HAPPY SMILES FROM GRATEFUL HEARTS

## Inasmuch As Ye Have Done It Unto One Of The Least Of These My Brethren, Ye Have Done It Unto Me

ONLY crippled children whose parents or guardians are unable to pay for hospitalization, surgical and nursing care are admitted to Shriners' Hospitals for Crippled Children. No one is admitted who can afford to pay. Hardly a Shriner could get his child in one of these hospitals.

Everything is furnished without charge except shoes. These are seldom needed until the child is ready to go home.

The accompanying drawing was made, complimentary, for Oasis Temple, by Walt Disney. It is copyrighted by the Disney Studios with permission for Oasis Temple to authorize its use only for the sole purpose of promoting the work of the Shriners' Hospitals for Crippled Children.

THE drawing represents a dream of the late John H. Northey, Sr., for many years Chairman of the Hospital Endowment Fund of Oasis Temple. The title, "Courageous Hearts with Glorious Hopes" was inspired by a sermon "Jack" heard while attending services at historic old St. Michael's Church in Charleston, S. C.

Crippled Children are otherwise normal human beings. They are humiliated by their afflictions. Their hearts yearn for the association, activities and opportunities of normal children. The courageous way in which they bear their afflictions, endure their suffering—the slow and painful progress to eventual recovery — with glorious hopes of the future — are a challenge to all of us who were blessed with being well born.

## **Nobles, Supporters, Friends:**

The Annual OYSTER BOWL Football Game has become one of the great sports events of the year. Publicity given through the press, the theatres and the broadcasting stations has given this promotion national publicity.

The entire net proceeds from the Game are donated to the Shriners' Hospitals for Crippled Children. There is no paid promoter, and no paid workers other than the clerical help in the Shrine Bowl Office. Every worker must have a ticket for admittance.
