Y" member who wishes to attend. It meets each Monday at noon in Room "A" of the cafeteria, and a nominal fee of seventy cents is charged for the meal. If you attend these meetings you will have a chance to really see how your "Y" operates. Attend one, and see for yourself.

By the way, have you attended chapel this semester? There is a service in the Danforth Chapel of the "Y" each Wednesday from 12:40 until 1 p.m. Different denominational chaplains on campus are responsible for the service each week.

There are several interesting programs being sponsored by the "Y" in the not too distant

future. During the Thanksgiving Holidays a United Nations Seminar is being held in New York, and the "Y" is trying to get as many persons as possible to attend. The costs will be approximately thirty dollars and the "Y" has agreed to pay half the expenses of each student going as a representative of the "Y". The Seminar will begin on Friday morning, November 23 and last through Sunday afternoon, November 25. This would also be a good chance to see a little of New York.

Beginning December 27 at Davidson College the United Student Christian Council will begin a six-day study conference. Dr. Waldo Beach of Duke University will be the platform speaker, and several interesting topics will be discussed. This will be a regional conference for all the southeastern United States. Check by the "Y" for additional information.

NATURAL SHOULDER SPORT COATS

Letters To The Editor:

Letters to the Editor must be signed. If it is requested that the name be withheld for a good reason, the letter will be printed and the name withheld. Letters WILL NOT be printed unless they are signed.

Last year Owen Dormitory started what became known as "Go to Church Sunday." The idea was so successful that this year the IDC has begun the project on a campus-wide basis. The plan is simple . . . we would like each student to make sure that he and every other student goes to the church of his choice on the last Sunday of each month. We are definitely not suggesting that this be the only Sunday that you go to church. We do however, want you to make a special effort on this particular Sunday.

Too often students in a technical school get wrapped up in their work and begin to lose sight of some of the higher things in life. This is one reason for our having the "Go to Church Sunday."

The people in Raleigh know very little about the students or student activities on campus. Thus our contacts with the people of Raleigh must be for the main part off-campus. There is no better place in the world to

make these contacts than in church.

So this week let's turn our good intentions into actions. Decide with your roommate now that you'll be in church Sunday morning.

Remember, nothing but good can come from going to church this Sunday and every Sunday. Let's each and every one do our part to make "Go to Church Sunday" each month a big success.

EDIBLE SPORT SHIRTS?

Among the sort of sport shirts that Van Heusen refuses to make are the following:

Sport shirts that light up in the dark: These are the kind that flash messages, like "Hey, baby, you're a honey," or "Pass the ashtray, please." Useful for parties, faculty teas and cotillion balls. But they tend to commercialize the graceful art of conversation.

Sport shirts with road maps on them: Too dangerous. Say you're driving from campus to the big city. You don't know whether to turn left or right at the turnpike, so you look down at your shirt to check. Crash!

Edible sport shirts: Too misleading. You're sitting under a shady tree with your favorite co-ed. She rests her head gently

on your chest. You think she's fond of you. Suddenly you hear "munch, munch," and there goes your delicious shirt! It was it she craved, not you!

But the sport shirts that Van Heusen does make are fascinating. Dashing checks, interesting plaids, splendid stripes, solids in some very unusual colors. Their cut is free and comfortable... their style is original and flattering. Thumb through the collection that your campus haberdasher proudly displays.

At better stores everywhere, or write to Phillips-Jones Corp., 417 Fifth Avenue, New York 16, New York. Makers of Van Heusen Shirts • Sport Shirts • Ties • Pajamas Handkerchiefs • Underwear Swimwear • Sweaters.

Wolfpack Seeks Upset Saturday Against Duke Univ. in Durham

It's been a long time since North Carolina State beat Duke in football . . . 10 years, in fact. But the Wolfpack is not thinking about past records as Saturday's game draws near.

"I think we have a 50-50 chance of winning," Coach Earle Edwards said. "Duke has a fine football team regardless of its record, but I think we will be in the right frame of mind to give them a good game."

