Dear Friends of Kiwanis:

The members of Capital City Kiwanis Club welcome you this evening.

The many business firms that have placed ads in this program are supporting our fund-raising project. We want to express our deep appreciation to them and to recommend their services for your consideration.

Proceeds from this game and other fund raising projects are used to support a varied number of youth activities, one of which has been this past year, a large contribution toward the establishment of Haven House, which will provide small group care homes, for children (girls and boys) who cannot adjust to their own homes, or who are otherwise neglected and homeless. Also, this year, we are developing a program for the aged, to help them to remain useful citizens of our community.

We hope you will enjoy the game this evening and that you, too, will feel a part of the Kiwanis family through your support of it's Community Service Projects.

Sincerely,

John F. Baggett, Jr.
