Jim Braddock—Pres.

Frosh Officers Elected

In the Freshmen final elections, the Class of 1964 selected Jim Braddock as its initial president, and Steve Duerk to serve as vice-president.

Following an old tradition, the class selected a coed, Belle Cline as secretary. Joe Dixon received the post of treasurer.

The six Engineering senators that were selected in the Thursday run-off were Peter Davis, Roger Evans, Joe R. Ridgill, Ed Aycouth, Leon Goldwater, and John Gettinger.

The Design senators are: Gerald L. Eckstein and Joe

Dixon, while Textile freshmen selected Art Beveridge and John Bynum as their representatives to the Student Government.

John Carr is the representative from the new School of Physical Sciences and Applied Math; and John Richardson and Peter Pund are the senators for the School of Agriculture.

Forestry Senators are Fred Lindsey and Jane Meyer; and Rudy Burgess and Glenn Crater are the representatives from The School of Education.

Campus Crier

Manly Wade Wellman, an esteemed North Carolina writer, will speak in the State College Union Theatre at 8 p.m., Wednesday (November 9). Wellman now lives in Chapel Hill at the present, but he has lived in many parts of America.

A coffee hour will follow the talk. All are invited to attend.

There will be a sign-up meeting of all students who want to go to New York City for Thanksgiving, Thursday (November 3) at 7 p.m. in the College Union Theatre. A movie will be shown on New York, and many questions that are asked will be answered. Remember, boys, W.C. has joined us!

An organizational meeting of the College Union Bowling Club will be held at 7:30 p.m. Thursday (November 3) in the College Union Business Office. At this time, officers will be elected and the program will be discussed.

State College is planning to send delegates to the Mock United Nations to be held at Duke University the week of February 22-23. All persons interested in representing the College as a delegate are asked to sign up in the College Union Activities Office before Monday (November 7).

Starlight Club will once again be held Saturday (November 5) at 8 p.m. in the College Union Ballroom. Music will be provided by the Chorvetts; dress will be semiformal for the night-club style event.

The Starlight Club will be held in the College Union Ballroom Saturday, November 5, at 8 p.m. The dress is semiformal for the night-club style event. Music will be provided by the Chorvetts. Admittance is regulated to couples only.

The Young Republican's Club meets Wednesday night at the CU. All Republicans and Democrats for Gavin are urged to attend because special election day activities are planned.

"Problems of Church Architecture" will be the topic of the search party on Christianity and the Arts, which will meet on Thursday, November 3, at 7:30 p.m. in the YMCA Conference Room. A panel consisting of Cecil Elliott, Robert Burns, Rod Reinecke, Hartley Hall, with Joe Cox as panel moderator, will lead the discussion.

There will be a meeting of the American Society of Agricultural Engineers and of the

Kennedy, Nixon Hurl Taunts; Campaign Hits Home Stretch

John Kennedy

LOS ANGELES — Sen. John F. Kennedy Tuesday accused the GOP administration of cutting defense and defense employment without regard for national security or the needs of workers in a way that "should shock every citizen."

The Democratic presidential candidate said that defense cuts followed by partial reinstatement of contracts "when election day nears" is "false economy at its worst."

Kennedy also branded as "detestable" the charge of Republicans in California that he would shift defense jobs from this heavy defense production state to "some other area of unemployment."

Kennedy hammered away at

Vice President Richard M. Nixon and his record as he opened two days of intensive campaigning in his GOP opponent's home state.

And in answering the Republican charge that he would rob the Western state to help depressed areas elsewhere, threw this answer at the vice president:

"What Mr. Nixon doesn't understand is that the President of the United States represents all the states. He cannot run on a platform setting one state against another."

"I want full employment in California and in New York and across the nation. It's Mr. Nixon who calls unemployment in-

(See KENNEDY, page 4)

Richard Nixon

SYRACUSE, N. Y. — Vice President Richard M. Nixon on Tuesday night warned the voters of Upstate New York against the "quack" economics of Sen. John F. Kennedy.

