## DIRECTOR OF ATHLETICS

W. L. (Monk) YOUNGER

The beginning of the 1949 football season also marks the beginning of the 16th year at the helm of Virginia Tech's athletics for W. L. (Monk) Younger, Tech's popular Director of Athletics. In 1932, "Monk" joined the Tech athletic staff as assistant coach of football and basketball, and head basketball coach. In 1935 he succeeded C. P. Miles, recent dean of the college, as athletic director. He is a native of Lynchburg, Virginia.

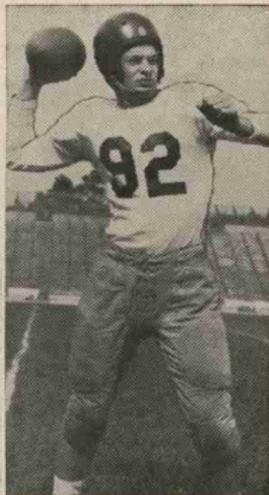

One of the best ends to ever roam the gridirons of the South, "Monk" was selected to the All-South Atlantic team in 1915 while a freshman at Davidson College. In addition to winning a letter in football as a freshman at Davidson, he also lettered in basketball, baseball, and track. In 1916 he again made the All-South Atlantic team, this time play-

ing for Virginia Tech. He also won letters in basketball and baseball that year. Again in 1917 he was selected to the All-South Atlantic team from Tech. Following the end of the 1917 grid season he entered the army and went overseas.

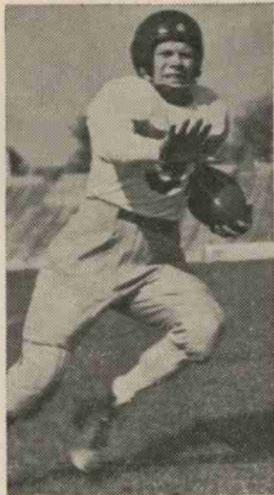

"Monk" was chosen on the all-time team at Tech as an end when the team was picked in 1932.

Mustered out of the service, he served as Athletic Director at Hampden-Sydney College and coached all sports in 1919. From 1920 through 1923 he was head basketball coach and assistant football coach at Virginia Tech. In 1924 he moved to Davidson as Athletic Director and Head football, basketball, and baseball coach, remaining there until his return to VPI in 1932.

STERLING WINGO  
Va. Tech Halfback

## Notes from The Wolfpackage

By ED STOREY, Director of Sports Publicity

Upsetting Maryland's nationally prominent Terrapins by 16-13 last week at College Park, Md. was indeed a feather in the cap of Head Coach Beattie Feathers, but there is no resting on their laurels for State's Wolfpack, who tonight face a determined bunch of Virginia Tech Gobblers.

Last week's victory was indeed a team triumph, but for Tackle Elmer Costa it was something of a personal victory. The hard-charging Costa, who has always been one of the finest linemen ever to don a State uniform, played his heart out and came out of the game with honor upon honor heaped upon his burly shoulders.

Maryland's Coach Jim Tatum praised the Wolfpack tackle by personally nominating him for "Lineman of the Week" honors and Duke University scouts, Bob Cox and Ellis (Dummy) Hagler, termed Costa's play "one of the most brilliant individual performances ever seen by an individual lineman." Mel Allen, nationally-known radio and television sportscaster, called Costa's job against Maryland "one of the most terrific exhibitions I've seen in years."

Tonight you'll be seeing plenty of Mr. Costa, who wears jersey number 73. Big Elmer, who last year was selected to the second All-Southern team, is having his greatest season. If enough of the big-time sports authorities see Costa he's certain to be high among those selected for All-America mythical squads when the end of the season rolls around. A junior this year Costa still has another season of play ahead. He hails from Paterson, N. J.

There'll likely be plenty of passing in the battle down on the Riddick Stadium turf tonight. Quarterback Bruce Fisher of the Gobblers can pitch 'em with the best in the Southern Conference and he likes to throw long and often. Tailback Ed Mooney of State is one of the nation's best aerialists. He was ranked among the top 10 offensive performers in the country last week prior to the Maryland game and "Little Ed" can also hold his own on the ground.

If you like punting duels you may see one between VPI's End Bob Gilley, who does the booting for the Gobblers and State's Mooney. Last week Mooney kicked the Wolfpack out of more than one serious situation against Maryland and the cool-headed Draper, N. C. lad will be counted on to do plenty of kicking tonight against Tech. Gilley is a long distance kicker, who ranks among the best in

the conference, he's also one of the few punters who plays an end position.

This series between State and VPI has been a rugged one since it was inaugurated back in 1900. The Gobblers have won 14 and State 11, while two games wound up in ties. Its one of the tightest series with any opponent on the State schedule. Remember back in '46 when the Wolfpack was Gator Bowl bound. State was due to whip the Gobblers handily, but VPI won by 14-6 at Blacksburg, Va. Last season the series was resumed after a two year lay-off and once again an underdog VPI team gave the Wolfpackers a close battle, losing by only 14-13.

Tonight finds VPI without a victory in four starts against Quantico's Marines, Virginia, George Washington and William and Mary, but those who sell the Gobblers short may be in for a rude awakening. VPI has one of the fastest backs in the conference in Halfback Sterling Wingo, who does the 100-yard dash in 9.9 seconds. One chance and this four-year veteran might go all the way. He has the speed and is a brilliant broken field runner.

This piece would not be complete without a tribute here to a boy who is playing for the Wolfpack tonight. He's No. 89, End Roland Simon, who hails from New Kensington, Pa. Simon had a mild attack of polio this summer and has rejoined the Wolfpack squad since our last home game with Duke. Simon had been counted out by many this year, but he's come back and you'll be seeing plenty of him tonight. Simon began to round into condition last week against Maryland and he'll be counted on strongly.

