## COLLEGE HAS HAD YEAR OF PROGRESS SAYS DR. BROOKS

Forward Movement in All But Two Phases of College Work is Theme of Talk

### FINAL ASSEMBLY PERIOD

President Takes This Last Opportunity to Sum Up 1925-'26 College Year

In speaking to the students of State College at the presentation of the athletic awards in Pullen Hall last Wednesday, Dr. E. C. Brooks, President of the College, said that while there is much confusion abroad, there is an era of harmony and progress at State College, and that the students here kept their heads through the economic revolution now prevailing in various sections of the country. The standing of the College is measured in a great part by the conduct of the students.

Evidence of a lack of progress is shown in the slight protection of property on the campus and in a few matters of personal honor, while on the other hand there is a great deal of evidence of a steady spirit of progress shown in the various phases of college life and activities. Material progress is shown in the improvement of the campus grounds and the erection of several new buildings and additions to old buildings about the campus. The living conditions in the dormitories have also greatly improved.

Other phases of improvement are shown in the new features of the recently established Scholarship Day and the Order of the Golden Chain, together with the new literary magazine, "The Wataugan," all of which were sponsored in a great part by the present Senior Class. The standard of the Student Government has also greatly improved under the steady co-operation of the faculty and students. The standard of publications has increased to such an extent that the college weekly, "The Technician," was recently voted the best student publication in the State.

The Glee Club has been quite prominent throughout the State with its public concerts, and the literary societies have more than one to the front in developing debating teams that win from liberal arts colleges, and in bringing forth an orator the second best in the South. The judging teams of the college have put the College before the eyes of the Nation in winning great honors at the judging contest held not long ago in Chicago. The social functions, too, have improved a good bit during the year.

The College Y. M. C. A. has done its part toward the betterment of the College in bringing at least one great speaker each quarter to address the students. By no means has the athletics of the College fallen below the average, since State College holds the lead in at least one major sport in both varsity and freshman teams.

## Diplomas and Certificates Are Awarded at Assembly

Diplomas and certificates were presented to all monogram and numeral men by President E. C. Brooks at the last regular assembly period of the year Wednesday.

The monogram key, which is the highest athletic award given at State College, was given to five men. This key is similar to the Phi Beta Kappa's, with the monogram, a lone wolf, and the inscription, "Wolfpack," on the face of it. In order to be eligible for this award a man must win his monogram three years in a major sport, or win a monogram in two major sports, and must also graduate from this college. This year the following five men were awarded these keys: J. J. Gilbert, A. L. Shuford, R. E. Black, and C. B. Brown.

The following men were awarded monogram diplomas in baseball: Matheson, Vick, Austin, Kidd, Beal, Green, Harrill, Carson, Tate, C. Shuford, W. Shuford, C. Faulkner, Gilbert, Wade, Morrison, and Manager Summerell. B. W. Faulkner and Shelton were awarded A.A.'s.

\*Of these men the following were

### FORENSIC FRATERNITY INITIATES SPEAKERS

College Orators Formally Taken Into Pi Kappa Delta; Wilson New President

The annual initiation of the North Carolina Alpha Chapter of Pi Kappa Delta was held in the Public Speaking classroom on Thursday, May 20, at 5:00 p. m. The part of Cancellarius was taken by Professor Cunningham, that of Malleotarius by E. G. Moore, and that of Triangularius by Mr. A. M. Fountain. The following men were initiated into the orders and degrees indicated:

W. Edwin Wilson, a Junior in the School of Engineering—Orders of Debate and Oratory, Degree of Special Distinction.

J. Edwin Tiddy, a Junior in the School of Science and Business—Order of Debate, Degree of Proficiency.

C. L. Straughar, a Sophomore in the School of Agriculture—Order of Debate, Degree of Proficiency.

Joseph D. Conrad, a Junior in the School of Engineering—Order of Debate, Degree of Fraternity.

At the close of the initiation ceremony the new officers of the chapter were installed by the retiring president, R. J. Peeler. The officers are: President, W. E. Wilson; vice-president, J. E. Tiddy; secretary-treasurer, M. H. Rogers; reporter, C. L. Straughar.

It was pointed out by Professor Cunningham that Rogers was the first member of the N. C. Alpha Chapter to attain the Degree of Honor. He now holds that degree as a result of his participation in a sufficient number of intercollegiate debates. Wilson is the first member of the chapter to qualify for the Degree of Special Distinction, the highest in the fraternity. He won that degree when he placed second in the Southern Interstate Oratorical Contest.

Following the initiation and installation of officers, a supper was given at the New Tea Room, and then the members of the fraternity repaired to the Superba Theater. Otero Raymond Griffith in "Wet Paint" brought many tears to their eyes—tears of laughter, however. The evening was highly intellectual and sufficiently "high brow" for a forensic fraternity.

awarded the regulation crimson coat sweater: Vick, Matheson, Austin, Kidd, Beal, Green, Harrill, Carson, Tate, and Manager Summerell. The rest received stars.

W. L. Hadley will be manager of baseball for 1927. K. M. Badgett, P. L. Crawford, and J. C. Kinloch as alternate, will be junior assistant managers.

The following men received monogram diplomas in track: Brown, Curley, Gorham, Satterfield, Griffin, Black, W. Shuford, Matthews, King, Rush, Lambe, McDowell, Bremer, Sides, and Manager Thomas.

These first-year varsity men were awarded the regulation sweater, which is white trimmed in red: Cram, Brimley, Gorham, Griffin, W. Shuford, King, Rush, McDowell, Bremer, and Thomas.

W. R. Burnett has been elected manager of varsity track for 1927 and J. A. Smith Senior manager of Freshman track. P. A. Raper and G. McCowan were elected as Junior assistant managers.

The following Freshmen were awarded—Continued on page 3.

## Commencement Orators Come From the Agricultural Group

In the commencement orations this year those present will witness a situation unique in the annals of like occasions.