The Republican presidential candidate said that if Kennedy wins next Tuesday's election the public can look forward to a spurt in prices and taxes. Under Kennedy in the White House, Nixon saw \$6 children's shoes climbing to \$10.38 a pair, and a hike in the price of eggs by 28 cents a dozen.

The vice president devoted most of his campaign oratory in Pennsylvania earlier Tuesday to criticism of Kennedy's "never-never" economics and federal programs which the GOP candidate insisted would cost an extra \$15 billion annually.

Nixon was joined here by Gov. Nelson A. Rockefeller and Sen. Kennedy B. Keating, R-N.Y., for the upstate part of his two-day invasion of the Empire State.

"Opening an intensive two-day drive for New York's crucial 45 electoral votes in Syracuse Tuesday night, Nixon said in a statement that Kennedy's if-elected programs and their inevitable high cost had caused the American people to become 'upset and fearful about the purchasing power of their money.'"

He said Kennedy intended to "pursue a cheap money policy and has indicated he would pressure the Federal Reserve Board through presidential influence in order to force the price of money down by artificially increasing the supply."

As he took off from Philadelphia in murky weather Tuesday morning, Nixon lashed out at Sen. Kennedy as talking a great game of social welfare but not delivering on the promises.

And to a warmly enthusiastic crowd in the Republican stronghold of Lancaster—self styled heart of the prosperous Pennsylvania Dutch farm country—the GOP nominee charged that if Kennedy had taken the Democratic nominee's foreign policy views to a summit conference, "Khrushchev would have run over him like a truck would run over a little boy."

Usually conservative Lancaster crowds almost pulled Nixon from his open top convertible twice during his downtown motorcade. He once lost his balance and fell backward when enthusiastic well wishers grabbed his arm. Regaining his stance, he was immediately yanked again and for a moment was virtually lying backward on the convertible trunk lid. He was not hurt.

Murphy Spurns Death At SAE Final Rites

On the afternoon of October 29, 1960, bereaved members of Sigma Alpha Epsilon gathered at their house at 3414 Hillsboro Street to pay final respects to deceased brother Patrick Murphy, who passed away Tuesday, October 25.

Brother Gene Rickell conducted both the chapel and graveside services with assistance from Brother Nathaniel Martin. The chapel service, held in the S. A. E. chapter room, was followed by a funeral procession through the various local

girls' schools and downtown. The procession then returned for the final rites at graveside.

During the course of Brother Martin's eulogy to the deceased Murphy, a grief-stricken woman, unable to contain her emotions, threw herself upon the casket. Even in death Brother Murphy sensed the proximity of a female, and this warmth refilled his heart with life. A joyful celebration of the resurrection followed and an occasion of sorrow was changed to one of happiness and fraternal fellowship.

Gubernatorial Hopefuls Reiterate Positions Sanford

Democratic Gubernatorial Nominee Terry Sanford made a plea to voters today to support him if they want a better state and believe their children are entitled to an education "second to none."

In making the plea, Sanford said he wanted to reiterate his statement of position.

"I have not had too much to say about the republicans and what I have said was related only to their positions and lack of a positive program."

"I have had nothing to say reflecting on their honesty and good intentions because I do not believe that exchange of public insults is a proper way to run a campaign," he said.

Sanford said he has spelled out a detailed program for better schools, industrial development, raising of farm income, roads, mental hospitals, highway safety and 30 other subjects.

"I have been running on this program of progress and will

continue to do so for the rest of this campaign. I do not ask you to vote against my opponents—I ask you to support and vote for our positive program and our positive attitude," he said.

Gavin

The combined Gavin for Governor forces in Wake County are sponsoring a gigantic, televised Gavin for Governor rally Friday night, November 4 at 7:30 in the Memorial Auditorium.

