STATE CHAMPIONS!

Varsity Makes Clean Sweep Carolina Series Winning Championship

"Chick" Doak Brings Home the Proverbial Bacon With "The Best Ball Team in the Old North State"

Here's to the men of the State College Nine!

Chick Doak's men, so strong and fine; They've won that championship, and won it straight—

The best ball team in the Old North State!

These words, which have already become immortal in the heart of every State College man, expressed the feeling of Mrs. Doak (Coach Doak's wife) in regard to State's team as she extended an invitation to the whole State championship squad to a dinner in their honor at her home Monday evening, May 19th. They came as the spontaneous response to calls of "Speech! Speech!" from the crowd gathered about the Doak home after a yell for Coach Doak was given, to which he modestly replied, "I'll make my speech on the ball field." "Whereupon Mrs. Doak, taking Red's "big horn," uttered those immortal words. This was the first act on a big program of celebration which included St. Mary's, Peace, Meredith, Fayetteville Street, and a solemn cremation of a coffin bearing the monogram NC on the sidewalk of the Capitol Square facing down Fayetteville Street. This celebration, as well befits a celebration for the State championship, was perhaps the greatest celebration ever "pulled" in Raleigh. Nearly the entire student body took part in it, and many carloads of State's loyal friends in Raleigh added to the long procession as it wended its happy way about the city through streets lined with thousands of cheering people. The student body of State College indeed had a reason to be happy, for that day had witnessed the second defeat their team had handed Carolina in three days, and had also witnessed the game which clinched the State championship.

The two Carolina games were played on Saturday, May 10, and Monday, May 12, State made a clean sweep of the series, winning the first one by the

(Continued on page 3.)

DR. AND MRS. BROOKS ENTERTAIN SENIORS

The Seniors and Their Lady Friends Have An Enjoyable Evening

On Monday evening, May 12, Dr. and Mrs. Brooks entertained in honor of the Senior Class. The Seniors from Meredith, Peace and St. Mary's were present for the occasion. The guests were received by Dr. and Mrs. Brooks, Dr. and Mrs. Riddick, Dr. and Mrs. Metcalf, Dr. and Mrs. Taylor, Dr. and Mrs. Williams, and Dean Brown.

As the girls entered the room each one was given a white ribbon bearing a red number, which was to be matched by similar ribbons drawn by the boys. After everybody had found a partner and spent a while in becoming acquainted, they were served with delicious refreshments, consisting of ice cream and cake. Punch was served throughout the evening.

Of the many social events taking place in the Y. M. C. A. during the past week, this was declared by those present to be the most delightful and enjoyable.

Lefty Hill Entertains Ball Squad

Last Thursday evening the College Inn, owned and run by "Lefty" Hill and Watt Ivey, gave a chicken dinner to members of the baseball squad and other closely connected men, namely, Coach Doak and Tal Stafford. All the participants reported a very relishing feed.

The College Inn showed a commendable spirit by helping to support our State Champions in our efforts to show our appreciation for such a good team. Thanks should be extended to "Lefty" and Watt.

Those "slow-balls" that McIver pitches certainly appear to have the spring fever.

Now, since the new library is under way, the excavators are beginning to run the power plant into the ground.

BYRUM ELECTED TO CAPTAIN TRACK TEAM

State's Fastest Man Gets Coveted Position; Is High-Point Scorer of the Squad

After the picture of the track squad was taken on Tuesday the letter men of track elected Buck Byrum to lead them next year on the cinder path. It will be a fast gait that Buck sets and if the men follow him we are sure to have a fast team. All through this year's season Byrum has shown his superior track ability in the dashes. In the State meet he won three first places—100, 200, and 440 yard dashes. He is high point man of the team and by far is the man for the position which is now his. Ex-captain Hamrick, our big, red-headed giant, who tore up his last year's State record on the discus, has made the team a fine leader. In his time as a track athlete at State he has piled up several points on our score and we are going to miss him next year. We are proud of "Red" because he not only found time to go out for athletics, but also found time to study, and we find him as the first letter man who had made

(Continued on page 4.)

STATE'S TRACK TEAM FIFTH IN S. A. MEET

Virginia 7, Carolina 42.5, Washington and Lee 33, V. M. I. 31, N. C. State 17.5

State's track team did well at the South Atlantic meet, held at Charlottesville, Va., May 9th and 10th. The team piled up seventeen and a half points and took fifth place in a field of seven schools. The other schools entered were Maryland, 9, and V. P. I., 7.

Captain Hamerick and Buck Byrum each accounted for four points, while Pridden accounted for three and a half points. Red took second in the discus, Buck took third in the hundred and fifth in the two-hundred; Pridden tied for second in the broad jump. Frank Clark added three more for third in the high hurdles; Joe Ripple, Herm Curtis, and Ralph Scott each turned in a point for fifth place in the shot-put, the four-forty, and the two-mile, respectively.

State was represented by these seven men, the smallest team there, yet was the only team which placed every man entered. The seven men entered placed in eight events. State's track team is 100 per cent good and State is 100 per cent for it.

"CHICK" DOAK WANTED AS NEXT YEAR'S COACH

Students Demonstrate in Mess Hall by Voting That Doak Is Logical Man for Next Year's Coach

Monday afternoon the student body of this institution expressed their deep desire that Coach Doak be retained for baseball coach of next year. Red Clifford, head cheer leader, asked the students in the mess hall who desired Doak for coach next year to show it by lifting their hands. At this request hands shot up like bullets coming from a Yankee machine gun. Then cheers went up for the State champion coach which sounded and resounded in the hall. Many cheers of "We are happy when we yell 'Coach Doak!'" were not only given on the athletic field, but were piled one on top of the other in the mess hall until there was only a ringing of hoarse voices to be heard.