The Wolfpack still has one more home contest on the schedule after tonight's game. That's against Coach Crowell Little's Davidson Wildcats here on Saturday night, Nov. 11. The Wildcats upset State 20-14 last year at Charlotte and this year's contest shapes up as a really topnotch battle. Plenty of good tickets are still available, but we'd advise you to get in your order immediately. Tickets are priced in three ranges, \$2.00, \$2.50 and \$3.00. Mail orders will be accepted at Box 5187, Raleigh, N. C.

Remember, too, that basketball tickets are now available. Orders are being accepted for all games. The season's first contest is at the William Neal Reynolds Coliseum against Furman University, Nov. 28. On Page 22 of this program you'll find a complete listing of all home games as well as information about the Dixie Classic.

# WHAT MAKES FOOTBALL CHAMPIONS?

State's Ed Mooney

Is it teamwork . . . hard running backs . . . fierce tackling . . . knock-'em-down blocking . . . sportsmanship . . . or just plain honest-to-gosh athletic skill?

We don't pretend to be football experts, because our job is to manufacture fine, high quality textile products. But as football fans we think it would be safe to say that a championship football team is the result of those many great qualities.

We know that is has taken a combination of great leadership, manufacturing know-how, employee loyalty, and skilled teamwork to make Burlington Mills a champion in the textile industry. We are proud of the Company's many accomplishments during the past 25 years. We are equally proud of our 29,500 employees who have worked together with real team spirit as members of the Burlington team . . . and also as good citizens of the 46 plant communities in which we are represented.

# Sketch of N. C. State College

By Rudolph Pate

The North Carolina State College, long a leader in technological research and education, is today one of America's great land-grant institutions.

Moving along with its varied athletic program are hundreds of other projects and academic functions, all designed to advance living standards and to broaden the scope of knowledge in many spheres.

Its brilliant record of achievements in the past will perhaps be surpassed many times in the future when the present \$15,000,000 expansion program as authorized by the North Carolina General Assembly has been completed. The increased facilities will enable the College to extend its services to thousands of other citizens engaged in countless professions and occupations.

The 1950-51 school year marks State College's 62nd year of service to the people. N. C. State, now an imposing center of learning, first opened its doors to students on October 3, 1889.

The institution stands as a living monument to a group of far-visioned men who, roughly 70 years ago, aroused the State with their inspired crusade for more technological training for North Carolina's young men and women.

Establishment of the institution was due largely to the militant efforts of Col. Leonidas L. Polk, hard-hitting editor of *The Progressive Farmer*, the Watauga Club, and the provisions of the Morrill Act of 1862. From its humble beginning, the college has marched straight ahead to take a position of leadership among the institutions of technology in the United States.

State College has grown from its one building in 1889 to a physical plant valued in excess of \$12,000,000 today, with a record-breaking building program now in progress. The enrollment has advanced from 72 students—who reported to President Alexander Q. Holladay during the first academic year—to over 4,000.

The teaching faculty has jumped from President Holladay's original staff of six to approximately 441 now. Over 1,000 persons are now employed on the campus.

Many agricultural, engineering, industrial, and textile leaders have joined hands to enlarge the facilities and strengthen the faculty

of State College through the foundations. They have organized and are supporting the Agricultural Foundation, the Architectural Foundation, Engineering Foundation, the Textile foundation, and the Dairy Foundation. These organizations are supplementing State funds in paying the salaries of many top-ranking scientists, engineers, textile authorities, and other leading educators and research men at the college.

As a result of the foundation work, State College now has several eminent faculty and staff members that it would not have been able to obtain otherwise.

Adjoining the campus to the west are 456 acres including the college orchards, gardens, poultry plant and farms, and the Central State Agricultural Experiment Station. About one mile west of the campus, the institution has acquired 1,300 acres which are maintained as livestock farms by the Department of Animal Husbandry and Dairying.

The college's main divisions include the School of Agriculture, the School of Engineering, the School of Forestry, the School of Textiles, the School of Education, the School of Design, the Graduate School, the Basic Division and the Summer School. The Department of Military Science and Tactics, providing ROTC training for the students, consistently has received an annual rating of "excellent" from the U. S. Department of the Army and the Air Force.

Principal landmarks of the campus include Holladay Hall, the school's first building; the birthplace of Andrew Johnson, 17th President of the United States; Memorial Tower, impressive monument to the State College alumni who served in World War I; the home of the chancellor; Pullen Hall, named in honor of R. Stanhope Pullen, who donated the land for the original campus; a memorial to the 13 original colonies; and other sites of interest.

State College has more than 25,000 living alumni, many of whom are nationally known for their accomplishments in industry, science, military affairs, agriculture, education, and political life. More than 6,000 alumni of the school—most of whom were officers—served in the armed forces during World War II. Over 300 of the service men died in battle during the progress of the war.

## JOHNNY IS CALLED FOR AN EXPLANATION OF THE NEW FOOTBALL RULES

**JOHNNY** is an ardent football fan and familiar with the hipper-dipper, razzle-dazzle technicalities of the game. Knowing how confusing some of the 1950 major rules changes can be, he simplifies them with the question-answer session appearing below.

**QUESTION:** Is it true that each team will now have five times-out in each half?

**JOHNNY:** Yes. Last year each team was only permitted four free times-out in each half, but this year they are allowed one more, making a total of five in each half.