Robert L. Gavin, leading in three major newspaper polls, wants to include Wake County in his victory, Wake County has a 90% plus registration of Democrats, 30,000 state employees, and two uniparty newspapers. Mr. Gavin does have some assets in Wake County though the Wake County Women Republicans, Wake County Young Republicans, Wake County Republicans, Democrats for Gavin, and the Young Republicans of State College. Three full-time campaign headquarters are maintained.

Comments From The Editor Nixon? or Kennedy?

Will State College vote for Vice-President Nixon in the State College Straw Vote to be held Thursday and Friday? Or will they vote for the Democratic nominee for President, Senator John Kennedy? That is the big question at the moment as Dr. Holtzman's political science classes prepare for the election.

In recent elections held at different colleges throughout the United States Vice-President Nixon has been the victor in most cases. Whether Nixon is the winner here at State College remains to be seen.

Some of the schools that voted in favor of Nixon were Davidson, Duke, Columbia, UCLA, Princeton, and Swarthmore.

We would like to see a large number of students and faculty members take part in this straw vote. We are printing some additional copies of *The Technician* in order that faculty members will be able to take part in this election.

The gubernatorial race will be followed closely by the students from the state of North Carolina. Three large newspapers in the state have Gavin leading the gubernatorial race. The race for the governor's post promises to be the closest in the state's history.

While the gubernatorial race promises to be close, the presidential race promises to be just as close. Senator Kennedy has picked up many votes in the past week, and many people that felt Vice-President Nixon had a victory clinched are now wondering if he will win at all.

Next Tuesday is election day, and it appears that this will be one of the most important elections in our history, if not the most important.

We are not backing either candidate. This is the student's newspaper, and we do not feel that it is our right to back either candidate since we do not know how the student body feels about the candidates. If we owned the newspaper, then we would back a candidate.

We would like to clear up some student's minds. There have been comments from different groups on campus saying that the newspaper was a Democratic newspaper, and other groups saying that we were backing the Republican party. In order that we might clear up this matter, we would like to say that *The Technician* is independent. We hope that this clears this controversy up with the different groups and students that thought we were backing either one of the parties.

We would like to remind all of you to vote in the straw vote . . . and may the best man win!

—JB

Letter To The Editor

To The Editor of The Technician:

I wish to express my appreciation to those students who supported me in the run-off election that was held last Thursday. Those of you whom returned to the polls, although you were few in number, made a fine selection of class officers. Congratulations to our Freshman Class officers . . . Jim Braddock, president; Steve Duerr, vice-president; Belle Cline, secretary; and Joe Dixon, treasurer. Everyone should pledge his or her support to these fine officers during the coming year.

I wish to extend a special vote of thanks to my faithful campaigners David Angell, Walter Brothers, Robert Chew, Bill Gegeheimer, Gene Miller, Bob Snow, Dale Thompson, Bill Smith, Phil Simpson, Jim Myers, Chuck Bennette, Leland Ferguson, my advisor, Mr. Shaddan, my instructors, and to all of those others that room

will not permit me to list.

The help of the service fraternity, Alpha Phi Omega, was greatly appreciated. The delivery of the pamphlet, "Information Concerning Your Candidates," was a big help.

In order that I might represent you in our student Government Legislature, I must have your opinions concerning all issues. This coming Thursday night at 8:15, the senators that you have elected will meet in room 248 of the College Union to decide what should be done about the New "F" Rule. I extend a cordial invitation to each of you to come bring me your ideas and suggestions so that you may have a part in our Student Government Legislature. Feel free to come by and see me and express your opinion concerning the important matters that concern us all. My room is 260 Tucker.

Again I wish to thank you for your support.
Freshman Engineering Senator

Summer Session Set For University Of Mexico

Application and enrollment of American students and teachers to the 1961 Summer Session Program of the National University of Mexico, Mexico City, was announced today by Dr. Hilton Bell, Director, University Study Tour to Mexico.