Coach Doak started at the beginning of this year with a team that was badly disorganized and lacking in spirit to win, and he has gradually brought the players into their own confidence and the confidence and admiration of the student body. This has been accomplished by giving every man a fair chance and teaching the men to use their heads in pinches; and no man on the team will say that he hasn't had a fair chance to demonstrate his ability and skill in playing the game. This fairness and sound coaching of our State champion coach, "Chick" Doak, has given us a team that now stands open for a flying chance for the Southern championship in baseball.

Interpretation of Student Opinion

The writer sincerely believes that the student body of this institution will not be satisfied for the officials to allow such a valuable and popular coach to depart from this campus. They don't want to see a man leave this institution who has made such a marked success in coaching and handling men. The students turn their thoughts back and remember when this college let Coach Fetzer, who was a good coach, leave and go to Carolina and produce teams that walked away with us in nearly every branch of athletics. The students wonder if we are going to allow a coach to leave here who can beat Fetzer's men, one who can beat Jones's men—presumably the \$10,000 coach of Trinity, one who can beat Garrity's men. The students have shown that they want "Chick" Doak for coach next year, if the college does have to pay a high price to obtain his signature for the ensuing year. "Student opinion believes that Doak is a valuable coach and deserves a coach's pay."

Editorials

Vacation only one long week off.

Don't the headlines of THE TECHNICIAN look well this week?

We wonder if the ball that Charlie Shuford knocked Monday got smeared up any, as we were hoping that one might.

The feed that the 100 per cent Bible Study men had Sunday night was well worth their faithfulness for the past term.

The Seniors have certainly been using "the proverbial midnight oil" during the past week. Here's hoping they have left enough for the rest of us.

Speaking of headlines, how about those red ones in the Tuesday morning *News and Observer*? Few of us would have believed it without seeing it.

The only reason we can figure they are feeding us so little in the mess hall now is because we are having so many feeds and banquets at this time of the year, and they want to keep from making us sick so that we can take our exams.

No doubt every Junior, Sophomore, and Freshman on the campus would have liked to have been a Senior Monday night when Dr. and Mrs. Brooks entertained the Seniors of St. Mary's, Peace and Meredith along with our Seniors.

We certainly should feel grateful to the managers of the Grand and the State theaters for the free shows that they so readily gave us. Fellows, let's remember their kindness, and if ever they give us any more shows, act like we ordinarily would

act on going to a show and not as a mob.

Buck Byrum well deserves the captaincy of the 1925 squad. This season he has proven himself worthy his teammates. "Tiny" Jameson has certainly "put out" for the managership of the track squad. In "Tiny" we feel sure that the track squad will find a willing worker and a man they can always rely upon.

The girls at St. Mary's, Peace, and Meredith seem to enjoy our serenades. Nothing suits us better than to come around and yell and sing for them and to have them yell and sing for us. We feel sure that, beginning with the football season next fall, we are going to have several serenades before the year is over, so the girls may as well be prepared.

BLUE RIDGE

As the time grows near to go home, we are wondering how many men we are going to have at Blue Ridge this year. If there is any man in school who is looking for ten days of enjoyment, ten days spent with the leading men of the country, ten days of mingling with the pick of Southern college men, ten days spent in as pretty a part of North Carolina as there is, and ten days of religious study, why then plan to go to Blue Ridge this summer, and get it all in one ten days.

There is no end to the enjoyment that one gets at Blue Ridge, not even when he goes to sleep, for never has one slept as he does up there in the mountains. The religious and educational leaders of the South will be there, and every one will have a chance to hear them.

To send a large delegation to Blue Ridge is not only a good advertisement for the school, but it will mean so much to the school when these men get back here. Think about it and plan to go. "Where there is a will there is a way."

COACH DOAK

We would like to know a man who is more popular and more thought of by the student body and alumni of State College at the present time than is our baseball coach, "Chick" Doak. He well deserves all credit given him by the students and alumni.

Victory is sweet to any school, and especially is it sweet to us. It has been several seasons now since we have won a State championship in any branch of athletics; but at last we have won, not only a State championship but we have a better claim to the South Atlantic championship than any other college in that division.

Although it is understood that we have the very best material at State for a baseball team, still we have to have some one at their head who can develop them and pick the very best possible combination. In Coach Doak we know that we have a man that can do this and he has demonstrated his ability to do it. For that reason the whole student body is not only giving him their verbal praise, but are going to give him a token that will really be worth while to him, and make him realize that the students of State College appre-

ciate his efforts in giving them a championship team, and that we, every one, want to see him back next year, heading the baseball team.

HONOR SYSTEMS AND EXAMINATIONS

Examinations are again upon us, and we must be reminded that we are expected to uphold student government and the honor system. We should take this thing seriously and take the responsibility upon ourselves instead of trying to shove it all off upon a few chosen men on the Council. We do not have a Council government here, as some of us try to make ourselves believe we have, but instead we every one of us should feel the responsibility of student government and the honor system and try to do all in our power to make them a decided success.

At some of our Southern colleges the honor system has become a tradition, and to be caught cheating at one of these colleges is the greatest disgrace that can possibly come to a man. When we have reached a point where 90 per cent of our men feel that cheating is as low a crime as a college man can commit, then we can make it so disagreeable for the remaining 10 per cent that they will leave us and we will then have an honor system that we can boast of as does Washington and Lee.

Do we ever stop to think what we would do if we were shipped for dishonesty, or how we would explain it to the folks at home? It might be rather hard for us to explain.