**QUESTION:** I understand that there is no such thing as a signal for a Fair Catch any longer. If this is true, how can a safety man catch the ball when there are would-be tacklers coming in on him?

**JOHNNY:** It is true that the signal for a Fair Catch has been abolished and the safety man is no longer given that protection. On the other hand, the receiving player must always be given an unmolested opportunity to catch a kick and if he is interfered with, he will receive the ball and be awarded a 15-yard penalty in addition.

**QUESTION:** If the Center moves the ball before snapping it, and both teams charge offside, do the two off-sides cancel each other out and is there a replay of the down without penalty to either side?

**JOHNNY:** No. Once the Center has adjusted the ball for the snap, if he moves or changes the position of the ball before he snaps it, any such movement will cost him a 5-yard penalty regardless of whether or not the ball is snapped; and if the opponents should charge offside, the penalty against them is cancelled.

**QUESTION:** Was there a penalty for a flying block and flying tackle which has been deleted under this year's rules? In all the years I have been watching football, I have never seen a penalty for either.

**JOHNNY:** Yes. For many years there was a 5-yard penalty against a player making either a flying tackle or a flying block. However, since it was so rarely called, it was felt advisable to drop it completely.

**QUESTION:** Has the rule on roughing the kicker been changed this year?

**JOHNNY:** No, I wouldn't say it has been changed but merely enlarged to protect the holder of a place kick as well as the kicker. This year, if incharging linemen rough the holder of a place kick, they will receive the same penalty as if they had roughed the kicker himself.

**QUESTION:** If, on a try for point after touchdown, the defensive team commits a foul but the point is good anyway, is the foul by the defensive team cancelled out?

**JOHNNY:** No. It will be penalized on the next play which will be the following kickoff. As you will remember, last year as long as the point was good, the defensive team was forgiven its foul, as there would be no purpose in the offensive team repeating the play.

**QUESTION:** Last year if a player in intercepting an opponent's pass or catching a kick carried the ball into his own end zone and was downed there, it was a safety. Is there any change in that rule?

**JOHNNY:** Yes. This year if the player makes a catch in the field of play and is involuntarily carried into his own end zone by his own momentum, where he is tackled or downed, he will be given the ball at the spot in the field of play where he made the catch.

## THE TACKLES

**DAVIS, FRED**—6-0, 200 lbs. Senior. Rocky Mount, N. C. A two-letter man, Fred has played both tackle and guard during his three years on the Wolfpack. Likely will be the leading candidate for a starting job this season along with Elmer Costa and Tom Morse, the two other monogram holders. Vicious tackler and good blocker, Fred is one of the most spirited performers on the team. Studying Civil Engineering and is a top student. Played prep school ball under Coach Joe Caruso at Rocky Mount. Son of Mr. and Mrs. J. E. Davis, 1134 Sycamore St., Rocky Mount, N. C.

**COSTA, ELMER**—6-1, 225 lbs. Junior. Haledon, N. J. One of the finest linemen ever turned out at State. Has earned two monograms. Can block and tackle with the best in the South. Has amazing speed for big man. Selected Associated Press "Sophomore of the Week" in Southern Conference last year following great performance against University of Maryland. Made 2nd team All-Southern last year and five All-America honorable mention listings. Navy veteran. Was all-conference and all-state New Jersey as high school star in Paterson, N. J. Studying Rural and Industrial Recreation. Son of Mr. and Mrs. Joseph Costa, 8 Geyer St., Haledon, N. J.

**BEAVER, FRED**—6-1, 195 lbs. Junior. Asheville, N. C. Has seen little action during his previous two years at State, but has developed fast, particularly during the last spring drills. It is likely that Fred will be one of Coach Feathers' leading tackle candidates this season and probably will be Costa's No. 1 understudy. Studying Textile Manufacturing. Made All-State North Carolina in 1947 at Lee H. Edwards High, Asheville. Son of Mr. and Mrs. C. E. Beaver, 109 Michigan Ave., Asheville. Played in East-West Shrine Bowl game at Charlotte, N. C.

**HILLMAN, JAMES**—6-3, 235 lbs. Sophomore. Kane, Pa. Starred on frosh team last year and likely will play important role on varsity this season. Has weight and speed to become valuable defensive performer. Navy veteran. Studying Rural and Industrial Recreation. Son of Mrs. W. Daud, 403 Westmore Road, Kane, Pa.

**SWART, WILLIAM**—6-2, 205 lbs. Junior. Wilmington, N. C. Has been on Jayvee squad for the past two seasons, but is expected to blossom forth into regular this year. Has speed and weight to become valuable asset in line. Blocks well and likes it rough and tough.

Is especially good on defense. Prepped under Coach Leon Brogden at New Hanover High, Wilmington. Studying Agriculture. Son of Mr. and Mrs. Dirk Swart, P. O. Box 838, Wilmington, N. C.

## THE ENDS

**SLOAN, NORMAN**—6-0. 180 lbs. Senior. Indianapolis, Ind. Former basketball player under Coach Everett Case, Sloan gave up the hardwood sport to try his hand on the gridiron two years ago. Has yet to make the grade, but could see action this season. Has speed, but needs finesse to become good ball-carrier. Studying Rural and Industrial Recreation. Married. Navy veteran.

**HART, ED**—6-1, 170 lbs. Senior. Tarboro, N. C. Has failed to come up to expectations in his last three seasons as varsity squad member, but might see some action this year. Good pass receiver, but weak on defense.