It has been the custom to select an orator to represent each school of the College in the final oratorical contests, which have been held during the commencement exercises each year. In recent times this arrangement has caused a three-cornered contest between the representatives of the Schools of Agriculture, Engineering, and Science and Business. With the creation of a Textile School it appeared as if four would be heard at the 1926 commencement. The Schools of Engineering and Textile, however, failed to advance contenders for oratorical honors. Because of the fact that only two schools entered candidates in the elimination contest, it was decided that if the contest between any two candidates

from the same school should be close they would both be chosen. Such was the case; therefore, E. G. Moore and R. J. Peeler will represent the School of Science and Business, while G. B. Cline will represent the School of Agriculture.

Another unique feature is that, although coming from different schools, these three orators are all graduating in agricultural courses, since Moore and Peeler are both students in Vocational Agriculture, which just happens to be listed in the School of Science and Business.

These men have taken active parts in local and inter-collegiate contests, Moore and Peeler being members of Pi Kappa Delta, national forensic fraternity. Peeler and Cline have been president of Leazar and Pullen literary societies, respectively.

All three are able men, and should cover themselves with oratorical laurels in the final contest.

## GERMAN CLUB SPONSOR BENEFIT DANCE IN GYM

Jefferson Memorial Tour Candidates Feted by Social Organization

Last Friday evening the State College German Club sponsored a dance given for the Raleigh candidates of the Jefferson Centennial Election. All money obtained in the Election will go toward freeing "Monticello," the home of Thomas Jefferson, of all debt and endowing it as a national memorial. For each unit of 50,000 votes in the grand total, one delegate will be sent on the American Birthday Tour of Europe with all expenses paid.

The dance was held in the Frank Thompson Gymnasium. Music was furnished by the Dixie Serenaders' Dance Orchestra, from nine until twelve.

A small but enthusiastic crowd of students and faculty members attended and enjoyed the dance.

### E. P. HOLMES WINS IN SALES-LETTER CONTEST

It will be interesting to his classmates and friends, and to the friends of State College, to learn that Edison Parker Holmes, of Greensboro, E. E. in Electrical Engineering, 1917, has just been awarded a five-hundred-dollar prize for first honor in a National Sales-Letter Contest conducted by the Philadelphia Storage Battery Company, of which Mr. Holmes is agent in Greensboro.

Mr. Holmes' letter is given in a full-page advertisement in the Saturday Evening Post of May 22.

### LAST CALL FOR RINGS!

As the first of June draws nigh it is found that only slightly over half the Juniors have placed their ring orders—82 men have ordered to date, and the company must have orders for 100 before shipping an order. Go to the Students Supply Store and sign up at once.

RING COMMITTEE.

## DERIEUX DETERMINES INTENSITY OF GRAVITY

State College Professors Find Actual Force of Earth's Pull at Raleigh

The intensity of the pull of the earth, or gravity, at Raleigh has been determined by Dr. J. B. Derieux, professor of Physics at State College, and J. S. Meares, instructor in the Physics Department, working in conjunction with the U. S. Coast and Geodetic Survey.

This is the first time that the pull of gravity has been definitely determined at Raleigh, or at any point in North Carolina. Calculations have heretofore been made from the known intensity of gravity at Charlottesville, Va., and Charleston, S. C.

Due to the findings of Professor Derieux, all calculations for the State of North Carolina will in future be based on the pull of the earth at Raleigh.

There is considerable significance attached to this determination of gravity, as there is no standard intensity for different localities. There is a discrepancy of five pounds in each one thousand pounds between the equator and the north pole. The pull at Raleigh is approximately three pounds less than at the north pole. It is also stated that the pull of gravity is a direct indication of the presence of oil or the thickness of the earth's crust at any given point.

### CAPTAIN NEWGARDEN TO REPORT IN SEPTEMBER

Orders have been received here to the effect that Capt. George J. Newgarden, Jr., is to report for duty in September to relieve Captain Gibson as executive officer.

Captain Newgarden is a graduate of West Point with the Class of 1918. During the war he held the rank of temporary major. He is now one of the high-ranking captains. His name is near the top of the list. He will probably be commissioned a regular major while he is at State College.

Captain Newgarden is a native of Illinois and served in Panama.

## Cloyd and Homewood Tell of Happy Times at Blue Ridge

Each summer hundreds of students go to Blue Ridge for the Y. M. C. A. conference. They leave and hundreds of others go the next summer. This process has been going on for many years, and still they keep going there. Why do they go to Blue Ridge? What does Blue Ridge mean to them while there and after they leave? Two former delegates from State College now on the faculty answer these questions very well. Dean Cloyd says:

### What Blue Ridge Means To Me

1. It brought me in touch with about six hundred of the choicest students of all the Southern colleges for two weeks of happy, wholesome, Christian living.

2. It brought me in intimate, friendly relation with some of the outstanding teachers from the faculties of our Southern colleges.

3. It removed entirely the idea from my mind which often exists in the minds of students, that the Christian men on our campuses are the weaklings and the "book worms" who can't make an athletic team and

## NOTED MEN WILL DELIVER SPEECHES AT COMMENCEMENT

Many Outstanding Men From Other States Will Make Talks to Graduates and Friends

### PRESIDENT WELL PLEASED

Congressman Aswell, O. Max Gardner, Bishop McDowell, and Dr. Mims Among Others

It is stated that college officials feel that the commencement week at State College will bring a large number of noted men to Raleigh in addition to O. Max Gardner, of Shelby; Dr. Edwin Mims, head of the department of English at Vanderbilt University; Bishop William Fraser McDowell, of Washington, and the Honorable James B. Aswell, Congressman from Louisiana, the men who are to speak during the commencement exercises to be held June 6 to 8.