Let's go on our examinations this spring with a determination to back student government, and when the last exam is over let's be able to say with a clear conscience: "I have neither given nor received aid on any examination."

SENIORS, ATTENTION!

The next edition of THE TECHNICIAN, which is also the last one, is to be your number; so, if you have anything to say before you leave, say it in this edition of THE TECHNICIAN. Any news, any joke on a Senior, or any thing in any way connected with the Senior Class that you want in this edition, bring it around to the office.

BROADCASTINGS

We thought that the Senior across the hall had a job as a night watchman until his roommate told us that all Seniors are that way.

Our Freshman thinks Frank's Cafe received its name from the kind of weiners they serve there.

All that marble that is going into the new library will keep the heads of some of the fellows that use the building from being lonesome.

We hear that the stack to the new power plant will be two hundred feet high. Now, won't the Gymnacrobsats have fun!

A NUISANCE: Trying to find a news story continued from page one.

THE JOKE: The fellow who received a "funkt slip" after bragging about the numerous "ones" he would make last month.

Bob Luther: "When I get married my wife will have to put up with a dog."

THE WOLFPACK'S 1924 FOOTBALL SCHEDULE

Sept. 27—Trinity at Raleigh.
Oct. 4—Penn. State at State College, Pa.
Oct. 11—University of South Carolina, at Columbia, S. C.
Oct. 25—V. M. I., at Richmond, Va.
Nov. 1—Davidson, at Raleigh.
Nov. 8—V. P. I., at Raleigh.
Nov. 15—Maryland, at College Park, Maryland.
Nov. 22—Wake Forest, at Raleigh.
Nov. 27—Washington and Lee, at Raleigh.

It would seem the Wolf Pack has a good schedule for next fall. Also, we're going to have a good Wolfpack next fall. We predict the percentage of games won by the Wolfpack by sundown, November 27, will be away up above any record for the past three or four years, despite the fact that there's not an "easy" game on the schedule. The only newcomer on our football schedule is Trinity. Trinity had a good team last fall and replaces Roanoke on our schedule. We have been trying for several years to connect with Trinity, but heretofore either one or the other was unable to make it. And again, we hate to see such a scrappy, peppy, and all-round good team as Roanoke was last fall leave our schedule. Everybody who saw the Roanoke game last fall enjoyed it thoroughly and the boys on the Wolfpack enjoyed playing such a team.

All the other games are with teams which have been on our schedule at least several years. The team will enjoy several good trips next fall—one now is the Penn. State trip. The fellows always come back with a fine feeling toward Penn. State after the game. Especially so last fall, as we played our best game against them. Then there is the V. M. I. game in Richmond, the South Carolina game in Columbia, and the Maryland game at Baltimore. Captain Beatty, you have a good schedule, a good team, and a hundred per cent good spirit from the student body. With that you couldn't lose if you wanted to.

INTERSTATE CLUB ELECTS OFFICERS

At the last meeting of the Interstate Club the following officers were elected for the coming year: S. E. Holt, of Rochester, N. Y., president; W. C. Creary, of De Funiak Springs, Fla., vice president, and E. C. Westin, of Fort Wadsworth, N. Y., secretary and treasurer.

The Inter-State Club was formed at the beginning of the year with over twenty charter members and aims to get in touch with all students coming from other states to the college. The number is due to increase each year and the club expects to put over a big program next year.

ODE TO THE BOYS

Twinkle, twinkle, little hair,
How I wonder what you air,
Up above that lip so brave—
Why in the thunder don't you shave?
—Exchange.

Student: "How long can anyone live without brains?"
Professor: "I don't know; how old are you?"—Exchange.

Varsity Makes Clean Sweep of Carolina Series, Winning Championship

(Continued from page 1.)

score of 3 to 2, and the second one by the score of 7 to 2.

The First Game

The first game was played at Carolina, and really amounted to a pitchers' duel. Capt. Jim Allen opened for State, while Capt. Bryson opened for Carolina. McDonald was hit by a pitched ball and came home on Coffey's home run in the first inning for Carolina's score. Bryson held State scoreless until the fifth, when two errors, a two-bagger by Al Johnston and a single by Jim Allen accounted for two runs and tied the score. Jim weakened slightly in the fifth and as is his custom (thank goodness for it!), Chick replaced him with Johnny Hill. Johnny celebrated his advent to the mound by fanning the first two men to face him and holding them scoreless for the rest of the game. He fanned five and allowed two hits. Meanwhile, in the sixth, by means of Fed Johnson's single, Dutch Holland's sacrifice, and Johnny Gilbert's hit, his teammates made the winning run. In the ninth, with two down and Bryson on, Bonner or Carolina hit to deep left. Charlie Shuford of State sold out for the woods, leaped high into the air and matched down what looked like a home run—and the game was over. The teams seemed about evenly matched. Box score follows:

State:	Ab.	R.	H.	O.	A.	E.
Correll, cf.	4	0	1	3	0	0
Gladstone, 2b.	4	0	0	3	1	0
C. Shuford, lf.	4	0	0	3	0	0
R. Johnson, c.	2	1	1	5	0	0
Holland, 3b.	3	0	0	3	4	1
Lassiter, 1b.	4	1	0	9	0	0
Gilbert, ss.	3	0	1	0	3	2
Johnston, rf.	4	1	2	1	0	0

*Batted for J. Johnson in 9th.