Both teams enter Saturday's contest with 2-3 records. The Wolfpack holds wins over North Carolina and Dayton and lost to Clemson, Florida State and Virginia Tech.

The homesteading Blue Devils have defeated Virginia and Southern Methodist while dropping decisions to Tennessee, South Carolina and Pittsburgh.

The game will be played in Duke Stadium beginning at 2 o'clock. It will be the 32nd meeting of the teams with the Blue Devils holding a one-sided 23-7 margin over the Wolfpack. One game ended in a tie.

"Our boys came of age in the last quarter of the Duke game last year," Edwards remarked, "and I hope they can take up where they left off. We lost the game 33 to 7 but our sophomores took over late in the game and marched for our only touchdown. After that, the rookies became our starting team. In the last eight games of the season we won four and tied one."

States' last win over Duke was in 1946, the year the Wolfpack compiled an 8-2 record and met Oklahoma in the Gator Bowl. It was a 13-6 triumph.

The next five years were utter frustration for State as the Wolfpack came close on each occasion but couldn't muster enough power for a victory. It was Duke 7-0 in 1947, 0-0 in 1948, 14-13 in 1949, 7-0 in 1950 and 27-21 in 1951.

Since that time, the Blue Devils have held a decided upper hand in the series.

The Wolfpack will be depending upon its one-two running punch of halfbacks Dick Christy

and Dick Hunter, plus the passing of quarterbacks Tom Katich and Bill Franklin.

Both teams are 1-1 in the Atlantic Coast Conference.

Frosh Beat W-F 19-0 for 3rd Win

State College's Baby Wolfpack grid team racked up their third win of the season last week as they dumped previously undefeated Wake Forest 19-0.

The first Pack score came in the second quarter when fullback Randy Harrell plunged over, fumbled in the end zone but end Joe Mazutis fell on the ball for the TD. Roy Seese went over from the 2 for the second score and halfback Frank Cicero scored the final touchdown. State now has a 3-1 record for the season with one game remaining on November 9.

Frat Intramurals

By Bill Tripp

Farm House 7-K.A. 6

In a close contest the F.H. boys, led by Bill Coble and Jerry Young, edged the K.A.'s by the slim margin of an extra point. Both scores came in the second quarter of an otherwise scoreless deadlock.

PKA 14-SAM 2

The PKA's came back in the second half, after trailing 2-0, to register a score in each quarter. Jackson's deadly passing to Bassett and Maltese accounted for both scores and most of the PKA offensive punch. Cassuto led the SAM's with his fine passing and running.

SIG NU 1-LAM CHI 0

The Sigma Nu boys took a forfeit victory when the Lambda Chi's failed to appear.

SPE 13-PEP 0

Cochran's passing and Martin's fine defensive work led the SPE's to victory to the tune of 13 to 0 over the PEP's. Passes from Cochran to Martin and Cochran to Richmond accounted for the scores.

PKP 20-T. CHI 0

On two long passes by Hitchcock and a 20 yd. interception return by Saied the PKP's scored a 20-0 victory over the winless Theta Chi's.

Athlete of Week

JOHN SZUCHAN . . . A rugged 211 pounds of brute force in the Wolfpack forward wall well deserves to be called the "Athlete of the week." Known to most of the sport fans around as just "Mr. 70," he all but wrecked Florida State and Dayton and now is anxiously awaiting for Duke. . . . After the Dayton game Bud Kerr, the Dayton coach had this to say of big John "This number 70 for State is the biggest, toughest lineman I've seen in a long time. I'd just as soon they left him at home." . . . Tom Nugent of Florida State had this to say of Number 70, "He's the best we've seen all year . . . he gave us a fit."

Sig. CHI 1-TKE 0

The Sig Chi's were denied the opportunity to play as the TKE's failed to show and thus forfeited.

Kap. Sig. 19-AGR 0

The Kappa Sigs found their scoring punch and rolled over Allen, Strickland, and Co. to the tune of 19-0. The fine receiving of Kiser, Johnstone, and Thackston accounted for all of the scoring.

