Dear Mr. Monterio:

We have reviewed your organization's constitution and officers list and everything seems to be in proper order. You are now an officially registered student organization of North Carolina State University entitled to all privileges entailed in that status. I did have one suggestion. Perhaps you would consider associate member status for African-American students who might be interested in your activities. I know you have an interest in relationships with these folks. This could be an opportunity to include them.

Understand that your registration in no way gives the University or Student Government responsibility for any financial liability which may be incurred by your group. Your status does, however, give you the opportunity to approach the Student Senate with a request for funds, and it also gives you certain on-campus solicitation privileges.

Please be aware that we ask each student organization to update its file whenever there is a change of officers and at the beginning of each school year. Failure to do so will result in a loss of registration.

If the Department of Student Development can be of assistance to your group, please do not hesitate to call on us. Good luck with your new group.

Sincerely,

A handwritten signature in dark ink, appearing to read "R. S. Bryan, Jr.".