Score by innings:

	R.
N. C. State	000 021 000—3
Carolina	200 000 000—2

Summary—Two-base hit: Johnston. Home run: Coffey. Sacrifice hits: Jones, Gilbert, Holland, McDonald. Base on balls: Off Bryson, 2; off Hill, 1. Struck out: By Hill, 4. Hit by pitcher: McDonald (by Allen); J. Johnson (by Allen); Starling (by Allen). Hits: off Allen, 3 in 5 innings. Winning pitcher: Hill. Left on bases: N. C. State, 6; Carolina, 9. Time: 1:35. Umpires: Rube Brandon, Bill Holden. Attendance: 5,000.

The Second Game

The second game, played Monday, May 12, on Riddick Field, Raleigh, was witnessed by the largest crowd of the season, except, perhaps, the Easter Monday Wake Forest game. And the crowd rejoiced at the end of the first because the score stood two and two, and they saw chances for a great game. Carolina's runs came through an error and two hits by Coffey and Morris. But State came back strong and made two runs in the first to even the count. Bob Correll slammed out a hit on the first pitched ball. Gladstone bunted and beat it out. Shuford bunted, and

beat it out, while Bob Correll came home. Red Johnston sacrificed. Dutch hit, scoring Gladstone. On the double steal, Charlie Shuford was called out on a mighty close decision. "Gaither" Lassiter popped out.

For the next three innings the pitchers had it out between them with no more scoring. Then came the fifth. Jim Allen singled, took second on Bobby Correll's sacrifice, Gladstone flew out, Charlie Shuford came up. The ball hit in the left-center bleachers, bounded up to the top and stopped. Charlie walked across the place, calling Umpire Brandon's attention to the fact that he stepped square in the center of it. In the ninth the Holland-Lassiter hitting combine accounted for another. In the seventh Gladstone was hit by a pitched ball, Shuford walked, Johnston hit to infield, Gladstone scored on Holland's long sacrifice bunt. Bob Correll's peg to second in the ninth sent Jones back to the Carolina bench after he had hit through the infield.

Box score follows:

Carolina	Ab.	R.	H.	O.	A.	E.
McDonald 2b	4	0	0	1	3	0
Bonner, c	4	1	1	4	2	0

"Gosh, no! I got this tie for Christmas."—Bee.

Byrum Elected to Captain Track Team

(Continued from page 1.)

Pine Bur, the honorary scholarship society.

"Tiny" Jimeson was elected by the whole squad to take Charlie Faucette's place as manager of the squad. They say that no one loves a fat man, but we doubt this, because every one on the track team has a warm feeling for Tiny. He is always willing to help anyone and is always doing something for the men in one way or another. We believe that he will make a first-class manager and give the fellows all he possibly can.

Charlie Faucette has certainly put out for the team this year. Although there are several men on the squad that feel as if Charlie has given them a dirty deal, still we know those kind of fellows are continual grumblers and we must look over them. Always, has Charlie tried to do with a smile or laugh the disagreeable duties of manager, and the majority of men on the squad appreciate his efforts.

Most people have the mistaken idea that sunburn is caused by "the heat of the sun." This is incorrect. Sunburn is caused by the ultra-violet rays, which constitute only seven per cent of sunlight.

Nature herself provides a form of protection against the ultra-violet rays, for when a person is exposed continually to sunlight he will find that after several attacks of sunburn, the skin becomes tanned or freckled. Tan and freckles are simply the natural pigment which nature provides as a yellow screen through which the ultra-violet rays cannot pass and cause real injury by continued burning.

A high-tempered high school student in a fit of frenzy, broke the back of Cæsar, jerked the appendix out of Cicero, and pulled the Tale of Two Cities.—Exchange.

"LISTEN TO THE BAND"

"Daddy" Price Brings His Musicians to Orphanage and Has Grounds Full of People for Audience

The following clipping was taken from the Orphans' Friend, published at Oxford, N. C., and printed in The Technician for the purpose of letting the students at State know what other people think of our band.

Capt. P. W. Price, widely known as "Daddy" Price, brought his State College band to the Orphanage last Friday night and gave one of those fine concerts for which his organization is famous. Though a little cool, the night was just right and the biggest audience was present that ever listened to a band concert in Oxford. The Orphanage ground was black with automobiles and scores of them had to be parked on College street, great numbers of people from Oxford and surrounding country having come to the concert. Many people were here from Virginia, too.

There were fifty pieces and the boys played gloriously. Among the musicians was a vocal quartette with splendid voices that made a big hit with the audience. A visitor said that it is the best quartette in North Carolina and it looked the part. The

versatile "Diddy" Ray was here and his stunts were great.

Captain Price has had such success with his band that he has organized an orchestra at State College. He has made plans for organizing a glee club, which is to be built up around the quartette singing Friday night. That should be enough to guarantee success of itself, for, to use a phrase of the street, those boys "have the stuff."

The director is a musical wizard. Each year he has to replace large numbers of his players, due to the fact that completion of their school work causes many to leave college, but in a very short time he has the new bandsmen playing like veterans. The boys adore Capt. Price and that is one reason why he can perfect their playing so quickly. One of our boys, Johnson Bailey, who entered State College last fall, is a member of the band and is doing good work. He thinks the sun rises and sets at State, which is a pretty good sign that State agrees with him and that he agrees with it.

Volunteer workers in North Carolina for the Near East Relief are preparing to welcome Jackie Coogan, youthful movie star, who is to make a ten-week's tour of the nation in the interest of raising milk, money and clothing for the starving children of the Near East.

The New Spring Suits

Are Very English, Y'Know

Our new stocks of spring clothing show most clever adaptation of the prevailing English styles. The man who would be fashionably dressed will get correct ideas from our showing.

In marking prices we've deducted a large percentage from profits, depending upon our volume of sales to enable us to offer you this opportunity for a handsome saving right at the opening of the season.

