NORTH CAROLINA STATE COLLEGE'S STUDENT NEWSPAPER

Vol. XLII, No. 4

State College Station, Raleigh, N. C.

September 30, 1957

Progress being made on State College's new dormitory can be seen from the above photograph. Completion date has been tentatively set as September, 1958. The dorm is being built south of the College Print Shop. (Photo by Barbot)

37 Scheduled

Evening Classes Provide Credit

Beginning tonight, State College will open a new series of 37 evening classes, arranged for the benefit of the residents of Raleigh and vicinity and the students here at the college. Director Edward W. Ruggles of the college's Extension Division, said many of the courses will provide college credit toward a degree, while others will be offered for those interested in gaining more knowledge about their hobbies.

Prospective students, he said, may register in Room 119 of the 1911 Building Monday through Friday (September 30-October 4) from 8:30 a.m. until 5:30 p.m. Students may also enroll at the first class meeting of each course.

Covering Campus . . .

Tobacco Auction Trip
Transportation will be provided for foreign students and wives to a tobacco auction and factory on Wednesday at 9:30 a.m. at the C.U. Students making the trip should sign up at the C.U. by 6 p.m., Tuesday.

Civil Engineering Picnic
All C.E. students, faculty, and families are invited to a picnic Tuesday, 6 p.m., in Pullen Park.

Collegiate 4-H Club Meeting
Supper meetings will be held each Wednesday evening at 6:15 p.m., Room A, College Cafeteria, for the Collegiate 4-H Club. All 4-H Club members are urged to attend.

Danforth Chapel Service
All students are cordially invited to attend services from 12:40 to 1:00 p.m. in the Danforth Chapel.

ASHAE
The ASHAE will meet at 7 p.m. Tuesday in the M.E. Lounge of Broughton.

AIEE-IRE
A meeting of the AIEE-IRE Student Branch will be held Tuesday at 7 p.m. in 242 Riddick.

Reading Improvement Classes
Reading improvement classes will meet once each week. Many students have been able to double their reading rates and improve comprehension through special non-credit reading classes. The hours for beginning classes are as follows: Sec. 1—Tuesdays 2 p.m.; Sec. 2—Tuesdays 3 p.m.; Sec. 3—Tuesdays 4 p.m.; Sec. 4—Thursdays 10 a.m.; Sec. 5—Thursdays 11 a.m. All classes meet in 111-B Tompkins. An advanced reading improvement section will meet Tuesdays at 11 a.m. in the same place. To enroll, report to any class.

M.E. Juniors and Sophomores
M.E. Juniors and Sophomores with a 3.0 average or higher (See COVERING CAMPUS, page 4)

Flu Shots Postponed, ID Cards Ready

Identification cards will be issued beginning Tuesday and continuing on Wednesday and Thursday at the Coliseum.

Distribution of the ID cards will be carried on all day on the distribution days named. Identification will be required before the ID cards will be released.

Due to the failure of the drug company to deliver vaccine at the times and in the quantity promised, Asiatic flu vaccinations for students will not be given when the ID cards are distributed. A later announcement will be made as to the availability of the flu vaccine.

Over 200 Attend Veteran's Club Chicken Barbecue

In their first organized social event of the year, the Veteran's Club had a good turnout Saturday at their picnic in Pullen Park. Approximately 250 persons came out to eat 70 pounds of barbecued chicken, despite the gray skies and rainy weather.

Harris Johnson, president of the Veteran's Club, had the following comment:

"I'm really very pleased to have such good response to our first social in spite of such rotten weather. We're making quite an effort this year to expand our organization socially and to develop the programs for our meetings along lines that will appeal to a larger number of men. We think we've got a

Officers to Head Army Companies

Announcement has been made by Colonel Charles P. Greyer, PMST of State College, of the appointment of company commanders to lead the twelve companies of the Army ROTC Regiment of the College, the Pershing Rifles and the Drum and Bugle Corps.