SAE 13-F.H. 0

While Mitchell passed for two scores to Hainley, Goff led a strong defense and the SAE's came out on top, 13-0. Brown was a strong leader on both offense and defense for the losers.

PKT 12-Sig. Pi 6

In a contest which saw all of the scoring take place in the first half, the PKT's edged the Sig. Pi's 12-6 in a close game.

State Dumps Dayton 20-0

State College capitalized on the passing of Franklin and entered to take a 20-0 win from the Dayton Flyers in what could have been called a boxing match rather than a football game. The first State score came in the opening minutes of the first period when the Wolfpack recovered a Dayton fumble and marched 30 yards to a TD. Touchdown number two was picked up in the second quarter when State took over after a fourth down gamble that failed to pay off for Dayton on its own 39. The third and final TD came in the fourth quarter on a

34 yard run by third-string quarterback Frank Cackovic.

-Notice-

Student tickets to Saturday's Duke game in Durham can be purchased at the Coliseum with a student book for \$1.00. Date tickets are \$3.50. Must be picked up before 4:30 Friday.

Ice Hockey — Saturday Night in Coliseum; Students & Dates \$1.00

A sports drama entitled "Assault with Intent to Score" or "Mayhem on Ice" will be given at Reynolds Coliseum here Saturday night, Oct. 27. The leading roles will be played by the Johnstown Jets and the Charlotte Clippers of the Eastern Hockey League. The professional hockey match was announced today by Roy Clogston, State College athletic director and Coliseum manager. This is the only game scheduled for Raleigh this year. "We are fortunate in being able to secure these teams," Clogston said, "and I feel sure people in this area will enjoy the sport. Hockey made a big

hit in Charlotte last year. We hope people down this way will be interested in the game." The match will begin at 8:30. Admission prices are \$1 for students & dates. There are no reserve seats. Clogston said the game would be a regular league match and would count in the standings. "Johnstown has one of the best teams in the league and will provide a stern test for the Clippers," he said. Charlotte took over the Baltimore franchise last year and will be entering professional hockey for its first complete season.

The Dorm Corner

Vetville 25-Bagwell 0
The boys from Vetville laid claim to victory number three at the expense of Bagwell No. 1. The Vetville crew scored two TD's in the first quarter and one in the third and fourth to give them a total of 25 points.

Owen 19-Becton 0
In what could be called the game of the year, the kids from Owen No. 1 dropped what was once classed the might of the dorm league to a tune of 19-0. Both teams played a hard fought game but the Owen lads just had what it took. The loss for Becton was the first in four years.

Chess Club—

The newly organized State College Chess Club meets every Tuesday night at 7:00 in Room 254 at the College Union. The club is opened to any student, faculty member or friend of the college. Chess lessons are conducted each week at the same time for those who might be interested in learning or improving their game.

Reserve Benefits Further Explained

In last week's *Technician*, there appeared an article entitled "Student Benefits in Reserve Unit." One statement in this article: "If you are planning to go into the Advanced Course of ROTC, you will automatically sign up for eight years of military obligation—most of it in the reserves," requires some clarification and amendment in that it is not entirely correct in all cases.

A ROTC student with no prior military service does assume an 8 year obligation upon graduation and commissioning if he chooses to serve 6 months on active duty and the remainder of his time in the ready reserve.

He can, however, serve 2 years on active duty which reduces the remainder of his obligation to 3 years in the ready reserve and one year in the standby reserve—a total of 6 years after commissioning.

If the ROTC student has active reserve time or is a veteran, his total obligation upon graduation and commissioning is 6 years which is reduced by the number of years he has already served as an active reservist or in active service; but, in any case, his obligation is at least 4 years, 6 months of which will be on active duty.

This is a complicated subject and perhaps the above is an over-simplification of the situation as it exists. Anyone having a question concerning his status is invited to come to the Army ROTC Administrative Office, Room 154, Coliseum, to discuss it.