Dr. E. C. Brooks, president of State College, who is intimately acquainted with Mr. Aswell, is very well pleased that he has accepted the invitation to speak to the graduating class at the commencement exercises this year. Congressman Aswell is a former state superintendent of education in Louisiana and was elected from the eighth Louisiana district to the Sixty-third Congress, in which capacity he has served through each of the succeeding congresses. He is a member of the Joint Congressional Committee of Farm Relief and is one of the great leaders of the Democratic party, as the record of his tenure of office shows.

Mr. Aswell won nationwide recognition as Louisiana State Superintendent of Education when he put forth much effort toward the betterment of the schools of that state, and to him is due much of the credit for the reorganization of the public school system of Louisiana.

Bishop William F. McDowell, a native of Ohio, where he held several important pastorates following his ordination to the Methodist ministry in 1882, after having received an education—Continued on page 2.

### JOURNALISM MEDAL IS AWARDED TO FOUNTAIN

The first annual Journalism trophy was awarded R. R. Fountain at the general assembly period, Wednesday, May 26. F. H. Jeter, Agricultural editor of the College, awarded the trophy, a beautiful gold medal in the form of a miniature scroll tastefully engraved.

The Journalism contest began early in the fall, when Professor Robertson, of the Department of Journalism, announced that the best article in each issue would be chosen, and that the one who achieved that honor the greatest number of times during the year would receive a medal. Fountain won the prize, while F. M. Chester and A. L. Aydlett took second and third places.

The award was made possible by the generosity of John E. Crow, of the Equitable Life Insurance Co., of Raleigh.

who go in for the Y. M. C. A. work because they can't get into any other student activity.

4. Those two weeks of study, inspiration, and fellowship gave me a new vision of the power of Christ in the lives of men.

5. It gives every student who attends a greater faith and a greater confidence in college students and their willingness to accept the truth when it is presented to them in a sympathetic, straightforward manner.

In short, the two Blue Ridge conferences which I attended while a student at State College stand out today as perhaps the happiest and at the same time the most worthwhile experiences of my college life. A Blue Ridge conference is an investment which continues to pay large dividends in the life of any student. It is thirteen years now since I attended my last conference at Blue Ridge, but this time of the year never comes around without bringing with it a real yearning for another opportunity—Continued on page 2.

Paragraphics

Up! Seniors; over the top!

One more payment and that diploma is yours.

"Out of the frying pan into the fire." Immediately upon graduating several seniors rush to get married.

Let us, then, be up and doing, With a heart for any fate, Nightly cramming, daily flunking, Blame the profs. and swear to hate!

It was planned to let this be a Senior issue, edited by the Seniors of the old staff, but since there were only two of them the work would have been rather strenuous.

The present freshman class has voted to abstain from all molestation of their little brothers next year. As a class, yes, but individually—well, we're from Missouri.

Those students who for any reason do not attend the conference at Blue Ridge this summer will be the losers. Those of us who have been there look back upon that period as one of the brightest experiences in our college career.

Harking back to the days of Rex Hale, we remember a bitter denunciation of women through his column. Offer him congratulations now and see him blush. Just another proof that progress can only be accomplished through protest.

Much has been said pro and con, mostly con, about the process of evolution. A great revolutionary process is soon to take place. Thousands of sleek, debonair college sheikhs will be transformed overnight into plodding, dusty ploughboys.

A bath tub full of wine and woman (also full of wine) once sounded most invigorating, but the whole subject is becoming strong with age. In order to keep up with the seasons and to harmonize with Mr. Volstead let's fill the tub with ice tea.

1911 Dormitory has "swiped" the campus cannon and given it a position on the promontory overlooking the great open spaces in the general direction of Holladay Hall. Just another proof that military training has an unsavory effect on young men.

The Alpha Sigma Fraternity probably missed the time of their lives when they were unable to accept a recent invitation to dine as the guests of Meredith College. It is reported that an attempt will be made to secure a kindred sorority at that institution next year.

AFTER GRADUATION

We wish to extend our hearty congratulations to the graduating class, individually and collectively. It is an honor to graduate from college, an honor that only a relatively few ever receive. But with all honor comes responsibility.

At the risk of detracting something of the exhilaration and joy of victory from the seniors, we shall say something about what we believe it means to go out into the surging, swaying masses of humanity that constitute the population of the world. College graduates are looked upon as leaders. Will they lead, or will they be content to slide back along the lines of least resistance to a place at about the same level as if they had stopped school when the grades were finished?

The accusation is brought against the college man that he is a dreamer, an idealist who is but poorly fitted to face the battle of life, and that the man who has been in the thick of the fight will stand longest in the battle for the survival of the fittest. But only in isolated cases is there justification for this opinion of the collegian man. So many critical eyes are turned on the graduate as he goes about his daily tasks that it is impossible for him to make a false move without the news of it being shouted from the house-tops. But if he succeeds there is nothing said about it. He was supposed to have done so.

As each college graduate goes out into the world he should remember that he is taken as a typical example of all college men. He is the criterion by which college men are judged. He should resolve, therefore, that in no unguarded moment will he do anything that will reflect on his alma mater and his fellow graduates. The path of success lies in the way of hard work, and all other things being equal, he who plans best and works hardest will succeed first. Graduates should go out realizing that their preparation is better than the average, and determine to be climbers up the ladder of life.

READY FOR THE BIG GAME

We have come to the end of this, the warming-up period of our college journalistic career. We shall now retire to the showers and relax until the time for our appearance before a crowded grandstand in September. Our coaches tell us that our work in the preliminaries has been satisfactory. Hopeful and enthusiastic friends on the side-lines pat us on the back and say "at-a-boy."

Our long rest will probably cause us to come out limping with sore muscles and stiff joints at the beginning of the big game next fall, but we hope to soon be able to get into the game with muscles and mind in full coordination. We shall, being only human, pull some bone-head plays and draw down the rightful wrath of those on the side-lines. There will be times when, bruised and bleeding, we shall feel like calling for a substitute. But we believe that in the end we shall come out victorious.