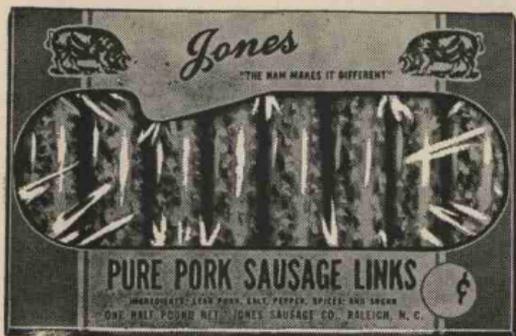

**BUTLER, DAVID**—6-1, 180 lbs. Sophomore. Fayetteville, N. C. Likely will be used consistently as offensive performer. Blocks well and good pass receiver. Very aggressive on defense. Likes it rough and tough and despite lack of weight can hit as hard as any lineman on squad. Was regular on 1949 freshman squad. All-State and All-Conference performer at Fayetteville High under Coach Bill Doyle. Son of Mr. and Mrs. E. H. Butler, 215 Windsor Drive, Fayetteville, N. C. Studying Textiles.

## THE WINGBACKS

**SMITH, JIMMY**—5-8. 170 lbs. Junior. Miami, Fla. Played briefly on varsity squad in 1948, but because of scholastic difficulties did not compete last season. Smith is one of the most rugged defensive men for his size in the Southern Conference and may develop into an offensive threat. Studying Mechanical Engineering. Prepped at Miami Senior High under Coach George Trogden. Son of Mr. and Mrs. J. E. Smith, 1540 S.W. 13th. St., Miami, Fla.

**McARTHUR, GEORGE**—5-11. 175 lbs. Junior. Paterson, N. J. Played mostly on defense last season, but is being groomed as ball-carrier this season. Good pass defense man and made seven interceptions in 1949. Prepped at Eastside High, Paterson, N. J. under Coach Rumana. Made all-conference, all-state and all-metropolitan. Studying Rural and Industrial Recreation. Son of Mr. and Mrs. George McArthur, 829 E. 24th St., Paterson, N. J. Only letterman available at wingback position.

## 20,000 + 10,822

There were 20,000 people in the State College Stadium the day the picture above was taken. As you can see, 20,000 people make a BIG crowd . . . but you would have to add 10,822 more people to this crowd to have as many people as own Carolina Power & Light Company. Yes, the most recent tabulation shows that there are 30,822 holders of the Company's common and preferred stock. These stockholders of the Company (no one of whom owns as much as two per cent of the shares) come from all walks of life and they live in every state in the union, but more of them live right here in the Carolinas than in any other state. North Carolinians alone have invested more than 23 million dollars in the Carolina Power & Light Company. They are regular people, like the ones in the photograph above, who believe in the American free enterprise system and in fair play in business and government as well as on the gridiron.

# WOLFPACK PROFILES

## THE TAILBACKS

**MOONEY, ED**—5-10, 170 lbs. Senior. Draper, N. C. Here's the kid who'll be at the throttle of State's offense this season. Past experience proves he's one of the best. NCAA statistics rank Mooney as the nation's 16th top kickoff return man last year when he lugged back 12 returns for 327 yards for an amazing average of 27.3 per try. As a punter "Little Ed" had an average of 42.1 yards for 10 punts. Mooney's overall offensive play was terrific. He was among the nation's 50 leading ball-carriers in 1949 although he played for a team which won only three times in 10 games. On 201 plays "Scooter" gained 509 yards rushing and passed for another 428 yards. He was responsible for seven touchdowns and amassed an offensive total of 937 yards, or nearly five yards for each time he handled the pigskin. Mooney has earned two previous monograms at State and should be headed for his greatest season this year. Barring injury the little Draper, N. C., senior may be one of the nation's best backs in 1950. As a high school star at Draper, N. C., he scored more than 300 points. Studying Rural and Industrial Recreation. Enrolled in advanced R.O.T.C. training unit at State.

**POTTS, EDWARD O. (TED)**—5-9, 175 lbs. Sophomore. Alexandria, Va. A fireball last year as a freshman, Potts had some phenomenal kicking averages of 54, 52 and 51 yards in three contests as well as doing some better than average running and passing. Although he's small, Potts is built like a tank, rugged and tough. As prep schooler at George Washington High in Alexandria he ran away with all the honors, being selected All-Metropolitan (Washington, D. C.) All-State Virginia, All-Northern Virginia and All-Sururban Washington. Studying Industrial Engineering at State. Son of Edward O. Potts, 438 E. Nelson St., Alexandria, Va.

**WEBSTER, ALEX**—6-2, 195 lbs. Sophomore. Kearney, N. J. Powerful runner, Webster was a star last year as a freshman and looks like bigtime varsity material. Is the biggest tailback candidate ever to attend State, but despite size has speed to go with it. Under Coach Arthur Arguar at Kearney High, Webster made All-State and All-Metropolitan. Studying Rural and Industrial Recreation. Son of Mrs. Rena Webster, 163 Wilson Ave., Kearney, N. J. State's 1950 opponents will see plenty of this lad before the season is over.

## THE FULLBACKS

**O'ROURKE, JIM**—6-0, 180 lbs. Junior. Pittsburgh, Pa. Hard-driving Jim will be the workhorse of the Wolfpack this season. Already established as a great defensive player, O'Rourke will be seen more of as a ball-carrier this season. He's Feathers' No. 1 fullback

and looks like one of the best. Has earned two previous monograms at State. Studying Civil Engineering. Prepped at Central Catholic High in Pittsburgh, Pa. Army veteran. Son of Mrs. Mary E. O'Rourke.