Company commanders appointed in the First Battalion were Cadet Majors Harry A. Osborne, Jr. of Mocksville, "A" Company; David B. Browning of Edenton, "B" Company; Raymond D. Nelson of New Bern, "C" Company; and Charles N. O'Quinn of Lumberton, "D" Company.

Appointed company commanders in the Second Battalion were Cadet Majors Samuel F. Austin of High Point, "E" Com-

Notice To Off-Campus Students

The Technician apologizes for not delivering the past few issues of the paper to off-campus students. However, we were unable to begin compiling a mailing list of off-campus students until after these addresses were known. We have now gotten these addresses from the cards which every student filled out at Registration. The mailing list is being prepared as rapidly as possible. Please excuse the delay.

Faculty members and parents of Freshmen are being notified by mail how they may subscribe to The Technician.

Back issues of this year's papers may be picked up at The Technician offices. Extra papers will be put on a table outside the offices (138, 1911 Building) all year for those who fail to receive their papers.

From School of Engineering

Dick Burgess Elected S. G. Vice-President

Tuxedo Rental Costs Announced

Arrangements have been made with Honeycutt Inc. to help students rent a tuxedo for the IDC Ball, which is to be held on October 19 in the Coliseum.

Between October 7 and October 12, Honeycutts will rent a tuxedo for the IDC Ball for \$7.00. However, after October 12, tuxedos will rent for \$7.50. Honeycutt Inc. is located on Hillsboro Street across from the entrance to the Coliseum.

Final plans are now being completed with Browder Display Inc. of Charlotte for the decorations for the Dance. Browder says that the decorations for the dance are quite different from anything that has previously been done in the Coliseum. The Coliseum will be decorated in rich fall colors with large cut-outs of leaves hanging from the ceiling.

Talent Try-Outs

Try-outs for the annual North Carolina State College Talent Show (Oct. 18) will be held on October 3 beginning at 8:15 p.m. in the CU theater.

lot to offer the boys this year, and I hope that the fine turnout for this picnic is an indication of a greatly increased activity among our membership."

by Waring Boys
Dick Burgess, a Senator from the School of Engineering, has been elected by a vote of the Student Government as the new Student Government Vice-President.

Burgess, a Junior from Dumont, New Jersey, replaces Jimmy Hunt who is now serving as Student Government President after replacing Fred Houtz, who was ineligible to return to college this fall due to academic difficulties.

Elected at Thursday's meeting of the Student Government, Burgess was nominated along with Arron Capel and Mac Lupold for the post. However, Lupold declined the nomination because of lack of time to properly manage such an office. Following two nominating speeches for each candidate, a vote was taken by secret ballot.

The Treasurer's report show-

ed an over-spending of \$637 in the Student Government Fund and a balance of \$148 in the Student Activities Fund. However, balances of \$2880 and \$2000 respectively can be expected when money collected as part of student fees has been made available for the above funds.

The progress report on married student housing was read. No word has been heard yet on the college's request for a three million dollar loan from the Federal Government to construct married housing facilities.

Class Bells
Two suggestions on the problem of the Williams Hall bell were offered: (1) the installation of small IBM bells in every building without a large bell at a total cost of about \$2000; (2) the rigging of the steam whistle to sound off at the proper times.

For Rush Week

Sign Up Period Ends Tonight

Tonight at 10:00 p.m. is the deadline for men to sign up for fraternity rush functions. The sign-up period began yesterday and lasts through tonight.

All fraternities have urged freshmen and others interested in fraternities to come by the houses and sign up for the parties and other functions which will be held during Rush Week.

Because of the rainy weather yesterday, the turnout was not as good as many fraternity men had expected. They are hoping for larger numbers to sign up today and tonight.

Rush Week begins tomorrow and lasts until Saturday night at 12:00 p.m. The following week is Silent Week, when fraternity men and rushers are not allowed to talk to each other.

Coffee Hour Will Introduce Librarians

The College Union Hospitality Committee will sponsor an informal coffee hour Tomorrow (Tuesday) at 5 p.m. in the south lounge of the College Union. This will be the first in a series of such events to introduce the students to departments on campus and their staffs.

