## GERMAN CLUB GIVES SERIES OF DANCES

**Students Lay Worries Aside for  
Pleasure; Carolina, Wake Forest  
and Trinity Represented**

With the ending of the grinding week of examinations the German Club members who passed and the fellows who failed turned their thoughts to the more pleasing side of life—that of pleasure. This pleasure was manifested at the series of dances given by the German Club in the City Auditorium last week—on Monday evening at 9:00 o'clock, Tuesday afternoon from 4:00 to 6:00, and Tuesday evening from 9:00 until 1:00 o'clock.

All the fellows who cared for this social pleasure took their afternoon snooze and then donned their evening dress suit and journeyed to the home of the fairer one, who was dressed and beautified to the utmost for her favorite fellow. After the assembling of the dancers the famous Weidemeyer Orchestra rendered music that was exceedingly appropriate for the occasion—the dancers

## FRATERNITIES OPEN DOORS TO NEW MEN

**Past Week Has Been Busy Time for  
Selection of New  
Men**

All the national and local fraternities have been very busy for the past week in selecting their brothers out of the Freshman class and sending out bids. The anxiety of the members about being accepted by the new men and the desire of the new men to get a bid from a fraternity that they liked has caused a great deal of private talk and discussion. But now the selections are made and the men have either rejected or accepted, so all of them are wished the best for excellent brotherhood from now on.

It has been the standard of all the fraternities of this and other institutions not to send out bids until February for the members of the Freshman class. So, with the coming of this date a large portion of the students of this college had their interest stirred to the boiling-over point.

We have been able to obtain nearly all the names of the men who were taken into the fraternities of this institution, through the kindness of Mr. Tom Johnston. They are as follows:

Sigma Nu: Thos. Harrill, Everett Huggins, C. B. Austell.

Kappa Alpha: Joe Jenkins.

Kappa Sigma: Geo. Crisp, Carter

(Continued on page 8.)

## N. C. STATE DOWNS FLORIDA TEAM

**Red and White Show Marked Improvement Over Last Game  
on Home Court**

**Captain Johnson Plays Wonderful  
Game—Passing and Goal Shooting  
Was Easy to Them**

The Southern trip has been the turning point for the State quint. Coming back after a very successful road trip through South Carolina and Georgia State clearly out-played, out-passed, and therefore out-shot the fast Florida quint.

Led by Captain "Red" Johnson, who scored seven field goals and made his two free thrown good, the State basketball team ran wild and downed Florida by the score of 41 to 24. State gained the lead early in the game and never gave it up, but kept always increasing it.

Florida started the scoring with a field goal by Marshall, but Correll quickly had the game on even terms again. Then two quick shots by Duls and Captain Johnson gave State a lead she was never to give up. State had opened up her passing game now and soon found Wray standing wide open under the basket and good for two points. Things kept on in like manner until Captain Jones called time out and decided it was time to try and stop some of this wild shooting and try and score a little themselves. It worked. For he started things by doubling through State's entire team for a basket. They came gradually up but were stopped by the sound of a gun, announcing that the

half was over. State was still well placed on the big end of an 18 to 12 score.

The second half was almost entirely State's. Johnson, Duls, Correll, and Wray shot basket after basket, while Florida was only able to ring the basket occasionally. State passing was the best that has been displayed on the auditorium court this season. Although at times State missed a few crisp shots the majority of their shots were good ones. The improvement that State has made has been wonderful, but much of the credit must be given to Dr. Crozier, their coach.

The game was very clean and few fouls were made. Florida made more points from the free line than did State. Captain Jones played the best game for Florida.

Line-up and summary:

State.	Florida.
Wray .....	Newton
	Right Forward
Duls .....	Jones (C)
	Left Forward
Correll .....	Smith
	Center
Johnson (C.) .....	Whitaker
	Right Guard
Wallis .....	Marshall
	Left Guard

Substitutions: State, Dickens for Duls. Florida: Eddy for Whitaker, Whitaker for Eddy.

State Scoring—Field goals: Johnson, 7; Duls, 5; Correll, 4; Wray, 3. Foul goals: Johnson, 2; Duls, 1.

Florida Scoring—Field goals: Newton, 3; Jones, 3; Marshall, 2; Whitaker, 1. Foul goals: Newton, 3; Jones, 2; Whitaker, 1.

Referee: Doak, Guilford.