**YEATES, HARVEY**—6-0, 198 lbs. Sophomore. Buffalo, N. Y. Although he played center as a freshman, Yeates has been shifted to fullback for his varsity assignment. In spring practice looked very much the part of a hard-charging line-plunger and much is expected of him this season. Is fast enough to do the 100-yard dash in 10.3 seconds and won 3rd place in North Carolina Freshman track meet last year. Studying Rural and Industrial Recreation. Prepped at Bennett High, Buffalo, N. Y. under Coach Fred Braunx where he was All-State fullback. Son of Mr. and Mrs. Victor G. Yeates, 268 North Park Avenue, Buffalo, N. Y.

**SPRITZ, RICHARD**—6-1, 190 lbs. Sophomore. Clairton, Pa. Although he failed to impress as a freshman back, Spritz has shown improvement in off-season practice. Likely will be 3rd man at plunging spot and is expected to see action frequently. Studying Rural and Industrial Recreation. Prepped at Clairton High under Coach H. G. Wilkinson. Selected All-Valley and W.P.I.A.L. Honorable Mention. Son of Mr. and Mrs. Nicholas Spritz, 555 Farnsworth St., Clairton, Pa.

## THE CENTERS

**MARTIN, JOHN**—6-2, 195 lbs. Senior. Larksville, Pa. Rough and rugged characterizes Martin, who has earned two monograms at center for the Wolfpack. Used almost exclusively on defense, he is great line backer and will share offensive chores with Tom Tofaute. Studying Rural and Industrial Recreation. Prepped at Larksville High under Coach Mike Shimko. Son of Mr. and Mrs. John C. Martin, 85 Brown Street, Larksville, Pa. All-Scholastic in 1947.

**HARDING, JOHN**—6-0, 190 lbs. Senior. Kirklint, Ind. Although he has failed to earn a letter in three previous years on the squad, Harding will be counted on as a leading reserve this season. Good tackler and line backer. Studying Rural and Industrial Recreation. Married. Army veteran with two children.

**TOFAUTE, TOM**—6-2, 205 lbs. Junior. Yorkville, Ohio. Probably one of the best centers in the South, Tofaute can do a top notch job on either offense or defense. As a line backer he has few peers on defense and his offensive blocking and ball-snapping rank with the best. Last season he was selected to several all-star teams, including honorable mention All-America by the United Press. Tom is fast and covers punts well. Marine Corps veteran. Studying Rural and Industrial Recreation and hopes to go into coaching field after graduation. Has earned two monograms at State. Son of Mr. and Mrs. J. H. Tofaute, 108 Garden Ave., Yorkville, Ohio.

## WOLFPACK PROFILES

### THE BLOCKING BACKS

**BARKOUSKIE, RAY**—6-0. 190 lbs. Sophomore. Kulpmont, Pa. Hard-hitting Ray looks like one of the best sophomores on the current squad. Has excellent timing on blocks and is determined. Probably will be No. 2 man at his position and likely will head offensive unit. Studying Rural and Industrial Recreation. Prepped at Franklin D. Roosevelt High, Kulpmont, Pa. under Coach Bob Magaleski. Son of Mr. Benjamin Barkouskie, 831 Spruce St., Kulpmont, Pa.

**TENCICK, JOHN**—5-10. 185 lbs. Senior. New York City, N. Y. Veteran of two previous seasons, Tencick has plenty of experience with a pair of letters to his credit. Although he has stood in the shadow of the great blocker, Bob Bowby, twice Jacobs' Blocking Trophy winner, Tencick has developed rapidly. Study-

ing Industrial and Rural Recreation. Excellent student. Son of Mrs. Antonia Tencick, 75 Fort Washington Ave., New York 32, N. Y.

**KAISER, VITUS**—5-11. 185 lbs. Junior. Erie, Pa. Although he started off as a freshman tailback two years ago, Kaiser has developed into one of the best blocking backs ever to don a uniform at State. He is likely successor to Bob Bowby as team's No. 1 blocker and should be one of the leading candidates for the Jacobs Blocking Trophy this year. There are few men in the conference who can do the offensive blocking job as well as Kaiser. Studying Industrial and Rural Recreation. Prepped at Cathedral High, Erie, Pa., under Coach James Sowel. Played in two all-star games and was All-City tailback. Son of Mr. and Mrs. John Kaiser, 2617 Cherry St., Erie, Pa.

---

## N. C. State College Moves Ahead

By Rudolph Pate

A precedent-setting building program, calling for an expenditure in excess of \$15,000,000, is now underway at the North Carolina State College.

The largest single spurt of building prior to the current expansion work occurred in 1938-39 when a construction program amounting to \$1,700,000 was completed.

Both of these projects have taken place during the administration of Chancellor J. W. Harrelson, whose leadership has brought progress to the State College in all of its functions.

Campus structures completed since 1931 include seven dormitories, a field house, the William Neal Reynolds Coliseum, a laundry, the Riddick Engineering Laboratories Building, the Diesel Engineering Building, the AAA Building, the School of Textiles Building, Withers Hall, and six dairy farm buildings and laboratories.

Funds are now available for the construction of eleven additional buildings, including a library, a student union, the Forestry-Horticulture Building, the Poultry Science Build-

ing, the Agronomy Building, three dormitories, the Mechanical Engineering Building, and an addition to the Civil Engineering Building.

Among the latter group of buildings for which funds have been made available are several now under construction and others for which architectural plans are being drawn.

All of this construction program since 1931 has or will result in the expenditure of \$18,885,976. Of this sum, \$17,802,360 was appropriated by the General Assembly, and the remaining amount of \$1,083,616 was secured through Federal Government grants and/or bond sales.

When the current building project is completed, State College will have one of the finest physical plants of any Land-Grant college or university in the United States. It already has a faculty and staff which rates among the best in the land. It is a growing institution which is confronted with an era of great academic and scientific accomplishments.

