

October 15 Deadline

Two Insurance Plans Offered

October 15 is the last date for students to enroll under either of the two health and accident insurance programs offered to all students.

The two plans are designed so that the student may take advantage of the plan which he feels best suits his needs. Both plans cover a twelve-month period.

Married students who desire to may take out both coverages. Students from foreign countries are required to have both accident and sickness coverage under one of the plans offered at the college or under similar coverage offered by other sources.

The Married Students' Accident and Health Coverages cost \$14 per year including husband, wife, and dependents. Fees covered include accident,

sickness, hospital room and board, surgeon and physician, and maternity benefits.

A \$6.50 premium is charged under the Students Insurance Plan for accidental injury only. Accident and sickness benefits cost \$13 a year.

Complete information may be obtained from 201 Holladay Hall concerning both plans. Infirmary Treatment

Treatment at the Infirmary is given to students only. Medical attention for wives or children of students must be obtained elsewhere whether or not they are covered by the Married Students' Insurance Plan.

Sick calls are now being held twice each day from 9:00 a.m. to 11:00 a.m. and from 4:00 p.m. to 6:00 p.m. for students. Either Dr. J. J. Combs or Dr. Harry Fagan, Jr., is in attendance during the sick calls.

Nurses are in attendance and doctors are on call twenty four hours every day at the Infirmary. All students are urged to protect their health and the health of others by reporting to the College Infirmary whenever necessary.

Vaccinations

The Asiatic Flu Vaccinations, originally scheduled for October 1, 2, and 3, were postponed due to a delayed delivery date from the drug company. Complete details will be announced in *The*

For Rushing Violations

IFC Puts Phi Epsilon Pi On Twelve Month Probation

by: David Barnhardt

Yesterday the Interfraternity Council at State voted 15 to 2 to place the Phi Epsilon Pi Fraternity on twelve months rushing probation for violation of the rushing rules.

The rushing probation will begin November 1, 1957 and lasts until October 31, 1958. A fraternity on rushing probation is not allowed to rush or issue bids to freshmen.

Under the present policy of having Rush Week within the first month of school, the penalty imposed by the IFC yesterday means that the PEP Fraternity will not be able to rush any freshmen during the rushing period next fall, as well as after November 1 this year.

Charges Stated

The charges which the Investigations Committee brought against the Phi Epsilon Pi Fraternity were:

contacting freshmen after the first orientation meeting but before the first visitation period and having 10 to 15 men at their house for one to one and one-half hours for a party at which beer was served the freshmen.

A hearing was held on September 22 which was attended by the members of the Investigations Committee, representatives from the PEP Fraternity, and two freshmen.

Freshmen Testify

The freshmen testified at the hearing that they had been served beer and had been encouraged to stay at the Phi Epsilon Pi house even after reminding the PEP's that it was against rushing regulations for them to stay there.

The two freshmen continued their testimony by saying that they were told that "It is O.K. to stay, because other fraternities are 'dirty rushing,' too." They were further told, they said, "not to speak of the evening if they wanted a bid from that fraternity."

Social Probation At First

At the meeting of the Interfraternity Council held last week, on September 25, the Investigations Committee recommended a penalty of social probation for one semester. The matter was tabled at that meeting, however, and was thus brought up again yesterday. At this time the new recommendation for a one year rushing probation was presented by Bob Gardner, IFC Vice-president and Investigations Committee Chairman.

Only One Man Contacted

Much discussion followed. Bob Tanen, Phi Epsilon Pi President, said that only one boy of the 10 to 15 present at the party on September 17 was contacted. Stan Berman, a PEP brother, called Russ Cook (a freshman) "not to rush him, but just to talk to him," said Tanen.

Tanen continued to say that the freshmen had been shown

around the house by a group of sophomore brothers who did not know the rushing rules. Tanen said he had seen the boys "but didn't think anything about it at the time." He said that he had not even read the rules himself at the time.

Dave Weinstein, Pi Kappa Alpha President, said he had talked to one of the boys who had been at the PEP party and that this boy had told him that he knew it was against the rules and that the PEP's knew it too. Weinstein concluded by saying that "Ignorance is no excuse."