We only ask that you remember that a team is no stronger than the support it receives from the student-body in the bleachers. If the bleachers "razz" us, we shall inevitably play a listless game, but if the bleachers give us their whole-hearted support we shall play as a team inspired.

In gathering up the library periodicals for binding it is found that many of them have been mutilated by some unthinking person or persons. It should be remembered that a leaf or paragraph removed constitutes an irreparable loss to the volume. The portion may have been removed merely for a cartoon or advertisement, but something valuable may have been begun on the other side. Remember this next year.

We are faced with one of the saddest situations in the life of a college journalist. We have carefully and enthusiastically prepared enough copy for the regular six-page issue, only to find at the last moment that a final examination of our funds discloses the fact that "it can't be did." Many good articles will be left out, and we shall incur the rightful wrath of the contributors. Here's hoping for a great business boom next year!

White Spades Banquet

The White Spades of State College entertained at their first annual banquet last night at the Woman's Club, from 7:30 to 11 o'clock. The club was decorated in black and white, carrying out the colors of the fraternity.

Kollege Kampus Komiks

By "DINKIE"

Kullins: "There is one thing on the campus that my laundry will not clean."

Kloid: "What is that?"

Kullins: "D. R. Pace's shirt."

Kloid: "Why?"

Kullins: "Because he never takes it off."

\*\*\*

We are still looking for the freshman who asked if a blind date is one where the shades are down.

\*\*\*

'25: I say, old man, can't you take a joke?

'26: Sure; where do you want to go?

Hobo: "Kind sir, have you a quarter to spare?"

"Tubby" Robbins: "Go on across the street. I'm workin' this side."

\*\*\*

UNCLE DUDLEY

The department had a hard time getting Uncle Dudley started this week, as he wanted to say so many things in regard to school closing but something that would be appropriate was wanted by the department; so here is what he says:

"Boys, it is hard for me to say all I want to this week, for I realize that some of you are seeing your old Alma Mater for the last time in many years. There are some of you who will go to work some miles away, and as the 'old world' knocks you around and gets her hands interlocked with yours, you will tend to forget old State."

"In a few days some of you will be carried away from your associates and old comrades which have been at your side for the past four years. It is hard to part with these old pals and to face the cold world as it seems. Your four years here have been a period of pleasure, and you will have to admit it. Father Time has been allowing you to play around and do as you wished, but he is getting more serious now and is going to see how you have taken advantage of your opportunities while here."

"I hope that in your seriousness of thought you will not cast aside your Alma Mater as a place of the past and as a worthless tool which can no longer fit in with your set. You are indebted to this school, and the thoughts of your time spent here should be ever near you, regardless of where you go or what you do."

"I may sound a bit serious, Boys, but I have seen my days and have had my experience. I wish that I could live my college days over, but my life is very near spent and my mistakes cannot be corrected now. To you boys who do not finish, you are not faced with quite the seriousness that the older men are. According to statistics, each class decreases in number of students as it goes from its freshman to senior year. There are those that drop out at the end of their freshman year and on up to the senior year. Boys, I think it is a sad mistake when a boy drops out of college. There are some cases where it is necessary, but there will never come a day when a graduate student can seriously say that he is sorry he finished. There will be many who shall say that they regret the day they left."

"Gentlemen, here is what I am driving at: college today may be looked upon by some as a good place, all, it is almost an essential for the boy who wishes to be something to society. There are many things that are obtained through experience outside of college, but you cannot dodge the fact that college is the place for the high school graduate. It contains four important and decisive years of a boy's life, and it tends to bring out to his vision those hidden qualities which are to be valued by him the remaining days of his life."

Sammie's Notebook

What I no about State is gist what i here my big brudder what goes to State say. I sillec yesterday I heard him sayin that it woodnt be long til skool wood be out for the sumer. He sayed that sum of the fellars wood be leaving State for good whin it let out and that set me to thinkin i wonder if they wood forget State as soon as they was gone. maybe if they wood take a notion to take the Technician they woodnot forget State so soon. I no that if i gradyounated from a skool as grate as State i woodnot want to forget all about it as soon as i got out. no sir i wood want to remember it as long as i lived and maybe i woodknott tell the world about the place that i got gradyounated from. so you fellars that are leavin State for good why doknot you get your name on the list of fellars that are goin to take the Technician next year. keep up the old spirt as my big brudder say's and doknot forget your Alla Mother. no whut State is doin thers the Technician next year.

—SAMMIE.

TWO POPULAR R. O. T. C. MEN TO LEAVE STATE COLLEGE

Both Men Outstanding in College Activities; Made Many Friends Here

Capt. J. H. Gibson and Capt. W. C. Lee, who have been stationed at State College for the last three years, are to report elsewhere this year. Captain Gibson is to report to Ft. Missoula, Montana, and Captain Lee is to report to Fort Meade, Maryland.

Captain Gibson is a native of the State of Washington. He served with the Washington National Guard in 1916, and in 1917 reported to Ft. Leavenworth. Leaving Leavenworth for overseas, he served with the 34th Infantry as a first lieutenant and captain. He is a graduate of the Infantry School at Fort Benning, Ga., where after graduation he was an instructor.

Captain Lee, a native of Dunn, N. C., was educated at Wake Forest and State, where he played both football and baseball. He entered the Service as a volunteer from State College in the spring of 1917, and was commissioned a second lieutenant of the Infantry the following August. He served eighteen months overseas with the 81st, the 2d, and 3d divisions, and was advanced to the grade of captain. He commanded a company in the Arizona offensive.

Both Captain Gibson and Captain Lee were assigned to State College in 1922, coming here from the Infantry School. Both have made a host of friends among the students and faculty. Their untiring ability as leaders in military and athletics and other campus activities has been demonstrated during their stay here. It is with regret that their friends see these two popular military officers leave the State.