Library Staff
This week the library staff will be present to meet the students and answer any questions which they might have. All students are invited to drop by for coffee and cookies and to acquaint themselves with the library personnel.

Following the first meeting, the remainder of these coffee hours will be held in the different departments on campus. They will be co-sponsored with clubs and organizations within the individual departments.

Displays
Displays will be placed in the Union featuring exhibits related to the studies and projects of the school co-sponsoring the coffee hour each week.

Darkroom Test Date Announced

The first "Darkroom Test" of the 1957-58 School year will be given on October 2, at 7 p.m. in the College Union Darkroom. All students expecting to use the CU photographic facilities are required to pass this test before such permission is given.

Stan Timblin, chairman of the CU Photography Committee, announced that student may pick up study manuals at the Union main desk.

He also said that it will be necessary for each student taking the test to bring an undeveloped roll of film to be used in the demonstration.

C U Outing Planned

The Outing Committee of the College Union has planned a mountain trip for Saturday and Sunday, October 5 and 6, to Hanging Rock State Park.

Those interested are requested to sign up at the main desk in the College Union not later than noon Friday.

The Union will furnish sleeping bags and all other essential camping gear.

The group of campers will leave the Union at 1 p.m. Saturday.

How Many More?

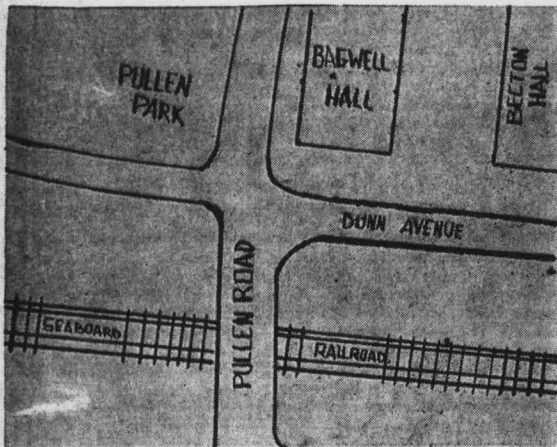

Another automobile accident at the Dunn Avenue-Pullen Road intersection last Thursday night. . . .

How many more headlights and windshields will be shattered, how many fenders and bumpers twisted and crushed, and how many more people will be cut, bruised, or hospitalized before something is done about this dangerous intersection?

The intersection is the one near Berry, Becton, and Bagwell Dormitories—just below the bridge that crosses the railroad. It has been a source of trouble for years.

When approaching the intersection from the west on Dunn Avenue, a driver can not see approaching traffic on Pullen Road either from the right or the left, until it is almost on top of him. The bridge obstructs vision on the left and Bagwell Dormitory and the cars parked on the street beside it hamper vision on the right.

After a motorist has stopped on Dunn Avenue, he must have a quick eye and a heavy accelerator foot when making a left turn onto Pullen Road in order to miss a

Dunn Ave. — Pullen Road Danger Area
car coming off the all too narrow bridge which spans the railway.

A student could probably put himself through college if he could collect a dime for each bit of profanity uttered or thought by motorists at this intersection. This writer, alone, would have put him through one semester.

We are not qualified to say whether a traffic light, additional stop signs, or something else would be the best solution to this traffic hazard.

But there is a group on this campus who is capable of coming up with a solution. The Traffic Committee has made a number of both practical and practicable suggestions in the past which have led to needed improvements on the campus.

We call on the Traffic Committee once again. We ask that they study the hazardous Dunn Avenue-Pullen Road intersection immediately. Removing the danger from this intersection would be doing State College a real service.

Demand for Engineers Leveling Off Say Engineering Officials at State

By MARY N. YIONOULIS
Officials of the School of Engineering at State College, questioned yesterday on an NEA feature published Friday, do not fully agree that "the once-desperate shortage of engineers" is over but indicated a "leveling-off" period in the employment of graduate engineers has been reached.

