RE: Departmental GSA

The beginning of the new school year is fast approaching. In the past, this has been the time of year to elect a new GSA representative from your department's GSA chapter. We ask that you notify the Graduate Student Association of your representative choices. Each representative will receive a copy of the updated GSA constitution at the next meeting. On another page of, this mailing I have summarized the changes which have been made. Some of these alterations will require that each chapter update its constitution to comply with that of the Graduate Student Association. As soon as I have received this completed form, I will be able to discuss constitutional changes with your departmental GSA.

As usual, a brief description of the functions for the GSA at NCSU is enclosed. Also included on the enclosure is a list of the new officers. Should any questions or problems arise during the year, please feel free to contact us.

Please complete the following form and return it to me by mid-August. If you have any questions, my campus phone number is 737-3348. Thank you.

Dear Wesley:

We have reviewed your organization's constitution and officers list and everything seems to be in proper order. You are now an officially registered student organization of North Carolina State University entitled to all privileges entailed in that status.

Understand that this recognition in no way gives the University or Student Government responsibility for any financial liability which may be incurred by your group. Your status does, however, give you the opportunity to approach the Student Senate with a request for funds, and it also gives you certain on campus solicitation privileges.

Please be aware that we ask each student organization to update its file whenever there is a change of officers and at the beginning of each school year. Failure to do so will result in a loss of registration.

If the Department of Student Development can be of assistance to your group, please do not hesitate to call on us. Good luck with your new group.

Sincerely,
