NC State Wrestling Club Guiding Principles

Mission: The NC State Wrestling Club's mission is to provide an outlet for students interested in non-varsity wrestling activities. The Club seeks to support these wrestling enthusiasts in their particular goals - whether that is learning the sport, getting in a good workout, or preparing for national competition.

Goals: The goals of the Club are: (1) to increase Club membership by increasing awareness of the Club on campus, (2) provide for the practice and training of all levels of wrestlers, (3) provide for enthusiasts who wish to use wrestling to obtain a workout, (4) help wrestlers reach their individual tournament goals, and (5) forge and continually improve a Club "Team", which can compete with other schools and at tournaments, and which proudly represents NC State.

Leadership: The club elects its officers each spring for the following year. These officers serve for the fall and spring semesters unless they graduate in December, whereupon a replacement must be elected. The offices of President, Vice-President, and Treasurer are filled from popular vote by the eligible members of the Club.