150 WILL ATTEND 1926 ENCAMPMENT

New Military System Proves Successful in Getting Advanced Men

Over one hundred and fifty men who expect to take advanced work in R. O. T. C. here next year, and are expecting to attend camp this summer, have been examined and signed up by the proper authorities. They are all set now for a long and "pleasant" six weeks at Camp McClellan.

Noted Men Will Deliver Speeches at Commencement

(Continued from page 1.) At Ohio Wesleyan, Boston University, and Northwest University, will deliver the baccalaureate sermon on Sunday evening, June 6. For ten years he was chancellor of the University of Denver and was elected bishop in 1904. At present Bishop McDowell is president of the Board of Education and the Board of Temperance, Prohibition and Public Morals of the M. E. Church, with headquarters in Washington, D. C.

Dr. Edwin Mims, who will deliver the literary address at the dedication of the D. H. Hill Library, to be the feature of Alumni Day, June 7, is also well known in North Carolina. From 1894 to 1909 he was professor of English at Trinity College, now Duke University, and for the next three years held a similar position at the University of North Carolina, whence he was called to his present position at Vanderbilt University. Dr. Mims is an eloquent and forceful speaker and he will be heard here with much pleasure.

O. Max Gardner, already well known among his fellow North Carolinians as an alumnus of State College and pupil of the late Dr. Hill, is also to deliver, at the dedication of the library, an address upon the life and achievements of his former friend and teacher, which he is well able to do.

Cloyd and Homewood Tell of Happy Times at Blue Ridge

(Continued from page 1) tunity to join the Blue Ridge delegation. E. L. CLOYD, Dean of Students.

Sammie Homewood says: Blue Ridge has meant a lot to me in my friendships and work. I made many friendships at Blue Ridge which has strengthened my appreciation for friends. The ideas I gained there have also helped me in my work. I find the principles learned at Blue Ridge are essential to coaching gym classes and athletic teams. Those principles are: clean living, clean speech, and a keener appreciation of other people. SAMMIE HOMEWOOD.

State College's Blue Ridge delegation continues to grow. H. E. Springer and Franz Plummer are going for the second time.

The State College Freshman Quartette will be there, consisting of C. Nesbitt, E. G. Nesbitt, F. M. Strickland, and G. C. Heater. Other students going for the first time are: Dwight Johnson, Jesse Borden, and A. B. Holder. Others are making arrangements to go to Blue Ridge.

This Week's Limerick

by ZIPPY MACK

There was once a big Class of '26, Who strutted their derbies and sticks; They're leaving us now, Boo-hoo! Bow-wow! And the school's in a heluva fix!

Doakmen Beat Carolina Nine For Clean Sweep of Series

Techs Take Sixth Straight Game From University by 8-6 Score; Beal Pitches Well and Allows Only Seven Hits; Wade Puts Another in Bleachers; Faulkner Drives Homer in Right Field.

The superior hitting of Chick's nine, combined with several costly errors by the Tar Heels, accounts for the 8-2 defeat which they administered to the Carolina nine last Saturday afternoon on Riddick Field. This was the last scheduled game of the season for State, and by winning with the Tar Heels, having won every game with Carolina for the past three years.

"Rooster" Beal worked out a good game, allowing the Tar Heels only seven widely scattered hits. He was a little wild in the first inning, walking two in a row. Carolina started the scoring in the initial frame when Tenney walked, was sacrificed to second, went to third when "Rooster" walked two men, and scored on a sacrifice fly by Young to center field. Beal pulled himself out of a tight place in this frame, and was in as bad a predicament in the second, when Hatley doubled and went to third on a fielder's choice, but Young hit to first and Webb fanned, thus removing the danger.

State began scoring in the third inning, when "Rooster" was hit and went to second on a passed ball, Charlie Shuford's single sent him to third, and he scored when C. Shuford stole second and Vick hit to the infield, scoring Vick, but was caught out when he tried to make two bases on a single.

"Croaker" Wade poked the ball in the bleachers for a three-bagger in the fourth, but was called out when he tried to score on Austin's fielder's choice. The Tar Heels scored in the sixth.

when Webb was walked, went to second on a single, to third on a sacrifice, and scored on a fielder's choice. "Legs" Faulkner hit one to right field for a homer. Beal went on second on an error. Charlie Shuford got a single and "Rooster" scored on Johnnie Gilbert's single with C. Shuford closely following him.

In the eighth Kidd reached first on an error and on to third on "Rat" Austin's single. Faulkner attempted to sacrifice. The ball rolled to Poyner, and with three men on bases he did not know which one to play, so did nothing. Tate, who was sent in to run for Faulkner, started to steal second, and "Rat" scored.

Table with 5 columns: Carolina, Ab, R, H, O, A, E. Rows include Tenney, Sides, Hatley, Mackie, Young, Webb, Jones, Sharpe, Poyner, and Totals.

Table with 5 columns: State, Ab, R, H, O, A, E. Rows include C. Shuford, Vick, Gilbert, Harrill, Wade, Kidd, C. Faulkner, C. Paniker, Beal, Matheson, and Totals.

# A Resume of Baseball Season Is Ragged Frequency Curve

After having a State Championship baseball team in 1924, and a very successful season in 1925, N. C. State, as well as other colleges of the State, took a slump in baseball this year. Although the past season has not been as successful as in previous years, it compares favorably with other records of colleges of the State this year. Coach Doak was forced to train men to fill the places which were left vacant when such men as "Dutch" Holland and "Red" Lassiter graduated last year. The loss of these men, coupled with the lack of experienced pitchers, has been a serious handicap to "Chick" this year. Taking this into consideration, he has put out a fairly successful team.

### State Wins First Game

In the first game of the season "Chick's" nine defeated the Fort Bragg Artillerymen by the score of 15-7. Beal was sent to the mound for State, but before the game was over every pitcher for State was given a chance. In all, sixteen men took the field for State. In the third inning Tech batters got on base in every conceivable manner. Wade knocked a homer with C. Shuford and Gilbert on. Matheson took a triple and C. Faulkner a double. Tommy Harrill played a fair game on first, but was clearly in need of experience.

