Dear Bob:

I should like for you to know that I am extremely grateful for your taking the time and the interest to attend the Afro-American Student Awards Banquet. I was personally very proud of the PAMS faculty representation (15) which appeared to exceed the representation of any other School. Most of all, it was so important to convey to our black students that we are constant and sincere in our support of them. You have demonstrated that concern and interest by attending the banquet.

I am personally very grateful to you.

Sincerely,

Garrett Briggs, Dean

Congratulations! You are one of a number of Black students here at North Carolina State University who has an accumulative grade point average of 3.0 or better, or who has achieved at least a 3.0 during the 1983 calendar year.

Your academic achievements deserve special attention. The Provost's Office, the Department of Student Development, the Society of Afro-American Culture and I are sponsoring the Fourth Annual Academic Achievement Program at which you are one of the honored guests. As one of the honorees, you will be receiving a Certificate of Achievement at the program.

This year's program, a dinner, will be held on Monday, April 16 at 6:30 p.m. in the Jane S. McKimmon Center. As one of the guests of honor, the dinner will be at no cost to you. Representatives from your department and School are also being invited, but due to limited seating, we will not be able to offer you the opportunity of bringing a guest this year. Additional information regarding the Academic Achievement Program is being mailed to you under separate cover.

This program is very important for, above all, the essence of the University is academic achievement through teaching and research. Again, I offer my congratulations and look forward to seeing you on Monday evening, April 16.

Yours very truly,

Bruce R. Poulton
Chancellor