Dr. J. Harold Lampe, dean of engineering, pointed out that in any economic situation where there is "an upward spiral such as we have seen in the demand for beginning engineers and in their starting salaries, there is always a leveling-off and usually a drop."

Dean Lampe also pointed out that the effects of the Air Force cut-backs, while felt severely by some companies, were not as bad as some reports indicate. He quoted The Wall Street Journal which said that "cut-backs in line with defense budget pressure have just about been completed and these concerns (the air-frame manufacturers) were not nearly as badly hit by the actual cancellations in the batch of economy moves as frequently had been anticipated."

State College School of Engineering officials said they have been expecting such a leveling-off both in demand and in salaries for some time. As far back as the fall of 1954, engineering seniors were cautioned that companies were reducing the number of engineers they were seeking.

In July, Mrs. Marie P. Wicker, placement director for the college's School of Engineering, noted in the annual placement

report that there were some signs that the manpower needs of some industries may be slackening a bit.

She reported, "Some companies, in industries mainly in government contract work, withdrew offers, saying their quotas were filled; others made half or less than half as many offers as last year, although their interviews schedules were heavier; some representatives reported that, for the first time in two years they were able to meet their needs for beginning engineers."

These signs do not mean, she added, that the beginning engineer will not continue to be in great demand. They probably do mean that emphasis will be on selecting employees, rather than on selling them on the company; and that engineers with good scholastic records and demonstrated leadership ability will find the search for a job easier than their less well-equipped fellow students.

Mrs. Wicker noted yesterday that nearly 300 companies are already scheduled to visit State College to interview graduating engineering seniors, beginning in January, 1958.

One industry official, prominent in college recruiting, wrote to the Placement Office this summer that he believed starting salaries for beginning engineers would go up another five per cent during the 1957-58 school year.

The average salary of State College's 1957 engineering graduates was \$456 a month, compared with \$422 in 1956.

From The Daily Tar Heel

Segregation - Chapel Hill

The Daily Tar Heel deplores the University's new brand of monistic coddling; preferential treatment of athletes and segregated housing evidenced in the placing of eighty-five football players in Cobb Dormitory this year.

The trend is definitely toward housing of students, by classes, by social position, by participation in extra-curricular activities. Such a trend has never dominated the University's policies in the past.

We foresee a time when each University dormitory will be crammed full of "academic counselors," such as are now placed in Cobb; a time when students must report in and out; possibly a time when house mothers will tuck poor, little University men and women into their cozy beddy-byes. . . .

According to the Student Affairs Office, all freshmen footballers have been neatly categorized into Cobb. Such preferential treatment is assuredly not commensurate with the University's past liberal traditions. . . . And it was not in being

prior to the institution of a new ten-gallon headed individual on this campus . . .

VAN HEUSEN'S MAMMOTH

"IF I WERE A WRINKLE . . ." CONTEST

Any college student may enter! Many prizes! No rules! Easy pickings for smart guys!

This is it! The contest you've long awaited . . . the chance to beat Van Heusen out of some of their glorious goods!

As you may know, Van Heusen is the creator of the world's most fabulous shirt. Namely, the Van Heusen Century Shirt with the revolutionary soft collar that won't wrinkle . . . ever! This collar banishes wrinkles mercilessly. No matter how horribly you torture it, it simply will not wrinkle. Ever!

Now, out of all this grows our contest. We know . . . and the buyers of Van Heusen Century Shirts know . . . that the wrinkles have disappeared. But the question that plagues us all is: Where? What has be-

come of these wrinkles. Some say they are on the brows of elderly professors. Others say they have migrated to the ocean where they cause waves.

Where do you think the banished wrinkles have gone? Where would you go if you were a banished wrinkle? For the best answer to this question Van Heusen will award a grand prize of a complete wardrobe of Van Heusen Century Shirts in 5 collar styles. To the 1000 next best answers there will be consolation prizes of a box of genuine wrinkles.