## SOUTHERN TRIP OF BASKETBALL TEAM ENDED

**Dr. Crozier Well Pleased With  
Showing Team Made Against  
Strong Southern Quints**

State's basketball team made a trip south last week, playing teams that are among the strongest in the South. Doctor Crozier, the basketball coach, was very pleasantly surprised by the showing his team made against the colleges that were played on the trip. The team not only won honor and glory in her victories, but also in her defeat by Trinity and Mercer.

Those making the trip were Capt. "Red" Johnson, Duls, Wray, Beatty, Dickens, Long, Correll, Wallis, Manager Green and Doctor Crozier.

The team first went to Durham, where they met the Trinity team, which is composed chiefly of men who have played several years of college basketball. As usual, the write-ups that State got in the State papers were very poor and untrue of the game. Instead of the game being the walk-away for Trinity, as it was pictured in the papers, Trinity was

hard pushed by the "fighting team from State" all during the game, and never did Trinity have the chance to send in her second team, as the papers

(Continued on page 6.)

### NOTICE

As perhaps some of the students do not know, there is a ruling that no man who has not officially received a monogram shall be allowed to use it in any form.

This has been interpreted by the Monogram Club at its last meeting to mean any placing of the N. & C. within the S., whether they touch it or not. It also refers to the use of this upon sweat-shirts, skull-caps, trunks, or suitcases, or upon any piece of wearing apparel.

Students not entitled to wear the monogram are requested to bear this in mind when using the N. C. S.

(Signed)

THE MONOGRAM CLUB.

## NEW POWER PLANT TO BE ERECTED SOON

**Principal Units of Equipment  
Contracted For and Plans  
for Building Submitted**

The plans and contracts for the new State College power plant, which is soon to be put under construction, calls for an up-to-date plant in every respect. Equipment of the very latest design is to be used. Ample capacity to take care of the expansion contemplated in building program now under way and possible future expansion are being provided for.

The new power plant, which is to be located in the bend of the switch coming to the present plant and about 75 feet from the railroad, will be a brick structure which will match the other buildings on the campus in architectural design and construction.

Three Stirling type Babcock & Wilcox boilers, totaling 1,012 horsepower, are to be installed. Two of these will be 389 horsepower each and the other 234. Each boiler will be equipped with a Frederick under-feed stoker. Force draft will be furnished by a motor-driven American Blower Company fan. Coal will

(Continued on page 4.)

## BEATTY WILL LEAD THE 1924 WOLFPACK

**State's Right Guard Fills Football  
Captaincy Left Vacant by Cox's  
Resignation**

P. C. Beatty, better known on the campus as "Fighting Cleve," was elected captain of the 1924 Wolfpack at an election held recently by the Football Monogram Men. Beatty has played right guard on the Wolfpack for two years, and the year before was one of the first string subs; he also played on the Freshman team in his Freshman year, so that he has had quite a great deal of football experience and is quite able to lead the team.

W. T. Cox, who played tackle this past season, was elected captain while the team was in Norfolk, at the close of the past season, but Tom Cox thought that since he had finished his college course the past term he had better help them beautify our campus, so he is now supervisor of campus construction here at the college and will not be able to get back next fall to play football. Cox was a great player and he will be missed on the team.

Cleve Beatty, a native of Mount Holly, is a Senior in the Textile Department and will receive his degree at the coming commencement, but he is planning to return to college for graduate work. Along with Cox and

## Editorials

Don't be too proud of that frat pin. Remember that safety pins were the first ones that you used.

Now that bid day is over, maybe the fraternity men can go back to studying. Let's hope so anyway.

The under-class men here who are wearing derbies should be proud of the fact because it is only seniors that can wear them at Furman.

The Contest Editor of THE TECHNICIAN has been threatened with violence, but listen, men, he can not run you in the contest unless you get the necessary votes. Be considerate of the Contest Editor and get out and earn those votes.

Track practice has started, and Sammy Homewood has called for the State track men to come forth and show their laurels. The men are working and the prospects are good for a winning season this year. The detailed prospects will be outlined in next week's paper.

We would be very glad to have at any time any and all criticism of the paper that you may have to offer or that you have heard. Write them or come by and tell us about them. We want to make the paper the best that is possible; so, if your suggestions are worth anything we want them.

With Second and Third Dormitories gone, and with the usual confusion that accompanies any construction work, we are beginning to realize that we are going to have a library in a few months. The excavation work is progressing very nicely and the actual construction

will no doubt begin in the near future.

The Department of Civil Engineering has seen fit to send last week's edition of THE TECHNICIAN to every alumni of the department. This seems to us to be a very good advertising medium, both for the department and for THE TECHNICIAN. We are glad that the Civil Department liked the issue, and we are glad that the opportunity was given us to put before the students the work of that department.

