Dear Ms. Ager:

We have reviewed your organization's constitution and officers list and everything seems to be in proper order. You are now an officially registered student organization of North Carolina State University entitled to all privileges entailed in that status.

Understand that this registration in no way gives the University or Student Government responsibility for any financial liability which may be incurred by your group. Your status does, however, give you the opportunity to approach the Student Senate with a request for funds, and it also gives you certain on-campus solicitation privileges. In addition, as a result of past conversation I want to make it clear that this registration does not affiliate the orgnization with the Panhellenic Association, the National Pan-Hellenic Council or the Interfraternity Council.

Please be aware that we ask each student organization to update its file whenever there is a change of officers and at the beginning of each school year. Failure to do so will result in a loss of registration.

If the Department of Student Development can be of assistance to your group, please do not hesitate to call on us. Good luck with your new group.

Sincerely,

154 13.

Dear Mr. Smith,

Alpha Omega Epsilon, an Engineering Sorority, is looking forward to forming a chapter on your campus.

Alpha Omega Epsilon was founded on November 13, 1983, and four months later on March 22, 1984, became a recognized organization on the Marquette University Campus. The idea of uniting female engineers of all curricula spread to other campuses. As a result, the Beta chapter was found in Rapid City, South Dakota on January 1, 1985 at the South Dakota School of Mines and Technology.

We are very excited about the possibility of expansion at North Carolina State University. Alpha Omega Epsilon promotes academic excellence, friendship, and personal growth. The women at NCSU interested in becoming a chapter of Alpha Omega Epsilon will undoubtedly have a rewarding and fulfilling experience!

Sincerely,

gulie M. Behrens

Dear Fellow Women Engineers:

Hello! My name is Julia Young, and I am Membership Educator of the engineering sorority at North Carolina State University called Alpha Omega Epsilon (A $\Omega$ E). We are a social and professional sorority. We are involved in community service projects, intramural sports, and professional development projects. We have a semi-formal in the fall and a formal in the spring. In the past, our formals have been in Virginia Beach and Myrtle Beach. We have tailgate parties at football games, mixers, and a camping weekend for all the sisters during each semester. We provide a support network to get through those seemingly impossible engineering classes, as well as contacts in the professional world. I couldn't possibly cover all the things we do in one letter, so I want to extend an individual invitation for you to attend our rush events and see for yourself. I hope to see you there!

# **QUESTIONS YOU MAY HAVE ABOUT** AΩE:

### Q: What is RUSH?

A: RUSH is the period of time, usually 10-14 days, in which interested female engineers attend the events organized by  $A\Omega E$  in order to meet the active members and learn what  $A\Omega E$  is all about. Past events have included: Picnics, Movie Night, Scavenger Hunts, Build-A-Sundae and Putt-Putt.

### Q: Do I have to go to all of the events?

A: Attendance at every event is not mandatory but is encouraged.

### Q: How long does the Membership Education Development last?

A: After rush, if an individual is invited to become a Candidate of A $\Omega E$ , the Development period is approximately eight weeks.

#### Q: How much does it cost?

A: Fees for the Membership Education Development semester are approximately \$70 and Active Sister fees are approximately \$150.

### Q: What do I have to do during the candidacy period?

A: Basically, you get to know A $\Omega$ E. This includes:

\*Half hour interviews with sisters

\*Organizing a Membership Development Book

\*Weekly meetings and Candidate projects

\*Social functions and a trip one weekend

\*Spirit Week

### Q: When does Membership Education Development officially start? How will we know?

A: If the individual is chosen by  $A\Omega E$  to become a candidate for membership, she will be notified by a formal letter inviting her to do so. Dates of the following activities and events will be explained at that time.

### Q: Are there any "stupid" rules we have to follow as Candidates?

A: Nothing that will cause bodily harm or emotional disturbance. We take  $A\Omega E$  seriously while still having fun.

### Q: How is A $\Omega$ E different from other sororities on campus?

A:  $A\Omega E$  is special. We are both a professional and social sorority. Since we are a fairly small sorority, we all know each other and have become close friends. As far as we are concerned, we are very lucky to be so diverse.