Chemical Visitors

Thirty big-eyed seventh graders from Josephus Daniels Junior High School visited North Carolina State College and poked into the mysteries of chemical engineering.

The students were piloted by Mrs. Barbara Madigan, science and mathematics teacher. They were greeted by Dr. E. M. Schoenborn, head of the Chemical Engineering Department, and were shown a movie on one phase of chemical engineering by Charles Plank, a staff member of the Department.

Plank also gave a short lecture on the work of chemical engineers. The introduction of such terms as "aggregates of molecules" presented no problem for the seventh graders. Soon, however, they directed

State College Army ROTC Gets Distinctive Shoulder Insignia

When the Army ROTC students returned to school this year, they were surprised and delighted to find that something new had been added to their uniform. It was a distinctive shoulder insignia. The insignia consists of a red and white disc with three white wolves outlined in black in the center. It also bore the inscription "North Carolina State" across the top and "ROTC" across the bottom.

The history of the insignia is very interesting. Last year the N. S. Meyer Company presented several designs for the distinctive ROTC insignia based on

questions thick and fast to Plank who had to admit to one blond youngster that he could not spell "oscilloscope."

ideas submitted by various cadets. A poll of the cadets determined which design was most desirable. Early in September Colonel Richard R. Middlebrooks, the Professor of Military Science and Tactics at State College, sent Chancellor Bostian a letter asking him to contact the Quartermaster General to get approval for the use of the insignia by the State College cadets. The request was approved by the Quartermaster General.

The cadets of N. C. State College wish to take this opportunity to thank Colonel Middlebrooks and Chancellor Bostian for their efforts which led to the adoption of the new "Wolf Pack" shoulder insignia.

What's Doing . . .
at Pratt & Whitney Aircraft

Artist's conception of Palm Beach Facility shows two-story administration and engineering headquarters structure, center, and single-story manufacturing building, rear. Test and laboratory facilities will be located in area beyond that in upper right of drawing.

Sunshine and science . . .
star performers in
new Florida "Show"

Believing that the future of aviation lay with larger aircraft, higher speeds and greater ranges, the founders of Pratt & Whitney Aircraft established an iron-clad policy demanding constant striving to develop aircraft engines that would continually surpass previous accomplishments. The intervening restless years at P & W A have been filled with continuing progress which proved the wisdom of that early decision. Brand new areas of technology were explored; recognition as undisputed leader in its field was attained; expansion to accommodate the growth of the company resulted in a nationwide network of auxiliary facilities.

Florida — long America's year 'round playground — is now providing ground for the continued expansion of America's foremost aircraft engine builder.

Ideally located in Palm Beach County, P & W A's newest facility will be an important engineering auxiliary to the main laboratories and plants in Connecticut. Major factors in selecting the site were the mild climate and sufficient isolation to permit development and test of highly advanced and extremely powerful jet engines with minimum acoustical disturbance to the surrounding resort communities.

The engineering graduate who begins his career at this Florida facility will have the rare opportunity of keeping pace with its anticipated growth. In an organization renowned for development engineering superiority, he will be able to gain invaluable experience working on vital, long-range projects that are a challenge to the imagination.

IT'S FOR REAL! by Chester Field

THOUGHTS FOR TODAY \$1.98

I met a man with a rather large head
Who looked at me and finally said:

"If ever you're caught
Without any thought
And you think that you ought
To be thinking a thought,
Buy one from me before it's too late.
Thoughts for today, only
one-ninety-eight."

"A reasonable price," I said and bought
The following brainy, thoughtful thought:

FAINT PLEASURE AIN'T PLEASURE!

Take your pleasure big! Smoke the cigarette
that gives you more of what you're
smoking for . . . more real enjoyment, more
real rich flavor . . . more smoking
satisfaction. Smoke a Chesterfield and
enjoy it to the hilt!

For real . . . smoke Chesterfield!