Coming from nationally known makers, our suits are sure to embody the highest type of tailoring, materials of superb quality, and a variety of shades and patterns that is unsurpassed.

**TRACK TEAM ENDS
SUCCESSFUL SEASON**

Beginning the season crippled badly by the loss of ten letter men last spring the track team ended its schedule by making a very creditable showing at the South Atlantic meet held last week at Charlottesville.

The V. P. I. Meet

The V. P. I. meet, the first of the season, resulted in a victory for the Wolfpack of the cinder path. State's runners repulsed the invasion of the Old Dominion Techs by a score of 71-55. In this meet State showed that she was not lacking in the dashes and field events. Ripples and Hamrick took the firsts in the weight events, while Byrum, in the dashes, and Clark, in the hurdles, accounted for two first each. This first meet showed State supporters that we had a team that could score even though hurt by graduation last spring.

The Davidson Meet

After traveling far to meet the Wildcats, the track team had its hopes blasted by ceaseless rain and the meet did not take place.

The Washington and Lee Meet

In this meet the team showed its ability to take firsts, but was woefully lacking in seconds and thirds, a condition resulting from having too few men out for the team. The Generals took this meet from us by a score of 41-85.

The Carolina Meet

Meeting the Tar Heels on our own field, State bowed in defeat before the runners from Carolina. Again the Cinder Pack showed real ability in capturing first places, but again the handicap of too few men was too great, and a possible victory turned out to be a humiliating defeat. Carolina runners gathered 84 points, while the State men took 42.

The State Meet

With over a hundred men competing, and every large college in the State represented, this meet came off in fine order, and Manager Faucette is to be congratulated on the excellent way in which he handled things. The preliminaries were run off on May 2 and the finals on May 3. State placed men in every event in the races Friday. On Saturday, however, our old rival proved too much for State runners, and our track artists had to be satisfied with second place in the meet. The results of the meeting follow: Carolina, 107½; State, 57½; Davidson, 20; Wake Forest, 14; Trinity, 9. Several new records were made. Byrum, State, set a new record for the 220; Moore, Carolina, for the low hurdles; Ripple, State, for the shot-put, and Hamrick, State, for the discus. Byrum, high score man for the meet, showed real ability and endurance by taking first in the 100, 200, and 440 dashes.

The South Atlantic Meet

Last week, at Charlottesville, Va., the men from State showed up very well. With only seven men making the trip, and every man placing in at least one event, State set a record that no other college represented could equal. Taking 17½ points and fifth place in the meet, these men ably upheld the honor of our college.

Men Scoring in Meets This Year

Name	Points
Byrum	47
Pridgen	33 1-3
Hamrick	32
Clark	30
Ripple	26
Scott	16
Curtis	15
Wright	8
Crater	7
Cooke	7

Johnson	5
Morris	4
Currin	4
Meredith	3
Ferguson	3
Tilson	3
Robeson	2
Winslow	2
Lattimore	2

Men Making Letters This Year
Pridgen, Ripple, Curtis, Wright, Lattimore, and Manager Faucette.

Men Making Stars This Year
Bynum, Captain Hamrick, Clark, Scott, Crater, and Johnson.

Of these men the following are Seniors and probably will not return to college next year: Captain Hamrick, Scott, Crater, Manager Faucette, Curtis, and Lattimore. This leaves many positions on next year's team open and should be an incentive to a large number of new men to come out.

Much credit for the success of this year's team is due to the so-called Scrubs. There were quite a good number of men on the squad this year who stayed out the whole year and who put out the whole year and yet who did not make a single point. It takes a lot of guts to keep right on putting out all the year without even the encouragement of a hope to make a Letter. But stay in there and fight, Scrubs, old State College is proud of you.

Freshman Track Season

Despite the fact that the Freshmen Track team had but two opportunities to show the world of what kind of stuff it was made, the 27's flashed some stuff that caused all who saw them perform to sit up and take notice. The team had two meets with the following results:

Freshmen, 100; Raleigh High School, 8.

Freshmen, 50; Carolina Freshmen, 76.

Men Who Made Their 27

Dashes—Tucker, Moyer.
Hurdles—Habel.
Middle Distances—Lewis, McFadden.

Long Distances—Cellwean.
Jumps—McIver, Jennete.
Weights—Lambe, Reynolds.

Captain Tucker and his teammates bid fair to add considerably to State's scoring ability on the cinder path next year. Here, again, much credit is due the men who failed to score this season. Among the men who did not make numerals this year the ones who look best are: Witherspoon in the dashes, Forte and Schrader in the middle distances, Winstead, Petree, and Gaston in the jumps, and Nicholson in the weights.

**THE BIGGEST SINGLE BUSINESS
IN WORLD USES ANNUALLY**

More than 300 tons of stationery and typewriting paper.

Nearly 4,000,000 sheets of carbon paper.

Also 175,000,000 envelopes and millions and millions of blank forms of one kind and another.

To write on this vast amount of stationery and to fill the thirsty ink bottles from New York to San Francisco requires 70,000 quarts of ink.

This vast ink reservoir is supplemented by hundreds of thousands of rubber stamps, while the mucilage requirements are 35,000 quarts.

In addition to all this it takes 1,620,000 lead pencils, nearly 6,000,000 steel pens, 100,000,000 paper clips, rubber bands by the ton, and 2,331,445 pounds of twine.

Nearly 12,000,000 mail sacks are used, and it requires annually 6,000,000 yards of canvas to make new ones.

Other interesting figures show that

the army of rural letter carriers travel daily 1,173,473 miles, and annually 360,256,364 miles.

