MEMORANDUM

TO: Dr. John T. Caldwell
Chancellor

FROM: J. D. Wright
Vice Chancellor for Finance & Business

SUBJECT: Affirmative Action Plan

I have reviewed the Affirmative Action Plan as prepared for the Office of Business Affairs. I endorse the report with the established goals and timetables. Several of the specific numerical goals established for the various categories are a bit bold; however, in good faith we will attempt to accomplish them.

MEMORANDUM

TO: The Chancellor
FROM: Dean Robert O. Tilman

The Affirmative Action Plan submitted to you represents the plans of each of the School's eight departments, as prepared by the Department Heads. While much guesswork was necessary, and some flexibility will undoubtedly be required, I nevertheless endorse the report, goals, and timetables submitted.

SUBJECT: Affirmative Action Plan for University Extension

I reviewed the University Extension Affirmative Action Plan before it was submitted to Mr. William Simpson last month. Although local and national data on availability of potential EPA employees with formal training and experience needed was found to be very limited, I feel reasonably confident we can meet the goals and timetables contained in the report.

Dear Chancellor Caldwell:

I have reviewed the School of Engineering's Affirmative Action Plan. I believe it to be realistic and practical. It has been developed with consultation and help from the individual departments who, in the final analysis, must carry out the recruiting activities necessary to implement the plan.

I give it endorsement and pledge the School's best efforts.

Yours truly,
