II. FUTURE IMPROVEMENTS

Please provide a brief but frank response to the following questions . Your comments will provide information important to the future planning of this Symposium.

1. What did you like most about the Symposium ?

The best aspect of the symposium is that the people were nice but down to earth. They also made you feel proud and very welcomed to the university.

2. What did you like the least about the symposium ?

The sessions were too long & not enough social activities! The food was terrible!

3. What additional topics, if any, would you like to have discussed during the Symposium Workshops ?

Everything ^{they} discussed covered basically everything that we needed to know.

4. Did the Symposium provide a meaningful experience with regards to motivating you and providing a new insight concerning the University as a whole ?

Yes, I learned more about black people and they gave me a sense of pride that I will carry over into my studies & social activities at the university. Thank you.

5. In one word or phrase, please describe your opinion of the Symposium.

It was a very rewarding & informative Program. I highly recommend it to all incoming freshmen in the years to follow.

1. 1 How do you feel about the overall organization of the Symposium ?
2. 1 What is your assessment of the material covered during the Workshops ?
3. 5 Has the Symposium changed your perspective of the University in anyway ?
4. 5 Would you recommend other incoming Afro-American students to attend such a Symposium ?
5. 2 How would you describe the general attitudes of those people involved in the presentation of the Symposium ?

II. FUTURE IMPROVEMENTS

Please provide a brief but frank response to the following questions . Your comments will provide information important to the future planning of this Symposium.

1. What did you like most about the Symposium ?
The symposium gave me a chance to become familiar with other black students.

2. What did you like the least about the symposium?
Although I did enjoy most of the parts of the symposium, introducing ourselves so many times was unnecessary.
3. What additional topics, if any, would you like to have discussed during the Symposium Workshops?
Course selection
4. Did the Symposium provide a meaningful experience with regards to motivating you and providing a new insight concerning the University as a whole?
Yes indeed.
5. In one word or phrase, please describe your opinion of the Symposium.
Informative