Summer Session at the 500 acre, gorgeously muralled campus, one of the most beautiful in the world, offers students and teachers an unforgettable 6 week summer of foreign travel, study and enjoyable living. Internationally-renowned and the leading University in Latin America the University of Mexico offers a wide variety of unusual and standard courses in Spanish and English for teacher in-service requirements or undergraduate credits.

Summer Session Program members will also enjoy 6 weeks of planned travel and leisure events. Included are weekend sightseeing trips, social functions, bullfights, pyramid history, art and culture . . . over 15 exciting activities.

Special Program rates for students and teachers, residing

in modern apartment hotels, begin as low as \$474 and include air transportation, living accommodations and the full schedule of activities.

Complete information for the Summer Session Program, considered to be the outstanding foreign study-vacation to Mexico, may be obtained by writing to: Dr. Hilton Bell, Director, University Study Tour to Mexico, 3305 Wilshire Blvd., Los Angeles 5, California.

Nixon Winning

Vice President Richard Nixon seems to be the choice of the majority of undergraduate college students across the nation. Straw votes give Nixon the edge in a large number of campus polls. Senator John F. Kennedy, the democratic candidate, has been the choice of faculty and administrative personnel in the polls. How will the vote run at State? For complete results, read the Monday night *Technician*.

Straw Vote Set Held Thursday

On Thursday night, *The Technician* will carry the State College Straw Vote Ballot. This ballot, covering the presidential and gubernatorial races, is the only real chance for many State students to express their opinions, since the larger part of the student body is not registered, for one reason or another. The poll, sponsored by Dr. Holtzman's political science classes, will give students, faculty, staff, and administrative personnel a chance to express their preferences.

Dormitory Students

There will be ballot boxes in Dormitory manager's rooms Thursday night, between the hours of seven and ten. Dormitory students may clip the ballot from *The Technician*, mark it, and place it in the ballot box in their dormitory. If you are unable to obtain a ballot, or do not have a chance to vote during the prescribed hours Thursday, you may do so on Friday at one of the designated places.

Fraternity Residents

Those students living in Fraternity Houses should vote at their houses on Thursday night. Ballot boxes will be brought to your house between seven and ten p.m. Fraternity members who live in the dormitories, should NOT VOTE at their

fraternity house, but do so at their respective dormitory.

Off Campus Students

Off campus students and students living in the Married student housing area will have an opportunity to vote Friday, November 4, from eight-thirty until five at the places listed below. The college union main desk, the student supply store, at the library circulation desk, in the front of Winston Hall and in front of the dining hall from eleven to one.

Faculty-Staff-Administration

Plans now call for the Thursday *Technician* to be distributed to faculty, staff, and administrative personnel. Ballot boxes will be placed in several departmental offices Friday. Those who do not have ballot boxes in their respective departmental offices may vote at any off-campus student location between nine and five Friday.

Political Science Classes

This straw vote is being conducted by Dr. Holtzman's political Science Classes. The results will be analyzed Friday night, and announced in *The Technician* Monday, November 7. Students are requested to fill in all boxes on the straw vote ballot, so the results may be compared with other votes at colleges in North Carolina and across the nation.

In Chemical Engineering

Sixteen Students Win Scholarships

Sixteen chemical engineering students at North Carolina State College who have won either scholarships or fellowships for their scholarly efforts were honored Tuesday evening by the Student Chapter of the American Institute of Chemical Engineers.

Dr. E. M. Schoenborn, head of the Department of Chemical Engineering, cited the young men in special ceremonies held in Riddick Auditorium before administrative officials, faculty members and other engineering students.

"It is always a pleasure for the chemical engineering faculty to recognize the superior scholastic achievements of its students," said Dr. Schoenborn, pointing out that "to be able to do so in the very tangible manner provided by the scholarships and awards made available by industrial organizations is especially rewarding to us and we congratulate both the donors and the recipients of these awards."