Fifteen and a half billion stamps and one and a quarter billion postal cards are sold yearly by the postoffice department to the American public.

**POULTRY SCIENCE CLUB
FINISHES YEAR STRONG**

The Poultry Science Club held its last regular meeting of the year Thursday night, May 1st. One of the most interesting meetings of the year was rendered at this meeting.

Following the program, the club engaged in a lively discussion concerning its part in the Ag. Fair next year. Suggestions were offered as to how we can make our float and show win first place again next year as it has for the past two years.

This being the last meeting of the year the following officers were elected for next term:

President—N. M. Williams.
Vice President—J. B. Slack.
Secretary and Treasurer—J. R. Brown.

A program committee was then unanimously elected by the club, consisting of Prof. W. F. Armsstrong, C. F. Parrish, and C. E. Glenn.

With these officers in charge, backed by the assurance of the full co-operation and support of every member of the club, we expect the Poultry Science Club to have even a much greater year next year than it has had the past year, for the Poultry Science Department is one of the best equipped and fastest grow-

ing department in the Agricultural School.

100% ATTENDANCE BIBLE STUDY BOYS ENJOY FEED

Watch Fobs Presented to Classes Having Perfect Attendance Records

On last Sunday night there was a Bible Study Feed held in the "Y." for all the boys having 100 per cent attendance to the Bible Study Classes held in the various dormitories. There were also several talks in which the work for the past year was reviewed and the work for the coming year outlined. The feed was thoroughly enjoyed by all attending, since only lunches are given out by the dining hall on Sunday night. The classes having 100 per cent attendance were also remembered, when they received trophies.

The assembly Sunday night was opened with singing, led by Dean E. L. Cloyd. Mr. P. T. Dixon then gave a resume of the year. He said in the fall there were 25 Bible Study Classes with 245 students enrolled, while 146 had a 100 per cent attendance. Five classes has 100 per cent attendance. The subject of discussion was, "Facing Campus Problems," by Bruce Currie. There were 28 classes held this spring, with 335 men enrolled. Of these nine classes and 174 men had perfect attendance. The subject studied was "Facing the Crises," by Sherwood Eddy.

Dr. Taylor then spoke on the "Challenge of Bible Study." He said he hoped the students present would try to get the other students here next year to attend these Bible discussion groups, in order that there would be 100 per cent of the student body enrolled. He said these groups were an ideal way to discuss a rational Christian religion.

Mr. King presented trophies to the classes having a perfect attendance record for the entire group. The trophy was a neat watch fob, given by the Y. M. C. A. Mr. King said that he knew these classes must have been led by interesting leaders in order to have a perfect attendance record, because he knew how hard it was to get students to attend to their regular classes. The leaders of these groups are J. L. Andrews, R. K. Matthes, R. J. Peeler, P. L. Scott, J. P. Shaw, "Pop" Taylor, C. W. Tilson, C. E. Vick, H. S. Wilfong, E. J. Whitaker, and E. D. Wilder.

L. A. Brothers then spoke and said that he hoped to accomplish what Dr. Taylor had outlined. He also said that he hoped to excell Dixon's record for the past year.

The assembly was then led in prayer by Dean Cloyd. After this a three-course luncheon was served. It consisted of sandwiches, drinks, ice cream, and cake. This was the best one of the year, considering both the feed and number allowed to attend.

FREE TRANSLATION (FROM THE ANCIENT INDIAN)

On the shores of Cuticura,
By the sparkling Pluto Water,
Dwelt the Prophylactic Chiclet,
Danderine, fair Buick's daughter.
She was loved by Instant Postum,
Son of Sunkist and Victrola,
Heir apparent to the Mazda
Of the tribe of Coca-Cola.
Through the Tanlac strolled the lovers,
Through the Shredded Wheat they
wandered.

"Lovely little Wrigley Chiclet"
Were the fairy words of Postum,
"No Pyrene cap quench the fire
Nor any Aspirin still the heart-ache,
O my Prestolite desire,
Let us marry, little Djer-Kiss!"
—Exchange.

RIFLE TEAM MADE CREDITABLE RECORD

The R. O. T. C. rifle team has completed a very successful season. Of seven dual matches six were won, losing only to the University of Minnesota. In the three intercollegiate matches the team took second place in the Fourth Corps Area match, while the results of the Hearst Trophy and the National intercollegiate matches have not yet been announced. It is known, however, that State College will place very high in each of these competitions.

About forty students responded to the call of the coach, Lieut. Webb, the first of October. By the end of the month this number had been reduced to two teams of fifteen men each. Of the remainder seven were seniors, five of whom had not fired a rifle except at summer camp, two juniors, eight sophomores and thirteen freshmen.

In the Fourth Corps Area gallery competition, open to all R. O. T. C. units in this area, the first team won second place, the University of Florida being the winner by two points, while the second team placed fifth. This match comprised four stages of four positions each, distance 50 feet, caliber .22 rifle without telescopic sight. The bull's eye, which counts five points for the prone and sitting positions, was .44 of an inch diameter and .67 of an inch for the kneeling and standing positions.

The National Rifle Association target was used in all other matches. The inside ring of the bull's-eye on this target is only .35 of an inch in diameter and counts 10 points. Encircling this ring are five concentric circles ranging in value from 9 points to 5. A good score on this target requires expert marksmanship.

J. J. Wright, of track fame, and W. E. Shinn, who has won honors for high scholarship, were tied for first place for the number of highest individual scores. Closely following them were L. U. Bailey and C. R. Hoey. J. J. Wright made the highest total individual score, while W. E. Shinn took second place.