Another column has been added to THE TECHNICIAN this week, namely, the Social and Personal Column. Mr. Joe W. Johnston has charge of this feature of the paper, and is very anxious that his work shall cover as many of the happenings as possible. It will be appreciated if every man will act as a reporter and hand to Mr. Johnson or turn in at the office the items that should be in this column from time to time.

The intense interest manifested in the Beauty Contest has necessitated a bulletin board in the lobby of the Y. M. C. A. on which to post the hourly scores of the contestants. The telephones are kept busy advising the fair ladies just how they stand in the race and the numerous requests of the young men have caused the Contest Editor to suspend his class work to take care of the duties imposed upon him by his office. Patience is all that he asks.

In the securing of Coach Sammy Homewood to lead the Freshman Friendship Council, the Y. M. C. A. has secured the best man that could be obtained for this position. Coach Homewood has won a place at State College as a hard, clean-fighting athlete, and his taking charge of the Freshman Council is a step forward toward the larger and fuller goal of the Y. M. C. A. We are very glad that Sammy has consented to do this service and we are looking for great things to come from his work with the Freshmen.

A club of reporters has been formed and the announcement will be made in next week's paper as to the exact nature of this club that has been organized with the purpose in view of getting before the students the real news of the campus, and get it when it is NEWS. If your name does not appear with those published and you would like to have a part in this work, then drop by the office and see one of the members of the staff and they will be more than glad to get you lined up in this work. If you want some real experience as a reporter for a newspaper, give THE TECHNICIAN a chance to help you help yourself.

The educated man is a new man. It is not merely that he knows more. It is not merely that he can do more. There is something in him which was not there when his education began. And this something gives him a new relation to the past, of which it is the fruit, and to the future, of which it is the promise. It is of the nature of an original force which draws its energy from a new contact with the world and with mankind, and

which distributes its power throughout life in all its channels.

This, it seems to me, is the real object and the right result of education; to create out of the raw stuff that is hidden in the boy a finer, stronger, broader, nobler type of man.—Henry VanDyke, in "Creative Education."

It was indeed surprising to find that a great many men on the State College Campus who consider themselves real State men failed to go down to the Auditorium last Tuesday night and support the team when they played Florida. It was surely a matter of not wanting to go, inasmuch as the student tickets are paid for at the time of registration, and every man has his ticket for all the games. The basketball team showed the real stuff at that game, and not over 60 per cent of the students were there to witness the contest. When the team is losing, that is the time that they need your support the most, and that seems to be the time that the students fail to show up for the games. The men on the team expect you to back them up in the games with other colleges, and when the support is not given they have every good reason to inquire as to the cause. So far, no complaint has come in except from a few students that noticed the small number of men present at the game Thursday night. Let's determine now that we are going to support that basketball team in any situation that may arise.

## 1924 BASEBALL PROSPECTS

In the spring a young man's fancy lightly turns to baseball. Baseball practice will start about the 15th of February or before then if the weather permits. From the showing of the last year's freshman team, and due to the fact that only three of the last year's varsity team graduated, we will have a team that will be a strong contender for State honors. "Chick" Doak will coach the varsity team this year. The students and players are confident that he will turn out the best possible team.

It is possible that Faulkner will not be in school this spring. In the event that he does not return to school, Walter Shuford, Red Johnson, or "Whitey" Smith will do the receiving. Probabilities are that Red Johnson will remain in the outfield. Harry Curtis, star pitcher, who was elected to captain this spring's team, will not return. This leaves Jim Allen and Johnny Hill, of last year's varsity, with Whitaker, Redfern, Carter and Dellinger, of the scrubs, and Morrison, McIver, Elms and Summerill, of the freshmen, as the twirling staff. Lassiter and Arthur will be out for first base. Lassiter may do some pitching if necessary. The fight to hold down second base will be between Gladstone and Gilbert. Gilbert showed up exceptionally well with the freshmen last year. George Redfern's place at short-stop will be the hardest to fill. Al Johnson, Gilbert or Holland will be likely aspirants for the position. Dutch Holland will play third base if he is not shifted to short. If he is shifted, Al Johnson will probably play third.

The outfield will be exceptionally good. Correll and Johnson, letter men of last year, are back, and Charlie Shuford will make somebody work very hard to beat him out of Babe Ruth's old place. These three, with Wade, are exceptionally hard hitters and clean fielders.

The team as a whole should be fast

and heavy hitting, and the base-running of Correll, Shuford and Gilbert should keep the opposing team on edge all the time. Add to this the aggressiveness that has characterized our teams of other years, and the coaching we will get from Coach Doak, and there is no reason that State College should not be first in the fight for State championship honors.