### Elon Defeated

Elon was defeated in a five-inning game, which was played in the rain and before a small crowd, by the score of 4-2. Beal went to the mound for State and pitched a very good game.

### Why a Storm Door?

Because the ordinary door does not keep out cold winds, drafts, snow, and rain; because the storm door makes it cold-tight and winter-proof, and you will be able to keep your house good and warm and save coal in the bargain. Ask us for prices and see our samples. We are making storm doors for most of the wise folks in town.

**BAKER-THOMPSON**  
LUMBER COMPANY  
Mill Work  
RALEIGH, N. C.

game. "Croaker" Wade parked one in the bleachers for a homer.

### "Big Green" Nine Wins

The "Big Green" nine of Dartmouth took advantage of State's misplays and won by the score of 7-3. Shelton pitched a good game for six innings, allowing only two hits. He was relieved by Morrison and Hunsucker, who each pitched one inning. "Croaker" Wade parked one over the bleachers for a homer. This was the hardest hit ball since the days of Murray.

### Wake Forest Wins

The Demon Deacons evened up an old score by defeating the Doakmen 10-3 in the annual Easter Monday game. Joyner held the Techmen at his mercy in every frame except the second, when three men scored. The Deacons had little trouble in hitting Beal and Hunsucker; these two were tapped for a total of seven in four innings. Morrison relieved Hunsucker in the fourth and held Wade Forest to four hits, one being a circuit clout by Riley in the eighth.

### State Loses Again

The Gamecocks of the University of South Carolina administered the third defeat to "Chick's" nine by the score of 12-1. Morrison failed to hold the Gamecocks and allowed 12 hits and six walks. With one away in the eighth Wade singled to left field and Harrill sent him home on a double.

### The Wofford game was rained out.

### Elon Wins

Elon defeated State by the score of 5-2. Beal hit Crutchfield, Fogle-

C. V. (Legs) FAULKNER

Who has been elected captain of the 1927 Baseball Team, "Legs" has been a regular catcher on "Chick's" nine this year, and also played with the Wolfpack in 1923 and '25.

man was on by error, and Lindley was walked, filling the bases. Bryant's single scored two. Braxton's triple scored two, and Sim's single sent him in. This happened in the seventh frame, which was disastrous to "Chick's" nine. Up until this fatal inning the game had settled down into a pitching duel between Beal and Fogleman. C. Faulkner got on first by a fluke hit, and Gilbert later sent him in. The final tally came in the ninth, when Wade hit a three-bagger and stretched it to a homer on a fielder's error.

### Wildcats Win Series

State dropped a two-game series to the Wildcats. In the first game Davidson drove in ten runs in the first few innings and defeated the Doakmen for the first time since 1923. The Techs came back strong in the late innings and piled up eight runs, but not enough to win. Shelton, Matheson, and Wade were called on for mound duty, but were ineffective. On the following day State again tasted defeat when the Wildcats retired them under a deluge of hits that netted 11 runs to 2 for the Techs. Wade was the Tech leader at the bat, getting a single and a double out of three trips up. Morrison and Wade were the hurlers for State.

### Wofford Downed

"Chick's" team pounded 16 hits to all corners of the lot to defeat Wofford 15-2. The Terrier pitcher was knocked from the box in the fourth, but his successor allowed only one hit, but the lead was too great for them to overcome. Harrill led the day's batting with four, and "Croaker" parked the ball over the left-field fence for a homer. Beal pitched a good game.

### Furman Wins

Morrison, Shelton, and Matheson failed to stop the hitting streak of the Furman squad; and were defeated 9-3. Gilbert and Wade both got hits and stole bases.

### Clemson Wins

The Clemson Tigers defeated the State nine by the score of 11-5. at Clemson, in a loosely played game. Wade and Matheson pitched for State but were ineffective.

### Duke Nosed Out

State downed Duke in a ten-inning thriller by the score of 5-4. This was the best game seen on Riddick Field this year. "Rooster" Beal pitched a great game of ball for the Techmen. Charlie Shuford made a beautiful catch in the tenth when the score was tied. He jumped high into the air and caught Weaver's long drive to left field. He also slammed out a three-bagger to right field and came home when Vick hit a fast roller to Cranford.

### Lenoir-Rhyne Loses

The next victim was the Lenoir-Rhyne nine, which was defeated 10-2. Beal pitched a good game, allowing only a single, a triple, and a walk. Wade got two triples and C. Shuford also parked one in the bleachers. Moose relieved Homesley in the seventh, but fared no better than his predecessor.

### Yellow Jackets Win Series

The hard-hitting Yellow Jackets took a two-game series with the Doakmen. In the first game they won easily with the score 10-2, but barely nosed out to win in second game by the score of 7-5. Both games were featured with home runs and good fielding. Green, Beal, and Morrison pitched for State in these two games.

### Tar Heels Lose

By overcoming a two-run lead which the Tar Heels piled up in the second inning, the Techmen won to the tune of 8-6. Beal and Green were hit hard, but tightened up in the pinches. C. Shuford, Wade, and Austin collected two hits each, while Young of Carolina connected four times out of five trips to the bat.

### Lone Run Spells Defeat

A lone run spelled defeat in the

game with Lenoir-Rhyne. By overcoming a three-point lead in the eighth inning and scoring the winning run in the ninth, Dick Gurley's nine were able to defeat the Techmen 8-7. Beal held the Lutherans at his mercy until the eighth frame by allowing only three hits, but in this frame the gathered five singles, four in succession.

### Baptists Win Again

The Baptists downed State's nine for the second time by the score of 5-0. Beal started the mound work for the Doakmen, but was driven to the showers in the fifth inning, when two runs were made on errors and a two-base hit. Green, who relieved Beal, pitched a good game, allowing no runs during the last four innings.