N. C. S. Score	Opponent and	Score	Possible Score
1866	Univ. of Del.	1775	2000
3709	V. P. I.	3598	4000

JOHN DOTTERER, Social Editor.

All social or personal news deposited in The Technician News Box will be appreciated by the editor.

The State College German Club gave a dance last Saturday at the Women's Club from 9 till 12. The music was furnished by Mrs. Heater's orchestra of Raleigh. This was the last dance to be given this year by the German Club. It was attended by members of the German Club and several town boys.

At its regular meeting last Friday night the following men were initiated into Theto Tan, professional engineering fraternity: John Roscoe Moffett, J. M. Rotter, R. D. Beam, John Dotterer, Eddie Robinson, Fox, Summerel.

Thornton Bostic, '23, who holds a lucrative position in Winston-Salem, spent several days with friends here this week-end.

R. L. Melton visited friends in Greensboro during the past week-end. Sing Lee Bostic spent the week-end with his frat brothers of Sigma Nu.

Shorty Barnes and Goat Hooks attended the game at Chapel Hill Saturday and visited friends during the week-end.

V. R. Ferguson spent the past week at home.

T. O. Evans, Buck Morris, Shorty Cline, and Shorty Walton visited Mr. Walton at his home during the past week-end.

Red Underwood and Jimmie Goode spent the week-end with frat brothers of State.

The German Club dance was enjoyed by a large number, including visitors from Carolina, Trinity, and Wake Forest.

R. W. Stanford visited Mr. D. O. Price during the past week-end. We are glad to hear that he is expecting to return to college next year.

SPIRIT OF SPRING

The sun is shining warmly,
The grass is coming green,
And the South wind blowing gently
Brings the invigorating message of spring.

From the tree tops the birds are chirping,
Flowers are blooming here and there,
And I'm confined to an office, working,
Waxed and sealed to a hard-bot-tomed chair.

Iut come, dear pal, and with me wander,
Over the hills and through the lanes,
And just lots of time we'll squander
Lavishly and heartily on spring.

We'll go where the birds are building,
And where the streams are swirling fast,
Where the trout are running free, y, and
Find the lair of the big black bass.

We'll see nature in all her splendor,
Where the feet of man seldom trods;
Where the cares and worries of life are forgotten,
"Back to nature" and to the heart of God. —Don Scott.

Music is the language of the soul; jazz is its profanity.—Ex.

Closing Chapter of the Baptist Student Activities

On next Sunday the "closing act" of Baptist student activities will be presented and then the "curtain falls" for the year of 1923-24 so far as the public will be able to see.

Carl Bridges will take the place of Mr. McMillan as superintendent Sunday morning at Pullen Memorial Church and have complete charge of the opening and closing exercises of the Sunday School. Some special features will be presented, using talent from the young people's department and the student bodies represented.

On last Sunday the balloting for officers of Baptist Student Activities was closed with the following results: For president, E. J. Whitaker, 12; H. G. Moore, 28. For secretary, Anna Belle Abbott, 15; Foy Lineberry, 25. The polls were opened at a picnic on Friday evening at Lassiter's Mill, and remained open through Sunday morning.

An organization for Baptist students of State schools is comparatively new on Southern campuses. The organization taking form at State College is the second in North Carolina and the fifth in the South. Such an organization fills a long vacant place in student life, and Mr. Moore deserves the support of every Baptist student in State College. The organization is not to be considered a campus organization except indirectly, for its home base is the local church and its program is a church program.

It is the purpose of "Baptist Student Activities" of State College to carry out such a program as will best fit every Baptist student to live and learn while in college those things which will make him a leader in the Christian life of his community and a trained worker in his church.

Mr. Moore will have as his executive committee five other students, four girls, two women and one man of the

church with Dr. J. A. Ellis and Mr. R. M. Warren as ex officio members. Mr. Warren, who is secretary for Baptist Student Activities, wishes to use this means of expressing to the student body, college officials, and campus organizations the sincere appreciation of himself and Pullen Memorial Church for the hearty support and encouragement which "Baptist Student Activities" has received during the first year of its life.

It cost an Oxford student in the Middle Ages less to live per day than it costs the modern young man for his carfare to the office in the morning. The expense account of a medieval student, which is reprinted in Albert Mansbridge's book, "The Older Universities of England," published by Houghton Mifflin Company, shows how the munificent sum of \$12.20 was distributed over the school year of thirty-eight weeks. Even allowing for the appreciable difference in money value, we are assured that this youth must have lived

very frugally. Here are his expenditures:
For lectures \$ 1.80
Rent of room 2.00
Food (for 38 weeks)..... 8.00
Payment for servant..... .40
Total.....\$12.20

OFFICERS ELECTED

The Union County Club held a meeting last week for the election of officers for the following year. In the absence of the president, H. F. Taylor, Vice President I. J. Tucker presided. The following officers were elected: I. J. Tucker, president; B. A. Horne, vice president; and R. G. Cadieu, secretary and treasurer.

RALEIGH THEATRES OPEN DOORS TO STATE STUDENTS

State and Grand Give Free Shows in Honor of Victory Over Carolina

Through the generosity of the managers of the Grand and the State Theatre, the student body of State College were entertained at two free shows at the former and one at the latter theater in a week. The first open house at the Grand on Thursday night following the victory over Trinity was, as usual, well attended. The show was unusually good and, needless to say, was thoroughly enjoyed by all. The second show at the Grand was titled "Flappers of 1924," and featured Homer Meechum, late of Gus Hill's Minstrels. This played to a capacity house and, like the first, was thoroughly enjoyed. The features at the Grand were of a very refined character and it would hardly do them justice to say that they were merely good. Messrs. Aronson and Browne have been more than generous in opening their doors to State College students after each victory of the baseball season.