Tanen Accuses Gardner

Tanen said that some of the boys at their house on September 17 had also been over at the Sigma Alpha Mu house the night before. He stated that Vice-president Gardner, a member of Sigma Alpha Mu, had seen these boys at his house and had told them, "By the way, boys, you're breaking an IFC rule but since you're here, you might as well stay."

Gardner strongly protested to this and denied the statement by saying, "That is the last thing I would ever say to a boy visiting at the wrong time." It was further stated that the boys at the SAM house were met at the front door and told that they could not stay because it was against rushing rules.

SAM President, Sandy Levine said that freshmen had simply been told what might happen to the PEP's if they were convicted of violating the rush rules. Levine said that he had even shown freshmen the minutes of the IFC meeting.

Alpha Gamma Rho President, Guy Townsend, said that if PEP has any information concerning possible violations of rushing rules by the SAM fraternity the Investigations Committee would look into the matter.

Kappa Sigma President, Rudy

Cadet Hop Planned For CU Ballroom

The "Collegians" from Eastern Carolina College will provide the music for the second annual Cadet Hop at eight o'clock, October 12, in the College Union Ballroom.

This twelve-piece band, considered the top college group of its kind in the state, is well-known at State College, since it has played for many formal and semi-formal dances on campus.

Again the Military Ball Association has made it possible to have two dances for the price of one. Your Military Ball membership entitles you to the formal Military Ball that takes place on March 22, as well as the Cadet Hop.

Dress will be coat and tie, and only couples will be admitted.

Identification cards will be checked at the door. Membership may be picked up at the College Union Main Desk, Air Force ROTC and Army ROTC cadet headquarters, and from members of the Military Ball Committee for \$3.00.

Band To Make Clemson Trip

The N. C. State Marching Band will make its first public appearance this Saturday at the Clemson game. The band members will leave State at 4:45 Saturday morning on three buses with all 115 members and their equipment for the trip to Clemson.

The State Band has made many changes and additions in this year's band. Besides doubling the size, a lot of new instruments have been added. This year a bass drum, pulled by two bandmen, will be in front of the Band.

In addition, seven tenor drums will be sported across the front rank with precision twirls and drum beats. All the drums are White Marine Pearl with red drum heads. Out in front of the Band will also be five, four-foot herald trumpets, something no other band in the South has. These trumpets will be draped with three-foot N. C. State banners while the other trumpets will have similar two-foot banners.

I & C Penalty

At the Interfraternity Council meeting yesterday, the Phi Epsilon Pi Fraternity was convicted of violating rushing rules. The penalty they received—twelve months on rushing probation—is a tough one for a fraternity to take, especially a fraternity as small as Phi Epsilon Pi.

The penalty will hurt the PEP Fraternity a little this year, but the full force of the probation sentence will not come until next fall. They will not be able to rush any freshmen during the entire month of October—the month in which the IFC customarily sponsors the visitation period and Rush Week. This would be a major blow to even the largest fraternity.

The penalty dealt out, however, is justifiable in the light of the facts brought out and in view of the rules set up for rushing by the IFC.

The IFC Investigations Committee is charged with the responsibility of investigating any violations of IFC rules and recommending action to the Council based on its findings.

This year, for the first time, the Investigations Committee has been given the authority needed to do the job entrusted to it. Under the chairmanship of Vice-president Gardner, this committee has been doing a very conscientious job since school began.

Yesterday, the Investigations Committee report was submitted to the Interfraternity Council. This body, after discussing the matter further, voted heavily in favor of placing the PEP Fraternity on rushing probation.

The PEP fraternity stated during the discussion that the Investigations Committee report was biased, that violations of rushing rules had occurred at other fraternity houses, and that they did not know the rules. None of these statements lessened their guilt.

The Interfraternity Council had two courses from which to choose: a light, insignificant penalty which would encourage future violations, or a stiff, meaningful penalty which would let all fraternity men know that IFC rules must be obeyed by every fraternity.

The course taken was in the best interests of the fraternity system here at State College.

Where Your 'Tuition and Fees' Go

Have you ever wondered what happens to the money you pay the Business Office before you can register? For those who have wondered about this, we present a brief statement below showing the disposition of these funds.

\$150 is the annual rate that must be paid the college to cover instructional salaries. The State of North Carolina, however, subsidizes a part of this \$150.

