Mr. Michael R. Borden
Orientation Director
214 Harris
NCSU Shuttle

Dear Mr. Borden:

We have invited two groups of persons to the AFRO-AMERICAN SYMPOSIUM to be held August 20-21, 1984. Those listed as LATE orientation participants and those who have indicated that they will be attending late orientation are designated as GROUP "A". Those students who came to Summer orientation but did not participate in the symposium are designated as GROUP "B".

We are also in the process of giving the Division of Residential Life the appropriate information on housing assignments so that the students will be able to obtain their keys at the designated time given in the information. We have also informed some of these students that their registrations will be held and a few have called, and, with valid explanations we will be releasing this hold on their registration.

In addition, a few of the students are indicating that they participated in the symposium but came late and did not officially register.

Sincerely,

Lawrence M. Clark
Associate Provost

MOTHER TO SON

Well, son, I'll tell you;
 life for me ain't been no crystal stair.
 It's had tacks in it,
 And splinters,
 And boards torn up,
 And places with no carpet on the floor-Bare.
 But all the time
 I've been a-climbin' on,
 And reachin' landin's,
 And turnin' corners,
 And sometimes goin' in the dark
 Where there ain't been no light.
 So boy, don't you turn back.
 Don't you set down on the steps
 'Cause you finds it's kinder hard.
 Don't you fall now-
 For I've still goin', honey,
 I've still climbin'
 And life for me ain't been no crystal stair.

LIFT EVERY VOICE AND SING

Lift every voice and sing,
 Till earth and heaven ring,
 Ring with the harmonies of Liberty;
 Let our rejoicing rise
 High as the listening skies,
 Let it resound loud as the rolling sea.
 Sing a song full of the faith that the dark past has taught us;
 Sing a song full of the hope that the present has brought us;
 Facing the rising sun
 Of our new day begun
 let us march on till victory is won.

Greetings from the Advisory Council for Afro-American Affairs

Members of the Advisory Council for Afro-American Affairs welcome you to North Carolina State University. Let us assure you of this University's commitment to seeing that each student who enrolls has the opportunity to maximize his or her potential.

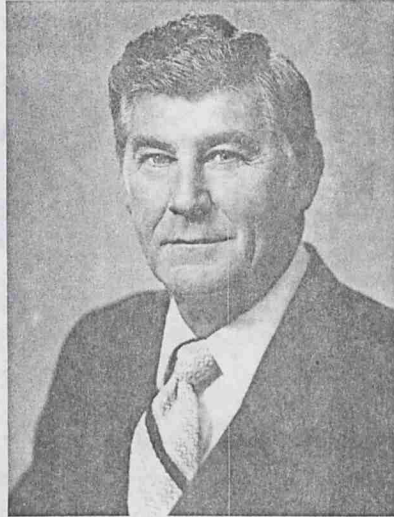

The theme for the Symposium is "MAXIMIZING YOUR POTENTIAL AS AN AFRO-AMERICAN STUDENT THROUGH EDUCATION."

Two purposes of the Chancellor's Advisory Council for Afro-American Affairs are, to focus on the academic achievement of Afro-American students, and to aid them in overcoming both environmental and psychological barriers which impede academic success.

The Advisory Council for Afro-American Affairs is dedicated, among other things, to providing support for students as they make the transition to University life. To this end, we hope you will perceive our activities as positive reinforcement toward your goal of academic success.

We look forward to personally meeting each one of you!

A Message from the Chancellor

Let me welcome you to North Carolina State University. My Advisory Council for Afro-American Affairs and I have put together a series of programs we believe will help you in your adjustment to college life and enhance your academic achievement at this University. Our goal is to work with you in any way we can to make your transition to this campus a positive experience.

N. C. State University is committed to serving all the people of our state and nation, and this program, in a small way, is a reaffirmation of that commitment.

I look forward to meeting with you during your stay at NCSU.

Dear Black Freshmen:

We are indeed looking forward to your attending North Carolina State University. You have recently received information pertaining to Late Orientation. As part of this Orientation, you are required to participate in an Afro-American program for Black students beginning at 5:30 p.m. August 20. The theme for this program is, "Maximizing Your Potential As An Afro-American Student Through Education." This symposium has been highly recommended by our Black students, faculty and staff here at NCSU. The symposium's purpose is twofold: first, to give you greater insight into the University, and secondly, to present you with some strategies for use in enhancing your academic achievement.

There will be no additional cost associated with this symposium. You will be expected, however to pay the \$30 cost of Orientation as indicated in the information that you received under separate cover.

Further details about the late Orientation and symposium are given in the attached information sheet. You may contact my office at 737-3148 should you have any further questions.

Dear Black Freshmen:

During the summer orientation sessions presented to date at North Carolina State University, we offered an Afro-American Symposium as part of this orientation for all entering Black freshmen. The theme for this program is, "Maximizing Your Potential as An Afro-American Student Through Education". Because we feel this program is so important for you and because of its positive outcomes, your attendance and participation is required. Our records indicate, however, that while you attended two-days of the summer orientation, you did not attend the Afro-American Symposium.

Since a number of students missed the Symposium, we are offering a "make-up" program WHICH YOU ARE TO ATTEND BEFORE YOU WILL BE ALLOWED TO COMPLETE FALL 1984 REGISTRATION. This program will be held on August 20 - August 21 at no cost to you. Detailed information pertaining to this activity is given on the enclosed sheet.