N. C. State Student Affairs Bulletin

Seaboard and Blade is sponsoring a discussion of insurance needs and types of insurance available on Thurs., Oct. 25, in 256-58 College Union. All students and faculty members are invited. Time: 7:15 p.m.
Saturday Classes Oct. 27 and Nov. 3—Classes scheduled for 11:00 a.m., Sat., Oct. 27, will meet at 12:00 noon the preceding Friday to enable students to attend the football game in Durham. No classes will be held on Sat., Nov. 3, so that students may attend the Wake Forest Game in Winston-Salem.

Selective Service Qualification Test—Students who wish to take the Selective Service College Qualification Test at its next administration, Nov. 15, must apply not later than midnight, Tues., Oct. 30, 1956. Application forms must be obtained in person at any one of the local board offices. Most convenient for State College students would be the Wake County Selective Service Board, Odd Fellows Bldg., 15 W. Hargett St., downtown Raleigh. The test is used in establishing deferment status as a college student.
Southern Regional Fellowships in Public Administration

Fellowships worth approximately \$1,950 a piece available for study at the Universities of Alabama, Kentucky or Tennessee. Applicants not limited to graduates in the Social Sciences although college courses in political science, economics, sociology, and history will be an advantage to the applicant. Applications should be submitted as soon as possible and not later than March 9, 1957, and may be obtained from the Educational Director, Southern Regional Training Program, Drawer I, University of Alabama. Some additional information available at 201 Holladay Hall.

QUEEN

(Continued from page 1)

final judging of contestants in Rooms 256-58 at the College Union—contestants will wear cocktail dresses and their escorts will wear coats and ties; 11-12 noon, the contestants, without escorts, will appear in the Homecoming Parade; 1:45 P.M., all contestants and escorts will meet in front of the field house at the south end of the football field—contestants will wear suits and their escorts

coats and ties.

The Queen will be presented at the Homecoming Game half-time ceremonies. Many of you will want to enter a candidate—it would really be a thrill for you and the girl both if she should be selected for the Court or be the Homecoming Queen.

DIPLOMAS

(Continued from page 1)

have been between two hundred, fifty and three hundred Seniors there."

The members of the Class vot-

ed overwhelmingly to change the style of diplomas for this year's class.

A committee of Seniors, headed by John Lomax and including Hill, Jim Smathers and Bob Strother, was appointed to consider the problem and present suggestions for redesign to the Administrative Council, who must make the final decision regarding the change. Hill said they would study the diploma awarded two years ago, last year's diploma and diplomas from other colleges before making their report.

Meeting Friday

Hill also called attention to the meeting, planned tomorrow for the College Union Ballroom at noon, of campus leaders and other interested persons to further consider the question. "Letters have been sent to heads of all campus organizations and groups inviting them to the meeting, and all other students are welcome to come and get their word in. We hope this meeting will be as successful as last week's."

S. G.

(Continued from page 1)

State feel that \$3.50 for tickets for the remaining games is not satisfactory. It was solved that the Student Government ask the administration and Athletic Department for a reduction of date tickets to \$2 for the remaining two home football games. It was further made of all student books and registration cards at the games and without proper identification (books and registration to match) books will be confiscated.

felt that the rewritten proposal, action should come in the near future.
Stewart explained that the proposal would have to pass both the Finance Committee and the Executive Committee of the Board of Trustees before it came before the general Board. He continued that passage by the Finance Committee was the first, but probably the most crucial step.
Other members of the Finance Committee not present for the meeting last Saturday are Mrs. C. W. Tillett of Charlotte, Mr. Irwin Belk of Charlotte and Mr. A. Alex Shuford, Jr. of Hickory.

TICKETS
(Continued from page 1)
posal, "It will have to pass the Sub-Committee of the Athletic Council and then the Athletic Council before it can be used. We are optimistic about the chances of this before Homecoming."
The second proposal, in rough draft, calls for identification cards with photographs for all students next semester and for use of student book by dates and wives when presented with an authorized students book at the gate. It limits exchange use to "members of the opposite sex," and, according to Nolan, should clear all scalping problems.