The schedule is not quite finished as yet. The home games will be practically the same as last year with the addition of Penn State. The Virginia trip will be taken again this year; also the State trip.

## THE COLLEGE CALENDAR

(February 10-17)

### Sunday

1:30—Friendship Council meets.

### Monday

6:30—Bible Study Leaders meet.

6:30—Freshman Friendship Council meets.

Basketball team plays Davidson at Davidson.

### Tuesday

12:00—Technician Staff meets.

6:30—Ag Club meets.

Basketball team plays Guilford at Guilford.

7:00—Physics Club meets.

### Wednesday

6:30—Bible Study Classes meet.

Basketball team plays Elon at Elon.

### Thursday

4:00, 6:30, 8:00—Movies at "Y."

6:30—Biology Club meets.

Freshman Basketball team plays Oak Ridge at Raleigh.

### Friday

6:30—Pullen Literary Soc. meets.

6:30—Leazar Literary Soc. meets.

### Saturday

12:00—Y. M. C. A. Cabinet meets.

Freshman Basketball team plays Davidson Freshmen here.

The Varsity Basketball team plays South Carolina University here.

## Dr. Taylor Goes to Oklahoma To Deliver Series of Lectures

Dr. Carl C. Taylor, Dean of the Graduate Department, has gone to Norman, Oklahoma, to deliver a series of lectures at the University of Oklahoma on Community and Rural Organization.

From Norman he expects to go to Oklahoma City to attend the State Teachers' Assembly.

## FRESHMEN DEFEAT SANFORD HIGH QUINT

**Strong Defense Holds Sanford Down During First Half; Brown Plays Best Game**

On Saturday night the State freshman basketball team journeyed down to Sanford to take on the fast high school quint there. The game was marred by much fouling, which was unseen by the referee but which slowed up the passing game of both quints.

The game started very slowly, the first quarter ending with the freshmen on the big end of a 2 to 4 score. Shot after shot was missed by the freshman five while Sanford was unable to break through the Freshman defense. Hooks and Brown found the basket during the second quarter, while State's defense was still holding the Sanford boys at bay. This half ended with the Freshmen 11 and the Sanford boys still 2.

The second half opened with Sanford playing a fine offensive as well as a defensive game. Led by Captain Makepeace, they soon had the score 11 to 10, and just as the quarter ended they scored another field goal and were on the big end of the score for the first time and going strong.

At the beginning of the last quarter the Freshmen seemed to come to life again, and in a few minutes had the game on ice, and soon had it won. Brown and Gresham led in the scoring during this quarter. The defense had taken new life and held Sanford High to one field goal. The game ended with the score 23 to 14 in favor of the Freshmen.

For State Brown at center played the best game. He led in the scoring with five field goals besides holding his man scoreless. Gresham, who substituted for Daily, played a nice game while in there. Hooks played a good game, but was put out on fouls. Watkins and Huggins held up the defensive game in good style. Makepeace Jones and H. Byerly played the best game for Sanford High.

Line-up and summary:  
State Fresh. Sanford High.  
Daily ..... Makepeace (C)  
Right Forward  
Hooks (C) ..... Jones  
Left Forward  
Brown ..... Byerly, F.  
Center  
Watkins ..... Williamson  
Right Guard  
Huggins ..... Byerly, H.  
Left Guard  
Substitutes—For State Freshmen:  
Gresham for Daily, Daily for Hooks,

Waters for Watkins. For Sanford High: None

Scoring for Freshmen: Brown, 5; Hooks, 2; Gresham, 2. Foul goals: Watkins, 2; Daily, Hook, 1.

Scoring for Sanford: Makepeace, 2; H. Byerly, 2; Jones, 1. Foul Goals: Jones, 3; F. Byerly, 1.

Referee: Fogleman, Elon.

## ROCKY MOUNT HIGH DEFEAT FRESHMEN

**Freshmen Are Off on Passing and Shooting; Score Twenty-two to Twenty**

Before the opening of the Varsity game the Freshmen and Rocky Mount High entertained the crowd with a hotly contested game. The game started very slowly and neither side was able to do very much scoring during the first half. Rocky Mount drew first blood when Eason dropped the ball through the basket, but this was quickly followed by a goal from Daily. Each team was able to score eight points during the first half. Six of the Freshmen's was contributed by Brown, who was at center.

The second half opened and Rocky Mount gained a lead that the Freshmen were never able to overcome. Munn, captain of Rocky Mount's quint, was the high scorer during this half and it was he who gave his team victory. The game ended with the State-Freshmen on the small end of a 22 to 20 score.

