Dear Ms. Waters:

We have reviewed your organization's constitution and officers list and everything seems to be in proper order. You are now a registered student organization at North Carolina State University entitled to all privileges entailed in that status.

Understand that this registration in no way gives the University or Student Government responsibility for any financial liability which may be incurred by your group. Your status does, however, give you the opportunity to approach the Student Senate with a request for funds, and it gives you certain on-campus solicitation privileges. Also, this status enables you to link your student organization's homepage to the University's Web.

Please be aware that we ask each student organization to update its file whenever there is a change of officers and at the beginning of each school year. Failure to do so will result in a loss of registration.

If the Department of Student Development can be of assistance to your group, please do not hesitate to call on us. Good luck with your new group.

Sincerely,

Robert S. Bryan, Jr.
Interim Director