Undergraduate students who were honored and the scholarships they hold for the current academic year are: Kenneth R. Jolls of Raleigh, Monsanto Chemical Company Scholarship; Charles A. Davis of Brevard and William H. Black, Jr., of Wilmington, each a Smith-Douglass Company Scholarship; David E. Cooper of Cary, Superior Cable Corporation Scholarship; Wilbur J. Privett, Jr., of Tyner, National Carbon Co. Scholarship; David E. Frans of Walnut Cove, E. E. Randolph Scholarship; Wiley Ray Balod of Edward, National Starch and Chemical Corporation Scholarship; and Jerry Vennett of Kernersville, Larry B. Caravan of Greenville, David E. Fress of Walnut Cove, Paul A. Helminger of Morganton, Malcolm R. Judkins of North Augusta, S. C., Larry S. McBride of Salisbury, Virgil S. Spencer of Charlotte, and Thomas C. Ward

of Raleigh, each a Meade Corporation Foundation award.

Graduate students who hold fellowships are Nicholas K. Harakas of Greenville, S. C., and James A. Herricks of Reidsville.

Samuel C. Winchester of Greenville, president of the AICHE Student Chapter of State College, presided at the evening session.

Notice

We would like to remind you that this is the Campus Chest Drive week. Alpha Phi Omega once again is in charge of the drive this year. We hope that all students will give as much as they can to aid this drive as it is for World University Service. We would like to see the drive top last year's record.

Taylor And Gabriel Lead Pack Departments

With seven games behind them, the State football team is doing very well in the statistical end of the game. Al Taylor is leading the team in rushing with an average of 3.4 yards per carry. Other State rushing leaders are John Stanton with a 3.5 average, Claude Gibson with a 4.0 mark, and Randy Harrell with a 3.7 yards per carry average.

In the passing department, Roman Gabriel is the complete story. Gabriel has thrown 128 passes and has completed 72. Leading the list of pass receivers is John Morris with 16 catches for 192 yards and one touchdown. Right behind him is George Vollmar with 11 catches for 193 yards and two touchdowns. Claude Gibson has hauled in nine aeriels, while Jim Tapp, Randy Harrell, and John Stanton each have eight catches. Gibson also has two TD catches.

Collice Moore is the number one punter with 33 boots for 1282 yards for an average of 38.8 yards per kick. Gibson heads the list in punt-return department with eight returns for 77 yards.

Intramural Football Ends Season; Playoffs Monday

Monday afternoon will start the intramural football playoffs for both the fraternities and dormitories. All except one of the berths in the fraternity division have been decided with this afternoon's contest between LCA and Theta Chi having a bearing on the last spot. The last round of dorm play is also being concluded today in which the top three teams of each section qualifying for the playoffs.

The big game of Monday's action saw KA edge out SAE by a 7-0 margin to clinch the top spot in section #2 while eliminating SAE from a playoff spot. It was a second quarter touchdown pass to Jim Spence which provided the victory with a pass to McMillan adding the extra point. Kappa Sig gained a playoff spot by beating winless TKE by a 19-6 score. Kappa Sig jumped off to a quick lead on touchdowns by Shearin and Barefoot in the first period. Then aided by the pass receiving and intercepting by Durant Vick, the K. Sigs coasted to win.

Sigma Nu continued to roll up the points as they crushed Theta Chi 23-0. This left them as the top team both offensively and defensively as they have totaled

134 points while allowing 14 points. Herman Snyder passed for touchdowns to Dave Tharpe and Bob Blanchard to lead the way as Richard Vaughn ran for the other score. SAM racked up the most points in a game in the fraternity division by smashing PEP 46-0. The Sammies smashed out over 200 yards gained mainly through their passing attack. Richie Williamson sparked the attack by passing for 4 TD's and scoring two more plus passing for four extra points. This win assured SAM of a tie for second place in this section, with Lambda Chi needing a win in its final game to tie for second.

