We have reviewed your organization's constitution and officers list and everything seems to be in proper order. You are now a registered student organization at North Carolina State University entitled to all privileges accorded by that status.

Understand that this registration in no way gives the University or Student Government responsibility for any financial liability that may be incurred by your group. Your status does, however, give you the opportunity to approach the Student Senate with a request for funds and gives you certain on-campus solicitation privileges. Additionally, this status enables you to link your student organization's homepage to the University's Web, and to access the services provided by the Student Organization Resource Center.

Please be aware that we ask each student organization to update its file whenever there is a change of officers and at the beginning of each school year. Failure to do so will result in loss of registration.

We look forward to working with you. Good luck with your new group.

Sincerely,

T. Michael Wallace
Coordinator, Student Organization Resources