General fees: In addition to instructional salaries, there are many other expenses incident to teaching, such as registration, matriculation, library, maintenance of buildings, etc. Known as "General Fees," and described in the catalog as "Academic Fees," they amount to \$66 per student per year, are taken into the college budgeted receipts and are used in partial support of departmental operating expenses. The only special academic fees now collected are a \$10 per year off-campus laboratory fee for students in Forestry and a \$7 commencement fee for each candidate for graduation. Students are required, however, to pay at replacement cost for lost or broken laboratory equipment.

Medical Fees: This amounts to \$12 per student per year, and is taken into the college budgeted receipts to partially defray the cost of operation of the infirmary. It is included in the catalog as a "Non-Academic Fee."

Athletic Fee: This amounts to \$15 per student per year, and is turned over in full to the Department of Athletics in support of the inter-collegiate athletic program. It is included in the catalog as a "Non-Academic Fee."

Activities: These fees amounting to \$35 per year are for various student activities and are turned over in full to the organizations for whose use students in past years have voted to assess fees. Listed in the catalog as "Non-Academic Fees," they are credited to the following organizations or activities:

Agromeck	\$ 5.65
College Union	15.00
Intramural Athletics	1.50
Physical Education	9.00
Student Activities (General—allotted by Student Gov't.)	1.00
Student Government	.65
Technician	1.15
Tower	.25
WVWP	.65
Reserve	.15

Other Non-Academic Fees: Special fees are collected for use by the student bodies of the various schools in connection with publications and other student activities. These are as follows:

Agriculture and Agricultural Education Students	\$5.00
Design, Engineering, Forestry and Textile Students	4.00

LITTLE MAN ON CAMPUS

Greeks On Campus

by Oscar Grant

Last Saturday afternoon was indeed a joyful time at the houses of the "18" where State's fraternity men, even in the midst of rushing, found time to listen with unbounded jubilation to the reports on the radio of State's magnificent "Big Red."

While most "Greeks" found it impossible to attend the game in Maryland, and no local radio station carried the game direct, Coach Earle Edwards and the Wolfpack may rest assured that States fraternity men still followed the game through the bulletins which came out from time to time. We wish them the best of luck at Clemson Saturday.

Once again this week, this column is directed towards the rushees which are now in the middle of a busy week of visiting houses and attempting to choose the fraternity of their choice. Certainly it would be impossible to stress too much the importance of this decision. Each rushee should make this decision with all the care and thought that would be used in choosing a wife. To many, this may seem like strong words, but it is easy to justify such a statement.

Many great men of the world today, time and time again, stress the important part that their fraternity played in molding them into what they are. The fraternity you choose will be just as permanent as marriage in most cases, and it is this writer's opinion that your fraternity will affect your life to the same extent.

Many of you have perhaps already chosen the fraternity you wish to join. To those of you that have already made this decision, I wish the best of luck in attaining a bid to the house of your choice. There will, however, be some cases where the fraternity you decide as your first choice will not extend you a bid. In such cases, it would be well to remember that most fraternities try to choose men whom they feel will be happy as

a member of their particular chapter, and at times will not extend a bid where they feel a man might not be happy.

It is certainly no reflection on an individual if he does not receive a bid from all the fraternities visited. However, and once again we use marriage as an analogy, if you were turned down by the girl you wanted to marry, you would not just give up the idea of getting married and decide never to get married. You would simply keep trying until you found another girl you thought equally as much of that would marry you. The same is true where the fraternity is concerned.

This writer firmly believes that there is a fraternity for each and every man at State, who wishes to join one. If you have not found the one meant for you by the end of Rush Week, remember that, after silent week, fraternities are permitted to pledge a man at any

The first meeting of the North Carolina State Veterans Association will be held Monday, October 7, at 7 p.m. in the College Union Theater. The tentative speaker for the evening is Coach Earl Edwards.

The first social for this year was a picnic held in Pullen Park last Saturday and was a success in spite of bad weather. Approximately 25 persons were served an excellent barbecued chicken dinner.

We want to see a good repre-

Tomorrow is the last day to sign up for the College Union Outing Committee's trip to Hanging Rock State Park. The group will leave from the College Union at noon Saturday. Sign up at the Union Main Desk.