---

---

## AN APPRECIATION

To the Raleigh Chamber of Commerce, we acknowledge with grateful appreciation the support given this College through their Athletic Committee.

With the help of the citizens of Raleigh, Alumni and friends of State College, we hope to obtain much success in the future. In order to justify the continued support of our advertisers, we suggest that their stores be included in your next shopping tour. Upon visiting their places of business, simply say, "I saw your advertisement in the State College Football Program."

State College says: THANK YOU

I lead the crowd in "Rah Rah Rah"  
To cheer the team we like;  
But when it comes to cigarettas  
I cheer for Lucky Strike!

I really am a Lucky guy.  
Just got my Ph. D.  
To prove to you how much I know,  
L.S., sir means F.T.

# Be Happy- Go Lucky!

Enjoy your cigarette! Enjoy truly fine tobacco  
that combines both perfect mildness and rich  
taste in one great cigarette - Lucky Strike!

*Perfect mildness?* You bet. Scientific tests,  
confirmed by three independent consulting  
laboratories, prove that Lucky Strike is milder  
than any other principal brand. *Rich taste?*  
Yes, the full, rich taste of truly fine tobacco.

Only fine tobacco gives you both real mildness  
and rich taste. And Lucky Strike means fine  
tobacco. So enjoy the happy blending that com-  
bines perfect mildness with a rich, true tobacco  
taste. Be Happy—Go Lucky!

L.S./M.F.T.-  
Lucky Strike  
Means Fine Tobacco

Some claim this and some claim that,  
But when all is said and done...  
For full, rich taste and mildness, too,  
Lucky Strike's the one!

# Allan M. Learned, Head Coach

Twenty years ago, in 1930, Allan M. Learned, now 43, began a coaching career at Darrington High School, Darrington, Washington, which was to ultimately lead him up the football coaching ladder to a head coaching position at Virginia Tech. He graduated from the University of Washington, at Seattle, in 1927.

Unbounded enthusiasm for the game, a natural knack for handling men, and the ability to learn through experience and from others, has given "Al" the background necessary for the big job he has assumed as head coach of the "Fighting Gobblers" at Virginia Tech.

Except for two years, 1932 and 1933, Learned has served in a coaching capacity of football and wrestling. During these years, in the depression, he built a permanent log cabin home on beautiful Puget Sound near Hadlock, Washington. He still returns to the country he loves every summer. In all his years of coaching, he has never had a poor season. He coached successfully at Quilcene, and Wapato, Washington, until he entered the Navy as an officer in the Hamilton Physical Education program in 1942. He coached

football at St. Mary's Pre-Flight base, Ottumwa, Iowa, Air Base, and served at Chapel Hill, North Carolina, before being discharged in 1945 as a Lt. Commander.

He returned to Washington to lead Sedro-Woolley High School, Sedro-Woolley, Wash., where he did an excellent building job before being called to Blacksburg in 1948 by head coach Bob McNeish, an old friend and associate. He coached the junior varsity team in his first year with the "Hokies" and then took over the head freshman job in 1949. After only losing one game then, he had won two victories this year before being elevated to the head coaching job when McNeish resigned. He holds the distinction of never having lost a football game to VMI, Tech's bitter rival.

Besides his consuming interest in football, Learned has for years made a hobby of big game hunting and collecting high-powered rifles which he uses in contests of skill. He wears the Navy "expert" ribbon.

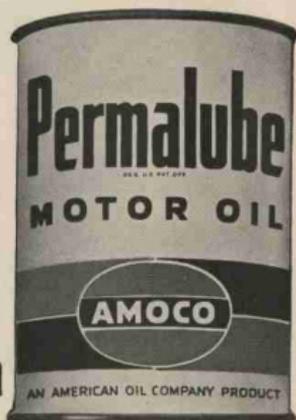

Learned is married and has two children. Allan Jr., is 13, and the daughter, Minette, is 10. His wife, Helen, is an accomplished musician.

# Beattie Feathers, Head Coach

Very few coaches in the nation claim 15 years of actual football playing experience at the age of 39, but such is the record of North Carolina State's Beattie Feathers, who started out at the age of 15 as an All-State fullback at Bristol High and went on to gain All-America honors at the University of Tennessee and become one of the most valuable players in National Professional football league history.

Feathers' grid career got off to an auspicious start at the age of 15 when he made first-string fullback at Bristol High. For four years he ruled the roost and was called by many people the greatest high school fullback ever produced in the Old Dominion. His accomplishments include selection four times as All-State Virginia and two seasons as All-Southern high school.

Following the end of his prep career in 1930 he cast his collegiate lot with the University of Tennessee and was first-string tailback on the frosh squad. In 1931 Feathers moved up to the Volunteer varsity and although still in the shadow of the great Gene McEver, Tennessee's all-time All-America, he became one of the hottest prospects in the Southeastern Conference. In 1932 Feathers came into his own. First he made All-Southeastern Conference tailback and then in 1933 came the most valued selection of a football player's career when Feathers was named to the four first team All-America selections.

Feathers' accomplishments at Tennessee are too numerous to mention. His excellent kicking averaged 45 yards in three seasons and his passing was the most feared Tennessee weapon in the Southeastern circuit. But Feathers' forte was as a runner. Such long runs as 92 yards against Kentucky and a 97-yard run against Georgia were among his outstanding feats.

After receiving his degree in Physical Education from Tennessee in June, 1934, Feathers embarked on one of the greatest professional football careers in history with the Chicago Bears. In his freshman season as a pro he gained 1,080 yards from scrimmage on running plays alone, a record which stands today as the best compiled by a single individual. He averaged 9.8 yards per try for the 1934 season, almost a first down on each attempt.

