

North Carolina State College of Agriculture and Engineering
of the
University of North Carolina
Raleigh

OFFICE OF THE CHANCELLOR

January 21, 1955

Mr. E. W. Ruggles
College Extension
1911 Building, Campus

Dear Mr. Ruggles:

Our present policy for admission of Negroes to classes conducted by the Extension Division limits their enrollment to non-credit courses. It is also requested that no advertising be made of this arrangement.

It is also understood that Negroes cannot be admitted to any non-credit courses where rooming and eating facilities are involved, such as the Driver Training School.

It is my opinion that the only classes to which Negroes can be admitted will be a few evening non-credit courses.

Very truly yours,

Carey H. Bostian
Chancellor

CHB:H

October 3, 1955

Mr. Lester Zerfoss
Staff Advisor for Executive Development
American Enka Corporation
Enka, North Carolina

Dear Mr. Zerfoss:

This will confirm Dean Lampe's and my conversation with you and Mr. Waite of this afternoon and emphasize our desire as a part of the Consolidated University to be of service to Enka and the other industries of Asheville and that vicinity in the fields of Engineering and Industry.

As you remember Dr. Bostian talked with you in August concerning this possibility and has since urged us to make available any services possible from this Institution.

After your meeting on Thursday of this week, if you have any specific requests, Dean Lampe and I will be glad to come to Asheville to discuss them with you.

We appreciate very much your interest.

Very truly yours,

EDWARD W. RUGGLES
DIRECTOR