Sigma Chi scored a touchdown in each of the first three periods to defeat Delta Sig 18-0. The usually strong defense of Delta Sig could not contain the long scoring plays of Sigma Chi as all the scoring plays were for more than forty yards. Duncan, Wood, and Wilson each account-

ed for a touchdown as Sigma Chi completed their regular season undefeated. PKP used the scoring punch of Jerry Crabtree to Carnes for TDs in the first and last quarters to shutout PKA 12-0. Both teams round out good yardage but it was Crabtree's passes that made the difference. This afternoon's other contest was another close one with PKT squeezing out a 7-0 victory over Farm House. After playing a scoreless first half, PKT opened up in the third quarter just long enough to push across the score that was enough for the decision.

State Rated Slight Favorite In Wake Forest Grid Battle

NEW YORK UPI — Top-ranked Iowa was listed as a 1½ point favorite over second-ranked Minnesota Tuesday for their climactic "meetin' of the u beaten" Saturday at Minneapolis.

The oddsmakers also are anticipating a close game between third-ranked Navy and 12th-ranked Duke at Durham, N. C. They installed the unbeaten Middies as a slim one-point choice over the once-beaten Blue Devils.

Two other games were tabbed as even money affairs. They are Michigan State at Purdue and Northwestern at Wisconsin.

Fifth-ranked Ohio State is such a heavy favorite over Indiana that no odds were quoted

on this game. The same applied to the meeting between sixth-ranked Mississippi and outclassed Chattanooga.

In other games involving top-ranked teams, Missouri is 13 over Colorado, Washington 3 over Southern California, Tennessee 10½ over Georgia Tech, Syracuse 7 over Army, and Rice 2½ over Arkansas.

Miami, Fla. is a 12-point choice over Florida State in a Friday night game.

The odds on other major Saturday games by sections:

East—Dartmouth 7 over Columbia, Princeton 7½ over Harvard, Yale 14 over Pennsylvania, Penn State 8 over Maryland.

South—Clemson 7 over North

Carolina, Kentucky 7 over Vanderbilt, North Carolina State 2 over Wake Forest, Georgia 2½ over Florida, Auburn 9½ over Mississippi State, Louisiana State 14 over South Carolina.

Midwest — Michigan 1 over Illinois, Oklahoma 3½ over Iowa State, Pittsburgh 7 over Notre Dame, Kansas 13 over Nebraska.

Southwest — Baylor 2 over Texas, Tulane 5 over Texas Tech, Texas A&M 5 over Southern Methodist.

Dear Diary...

As I take my pen in hand, I take my bottle of Coke in the other hand! Yes, dear diary, where would I be without Coca-Cola? Just a social outcast. Why, everybody drinks Coke! John and Bill and Barry and Charley. Horace too. Confidentially, I think I'll have another bottle of Coke.

CAMPUS CHEST DRIVE starts Monday October 31st and runs through November 5th. This is the only officially approved drive held each year and you are therefore urged to support it as generously as possible. The proceeds will go to World University Service and the Raleigh United Fund. If you need additional information, please contact Tom Lane at TE 4-0574, or Pete Gernert at VA 8-6188.

TO ALL OFF-CAMPUS STUDENTS—The Technician may be picked up at the College Union Main Desk, at the mailbox at the northeast corner of Watauga Dormitory, and at the mailbox at the northeast corner of the Coliseum.

FRESHMAN AND VARSITY WRESTLING TEAMS will begin practice on Monday, October 31st. All freshmen and upperclassmen are invited to participate in try-outs for both freshman and varsity teams. Meet Coach Crawford in the equipment room at the Coliseum after 4:00 p.m.

DORMITORY OCCUPANTS—You are again reminded to lock your room at all times when neither occupant is there. Leaving the door key on the transom ledge is also an invitation for unauthorized persons to enter your room. Each occupant is requested to close the windows before leaving his room, particularly in Bragaw. This will conserve heat and insure that your room will be warm upon your return.