It was only the beginning for the fleet-footed, long distance kicking Feathers. As a running mate to the fabulous Bronco Nagurski, Feathers was literally

running amuck among the National League teams. The Bears were winning from all comers and Feathers and Nagurski were doing the punching.

For four years, 1934-35-36 and 37, Feathers remained with the Bears. But with the wane of power at Chicago, Feathers was declared a free agent and was immediately signed to a contract by the Brooklyn Dodgers. During 1938 and 1939 Feathers held down first string positions with the Dodgers. In 1940 he moved to the Green Bay Packers where he finished out his pro career. Injuries had kept him from hitting his peak, but he was always a threat.

Thus is 1941 with 15 years of football behind him, Feathers accepted a position at Appalachian State Teachers College at Boone, N. C., as assistant football coach. When the Mountaineers faltered with a 4-5 record that season Feathers was made head coach.

With the outbreak of war, Appalachian decided to drop football, but it was no time for Feathers to stop. He came to North Carolina State as an assistant to Williams (Doc) Newton in 1943 and was given the job of tutoring the Wolfpack backfield. In 1944 Newton resigned to accept the head coaching position at the University of South Carolina and Feathers was promoted to head coach of the Wolfpack.

The rest is State College history. Feathers' first team won seven games in nine starts. The war drained off most of the eligible football manpower in 1945 and the Wolfpack could do no better than win three games in nine contests. But Feathers bounced right back. In 1946 with a freshman dominated outfit the Wolfpack copped eight victories in 10 games and State got its first bowl bid—a Jan. 1st affair in Jacksonville, Fla., in the Gator Bowl.

In 1947 despite the record of five victories, three losses and one tie, Feathers again saw his Wolfpack football team rated as one of the 20 best clubs in the nation by the annual year-end Associated Press poll of sports writers and radio men. The State team won upset triumphs over Virginia and Wake Forest and held a highly favored Maryland eleven to a scoreless tie. State ranking was 17th in the nation.

Feathers has proven to be one of the most popular mentors in State College history. His amiable personality and his ability to handle men has gained for him a success similar to that which he enjoyed as an All-American footballer at the University of Tennessee and as a great star in the National Football League.

## .... OUR WIN STREAK CONTINUES

The time has arrived when a radio station must put up—or shut up.

Don't talk about serving the public—unless you mean to do it.

Don't brag about news coverage—unless you've got it.

Don't sing about sports coverage—unless your sports department is in good voice.

And don't mention your listening audiences—unless your Hooper Rating shows it.

We'll rest our case with the Raleigh audience, and the Hooper report which made **WRAL** the most listened-to Mutual Network affiliate in the entire nation.

AM **WRAL** FM

"Raleigh's Favorite Station"

## SKETCHES OF PLAYERS

### **ROBERT FRACKER, Senior Manager**

Fracker, Robert, "Frack".—A Roanoke senior who came to Tech as a fine guard prospect after playing four years in high school. He injured his shoulder while a candidate for the team in 1947. After dropping out of school, Fracker decided to come back and became an assistant manager last year. His ability as an organizer and excellent relationship with the squad was recognized by the football staff when he was appointed head manager for 1950. He is also a promising amateur boxer.

### **MONOGRAM WINNERS**

**CASTO, Ronald "Ron".**—Senior from Logan, W. Va., who is playing his third and final year at end. He was the team high scorer last year with 24 points when he caught 22 passes for a total of 359 yards, age 21, weighs 192.

**CHURCH, Joseph "Joe".**—Another senior hails from Charlotte, N. C. Always ready for offense as well as defensive duty at center. Determined, sure, dependable player weighing 185 and standing 6'1".

**BENNETT, William "Bill".**—200 pound junior guard playing second varsity year. Played service football. Calls home North Fondulak, Wisconsin. Fast, aggressive, with the will to work hard.

**FISHER, Bruce "Bud".**—Senior quarterback with a fine throwing arm. Injury in the early season slowed him to a walk but in last five games completed 26 passes out of 59 attempts for 333 yards and one touchdown while directing the attack of the Gobblers in fine style.

**HARGROVE, Frank "Frank".**—Converted from fullback to guard where he can use 196 pounds carried on squat 5'10" frame. The 23-year-old Elmont product is expected to be a powerful defensive lineman.

**HUFF, Richard "Dick".**—One of the heaviest men on the squad, tipping the scale at 228. If knee operation is successful, will play both guard and tackle. Can move despite weight. Playing second varsity season as junior.

**HANSROTE, Larry.**—Cumberland, Md., junior weighing 188 but backing up the line more like a 200 pound ram. Was injured in the Duke game last year and missed the rest of the season. Should help handle the center duties on either offense or defense.

**KERNAN, Charles "Charlie".**—Towering 6'4" and tipping scales at 224, the Stamford, Conn. senior should be set for the best year of his career. May draw either offense or defensive assignment at tackle. Also a talented boxer.

**KUHN, Richard "Dick".**—Switched to guard from tackle. One of the most improved linemen during spring work. Second Logan, W. Va., product on squad. Playing his second year of varsity ball. Weighs 200, height 6'1".

**LAWLER, Timothy "Tim".**—213 pounds of guard. Flashed fine defensive ability last year and will probably be used again this year. Fast for weight and hails from Selma. Senior.

**LUCZAK, Casimir "Ki".**—Vandergrift, Pa., back who was judged the most outstanding player in the VMI-Tech game last year. Used primarily at defense last year but ran well in spring work and should get a crack at lugging the pigskin.

