Dear Mr. Faculty:

As your previous year organization's constitution and objectives were not recognized to be in actual order, you are now an officially registered student organization of North Carolina State University and that is all privileges attach to that status.

Remember that this organization is to be the voice the university of student government membership. For any financial benefits which may be applied to your group, that status has, however, you are the authority to request the Student Union with a request for funds, and to allow your own private financial administration privileges.

Please be sure that at the next student organization assembly the 1988-1989 student body is a change of officers and all the members of each school year. Failure to do so will result in a loss of recognition.

If the Department of Student Development can be of assistance to your group, please do not hesitate to call for us. Your best wish goes out to you.

Sincerely,