Enter today. Mail your answer to Van Heusen's mammoth "If I were a wrinkle" contest to Phillips-Van Heusen Corp., 417 5th Ave., N. Y., N. Y. Don't forget to send us your shirt size with your entry.

Pack Gets Terps For No. 2

First Downs	8	11
Rushing Yardage	178	74
Passing Yardage	64	94
Passes	5-6	9-20
Passes Intercepted By	3	8
Fumbles	4-1	6-30
Fumbles Lost	0	1
Yards Penalized	30	65

For the second straight week, the Wolfpack of State College shot the pre-game prognosticators out of the saddle with an astounding 48-13 victory over the favored Terrapins of Maryland before a crowd of 24,000, in College Park on Saturday.

Battling a supposedly superior Maryland squad as a seven point underdog, the Pack spoiled the Terps' home opener by handing them their worst defeat in 13 years.

Led by the unstoppable pony twins, Dick Christy and Dick Hunter, the backfield of State, along with an immovable line, ran the Terps ragged while holding them scoreless until midway the third quarter.

The Pack drew first blood early in the first quarter when Hunter passed from the 14 to end John Collar on the 5, who went over for the score. The State left halfback then kicked his first of five extra points for the afternoon to make the score 7-0.

Again after only a few minutes of the second period had elapsed, quarterback Tom Katic passed to halfback Christy for 21 yards and the score. Hunter converted again which made it 14-0. Nearing the end of the first half, Christy slashed over the goal again, this time from the 7, and with a conversion by Hunter, made the score 21-0 for the first half.

After the intermission State's backfield continued to show its amazing power as Hunter went for 7 yards and the score through the line and then converted, thus making it 28-0. At this point Maryland, attempt-

Around the ACC

Team	Conference Games		
	W	L	T
STATE	2	0	0
Duke	2	0	0
North Carolina	1	1	0
Wake Forest	0	0	0
Maryland	0	1	0
Virginia	0	1	0
Clemson	0	1	0
South Carolina	0	1	0

The Blue Devils of Duke, seventh ranked nationally, continued their domination of ACC teams by knocking over Virginia, 40-0, behind the running of halfback Wray Carlton, who scored 26 points.

Back on the winning path after 12 straight losses, Carolina defeated a favored Clemson team 26-0, which saw Tarheel quarterback Dave Reed score one touchdown and pass for another.

In other games involving ACC teams, Wake Forest was defeated in its opener by the hard-driving Florida Gators 27-0, while the Gamecocks of South Carolina were handling little Wofford, 26-0.

ing to prove that it wasn't just a mediocre high school club, brought the home crowd to its feet with a 90 yard kick-off return by Howie Dare.

State, proving that it had more than a first string backfield, scored on a 49 yard run by HB Ken Trowbridge and guard John Lawrence converted to bring it to 35-7 at the end of the third quarter.

After Maryland scored on a nine yard pass play and State guard Francis Tokar blocked the point try, Christy made the outstanding run of the afternoon as he returned the kick-off 96 yards for the tally. Hunter again converted making it 42-13. In the last scoring play of the day quarterback Ernie

Driscoll passed to substitute end Finley Read for 9 yards and the score. Steve Vitek missed the point try and the game ended 48-13.

Saturday's victory marked the first time since 1946 that the Wolfpack has started a season with two straight victories and also the highest score run up by a State team since '46 when the Pack slaughtered VMI 49-7. Dick Christy, by scoring three times, tied a record held jointly by three players for State. Two of these did the trick in 1946. Incidentally, 1946 was the year that State went to the Gator Bowl but succumbed to a powerful Oklahoma squad, 34-13.

Intramurals Get In Swing As Football Starts; Sigma Chi, Becton I Loom As Teams To Beat

The Intramural program swung into action this afternoon as the opening games of touch football were played. This year, as in the past, the fraternities will meet on Mondays and Thursday, while the dormitories will do battle on Tuesdays and Wednesdays.