This weekend's free movie at the College Union is "The Long Grey Line," a technicolor saga of West Point. It stars Tyrone Power, Maureen O'Hara, Donald Crisp and Betty Palmer. Students and their guests are admitted on presentation of their registration cards.

The Platter Party will be held in the College Union snack bar this weekend as usual. Students are invited to come and dance from eight to twelve to free music from the jukebox.

During the Week

The College Union Hospitality Committee extends a cordial invitation to all students to attend the "Chat 'n' Chew" Hour at 5 p.m. Tuesdays. These informal coffee hours give students a chance to meet and talk with the faculty and staff of the various departments of the college. Watch the bulletin boards for guest department and place.

On Wednesday and Thursday nights, the Union Dance Committee presents free square and social dance lessons. These lessons are presented as a service of the Union for those who wish to learn to dance.

The College Union Forum Committee will present E. R. Williamson of the AFL-CIO speaking on "The Role of Unions in Politics" in the Union building at 8 p.m. on Oct. 8. There will be a question and answer period and a coffee hour following the speech.

New Film Series Starts At Union

This year, the College Union Film Committee will begin a new series of film programs entitled "Panorama." The programs are scheduled to be held in the Union Theater on selected Friday nights.

The first of this series will be held tomorrow night at 8 p.m. Dr. W. W. Austin of the Metallurgical Engineering Department will give a short talk on what is being done in his field and what some of the problems of the future will be. Two films, "Mining for Nickel" and "Ductile Cast Iron" will be shown.

In scope, "Panorama" may cover any subject of life, in-

cluding the entire range from the technical to the cultural. Among the programs for this year are topics on plastics, petroleum, sex, guided missiles, psychology and self-preservation in atomic attack.

Objectives

The objectives of these programs, according to Preston Sasser, chairman of the sponsoring committee, are many: entertainment; information and education; a chance to see things, places, or facts not generally presented—in general, to present any topic of interest to students.

Football Underway; Schedules Released

Art Hoch, Intramural Director for State College, has released the complete football schedules for dormitories and fraternities for the season which is now underway. Also disclosed by Hoch was pertinent information concerning make-up games and forfeitures. All make-up games will begin at 4:45 P.M. and a forfeit may be declared, after fifteen minutes, if either team does not

have a minimum of seven players ready. Failure to field a team may result in the team's being dropped from the schedule.

Winners and runners-up will play a single elimination tournament for the championship. These rules are in force for both dormitories and fraternities.

The schedules for the week of October 7-10 are as follows:

DORMITORIES

Hoch Announces

Volleyball, Bowling To Begin Mon.

Director of Intramurals Art Hoch announced in a bulletin on October 1 that both Volleyball and Bowling schedules would begin the week of October 7.

He also said that the outdoor courts were available every day for practice of Volleyball and encouraged all athletic directors to make use of this convenience.

As in past years, all games will be played in the Gymnasium and official volleyball rules will be abided by. At the end of the season, in order to

determine the league championship, the first and second teams of each section will participate in a single elimination tournament. Last year's champions were Sigma Chi in the Fraternity League and 1st Verville for the Dorms.

Coach Hoch also encouraged any students who room off the campus, but desire to participate in the Program, to come by the Intramural Office in the Gym. There they will be assigned to a dormitory team.

... About the Pack

The Monogram Club, an association here at State College comprised of men who have competed and earned a letter in some intercollegiate sport, held its first meeting of the year on Tuesday, October 1. Primary emphasis was put on clearing up the remains of last year's business, but also discussed were plans for new events to be carried out during the coming year.

Coach Bill Smaltz's Freshman football team will play its first of five scheduled games here on Friday night, October 4th, when the Virginia Tech Biddy Gobblers will come to Raleigh. On succeeding weekends there after, the Wolfpups will face North Carolina at home, and Virginia, Duke, and Wake Forest on the road.

All ACC teams have played in Bowl games, but Virginia, in their football history. The Clemson Tigers is the only club which has a winning record in its Bowl quests, with a 3-2 one. The whole conference has a record of 8-12-1.

N. C. State has had only one first team All-American player since it began football. That was Elmer Costa, who was an All-American tackle in 1950. Ty Coon, 1939 tackle, was on a second team.