Wednesday evening the student body witnessed a very interesting program at the State Theatre. It can be truly said that this was one of the best bills of the season. It would be hard to say which act was the best. "Just Out of College," "Home, Sweet Home" and "Who Is Your Boss?" especially pleased.

Keith's vaudeville has been well attended by State students during the season, and the majority of the bills have been very good. We are very much indebted to Mr. DeBruler for his generosity.

HIGH SCHOOL WILL PRESENT ORIGINAL PLAYS

After having presented several programs of one-act plays from the pens of eminent authors, both domestic and foreign, the Dramatic Association of the Raleigh High School is giving to the public for the first time a program of original plays written by members of the association, staged and acted by them.

These plays will be presented Friday evening, May 16, at Thompson School. They are as follows:

"When Pirates Were in Power," by Mary W. Wray, Frank Howell, and Talmadge Peele. This is a romantic comedy and the characters are: Maria, Mary M. Wray; Pegleg Scudder, Frank Howell; Jose, Talmadge Peele; Pedro, Glenn Laster.

"Long John Mountain," a tragedy of the mountains of North Carolina, by Mary M. Wray. The cast is: The old woman, Frances Thomas; Will, William Newbold; Mary, Mary Lee Penny; The Man, Frank Terrell.

"Not So Bad," by Inez Brigman and Lyda Studdert. This is a modern comedy and is the story of a typical high school flapper. The cast is: Alice Taylor, Alice Acton; Dick, Frank Williams; Betty, Caroline Mann; Mr. Taylor, Joe Allen; Susie, Sadye Harris.

Alumni Notes

Observations and Communications of Zippy Mack

Ain't it a grand and glorious feeling? On an occasion like this we are bound to poetize a little. Listen: There was one a good leader, Chick Doak,
Who took a ball team that was broke,
He inserted the punch
Into this green bunch
And took the first honors, like smoke!

"No Hit" Enloe, Howard Jones, Casey Morris, Garrity, Dempster, Bill Fetzner, Bryson.

We mention the above names largely through courtesy. They look like anyone else to us.

"N. C. State Alumni favor retaining Doak as baseball coach," says the News and Observer. Certainly. Why not?

After checking off Trinity and Carolina in as many week-ends, our wanderlust carried us as far away as N. C. C. W. last Sunday. It is different. Near the entrance there is a sign, "Jones men don't go this walk." But since our name happened not to be Jones, we strutted right in. Possibly in this particular case the name Jones has reference to the entire masculine side of the species, just as John Doe, or his cousin, Mr. Smith. However, we never thought of that until we were already inside its bounds, so we never came out, at least on that account.

George Redfean, captain of last year's diamond warriors, was on the campus for the Carolina game. No doubt he wanted to be present in case his kid brother was called upon to deliver a few strike-outs.

Mr. G. T. Bostic, of last year's Textiles, was over for the game. He is now located in Winston-Salem, with the P. H. Hanes Knitting Company.

Mr. J. A. Glazener, a '22 Vocational man, who was once president of Learz Literary Society, besides being married, is now spending sometime at the home of his wife's parents in Raleigh.

Speaking of baseball, had you

"Cramming"
and studying makes

FRESHMAN CLASS ELECTS OFFICERS

Harrell and F. E. Plummer to Shape Policies and Guide Destinies of Class in Sophomore Year

On last Wednesday evening the Freshman Class faced the hard problem of selecting class officers from the abundant supply of worthy and able material nominated. The men who were finally elected have been prominently associated with all activities for the betterment of their class and their College during the present year, and have impressed their fellows with their ability as leaders. Their classmates feel sure that they will be worthy successors of the present class officers, and that the Class of '27 will continue to be the enthusiastic, progressive class that it has been in the past. The following men were elected:

President, T. C. Harrell, Shelby; Vice President, F. E. Plummer, Selma, Alabama; Secretary, J. L. Smathers, Canton; Treasurer, J. F. Matheson, Cheraw, South Carolina; Poet, H. B. Trader, Havelock; Historian, M. W. McCulloh, Asheville; Reporter, R. R. Fountain, Catherine Lake.

noticed that Dick Gurley and Shorty Lawrence will send their teams to Chapel Hill Saturday to clash for the State championship? Also, if it doesn't tax your memory too much, you might reflect back to last fall and see Dick Kirkpatrick's great Charlotte High football team winning the State championship on the same field. "State College, keep fighting along!"

State Freshmen Defeat Carolina; Beal Twirls N.C. State to Victory

The Freshman defeated Carolina seven to one at Carolina Friday afternoon. Beal, pitching for State, allowed only four scattered hits.

Ambrose, who pitched for Carolina, was given poor support. He was replaced in the seventh inning by Holshouser. Harrell hit hard and timely for the Freshmen. Austin and Neese showed good form in the field, allowing nothing to pass their way.

STUDENTS, we are near and can serve you promptly—Bring us your next pair.

LARGE cities, tearing down in order to build up, are penalized because their founders lacked the foresight to envision the coming development of our great communities. Washington—the exception—expands easily and gracefully because its planner had the foresight to provide for centuries of growth.

The foresight needed to plan a Washington is rare. But the foresight required to provide protection for the loved ones left behind is found in every walk of life.

Plan your future—and your family's future—as an architect plans a building. And do it NOW, for failure to provide insurance today may mean added expense tomorrow. A Provident Mutual agent can offer you a plan of protection that will meet your individual requirements. Let him tell you how you can insure the safety and happiness of your family.

A note in the mail, or a ring on the telephone will bring a representative to see you.