### Duke Wins Close Game

The Blue Devils of Duke University won a close game with "Chick's" nine by the score of 3-2. This was one of the most hard-fought and most interesting games of the season. Green pitched a good game for State, the score being tied for six innings. The winning run was made by Weaver.

### Carolina Defeated

In the last game of the season the Doakmen downed the Tar Heels with little trouble by the score of 3-2. The superior hitting of "Chick's" nine combined with several costly errors by the Tar Heels cost them the game. This gave State a clean slate with the Tar Heels for the past three years. Beal pitched a good game, allowing only seven widely scattered hits.

### Diplomas and Certificates Are Awarded At Assembly

(Continued from page 1)

ed their numeral certificates for this year in track: Melton, Outen, Taylor, Young, Waring, Scott, Rhyne, Barwick, Vinson, McCaskill, Greaves-Walker, Gaston, Beck, Grubbs, Morris, Vaughan, Goodwin, Tanfield, Hoyle, and Manager Dixon. The Freshmen won the State Championship in track this year, and every man who scored a point in the State meet was awarded the regulation jersey, which is white trimmed in red.

The following Freshmen were awarded their numeral for baseball: Albright, Eatman, Meekins, Tedder, Mass, Avera, Hovis, Stokes, Seal, Mayfield, Childress, Harris, Alston, Burdette, Melton, Outen, and Manager Seligson.

"Isn't she a little bear?"  
"Yes; some one ought to speak to her about it."

## HUNGRY WOLVES SATISFIED BY WOMAN'S CLUB VICTUALS

### Wait in "Chow Line" Well Repaid by Bounteous Supply of Eats and Drinks

Carrying out an athletic idea, that of the snake dance, the men who were on the freshman and varsity athletic squads this year lined up and were served a delightful banquet on the lawn in front of Holladay Hall, Wednesday evening, May 26.

The State College Woman's Club acted as hostess, and it did itself proud in looking after the appetites of the hungry Wolfpack.

The chow line was started off with an empty plate and cup and a fork. As they filed past the different members of the club the plates were grad-

ually filled until finally the "Wolves" emerged with a plate heaped full of potato salad (done up in red and white), deviled eggs, weiners, dill pickles, finger rolls, and cake and ice cream, while the cups were filled with lemonade or coffee that would make a king or an athlete smack his lips. The men were greeted by the different women as their own State College athletes, and not as a bunch of refugees in a "grab-it-and-growl" line.

A contented growl, however, issued from the throats of the no longer hungry Wolfpack, when the chop-licking was over, in the form of a "Wau-Gau-Rac," which meant to trained ears, "Best wishes to the State College Woman's Club and another similar gathering next year!"

"Three weeks," said the Judge. "I prefer 'Six Days' by the same author, your Honor."

## The Money Making Secret of J. W. Davis' Success

J. W. DAVIS  
The Cucumber King

**D**OUBTLESS you already know of him. If you don't, he is the Cucumber King.

Grows cucumbers in greenhouses. Acres and acres covered with greenhouses, growing "painless cucumbers" as he jokingly calls them.

Just a few years ago, I sat in the twilight beside his open fire.

He is a modest man and it's hard to get him to loosen up. But few of us can withstand the influence of an open fire.

So he told me about how he started with a little old fashioned greenhouse and used to peddle the vegetables and flowers about town.

For several years, he and his brother worked like dogs, and had no more at the end of the year.

Then one day he took some of his meagre savings out of the ginger jar, and took a trip to see how other greenhouse men made all the money he had heard they made.

He came back with a new vision. Sold out to his brother, interested a man with some money, and built one of our big iron frame houses for growing just cucumbers.

That was about 13 years ago.

Now, although still a young man, he owns four big ranges of greenhouses in different parts of the country. Spends his winters in Florida and all that sort of thing.

There's money in growing greenhouse cucumbers.

If J. W. Davis can become a millionaire at it, why can't you?

Start small. Grow big.

Here's something to get right into after graduation.

Start making money the first year. Write us asking all the questions you want to.

You can't ask too many for us. Tell your Dad about it.

Get Mother interested.

Let's put this thing over together.

If interested, write to the Manager of our Service Department, 39 East 42d Street, New York City, who will give it his personal attention

**Lord & Burnham Co.**

When comes that day of days—and suddenly you know you're a Senior, at the top of the world —have a Camel!

WHEN comes the day that can come but once. And as a Senior you've reached your place at the top of the world—have a Camel!

For Camel shares of its own enchantment with life's memorable events. Camels are of such choice tobaccos that they never tire the taste or leave a cigarett after-taste. Regardless of the money you pay, there is no mellow, friendlier or better cigarette made than Camel.

So this day as you've safely passed all the hazards to life's sublimest moment—know the taste, the contentment that is the due of the world's experienced smokers. Have a Camel!

No other cigarette in the world is like Camels. Camels contain the choicest Turkish and Domestic tobaccos. The Camel Blend is the triumph of expert blenders. Even the Camel cigarette paper is the finest—made especially in France. Into this one brand of cigarettes is concentrated the experience and skill of the largest tobacco organization in the world.

Our highest wish, if you do not yet know Camel quality, is that you try them. We invite you to compare Camels with any cigarette made in any price. R. J. Reynolds Tobacco Company Winston-Salem, N. C.

## Review of '26 Track Records Shows a Successful Season

One of the most successful track seasons in the history of State College has come to a close and a great part of its success is due to the coaching of "Doc" Sermon.

Much to the surprise of the majority of the students, State's Track Team has been very successful this year. At the end of the track season last year the prospects for 1926 looked very discouraging, for the stars of that aggregation were members of the graduating class. A new coach was coming who was not familiar with the men who were left, and besides this, the schedule for this year was harder than usual. With this in view there is little doubt that the students had reason to expect only a mediocre team and a fairly successful record of meets won and lost.

Coach Sermon made the call for track aspirants and only a few answered the call at first, but the number gradually increased until he had a fairly large squad. "Doc" worked faithfully with his squad and as a result he had a well balanced team when the first dual meet was held with Elon College.