AP, UP Name State Among Top Fifteen

For the first time since 1946, the Wolfpack has earned a berth in the top fifteen teams in the country, being named 13th by the Associated Press poll of sportscasters and sportswriters, and 15th by the United Press poll of coaches.

In 1946, State won four straight games over Duke, Clemson, Davidson, and Wake Forest, and on October 25 of that year, was rated 12th by the AP. This was the highest position ever attained by a State grid team in 65 years of football competition.

Duke, with whom the Pack is sharing the ACC lead, was named 4th by the AP and 9th by the UP.

Soccer Team Opens

The 1957 edition of the State Soccer team will swing into action on Friday as they entertain Lynchburg College here in Raleigh. The October 4th date will be the first of eight contests on the schedule.

Lost by graduation and other reasons from last year's squad were Captain Earl Baxter, Bill Hardister, Dick Hapwood, Herb Vitale, and Mark Schiff. But with five lettermen back the team should be hard to beat. Returnees from last season are Jim Walch, Dobbin McNatt, Frank Troutman, Max Pruzan, Gustavo Gomez, Kenneth Sisk, and John Agnos.

Wolfpack In Practice ...

... As They Prepare for Clemson

Pack Seeks Third In Clemson

Continuing a road trip, which has brought them to the thirteenth spot in the nation, the boys from West Raleigh will venture down to Clemson, S. C., this Saturday to take on a not-so-happy squad of Clemson Tigers.

Although they started the season like a team out to break all scoring records when they completely routed Presbyterian 66-0, the Tigers took a picnic last Saturday and forgot the goodies, as they were overwhelmed by a superior Tar Heel Team, 26-0, in Chapel Hill.

Coach Earle Edwards and Captain Dick Hunter of the State Football team wish to convey their deepest appreciation to the fans who met the squad as it returned from the successful Maryland trip.

In a school where spirit is almost a buried thing, it is gratifying to see that there are still some students here who follow the team and want it to win.

The Pack, on the other hand, still has an undefeated record, after easily downing the onrushes of the big bad Terrapins of Maryland, 48-13.

Last year the Tigers represented the ACC in the Orange Bowl and played a fine game before losing to Colorado, 27-21. In last year's game with Clemson, State played one of its better games, but was beaten in the last quarter on a fumbled kickoff.

Coach Frank Howard will field a young team, but one with much potential. Probable standouts for the Tigers will be Sophomore Quarterback Harvey White, Halfback Charlie Horne, and Guards John Grdijan and Leon Kaltenback.

Coach Earle Edwards of State will most likely go with Collar and Pepe at ends, DeAngelis and Dess at tackles, Rearick and Tokar at Guards, and Oddo at center. The backs will probably be Katich, Quarterback; Chris-

DICK CHRISTY
NC State Halfback

ty and Hunter, Halfbacks; and Hafer at the Fullback post.

The State-Clemson series is the third oldest in State's history being surpassed only by UNC and Wake Forest. The Tigers, who first played the Pack in 1899, hold a 21-6-1 lead in the series. The last game State won was in 1947.

After the Clemson game, State goes to Florida for two weeks to take on non-conference

foes, Florida State and Miami. Then they begin a three game home stand with Duke on Oct. 26.

Students Win Special Honors At Farm Economic Convention

State College students won special honors at the recent national convention of the American Farm Economic Association at Lake Junaluska.

The student honors were announced today by Dr. Walter H. Pierce of the College's Department of Agricultural Economics.

Elected to Offices

Clair E. Morris, Jr., of Columbia and Robert L. Leonard of Route 6, Lexington, both students at State, were elected national president and editor of the newsletter, respectively, of the Student Section of the American Farm Economic Association.

Morris and Leonard also constituted State's debating team at the meeting and placed third in the national competition.

Public Speaking Winner

Fred Mangum of Zebulon, another State College student, was first-place winner in the national public speaking contest. Mangum was graduated from State last May and was awarded a fellowship for graduate stu-

dent at Oklahoma State University.

Morris, a top-ranking student, is on the "Dean's List" at State College and is president of the Agricultural Economics Club. He is secretary and vice president of Alpha Gamma Rho, a social fraternity; and is a mem-

ber of the business staff of The Agriculturist, student magazine; the YMCA Cabinet; and Alpha Zeta, national honorary agricultural fraternity.