TRAFFIC—Students trading or buying new cars are reminded that they must have a Student Parking Permit to park on the State College campus. If a student has registered a motor vehicle during the current year, he may receive a free replacement sticker for the new car provided he turns in evidence that the original sticker issued to him has been removed from his other vehicle. Parts or scrapings of the old sticker should be turned in.

The parking spaces on the north side of the Print Shop are reserved for customers only. The small parking area immediately west of the Print Shop is also restricted parking. Students are cautioned not to use these areas unless on official business in the Print Shop.

YOU MAY VOTE ON NOVEMBER 8 IF:

1. You are or will be 21 years of age by that date.
 2. You will have been a resident of North Carolina for one year and your precinct or township for 30 days.
 3. You are registered in your county of residence.
 4. If you cannot be in the county where you are registered on Tuesday, November 8th, you may vote by absentee ball.
- (a) Write to: Chairman, County Board of Elections (your county—at your county seat) for an application for an absentee ballot; or have a member of your immediate family secure such an application.

Mechanized Agriculture Club at 7:00 p.m., Thursday, November 3, in the new Agricultural Engineering Building. Pictures for the Agromech will be made (coats and ties) so plan now to attend.

The Engineers' Council will meet Thursday, November 3, at 7:00 p.m. in Room 11 Riddick. This extra meeting is made necessary by pressing business. All members of the Council are urged to be present.

Mr. Claude Farrell, NCEA's representative to the State Legislature, will speak to the Math and Science Club on the proposals the United Forces for Education will present to the State Legislature, and also on national and state politics. Every Math and Science Education student is urged to attend this at 7:30 p.m. on Wednesday, November 2.

NCS Appoints John Hills Asst. Business Manager

John E. Hills, business manager of Columbia College in Columbia, S. C., has been appointed assistant business manager of North Carolina State College.

His appointment to the post was announced today by J. G. Vann, business manager of State College, who said Hills will assume his duties at the college tomorrow (November 1).

Hills, a product of the public schools of Morganton, received his B. S. degree in business administration from the University of South Carolina and his master's degree in college business management from the University of Kentucky.

He has also undertaken graduate study in the field of college administration at the University of Omaha. He is a member of Phi Beta Kappa, national scholastic honor society; Pi Gamma Mu, social science honor society; Eta Mu Phi, honor fraternity in marketing, and Alpha Kappa Phi, business and professional fraternity.

Hills is married to the former Annie Martha Spell of Smoaks, S. C., a summa cum laude graduate in piano. Both Mr. and Mrs. Hills have made an avocation of music and he has sung leading roles in productions of the South Carolina Opera Workshop.

Last summer he appeared with the Kentucky Opera Workshop in the title role of "Die Pledranus." Mrs. Hills has served as opera coach, church music director, and as accompanist for the Columbia Choral Society.

They have one child, a daughter, four years old, and will reside temporarily at 903 Phillips Street in Garner.

Kennedy Ends Campaign

(Continued from page 1)

evitable."

He spoke Tuesday morning at the University of Southern California, talked to a community group rally and workers in the Los Angeles garment district, then lunched in the colorful Casa Avila in the picturesque Mexican quarter of Los Angeles. Later in the day, he spoke at a Redondo Beach shopping center and to a rally at the Douglas Aircraft Co. plant gate in Long Beach.

His formal speech Tuesday night was a sober emphasis on the problems facing the next president, whether it is Kennedy or Nixon.

He said the president's desk

will be "piled high with old problems, inherited problems, chronic problems," and that new problems and new pressures will rush in upon him.

"For four years the rein of the nation will be in his hands—and the burdens of the world will be on his back," Kennedy told his audience.

"Four years, no other decision you make will be so fateful to your country. No other act in your daily life will entrust so much of your future to one man, his party and his honor."
