RE: Policy on interest groups

Upon my conversations with your Chapter Advisor and your Chapter President, it has been made clear to me that you are aware of the policy that your fraternity has against interest groups. It has also been made clear to me that your fraternity claims no association with the new campus organization under the name of *Lady Diamonds*. While I am sure that you are aware of the attached policy, it is my responsibility to make sure that our records are accurate and that you have the same information.

If you have any questions or concerns in regards to this letter, please feel free to contact me or Dr. Turner at 515-2441.

Thanks for your support.

In the past several years a few men have attempted to organize a Chapter of Kappa Alpha Psi on the campus of North Carolina State University. It appears they have finally reached a level at which this can be accomplished. As the North Carolina State University Fraternity advisor, I am very pleased that they are petitioning for chartering. We will be very happy to have a Chapter of Kappa Alpha Psi on the campus of North Carolina State.

Dear Dwayne:

I have not heard from you or anyone from your organization this year, and I am curious to know the status of Kappa Alpha Psi. I know last year we met once or twice, and you were suppose to submit to me a local constitution, an up-to-date list of your officers, and a roster of members with their social security number and local address. You must submit these items to me by September 22, 1978, or your organization will no longer receive University recognition and will no longer be allowed to use University facilities. I must also inform you that fraternities must have seven or more active members to continue to be recognized. Kappa Alpha Psi has had sufficient time to reach this plateau.

I have enclosed the forms necessary to accomplish the responsibilities listed above.

Dear Dr. Uzzell:

Dean Talley has referred your letter of November 6 requesting information regarding the procedure for establishing social fraternities on campus to me. At present there are no specific written guidelines for such a process, however, we do adhere to the following structure:

1. Students interested in establishing a social fraternity are required to petition the Office of Student Development to be chartered as a student organization.
2. Once they have been established as a student organization, they may charter as a fraternity under a national fraternity's name provided they have the sanction of that fraternity, or they may be designated by a national fraternity as a colony of that fraternity. As a third option, they may choose to be a local fraternity with no national fraternity affiliation.

This procedure as you can see can be quite varied. If you have specific questions regarding the establishment and chartering of a social fraternity on this campus, please do not hesitate to contact me. I hope this has answered your inquiry.

Sincerely,

Jeff Mann  
Advisor to Fraternities

Dear Mr. Mann:

The members of Kappa Alpha Psi Fraternity, Inc. are interested in establishing a chapter of our fraternity at North Carolina State University. This spring, we hope to initiate several young men into our fraternity through Shaw University. I would like to ask you for your support in helping us establish this chapter.

We would like to reserve the Ballroom in the Student Center for the purpose of raising funds and because we do not have a chapter on this campus, I would appreciate it if you would assist us in reserving the ballroom. I understand that any cost involved would have to be paid before we gain access to the ballroom. KAPPA ALPHA PSI FRATERNITY, INC.  
PRONOUNCEMENT ON DISCIPLINARY PROCEDURE FOR HAZING

---

It has been the policy of Kappa Alpha Psi Fraternity, declared in 1949, that hazing in any form is illegal. Any member, pledge or probate participating in hazing is subject to disciplinary action.

It is further the policy of the Fraternity that interest groups, Scroller Clubs and other groups of persons aspiring to membership in the Fraternity are designed for the sole purpose of creating harmony and fellowship among the persons so involved and instructing them in the principals of the Fraternity found in its Constitution, Statutes, history and traditions.

Pursuant to the authority given in Article V, Section I of the Constitution, the Board of Directors makes the following pronouncement relating to the Fraternity's policy:

A. Definitions

1. The word hazing is any action taken or situation created however communicated, involving or resulting in abusive physical contact or mental harrassment to a pledge, whether on or off the fraternity premises, campus or place where chapters or pledge clubs or interest groups meet, designed to or the result of which is to produce mental or physical discomfort, embarrassment, harassment or ridicule. Such activities and situations include but are not limited to paddling in any form; creation of excessive fatigue; physical and psychological shocks; quests, treasure hunts, road trips; wearing apparel which is conspicuous and not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; late work sessions which interfere with scholastic activities; and any other activities which are not consistent with either fraternal law, or the regulations and policies of any educational institution or state or federal law.
2. The word participants includes those members or chapters who take part in hazing, those who sanction or give prior approval to hazing, and observers.

3. The word observers includes those who know or come to know of the hazing by personal knowledge, investigation, or by being told of the hazing by those who actually took part in hazing, and who fail to report the same to the National Headquarters of the Fraternity, 2320 North Broad Street, Philadelphia, Pennsylvania 19132
4. The word pledge for purposes of this document includes, in addition to those members of "interest groups", and persons who have declared their desire to become members of the Fraternity but have not been duly initiated into the Scrollers' Club, Scrollers, whether active or inactive.
5. The word members includes all men who have been initiated into the Fraternity.
6. The word chapter for purposes of this document, includes all chartered units of the Fraternity.
7. The word officer shall include all officers of the chapter, as defined in Article XXVIII, Section 1 of the Constitution whether elected or appointed.
8. The word report means to direct communication by whatever means expedient, within 48 hours of any occurrence or discovery of hazing, places, times, activity constituting hazing, name and address of participants and pledges, and injuries suffered, if any. All communication of hazing shall be confirmed in writing within five days of the initial communication in the same detail as provided in this paragraph 7.
9. The word probation means that members of the Chapter shall retain control over the affairs of the Chapter but under strict supervision of the Province Polemarch, or his designee. In case of probation and restrictive probation as defined in paragraph 10, the Province Polemarch or his designee shall, for the purposes of rehabilitating the offending chapter and its members, conduct two local periodic training sessions or seminars and shall direct the attendance of delegates of any Chapter under probation or restrictive probation at Province meetings, and may take other measures designated to rehabilitate the Chapter and its members putting particular emphasis on the illegality of hazing in the conduct of the affairs of the Chapter.
  - a. Attendance at local seminars and periodic training sessions shall be mandatory for all officers, participants not under suspension and not less than seven undergraduate members, and in the case of an alumni chapter all officers, participants not under suspension and not less than ten members.

10. The words restrictive probation means that members of the Chapter shall have no authority to carry out any function of the Chapter without the prior written approval of the Province Polemarch and under the strict personal supervision of the Province Polemarch or his designee. These functions specifically include, but are not limited to, rushing, pledging, initiations, qualifying persons for initiation into the Fraternity, and meetings of the Chapter and Scrollers Club, and interest groups, if any. The conditions of probation as set forth under paragraph 9 hereof shall apply also in cases of restrictive probation.

B. Penalties Applicable to Members and Pledges.