Leonard, also an outstanding

student, is a former secretary of the State Association of the Future Farmers of America and is a member of the Agricultural Club and Agricultural Economics Club at State College.

Textile Men Lead

Award Winners Are Announced

State College's Schools of Textiles and Engineering lead in the number of scholarships announced during the summer both to freshmen and upperclassmen.

Also announced were three winners in the School of Forestry, two in the Animal Industry, Department, and one each in the Horticulture and Poultry Science Departments.

SCHOOL OF TEXTILES

Winners of the Ciba Company Scholarships, valued at \$500 each, are Daniel D. Ward and Olin Everette Wilson, both of Raleigh. Ward is a junior, while Wilson is a senior and a previous winner of the Ciba Company Scholarships.

Receiving three scholarships provided by the Herman Cone Family Foundation, Inc., are Robert Harris Pope, Jr., of Cedar Grove, a sophomore; Eddie Max Barringer of Maiden, a junior; and Duncan Dale Chappell of Candor, a senior. The scholarships are valued at \$500 each.

Three students have been awarded scholarships, valued at a total of \$1,000 and presented by the Shapiro Bro. Factors Foundation of New York City. The award winners are Donald Max Joyce of High Point, a sophomore; Charles Wayne Hammer of Siler City, a junior; and Kenneth Franklin Stout of Asheboro, a senior.

Harold Alfred Wagner of Cooleemee, a senior, has been awarded the \$600 American Enka Corporation Scholarship.

Two students have been awarded Burlington Industries Foundation Scholarships, valued at \$500 each. They are Walter Kenneth Lynch of Raleigh, a junior; and J. C. Yancey of Newton, a senior.

SCHOOL OF ENGINEERING

Four rising seniors are recipients of Westinghouse Electric Corporation Statistics Scholarships, valued at \$500 each. They are Lennart R. Peterson, Electrical Engineering, Winston-Salem; Richard P. Westmoreland, Engineering mathematics, Thomasville; Harry Rood, nuclear engineering, Greensboro; and Lewis F. Ballard, nuclear engineering, Mooresville.

Jimmy Truman Daughtridge of Rocky Mount, a senior in aeronautical engineering, is the recipient of the \$750 Douglas Aircraft Company Scholarship.

Larry Wayne Hammond of Hamlet, a Senior in Chemical Engineering, has been awarded the \$500 Monsanto Chemical Company Scholarship.

Charles McDonald Hagwood of Youngsville, a junior in Chemical Engineering, is the recipient of a \$500 Smith-Douglass Scholarship.

Air Force Plans Qualifying Test

The Air Force Officer Qualifying Test Battery for students who desire to compete for entry into AS III (Advanced AFROTC) will be given this year at State on October 12th and October 19th.

Students presently enrolled in AS II or MS II who expect to complete these courses this year must take the AFROTC Battery on one of these dates to be eligible for Advanced AFROTC.

The battery will be given between the hours of 7:00 a.m. and 4:00 p.m. in the Textile Auditorium. There will be one relaxation break and a lunch break during these hours. Cadets must be seated by 6:45 a.m. Successful completion of this battery is an absolute prerequisite to formal consideration for advanced AFROTC.

There will be two rosters posted on the AS II BULLETIN BOARD in PULLEN HALL—one dated 12 October and one dated 19 October. AFROTC Cadets are to indicate which day they want to take the battery by signing one of these rosters.

Intramural Fields Placed Into Service

State College's new intramural athletic fields were placed into service Monday and as one of the participants in the seven football games observed, "It is like going from Class D to the Major Leagues."

Due to the number of labs on Tuesday and Thursday it has always been difficult to schedule the different teams on the existing fields. Now with facilities for playing eight games at one time, the bulk of the games can be scheduled on Monday and Wednesday.

Charlie Barnet

Leading Musician In Popular Field

Charlie Barnet and his orchestra will stop at the Coliseum on his current tour through the South to play for the IDC Ball. The IDC Ball is scheduled for October 19 from 8 p.m. until midnight; the dance will be formal.