Captain Munn and Eason played the best game for the High School boys. Brown and Davis played good basketball for the Freshmen. Both the offensive and defensive playing of Brown was of high order. Davis, who substituted for Huggins, played a fine defensive game and broke up many shots that came into his territory. The rest of the Freshmen were

off on their playing, but will be ready for the next game.

Line-up and summary:

State. Rocky Mount.  
Daily ..... Eason  
Right Forward  
Hooks (C.) ..... Whitehead  
Left Forward  
Brown ..... Dunn  
Center  
Waters ..... Munn (C.)  
Right Guard  
Huggins ..... Brinkley  
Left Guard

Substitutions — For Freshmen: Gresham for Hooks, Hooks for Brown, Brown for Hooks, Hooks for Daily, Watkins for Waters, Davis for Huggins. Rocky Mount: None.

State scoring—Field goals: Brown, 5; Gresham, 2; Hooks, 1; Dail, 1. Foul goals: Brown, 1; Davis, 1.

Rocky Mount scoring—Field goals: Eason, 4; Munn, 4; Whitehead, 1. Foul goals: Eason, 3.

Referee—Homewood, State.

## Do You Want Lights All Night?

Students have no doubt noticed that we have had lights in the dormitories all night since examinations. Dr. Brooks will let us have this privilege the remainder of the year provided the student body is willing to pay pro rata for the additional power consumed. I believe every student would be willing to pay this small additional sum for the privilege of having lights all night. There is, however, no need of having to pay an extra fee. If every man on the campus will be just a little thoughtful we can have lights all night with no additional expense. This is how it can be done—when you leave your room at night and expect to be gone for an hour or longer, don't leave the lights burning; this power is needlessly consumed. Simply cut the lights out when you leave and we can have power all night with no additional expense. Let's do it. What do you say?

## BEATTY WILL LEAD THE 1924 WOLFPACK

(Continued from page 1.)

Bostain, captain of the past season's team, Beatty has been one of the outstanding Tech line-men for the past two years and his return to college

P. C. BEATTY, Captain

next fall to lead the Wolfpack as captain means that our squad will have a captain who is a hard worker, aggressive, and a natural leader. All the football men were well pleased with the outcome of the election.

We all know Beatty well, because, in addition to this last great honor, he is a member of the basketball and

track squads. He is also President of the Student Government, which is now having the most successful year it has had since its installment in the college. Cleve will give us all he has, and if the squad and student body will do their share with the new system we are to have next year in the coaching line, "The Old Wolf-pack" will come to the front, and we all will be proud of our team and her captain.

## New Power Plant to be Erected Soon

(Continued from Page 1)

be fed down to the stokers from an overhead bunker by means of a traveling weighing larry, which will weigh every pound of coal burned under each boiler. Coal from the railroad dump is run through a crusher and carried up to the bunkers by a bucket and a belt conveyor. A stack 175 feet high and 8 feet inside diameter at the top will take care of the flue gases. The name of the college will be set in in white brick near the top of the stack, facing west, so it will be visible to those approaching Raleigh from this direction.

Power will be generated by a 250 K. V. A. tubogenerator set built by the General Electric Company. The present Skinner engine set in the old plant will be transferred to the new plant as an emergency unit. A complete switch board, built by General Electric, with an extra panel for receiving current from the Carolina Power and Light Company, will be installed. In addition, the switch board will carry a voltage regulator.

The power plant auxiliaries will consist of a feedwater heater, two feedwater pumps and two vacuum pumps. Of the pumps one feedwater and one vacuum are to be steam driven, reciprocating, and the other

one of each to be motor driven centrifugal type.

Two large hot water heating tanks beneath the engine room floor will furnish hot water for all the buildings on the campus. The water will be heated by the exhaust from the auxiliaries. Excess exhaust from the auxiliaries and exhaust from the main unit will be used to heat one or more buildings. The remaining buildings will be heated by live steam.

## PULLEN LITERARY SOCIETY TAKES IN NEW MEMBERS

At the semi-annual initiation held Friday night in the society hall, six new members were taken into the ranks of State College literary societydom. Although the number of new men is small, we believe that what they contain in quality far overbalances any deficiency in quantity.

The new members are: J. A. Wil-

son, H. K. Plott, R. S. Gaston, H. M. Weedon, C. A. Leonard, S. W. Davis. Mr. Wilson is a Sophomore, the others being members of the Freshman class. Most of these men have had experience in literary society work in high school and they are anxious to match their mettle with other members of the society. We feel that all of these men are fully worthy of being members of Pullen Literary Society and we hope to hear great things from them in the future.