**NEAL, Roger "Knees".**—High stepping fullback or halfback. Was used on defense last year. Missed spring work due to appendectomy. Final season at Tech. Barboursville, W. Va., is home.

**RATLIFF, J. B. "Jay".**—Summer knee operation after being used on defense last year. Senior from Christiansburg. 23 years old, 5'11" tall. Looking for his best year.

**WINGO, Sterling "Speed".**—The Gobbler speedster performed best in last five games of campaign last year. Missing spring practice to play baseball, he will be counted upon to pick up his ball toting chores from last year and spark the ground attack. Senior from Richmond.

**WACHTER, Robert "Bob".**—Married senior who towers 6'6" tall. The Erie, Pa., product weight 205 and is heavyweight wrestler in winter. Tackle.

## THE ENDS

**FERRELL, GENE**—6-0, 183 lbs. Junior. Raleigh, N. C. Expected to play considerably this season, particularly on defense. Is very good tackler and diagnoses plays well. Seldom gets "sucked in" from his position. Played in only one contest last season, but developed fast in spring drills. Played regular as freshman in 1948. Starred at Needham Broughton High, Raleigh, under Coach Lee Stone. Son of Mr. and Mrs. C. D. Ferrell, 612½ Holden St., Raleigh. Studying Rural and Industrial Recreation.

**ALLMAN, BERNARD**—5-11, 180 lbs. Junior. Parkersburg, W. Va. Converted from blocking back to end, Allman is a good bet to be one of the top flankers on the squad. A knee injury a year ago forced him to the sidelines, but after an operation during the summer he is ready to go. Very aggressive and capable of playing either offensive or defensive position. Regular on 1948 freshman team as blocking back. All-State West Virginia under Coach James Scott at Parkersburg High in 1947. Played in the West Virginia North-South all-star game. Son of W. H. Allman, Route 1, Parkersburg. Studying Textiles.

**ROMANOWSKY, TONY**—6-0, 192 lbs. Senior. Girard, Ohio. Captain of the 1950 squad, Tony has lettered for the past three seasons. He is the most experienced flanker on the team and is expected to play both offense and defense. Excellent pass receiver and rough on defense. Probably will start all 1950 games. One of the team's most dependable men. Can go 60 minutes if necessary. Excellent student. Studying Civil Engineering.

## THE GUARDS

**NICHOLSON, JOHN**—6-0, 190 lbs. Sophomore. Raleigh, N. C. Starred as freshman at State in 1948. Held out of action last season. Probably will be one of the Wolfpack's No. 2 guards. Very fast and aggressive and one of the best blockers on the team. Has great potentialities, but needs more experience. Studying Mechanical Engineering. Excellent student. Son of Mr. and Mrs. J. L. Nicholson, 1223 Canterbury Rd., Raleigh, N. C.

**SCHACHT, WALTER**—5-9, 185 lbs. Junior. Alexandria, Va. Worked as second team guard last season behind All-Southern Bernie Watts and this year steps into Watts' starting position. Very good tackler and great blocker. One of the most aggressive

men on squad. Very fast and tough. Marine Corps veteran. Played prep school ball at George Washington High, Alexandria, Va., under Coaches A. E. Doran and P. R. Mackey. Studying Textiles. Son of Mr. and Mrs. Walter E. Schacht, Ft. Belvoir, Va.

**COX, WILLIAM**—5-10, 180 lbs. Sophomore. Knoxville, Tenn. Made last year's freshman team as regular and looks like topnotch varsity material. Good blocker and pulls out of line well. Likely will work with Nicholson as second team regulars. Does well on defense. Studying Textiles. Son of Edward L. Cox, 2717 Selma Ave., Knoxville, Tenn.

**BAGONIS, VINCE**—5-10, 195 lbs. Junior. Luzerne, Pa. Earned monogram as sophomore last season and will have the job of replacing All-Southern Charlie Musser at one guard slot this year. Rough and tough, Bagonis also can block and has plenty of speed. Studying Mechanical Engineering. Prepped at Luzerne High under Coach Red Brady. Son of Mr. and Mrs. Joseph Bagonis, 741 Willard St., Luzerne, Pa.

**CALVANO, RALPH**—5-9 190 lbs. Junior. Hawthorne, N. J. Saw little action last year as sophomore, but likely will play more often this season. Is determined defensive man, but lacks speed for pulling out of line. Looks about 5th guard on squad. Studying Electrical Engineering. Navy veteran. Son of Mr. and Mrs. Alfred Calvano, 294 Hawthorne Ave., Hawthorne, N. J. Prepped at East Side High, Paterson, N. J., where he was all-conference honorable mention. Oldest man on 1950 squad at 27 years of age.

**O'BRYANT, CHARLES**—6-2, 190 lbs. Sophomore. Reidsville, N. C. Saw only little action as freshman and likely will have tough time making varsity team. O'Bryant, however, showed marked improvement during off-season drills and could develop as season progresses. Needs experience, and may get it the hard way. Studying Textiles.

**BRITT, JAMES C.**—6-2, 200 lbs. Sophomore. Fayetteville, N. C. One of last year's top freshmen, Britt likely will be scrapping Bagonis and Schacht for a starting job on the varsity this season. Had a knee injury as a frosh lineman, but has already overcome this handicap and looks like will develop into one of the finest linemen in State College history. Is very aggressive and likes it rough and tough. Has weight and power to be a great lineman. Made All-Southern at Fayetteville High in 1948 under Coach Bill Dole. Studying Textiles. Son of Mr. and Mrs. C. P. Britt, 1025 Person Street, Fayetteville, N. C.