Since 1939, Charlie Barnet has been recognized as one of the leading musicians in both the popular and jazz music fields. Many of today's top stars have been associated with Charlie Barnet. Lena Horne, Fran Warren, and Kay Starr began their careers with Barnet. Among the many who have achieved fame as instrumentalists with Charlie Barnet's orchestra are Benny Carter, Red Norvo, Teddy Wilson and Dizzy Gillespie.

Currently, Barnet and Norman Granz have released a Mercury album of some of the all-time favorites, such as "Deep Purple," "Southern Fried," and "Charleston Alley." Barnet has also recorded for Decca, Capitol, and RCA Victor.

Charlie Barnet has recently reorganized his orchestra. For the IDC Ball, Barnet plans to bring a 15-piece band plus a vocalist.

Johnstone, told Tanen that he (Tanen) had "backed up the charges against his fraternity at this meeting (yesterday)."

Jim Beck, who is a member of the Investigations Committee said: "Bob (Gardner) went about this investigation in as much of an unbiased way as possible. Even if Bob were bi-

ased, and in my opinion, he was not, the other members of the Committee had no reason to be. We have made our recommendation and I now ask that the motion be voted upon."

The motion, which was then passed by a vote of 15 to 2, stated: "In accordance with the facts brought out and the facts that occurred, we recommend that Phi Epsilon Pi Fraternity

be placed on rushing probation from November 1, 1957 until October 31, 1958."

A motion which followed clarified "rushing probation" to include rushing and bidding of freshmen only.

WHAT EVERY YOUNG COED SHOULD WEAR

Gather round, girls. Flip open a pack of Marlboros, light up, enjoy that fine flavor, that good filter, relax and listen while Old Dad tells you about the latest campus fashions.

The key word this year is *casual*. Be casual. Be slapdash. Be rakish. Improvise. Invent your own ensembles—like ski pants with a peek-a-boo blouse, like pajama bottoms with an ermine stole, like a hockey sweater with a dirndl.

(Dirndl, incidentally, is one of the truly fascinating words in the English language. The word originated on June 27, 1846, when Dusty Sigafoos, the famous scout and Indian fighter, went into the Golden Nugget Saloon in Cheyenne, Wyoming, to see Lily Langtry. Miss Langtry did her dance in pink tights. Dusty had never seen anything like that in his life and he was much impressed. He thought about her all the way home. When he got

home his wife Feldspar was waiting to show him a new skirt she had made for herself. "How do you like my new skirt, Dusty?" asked Feldspar. He looked at the large, voluminous garment, then thought of the pink tights on Lily Langtry. "Your skirt is darn dull," said Dusty. "I am dull" was later shortened to dirndl, which is how dirndls got their name.)

But I digress. We were smoking a Marlboro and talking about the latest campus styles. Casual, we agree, is the key word. But casual need not mean drab. Liven up your outfits with a touch of glamor. Even the lowly dungaree and man-shirt combination can be made exciting if you'll adorn it with a simple necklace of 120 matched diamonds. With Bermuda shorts, wear knee-cymbals. Be guided by the famous poet, Cosmo Sigafoos (whose cousin Dusty invented the dirndl), who wrote:

*Sparkle, my beauty,
Shimmer and shine,
The night is young,
The air's like wine,
Cling to a leaf,
Hang on a vine,
Crawl on your belly,
It's time to dine.*

(Mr. Sigafoos, it should be explained, was writing about a glowworm. Insects, as everyone knows, are among Mr. Sigafoos' favorite subjects for poetry. Who can ever forget his immortal *Ode To a Boll Weevil*? Or his *Tumbling Along with the Tumbling Tumblebug*? Or his *Fly Gently, Sweet Aphid*? Mr. Sigafoos has been inactive since the invention of DDT.)

But I digress. We were smoking a Marlboro and discussing fashion. Let us turn now to headwear. The motif in hats this year will be familiar American scenes. There will be models to fit every head—for example, the "Empire State Building" for tall, thin heads; the "Jefferson Memorial" for squatty heads; "Niagara Falls" for dry scalps. Feature of the collection is the "Statue of Liberty," complete with a torch that actually burns. This is very handy for lighting your Marlboros, which is terribly important because no matter how good Marlboros are, they're nowhere unless you light them.

© Max Shulman, 1957

Whatever you wear, girls—and men too—you'll find the perfect accessory is Marlboro, whose makers take pleasure in bringing you this column throughout the school year.