We heard a freshe ask if a blind girl with a pretty face could still be called a "good looker."—Ex.

## HOMEWOOD SELECTED AS COUNCIL LEADER

In casting about for a council leader the Freshman Friendship Council was very fortunate in securing Mr. Homewood. Sammie Homewood, as he is better known, was the Freshman football coach last season. In that position he became personally acquainted with a large number of Freshmen, several of whom are members of the council. He no doubt knows as much about the Freshman Class as a whole as any other man that is connected with the College. He is a man whose ability and character enable him to be a splendid leader in the Freshman Friendship Council.

As a leader in this organization Sammie Homewood will be present at all of the regular meetings for the purpose of leading in the discussion of various parts of the book entitled, "Introducing Men to Christ." This book, which was written by Dr. W. D. Weatherford, president of the Y. M. C. A. College, Nashville, Tennessee, is without a doubt one of the best books that can be studied and discussed in an organization of this kind. It is quite evident, then, that the members of the council will find themselves in the midst of an interesting and worth-while discussion once each week.

## German Club Gives Series of Dances

(Continued from page 1.)

keeping almost perfect time with such a well organized orchestra.

Young men and young ladies came from all parts of the State for this dance; many students from Wake Forest, Carolina and Trinity came over as guests of the club. Also, many girls from out of the city and from various colleges turned out for the occasion.

The German Club has recently made permanent plans to have this mid-winter dance annually, and have decided to have it at about the same date each year.

Those who were present at the dance were as follows: Misses Virginia Storr, Adelaide Boylston, Margaret and Catherine O'Donnell, Jane Grimes, Bessie Folk, Dorothy Burney, Mortina Carr, Catherine Hughes, Hilda Randolph, Mary Mills Ham, Norma Freeman, Julia Russ, Mabel Goodall, Sarah Harrison, Mary Hoke, Narcissa Riddick, Grace Lee, Isabel Jones, Anna Ball Thomas, Annie Louise Manning, Ethel Marshall, Henrietta Long, Caro Fish, Elizabeth Barber, Katherine Briggs, Elizabeth Denton, Miriam Lee, Margaret Craddock; and Messrs. Al Johnston, Sam Tolar, Bob Sloan, Ed Ruffy, Francis Carr, Red Clifford, Pete Little, Lewis Carpenter, John Long, Nick Carter, Jones Yorke, Happy Bland, Joe Cobb, Hubert Jones, Ernest Mitchell, Heck Stewart, Jule Baum, Peter Freeman, Red Robbins, Charlie Prince, Dude Johnston, Fred Streeman, John Dotterer, Joe Jenkins, Ed Jenkins, Sid Workman, Calvin Burnette, Ed Lewis, John Wright, Buster Murphy, Nick Little, Zack Arthur, Judy Chamberlain, Red McBrayer, M. C. Comer, E. A. Feimster, Grayson Neal, Gih Arthur, Burnie Newson, L. H. Cooke, Willie West, Billy Doar, Tom Johnson, Red West, Slim Logan, Brink Howell, Buster Lentz, Mount Wilson, E. F. Culbreath, Chas. Yorke, Thurston Kiser, L. N. Mills, Polly White, Dick Woods, Ted Fountain, Smiley Taylor, Runt Cothran, Jack Mace, Albert Daugherty, Punt Gaines and Tom Parks. Many more were present, but we were unable to obtain their names.

ent, but we were unable to obtain their names.

Old Mr. Anderson, who was fond of relating stories of the war, after the Christmas dinner was over mentioned having been in five engagements.

"That's not so much," said little Edgar, suddenly.

"Why, Edgar!" cried his scandalized mother. "What do you mean?"

"Five isn't many," persisted Edgar. "Sister Edna has been engaged nine times."—Ex.

Ace: "Well, what do you think of the long skirts?"

Jack: "Huh! I think they ought to be worn only by the girls who never had any business wearing short skirts anyway."—Ex.

### Southern Trip of Basketball Team Ended

(Continued from page 1.)

stated she was going to do. The Trinity students thought Simpson would and could make the fool out of "Red" Johnson that he has out of all guards that have guarded him this year, but instead Johnson made Simpson look sick, and while doing it he starred for State, making 11 of State's 23 points. Trinity's coach said that our game was the best game that had been played there this year.