**State Swamps Elon in First Meet**  
On April 2 State met Elon in a dual meet on Riddick Field and defeated them 120-6. State took all of the first places in the meet except one, which was won by McPherson, of Elon, in the javelin throw. By piling up such a large score in this meet Coach Sermon's cindermen showed greater strength than was expected in the first meet of the season.

**Duke Nosed Out**  
In the second meet State defeated Duke University, 64½-61½ in one of the closest meets of the season. State took eight first places in the fourteen events. Sides, of State, was high scorer with eight points.

**Flying Cadets Outclassed**  
The next meet was with the Flying Cadets, of V. M. L., and State continued to win by defeating them by the score

B. A. (Doodle) SIDES

Who has been unanimously chosen as captain-elect of the 1927 Track Team. "Doodle" has been State's mainstay in the century, four-forty, and two-twenty. He, no doubt, has been State's most outstanding track star of the season. Sides not only is outstanding in athletics, but stands high in scholarship and takes an active part in other college activities.

of 74.52. State showed superiority in the dash and distance men. Sides, of State, and White, tied for scoring honors with ten points each, and McDowall closely followed with nine and one-half points.

**State Takes Close Meet With W. & L.**  
The next victim for State was the General squad, who received the small end of the 64½-61½ score. State took seven first places and McDowall and Matthews tied for first place in the high jump. Black, of State, was high scorer, with eleven points to his credit. Brown, who ran the four-forty in this meet, was fouled by a General and was forced to finish third on account of it. By counting the score this way, W. & L. would have won the meet, but the referee admitted that a W. & L. man fouled Brown, which automatically gave Brown second place, and State won the meet.

**Wake Forest Next Victim**  
State won the meet with Wake Forest by the score of 91½-34½. The Tech cindermen took eleven first places, but Daniel, of Wake Forest, was high scorer of the day, with sixteen points. State was especially strong in the weights and the distance runs.

**Second Place in State Meet**  
In the State meet which was held on Riddick Field, State scored 46½ points. Jack McDowall set a new State record in the high jump by clearing the bar at six feet and five-eighths inches. Spurlock, of Lenoir-Rhyne, was high scorer, with nineteen points. Carolina won the meet with 89½ points.

**Tar Heels Win Last Dual Meet**  
The Tar Heels administered the first defeat of the season, in a dual meet, to the State cindermen by defeating them 82-44. Sides, of State, won the four-forty, and took second place in the two-twenty and the century, and by doing so was high scorer with eleven points to his credit. Bremer won first place in the pole vault and McDowall and Matthews tied for first place in the high jump.

**McDowall, Matthews, and Wright Place in Southern Meet**  
In the Southern Conference meet, which was held at Chapel Hill, State scored six and one-half points, which was more points than State had ever scored before in a Southern meet.

Record after record fell, although the field and runways were heavy due to rain. Jack McDowall tied for first place in the high jump and Matthews tied for third place in the same event. J. J. Wright ran a thrilling race in the mile, and took fourth place.

### IN THE FOREST

Out of the mid-wood's twilight  
Into the meadow's dawn,  
Ivory limbered and brown-eyed,  
Flashes my Faun!

He skips through the copses singing,  
And 'his shadow dances along,  
And I know not which I should follow,  
Shadow or song!

O Hunter, snare me his shadow!  
O Nightingale, catch me his strain!  
Eise moonstruck with music and madness

I track him in vain!

Mr. George Parker, of the '22 Electricals, is visiting fraternity brothers on the campus.

W. R. Taylor was in Greensboro during the week-end.

**Party at K. I. E. House**  
The K. I. E. fraternity was host to a number of girls of this city last Thursday afternoon, from 4:30 until 6, at their fraternity house on Hillsboro street. Punch and cake were served throughout the afternoon.

Bridge was alternated with dancing for amusement.  
The girls attending were the Misses Elizabeth Barber, Margaret Sherrill, Betty Rose Phillips, Sarah Brooks, Blanche Bonner, and Mary Louise Manning.

Fred C. Davis was a visitor in Winston-Salem last week-end.

Clayton Hilton was in New Bern last week, doing research work for the college.

George Moye spent the week-end with his parents in Farmville.

George Wallace was in Boston last week on business.

**Faculty Party in Gym**  
The State College faculty entertained at an informal party in the Frank Thompson Gymnasium Friday night, May 21, in honor of the State College Woman's Club.

Games were played and the evening was spent in dancing and swimming.

## Last Week's Best Article

The honor for having the best article in the issue of May 22 goes to A. L. Aydlett, for his story, "Fellowship and Scholarship Men Have Been Chosen."

## ALUMNI NOTES

(Observations and Communications of Zippy Mack)

With this, the last issue of THE TECHNICIAN for the year '25-'26, we may grow reminiscent and call to mind the things which have occurred during the entire year. That is an old trait of ours, and will probably eventually make a historian out of us, just as soon as our memories can cover sufficient territory to make a history. Lest we get into such a mood now, therefore, we shall go directly into the job of the day.

The Commencement exercises of State College in '26 will feature reunions of the classes of '96, '01, '06, '11, '16, '21, and '25. The Alumni will take part in the academic parade and will be hosts to the members of the senior class at the time of the annual Alumni banquet. It is hoped that the members of these classes will make arrangements to be present for the exercises. Others will naturally be welcome also.

Mr. G. T. (George) Parker, of the '22 Electricals, has been on the campus for the first few days of this week. He is now with the Johns-Manville Company, with headquarters in Erie, Pa. He has been with these people a year or more, after having been with the Westinghouse Electrical Company since his graduation.

Mr. E. C. (Early) Smith, of the '25 Civils, was on the campus last week.

An old fashioned square dance was one of the features of the evening.

Ice cream, cake, punch, and nuts were served.

There were about one hundred guests present, many of whom joined with the younger set in a dance given by the German Club.