Athlete of Week
Captain Dick Hunter, left halfback of the State Wolfpack, has been chosen this week's Athlete-of-the-Week for his outstanding play in the Maryland game on Saturday.

Hunter passed for one touchdown, scored another, and kicked five extra points in one of the most brilliant games of his career.

Hunter is one of the most versatile players in State's football history. He runs, kicks, passes, and blocks and does all of these with amazing accuracy and precision.

Last season he had a 4.3 rushing average and as a Sophomore had a 5.3 average while scoring 8 TDs.

All games will begin at 4:15 p.m. and take place in the designated intramural fields. National college touch football rules will be followed.

There are two outstanding records which the fraternities and dormitories (for the most part) will be out to extinguish. Becton 1 has won the football dorm championship for the past five years and suffered its first defeat in three years last season.

All boys interested in track are invited to attend a meeting on Wednesday, October 2, at 5:00 P.M. at the Track Field Stadium. In case of rain the meeting will be held in the track locker room in the Reynolds Coliseum—Paul H. Derr, Track Coach.

son at the hands of Owen 1, 19-0. This loss was avenged in the championship game, 7-6.

Returning starters for Becton 1 are Dan Staneil, Bert Weeks, and Rog Hagwood, while important losses were Bill Eudy, Dud Whitley, and Cary Warren.

Back for Sigma Chi will be Bob Deans, Bill Little, Loyd Kirk, and Neil Birch. Lost by various reasons for the year were Gus Dehertogh, Jack Moreland, Eric Smart, and Phil McKenzie.

On Mondays hereafter, *The Technician* will have the succeeding week's schedule for both dormitories and fraternities and the Thursday paper will carry the results of the past week's games.

COVERING CAMPUS

(Continued from page 1)

meet Wednesday, Oct. 2, at noon in 216 Broughton. Scholarships and honors programs nominations will be discussed.

Swimming Pool Schedule

Mon.-Fri., 4-6 p.m.; Sat.-Sun., 2-5 p.m.—recreation swimming for all male students. Tues. nights, 7:30-9 p.m.—faculty, staff, coeds (adults).

Intramural Athletics

All students interested in calling intramural football games, sign up at Intramural Office in the gym. A fee is paid for each game.

Varsity and Freshman Track

All students interested in participating in track are invited to attend a track meeting Wednesday, October 2, at 5 p.m., at the track field stadium. If it should rain, the meeting will be held in the track locker room in the Coliseum.

Deadline Changes

Because most college offices will be closed Saturdays from now on the following deadline dates have become effective: Last day to add a course—Friday, Oct. 4. Last day to drop a course without F, Friday, Oct. 11.

Rock Hounds

A meeting of the ROCK HOUNDS will be held Tuesday night at 7:30 in room 209, Page Hall. All Geological Engineering students are invited. The topic for discussion will be summer jobs.

Alpha Phi Omega

Alpha Phi Omega, the campus service fraternity will meet Tuesday at 9:30 p.m. in the College Union Theater.

Freshmen Agromeck Photos

Freshmen Agromeck Photos will be taken in 105 Pullen Hall and at the north end of the infirmary as follows: G-I, Oct. 1; K-O, Oct. 2-4; P-T, Oct. 7-9; U-Z, Oct. 10-11. The pictures have already been paid for through College Fees. Wear coats, white shirt, and tie.

Vehicle Registration

All students are reminded that all motor vehicles they use or

park at any time, day or night, on the State College Campus must be registered and display the new red and white sticker. Failure to register will result in a \$10.00 fee for each offense. Registration fee is \$3.00. Vehicles not registered during Orientation Week may be registered at 207 Holladay Hall.

YDC Dinner and Meeting
State College members of the Young Democrats Club have been invited by the Wake County YDC to attend a dinner and meeting Wednesday night featuring candidates for State YDC posts. The dinner will begin at 6:30, followed by the meeting at 7:30. No reservations are necessary for the event which will be held in the downtown S&W Cafeteria.