**Line-up**  
State (23) ..... Trinity (35)  
Duls (5) ..... Simpson  
Right forward  
Wray (5) ..... Spikes  
Left Forward  
Correll (2) ..... Roan  
Center  
Johnson (11) ..... Crute  
Right Guard  
Wallis ..... Richardson  
Left Guard

Substitutes for State: Beatty for Wallis.

The next game was with Wofford at Spartanburg. State far outclassed this South Carolina team in every respect of the game, but especially in passing. The blinding passing of Johnson and Correll worried the Wofford men so badly they never could tell where the ball was. Correll was high-point man of this game with 12 of the 32 points to his credit, but Johnson was close on him with 10 points.

**Line-up**  
State (32) ..... Wofford (15)  
Duls (3) ..... Collins  
Left Forward  
Wray (5) ..... Lindsey  
Right Forward  
Correll (12) ..... Childs  
Center  
Johnson (10) ..... Rogers  
Right Guard  
Wallis ..... Copeland  
Left Guard

State's next victim was Furman at Greenville. In this game State really showed she had some fight. At the end of the first half Furman was three points in the lead, the score being 15 to 12. But State came back with a rush and finished up with 32 points in her favor to Furman's 25.

Duls, State's fast forward, was the outstanding figure in the Furman fray, scoring 12 points, but again our captain pushed him with 9 points.

**Line-up**  
State (32) ..... Furman (25)  
Duls (12) ..... Robertson  
Right forward

Wray (6) ..... Galloway  
Left Forward  
Correll (5) ..... Brock  
Center  
Johnson (9) ..... Smith  
Right Guard  
Wallis ..... Herlong  
Left Guard

The Clemson Tigers, although they had much growl, had very little bite, and State trimmed them 22 to 15. (Note:—The score for State would have been more, but the court was so long that it took too long to go from one end to the other.)

The game was very rough, more on the type of a football game, as on one play they had they lined up as if starting from the kickoff in a football game, then they came down the floor like a whirlwind; but Beatty our newly elected football captain, was in the game and he gave them all the football they were looking for and more, too. Beatty played a splendid defensive game. Again Correll came into prominence by making 11 points, half of State's score. Three men were on Johnson practically all the time, so that he had to be satisfied with 3 points, the lowest score he made on the trip.

**Line-up**  
State (22) ..... Clemson (15)  
Duls (2) ..... Chandler  
Right Forward  
Wray (6) ..... Wertz  
Left Forward  
Correll (11) ..... Hagood  
Center  
Johnson (3) ..... Colbert  
Right Guard  
Beatty ..... Vaughn  
Left Guard

Substitutes for State: Wallis for Beatty.

In South Carolina, State took all honors. She quieted the barking Wofford Terriers, calmed the Purple Hurricane of Furman, and tamed the Clemson Tigers. But the type of basketball played in South Carolina is quite different to that which State's team is used to playing. Theirs is a much rougher game and not much passing, therefore our team was slowed up somewhat and handicapped, otherwise we would probably have made a better showing than we did.

The University of Georgia at Athens was next on the list, but here State met defeat, which was the only real defeat on the trip. Not until

Go to E. F. Pescud  
For  
BOOKS and STATIONERY  
12 W. Hargett St., Raleigh, N. C.

the game was nearly over did State find herself, and then she did make a sprint which left the score 49 to 24. The team as a whole played poorly, but Johnson played his usual fine game.

**Line-up**  
State (24) ..... Univ. of Ga. (49)  
Duls (6) ..... Williams  
Right Forward  
Wray ..... Richardson  
Left Forward  
Correll (4) ..... Gurr  
Center  
Johnson (10) ..... Weihrs  
Left Guard  
Wallis ..... Bennett  
Right Guard  
Substitutes for State: Dickens (4) for Duls, Long for Wray, and Beatty for Wallis.

All those who saw State play Mercer on January 5th thought that Mercer had far the better team. Those who saw the game in Macon know that State now, with equal opportunity, has about the same quality team as has Mercer. Although the score was 32 to 23 in Mercer's favor, still State was right on them all the time, and the fact that she had already played five games straight

should be considered. Dickens, from last year's Freshman team, who started, played a brilliant game. His man was the "Dribbling Harman," but "Dick" stayed right with him and as a result Harman failed to star, as he did up here. Dickens was able to pile up several points before having to leave the game on account of personal fouls. Again Johnson led his team with scoring.

**Line-up**  
State (23) ..... Mercer (32)  
Duls (1) ..... Pope  
Right Forward

(Continued on page 7.)

Jimmy Lang	25
"Einstein" Burroughs	20
L. S. Pridgen	20
D. B. Johnston	20

Those receiving ten votes or less not published.

At the request of Miss Elizabeth Purnell, her name has been withdrawn from the Beauty Contest. We are indeed very sorry that Miss Purnell took this action, as at the time of her withdrawal she was near the lead.

It took a little time for the students to realize the beauty which Mr. C. E. Vick possesses, but now the votes for him are coming in at a lively rate, and this week he has risen from a comparatively low standing to the lead of the contest.

The Lion Tamers' Club is making a great bid for Mr. Vick in the contest. Vick is a distinguished member of the aforementioned organization.

Miss Emily Jones took a great lead last week. It is wonderful what a great impression a little smile makes. If some of these other students do not wake up soon and start pulling for their lady friends, Miss Jones' lead will be hard to overcome.

Whenever anything goes wrong The Technician staff has to suffer for it. This week a certain distinguished Senior from Mt. Holly threatened to lynch the entire staff just because someone appreciated his handsome-

ness enough to vote for him in the Beauty Contest.

## PERSONAL AND SOCIAL COLUMN

Joe W. JOHNSON, Editor

All social or personal news deposited in The Technician News Box will be appreciated by the editor.

D. O. Price and C. W. Gunter spent last Sunday visiting friends in Durham.

"Rat" Long stopped over in Concord to visit his father, J. W. B. Long, on his return trip with the basketball team from South Carolina and Georgia.

Prof. R. C. Journey has returned to his college duties, after spending a few days with friends and relatives in Chicago.

We are glad to know that many of the boys who were in the hospital with the measles are meeting their classes again.

Among the graduate students at the Westinghouse Electric and Manufacturing Company from State College are: J. P. Stepp, D. E. Stewart, and I. A. Clay, G. H. Lineberry, F. B. Looper, and B. M. Gatling are in the Testing Department.

Mr. Little, representing the General Electric Company, is here this week interviewing Seniors in regard to student engineering courses offered by his company in Schenectady, N. Y.

Buck Jones has returned to college for the spring semester.

"Mount" Wilson and "Ninety-six" Culbreth left the first of the week to attend the famous Washington and Lee fancy dress ball.

E. C. Westin spent the past week-end with relatives in Red Springs.

J. Hopson Austell has returned from Shelby, where he visited friends.

E. Y. Webb, Jr., visited friends in Greensboro the latter part of the week.

D. T. Ritchie has returned to school from his home at China Grove. Mr. Ritchie will be remembered as a member of last year's Sophomore class.

P. T. Dixon, who was sent out by the college on a cattle testing tour, returned to his duties at the "Y" last Saturday.

We were very sorry to hear of the death of J. E. Tiddy's father, who lived at Red Springs. John returned to the college last Monday.

The basketball team returned Sunday night from their trip to South Carolina and Georgia.

R. L. Melton visited friends in Greensboro the past week-end.

D. L. Jones, a graduate in the class of '23, and Miss Lucille Tart, of Clinton, were married at the Lutheran church the first of the week.

A. Jones Yorke, of Concord, is now attending college at Washington and Lee University. We are very sorry to have Jones leave our college circle.

Bill Morris, former track star of this institution, is visiting his Alma Mater this week.

D. J. Devane, former State College student, visited his fraternity brothers of the Sigma Phi Epsilon last week.

T. R. McCrae from Georgia Tech and J. A. Lawrence, Mercer, have taken up studying with us this term.

Judge: "Do you believe in capital punishment?"

Juror: "Yes, if it is not too severe."—Ex.

"You're suffing me," said the matress to the factory hand.—Ex.

BELL PHONE 135

ROGER BACON

1214-1294

English philosopher and man of science. Studied at Oxford and the University of Paris. Wrote the *Opus Majus*, *Opus Minus*, *Opus Tertium*, and many other treatises.

## For this he was sent to prison

Roger Bacon may not have invented gunpowder, as has been claimed by some biographers of the famous Franciscan friar, but he exploded some of the outstanding errors of thirteenth century thought. Because of his advanced teachings, Bacon spent many years of his life in prison.

In an age of abstract speculation he boldly asserted the mathematical basis of all the sciences. But even mathematical calculation, he showed, must be verified by experiment, which discovers truths that speculation could never reach.

In the Research Laboratories of the General Electric Company, Bacon's principles are followed in every experimental investigation. The gas-filled electric lamp and the electron tube were worked out on paper, but it was experimental verification of the underlying mathematical theory that made electric illumination, radio broadcasting and X-rays what they are today.

More than a million dollars a year is devoted to research by the General Electric Company in order that the giant—electricity—may be made more and more useful to mankind.

# GENERAL ELECTRIC
